3. The God's family or how Isaac was born.....	22

## TO YOUR HEART

My dear brother and my dear sister! In the books, given to me by Jesus, I have rarely turned to the readers with the words "brother and sister". In most of the books, God has emphasized over the fact that the prophetic word will be read by brothers. However, I have never wanted to disregard "the sisters", because I have ever relied on the words of Apostle Paul that if we are in the Lord, we are spiritual; as spiritual, we have no sex and then, even the sisters in the Lord are like brothers for me. Now, however, when I want to announce the word, which Lord gave me about the God's benevolence over the Christian family, I keep my words above, by which I turned both to the brothers and sisters. Since, the contents of this book will be more different than the messages of the previous ones.

It often happens that Lord fills my spirit with one definite theme, for which some worth must be paid. Not always can I write about what I myself would be seeking or longing to understand and know. For the will and anointing for each book does not come from me, but from the Lord. That is why one book is being born then, when my thoughts I would like to share with you, are the same as those, which God demands from me to write.

As I already said, some themes often came to my spirit. Remember how once, the Holy Spirit gave Apostle Paul to see in a dream one man of Macedonia, who was begging him to come in their land. So, God wanted to testify to His servant that it would be pleasant to Him if Paul devoted himself in service to the brothers in Macedonia.

Now, when I take up writing this book, I kneel before my Lord with the clear conscience that I would please to Him if I serve to all my brothers and sisters, who would be found in the Holy bosom of the matrimony and family: as a man and woman; as husband and wife; as Abraham and Sarah. One of the things, by which God renewed my mind throughout the years, was the ability to see how the relationship between Him and the men always acquires the halo of a covenant. In this connection, entering the sacred relationship with the God is really the most perfect and lofty appearance of the heart and spirit. These sacred relationships are the nostrum and the key for the real knowledge of the God's Will in every sphere of the human life.

When a burden for the Christian family came to my spirit, then I understood that it was imminent for me something more than a traveling together with my Saviour and Lord. Yes! It was imminent for me to strike a balance of my own life, looked through the God's eyes. Since, nobody could testify as a God's messenger unless he has passed the God's test of the testimony over himself, in order to be found approved, faithful and true. As to the theme of the Christian family, the problems, concerning it, are so categorical, so fateful and serious that it seems to me that many other themes will be left behind. As to my personal testimony about the power of Christ in my family, I am really blessed by the God. Since, God gifted my family with four children – twins-brothers and twins-sisters. He gave to me a wife, who surpassed all my expectation for virtuous companion in my life and a desirable partner. That is why I am happy in my matrimony. Since, many God's promises turned into life for my heart and my eyes. Therefore, I think that I have the right and the responsibility to open my heart for the appearance of the God's secrets, related to the family. Now, let me tell you how this book was born. The truth is that I was incited by the letter of my friend. However, it was only the cause for me to open my heart before the God. The deep reasons, however, are very different. For Lord Jesus came to my heart and told me:

**“Open widely your heart for My words! Now, I want to open your eyes, so that you might see how great the power of the devil has become in the Christian families. This power destroys everything, which God would like to give to His children. This power turns the hearths into heaps of cinder. This dark power must be enlightened and exposed, so that Lord your God might be glad in His Heart to see His Love enthroned in the family fireplaces. Now, look at the vision I am going to show you now...”**

After the words of Jesus, a vision appeared in front of my eyes. I could see a man and a woman, who were Christians. They had a bible in their home. They were regularly visiting church meetings and were greeting their brothers and sisters with “Alleluia!” Nevertheless, they have not children yet. Instead, the role of the child in their home was taken by a demon. They were only breeding a demon. What is more, under their cares, the demon was growing

bigger and bigger, turning into a basis for their words and contacts. So, this demon really felt very well and he had no reasons to go away. Both the man and the woman were looking after him. While I was looking all this, I asked my Lord:

"Jesus! Why do You give me to see? These people here were breeding a demon in their home! They have allowed him in their relations; what is more, they are nourishing him, so that the demon is getting bigger and bigger..."

Jesus replied:

**"Everything you see here is the tragedy, which will befall all matrimonies, who have grown cold. Since, as people bear children in flesh, look after them and nourish them, so it is possible to be born children in spirit, too..."**

"And how, my Lord, might the children in spirit be born?"

**"The children in spirit are born just in the power of the marital covenant, which makes the man and the woman to be one before the Lord. If it is true that the marriage joins a spirit, soul and body to a spirit, soul and body, it will also be true that the spirits bear a spirit, and the flesh bears a flesh..."**

"Then, how should I understand the fact that these people have born a demon?"

**"Understand that they have invited a demon in their relations and he has become like a pit, which gathers in itself all thoughts, words and deeds. Having in mind that the time is now, when more families than always are being destroyed, you have to realize that these spirits of the devil, which butt in on the family relations of the people, are really very successful. And the divorce, which puts an end of every marriage, is a proof in itself that each one of the parts have relied more on the demon, born in spirit and intoxicated the family relations, than on the power of the marital covenant. Remember then, did not Apostle Paul write in his messages that the time is coming, when people will be evil?"**

"Yes, Lord! He warned the Church. In his message, I could read about such appearances of the devil:

**“But mark this: There will be terrible times in the last days. People will be lovers of themselves, lovers of money, boastful, proud, abusive, disobedient to their parents, ungrateful, unholy, without love, unforgiving, slanderous, without self-control, brutal, not lovers of the good, treacherous, rash, conceited, lovers of pleasure rather than lovers of God - having a form of godliness but denying its power...”**

**(2 Timothy 3:1-5)**

Then, Jesus kept talking. He said:

**“Do you notice that the apostle writes about people without love?”**

“Yes, Lord! I notice that!”

**“Well, what does it mean for a man to have no love in his heart? Is not the family circle the first place for a man to appear his natural affection?”**

“Yes, my Lord! That is right. To have affection for your family, it means to keep the God’s benevolence upon your home...”

**“To keep” – it is well-said, but it is not enough! Nobody could keep the love in his family unless he knows that the family is a covenant. And you, do you know what covenant the family is? Where in the Bible is told about this covenant?”**

“My Lord! I know that yet in the beginning of the book “Genesis”, Adam himself pronounced the words of this covenant:

**“For this reason a man will leave his father and mother and be united to his wife, and they will become one flesh...” (Genesis 2:24)**

**“That is right, My boy! This is namely the family covenant. However, it is so deep that you should not be satisfied to read it only once. When My Apostle Paul was reading the words of this covenant, he told about it that that “this is a profound mystery”. However, if one mystery is great, does not it have to become evident? And now, a moment before the coming of the greatest chill, do not My people have to know what the family covenant, given by My Father, is?”**

“My Lord! Most people consider themselves smart and wise. They themselves have invented a family code, which does not care about the strength of the families, but which only records rights and duties. And there is

not any clause in this family code, which would be able to protect the man and the woman from the danger to breed a demon...”

**“That is why I should give to you a spiritual regard over the true family covenant, given by My Father. Since, if the earth family codes can not protect the men from evil, then, the Holy Word of My Father will be again the most perfect protection of the marriage. Therefore, see again how Adam talks that a man will leave his father and mother and be united to his wife, and they will become one flesh. What do you think of that? Whose parents did Adam have in mind, when he pronounced his words?”**

“My Lord! No doubt, he has had in mind the earth parents. Since, Adam talks about a father and a mother. If he had had in mind His Heavenly Parent, he would not have emphasized over the presence of the mother, because we all have been created by the One Heavenly Father...”

**“Then, look at the deep and hidden message in the family code, given to us by Adam! Since, to leave your father and your mother and to be united to your wife, it means for you to turn to your Heavenly Father and to give Him the priority and will to gift you with a wife according to His Heart. Now, remember some words of Mine, which I was talking to the Pharisees and the teachers of the law, when they came to test Me. Remember that, when they asked Me whether it was lawful for a man to divorce his wife for any and every reason, I told them:**

**“Haven't you read,” he replied, “that at the beginning the Creator “made them male and female,” and said, “For this reason a man will leave his father and mother and be united to his wife, and the two will become one flesh”? So they are no longer two, but one. Therefore what God has joined together, let man not separate...”**

**(Matthew 19:4-6)**

**After these words of Mine, they asked Me again:**

**“Why then,” they asked, “did Moses command that a man give his wife a certificate of divorce and send her away?” (Matthew 19:7)**

**Then, I replied again:**

**“Moses permitted you to divorce your wives because your hearts were hard. But it was not this way from the beginning...”**

**(Matthew 19:8)**

**It was not in this way from the beginning, Stefan! There was one perfect family covenant in the beginning, but the devil made the hearts of people hard; then, the Law permitted people to divorce. You, however, think over something else! Think – Who is That One, Who joins people? Is not He My Father? And, should men separate what God has joined together?”**

“Let it not be, Lord! All men, who have been joined together by the God, should withstand; they should never be separated, because of the God’s jealousy and grace over them!”

Jesus smiled. Then, He kept talking to me, saying:

**“Do you understand the essence of the things I talk to you? Do you understand that the men have lost the God’s joining long ago? For this reason, divorce comes to them very fast. Since, when the hearts, which are joining together, have not been made soft by My Father, then, hard-heartedness meets hard-heartedness. However, look at this in the next vision I am going to give to you...”**

After the words of the Lord, a vision appeared in front of my eyes. I could see how some men were pushing two angular stones; they gathered them one next to the other. With noise and revelry, they put a wedding ring and a red ribbon over the both angular stones. Then, Jesus told me:

**“Look attentively and see what is going to happen to the angular stones...”**

I looked at the stones and I saw that their ribs and edges were so big that huge holes were gaping between them. Before long, serpents began to come into these holes. Nothing could stop the serpents. What is more – by Lord Himself, I received knowledge in my heart that it was in the nature of the serpents to look for holes and crevices. Then, I turned to Jesus and I told Him:

“Lord, this marriage is doomed. It was a marriage between hard hearts with sharp edges. They were doomed to failure beforehand, because they gave a place to the devil...”

Jesus said:

**“Do you understand now that the softening of the hard hearts is the main condition for the God’s benevolence over each family? Therefore, look and see how the vision will continue...”**

I looked again at the vision and I saw how one Light Heavenly Hand gathered two warm and soft breads; it took them close one beside the other, so that each of the both breads openly stuck to the other. I was absolutely sure that there was no place for the serpent to creep here. Then, I cried to the Lord:

“Lord, could we become such soft breads? Could we be really prepared for the heavenly covenant, given by Father?”

Jesus replied:

**“You should free your hearts and minds from all visions, which the world and the devil have put before you, like ideas of the family and matrimony. You should have in your life the marks of the family covenant, which Abraham and Sarah had, and you should keep yourselves out of the mistakes, which they stumbled against. Only in this way, you will understand the perfect benevolence of Father over family and marriage. Therefore, I am going to lead you now in that knowledge of the family covenant, which would make all My brothers and sisters enter the perfect destinies of My Father...”**

After His last words, my Lord stopped the vision and the Holy Spirit rushed into my heart, in order to prepare me for all deep secrets, hidden in this important theme.

## **1. THE VISION WITH THE HE-MARRIED AND SHE-MARRIED**

My dear brother and my dear sister! If there is a reason for me to write this book, here is this reason:

Lord wants for all Christian families for be raised in positions above the devil! Since, the time is deceitful now and the devil wishes for as many as possible people to begin to live with one and the same stamp upon their hearts:

Divorced!

This is frightful! This is cruel! This is the sorrowful conclusion from some human chess of fates, in which pawns and kings, officers and queens are frivolously being moved. I know that there is no good for any man out of the God. I also know that the more the wrong marriage are getting, the more the number of divorces will be getting. Therefore, personally led by Lord Jesus Christ, I want to reveal you in this first chapter the reasons for the fatal consequences in lots of families and mostly – in the Christian families.

As you already understood from the preface of this book, there was some total incomprehension of the family covenant. People do not know why they stand before the pulpit and why they get married. The men have not clear target and a vision for their matrimony. They want that Lord would bless their marriage, but after that, they preferred being left in peace. They want to live in one invented notion of matrimony, where there are lots of rights and no duties. Therefore, destruction and alienation, jealousy and suspicion, apathy and boredom come into many families very soon; as if their notion, by which they have looked at the dreamed partner, has become a pink balloon, burst since long, and the reality is already unacceptable. Then, such men no longer live in the name of any cause, but in the name of compromises. This is very sad and painful. This is degradation, which is getting greater with every passing day.

I understood by my Lord that the most splendid things always stood in the beginning. Since, He is the Beginning Itself. In the very beginning, He has testified to Himself in such a way that everybody, who would like to love Him, can not but being really inspired by such a beginning. I do not intend to relate you the life of Abraham and Sarah. You have read the Bible and you know well

their story. However, have you seen what is hidden in the family of Abraham and Sarah? Have you noticed that This One, Who called His chosen man out of Ur of the Chaldeans, laid in his life a new foundation, a covenant of faithfulness and purity? Have you seen that Abraham was beforehand Abram, as well as Sarah was beforehand Sarai? You will understand lots of the secrets of the family covenant in this book; however, I do not want to anticipate the way of the revelations themselves. Therefore, let me give you the words of my Lord Jesus Christ, so as He spoke them to my heart:

**“Stefan, do you have the faith to comprehend that, as there are heavenly men, so there are earth men, too; and, as there is heavenly family, so there is earth family, too?”**

“Yes, Lord! I have the faith to comprehend that. Apostle Paul himself had told that the first man was of the dust of the earth, and the second man was from Heaven...”

**“Then, be sensible and wise to realize that the God’s benevolence in the family and matrimony come upon the heavenly men, and the curse and doom pursue and overtake the earth men. As the family covenant of the heavenly people has its own marks, so the families of the earth men have their distinguishing features. Here, I am going to reveal to you what the distinguishing marks of the earth people and their families are, and you should better describe everything you are to see...”**

After the words of the Lord, a vision appeared in front of my eyes. I could see a man and a woman, stood vis-à-vis. They were looking each other at their eyes and were smiling. They were a pair of lovers. Then, Lord told me:

**“See that the man from this vision looks at the woman, and the woman looks at the man. Tell Me now, if the man had started walking along the way, where would he have reached to?”**

“He would have reached to the woman, My Lord!” – I answered. And Lord asked me again:

**“And if the woman had started going along the way with her feet, where would she have reached to?”**

“To the man, of course!” – I replied again. Then, Lord said:

**“As you have already been convinced, the man in this vision looks at the woman and the woman looks at the man. The way of the man leads to the woman, and the way of the woman leads to the man. Now, imagine that this man and this woman decide to get married and look at this in the vision itself...”**

I looked again in the vision and I saw how wedding rings appeared over the heads of the man and the woman; these rings joined them side by side and they kept looking each other face to face. Then, Lord told me:

**“Look and see how the vision will continue! Since, the man will surely want to go in his own way, as well as the woman will want to follow her own way, too...”**

I looked at the vision and I saw that both the man and the woman began to stumble each against other, because he was walking in one direction, and she was following the direction, contrary to his own. All of a sudden, the bodies escaped and each one took the contrary direction, even though they had still held their hands together. Finally, they set their hands free, because the man strongly wished to follow his own way, and the woman longed for going in her own. It happened that they separated, since their hands could no longer remain together. Then, I asked the Lord:

“Jesus! What is going here? There is no trace of the first amorousness. Were not the man and the woman looking each other at their eyes? Why did they pass each other? And why did their ways opposed to each other?”

The answer of Jesus openly struck me. However, these were exactly His words:

**“They separated, because they were looking each other at their eyes. The man was striving for the woman until he received her, and the woman was striving for the man until she received him. But when anybody has already overcome his aim, he goes further – to the next aim. That is why they both reached to the rupture.”**

“My Lord! Does this mean that they should not look each other at their eyes? Does this mean that they should not fall in love with each other?”

**“No, Stefan! In this vision, you only examine the tragedy of the earth men and their earth matrimones. Since, the matrimony of this**

**man and this woman was not laid upon the foundation of the true love..."**

"And what is true love like, Lord?" – I asked. This time, Jesus replied:

**"True love is this love, at which the lovers are not looking each other at their eyes, but instead, they are both looking at the right direction. If the man and the woman were looking at one and the same direction, they would hold their hands together and would go along their way. True love is joining of both ways in one common way; it is not the crash of the ways one against the other.**

**Now, look at the next events in the vision. When a woman appeared in the way of a man and he decides that she is the chosen one of his heart, then, this man says to himself:**

**"I am going to marry her!"**

**And when he did that, he says:**

**"I got married!"**

**In the same manner, when a man appeared in the way of a woman and she decides that he is the chosen one of her heart, then, this woman says:**

**"I am going to marry him!"**

**And when she did that, she says:**

**"I got married!"**

**Tell Me now, My boy, what these confessions testify to? What does it mean for him to marry her and for her to marry him?"**

"Lord, when a man takes a woman for his wife, he marries her; and when a woman takes a man for her husband, she marries him!"

**"This is only the earth regard! This is merely an earth explanation, characteristic of an earth man! The spiritual explanation is different and it says that the he-married falls under the power of a woman, and the she-married falls under the power of a man. Tell Me then:**

**Does God want for the women to be under the power of men? Does He want for the men to be under the power of women? Is there men and women, getting married, in the family covenant, given by My Father?"**

"Lord, I am afraid there is a very great depth in Your words; so, I could not understand them. Apostle Paul himself was talking about the men and the women, who were getting married. He told about them:

**"..An unmarried man is concerned about the Lord's affairs - how he can please the Lord. But a married man is concerned about the affairs of this world - how he can please his wife - and his interests are divided. An unmarried woman or virgin is concerned about the Lord's affairs: Her aim is to be devoted to the Lord in both body and spirit. But a married woman is concerned about the affairs of this world - how she can please her husband..." (1 Corinthians 7:32-34)**

Listening to my words, Jesus added:

**"Do you understand now that it is the God's perfect Will for the man and the woman to be unmarried? Since, the married man surely pleases his wife, and the married woman pleases her husband..."**

"Then, Lord, how would be there a family covenant? How would be there a family if the man and the woman are not married?"

Lord said:

**"There would really be a true family if the married man cared for the God's deed. So, he would be like unmarried man, since he does not please his wife. So, there would be a holy matrimony before My Father, if the married woman is holy in body and spirit and cares for the God's things. So, in his behaviour, she would be like a virgin before the Lord. Therefore, look at the words of Paul in the same his message:**

**"What I mean, brothers, is that the time is short. From now on those who have wives should live as if they had none; those who mourn, as if they did not; those who are happy, as if they were not; those who buy something, as if it were not theirs to keep; those who use the things of the world, as if not engrossed in them. For this world in its present form is passing away..." (1 Corinthians 7:29-31)**

**Do you know what means for you to have wife as if you had none? It means for you to live before the God as one, who has given himself, his wife and the whole his family for the Holy God's purpose! Only in this way, you can withstand against the spirit of the world. Only in this way, you will escape the terrible doom of the word "married". Since,**

**where people get married, there, they are divorced, too. However, if God is your Lord, Whom you have given your spirit, soul and body, it is far from you to be married, even if you have a family. And it is far from the woman in your life to be married, even if she is your wife..."**

"Then, what are we, Lord, in Your eyes? What should all married people be unless they want to put the barrier of the worldly spirit before their hearts?"

Jesus smiled and told me:

**"They should only be joined in Spirit! Remember this word; it is God's one. My Father does not marry any man or woman. My Father joins them! Since, in His eyes, both the man and woman, submitted to the family covenant, become one flesh. Tell Me then:**

**If the man and the woman are one flesh in God's eyes, should this flesh be married? Are not both them one flesh, just because God has joined them to do His Will? And how should they do His Will, Stefan?"**

I have no need to think any longer, because the God's Grace has made the anointing in my heart very powerful. So, I answered:

"Jesus! One of the God's prophets clearly enough revealed to us the Will of Father for the men, joined by Him. This prophet wrote the very exact God's words:

**"Another thing you do: You flood the LORD's altar with tears. You weep and wail because he no longer pays attention to your offerings or accepts them with pleasure from your hands. You ask, "Why?" It is because the LORD is acting as the witness between you and the wife of your youth, because you have broken faith with her, though she is your partner, the wife of your marriage covenant. Has not made them one? In flesh and spirit they are his. And why one? Because he was seeking godly offspring. So guard yourself in your spirit, and do not break faith with the wife of your youth. "I hate divorce," says the LORD God of Israel, "and I hate a man's covering himself with violence as well as with his garment," says the LORD Almighty. So guard yourself in your spirit, and do not break faith..." (Malachi 2:13-16)**

**"See then that My Father talks about a she-partner and a wife of the family covenant! See that My Father is seeking godly offspring! And there is offspring only there, where there is God's benevolence.**

**You, however, do you know what the offspring of the earth family is? Do you know what child is being born in those families, which do not look at the Lord, Who is their Power and fire, but which are looking far below? Look at the testimonies in the life of Abraham and Sarah! Even if they were a family, put under the God's family covenant, they stumbled however, so that their life might be a lesson for those, who are sensible and wise..."**

After the last words of Jesus, the vision with the man and the woman stopped, and I took up writing the precious words of my Lord. I appeared them, so that your heart might be confirmed.

## 2. THE EARTH FAMILY OR HOW ISHMAEL WAS BORN

Do you know my dear brother and my dear sister that God has really gifted us with the greatest power – the power of faith, which is in His Son Jesus Christ? We have not any greater blessing for our hearts than the faith in Jesus. This faith is the testimony inside us that, despite thousands of years have passed on the earth; the children of Abraham are still walking, talking and testifying nowadays through the light of their hearts. There are lots of images and examples in the Holy Scripture, out of which we could draw inspiration or take hidden pearls out. Nevertheless, this Holy Book reveals to us only one example, which our Almighty Father gives to us like perfect encouragement and calling:

**“Listen to me, you who pursue righteousness and who seek the LORD: Look to the rock from which you were cut and to the quarry from which you were hewn; look to Abraham, your father, and to Sarah, who gave you birth. When I called him he was but one, and I blessed him and made him many...” (Isaiah 51:1-2)**

Do you see my dear brother and my dear sister that we should look at Abraham and Sarah? Since, there is a test in their life that is unattainable for the men. And, if they have made mistakes sometimes, it has happened, because Lord has wanted for them to turn their fall into a stone to step on it. This stone namely, which people should step on, I want to reveal for you here.

I repeat you again that the faith of Abraham lives in us. It is no only faith. It is a seed, which yields. And if God has promised to Abraham that He will give him success in whatever he does, His promise is valid for every one of us. However, let nobody reproach the Creator! Since, it is very possible for the promise to turn against us, especially unless we are careful enough in its using.

Some years ago, Lord made me meet a man, who had incredible success in his deeds. He had faith in the God. He was skillful in doing many things; by his talent, he prospered in the advertising business. In his wish to emphasize the Father’s benevolence upon him, he told me:

"Here it is, Stefan! I have the faith of Abraham! Whatever I take up, I am doing it perfectly. Look how many shining neon signs I have done! Most of the signs on the modern places of resort have been made by me..."

I remember that then, Lord filled my mouth and I gave to Him the following answer:

"Friend! It is not important whether you have the faith of Abraham! It is more important for you not to bear by it your own Ishmael..."

I know that he did not understand me then, since Ishmael was really worthy in his eyes. However, I also know that the moment will come, when Lord will remember to him the words of Sarah:

**"Get rid of that slave woman and her son, for that slave woman's son will never share in the inheritance with my son Isaac..."**

**(Genesis 21:10)**

We often think that everything we have born and formed by our faith, is surely the one and only son, born like child of the promise. However, a moment comes and most of us see that this is Ishmael. Therefore, Lord opened my eyes and enlightened my heart in the depth of this theme, so that nobody of us would ever bear Ishmael. Here are the words, which Jesus began to talk to me:

**"Stefan, lay in your heart and comprehend the truths, which I want for you to write and give to My brothers and sisters! Since, most of them do not know how fateful and fatal the bearing of Ishmael is. In this relation, let Me remind you what happened between Abraham and Sarah, while the Lord's Word was still testing them. Tell Me, under what circumstances was Ishmael born?"**

"Jesus! Sarah was childless for a long time and Lord had not given her a child to bear. Then, she offered to Abraham to bear her a child through the Egyptian Hagar. So, Abraham took her advice..."

**"This is exactly the story. You, however, pay attention to something else. Did Abraham and Sarah remember the God's promise that their offspring will be as many as the stars on the sky? Did Abraham remember what the Most High had promised to him?"**

"Yes, Jesus! Abraham and Sarah remembered all this. Nevertheless, Sarah decided to correct the God's promise. She decided in herself that it was

possible for Lord to have a different solution of the problem. That is why she offered to Abraham to gain child through Agar, and he agreed..."

**"Then, look at this story through the vision I just gave to you. I told you that there was true love only there, where the lovers would not look each other at their eyes, but would look in one direction. Where did Abraham and Sarah have to look at and what did they have to trust in?"**

"My Lord! They had firmly to rely on the God's promise, without having any doubt..."

**"Then, think what happened, when Sarah took her eyes off That One, Who had given her His promise and when she turned a look at her husband..."**

"Jesus! When Sarah looked at Abraham, she saw one aging husband, who had not had the happiness to become father. She looked at herself, then, at Abraham, and she decided that their time to obtain children was over and God could no more realize whatever promises. Then, the young Egyptian Hagar fell in her sight. She imagined that she had been like her once – young, beautiful, with fervent blood and a strong heart. The fruit of her imagination, born by the look at the Egyptian, deceived her, so that she misled Abraham, too. Then, having in mind the words of Father, he also agreed to her wife's suggestion. Here how Ishmael was born..."

**"Then, see and comprehend that, when both the man and the woman take their look off the God and began to look aside, then Ishmael is surely born. I do not want for you to think that this Ishmael is any child, born by flesh. No, this is the other spirit, which comes in the family. And, if Sarah was despised in the eyes of Hagar once, because of her son Ishmael, is not My Faith also despised in those families, which decide that man is called to serve the woman, and woman is called to serve the man? Then, do not the words of My Apostle Paul that the married man strives to please her wife, concerning the things of this world, and either does the woman, become true? So, nothing else but My Faith is despised. Since, only by My Faith the married man is like unmarried, and the married woman like unmarried one. However, when Ishmael appears, then the rupture**

has come. One of the two spouses should certainly leave. Here this is, Stefan, what Lord your God examines now in the homes of most Christian families.

**Ishmael comes into the world!**

That spirit of perverted family existence has been born, which makes every one of the couple to please the other through the material things around him. God has been forgotten in such families. Therefore, the rupture comes in such families, because one of the spouses lives with Me, and the other – against Me. The former longs and looks for Me, and the latter one strives for the things below. Of course, there is also one more cruel finish – when both spouses like bringing up and breeding Ishmael. Can you see in it My warning to all of you?”

“Yes, Lord! Since, You prophesied in “The Gospel by Matthew” about this time, saying:

**“For in the days before the flood, people were eating and drinking, marrying and giving in marriage, up to the day Noah entered the ark; and they knew nothing about what would happen until the flood came and took them all away. That is how it will be at the coming of the Son of Man...” (Matthew 24:38-39)**

Then, Lord kept talking. He said:

**“I am testifying to everybody, who would read this book that the Will of My Father for all of you is not in your marrying. His Will for you is in your standing far above, joined by His mighty hand. Since, there is nothing better for a woman than her husband, who has obeyed to serve to the God, rather than being married her. In the same time, there is nothing better for a man than his wife, who has obeyed to be a God’s vessel, rather than being married him. Heaven needs holy families now – families, in which Isaac has been born, instead of Ishmael; families, which would not doubt even for a moment in the God’s faithfulness and protection; families, which would climb up the mount Moriah in order to give My Father holy offerings. Therefore, seek first My Kingdom, and all the rest will be given to you as well. My**

**Father will gift you with children and He will give to you that fire, by which your hearths will be warm and blessed.**

**However, if any woman hurries to please his man, and if any man hurries to please her wife, then, such men surely live as in those days before the flood; they will not know what is going to happen, because they will be very busy in caring for all earth things, which stand far below than the Perfect Will of My Father.**

**As to the men, who have been touched by My Father and who want to be a Holy family, laid its matrimony before His Holy Altar, let such men follow Me and My servant! These are the men, whom I am going to give now those secrets of the family covenant, by which you will surely be Abraham and Sarah before My eyes..."**

After His last words, Lord touched my heart with His hand and it was filled with the living waters of the Spirit, pouring out of the Jesus' mouth.

### 3. THE GOD'S FAMILY OR HOW ISAAC WAS BORN

My dear brother and my dear sister! Are you close to comprehend now how splendid way Lord has left for us? Are you able to understand that we all should really go to live far above? Since, there is really no more time remained. We have no more time to write a long family tree, because we are the last its offshoots. We have no more time to draw other plans and projects, but the only one project and plan:

TO WITHSTAND TO THE TAKING OF THE CHURCH IN HEAVEN BY OUR LORD JESUS CHRIST!

I have to tell you that if Lord had lead me around to show me families with ten children or even more, this fact would not have impressed or warmed my heart as much as my look over the life of Abraham and Sarah. Despite their mistakes, in my eyes, they remain to be the Holy family of God and Father, the sweet fragrance in His Word; the splendid decoration before His throne! Since, that love, which receives everything without any efforts, is not strong love. Other love is strong, the biblical one. This is the love, by which you trust and rely on your partner throughout your life, even if he has not gifted you with descendants to the very end. This is the love, which God reveals to us in the life of Abraham and Sarah.

Now, let me tell you now the precious words of my Lord. Since, the blessed lips of the King opened and His words rushed into my spirit:

**“Stefan, I want for all My brothers and sisters to understand what family is like. If you do not understand what family is, we will never be joined together according to the perfect Will of Father. Therefore, look at the vision I am going to give to you...”**

In the next moment, Jesus touched my head with His hand and a vision appeared in front of my heart:

I could see a man and a woman, who were looking at the Heaven. They have embraced each other, but the eyes of both them were looking at Heaven. Then, a Light Hand stretched out from Heaven. It touched their heads and kindled a brisk fire in their hearts. Then, both the man and the woman thrust their hands into the purses they were carrying with them and began to sow the empty place in front of them. Very soon, beautiful trees appeared there, where

the seeds had fallen. They began to yield fruits. However, the man and the woman did not stop working. They began to dig under their feet, so that water gushed out and turned into a beautiful lake. And the man and the woman kept still working. They built a house and made the water flow amidst their home. Then, the woman was pregnant and she bore a beautiful child very soon. Then, the man and the woman began to sow again, this way – into the heart of the child itself. They were throwing their seeds and in the same time, they were giving the child to drink from the waters of the spring. I had never seen something more splendid than this. Since, the Holy Spirit of Father was pulsating both in the water and in the crowns of the beautiful trees. Then, Jesus told me:

**“Here this is the true family! Let you be able to comprehend everything you saw! Since, there is a true family only there, where there is sowing of seeds. If there is not sowing of seeds, there is not any family, too. Therefore, look at the first, which one holy family should sow for his household...”**

With His words, Lord pointed at the seeds. Then, I asked Him:

“What are these seeds like, Lord?”

Jesus replied:

**“This is the God’s Word. Before everything else, which the man and the woman would take up sowing, they should sow the God’s Word in their hearts. Since, the home of one family is not only bricks and concrete. The home is in their hearts. This is an imperishable home, where the Trinity should live...”**

“My Lord! If I have rightly understood you, the family covenant begins with preparing of home for the Lord!”

**“So it is, My boy! Since, Lord is That one, Who will give the fruit of the womb and will light the fire in your hearts. That is why the man and the woman in the vision itself built spiritual homes for the Lord in their hearts. They knew that they should look at Him, because they belonged to Him; because they were joined and blessed by Him. Was not it in the same way in the life of Abraham and Sarah? Did not My Father tell that the name of His chosen man would no longer be**

**Abram, but Abraham? Did not He tell that the name of his wife would no longer be Sarai, but Sarah? And what does "Sarai" mean, Stefan?"**

"Lord, the name means "My Princess"..."

**And why did Father change the name of Sarai into Sarah, which means only "princess"? Why did Abraham have to call his wife "princess", instead of "my princess"?"**

"Lord, I believe that in this way, Father wanted to reveal His perfect choice over Abraham and Sarah. A moment before the birth of their son, He wanted for them to know that they were not their own, but that they were His people..."

**"That is right, My boy! Therefore, Sarai became Sarah, and Abram – Abraham. Therefore, let all My brothers and sisters know that there is not more splendid foundation for the family covenant than the Lord's dwelling, which the man and the woman have made in their hearts for the God. Just in this way, they show that they do not wish to be their own, but to be a Holy family of the Lord. Now, look at the next moment of the vision I gave to you. What else did the man and the woman do?"**

"Lord, they were digging into the earth until waters gushed out. Then, these waters turned into a lake!"

Jesus asked me again:

**"You have become father since long. So, tell Me:  
What is it necessary, so that a child might be born?"**

"Lord, you need a womb, seed and antenatal waters..."

**"Then, what do you think? If people bear children in flesh, does not your Lord want for them to bear children in Spirit, too? Does not your Father want for the home of every Christian family to bathe into the living waters of the Spirit? Do you understand now that the childbirth is only the first step in the common life of one family? The responsibilities of the parents have just begun. This little inner man must be watered by the God's Love and Light, by the waters of the Spirit, which will grow him up and make him powerful. Do you know, My boy that the Heaven is overwhelmed with prayers for children? Childless families pray to My Father and ask for a child, but their**

**homes are empty. They have not sheltered the living waters of the Spirit, neither have they made a dwelling for the Trinity in their hearts. What the destiny of such a child would be? Will such child be well-bred in the Spirit of the God? Will his spirit have those living waters, in which it might be confirmed and grown up? Finally, which is better for one mother – to bear children for slavery or children for blessing?"**

"My Lord! Of course that one mother would be blissful if she bears children for blessing! Otherwise, it would be better for her not to bear at all..."

**"Then, know that she would bear children for blessing, only if she has really observed the family covenant. Since, My Father joins the man and the woman in order to expect descendants that are really His offspring. And His descendants are only those, who have been born in His homes, amidst His living waters and seeds. Therefore, tell My brothers and sisters to pray My Father for Power, so that they might fully live in the family covenant. Since, this covenant is filled with the Life-saving Power of God. And many mothers would find Salvation just in the written by Apostle:**

**"And Adam was not the one deceived; it was the woman who was deceived and became a sinner. But women will be saved through childbearing - if they continue in faith, love and holiness with propriety..." (1 Timothy 2:14-15)**

**Go and tell the whole My Church My words:**

**I deign now in families, who keep the covenant of Abraham and Sarah!**

**I deign now in families, which will be gifted by My Father with children of a promise!**

**I deign now in families, in which every one of the spouses sows the seeds, given to him by the God, in order to prepare a spiritual home and dwelling for Him!**

**I deign now in those men and women, joined by Father, who are ready to devote their life to childbearing, so that the children of their womb might become a holy offering for the Lord! Since, Isaac was born, in order to be offered on the Mount Moriah!**

**Let those men and women, who are married, deny themselves, so that they might enter the family covenant of My Father! Since, that one, who hear My Voice and who does My Will, will leave his parents in flesh and will be united to his wife, and they will become one flesh before My Father!**

**As to the other My people, whom My Father has not given to know the family covenant yet, and who have the God's Power to renounce marriage because of the Kingdom of Heaven, let such people be and remain in the Eternal Covenant between the Bridegroom and the Bride!**

**I pronounced it! I spoke it!"**
