TO YOUR HEART

Dear brother! Before introducing you to this book, I would like to tell you the reason for writing it first. It is the vast spiritual poverty lying as a black diaper over churches and believers. Not only don't Christians know their Savior and God, but they also don't step further to get to know Him better. They do not even know that the last months and years before the second coming of our Lord on the earth are already running out in the spiritual world. They don't even know that the Holy Spirit is full of such a Boon today. They don't even know that today the Holy Spirit is full of such a Blessing and Mercy from the Father, so that for everyone calling on the Name of Jesus, the most important change of heart has come. That change of heart with which we can die for the World and become alive for the Kingdom of Heavens. That change which insists not only mobilization, but also our perfect breaking and submission to the God's will.

When God with His Spirit came to my heart to make this prophetic gaze upon the profound God's secrets for the Honor, the Choice and the Faithfulness, I instinctively made a parallel with the situation when a man wants to cross the border of his country, but he does not have a passport to identify himself. And then I found out that if the worldly-minded man needs a passport to identify himself to the World, then the Christian needs another kind of passport to be recognized for the Heaven. In the former you'll see the Caesar's stamps, i.e. the worldly power, while in the latter God Himself will seal with His Spirit your right to be a part of the Kingdom of Heaven. And if by all means there is a custom next to the border of the worldly country, which does not allow crossing the border without irregular documents, then do you really think that God's Kingdom would be left without guards to protect and not to allow anyone to enter the Heaven without having a passport? At least remind yourself the parable of Jesus in which the Savior clearly said that the five foolish virgins would come to the door and cried out to God to open it. But He would simply tell them:

"I said the truth: I don't know you..."

When Jesus says for something that it is true, then the God's words cost more the human ones. Moreover, namely the human adjustment and concept

for the Kingdom of Heaven will turn out to be the insidious deception and hidden lie that in the carnal and worldly people's brains has built high citadels of self-righteousness and a religious self-confidence.

I have given up looking for the approval and the consent of such people and I don't reveal the God's intentions to them. Because they will always have the doctrine answers according to the theology yeast, by which they have been seized. Tell me then, please, is there a point to talk to people who are convinced that they are better informed than you? Is there a point to open the eyes of people who claim that they could see? Of course, there is not. That is why I am telling you again that the words in this book are not for everyone. They will not be accepted by everyone because of a simple reason. The reason is that the Kingdom of Heaven is not created for everyone. And let this truth don't despair you, but encourage you to grab the diadem of the justice. There is no such power to overcome the God's Sacred Spirit and to withhold Him to confirm and stamp the inhabitants of the Heaven. There is no such power to deny God from His intentions and thoughts of His Heart. The Speech says for our Creator something beautiful:

"The LORD foils the plans of the nations. He thwarts the purposes of the people. But the plans of the LORD stand firm forever, the purposes of his heart through all generations..." (Psalm 33:10-11)

You convince yourself, God neither deigns nation intentions nor tribes thoughts, because there is something that stands above the nations and tribes. That is God's thought about a tribe and a nation. The tribe from Zion and the nation to which Jesus is God! The tribe chosen to live in the Heavenly Jerusalem and the nation recorded in the God's Book of Everlasting Life.

For this tribe and for this nation I am going to talk about in this book, because, if they don't have carnal differences from the rest of the tribes and nations, the tribe of Zion and the nation of God have something in Spirit which others don't.

And those are the stamps of the Kingdom of Heaven.

When I received a confirmation in my heart that I would write a book about the stamps of the Kingdom of Heaven I was really excited. My heart beat as hard as someone who has just discovered a new world, a world he has never seen. Although hundreds and thousands God's children have tasted and

seen the goodness of the Heavenly Zion, I dare to say that It has been left hidden for many others as the Heavenly experience is not like the worldly one, and the hidden is not like the seen. That's why Jesus touched my heart and His words came to me. Here is what He said to me:

"Stefan a bit more and I will gather you to be with Me. A bit more and the Light of Zion will be more glamorous than the light of the sun. But in this span My Spirit has a lot of work to do, because many children of Zion have fallen asleep and must be awakened. And when they are awakened - to commit the deeds they have been pointed out by My Father. And you, do you know who are the perfect acts that the Holy Spirit is uploaded with today?"

"Oh, my Lord! The perfect deeds would be the ones that would give us the Heavenly perfection, because your apostles wrote that we are chosen to be participants of the God's nature. And in their messages is said that the good things come from God, and also comes every perfect gift..."

"Remember that today is the time of the perfect gifts. Today is the time when the Heavenly Father will send the gifts of Zion to My Bride. Today is the time when she will put on the bright and clean fine linen. Today is the time when every awakened man will realize that the way from the earth to the Heaven is a way of tearing off the worldly and touching the Heavenly. No doubt that there are thousands of churches on the earth, but there is only One Church in Heaven. There are thousands of pastors on the earth, but there is only One in Heaven. There are thousands of teachers on the earth, but there is only One in Heaven. There are many paths on earth, but the Path to Zion is only one. To understand all this, take a look at the clock that I will show you..."

After the words of Jesus, a big hourglass came up in front of my eyes. The upper part of the hourglass touched the Heavenly dimensions of the Holy Spirit, and the lower part was on the earth. There was a clear distinction between this hourglass and the other ones as the sand grains were leaking upwards in contrary of the gravitation law. When a grain had gone through the tiny channel it was glimmering as a small star which was part of the Heavenly dimensions of the Holy Spirit. Everything in the vision with the hourglass was

so beautiful and amazing, because there was a meeting between the God's time and the God's salvation in it. And then God said:

"I want you to remember this vision, because I show you here not simply the Salvation, but the signs you all have been warned to watch about. That's why keep looking at the hourglass as the realization of the signs themselves is about to begin..."

I was looking at the enormous hourglass again, and I then I saw that dark wind was coming from the bottom part of the hourglass, i.e. the place you enter the Salvation from. That wind started blowing away the grains, so that many of them started falling down on the earth from which they had previously been taken. Then I saw other grains turning whiter and whiter while at the same time the ones around them were darkening to become completely black. While the black grains were heading down the white ones were going upwards with such a power that they outstripped hundreds and thousands other grains around them, and fast and categorically entered through the tight opening of the hourglass. Things got clearer in the vision when the sand grains separated in three groups:

White – they were the smallest group, standing in the upper part of the hourglass.

Grey – they were under the white ones... and were crumbling by the black wind.

Black – they were at the bottom and were messing with the soil.

And then God told me again:

"Look carefully now that from the activity of the dark wind, the gravity starts acting upon the grains. And then those grains for which the worldly was stronger than the Heavenly simply fall on the ground. And so they became as dark as the soil which seized them with its power. Look at the grey ones as well. They, in contrast to the black grains, were staying in the God's hourglass. However their stay was only due to their confession that they are Heavenly, but not by the God's power inside them. Finally, take a look at the white grains. These are those for who the Heaven is more expensive than the earth. They not for a moment were affected by the gravity and when the wind of the darkness blew against them they even fell more in love

with Zion and came closer to the narrow channel of the Salvation. Find out how the vision continuous...”

After the wonderful words of God who fully explained me the process in the hourglass, I was looking at it again. And then my eyes saw a miracle happening with the hourglass, because the number of the white grains was reducing so fast as they were going through the narrow channel. And then it came the moment when the last white grain went through...

Right in this moment the God's Light went up from the hourglass itself and with the Light all saved went up as well. And then above the hourglass a dark cloud showed up from which interiors millions of demons poured on. They were like dark sand poured by a powerful hand. And then the dark sand turned the motion of the hourglass, because the demons enlarged the opening of the hourglass and as they were pouring on through it, they were messing with the gray sand left in the lower half of the hourglass. It came that at the beginning I saw only a God's hourglass in which the saved were grains traveling upwards and now, at the end of the vision it was a devil hourglass in which the demons were pouring down from the under-sky places from the impious authorities themselves so that the aim of the dark sand was to bring everyone back to earth. Right in this moment God stopped the vision. After that He said:

“Do you start understanding why the My Apostle Paul warned everyone about the field of life? Do you start understanding My words in the Gospels where I said the time will be shorten because of the chosen ones?”

“Yes I do, Lord! Now I understand that I must run for the Salvation, because not all virgins are Your Bride. And not everyone who calls himself a Christian testifies that You live in his heart. Thanks to this vision with the hourglass I found out that time would shorten immediately when the last white grain passes through the narrow opening, everything would be over...”

“That's absolutely right. And that's why I came to inspire you with this book, because through it the deed of your Lord in the hearts of the Christians will really turn out to be fateful. And the called ones from My Father will definitely be found as white grains which are in a hurry heading upwards while the retreat pulls the majority down. That's why

follow Me and let all who want to be with hearts having the Heavenly stamps of God's Salvation follow Me as well..."

After the last words my Lord made the vision with the hourglass stopped, and an instant after, lifted by the Holy Spirit Power, I got myself with Him in those Heavenly places where the white grains left forever as light stars of Zion.

I ask God to open the eyes of your heart with this book in order to catch the hour of the Heavenly migration!

To be ready for the moment!

Amen and Amen!

1. THE VISION WITH GOD'S ARMY

Dear brother! My faithful friend!

If there is something I put all my life for, it is you - to be charged with that faith in Jesus which is ready to kneel down to His knees and be like Maria. The faith that is ready to imbibe thirstily the word of God. The faith that stays with open eyes for the visions that He gives us. The faith that drives you to leave everything that pulls you towards vanity and carnal desires, in order to fill your spirit with the precious Light of Zion.

Let me reveal you the spontaneous impressions I got when God lifted me next to Him to talk in details for the stamps of the Kingdom of Heaven. The first thing that my eyes saw was a heavenly path that was leading down the earth. I am not sure I can find the right words to express my admiration about the sight, but if you can imagine the moment when the sunny lights are showing behind a cloud and touch the ground. Then you see exactly something like a path. That is how I saw that heavenly path on which thousands of soldiers were ordered on their white horses. All of them wore light-colored cloths and were armored for a battle. Then Jesus showed among them. His Glory was such that heavenly lights were pouring out from His eyes and touching the hearts of all His soldiers. And then in the vision God stretched His hand toward me so that I felt an attraction to be next to Him. And after a moment I indeed was there, because the waves or the Holy Spirit shoved me to the King of Zion. And then God told me:

"See My Heavenly army! Look at those, who are the weapons of My indignation! Since, Lord comes with them to defeat the whole earth and all earth kings, who have made adulteries and who have been drunk by the wine of Babylon..."

I looked at the Christ's soldiers and I was shaken to the bottom of my heart. Since, every one of them had in himself not only the God's Power and Authority, but the very God's Sweeping Might. They had swords, in whose blades there was God's blazing fire. I was sure that if these swords had been brandished, they would surely have defeated the enemies of Heaven. However, that was not everything yet. Since, while I was looking at the Christ's soldiers

with astonishment and reverence, Lord Himself touched me with His hand and told me:

“Don’t admire your swords, because there is something worthier for admiration than them. And that’s why I brought you here to see it....”

After His words Jesus caught my hand and pulled me up to one of His soldiers. While he was pointing at His servant He said:

“Look the Heavenly stamps over My soldier, because all of you are obliged to have them...”

I looked again at the Jesus’ soldier and then I saw the Heavenly stamps. They were like drawn by a Light which cannot be erased. The first stamp was over the forehead of the servant. The second was over his hand and the third – over his heart. Looking at that Heavenly miracle, I still couldn’t explain what the stamps meant. And then God told me:

“Take a look at the stamp on the forehead first. This is the stamp of the Calling. With such a stamp you become one of My called. And now have a look at the second stamp over the hand of My soldier. This is the Stamp of the Choice. With such a stamp you become like one of My chosen. Look finally at the greatest stamp. This is the stamp of the Faithfulness. With such a stamp you become like one of My faithful.

And now know that My army consists only of soldiers who have the three stamps. And there is no single soldier among Mine who is missing the Heavenly stamping, because this is My numerous army written in the Revelation which I gave to My Apostle John. That’s why look how the vision will continue and write on a book the things that I will show you...”

After His last words God Jesus gave a sign to His army. And then, in the awesome vision itself, the Heavenly army set out for the earth on the Light way which I had noticed earlier. The movement of the Heavenly army caused a rumble that echoed on the earth, so that the Holy Spirit pointed my head towards the earthy places. And then I saw hordes of black armies which, similarly to a formicary, were standing on a hill. They were piercing the air of the earth with their incessant shouts “Hallelujah”, and at the same time were brandishing their spears and shields. Among the earthy hordes there was a

man who had a more imposing figure. He was the one who united them. He had a big black cloak and under it- wings that were swinging aside while he was waving with his hands. No doubt I knew in my heart that that was the beast, the man-antichrist, and the black hordes among him were his armies.

And then the Sky opened and the army of My God left for the hill. It happened that the black hordes felt fear and raised their shields and their swords gloomed by the Sun that was falling over them. After a moment, God's army was over the hill. And then the battle started. A sword crossed another sword and shield bounced in another shield. There is no need to tell you that the battle was a known tragedy for the black hordes of the beast as there was firing flame, coming out of the Christ's soldiers, which corroded the antichrists' shields and swords in such a moment and in a second strike the devil's weapons were crushed in dust. So in the battle which was coming to its end, a Voice from the Heavens came to the belligerent, It was so powerful and categorical so that the hill shook from its vibrations and the earth rocks started cracking, and falling down. And here are the words that the Heavenly Voice said as it was the Voice of the Heavenly Father and God Jehovah said:

"You were fighting against My Lamb, but He beat you, because He is a Master of the masters and King of the kings. So, the ones that were with Him stroke you on the hill of the defeat, because they are called, chosen and faithful. And finally, I will leave the corpses on the face of the earth and all sky birds will be fed up with your meat..."

After the words of Father an omen happened. The foreheads of the Christ's soldiers were gleaming so that they were like small suns. The same happened with their hands and their hearts. And then the three lights from the Christ's soldiers were literally crushing God's enemies and they were falling stricken on the earth, and their bodies were tumbling down the hill...

Never had God given me to see how categorically will be the defeat at Armageddon and now my heart becomes a witness of an impressive picture. This picture convinced me that the devil has never experienced something as deadly as the one with the three stamps, because the Light of God that was coming out of the stamps was more deadly than any other weapon ever used.

A moment after the vision stopped, and God came to me and said:

“My Father has loved you with bonds of an Everlasting Love. And this is the Love with which He pointed you, to show Mercy and restoring for dozens. Blessed humans who fell in love in the stamps of the Heavenly Kingdom, because as God is in Three Faces, so is the Salvation in three stamps. The one who is loved by My Father and pointed by His hand will definitely acquire the stamps of Calling, Choice and Faithfulness, to find himself among the called, chosen and faithful.

I am talking and whoever has ears to listen to me, let him hear Me! Who has a faithful heart, let Him hear what the Spirit talks to churches!

Today My Father gathers His Heavenly army, to fulfill His ancient Word against Babylon said by the prophet Isaiah:

“I have commanded my holy ones; I have summoned my warriors to carry out my wrath - those who rejoice in my triumph. Listen, a noise on the mountains, like that of a great multitude! Listen, an uproar among the kingdoms, like nations massing together! The LORD Almighty is mustering an army for war. They come from faraway lands, from the ends of the heavens - the LORD and the weapons of his wrath - to destroy the whole country. Wail, for the day of the LORD is near; it will come like destruction from the Almighty. Because of this, all hands will go limp, every man's heart will melt. Terror will seize them, pain and anguish will grip them; they will writhe like a woman in labor. They will look aghast at each other, their faces aflame. See, the day of the LORD is coming - a cruel day, with wrath and fierce anger - to make the land desolate and destroy the sinners within it. The stars of heaven and their constellations will not show their light. The rising sun will be darkened and the moon will not give its light. I will punish the world for its evil, the wicked for their sins. I will put an end to the arrogance of the haughty and will humble the pride of the ruthless. I will make man scarcer than pure gold, more rare than the gold of Ophir...” (Isaiah 13:3-12)

There definitely will be men more expensive than the gold and wanting more than anything else the Heart of My God. And these are

His followers, His strongest and His delighted. These who are delighted by His majesty, because they are called, chosen and faithful! Namely their glowing faces no one earthy will be able to stand. Exactly their fervent faith no earthy one will be able to grasp!

I am talking and whoever has ears to listen to Me, let him hear Me!

Now I will devote to My servant the secrets of the Heavenly stamps. Blessed are those people who humble their hearts and their souls so that they allow Me to stamp them with the Heavenly Goodwill.

As today is still an hour in which I am saving!

But tomorrow will be the moment in which I will measure!"

After the last words of Jesus the vision with the God's army and the battle at Armageddon stopped and I felt in my heart such a flow of Word and Spirit, so that I was perfectly convinced that for my heart the most wonderful moment has come - the moment when everything that belongs to Him was mine and vice versa. Hopefully, you my dear brother will find the same measure of Heavenly goodwill and Fatherland Love! Amen and Amen!

2. THE VISION WITH THE STAMP OF THE CALLED

(or how to find yourself in the Name of Jesus)

My dear brother! My truly friend!

I know that your heart has been thirsty for such a word, because there is a place in the heart which cannot be fulfilled with anything else but God and His Holy presence. And as much as the sin and the flesh are at war with this longing of the heart, it itself shows that it has not been fulfilled and wants exactly the God's presence. The same as if crockery had had feelings, will and thoughts to express what it needs, it would have definitely wanted the contact with the fingers of the potter who has created it. So do our hearts want the touch with the God's Spirit, but something else happens afterwards. Many people refuse that touch, because they don't want to pay the price they are called for. So the heart is deprived from the most beautiful privilege of the Kingdom of Heaven. The privilege that our dies in order for His to live. The vision which I will reveal in front of you will fully show you how big the tragedy in some people is and how big the privilege in others is. So, let's start with the vision itself.

God touched my head with His hand and a vision came in front of me. I saw a path which was bending around dense trees it suddenly split in two paths. One of them was going upwards and the other downwards. There was a high wall in front of the path that was going upwards. The wall was such that it had an unruffled surface. Then I saw two men coming toward me. And one of them saw that the path was splitting in two. And then he said to the other man:

"Can you see that the path is splitting? What are we doing next? Which way should we keep on?"

And the other responded:

"This is a test from God. Otherwise it wouldn't be like this. I believe that God will never leave us to be tested more than is our power. However together with this He will point us which path to choose..."

Then the former one who was close enough to both paths said again:

"I see that one of paths is closed for trespassing, because there is a mirror wall in front of it while the other looks stable and certain..."

The latter said again to the former:

"This mirror wall is not here by accident. It is put by God and has very important meaning for us. Look yourself in it and see how it reflects you. Maybe you will understand why it is put..."

The former clearly took the advice of the latter, came close to the mirror wall and looked into it. And then he jumped back with fear and said:

"There is something that I don't like much here, because this mirror wall doesn't reflect right. Come and see!"

So the latter come closer to the mirror wall. Then he said to the former:

"Why do you wonder that we look like this? Maybe we are really dirty and with such ugly faces..."

Then the former as he reacted nervously to latter's reaction said again:

"Don't tell me I look so. This is not true. I am free and blessed in the Name of Jesus. Maybe this is a fake mirror which wants to shake our faith and lead us back. Isn't it so? Aren't we saved and blessed in the Name of Jesus? Do our faces have to look like that in that mirror? It is not possible to look like that! It is not doctrinal..."

Then the latter asked the former:

"What do you think we should do? Should we go back or continue?"

Then the former said again:

"How are we going to go back? Of course there is no way back, but we definitely go ahead. That's why I will keep on the path that has no mirror wall..."

Listening to the words of his fellow-traveler, the latter said again:

"Aren't you in a hurry my brother? Do you think that this path that leads downwards is a path toward Heaven? Think that if we are from the Bride of Christ, then definitely before the Day of marriage this Bride must look into the mirror, because God wants us without a spot or a wrinkle. And isn't namely that mirror God's Word? Did not Apostle Jacob say to all of us that if we are listeners but not executors, then we are like people who are looking their faces in the mirror?"

Then the former one even more irritably said:

"Is this what you show me as a proof? Are you trying to sue me, ah? I told you again this was not our path. According to the other path downwards, tell

me didn't we go up enough? And isn't it time now when God wants us to have a break and that's exactly why the path is going downwards?"

The latter whispered to the former:

"If you want keep up the second path, but I will stay here, because I don't want to continue the path of the faith in God without knowing how God looks at me..."

Then the former said again:

"I see that you are shaken. However God doesn't deign in hesitant people. I am sure after a while you will take the road down although you don't want it now..."

After those words the first traveler went down the road and the second left in front of the mirror. He was still looking at the mirror and seeing his ugly face and that made him cry. He fell on his knees and shouted:

"God, Jesus! Please, show me what I am sinful in. Why has this mirror blocked my way to You and the Kingdom of Heaven..."

In response of the sobbing heart God showed in front of the man and told him:

"The path toward Me and the Kingdom of Heaven is a path for the spiritual man. However the mirror showed you as an ordinary man. Think then - does a mirror serve only for looking into it? Didn't My Apostle Paul write in the messages exactly for this mirror:

"And we, who with unveiled faces all reflect the Lord's glory, are being transformed into his likeness with ever-increasing glory, which comes from the Lord, who is the Spirit..." (II Corinthians 3:18)

Tell Me then, can you see God's Glory now?"

The man looked at Jesus, Who was shining next to him in Heavenly Light and beauty, and then said:

"My God, You Are in Your Glory, but I am unworthy to stay in front of You..."

Jesus smiled to the man's response and said:

"Then hurry up to transform yourself in the same Glory from the God's Spirit, because each one of you is called for Salvation and Everlasting Life in the Name of Jesus. Tell Me then: If My Heavenly

Father draws someone in the Name of Jesus, doesn't He have to see in him a reason for the Name of Jesus?"

"Yes, Jesus! God Father definitely has to have reasons to draw someone in the Name of Jesus..."

"Think then, which is first - the image or the name..."

"Of course the image, my God, because after the image comes, it is christened with a name..."

"Hurry up then to bear My Image in your heart. After that you will have the spiritual power in the Name of Jesus. Because if there is no other name under the Heaven which saves besides the Name Jesus, then under the same heaven there is no other Image which saves besides the Image of Jesus..."

After the words of my God a miracle came true with the sobbing man. The tears of his repentance had invoked such eager in his heart, such cleaning and such jealousy, so that his face was shining covered by a Heavenly Light. As he took a bow in the feet of God, looked at Him and said:

"God, give me strength to deny myself, because I want to find myself not in my name, but in Yours. I understand that I have been looking to Your Name only as God's mercy to be saved. Now I understand that God wants to see in my heart Your Image, to give it the Power of Your Name..."

After man's words Jesus stretched an arm and helped him get up. Then He told him:

"Remember that the one who is looking My Face, he is looking also the Heavenly Stamp of Calling. For to have the Heavenly Honorary will mean that you have found the God's Image and My Father Himself from the Heaven to stamp your spirit with the Name of Jesus..."

The words of God had a big reaction over the man. So having the hand of the Savior in his hand, he again looked into the mirror wall. But that time not his reflection, but Jesus Himself was looking at him. Then a miracle happened. Jesus came from the mirror wall into the heart of the man. That hasn't been left unseen by the Heavenly God, because a bright light streamed down and marked his forehead so that he was one of the God's called. A moment after that the mirror wall opened and the next part of the road revealed to the

traveler to the Kingdom of Heaven – narrower and with more obstacles. And then the vision stopped and God asked me:

“What do you think, Stefan? Isn’t it too instructive what you saw in the vision?”

“Yes, my Lord! Moreover it is so fateful, because I finally understood how big the deception with the vain societies was. They are so sure of their Salvation which the Name of Jesus gave them, so that they have never thought that there wouldn’t be a Name of Jesus if there wasn’t the Image of Jesus. However if the Image is there, then the Name is there as well...”

“That’s right My boy, because the Name is Honorary, but the Image is vocation. However who will reach the Honorary, if there is no vocation in his heart?

Or let me ask you even more clearly:

Would you accept the rank “general”, if you don’t have the vocation to commit yourself to the army service?”

“Lord, I wouldn’t be even a soldier!”

“How that many are in hurry to be called “Christians” when they don’t acquire Christ? How that they are in hurry to honor themselves with the Rank without even committing themselves to the vocation? Don’t you understand that with this delusion namely the devil has stolen the most important part of the Heavenly annunciation, and namely:

To be conformable to Me!”

Doesn’t My Word talk about it?”

“Lord Jesus! Of course, that is namely what Your Word speaks about, because Your Apostle Paul revealed us all that with the words:

“And we know that in all things God works for the good of those who love him, who have been called according to his purpose. For those God foreknew he also predestined to be conformed to the likeness of his Son, that he might be the firstborn among many brothers. And those he predestined, he also called; those he called, he also justified; those he justified, he also glorified...” (Romans 8:28-30)

“Look then into the words which You quote, which is first - My Image or My Name?”

"Of course, it is the Image, God, because according to His intention Father decides first to find ourselves in Your Image. And finally – after the predetermination, vocation and justification comes the glorification. And Your Name is exactly what is glorified..."

Listening to my words, Jesus smiled and then said:

"Today is the time when I will tear all phony doctrines of the retreated church and again will put in the hearts of Mine a longing for My Image. As everyone should understand that it is not possible to call yourself "called", if he is not called upon first. It is not possible for you to call yourselves with My Name, if you don't have My Image. That's why on the road of all of you a mirror wall will come across definitely, to see your natural faces and to reject from them, because the past is pleasant when you put the Sacred over dirty - My Name, over the old carnal man, longing for the fraud passions. Regarding all who like to wear a Name without Image, then those should know that there are images without names, but there is no name without an image. If someone calls himself with My Name, but doesn't have My Image, then such a man has spoken God's Name in vain and has broken the Holy order of My God and Father:

"You shall not misuse the name of the LORD your God, for the LORD will not hold anyone guiltless who misuses his name..."

(Exodus 20:7)

If My people want more for hardening their persuasion, then let them think of Who is the One Who has the right to give the Name of Jesus. Isn't that My Heavenly Father? Isn't He the Father Who gives the Name of His Son?"

"Yes, Lord! The Father exactly gives the Name to His Son..."

"Know then and let everyone who loves the Name of Jesus know that the Father wouldn't give a Name to His Son, if His Son weren't born in the men's hearts..."

"My Lord! How should I understand the madness and insanity with which many are in a hurry to be called with Your Name without having Your Image?"

God looked at me with perfect attention like His look was examining my entrails. Then He told me:

“Remember from the vision that the first traveler preferred the easy road downwards. He didn’t want to be from the called. He wanted to be impostor. This is the devil’s imitation from which I want to save and guard you. Nowadays the impostors have put in front of My lively Church the biggest temptation since the creation of the world.

The temptation of the Name without Image, the temptation of a rank without vocation, because the impostors with pleased and happy faces go to the first not strong enough Christian and tap his shoulder and told him:

“Come on, come on! Don’t separate from us. You are a Christian, but we are Christians too. What you believe in, we believe in, as well. Don’t confront with the brothers and sisters. We all are flying towards the Heaven...”

“However such still shaky Christian, who doesn’t have the knowledge that the Image is before the Name and the vocation is before the Rank, is in a hurry to be back in the abomination of the desolation instead of letting the pain and the firmness to commit perfectly their act in his heart.

Remember then what was the last blade of the devil which he wanted to stick in My Heart given that the nails already pierced My hands and My feet. Wasn’t that spike connected exactly with the Rank which I defended on earth...”

The Jesus’ question was like a Light from His lips, a light which was revealing the unknown secrets of God’s genesis. Then I told Him:

“God, the chief priests and fathers of Israel couldn’t assimilate that You Are a King. That’s why they told Pilate to amend the written on the wood put over Your waist with the words:

“The self-pronounced King of Judea...”

Pilate, in God’s Mercy in order not to pile up more evil and sins in his heart, told:

“Whatever I wrote, I wrote...”

“Here it is how I, My boy, said what I said. The wise will definitely understand that today is the moment to pay the price for the Image,

so that to gain also Name as well. As an Image without Name will save, but a Name without Image will not save..."

After the last words of Lord the vision with the Stamp of the Called stopped. And after that I understood in a perfect fullness that the Image of Christ is the reason one to find himself in the Name of Jesus, because the Name is a Rank and the only way to pay the price of this Rank is to live in Spirit and Truth the verses from the message of the apostle:

"As a prisoner for the Lord, then, I urge you to live a life worthy of the calling you have received. Be completely humble and gentle; be patient, bearing with one another in love. Make every effort to keep the unity of the Spirit through the bond of peace. There is one body and one Spirit - just as you were called to one hope when you were called one Lord, one faith, one baptism; one God and Father of all, who is over all and through all and in all..." (Ephesians 4:1-6)

Amen and Amen!

3. THE VISION WITH THE STAMP OF THE CHOSEN **(or how to find yourself in God's Choice)**

My dear brother! My truly friend!

I know that you have been definitely shaken by the previous vision. The reason is that you finally understood how categorical and unchanged the Road to the Rank is. That's why I ask you now to subdue your heart the same way as the way the ill subdues in front of the doctor who came to remove the malignant tumor from his body.

To tell you that only God's things will go in Heaven is not necessary. I am pretty sure you know that. However if I tell you that only the chosen by God ones will go to Heaven, you will probably answer back that you are a good servant who has brought the Blessed News to many people and that God has encounter your diligence of a reaper. I say "Amen" to the tireless work for Christ! I say "Amen" for every single soul saved by God! I say "Amen" to all who have opened the gates of their hearts and God became a King and a Master of their life.

MORE THAN ANYTHING ELSE I SAY "AMEN" TO THE GOD'S CHOICE AND GOD'S PRE-KNOWLEDGE!

Why is that? Namely, because there are two harvest campaigns in this last time of this world. Both are in the Name of Jesus. Both are talking about the Salvation of souls. Both proved with arguments that they do all according to the Christ's teaching. Despite that one of the campaigns doesn't bear the other, neither the second bears the first. What is going on? How can you orientate in the thick religious fog which has blinded many? And why do the churches have the self-confidence to be invited to the marriage and already rehearse their orations, and at the same time their leaders reject and hate God's prophets, send, according to the Christ's epistle, exactly towards the invited? And why only a handful of fervent God lovers keep on the narrow road of Jesus and never forget that they are called to endure desecration and hate because of His Name? Look now how categorical are the words of Jesus:

"I no longer call you servants, because a servant does not know his master's business. Instead, I have called you friends, for everything that I learned from my Father I have made known to you.

You did not choose me, but I chose you and appointed you to go and bear fruit - fruit that will last. Then the Father will give you whatever you ask in my name. This is my command: Love each other. If the world hates you, keep in mind that it hated me first. If you belonged to the world, it would love you as its own. As it is, you do not belong to the world, but I have chosen you out of the world. That is why the world hates you..." (John 15:15-19)

Do you convince yourself that in accordance with God's Choice towards the chosen by God a hate from the world is coming? Should you run away from the hate in the world or should you endure it? For if you run away from the hate of the world, you actually run away from God's Choice, but if you endure the same hate then you will magnify and glorify the Name of God according to what the apostle has written:

"If you are insulted because of the name of Christ, you are blessed, for the Spirit of glory and of God rests on you. If you suffer, it should not be as a murderer or thief or any other kind of criminal, or even as a meddler. However, if you suffer as a Christian, do not be ashamed, but praise God that you bear that name..." (I Peter 4:14-16)

Do you notice that you have to praise God with **"this name"**? **And would it be wonderful to you that if you receive by God's Choice the Name of Jesus, then before the Name, the Image has come?** (Remember the previous vision!) And then the hate of the world definitely comes. And here, brother, in the attitude toward the hate of the world, God revealed me exactly who has God's Choice. Let me show you all this in the vision which I had, because so you will see what is the road to the second Heavenly stamp, the stamp of the God's Choice. Now follows the vision itself.

I saw again the road to Heaven. And that time it again would fork. Two men were walking again in the same way as the one in the previous vision. And then I saw how a wind started blowing in their faces. At the beginning it was a light wind just to have the impression for freshness. However the longer they were walking up, the stronger the wind became. And both looks saw that the road forks. And then the first said to the second:

"The wind became so strong and it is not so pleasant to go up. Maybe this road fork will give us an alternative..."

The other while listening to his travel mate said:

"I find it quite normal to have such a wind. Haven't you climbed high not to be convinced that the wind is absolutely normal?"

However the first didn't even listen to him, because he was at the junction. Then he saw that one of the roads was going up where the wind was blowing even stronger, while the other road was going down and has a shelter. Something even more, there were many people under the shelter. They were too content with the shelter, because they didn't feel the wind there. Seeing all those happy and content people the first traveler shouted at his travel mate:

"Hey, hurry up to see what a wonderful place I found. Here one of the roads gives us a good shelter from the wind. Come with me, because I am going there..."

So the first traveler without hesitation went to the shelter where the other people were. Seeing that he was coming down toward them they starting waving and shouting "Hallelujah". After that they told him:

"Glorify God as His welfares came to you..."

The first smiled, because he liked the words of the men. Moreover - in a moment he found himself dressed as they were. Then he told them:

"I have a brother who doesn't still know the Christians' doctrines. That's why I will hurry up to bring him here..."

So after his words the first went back on the road to bring his travel mate and when he saw him he shouted:

"Hey brother, we are not lost, because here the road forks and one is going upwards where the wind will definitely take you away, while the other has a shelter under which I talked with many brothers and sisters.

They are so smart, brother! They are all wise! They are all blessed and rich! All are honored! Look how God has acted over their life..."

The other man looked toward his travel mate and told him afterwards:

"Dear brother! I can't without this wind, because only when it blows in my face, I will be sure that I am on the road that leads to the Kingdom of Heaven..."

His words made the enthusiastic man bite his lips and say:

"Are you trying to persuade me that all those wonderful brothers and sisters are on the road to hell? Is this what you want to tell me, ah? Don't you

think that your thinking is not doctrinal? Are you going to write a new bible? Are you going to proclaim a new teaching? Are you ready to put under doubt the experience and the testimonials of thousands of blessed servants who have confirmed and lightened the brothers and sisters under that shelter?"

The other looked at his travel mate and then whispered:

"I have never wanted to think doctrinally! And I don't want to think at all, because there is One to whom I trust and I know that He thinks instead of me. And this doctrine, which I follow, is not new - it is the old and forgotten teaching of my Lord Jesus. That's why let everyone follow his way and follow his vocation and choice..."

After those words of his the travel mate, the enthusiastic man from the shelter waved with hand and said:

"You are a strange man, but don't forget you are still on the earth. And don't be too spiritual, because it is not doctrinal to brake away from us..."

After the last words he went back again to the people under the shelter and told them:

"I couldn't persuade him to come here. It is clear that he is obsessed with the devil, because he doesn't think doctrinally, but let's see what will happen with him..."

So people under the shelter stood up as loafers and looked with interest what would happen when the "non-doctrinal" goes on the other way. And he really kept on and then some of the people under the shelter said:

"Let's pray and fast in order to return him from his wrong way, because Jacob wrote..."

After their words they bowed down and started their prayers. That apparently had a huge effect as having made only few steps on the other road, the man was pushed by a hurricane which tore down his clothes and took away the bag with his belongings. However the man stood up again and kept on walking. All this made people under the shelter point at him and laughingly to speak:

"Look what a fool. He is weak and doesn't have any power. Can you see how the wind brought him down..."

And others around them added:

"It is better not to have any business with such a man, he deserves contempt..."

But there exactly where the hurricane was Lord Jesus showed up. And while standing in front of him He said:

"Hold My hand! Hold it and don't drop it while I lead you to My marriage!"

After His words the man lifted his face and smiled. And then he caught the hand of his Savior with such a jealousy and so categorically, so that I had the feeling that God felt pain from the fingers pressure. But Jesus didn't feel pain. He was smiling, because His servant has already paid the price for the Stamp of God's Choice. And then on the hand that was squeezing the right hand of the Savior an omen happened. A ray of light was shot from the Sky which marked the hand. Then Jesus came to me and told me:

"Did you notice that the road has split in two roads?"

"Yes, Lord, because the Spirit of the visions wants to reveal how the devil deceived the multitude..."

"Look then that while they are both walking on the road, a strong and an opposite wind was blowing. Can you explain that to yourself, Stefan?"

"Lord, this is the hate of the world which comes as a consequence from the God's Choice over some people chosen by Him..."

"What was the shelter then which was on the other road?"

"Lord Jesus! When someone wants to save himself the hate of the world, he simply makes consent with the spirit and the world. And then the prince of the world never bothers him, but encourages him with worldly privileges. That's why this is a deceived shelter, aiming to divert from Your Road those who are tempted..."

"Look then in what condition found those people the one that had gone to them under the shelter..."

"Lord, he said to his travel mate, that those are his brothers and sisters and underlined for them the words:

"They are so smart, brother! They are all wise! They are all blessed and rich! All are honored! Look how God has acted over their life..."

"Tell Me then:

Does your God deign in wise, intelligent and rich?

Is His Choice in strong and honored people?

As you saw in this vision exactly the Stamp of God's Choice and in neither case it was for people under the shelter of the worldly spirit..."

I was listening to God and the answer had already been born in my heart. That's why I said:

"My, Lord! Father didn't deign in wise, intelligent and smart, because all such people raise their self-esteem in their eyes. However Saint Paul while revealing God's secrets said:

"Brothers, think of what you were when you were called. Not many of you were wise by human standards; not many were influential; not many were of noble birth. But God chose the foolish things of the world to shame the wise; God chose the weak things of the world to shame the strong. He chose the lowly things of this world and the despised things - and the things that are not - to nullify the things that are, so that no one may boast before him..."

(I Corinthians 1:26-29)

Regarding rich people, Saint James again reminded us for the Choice of God:

"Listen, my dear brothers: Doesn't God chose the ones that were poor in worldly things, rich with faith and heirs of the Kingdom which He chose to Love Him?" (2:5)

"Think then, can God chose something that would not stand?

Can the Almighty Heart-leader make mistake in His Choice and intention?"

"No, Jesus! He will never make mistake. I know that His intention will stand, because Father will always look for people who will be dependent in everything on Him. As the stupid is dependent on the Wisdom and the weak - on the Power, as the mean is dependent on the Mercy, and the contemptible - on the respect, so will the Choice of the Father survive. Since all that He pointed to will always need His Mercy and Kindness..."

Jesus smiled and then said:

“Do you understand now that with the Stamp of the chosen Father testifies for Himself as He hardens for ones and shows Mercy to others, for the Scripture to become true:

“For many are invited, but few are chosen...” (Matthew 22:14)

Come out among a big mob of people and shout powerfully so that everyone can hear you. Come out and shout toward people:

“Who among you wants to be stupid, mean and contemptible in the eyes of the world? Who wants to be a poor man in the worldly things?”

Then wait to answer you. How many would want to be such people in their life?”

“Lord, I don’t think there will be even one...”

“No, Stefan! There will be one-two to come out, because there are few people enlightened by God’s Light somewhere. But they will not be many, namely few. As many are called, but not many are chosen. Think then again about God’s Power. As the Stamp of the Heavenly Choice is a stamp on the hand and exactly the hands need power. Where does God’s Power reveal?”

Blessed Jesus! You always know how to bring the heart to recognize God’s Truth! That’s why I said to my Lord:

“Jesus! Saint Paul was one of those who were chosen. He himself reveals us part of his life as he says:

“I came to you in weakness and fear, and with much trembling. My message and my preaching were not with wise and persuasive words, but with a demonstration of the Spirit's power, so that your faith might not rest on men's wisdom, but on God's power...” (I Corinthians 2:3-5)

“Remember then some other words of him, because when he prayed Me to take the thorn in his body away, then I said to Him:

“My grace is sufficient for you, for my power is made perfect in weakness...” (II Corinthians 12:9)

But here it is now your God will turn to everybody who can hear His Voice and will tell them:

And so, with such a big delight it is better to praise yourselves in your infirmities, so that My Power rest upon you. Also, find pleasure in

infirmities, reproaches, destitutions, persecutions, troubles, because of Me, because when you are weak, exactly then you are target of God's Choice and testify to everybody that you are from God's Chosen.

If someone is heading toward Me, when he travels on My Path, let him put in his heart the words of My Apostle Peter, to understand the real price of God's Choice:

"...now that you have tasted that the Lord is good. As you come to him, the living Stone - rejected by men but chosen by God and precious to him - you also, like living stones, are being built into a spiritual house to be a holy priesthood, offering spiritual sacrifices acceptable to God through Jesus Christ..." (I Peter 2:3-5)

Think then who will be the imitation of the devil. Wouldn't he be misinterpret and sly interpretation looking for humans' approval, not God's approval. And if namely Father chooses His disciples, then what happens with the others who are chosen by humans?"

"Jesus! Exactly the same are the high-standing. Exactly so are the delegates of the luxury conferences. Exactly so are the hypocrites and the sycophant which hands are full with bribes and their hearts with pride. And I know that Father will leave such people to be lost in their own exalting..."

"Not simply will they be lost! But they will lose the majority which has been hypnotized of their glamour, because no one from this majority wants to live in My Word. Nobody from this majority wants to see what the real testimonies of the real chosen were. Those who wrote about themselves such words:

"Who will bring any charge against those whom God has chosen? It is God who justifies. Who is he that condemns? Christ Jesus, who died - more than that, who was raised to life - is at the right hand of God and is also interceding for us. Who shall separate us from the love of Christ? Shall trouble or hardship or persecution or famine or nakedness or danger or sword? As it is written: "For your sake we face death all day long; we are considered as sheep to be slaughtered."..."

(Romans 8:33-36)

Tell Me then: Who is killed because of Me all day? Who is considered as sheep for slaughter? And didn't the devil lie when he

showed them the example his chosen who killed Jesus every day and did not consider themselves sheep, but pastors? But here it is the Heavenly curse over everyone who hates the Gospel and moves to worship human hypocrisy, greed and avarice. Look now My boy and the last Stamp. The Stamp of the Faithfulness...”

After the words of God, the vision with the Stamp of God's Choice stopped and I felt that my spirit was in the deepness of God's Heart. Hopefully you can reach there, as well, my dear brother! To learn to rely on Him and for everything to be dependent on Him!

Amen and Amen!

4. THE VISION WITH THE STAMP OF THE FAITHFUL **(or for the exam in the Fire of God's Love)**

My Brother! My truly friend!

Here I came to the last vision in this book. The vision, connected with the Stamp of the Faithfulness. I won't hide from you that I have had a big change for the last years, as with my relation to God, so with my relation to my brothers and sisters. Moreover, if the first written books I turned to my audience with the dry "dear reader" or something similar, then in the last two years God made me look not "at" my brothers and sisters, but "through" my brothers and sisters. Then I found out that in many cases in front of me was the barrier of the flesh. My carnal and unenlightened brain has come across with knowing people by flesh. However the Word cannot be avoided, because it says:

"So from now on we regard no one from a worldly point of view. Though we once regarded Christ in this way, we do so no longer. Therefore, if anyone is in Christ, he is a new creation; the old has gone, the new has come!" (II Corinthians 5:16-17)

When you stop looking at brothers and sisters in flesh, then you will not see them, but start seeing "through" them. And then you understand that somewhere deep in their hearts Jesus stands. Then you stretch your arm towards This Jesus, to give Him a hug and kiss Him, to quench His thirst and feed Him, to serve Him with your whole heart power, to tell Him that you have accepted the image of a slave and do not want anything else, but Him. That's why in all future books that I would write in God's Mercy and by God's anointment, I will keep calling This Jesus in the hearts as "my brother" and "trustful friend". I know that not everyone will find out that and many will bring that to exaggerated love or frivolity, but I don't really care about that. This is because, Jesus is alive. By the messages of these books the Word comes from the Alive for the Alive.

Let me now tell you that in this vision I felt the most powerful stream of Power and God's Benevolence over my heart. And that was normal, because the Stamp of the Faithfulness is exactly the greatest and the most beautiful privilege for the heart of the Christian.

I saw again one road leading to the Sky. And on this road there were two people and they were walking up. Suddenly, one of them raised an arm and pointed ahead while saying to the other:

"Did you notice that the road in front of us is splitting?"

"Yes, I can see that!" – answered the other and continued:

"Let's reach the end of the road and there hopefully we will be able to orientate better..."

So, both kept walking up while they reached the end of the road. And then in both branches miracles happened. Then miracles happened in both branches. A fire blazed up which covered the whole width of the road. This left travelers puzzled. Then the first one said:

"Farther on is really difficult, because the road split and in both branches fire blazed up. What should we do? How can we orientate?"

The other one after listening carefully, answered:

"The road of our God and Savior has always been the road to Heaven, a road heading up. That's why I am thinking of keeping walking up. As it is clear that the other goes down..."

"OK! Let it be as you say!" – said the first and made a step towards the fire. After a moment he came back and said:

"It doesn't work, brother! This is simply madness. A person cannot go through this fire without burning. Then how will I save myself if I don't burn?"

And while the first one was asking, he decided to answer to himself. He said:

"I will try the other way. Maybe the fire there will not be so strong..."

So after his words he went to the other branch and approached the fire. Then without any delay he said to his travel mate:

"Come here! We will be able to pass, the fire is not so strong and it will not burn us..."

So while talking, the first one was already in the fire on the bottom branch. Then this fire burnt the spirit of the man, so that his spirit was burning, but he didn't feel that. Contrariwise, he was screaming:

"Hallelujah! God is great. And He is, Who made me pass that probation..."

Then the man who had already passed the fire shouted out his travel mate:

"Are you coming? Why are you still there? It is not dangerous! You will not die, don't be afraid! As I didn't die, so won't you..."

His words made his travel mate step back and then to say:

"I don't understand you. I don't understand your testimony about the contact with this fire. How can you pass through fire and not burn? Isn't that the reason for the fire to be at those junctions – to burn those who went on them? And you that were scared from the first fire how did you so categorically surmount the other?"

Then the one that passed the fire while smiling loudly, said:

"You are asking many questions when you simply have to come here. There are perfect possibilities for a career. Only with this fire you will be able to understand how sweet the life is. Don't hesitate, just come! The fire will not harm you. Here I am untouched..."

Listening to the words, his travel mate said again:

"I prefer the fire that will burn me than the fire which will be easily passed. That's why I will not listen to your words..."

The words of the other made the first one become bitter. While he was waving his hands, simply shouted:

"Do whatever you want and whatever you know. You are not my brother in Lord when you prefer the other way. You are crazy and insane to go through the other fire..."

After those words the man was not in the scope of his travel mate anymore and kept walking down the branch and his spirit and heart were simply burnt by the fire which was burning in him even that he didn't understand that. Regarding his travel mate, he came closer to the heat of the Fire which was burning in the upper branch of the road. And while on knees he said to Lord:

"Lord, help me enter the Fire! Help me understand Your Heavenly miracle!"

In response to his prayer Lord showed next to him. And when He looked in his eyes, asked him:

"Are you ready to die for yourself and to live for Lord? Are you ready to let Lord believe instead of you? And do you want with such a readiness to enter the fire?"

The man looked to the Savior and said:

"Jesus! I don't know whether I am ready, but I want with my whole heart to go through this Fire. I know that no one who passes God's Fire stays the same. That's why I am begging You to be the hope in my heart. Be power in my feet, be patience in my soul, because out of You I will not make anything..."

Jesus smiled. He took with His hands His servant and entered with him the Fire. And then, the fervent tongues simply surrounded the body of the man, so that they burnt with all the power. And then he knelt down in God's feet and embraced them. And while crying shouted with a strong voice:

"Jesus! If I am alive, You will be dead for me, but if I am dead, You will be alive. That's why I am asking You: Believe instead of me! Love instead of me! Touch instead of me! Do so, that Your Fire stays forever in my heart..."

A moment after that I saw how God and His servant went out of the fire. And the miracle for my eyes was that God's Fire had simply burnt the carnal man so that I saw a ghost, not flesh. And then my God turned toward His servant and said:

"You made you Eternal Choice and entered My Father's Fire. Your belief burnt in this Fire, so that only Mine stays there. From now on My Father looks at you not as a believer, but as faithful, because every belief which goes through My Father's Fire turns into Faithfulness. And Faithfulness will mean to add to your love faith and to your faith love.

In love with Me, you believed that you can go through the baptism of fire and so you added to your love belief!

With belief in Me, you followed My example to enter the Fire of My Father, and so you added love to your faith!

That's why look how your Father will bless your eagerness..."

After the words of my God happened so that a Heavenly ray of Light shiner and more powerful from the previous two touched the heart of God's servant and put on him the shining stamp. Then God turned to me and said:

"Remember forever this vision, as you saw here the two fires that don't say "Stop".

The Fire of the devil and the Fire of My Father.

The fire of the devil is the one that makes the carnal even more carnal, because their conscience burnt and killed the spiritual.

The Fire of My Father is the one that raises the spiritual as it burns the carnal man, eager to the fraud passions, to raise the spiritual in knowing and subduing the Truth.

I testify to all that definitely a day will become when a stamp will gather with a stamp. Then those that have been Called, Chosen and Faithful will definitely know that I have been Belief, Hope and Love in their hearts.

Then those who were Called, Chosen and Faithful will definitely understand that the Trinity has made a shelter inside them. And if God Jesus has been for your hearts a Stamp of the Rank, because He has given you away His Name, then My Father has definitely put a Stamp of Choice, because He chose you before the creation of the world, to be His adopted and ready servants for Sacred duty. The Holy Spirit has definitely testified for Himself with the Stamp of the Faithfulness, to become the words of John the Baptist true that I have definitely baptized Mine with Holy Spirit and Fire.

Here I come!

Blessed called, chosen and faithful!

Cursed self-styled and high-ranking!

Cursed evil and pervert!

Cursed that depraved generation which is in love with its own eyes and has never been cleaned from its dirtiness!

I said it! I pronounced it!"
