TO YOUR HEART

My dear brother! I sincerely believe that you will find in this book answers to questions that have been standing before your heart since the moment, when you have believed in God. Since, the faith is something like the bearing of a man. He is very small and inexperienced in the beginning. Therefore, the questions are always more than the answers in this age. However, when the inner man has grown enough and the spiritual horizon in front of his eyes has become narrow and insufficient, then, the Heavenly Father sends one other word from above; word, deeper than the elementary teachings about Christ; word, which brings in your fate the verses from the message to the Hebrews. These verses declare:

“Therefore let us leave the elementary teachings about Christ and go on to maturity, not laying again the foundation of repentance from acts that lead to death, and of faith in God, instruction about baptisms, the laying on of hands, the resurrection of the dead, and eternal judgment. And God permitting, we will do so...” (Hebrews 6:1-3)

I would like for you to know, my dear brother that the time we live in, demands from us to be exceptionally obedient and humble before the God. The greater the faith of Christ is than our personal belief, the greater our obedience and humbleness should be. Since, the instant of eternity will soon surprise the vain progress of the mankind; then, those, who are ready for the God's Eternity, will go to the God, and the others will be cast away into the outside darkness. I do not want to be in the place of the others. I do not want to be a part of that profligate flock, which exchanged the limpid springs of Zion for the slop and religious fallacy of one perverted and corrupted generation of false pastors. And this is not simply a burst of a temper. This is the Spirit, Who talks out of my heart; the Spirit, Who tells me that, the surer people have been in their eternal salvation, the greater their punishment and tragedy will be. Since, Salvation is something more than writing of your name in the Book of Life with Lord Jesus Christ. Salvation is to fight for this Eternal Life with that submission before the God's Will, which would testify to your Heavenly Father that His Son really lives in your heart. And the Son of God can give to you many things in your knowledge of God our Father. The Son of God has places to lead you

there. He has many things to appear you, provided that you have opened your heart for Him.

The reason for me to begin the preface of this book in this way is hidden in the fact that the depth of the revelations, given here, surpasses many others, given to me by God. And each revelation by God calls respect. Each Heavenly enlightening makes you fall on your knees and quietly tell Jesus that He is everything in your life.

When, a year ago, God immersed my mind and heart in comprehension of the God's Rest, I would nearly drown into the deep truths, which the Spirit of Christ revealed to my heart. Then, I said to me:

"No, Stefan! No! You are like a man, who has just entered a shop, full with splendid wares; however, you are hardly ready to pay the worth to possess them..."

In that moment, these thoughts of mine had such an effect over my heart that I simply left the book unwritten. I said to me that, if Lord had any plan, He would surely come to my heart with the necessary appeal and confirmation. In the meantime, my Lord used to visit my heart; after every meeting with Him, I felt how my inner man was growing up. So, the whole year went by. Finally, the God's appeal really came, together with such rush of Power that the former startling before the depth of the God's secrets had already disappeared. Then, Jesus came to me again, and surprising questions went out of His mouth:

"What do you think of it, Stefan? Why are you getting irresistible, when you receive from Me Heavenly visions and anointing to appear the prophetic word? Why is the whole Word, which God has commanded to be appeared, springing out of your heart, taking the just words and images, without being in need of your efforts? Where is the secret of this categorical appearance of the God's Power?"

I answered:

"My Lord! The truth is that, when You come to me, I feel a rush of such Heavenly refreshment that it is impossible for me to fail. Then, I only let myself to the waves of the Holy Spirit, because they always know how to lead me in perfect knowledge of the God's Will and the God's Way. Then, I surely feel myself as the God's servants, described in "The Book of Prophet Isaiah":

“Not one of them grows tired or stumbles, not one slumbers or sleeps; not a belt is loosened at the waist, not a sandal thong is broken...” (Isaiah 5:27)

“And what does the fact that not one of them would grow tired mean? Who usually grows tired and when does he grow tired?”

“Lord, in my opinion, the fatigue comes then, when we spend our natural powers in any work. It has consumed our strength and we have got tired. We need to restore our power, so that we might come back to our work again...”

“Well, as you see by yourself, the fatigue testifies to the exhausting of the power. You, however, think better over the words, said by the God’s Prophet! Since, he talks about God’s people, who will never grow tired, neither stumble. They will neither slumber, nor fall asleep. Then, what are these men like? What is that testimony, which does not show us any marks of fatigue? Who does not ever grow tired and why?”

The questions of Jesus were so asked that the verses, talking about my Heavenly Father emerged in my heart:

“Do you not know? Have you not heard? The LORD is the everlasting God, the Creator of the ends of the earth. He will not grow tired or weary, and his understanding no one can fathom. He gives strength to the weary and increases the power of the weak...”

(Isaiah 40:28-29)

Then, I told Jesus:

“My Lord! Father is That One, Who does not grow tired and weary. And I know that, when He pointed me with His hand, then His might removes my weakness...”

“That is right, My boy, but this is not the full answer. Since, I asked you something else, too. I asked you why My Father did not grow tired. And why no one of His people will ever grow tired?”

The question of the Saviour caught me unawares. The simplest explanation I could give was that Father was a God and His Power was endless. However, it was superficial enough to satisfy the Heart of Jesus. When Lord saw that I was at a loss for an answer, He asked me again:

“Does one Lord grow tired, while He is looking how His servants are doing His work? And you, would you grow tired if you were looking how your servants were doing your work?”

“No, Lord! Since, while they are working, I am having a rest...”

“Then, see that My Father is also having a rest, while His servants are working. At the other hand, notice that while He is working, His servants are having a rest. So, you understand why no one of His people will grow tired. Since, they are not, but the Holy Spirit of the Lord is doing inside them the great deeds...”

The words of Jesus seemed to me very strange. Behind the ostensible contradiction, I could see a perfect regularity, which I could not explain to me yet. Then, Lord added in my heart:

“You all should understand that the time is now, when you enter the God’s Rest, so that God might also enter His Own Rest. Since, you are called to fulfill the written word:

“...for anyone who enters God's rest also rests from his own work, just as God did from his. Let us, therefore, make every effort to enter that rest, so that no one will fall by following their example of disobedience...” (Hebrews 4:10-11)

When anybody enters the God’s Rest, he will surely rest from his own work, and he will be doing the God’s work from this moment on. So, the Spirit of the Lord will be resting on his heart and My Father will confirm His Might over His servant.

Let My people follow My Voice in this book. Since, through the Word I give to My servant, I will surely gather you in the God’s Rest. So, you will be able to have a rest from your work and enjoy in the God’s Power, sent to fulfill the great deeds of God. However, the time is now, when many went out of the God’s Rest, instead of being confirmed in it. Then, the written by the prophet Isaiah befalls such men:

“Even youths grow tired and weary, and young men stumble and fall...” (Isaiah 40:30)

However, Father will command the next verse from the book of the God's Prophet Isaiah as a destiny over those, who want to see the God's Rest and strive for it:

"...but those who hope in the LORD will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint..." (Isaiah 40:31)

Now, let Me lead you in the depth of the Spirit, so that you might give to My brothers and sisters the perfect knowledge of the God's Rests..."

After His last words, Lord stretched His hand and touched my head. So, a vision appeared in front of the eyes of my heart; in the first chapter of this book, I am going to talk about it.

I pray to my Lord Jesus – let Him be ahead of the way and the prophetic word in this book! Since, what any one could do unless the King had come beforehand? However, if Christ from this word meets Christ in your heart, then, the moment has come for you to enter the God's Rest.

I say "Amen!" to this most splendid of all privileges of the Kingdom of Heaven!

The Author

1. THE VISION WITH THE NOAH'S ARK

My brother! My faithful friend!

Let the conversation I share with you in the preface of this book not confuse you! What is more – I advice you to be bold and courageous! For all years of my faith, I have not heard any empty word to come out of the mouth of my Lord. And, I am really happy that I can open my heart to be an earth vessel, in which God could pour out His Heavenly Kindness and Grace. I entreat you again neither being confused with the words of Jesus, nor asking yourself how it is possible for Father to be in rest and His servants, too, and, in the same time, both He and they to keep doing their work. Since, the precious key and answer of this ostensible paradox are hidden in the deed, which the Holy Spirit is doing. The Holy Spirit is the true reason for Father to relax from His deeds, and the believers to come in His Rest. Remember only the verses from "The Book Genesis":

"By the seventh day God had finished the work he had been doing; so on the seventh day he rested from all his work. And God blessed the seventh day and made it holy, because on it he rested from all the work of creating that he had done..." (Genesis 2:2-3)

Do you notice that Father no only blesses the seventh day, but He also makes it holy? And how otherwise would Father make His Day holy, but by the Spirit, filled with His Holiness? Do you understand then that, if there is spiritually one God's Rests today, it surely is the Day of the Father? And this Day has made holy, so that all those, who Father has written for Salvation yet before the creation of the world, might enter it. If I am talking to you in Spirit of fullness and enlightening now, then, be ready to understand what more perfect fullness my Lord Jesus led me into. In the moment, when He touched my head with His hand, a vision appeared in front of me.

I could see some high light waters, which had covered all the earth. These waters were surging and coming higher and higher, since it was raining from the endless and high heavens of Father and the raindrops were furrowing the water surface. When these heavenly drops hit the water surface, thousands of shining sparkles were scattering around, so that the vision itself was provoking admiration, astonishment and a great awe of the majesty and Glory of Father.

While I was still looking at the high light waters, covered the whole earth and the unstoppable rain, which was pouring out over the waters, I could hear in my heart the Voice of the Holy Spirit, Who told me:

“Look now, what My waters have raised over the whole world and over the whole earth...”

After the words of the Holy Spirit, I looked at the light waters and I noticed one huge ark above them that was just like a ship. While I was looking there, the Spirit caught my heart and flied me in the space over the very ark, where I could see crowds of people in white clothes. Whiter and more shining than always, my Lord Jesus Christ was standing amidst them. When He noticed me, He stretched His hands at me and a moment later, I was one of the many. Then, Jesus told me:

“Now, you are standing amidst of all My brothers and sisters, who have been saved and raised by Me in knowledge of the God’s Will. Then, tell Me, what do you notice amidst this ark?”

I was very excited; so, I could not answer Jesus.

Nevertheless, I told Him:

“Lord, it is a splendid place here. Since, You are among Your people. And there is an astonishing sight from this ark, because the waters of the Holy Spirit have raised it very high, higher than all high mountains...”

“Then, think! Who have all My brothers and sisters from this ark recognized in My Person? And does not this ark remind you one other ark, made before it?”

“Yes, Lord! This ark reminds me the ark, which Noah made a moment before the flood on the earth. It means that all Your brothers and sisters have recognized You as the last Noah. As the first Noah made the first ark, so the last Noah will make the last one...”

Jesus smiled. Then, He said:

“That is right, Stefan! I am the last Noah. I am That One, Who takes in His ark today all people, who have died for the earth things, so that they might live for the heavenly ones. And the vision, which I give to you now, fully explain My words in the Gospel, where I said to all of you:

“As it was in the days of Noah, so it will be at the coming of the Son of Man. For in the days before the flood, people were eating and drinking, marrying and giving in marriage, up to the day Noah entered the ark; and they knew nothing about what would happen until the flood came and took them all away. That is how it will be at the coming of the Son of Man...” (Matthew 24:37-39)

Now, look at the most important points of My prophetic warning! These are three points. The first one is related to Noah, and the two others concern days. At first, you notice that Noah is that one, who enters the ark. If you have well known Lord your God as the last Noah, you should have understood that I am only That One, Who might enter the ark. Then, is there a place, rested for you in the ark?”

“No, Lord! The verses of Your prophesy do not give me such a chance. I should rather die for myself, so that You might enliven in me. Then, the Living One would surely lay the dead into the ark. Since, being separated from You, we can do nothing...”

“That is right, My boy! Here is the first thing I want for you to remember from this vision – namely that the men, who believe in Me, should die for themselves, so that Lord their God might come as the last Noah in His last ark.

Well, see then the two other moments of My prophetic warning. The former one talks about “the days before the flood”. The latter one talks about “the day Noah entered the ark”. As you could see, My Father gives days to the wicked people, during which they might be eating and drinking, marrying and giving in marriage. In the same time, He also determines “a Day” for Noah to enter the ark. And, if you would tell about the days of the wicked men that they are days of corruption, then, what would you tell about the Day, when Noah enters the ark? Who is This Day? What is This Day like? If all people from this ark have recognized Me as the last Noah, does not this Noah bring the destiny of his name?”

While Jesus was talking to me, the thoughts of my heart shone so powerfully that I answered without any doubt:

"Lord, the name Noah means "rest". Once, when Noah was born, Father Himself laid a prophetic exclamation in the mouth of his father Lamech:

"He will comfort us in the labor and painful toil of our hands caused by the ground the LORD has cursed..." (Genesis 5:29)

Jesus looked at me with a kind regard; then, His Voice was enflamed by the Mercy of Father and He said:

"Did you really forget that My words to all of you were the same like these? Did you really forget how the Son of Man told all of you:

"Come to me, all you who are weary and burdened, and I will give you rest. Take my yoke upon you and learn from me, for I am gentle and humble in heart, and you will find rest for your souls. For my yoke is easy and my burden is light..." (Matthew 11:28-30)

Here, I stretch out My hands now to all those, who have not come into the God's Rest yet. So, I tell them:

Lord your God is the last Noah, Who gathers His people into the Ark of Eternal Salvation now.

Lord your God is also the Lord's Day, the Day of the God's Rest, which all you should enter by faith. Since, the higher the Heaven is from the earth, the higher the God's Day is than the human days. Therefore, look and see what the Lord's hand points for you..."

After His words, Jesus pointed at the earth, which might clearly be seen amidst the light and crystal waters of the Holy Spirit. Then, I noticed how, at regular intervals, the earth was being covered with darkness, which was being changed by light, in order to be wrapped in darkness again. This view astonished me. In the first moment, I could not explain it to me, because everything in the Jesus' ark was flooded with Heavenly Light that never disappeared. After a little while, I could understand everything. Therefore, I told the Lord:

"Lord, what You show to me down, is not this the earth being of the earth men? Are not these the days and nights, which periodically changed?"

Jesus replied:

"If these were only days and nights, there would not be any problem. What is sorrowful is something else. It is sorrowful that people could not see the Day, by Who Father wants to attract them

into His Rest. Instead, they are eager enough to observe the days of their earth feasts, being convinced that they are doing the God's Will just in this way..."

The words of Lord seemed to me well-known, since the messages of Paul were also talking about that. Therefore, I asked Him:

"Lord, did not Your apostle notice these traps of the earth corruption? It was not anybody but him, who wrote to the Galatians:

"Formerly, when you did not know God, you were slaves to those who by nature are not gods. But now that you know God - or rather are known by God - how is it that you are turning back to those weak and miserable principles? Do you wish to be enslaved by them all over again? You are observing special days and months and seasons and years! I fear for you, that somehow I have wasted my efforts on you..." (Galatians 4:8-11)

As to Jesus, He replied:

"When anybody has not entered the God's Rest, he will surely find many other reasons for him to rest. When he has not known Me as a Day, he will find for himself lots of other days. What is more - he will strive for being slave to them, and so he will always escape the Eternal Salvation in the Eternal Day. Looking at his religious calendars, such man will be in a hurry to proclaim one day as a day, devoted to one thing, and other day - as a day, devoted to other. Only those, who are alert, will be able to understand the words, written by My Apostle Paul. He did not tell the churches that they had many holidays and workdays. No! It was something else what My servant wrote and what he proclaimed, in order to lead the believers in knowledge of the One and Only Day:

"The night is nearly over; the day is almost here. So let us put aside the deeds of darkness and put on the armor of light. Let us behave decently, as in the daytime, not in orgies and drunkenness, not in sexual immorality and debauchery, not in dissension and jealousy. Rather, clothe yourselves with the Lord Jesus Christ, and do not think about how to gratify the desires of the sinful nature..."

(Romans 13:12-14)

...and also:

“But you, brothers, are not in darkness so that this day should surprise you like a thief. You are all sons of the light and sons of the day. We do not belong to the night or to the darkness. So then, let us not be like others, who are asleep, but let us be alert and self-controlled. For those who sleep, sleep at night, and those who get drunk, get drunk at night. But since we belong to the day, let us be self-controlled, putting on faith and love as a breastplate, and the hope of salvation as a helmet...” (1 Thessalonians 5:4-8)

Tell Me then: should the sons of the Day think about days? Should those, who have been raised in Heavenly places, become as moles in the earth places?”

“Lord Jesus! Not it be! Do I need so many days, when Father has gifted me the only Day?”

Jesus added:

“Write My words and tell all people, who are looking for Salvation and Eternal Life:

WHOEVER SEEKS THE DAYS ON THE EARTH, HE WILL LOSE THE DAY IN HEAVEN, TOO! WHOEVER SEEKS THE DAY IN HEAVEN, HE WILL LOSE THE DAYS ON THE EARTH!

As to those, who really want to enter the God’s Rest and to know what Holy Sabbath of the God and Father means, let such men follow Me and let them accept in their hearts the next deeper secrets I am going to reveal them now...”

After the last words of Jesus, the vision with the Noah’s ark stopped, and I took up writing everything that moved and enlightened my heart.

2. IN THE HOLY SABBATH OF GOD FATHER

My brother! Do you know when the tragedy of some man gets complete? It happens, when he, living in the ground, tries to insert in it his notion about God, too. Of course, God does not become earth with it, neither has He got in touch with any worms. However, that notion about God, by which the earth man has burdened his thoughts, becomes for him a deadly stronghold in front of his mind and heart. Such man has doomed to remain out of the God's Salvation forever, since he has disparaged the unreachable Creator to the level of their own mind; since, he has accepted that, digging downwards in the dust, he will surely spot the lights of the Mount Zion. But the God's Mount will remain above, no matter how many generations of moles and bats will be active on the earth. So, only those, who consider the Name of Jesus to be of greater worth than everything they see and hear, will climb up this Mount.

I would like for you to know that I despised all earthly days since the moment, when the Son of God revealed Himself to me as a Day. What is more – I decided in my heart that, if Jesus was the Day, Who was coming to enlighten the life of every man, I should no more have a respect to whatever earth day if the Light of the Heavenly One was flickering in my heart. Taking such a stand, the Christian will surely become inconvenient for all those, who have been infected with the scabies of the tradition. Since, they would have been looking for a reason to feast in every earth day. So, they would remain as vain as the feast they observe. Now, however, when I want to talk about Jesus as the Day of the Lord, as the Holy Sabbath of Father; my mind and heart should not peer into the insignificant earth feasts. Therefore, let me share with you the words of my Lord, by which He led me into the depths of this theme. Here what He told me:

If you want to know your Lord as the Holy Sabbath of Father, you must surely turn back to the beginning. Since, only where there is fatigue, there is a need of rest, too. And the days appear there, where the Day disappears. So, see how the Day disappeared from the being of Adam and Eve, by remembering what the God's commandment to Adam was..."

I looked in the Bible and I told Jesus:

"Lord, it is written that God commanded Adam, saying to him:

"You are free to eat from any tree in the garden; but you must not eat from the tree of the knowledge of good and evil, for when you eat of it you will surely die..." (Genesis 2:16-17)

Then, Jesus said:

"Look carefully how the words of Father talk about one special day. This is the day, in which the man Adam would taste from the tree for knowledge evil and good. What is this day, Stefan? Why did Adam need days if the Eternal Life was pulsating in him?"

"Jesus, it is absolutely clear that this is not the God's Day. It is one other day, one imitation of a day, by which the devil would pretend to be a messenger of the Light. Therefore, the hidden message in the command of Father is just this:

"Adam, rest in My Day and do not eat from the tree of knowledge good and evil!"

"So it is, My boy. But you see a moment later that the serpent tempted Eve, so that she left the God's Day and the Light of Father. Then, the tree seemed to her desirable and she sinned by tasting its fruit. What is more – she gave her husband and he also ate together with her. What happened then to the being of both them? Did not they exchange the God's Day for the deceitful day of the evil one?"

"Yes, Lord! It is written that Lord appeared in the garden "in the cool of the day". However, if the cool has come in one garden, it surely means that the Day is over and the men are close to losing It..."

"Well, see then, by what words did My Father curse Adam and the earth. What did He tell him?"

"Lord! Father told Adam:

"Because you listened to your wife and ate from the tree about which I commanded you, "You must not eat of it," "Cursed is the ground because of you; through painful toil you will eat of it all the days of your life. It will produce thorns and thistles for you, and you will eat the plants of the field. By the sweat of your brow you will eat your food until you return to the ground, since from it you were taken; for dust you are and to dust you will return..." (Genesis 3:17-19)

“As you see by yourself, Father promised Adam painful toil in all days of his life. If he was abiding in the Day and Light of the Lord in the beginning, after the fall of man, the Day was exchanged for days. What do you think of that? Did not the human being become very painful and hard? Did not it become very tiring? And, did not the men need a rest?”

“Yes, Lord! The men really needed a rest. So, the Sabbath was ordered to be a day for rest in the Law, which Father announced through His prophet Moses, according to the written word:

“Remember the Sabbath day by keeping it holy. Six days you shall labor and do all your work, but the seventh day is a Sabbath to the LORD your God. On it you shall not do any work, neither you, nor your son or daughter, nor your manservant or maidservant, nor your animals, nor the alien within your gates. For in six days the LORD made the heavens and the earth, the sea, and all that is in them, but he rested on the seventh day. Therefore the LORD blessed the Sabbath day and made it holy...” (Exodus 20:8-11)

“Think then! Where did this furious confrontation of the Pharisees and teachers of the Law come from? Since, they always reproached the Son of Man, Who often used to do His deeds in Saturday, according to their notions about the Sabbath. However, what means for you to remember the Sabbath day by keeping it holy? Since, this is the first and the most important command, related to the God’s Rest...”

“Lord, I believe that once, when Father has been looking at the exhaustion and the toil of the men, He has longed for giving them a look above. That is why He has announced and confirmed a day, in which people have had to leave their earth works and to strive for the Holy Spirit by all their hearts. Since, nobody would be able to enlighten and sanctify, but the Holy Spirit. People have been doing their earth works for six days, but on the seventh day, they have had to pray and appear their thankfulness to That One, Whose Spirit makes everything holy...”

“Then, see what else the God’s Word tells about the Law. Since, it is written in It that:

“The law is only a shadow of the good things that are coming - not the realities themselves...” (Hebrews 10:1)

Tell Me then, which were the good things that were coming and that Father gave to the whole world? Was not it the opportunity for the men to go out of the earth being in order to come into the God’s one? Did not the Son of Man come on the earth just for this reason – to fulfill the Law, and not to break It?”

I was listening to Jesus, when Heavenly Light shone from the depths of my spirit. Therefore, I told Him:

“Lord, the book “Genesis” shows us that there are not weeks, such as the human ones, in the Life of Father. It is written there that the God’s Being reached the seventh day and rested in it forever. And, if Father remained in His Holy Sabbath forever, then, You were the appearance of This Holy Day in the world. Apostle John wrote about You:

“In him was life, and that life was the light of men. The light shines in the darkness, but the darkness has not understood it...”

(John 1:4-5)

And You, Jesus, declared about the Same Day, saying:

“As long as it is day, we must do the work of him who sent me. Night is coming, when no one can work. While I am in the world, I am the light of the world...” (John 9:4-5)

Jesus smiled. Then, He said:

“Do you comprehend now why the Pharisees could not stand the Day? Did not they belong to the power of Night and darkness, which corrupted and darkened all their days? Could they understand that the most perfect deed of My Father was just this – to send the Day on the earth, Which only might enlighten it and prepare in this way all people, who would like to enter the God’s Rest? Who of the earth men would accept in his heart that God is a Spirit and His words are Spirit, not flesh? Who of the earth men would agree in his heart that the rituals do not lead to Salvation, but instead – they fatally take the believers away from the God’s Rest?

Now, look at the vision I am going to give to you. Since, it is a vision with the Holy Sabbath of My Father...”

After His words, Lord touched my head and then, a vision appeared in front of my eyes. I could see an immense Light Door, behind which Heavenly rays were welling up. The Light of the Door was extremely strong and it was strange, but no one of the rays could leave It. The Light was closed behind the Door itself and one, standing in front of It, would be able to see what I could see only in accordance with the God's benevolence. Then, Jesus came close to me and told me:

"The Holy Sabbath of My Father is behind this Door. And that one, who gains His benevolence, he is surely pointed, so that his being might change from earth into heavenly one. Therefore, know by your Lord that only those, who are pointed by My Father, might see this Door. For the rest ones, It does not exist. For the rest ones, there are enough earth fakes, called "feasts", in which everybody pursues his own passions and hurries to make offering to his idols. You, however, come closer, so that you might see what the conditions for you to be admitted behind the Door itself, are..."

After the words of the Lord, we both came close to the Door. Then I saw that there were God's words, cut out and engraved on It with gold letters. The anointing by the Holy Spirit was so powerful in my heart that I could recognize in the text itself the words of Father, spoken by His prophet Isaiah:

"(1) If you keep your feet from breaking the Sabbath and from doing as you please on my holy day,

(2) ...if you call the Sabbath a delight and the LORD's holy day honorable,

(3) ...and if you honor it by not going your own way

(4) ...and not doing as you please

(5) ...or speaking idle words,

...then you will find your joy in the LORD, and I will cause you to ride on the heights of the land and to feast on the inheritance of your father Jacob." The mouth of the LORD has spoken..." (Isaiah 58:13-14)

After that, Jesus told me:

"Notice all five conditions of My Father, because they are Spirit and Life and the spiritual men will surely live through them, but the fleshly ones will stumble against them. As a beginning, see that My

Father deigns in keeping your feet from doing as you please on His Holy Day. I told you the same in the prayer I left for you. Since, it was said in it:

“(Let) Your Will be done on earth as it is in Heaven...”

(Matthew 6:10)

Then, think how fleshly and perverted some people might be if they accept in their hearts that the words of My Father concern only one day, instead of the whole their life. Such people would do the Will of Father every earth Saturday, and their own will – during all the rest of the days in the week. Then, they would find the excuse for themselves that they have done the God’s Will in the Holy Day of Father, instead of theirs. Then, however, My Father will surely point them and tell them:

“Who told you that My Holy Day had something in common with your earth days? Who deceived you that God might be an object of mockery? Why did you decide in your hearts that keeping one of every seven days might be enough for you to gain Eternal Life? You have always been deceived in your hearts; therefore, I swore you would not enter My Rest. You have not recognized My Son as My Holy Day among you; therefore, I did not recognize you as My sons, too...”

Now, look at the second condition:

“(2) ...if you call the Sabbath a delight and the LORD's Holy Day honorable...”

What do you think? What does it mean for the Lord’s Sabbath to be delight for your heart?”

“My Lord! It means for it to be strongly longed by my soul, so that I might find in it a perfect satisfaction and delight. Since, I can not forget how the heart of the Lord’s servant overflows, when he says:

“If your law had not been my delight, I would have perished in my affliction. I will never forget your precepts, for by them you have preserved my life. Save me, for I am yours; I have sought out your precepts. The wicked are waiting to destroy me, but I will ponder your statutes. To all perfection I see a limit; but your commands are boundless...” (Psalms 119:92-96)

Then, Jesus added:

“Go and tell your brothers and sisters that if anybody enters the Holy Sabbath of My Father, such man will surely see the limit of all perfection. Then, he will understand that the God’s commands are boundless and do not concern the short earth days at all. Through them, the spiritual man will find the Day and the Day will enter him in order to enlighten him.

Now, look at the third condition. It says:

“(3) ...and if you honor it by not going your own way...”

Tell Me then, if you take the Way of Father in one and only day, and then you come back and go your own ways for the last six days of the week, where would you reach to...”

“My Lord, the notion about the Holy Sabbath of Father is so perverted that most people can not perceive that it is not possible for them to follow many ways, since so they could not reach anywhere. I am afraid these verses would bring condemnation for the fleshly men, rather than blessing. Since, I know that You Are the Day of Father. However, You Are also the Way, Truth and Life. If anybody has entered You, he will never more go his own ways, since he has known the True Way. So, I understand again that random men could not pass though this Light Door. Since, the Holiness of Father and the jealousy for the pureness of His Word deters them. As to those, who throw dirt at the Word of Father, they will be befallen by the fate, described in the verse from “Proverbs”:

“He whose walk is blameless is kept safe, but he whose ways are perverse will suddenly fall...” (Proverbs 28:18)

Jesus caressed my head. Then, He said:

“There is no longer than all of you will have to leave your own ways and to follow the Way. The time is short for you to leave your earth traditions and rituals, and to embrace Truth in your hearts. And I tell you Truth, if any one of you wants to follow Me, he should deny yourself and raise his own cross. Then, he will surely notice the Light Door of the God’s Rest. So, the fourth condition of My Father will be realized in the life of such man:

“(4) ...and not doing as you please...”

Tell Me, My boy: What means for you not doing as you please? And what would you exchange your pleasure for?"

"Lord, in my view, pleasure is the satisfaction for the soul. And I believe that if You live in the heart of any man, You would surely suggest this heart where it could find the God's delight, instead of its own pleasure..."

Listening to my words, Jesus added:

"Look then, what one faithful servant of Heaven delighted in! Since, he wrote about himself..."

While Jesus was speaking, the Holy Spirit had already made the perfect confession of Apostle Paul shine in my heart. Since, he declared in his message:

"That is why, for Christ's sake, I delight in weaknesses, in insults, in hardships, in persecutions, in difficulties. For when I am weak, then I am strong..." (2 Corinthians 12:10)

Jesus continued:

"Do you understand now why My Father gives Power to the weak, and increases the might of the feeble ones?"

"Yes, Jesus! It is because they all have found delight in passing through all kinds of evil for Your sake. So, they have showed that they have already entered the God's Rest, and the Spirit of the Lord is over them..."

"That is right! And when the Lord's Spirit comes over you, you can not speak by yourself and so, you fulfill the fifth condition of My Father..."

"(5) ...or (not) speaking idle words..."

Tell Me then:

Why did people hate you so much but for not speaking idle words? Did not the devil raise his furious waves, because you have made your heart and lips obedient and suitable to be used by God? Finally, look at the God's promise at the end of the message, written on this Light Door! Since, it is for all people, who are found to be faithful in keeping all five conditions of My Father..."

I looked again at the words of the prophet, cut out on the door. They declared:

...then you will find your joy in the LORD, and I will cause you to ride on the heights of the land and to feast on the inheritance of your father Jacob." The mouth of the LORD has spoken..." (Isaiah 58:13-14)

While I was still reading the written word, Jesus took my hand and told me:

"Let us both enter this Light Door, so that you might understand what the words of My Father that He will cause you to ride on the heights of the land, mean..."

So, Lord and I passed behind the Light Door. Then, the Heavenly Light suffused the whole my spirit and heart. I had never felt such comfort and peace of mind before. I was like a speck of dust, which the mighty wind was raising above and above. Then, to my great astonishment, my eyes could see amidst the Light itself the same Noah's Ark, which I had seen in the former vision. There, Lord smiled and His eyes joyfully sparkled. Then, He told me:

"Did you understand what meant for you to ride on the heights of the land? Did not once the Noah's Ark rise higher than the highest mountains?"

"Yes, Lord! It is written about it:

"For forty days the flood kept coming on the earth, and as the waters increased they lifted the ark high above the earth. The waters rose and increased greatly on the earth, and the ark floated on the surface of the water. They rose greatly on the earth, and all the high mountains under the entire heavens were covered..."

(Genesis 7:17-19)

Jesus added:

"Whoever has ear, let him hear what Lord speaks to the Church: By this prophetic word, given to My servant Stefan, I become evident for you as the God's Rest, as the last Noah and like the Light Door of Salvation. By this prophetic word, I command all of you to repent because of the bows before their earth days and jealously to seek the Holy Sabbath of My Father. So, they will live in It not only for a day of the week, but now and forever. Whoever begins to live these words of Mine, he will never be ashamed, but he will meet Me in My ark amidst the risen waters of My Holy Spirit.

Whoever enters the Day of the Lord, he will also have power to glorify This Day by covering the Way from the Mount of Olives to Jerusalem. By this deepest Heavenly revelation, I will surely confirm My living rest and will open doors for the Holy Deed of My Spirit..."

After the last words of Jesus, the vision with the Light Door stopped, and the Holy Spirit enflamed the whole my inner man with Fire, which had not burnt in me yet. I entreat you, my brother! I entreat you, my dear friend! Follow the Spirit of this book and let Jesus raise Himself in your heart, so that you might know Him as the Day!

Amen and Amen!

3. THE WAY FROM THE MOUNT OF OLIVES TO JERUSALEM (OR WHY GOLGOTHA SEEKS GOLGOTHA)

Do you know, my dear brother that I passed through a radical inner transformation for the years, when Jesus used to visit me? Since, He was giving to me to appear the Prophetic Word of Father. It was like a command "Right about! March!" In one moment, everything I considered to be precious became insignificant in my eyes, and the insignificant one turned into precious. I thought it was precious for a man to be accepted by thousands upon thousands and the echo of unceasing claps and applauses to resound in his eyes. However, this is what turned to be insignificant. I thought that it was insignificant for a man to have only a dozen of faithful friends out of the whole nation. However, just this turned to be the precious. And when Lord made me think how many diamonds I had found amidst the heaps of rubble, then I found out for myself that the few was really more precious than the many. Here this is the perfect testimony for the God's benevolence upon the life of man. Since, a dozen of diamonds are really of greater worth than hundreds of lorries with rubble. Therefore, I raise my hands to Father and I tell Him:

"Father, I thank You for the diamonds! I thank You for these most precious and splendid hearts, which have not any shocking testimonies, but which have the Power to stand in front of Your Altar and to be sweet fragrance before Your Face! I thank You, Father that they did not leave Your servant even for a moment, but sacrificed themselves, so that Your Heaven might pour out righteousness and so that the righteous people might be confirmed in the dew-drops of Your Spirit..."

In this last chapter, the Prophetic Spirit of Father will touch all those, who have pure hearts, so that they might begin to glorify Lord Jesus Christ. Since, it is not enough for you to enter the Lord's Day. It should also enter you. And when the Day of the Most High enters your heart, then the Life of God has surely become for you worthier than your own life.

Here are the words, by which Lord devoted me in the depth of this theme:

"Stefan, I would like now to show you something, which you do not know, neither you have ever seen and understood. Therefore,

carefully look at Me in the vision, which I am going to give you now. Since, it will explain everything to you..."

After the words of Jesus, a vision appeared in front of my eyes. I could see my Lord and His disciples, who were climbing up the Mount of Olives. All of a sudden, Jesus stopped and begged His disciples to be waiting for Him. After that, He walked about hundreds of meters away from them. The target of my vision was the Saviour; that is why the Holy Spirit made the look of my heart move after the silhouette of the Lord. Here, Jesus knelt and began praying. Then, something strange happened. Bloody wounds appeared over the hands and feet of my Lord, and the view resembled too much to His crucifix on the Cross of Golgotha. After a little while, crown of thorns appeared on His forehead and the blood of Jesus streamed down His Face. I have never seen Jesus in such signs before. I could not explain them to me, because the vision was in the Garden of Gethsemane that was on the Mount of Olives, instead of being seen from Golgotha. But this is what I could really see.

After that, the vision changed very soon. I could already see Jesus in Jerusalem, where the guards of the chief priests was mocking and insulting Him. Then, I saw Him going up along the narrow and steep way of Via Dolorosa, in order to reach the place, called Golgotha. He was not crucified yet. Nevertheless, my eyes could already see His bloody hands and feet. In this moment, Jesus made the vision stop. He asked me:

"Did you notice that, before being crucified on the Cross of Golgotha, I had already had one other Golgotha at the Mount of Olives?"

"Yes, Lord! And this fact astonished me!"

"Instead of being astounded with this fact, you should rather see how long the way from the Mount of Olives to Jerusalem was. Since, there are also verses in My Scripture, talking about that..."

Hardly pronounced His words, Lord made the verse from "Acts" appear in front of my eyes. It is written there that the men, before whose eyes Jesus had ascended in Heaven, turned back in Jerusalem. Here is the verse itself:

"Then they returned to Jerusalem from the hill called the Mount of Olives, a Sabbath day's walk from the city (Jerusalem)..." (Acts 1:12)

The verse openly upset my mind. Even if I had read it so many times, I had not seen its depth. So, Jesus asked me:

“What does that mean? Why is there a Sabbath day’s walk from the Mount of Olives to Jerusalem? Why is not it a Friday day’s walk to the city of Jerusalem? Why is not it a Monday or Tuesday? Why is this way determined as “a Sabbath day’s walk from the city”?”

“My Lord! When I read the Gospel, I see everywhere that the Mount of Olives was Your favorite place. You used to climb up there to pray the Father. You devoted Your disciples there. In the last reckoning, the vision you gave to me realized for a second time the verses from the Gospel:

“Jesus went out as usual to the Mount of Olives, and his disciples followed him. On reaching the place, he said to them, “Pray that you will not fall into temptation.” He withdrew about a stone’s throw beyond them, knelt down and prayed, “Father, if you are willing, take this cup from me; yet not my will, but yours be done...”

(Luke 22:39-42)

Then, Jesus said:

“Everything you tell Me is true; however, I do not call you in the periphery, but in the very pivot of the revelation. Therefore, look again at the fact that the way from the Mount of Olives to Jerusalem is a Sabbath day’s walk. Why is that a Sabbath day, Stefan?”

The words of Jesus shook my spirit; only now, I could understand their depth. Therefore, I said:

“Lord, the secret of the God’s Holy Sabbath is sealed by this verse. Since, this Sabbath always starts from the Mount of Olives and finishes in Jerusalem.”

“And how does it start from the Mount of Olives? And how does it finish in Jerusalem?”

After the words of the Lord, the Holy Spirit made the scene with the knelt Christ emerge in front of my eyes, so that I could see again His pierced hands and feet. Then, I told Jesus:

“Lord, forgive me that I am so blind and that I can not see so many things. Did not You give me the vision with the Mount of Olives, so that I might understand that the God’s Sabbath begins with crucifixion and finishes with crucifixion, too? There, in the Garden of Gethsemane, You crucified on a cross

Your Own thoughts and desire for life. Since, You told Father that You wanted to be done His Will, not Yours. Then, when You was caught by the guards of the chief priests and led to Jerusalem, the second crucifixion on the Cross of Golgotha took place..."

After that, Jesus said:

"Let all people, who confess and recognize Me as Lord, remember and know that the God's Sabbath begins on the Mount of Olives and finishes in Jerusalem. Everybody, who enters the Day of the Lord, will surely pass through two crosses and two Golgothas.

The first cross is to crucify yourselves together with the Lord your God and to die for your own desires and passions.

The second cross is to be crucified by those, who hate you because of My Name and My Spirit in your hearts.

Since, Golgotha surely seeks Golgotha! And that one, who has crucified himself together with Me, he will surely be crucified because of Me!

This is the worth you should pay in order to take a part in My table and to be on My wedding!

THIS IS THE WORTH FOR YOU TO ENTER MY REST AND TO GLORIFY THE GOD'S NAME IN YOUR LIFE!"

Lord kept silence. And a moment later, when I went deeper in the crystal pureness of His words, I understood how fateful the coming in His Rest was.

Therefore, I ask you, my dear brother! Go out of the swamps of the human teachings! Be one of those, who will meet Jesus on the Mount of Olives! Be one of those, who will be going after Him by the time, when they will be crucified by the whole religious fury and malice of Babylon! Be one of those, who will enter the ark of the last Noah – dead for themselves, but revived for that Kingdom of Heaven, where Righteousness, Peace and Love will reign forever! Let the verses from the apostolic message become life and destiny for your heart:

"We have come to share in Christ if we hold firmly till the end the confidence we had at first. As has just been said: "Today, if you hear his voice, do not harden your hearts as you did in the rebellion." Who were they who heard and rebelled? Were they not all those Moses led

out of Egypt? And with whom was he angry for forty years? Was it not with those who sinned, whose bodies fell in the desert? And to whom did God swear that they would never enter his rest if not to those who disobeyed? So we see that they were not able to enter, because of their unbelief.

Therefore, since the promise of entering his rest still stands, let us be careful that none of you be found to have fallen short of it. For we also have had the gospel preached to us, just as they did; but the message they heard was of no value to them, because those who heard did not combine it with faith. Now we who have believed enter that rest..." (Hebrews 3:14-19; 4:1-3)
