1. THE BOOKS OF "MORIAH" ARE A MANIFESTATION OF GIVING, NOT A DECEPTION TO TAKE FOR GRANTED

Everyone that enters the website of ministry "Moriah" must be aware that the Word of God's Prophetic Spirit is displayed in this website. Word, which was not written in a week or a month, but is the result of Dedication, which has been going on for eighteen years. The Cross of this Dedication was the explicit Will of Lord Jesus Christ that these books are given away freely, so that no reproach or shadow is cast upon the abundant Boon of God, which was coming into my heart. Unfortunately the free access to the prophetic books made many turn this freedom into the deceitful cover of their own carnal, not Heavenly, nature. Because something was given to them freely, they thought that they can easily take it for "granted", and through this attitude to remain absolutely uncommitted and in no debt to God's Boon. Through their own ungratefulness and anonymity they showed their contempt for Lord's Holy commandment: **"Freely you have received; freely give!"**, as well as for Apostle Paul's explicit message in "Galatians", which says:

"Nevertheless, the one who receives instruction in the Word should share all good things with their instructor. Do not be deceived: God cannot be mocked. A man reaps what he sows. Whoever sows to please their flesh, from the flesh will reap destruction; whoever sows to please the Spirit, from the Spirit will reap eternal life..."

(Galatians 6:6-8)

Undoubtedly, each one of the anonymous ones will reason carnally that they visit a church and sow their goods there, by which they show honour to God and to God's servants, who teach them in God's Word.

Then what is such one doing in the website of ministry "Moriah", when they have already been well-fed and spiritually blessed in the church, they are going to? Who would start overeating, when they are sated?

In reality, it is true that in many churches there is great hunger for real messages, revelations and visions of God. So if someone is no longer sated and gull in their heart, they set off to make amends for their hunger with other alternatives. Then, when coming across the website of ministry "Moriah", they are quick to download three, five, ten or even fifty books.

Books, which are Given, not something granted!

Books, which are backed by the efforts needed for them to be written!

Books, which are backed by prayers and tears that only God sees!

Books, for which a price of persecution and fiendish rage upon their author is paid!

Books, filled with messages, which were unknown to the receiver, for they had never heard them as sermons from the church pulpit. But as the anonymous visitor is spiritually bound to their church and pastor, instead of to ministry "Moriah", their heart remains fruitless and ungrateful to the source that gives all of its spiritual blessings for free.

This attitude to Lord Jesus Christ and to His servant – taking Giving for granted – is what draws terrible sin upon the hearts of the anonymous visitors. Thus they fall into unrighteousness before God's Voice, as they refuse to obey the Perfect principle of Boon – having received freely, to give freely.

For the last ten years, tenths of thousands of Christians have taken part in these sins of anonymity and ungratefulness. They reached the state of entering just to download the newly-written prophetic book. Thus God's vessel, used for the writing of the books, remained only a subject of disdain and violation. However, in reality they despised not me, but the One, Who sent me, and thus abused not my giving, but His Boon. This is how they brought to their hearts the sins of religious stone-heartedness, which became possible only due to the increased wickedness. Meanwhile ministry "Moriah" gained the "halo" of a cheap and accessible restaurant, in which nobody ever owes anything to the Heavenly contributor, even a simple letter with just three words:

"Thank you, brother Stefan!"

So whenever someone "accidentally" wrote to me:

"Lord bless you!"

...their letter always implied secretly the following:

"...but not through me, as I give my goods to another place..."

I need such written "blessings", as much as a spring needs water, or as much as a blazing furnace needs a spark. Why would I need your poorly disguised ungratefulness, religious hypocrites? Why would I need enthusiastic quotes from the Bible? Do you not know that for the eighteen years of my labour for the path of God's Prophetic Spirit, Lord Jesus has always found a

way to refresh my soul through the ones faithful in deeds, and not words? It is them that remembered how strenuous and exhausting my work in the Lord was, and that is why they shared all their goods with me.

Leaving the website of "Moriah" as a cheap restaurant for anonymous people, without warning them of the wickedness, by which they are soiling their hearts, would mean to personally reprimand the use of my friends, who (unlike the anonymous ones, downloading all the books of the ministry with just a click) were zealous and faithful to wait for the time of each book of God – month after month, year after year.

That is why, entering the web-site of "Moriah" everyone should know that they are entering a Holy place of God's Giving, which must never be taken for granted, if one wants to please with their faith and standing Lord Jesus Christ. When they get the books – let them be zealous to produce a fruit – not in words, but in deeds. So that they are the executors of the words of the apostle:

"Dear children, let us not love with words or speech but with actions and in truth..." (1 John 3:18)

2. THE BOOKS OF “MORIAH” ARE CIRCLES TO CLIMB

In the last years the books of God’s Prophetic Spirit became so numerous that the divine intervention of my Lord was necessary in order for Him to show me that my personal dedication from Him was a Heavenly plan, connecting with spiritual climbing and elevation. Before, lacking God’s Wisdom, I ordered my books according to the year of their writing, and then started looking for another spiritual signs, by which to unite them in themes. Still my heart remained unsatisfied. Thus a moment came, when Lord gave to my heart this book – “The Scrolls of Lord's reminder”. Through the visions in this books my standing in God developed in the most truthful way. For I realized that Jesus had taken me through five Circles of God’s Holy Presences – the Water, the Bread, the Wine, the Oil and the Salt. Thus the website of the ministry changed and the books were placed in their Circles. In a while God commanded me to put an end to the first of the Circles, which was the Water, so that the Christian may be attracted by the Bread. As painful as it was, this was necessary, for the spiritual experience constantly told me that the Christians prefer much more the shallowness of the Water to the solid spiritual food. Thus four Circles remained in the website of ministry “Moriah” – the Bread, the Wine, the Oil and the Salt.

The Bread and the Wine – these are messages and visions, leading the Faithful ones to Lord’s Cross, while the Oil and the Salt are messages and visions, by which the ones, who have crucified themselves with Jesus continue with Him beyond the Cross – into regions of God’s Glory and powerful anointment.

Still, even though the Circles clearly showed to all that the experiences of God’s Boon are different, many deceived their hearts into downloading books, for which they had paid no price before God, and thus had not acquired the firmness and Holiness needed to live them. Then the enemy and vengeful one found them unprepared and weak. Thus he persecuted them and chased them in a way, meant to stumble them. So people, for whom the messages from the Circle of Bread were no problem, were tempted by the messages from the Circle of Salt. Their temptation was a clear sign and proof that they had not experienced Lord’s Cross yet, and thus the verse from “Galatians 2:20” had

not become yet the Spirit and the purpose of their hearts. They had simply considered "Moriah" a cheap restaurant, in which all the meals are edible. However, they did not consider that the Word of God's Prophetic Spirit pierces to separate soul and spirit, and reflect as mirror all the vices and flaws preventing the person from walking together with Jesus on the path of Holiness.

Do you want to be like these "sons of Sceva"? I do not think so!

For the last six years Lord has made me stand and abide in the last Circle of Salt, as a Sacrifice on God's Holy Altar. The books of this last Circle are not meant for curious readers, but for people that want the Faith of Abraham, the Image of a servant, and the Glorious privilege to be in one Spirit with the Lord. Unfortunately - nobody can skip entire steps of spiritual growth and consider themselves charged with Power in their standing before God with just five or ten books. As what will happen then is namely the following written word:

"The crucible for silver and the furnace for gold, but people are tested by their praise..." (Proverbs 27:21)

My sincere advice to all, who want spiritual growth and completeness, is to look at the Word of God's Prophetic Spirit, as to Circles for climbing, instead of a restaurant's menu. As even if they find the Bread and the Wine sweet, they will certainly choke on the Oil and the Salt. Test yourselves to see whether you stand in the right place of the Holy Spirit, and may your hunger for Word be conformable to the Rock, you have built in your hearts.

"Stand firm, and you will win life..." (Luke 21:19)

3. THE BOOKS OF “MORIAH” ARE A STONE TO STEP ON OR A STONE TO STUMBLE AGAINST

For the fourteen years since the writing of the message against the merchants in the Temple, my heart has experienced many waves of persecution, denial, violation and stigmatization. The church Babylon levied all of its structures in order to resist the Word of God's Prophetic Spirit. Thus my name was covered in slime, abuses, reproaches, lies and all kind of stench, meant to turn Stefan Glavchev into the “scarecrow”, by which to frighten the ones, unconfirmed in Christ's Faith. Willingly or not – I must admit in pain that this devilish strategy had great success in Bulgaria. Saying that Lord Jesus Christ had not warned me for the possible reactions, would be a lie. On the contrary – at the very beginning, when He gave me the vision with Mount Moriah – He warned me that the collision will be violent and that the resistance of the devil – outrageous to the death. But together with the warning the Saviour also told me that my books will become a stepping stone for some, and a stumbling stone for others. I do not feel equal to saying how many stumbled in “Moriah”, as their number is too great. I do not even wish to consider the fate of the pastors, who called me a “wolf” in evangelical newspapers, or of those, who trumpeted abroad that they would eradicate me and ruin my deed. However, it is a fact that Lord's servant stands in his place in God's Holy Spirit and that he has not moved a whit away from his vocation and vision. Even though the spiritual burden over my heart increased to the limit of bursting, I am still Lord's Stone that has neither shattered, nor will ever shatter. What will actually happen is something else, for which Lord declared His words against all the enemies of the prophetic word:

“Have you never read in the Scriptures: ‘The stone the builders rejected has become the cornerstone; the Lord has done this, and it is marvellous in our eyes’? Therefore I tell you that the kingdom of God will be taken away from you and given to a people who will produce its fruit. Anyone who falls on this stone will be broken to pieces; anyone on whom it falls will be crushed...” (Matthew 21:24-44)

The stone in my heart is Lord Jesus Christ! If anyone wages war against This Stone – they are doing this for their own destruction! If someone else

steps on This Stone – they will start seeing far above – in God’s Zion! At the Gates of Justice and at the Tree of Life! In the Council of the Holy Ones, in the triumph of the Heavenly Jerusalem and amidst the spirits of the righteous made perfect!

On God’s behalf I implore all the Christians not to give any space for the devil and not to even consider being used by the wicked one in his campaign against Mount Moriah, as this is a battle the devil has already lost to God’s Prophetic Spirit. It was seen before the creation of the world, and commanded to take place at the end of time. So if a prophetic book seems hard to comprehend and understand - go back to a previous Circle of God’s Presence, where the Stone to step on is more suited to the growth of your spirit. Only when you have already stepped on the Stone – raise your heads above. Have the wisdom to read and live the books following the time of their writing. That is – when you read one book, continue with the book after instead of skipping years or Circles ahead. Only so will you preserve your peace in God, as well as the firmness, onto which you are called.

4. THE BOOKS OF “MORIAH” ARE A PERMANENT COVENANT WITH GOD

In one of his messages Apostle Paul warned us all about one most fearful trend, which took off at the time of Christ’s Early Church and now is at its summit. This trend is written down with the words:

“But mark this: There will be terrible times in the last days. People will be lovers of themselves, lovers of money, boastful, proud, abusive, disobedient to their parents, ungrateful, unholy, without love, unforgiving, slanderous, without self-control, brutal, not lovers of the good, treacherous, rash, conceited, lovers of pleasure rather than lovers of God – having a form of godliness but denying its power. Have nothing to do with such people. They are the kind who worm their way into homes and gain control over gullible women, who are loaded down with sins and are swayed by all kinds of evil desires, always learning but never able to come to a knowledge of the truth...”

(2 Timothy 3:1-7)

With pain and overflowing grief in my heart I confess that Lord Jesus Christ let me know the truthfulness of these verses many times. As the believer does not need to have thousands of sun rays in order to know that their source is the Light. A single ray is enough to illuminate their existence and remove the darkness from their life. But the way the Christian treats this ray will show if they are really worthy of calling themselves with the Name of Christ. As the Word of our Lord is a Covenant. If anyone reads His messages, His visions, His revelations, they must read them by the faith that they are taking part in His Covenant. So if the New Testament is the Foundation on which God’s Temple is built, as Christ Himself is a Cornerstone in it, and the other stones are the apostles and the prophets, then let us stand in awe of the divine right of the Saviour to raise and build His Temple according to His Eternal intentions, for which He said:

“Therefore I am sending you prophets and sages and teachers. Some of them you will kill and crucify; others you will flog in your synagogues and pursue from town to town. And so upon you will come all the righteous blood that has been shed on earth, from the blood of

righteous Abel to the blood of Zechariah son of Berekiah, whom you murdered between the temple and the altar. Truly I tell you, all this will come on this generation..." (Matthew 23:34-36)

and more:

"Anyone who welcomes you welcomes Me, and anyone who welcomes Me welcomes the One Who sent Me. Whoever welcomes a prophet as a prophet will receive a prophet's reward, and whoever welcomes a righteous person as a righteous person will receive a righteous person's reward..." (Matthew 10:40-41)

Unfortunately – the contemporary people love more the generation of Korah, Dathan and Abiram, who resisted prophet Moses and remained with corrupted minds, depraved in faith. In the very same way their contemporaries do the same in order to complete what their ancestors started. They may read all the prophetic books of ministry "Moriah", but they will neither comprehend them, nor live them, nor will go through repentance for their deeds. Lord's warning will be fulfilled over them, for they were trying to pour new wine into old wineskins, and thus they are burst, and God's wine flows out.

Never treat the Word of God's Prophetic Spirit as a disposable product, for such treatment would only place you under fearful condemnation. It would have been better for you to never have entered the Holy Place of the Lord and His servant than to trample, abuse and reject after entering it.

May Lord Jesus Christ bless and watch over the Faithful ones of His Covenant!

Amen and Amen!
