TO YOUR HEART

My dear brother! I sincerely hope that this book will change your heart. I sincerely pray my Lord Jesus to become perfectly real in your life, so that you might feel His divine Power. Since, the tragedy of most Christians now consists in the fact that they do not practice the true biblical faith and for this reason, Lord Jesus is not real in their life. The Son of God left us lots of testimonies about His mission and service before the Heavenly Father. And His coworkers and apostles kept the News about the Holy and Pure Life, which He devoted in love to the mankind. I should tell you that, from the moment, when I knew the Saviour, I understood that His silhouette would always be a target and dream for my heart. I understood that everything I would need was gathered in Him. Everything, which gifted me Eternal Life, was hidden in His Image.

In this book, I want to reveal to you the great excitement, which filled my spirit, when Lord came to talk to me about His Passover. My heart had long been waiting for Lord to reveal to it the Heavenly Light and Redemption of the wine and bread of the Covenant. What is more – I had a pain in my heart, come from the confessions and excuses of men, who had never known Jesus like a Lord of the Passover.

For the last years, Jesus raised me against the religious and human power, occupied many church pulpits. So, the Lord's jealousy bore prophetic books, which began to crack like a whip upon the backs of merchants and false-pastors. Then, many brothers and sisters of mine, personally visited and incited by the Holy Spirit, left the places, where Christ was crucified for a second time and was sold for thirty silver coins. However, what my astonishment was, when I saw how the great part of these people, even if they were touched by the Life-saving ray of the God's Prophetic Spirit, came back and their feet fell again in the abominable meetings of the vainglorious churches. These people were writing letters to me or were calling me on the phone with the following excuse:

"Brother Stefan! Bad or good, the church is a church. We should go to the church; otherwise, we have no place to take the Lord's Supper. We know that our pastor hates you and calls you antichrist! We know that he despises and spits on your name and the books you have written. However, we have no

right to judge him. We should visit his meetings, because he only has a right to give a Lord's Supper..."

I was listening or reading the excuses of these men and my heart was shocked. What was this delusion? What was this pusillanimity? What was this deceitful compromise, hidden under the mask of false godliness? At all – what is this cruel control over the souls and hearts of these men, unable to realize that the Passover does not belong to men, but to the Lord and that Lord is ready to supper with everybody, who hears His Voice? Had these cowardly men opened the Word of Jesus? Had they ever read His words? Had they believed the words of "The Revelation", which Lord gave Apostle John through His angel? Since, Jesus said there:

"Here I am! I stand at the door and knock. If anyone hears my voice and opens the door, I will come in and eat with him, and he with me..." (Revelation 3:20)

Here in this way, my brother, the longing to call the Lord was born in my heart. I wanted Him answer to my prayers, concerning the comprehension of that communication with His blood and flesh, which we call "Lord's Supper". Since, the absurd excuses and heartless retreats, by which many escape the Prophetic Spirit of the God, become a theme of serious conversation. And when they take "Lord's Supper" from the hand of any false pastor or hireling, who has just burnt up or torn the Prophetic Word of Father, calling him to repent, then, think by yourself, my dear brother, what supper these men have taken a part in. Think by yourself, whether the bread is really unleavened, and the cup – of the Lord. Apostle Paul wrote once a serious warning to the Church, saying:

"You cannot drink the cup of the Lord and the cup of demons too; you cannot have a part in both the Lord's Table and the table of demons..." (1 Corinthians 10:21)

There are lots of places now, where the cup of the demons is presenting like a Lord's cup, and the table of the demons – like a Holy Passover. This is the reason for the Lord to be jealous of His Church and to send her a word of exposing through His servants, the prophets.

I know and I am convinced that most people will not be able to swallow the contents of this book so easy, as they swallow the piece of bread, neither

will they be able so easy to drink its Spirit. However, there is one reason more for me to write it.

Since now, the Christians do not need anybody, who is talking them about Christ; they need Christ Himself.

Since now, the men do not need a religious drug for impure consciences; they need His blood and flesh.

Since now, the men need that light spiritual regard, by which they could clearly see whether the Passover is a Feast of unleavened bread or a banquet of Pharisees and teachers of the law.

Therefore, I entreat you now – take the hand of Lord Jesus! Let Him make real for the eyes of your heart the greatest moment of His Own Life – the Passover, in which He announced and confirmed His Covenant. Then – sanctified and pure – open your heart, so that the Perfect Offering of the Lord – the Bread and Wine of His Covenant – might enter it.

Amen and Amen!

1. THE VISION WITH THE LORD'S PASSOVER

My brother, I want for you to know that, when you are eating an earth food, then you live your earth life. However, when you are eating the Heavenly Food, then you live the Heavenly Life. Since, food responds to life. Man does not live to eat; he eats to be able to live. Two thousands years ago, one Holy Man came on the earth, Who threw into confusion all gluttons with His words. These well-fed men, covered with enviable layer of fatness, unwillingly had to gulp the fact that, except for the god of the fleshly stomach, there had also had God, came down from Heaven and taken an Image of a Son of Man. They had to see that, except for the tables with flat sausages, hams and roasted lambs, there had also had another table – the table with the flesh and blood of Christ.

Imagine that, my brother! Imagine people, on whose mouths one might still see the fat from a recent fattening! Imagine how they go out on the square in front of the Sanhedrin and listen to the words of One, Who pretends to be the Son of God. He not only calls them **"snakes"** and **"brood of vipers"**, but He even calls the people, presenting there, to drink His blood and to eat His flesh. Then, from the area of the Pharisees' intestines, a howl is raised by the god of the fleshly stomach, so that the Pharisees threateningly hiss, and some of the Lord's disciples already look at each other with fear and cowardly say:

"This is a hard teaching. Who can accept it?" (John 6:60)

I want for you to be attentive in this confession, my brother! Since, the Lord's teaching is really hard. The more one has been ensnared in the passion of sin and vanity, the harder this teaching becomes. If you think that the situation is different today, it means that you have not understood yet that the Bible is a mirror, in which all generations of people look at themselves.

Today, the teaching of Lord Jesus about His Passover has become much harder.

However, in difference to the former disciples of the Lord, who were sincere in their attitude to the call of Jesus, the present ones have decided to make "easy" what is hard. For this reason, they have fabricated religious rituals, called "Lord's Supper". However, neither the supper is of the Lord, nor Lord is on the supper.

I do not talk to you empty words and I take the responsibility for everything I am going to write in this book. I am ready to announce this message from every pulpit, no matter whether the gluttons will like it or not. I know that I will stand before the Christ's judgment place one day and there, Jesus will pass His judgment on every word in the books, under which I have written my name. That is why I can not be silent, when I see that the hearts are being sold for nothing and are being misled that they take a part in the Lord's mystery. The truth is much crueler and it limits with spiritual tragedy. Since, when you are eating on the Passover bread, which is far from the Christ's flesh, and when you are dinking wine, which has nothing in common with His blood, then, even the most sinful heathens will be more worthy than you. Since, they will also be eating their bread and drinking their wine (as they are doubtless doing that); however, they will not be condemned for sinning against the flesh and blood of Jesus. Since, the Lord's Supper is something more than only communication with the God.

It is a test, in which you should recognize the flesh and blood of Christ by the power of faith.

It is a test, in which you, being humble and well-known of your own life, should understand whether you are worthy for this supper or not.

It is a test, in which, if you tell the Lord:

"Forgive me, God, but I am sinful and unworthy for this communication..."

...then you will receive much greater sanctification, than those, who know that they prefer the world and its passions, but who are respected by most people and therefore, they stand on the first places on the Lord's Supper and hurry to be firsts in their wickedness. That is why I ask you to humble your heart and not to say that you know everything about the Lord's Passover. Apostle Paul himself will also remember you that:

"The man who thinks he knows something does not yet know as he ought to know. But the man who loves God is known by God..."

(1 Corinthians 8:2-3)

Now, let me reveal to you how Lord Jesus touched again my heart. He answered my prayer and came to my heart with great power. Here are the words Jesus told me:

“Everything I am giving you to see and comprehend now, write it on a book and share with My brothers and sisters! Since, time is hard and the hearts will not endure the pressure of the devil unless they are refreshed and confirmed in time with My Supper. I am jealous for every heart, in which the Holy Spirit has a dwelling and I long for visiting all people who confess My Name. However, I will not do anything of what I would like to do if the believers in Me keep easily exchanging the Lord’s Glory for the human one and the Lord’s Holiness for the human authorities. That is why I will pour My Holy oil in your heart, so that you might have the perfect fullness and leadership by the Holy Spirit. Since, all people should see what their Lord sees. So they will be able to repent, restore and be confirmed in My True Covenant, instead of paying attention to the religious interpretations of the present teachers of the law and Pharisees.

Now, My boy, let Me show you in a vision the true reality, concerning the biblical facts of My Passover. You will have the opportunity to see it now, so as My Father could see it in that moment...”

After His last words, Lord touched my heart with His palm and a vision appeared in front of me. I could see how the disciples of Jesus were preparing the Passover. Lord was not among them yet; however, it looked out that He would soon appear. Here, the Passover was ready; the door of the room opened and Jesus went out of there. He was wrapped in incredible Heavenly Light, which was radiated from His mantle and was streaming upon His disciples. In this moment, I felt how the Power of the Holy Spirit took me closer in the vision itself, so that I might see striking details. The Light, coming from the Lord, made me see the hearts of His disciples. So, I noticed that each heart was like a small loaf of unleavened bread. In this moment, I heard the Voice of God Father in my heart, Who told me:

“Look at the small loafs and do not stop looking at them until you see the hearts of all twelve disciples of Christ...”

So, I kept looking until my regard finally stopped over one of the Christ’s disciples, who had a swarthy face and curly hair. Then, I saw that his heart differed very much from the hearts of the rest eleven disciples. Over the loaf, which his heart resembled to, there was a green mould. Moreover – the mould

was corrupted the loaf to such extent that deep holes might be seen in it. In the next moment, a worm appeared from one of the holes; it was moving in zigzag, so that a supreme loathing rose in my heart. In former visions, when Jesus had given me to write about the dogs and the leavings, I had seen the same molded bread with worms in it. This time, however, the view of this molded bread impressed me more than in the previous visions. I knew in myself that this was not my loathing and disgust. No!

This was the Lord's sensation, which He gave to me like my sensation.

In this moment, I saw that the disciples sat down around the Lord. All they were waiting for His sign as a beginning of the Passover. Then, all they began to eat from the table; however, Lord Jesus had not begun His Passover yet. What is more – He was excited in His Spirit and, looking at the disciple with the molded bread, He said:

“I tell you the truth; one of you will betray me... The Son of Man will go just as it is written about him. But woe to that man who betrays the Son of Man! It would be better for him if he had not been born...” (Matthew 26:21, 24)

His words really confused His disciples, but the disciple, whose heart was like molded bread, said:

“Surely not I, Rabbi?”

Lord, Who was still looking at Judas, took a piece of bread and dipped it in the dish. Then, He passed it to Judas, saying to him:

“What you are about to do, do quickly...”

After the words of Jesus, the worm that was peeping out of the molded bread, jumped over the piece of bread, which the disciple devoured. In the next moment, this worm swallowed the piece of bread and grew up, provoking the disciple to leave the Lord's presence...

The vision, which Jesus was giving to me, was very impressive. I knew well that the disciple, whose heart was like molded bread, was Judas himself, and the worm in his heart was Satan. In this very moment, the vision stopped and Lord Jesus was again near me, saying:

“Did you understand how the moment before My Passover was really looking like?”

"Yes, Jesus! I noticed that the hearts of all Your disciples were looking like unleavened breads, while the heart of Judas was like molded bread, and a worm was creeping in the middle of it..."

"And did you notice that Lord your God did not begin His Passover until Judas was in His meeting?"

"Yes, Lord! Your disciples were eating from the table and were waiting for You to announce Your Covenant. However, You did not begin with its announcing until Judas came out, after taking the piece of bread, dipped in the dish by You..."

"And do you know why I dipped the piece of bread, before giving to him?"

"No, Jesus! It is a secret for me! As the fact that the worm in the heart of Judas ate the piece of bread and grew up is a secret, too..."

"Well, then, have in mind that I did in such way, because the Word of My Father could not be broken. The written word that the Son of Man will be betrayed by the son of destruction, had to be fulfilled. If the Word of the Lord is the Bread from Heaven, then, a piece of this Bread came in Judas, too, so that he might do what he had been pointed for. That is why this piece of bread spiritually responds to that word, by which, the fates, allowed by My Father, remain inviolable. Since, Father has allowed Satan to come in Judas and to corrupt his heart. Therefore, the worm swallowed the piece of bread and grew up. On the other hand, notice that Judas received a piece of bread, but he did not receive any wine. Since, the wine responds to My blood, and the Son of Man had not shed His blood for the sin of the devil. The piece of bread, which I dipped in the dish and passed to Judas, spiritually responds to My prayer before Father, too. On this very supper, I told Him:

"While I was with them, I protected them and kept them safe by that name you gave me. None has been lost except the one doomed to destruction so that Scripture would be fulfilled..." (John 17:12)

Then, what do you think? If the Passover is a Feast of unleavened bread, will I agree such people, who have in their hearts the leaven of the Pharisees, to be eating from My Body and to be drinking from My

Blood? Is not the Passover just a meeting of Lord and His unleavened breads? Then, tell Me, Stefan:

Will I deign in any "Lord's supper" if the very leaders of the church fornicate with the world and bring the worldly yeast in the Temple?

Will I deign in pastors and churches, who have brought merchants with street-stalls, and teachers of the law with diplomas on My Holy place?

Will I deign in descendants of Achan and Korah?

Will I find to be pure breads those hearts, which the make-up of Jezebel sticks on?

Will not all these gather together for one other banquet that is not the Feast of unleavened bread, but a part of the noisy orgies of Babylon?

Then, see now the continuation of My vision to your heart. Since, it will be fateful and fatal for all people, who make compromises with the yeast of this world..."

After the words of Jesus, I received a vision again. This time, it was a spiritual look on the realities of today. Lord and I were standing over a great church meeting, gathered in a huge hall. Jesus took me closer in the vision itself, so that I might see how the leader of this church was proclaiming a Lord's Supper. I looked at the heart of this leader and I saw that it was just like the heart of Judas. It resembled to the same molded bread, which I had seen beforehand; this time, however, lots of worms were creeping in the middle of it. So, Lord told me:

"Look what is the worth of the compromise to take the Lord's sacrament from hands, doing wickedness..."

So, I looked at the leader and I noticed that he had a great self-confidence, even if he had put the effective mask of humbleness. He took the Lord's Sacrament in his hands and went amidst the believers in the hall. In this moment, all worms in his heart bristled up and rose, as if they were waiting for a signal to attack. In the moment, when the leader was carrying to the lips of any believer the piece of bread, together with this piece, one worm slipped there, too. Moreover – I saw how hearts, who were pure and uncorrupted, but who made the compromise to take the sacrament from a man with yeast, were

defiled and worms began to creep in them, too. Then, I understood what the tragedy was...

The tragedy was that the men, taking a part in the spectacle, called "Lord's supper", had their dinner without the Lord. However, every place, where Lord is lacking, is attractive for the devil. So, these worms, which were jumping in the hearts of the men, were retribution from my Father over all those, who did not love Jesus sincerely, but who lived with compromises.

When the leader passed with the bread, it came the turn of the wine. Then, my eyes hardly succeeded in looking at the abomination, revealed in the vision. Since, demons from sub celestial places came flying into the hall; they began to urinate into the cup, even if the men could not notice that. After that, the leader was taking the cup close to their lips, quietly saying:

"Drink from the blood of Jesus!"

Drinking from the abominable cup, the victims were replying:

"I drink from the blood of Jesus!"

As to their leader, he was sealing their confession with one short:

"Amen!"

I could not endure more this view; that is why I fell in the Lord's feet and cried:

"I ask You, Jesus! I could not endure this vision more. It is unbearable..."

With a firm voice, Jesus said:

"Could not you really endure it? Well, how do these people here endure it, then? How do they fill their hearts with worms and defile themselves with demonic abomination? No matter whether you can endure it or not, this vision is appearance of My Word. Since, this Babylon, who devours the churches today, is the same this prostitute from "The Revelation", who I order to be written about:

"For, all the nations have drunk the maddening wine of her adulteries. The kings of the earth committed adultery with her, and the merchants of the earth grew rich from her excessive luxuries..."

(Revelation 18:3)

Then, should My people stay in the meetings of the prostitute to drink the wine of her fornication? Should they eat bread, kneaded in the mould of hypocrisy and deceit?"

"No, my Lord! Not it be! In the verse about this prostitute from "The Revelation", Father calls His people, saying:

"Come out of her, my people, so that you will not share in her sins, so that you will not receive any of her plagues; for her sins are piled up to heaven, and God has remembered her crimes..."(Revelation 18:4-5)

Jesus looked at me. There was a pain in His eyes and they were tear-filled. Then, He touched my heart with hand, saying:

"Here, Stefan! Today, the whole Heaven calls and appeals to all God's saints:

"Come out of the meeting, in which the yeast of the world, the commerce of the world, the business of the world, the diplomas of the world, the politics of the world have taken a place! Come out of the meetings, in which the wine of the Lord has replaced by the wine of Babylon! Do not take a part in the sins of those, who are drinking the cup of demons and are eating the table of demons!

However, many My people do not obey Me. Lots of My people have become hard in listening and strange in understanding. Lots of My people have become slaves to men, imposed by other men, who have imposed others before them. Lots of My people have not understood that it is not possible for them to take a part in a Lord's Supper unless Lord points them and tells them the words He told His disciples:

"You are already clean because of the word I have spoken to you..." (John 15:3)

Since, by these words namely I testified that My Passover would really be a Feast of unleavened bread; a Feast of the hearts, who give freely, while the others do their business; a Feast of the hearts, who think about the things above, while the others think about the things below. This Feast I am going to reveal you in the next vision.

Finally, I tell all people, who listen to My Voice:

Test yourselves whether you are worthy for the Holiness of My Father! Since, My flesh, which I gave for the salvation of the world, stands in front of That One, Who is sitting on the Throne. And My blood, which I shed for the forgiveness of sins, is in His feet.

THIS FLESH AND THIS BLOOD OF MINE BECOME A PART OF YOU, WHEN, LIKE UNLEAVENED BREADS, YOU GATHER TOGETHER IN MY PASSOVER! THIS BLOOD AND THIS FLESH OF MINE BECOME ACCUSERS AGAINST YOU, WHEN, IN UNWORTHY BEHAVIOUR, YOU PROFANED THE HOLINESS OF MY FATHER!

Here, I am near the hearts of all people, who weep and consider themselves unworthy for My Passover!

Here, I feel a loathing and disgust for the hearts of all people, who are exalted and consider themselves to be worthy for My Passover! Since, My Passover is Holy and there is nothing from this world in it! It is in vain for you to stay with the yeast of the world and to take in the same time the Lord's Passover. It is in vain to believe that if you take the Passover from a man, full with the yeast of this world, this Passover will be of any use to you. Since, "a little yeast works through the whole batch of dough." What if leaders of churches have bowed before Mammon and count the devil's spoils with dirty hands? Then, after all this, you decide to take My Sacrament from such hands... Such "sacrament" will never rise before the Throne of My Father! Since, it has already turned into a table of demons and a cup of demons. The world will never rise in Heaven, neither will Heaven ever subdue to the world..."

After the last words of my Lord, I understood that the worms and the mould would really turn to be the most insidious poison for the vainglorious men. They will always call the mould – doctrine, and the creeping of the worms they will see like a breath by the Holy Spirit. Therefore, with tears in my eyes, I pray the Heavenly Father:

"My Father! Keep and protect the hearts, who will read this book! Give them that faith, by which they will find the full confirmation that they can prepare and take the Lord's Sacrament by themselves, when they see the yeast of the Pharisees triumphs from the pulpits. Give them, Father, not to be afraid of the wicked servants of Babylon, but to be unleavened breads, full with sincerity and Truth! Amen and Amen!"

2. THE FEAST OF UNLEAVENED BREAD

I would like for you to know, my dear brother that there are not empty words in the Bible. Each word in the Holy Scripture is a key, which explains exactly determined spiritual truths, even if not many are given to use these truths. I am fully convinced that, by the moment you read this book, you have never visited a Lord's Supper with the thought and conviction that you are called to take a part in a Feast. Since, the feasts in the human life have always been preferred to the feasts in the God's Life. For example, all we would call "feast" the New Year, or our own birthday, or any other day. However, we would hardly pay attention to the feasts of the God. In this relation, the Lord's Supper is not simply any feast, but the Feast of unleavened bread.

I know that nothing else delights and satisfies the God so as the Passover does that. Since, this is the time, when God gathers His Holy breads on a Holy place. If you go back to the book "Exodus", you will surely read in its twelve chapter that Lord commanded the Passover with a definite spiritual aim – the aim to be kept and protected all God's children, while God was repaying in His anger over Egypt. What is more – Lord demanded to be separated His nation from whatever Egyptian wickedness. That is why He said:

"Eat nothing made with yeast. Wherever you live, you must eat unleavened bread..." (Exodus 12:20)

Do you see, my dear brother that the act of Passover is not any food diet or other kind of restriction?

This is an entry in Covenant relationship with the God.

This is the separation from the spirit of Egypt and abiding in the Spirit of God.

Once, all those Israelites took the Lord's Passover and so their life was kept. The same happens now. Now, Lord Jesus demands from you to enter Covenant relationship with Him, so that you might be separated from the spirit of the world and to abide in the Spirit of God. And the separation happens, when you begin to fulfill the God's commandment not to eat anything made with yeast, i.e. when you stop accepting in your spirit and heart the word of the world, the example of the world, the schemes of the world, as well as all temptations, which would provoke you heart to sin.

Up to now, I still admire the pure faith and fiery jealousy, by which the first followers of Lord Jesus surmounted the world and his passions. They became alien for the world. They became the scum of the earth. They were persecuted and spitted, despised and cursed. However, Lord was with them. The Bread from Heaven, Who confirmed their hearts as unleavened breads - He was with them.

And you, are you unleavened bread, my brother? Do not be startled that I am asking you such a question, because Lord asked it to me first. Moreover Jesus asked me with such tone of His voice that I understood that only the affirmative answer to His question made me be worthy for His Passover. As to the faith itself that we are Lord's breads, it opens such doors for wisdom and knowledge that all we should come through them. Therefore, let me tell you how Lord made me take a part in the Feast of unleavened bread.

Here are the words He told me:

"Stefan, I want to see you like unleavened bread. Are you ready to give your heart to Me? Are you ready to leave yourself in the hand of your Lord?"

"Yes, Jesus! I leave myself!" – I replied. Then, a vision appeared in front of my eyes. In this vision, my Lord Jesus was standing before the Throne of God Father, Who was burning in unbearable flame. I was sure that I was standing before His Throne only according to the Will of My Father. Then, my Lord set out for the Throne and literally hid Himself in the fiery flames. After a little while, He went out of the fire. In His hands, He was holding a large baking dish, golden and huge. It was full with flour. With His hands, He scooped up from the flour, and spilled it into my heart. In the next moment, I felt myself strangely, even if the whole Bible was enlivened in my mind. Thousands of verses were racing in me and each one of them was pulling my heart; however, I could not catch it and make it useful for me. Then, I asked Jesus:

"Lord! What do You do with me? What is this flour from the Throne of Father, by which You gifted me? And, why was my mind filled with verses from the Holy Scripture if I could not hold them back and use them?"

Smiling, Jesus told me:

“You want to be unleavened bread, don’t you? And you left yourself in My hand, so that I might confirm you. What else does one baker need for making bread, except for flour? Of course, there is something more. Therefore, I am going to add it now, too...”

After His words, Lord approached again the Throne of Father and the fiery flames hid Him either. After that, He appeared, this time with a gold cup in His hands. So, Jesus came close to me and poured out the gold cup in my heart.

In the next moment, I felt a great beatitude and fullness. Deeply in myself, I knew that the water from the gold cup was the Holy Spirit of Father Himself. He entered me and immediately touched the flour in my heart, so that I felt a great change. Now, the biblical verses were no longer hard to catch. Contrariwise – I could touch them, and they were uploaded with the God’s Wisdom and with the longing of the Spirit to seek the God’s depths. I tried to open my mouth in order to exclaim, but Jesus raised His hand and told me:

“I know what you experience, since it does not occur for a first time to you. However, I do not give this vision for you, but for My brothers and sisters. Since, you are bread, baked by Me; but I also have other brothers and sisters, in whose hearts there is still flour and dough, but no Bread. Therefore, think now that, if water and flour were mixed in the vision to form dough, something more is necessary, so that the Bread might be born...”

After His last words, Lord raised His hand and pointed at the flaming fire before the Throne, saying to me:

“Here is the Fire, Who turns you into unleavened breads. Here is the Fire, which I want for you to come in. Go to It...”

I obeyed the Lord and I set off that direction. In the next moment, intense heat pushed me, yet before having made even two steps to the Fire. Something inside me opposed my will and did not want to let me. Something in me did not want me go to the Fire. Then, I fell in Jesus’ knees and I asked Him:

“Lord, I can not recognize myself! Why can not I set out to the Fire?”

Jesus silently replied:

“Many people can not set off, because they do not want to die for the world, which I save them from. Although there are both flour and

waters from My Spirit in them, they remain dough, in which all kinds of yeast might fall. The only way for you to keep yourselves pure, is to step to the Fire and to enter it.

SINCE, DOUGH CAN ONLY ENTER THE GOD'S FIRE, BUT THE YEAST CANNOT! THE HOLY SCRIPTURE AND THE WATERS OF THE HOLY SPIRIT CAN ONLY ENTER THE FIRE OF MY FATHER, BUT THE LOVE IN THIS WORLD CAN NOT!

My Apostle John wrote once for all of you:

"If anyone loves the world, the love of the Father is not in him..."

(1 John 2:15)

Do you understand now why many do not want to enter the Fire? Then, these very people visit the Lord's Passover with the self-confidence of unleavened breads and look for taking the Lord's sacrament! However, let them pass through My Fire first, and after that, they might take a part in My Passover. Here, I give you Power, since you trust in Me. Now, set off to the Fire..."

After the last words of Jesus, I started going to the Fire and, a moment later, I felt as if I was on a stake. The fiery tongues were creeping inside me and began to touch the dough, which Lord was kneaded. So, it turned into Bread soon. The most astonishing fact was that this Bread was no only baked; It was warm, because It had kept the Fire in Itself. Then, Lord, Who had also entered the Fire, embraced me and said:

"Tell My people that they should pass from here if they want to come in the Feast of unleavened bread. Tell them also that everybody, who has passed the test of the Fire once, he will never give up and receive the leaven of this world. Since, the leaven can affect on the dough; however, it can not change the Bread.

Now, let Me show you My breads, which I Myself confirmed on the earth..."

After His last words, Lord took me with Himself and we both started going along the gold streets of Heavenly Jerusalem. So, we came into one big crystal building, from which there was streaming Light. Just entered the big doors, which Jesus opened, I felt myself as if I were raised on eagle winds. Imagine, my brother that unearthly power raises you upwards, even if you stand firmly

on your feet. You stand and step firmly, despite your heart rises and rises. So I felt, too. Jesus would tell me later that this "raising" had really been "coming" into the Heart of Father. Inside, from behind the walls of the light building, waves of Heavenly praise and worship came to my spirit. Then, my eyes noticed the apostles of Christ. They had raised their hands and were praising the Heavenly Father. What is more – their very hearts were unleavened breads, which let out fragrant-smelling steam. I had not any more real and splendid confirmation of this vision than the verses of the message, which declare:

"But you have come to Mount Zion, to the heavenly Jerusalem, the city of the living God. You have come to thousands upon thousands of angels in joyful assembly, to the church of the firstborn, whose names are written in heaven. You have come to God, the judge of all men, to the spirits of righteous men made perfect, to Jesus the mediator of a new covenant, and to the sprinkled blood that speaks a better word than the blood of Abel..." (Hebrews 12:22-24)

My heart was still overflowing with the Heavenly Blessing and triumph, when Jesus looked at me and told me:

"Look attentively at My apostles! Look at their praise and worship! Since, they are namely the consecrated breads, presenting on the God's Holy Table. If you want to be more confident, then, know that such is the Feast of unleavened bread! Here such is the Passover and the Lord's Supper! I, Lord your God stretch My pierced hands now upon all hearts, which love Me, in order to tell them that I am, Who give the Lord's Supper and confirm the consecrated breads of My Covenant. I am, Who do My Holy deed on My Holy Mount; so, blessed are those, who abide in Me. I am That One, Who repeats the words of Solomon now, as a Holy service before My Father. These words declare:

"Now I am about to build a temple for the Name of the LORD my God and to dedicate it to him for burning fragrant incense before him, for setting out the consecrated bread regularly, and for making burnt offerings every morning and evening and on Sabbaths and New Moons and at the appointed feasts of the LORD our God. This is a lasting ordinance for Israel. "The temple I am going to build will be great, because our God is greater than all other gods..." (2 Chronicles 2:4-5)

Do My brothers and sisters want to serve such a great God, or to be slaves to the god of the fleshly lust and passion? Which God do you want to worship: the God of sincerity and Truth, or the god of religious hypocrisy and human servility? What breads do you want to be: earth breads, covered with mould and worms, or heavenly breads, full with sincerity and truth? Do you understand, My boy, what destructive deceit the evil one has inserted in My Temple? Do My people understand that if they do not repent and humble themselves in time, they will never reach the Mount Zion and the Holiness of My Father? Do My people understand that unless they pass through the Fire of My Father, in order to become unleavened breads, they might fall amidst the alien fire of the sons of Aaron?"

"And how should they understand that, my Lord? How might they repent? How might they purify their hearts from all false teaching of the devil? If I give them this book, will not it hit just the high strongholds, which the lie has built in them? Will I be able to hit them with the Sword of the Prophetic Spirit? And, will not they turn back in this way?"

Listening to my question, Lord said:

"The Lord's Passover is the most personal experience for the hearts of My people. In this relation, the Sword of the Prophetic Spirit would open wounds in these hearts rather than recovering them. However, there is one more excellent remedy that purifies the hearts. It is also a part of My Passover even if most people have forgotten it long since. That is why let Me lead you to the wall, where the Lord's Hyssop is growing. Once, in the time of the first Passover, My Father commanded sprinkling with Hyssop. On My Passover, I command the same, too. Since, only hearts, sprinkled with this Hyssop, are pure and worthy for Me..."

After the last words of Jesus, the vision with the Feast of unleavened breads stopped and the Holy Spirit rushed in my heart with Power, so that I might be prepared for the deep visions, which Lord let me in.

I pray the Lord, so that no the letters, but the Spirit of this Word might enter you; so that you might be one of His breads on His Holy table!

Amen and Amen!

3. THE DROPS OF THE LORD'S HYSSOP

My brother! Are you ready to leave all human doctrines and to follow Lord Jesus and His Holy teaching? Are you ready to pass through each earth humiliation in the name of the God's Holiness and pureness? Do you know that if Lord talks about the increasing of wickedness, it is because the men not only commit sins?

MOREOVER – THEY HEAP SIN UPON SIN!

Among the plenty of sins, which people commit, there is one sin that takes the first place, concerning the degree of spiritual destruction. This is the sin against the flesh and blood of Jesus. This is the sin to take a part in a demonic supper, considering it to be Lord's Table. This is the sin to drink the demonic cup, thinking it to be the Lord's one.

Once, there was a generation in Israel, born by the ancient serpent. This generation was given the Law and this Law was being read in its synagogues. However, this generation was lacking in the Spirit. Since, it is not possible for both the Spirit of God and the spirit of devil to stand together on the same place. So, this generation, lacking in the Spirit, did not recognize the Sacrificial Lamb, neither did it recognize the Sacrificial Bread. This generation was telling both the Lamb and the Bread:

"...We are not illegitimate children...The only Father we have is God himself..." (John 8:41)

Do you see their problem, my brother? Do you see how illegitimate people dare to abuse and call the Lord illegitimate man, born of fornication? Do you know how long these fornicators have come and taken a part in the Feast of Passover? Do you know how long the eyes of Father have had to be looking at the abominable human rituals, lacking even in a drop of the Spirit? Since, as to the Law, they would say:

"Here, Lord! We serve to You! We go and take a part in the Passover every year. We always keep doing everything that is written..."

Then, why did they dare to call the God's Son "one, born of fornication"? Did not they do that, because the devil was peeping out of their hearts? How many of these servants were jealous for the God, for the True God? And how many people are jealous for the God today?

I do not want at all to play judge or executor. However, when the hearts are defiled with religion and all kinds of base and fleshly readings of the Holy Scripture, then, all we should fall on our eyes and weep, so that God might be merciful to us. Since, the day of His greatest Mercy is now. Unless the Shepherd cared for His flock, all His sheep would be torn into pieces by the beasts. However, He not only looks after the sheep, but He also stretches out His hand to raise every believing heart up: there, where there is no trace of the yeast of Pharisees, theologians and careerists; there, where the blood of Jesus is really Christ's blood, and His flesh – His Body. Now, let me reveal you the next vision, which Lord gave to me. Since, He came again to me and told me:

“Have Mercy on the sinful men! Mercy, greater than always; Mercy that will turn your heart into a heart of intercessor; Mercy, by which you will beg My Father for Clemency and He will pour out His Word in order to save through His servant what is about to perishing. Since, there is one place, where you have not been yet, and I must lead you there. This place is the wall...”

After His last words, Lord stretched His hand out and touched my heart. Then, a wall appeared in front of my eyes, which upper part cut into Sky. It was a strong wall, made of one and only stone. This fact suggested that it was not anything made by human hands. Nobody could break down or go round this wall.

IT WAS CREATED TO SEPARATE!

Then, Jesus told me:

“Look carefully the two sides of this wall, because I am going to show them to you now. Then, write on a paper and tell your brothers everything you have seen...”

In the next moment, Lord began to shine like the Sun. He stretched out His hand to the space in front of the wall. Then, I saw hundreds and thousands suffering people, creeping at the foundation of the wall, so as the worms creep in the earth. These men were wailing and crying; however, they could not see any way out of their situation. Most of them had bleeding hearts and crushed feet. They could not walk; so, they could only writhe and twist to the right and

to the left. The picture was staggering, as if I was presenting on any large-scale cataclysm, on any mass tragedy, affected all people. Then, Lord told me:

“Remember well what you saw. Since, I am going to raise you now and we will pass beyond the wall...”

After His words, Jesus raised me and we both flied up, there, where the height of the wall came to its end. And the end of the wall came in the light areas of Father. So, we passed beyond the wall, on its other side, and we climbed down again. I saw people again; however, they were cheerful and smiling this way. Every one of them was wearing white clothes, and sweet fragrance and solemn hymns were floating in the air. The picture was radically different. The happy and enlightened men were on the one side of the wall, and those, who were suffering and crushed – on its other side. I was shocked and shaken by the thought that this high wall separated two extremes of the human being. So, I asked the Lord:

“Jesus, why do You show me all this? What common does it have with the Hyssop, which You told me You would talk to me about?”

Lord replied:

“First of all, you had to ask Me what this wall was like. Since, this is the wall of the God’s Holiness. It separates the Lord’s Holiness from the sin of the world. So, neither sin can enter the Holiness, nor Holiness can enter the sin. That is why the men, who live the life of the sin, are on its former side, but the men, who live the God’s Life – on the latter side of it...”

The words of Jesus surprised me. Therefore, I asked Him:

“Lord, how can the men from the side of the sin come here? Since, The Will of Father is hardly to hold them isolated from this place of beatitude and fullness...”

Jesus smiled to my question and said:

“Here, we already entered the essence of the things I would like to give you. Therefore, let us go closer to the wall, so that you might see what signs My Father has put on it...”

After His words, my Saviour took me near the wall. Then, I noticed that it was cut by lots of plants. The impression with the view was the same as you

had probably had, when you had looked at some plants, creeping on the walls of many buildings. Jesus pointed at one of the thousands plants and said:

“Here this is the Hyssop, which grows on the wall. Come closer and you will see it...”

I went closer and then I noticed that hundreds of Heavenly droplets were brilliantly shining on the leaves of this plant. As if these droplets were pearls, full with Life from the God’s Life. Then, Jesus ordered me:

“Take these droplets in your hand and drink them! Since, My Father has called you to do so...”

I stretched my hand out, caught one of the leaves of the Hyssop and bent it down to my palm, so that the drops rolled down in it. Then, I took the palm close to my mouth and I drank the drops. My tongue tingled and my throat flared up. Then, mighty Power rose and possessed me with one burning desire. It was coming out of the depths of my heart, somewhere deeper than whenever. I could not give up this desire. It captivated all my thoughts, bound them and became my only longing. Then, I call to Jesus with the whole power of my heart:

“Lord, I do not want to stay on this side of the wall. Send me beyond! I pray You with all my heart! Do not deprive me the only delight – to go to the men, suffering with the sin and smashed by the devil...”

Jesus looked at me and told me:

“If you long for that so much, then – go!”

The words of the Lord astonished me, because I did not understand them in the first moment. I looked at the high wall and then – again at my Lord. I was wondered but He behaved as if He did not notice me. In the same time, the desire in me became so powerful and the longing – so irrepressible that I went close to the wall and began to hit against it with my hands, trying to breach it. For my greatest astonishment, the wall even if gave in to my blows, because a hole appeared in it. The more my blows were, the bigger this hole was getting, too. A moment later, I had already succeeded in going beyond the wall. For an instant, I decided that Lord would scold me for my impulsive behaviour and would pull me back. However, He did not do that. He was smiling and His eyes were full with joy. He told me:

“Do you see what the Mercy of Father might do with your heart? Do you see that everybody, who drinks from the Hyssop, growing on the wall, becomes a servant of the Lord’s Mercy? Such man will never be afraid of the sin, but he will be fighting against it with the most perfect Power of the God – the Power of the Hyssop. This is the reason for you to understand that your place is not from this side of the wall; so you began to blow against it. However, these blows were not yours; these were the blows of the Lord’s Mercy. Now, take from the leaves of the Hyssop and begin to sprinkle with the pearl drops these souls, tormented by the sin and the devil...”

My heart began to beat more than whenever. In the next moment, I had already filled my arms with Hyssop. I passed through the hole, made in the wall, and I climbed down to the tormented and sinful men, throwing upon them the blessing leaves together with the droplets on them. At every touch of the brilliant drops, the wounds disappeared and the feet recovered. Triumph came around me. The healed and enlightened men were praising the God; with easiness, they went through the hole on the wall in order to enter the God’s realm. Lord looked at me with the happiest eyes I had ever seen. Then, He told me:

“Go to My people and tell them that I am laying the whole life-saving power of the Hyssop in this book. Let the sinful men kneel before My Face! Let the tormented by the devil fall in front of My feet! Let them confess before My Father the clear words of the David’s prayer:

“Surely I was sinful at birth, sinful from the time my mother conceived me. Surely you desire truth in the inner parts; you teach me wisdom in the inmost place. Cleanse me with hyssop, and I will be clean; wash me, and I will be whiter than snow. Let me hear joy and gladness; let the bones you have crushed rejoice. Hide your face from my sins and blot out all my iniquity. Create in me a pure heart, O God, and renew a steadfast spirit within me. Do not cast me from your presence or take your Holy Spirit from me. Restore to me the joy of your salvation and grant me a willing spirit, to sustain me. Then I will teach transgressors your ways, and sinners will turn back to you...”

(Psalms 51:5-13)

And I will surely answer. Since, the Hyssop is a part of My Passover, part of My Covenant, which I made with you. This Hyssop makes you sincere and true. Since, without sincerity and truth, nobody could rise on the Lord's Passover. Those, who have not been purified with the Hyssop yet, they should remember the words of My Apostle Paul, by which he showed who were worthy to take a part in My Passover:

"Get rid of the old yeast that you may be a new batch without yeast – as you really are. For Christ, our Passover lamb has been sacrificed. Therefore let us keep the Festival, not with the old yeast, the yeast of malice and wickedness, but with bread without yeast, the bread of sincerity and truth..." (1 Corinthians 5:7-8)

Do you see how Paul talks about sincerity and Truth? Do you see what David says in his prayer, too?

"Surely you desire truth in the inner parts; you teach me wisdom in the inmost place. Cleanse me with hyssop, and I will be clean; wash me, and I will be whiter than snow..."

Do you also see that I told My people?

"You are already clean because of the word I have spoken to you..." (John 15:3)

Why did My people get clean? Was not it because I sprinkled them with the Lord's Hyssop? Is not this the reason for me to call all people to appear the Father's Mercy now? And if the former generations have not had the Wisdom of Solomon, who...

"...described plant life, from the cedar of Lebanon to the hyssop that grows out of walls..." (1 Kings 4:33)

...then, I tell you, with this book, One, Who is greater than Solomon is here before you. The humble men will surely stretch their hands out, so that I might fill them with the drops of the God's Mercy. Since, this is the Mercy, which makes the Hyssop grow out of the wall. This is the Mercy, which commanded Moses to tell all participants in the Passover:

"Go at once and select the animals for your families and slaughter the Passover lamb. Take a bunch of hyssop, dip it into the blood in the basin and put some of the blood on the top and on both sides of the

doorframe. Not one of you shall go out the door of his house until morning. When the LORD goes through the land to strike down the Egyptians, he will see the blood on the top and sides of the doorframe and will pass over that doorway, and he will not permit the destroyer to enter your houses and strike you down. "Obey these instructions as a lasting ordinance for you and your descendants..." (Exodus 12:21-24)

As to the perfect fulfillment of My Passover, now, I am going to give My servant see what you are obliged to do, when you take the God's Holy Sacrament. Now, I will show him the top and both sides of the doorframe..."

After His last words, my Lord raised His hand and a vision, as if wrapped in a cloud, appeared in front of my eyes.

Lord and I were standing over the ancient Egypt – just in the moment, when the Lord's passing over was forthcoming. Then, I saw one Jewish house and an Israelite, who was about to do everything, ordered him by Prophet Moses. This Israelite had a bunch of Hyssop in his hand; he bent down over a basin, in which there was blood of a slaughtered lamb. In the next moment, the bunch of Hyssop became bloody, and the Israelite lifted his hand up and marked the top of his doorframe with the blood. In that moment, Jesus touched my head and asked me:

"Do you notice that this Israelite dipped the bunch of Hyssop into blood and marked the top of his doorframe?"

"Yes, Lord! This vision is so effective and living that I could notice these things..."

"Then, see the other development of this vision! Since, you will understand in this way what the present vainglorious churches are doing..."

I looked again at the Israelite. This time, he dipped again the bunch of Hyssop into the basin with the blood. However, in difference to the first time, this way the Israelite did not mark the top, but...the bottom of his doorframe. I had hardly seen that, when Lord began to talk to me, saying:

"Do you know who those, who mark the bottom of their doorframe with the blood of the Lamb are?"

"No, Lord! I could not understand this yet." – I replied. Jesus added:

“Now, you are to understand. Look carefully...”

So, I was looking again at this Israelite, who had marked the bottom of his doorframe. Then, I saw how different men began coming in and going out of his house. They were only going in and out, so that I could not understand what I should examine. But Lord told me again:

“Come here! Now, we are both to see what has happened with the bottom of the doorframe. Since, it was sprinkled with the blood of the Lamb...”

So, we went nearer and I saw that the mark of the blood had been erased, because many people had stepped over it and every one of them had been trampling the Blood of Covenant with his shoes. That is why there was no blood, but only one dirty spot, covered with dust and mud. Then, Lord told me:

“Do you understand now that the Power of the Lord’s Hyssop is real only then, when the top of the doorframe is marked? Since, this top is laid upon two pillars, which are the two sides of the doorframe. These pillars are Truth and Love. As to the house itself, it responds to the state of many hearts, which have perverted the Lord’s teaching.

Since, the top of the doorframe responds to the self-denial and to the life in heavenly places.

On the other hand, the bottom of the doorframe responds to the egoism and to the life of sin in the world.

Such human egoism turns back to the two pillars of the Covenant. Such egoism deceitfully calms itself that it may always live the life of sin and impurity, provided that Lord would cover it with the Blood of the Lamb. However, I have never shed My blood in order to immortalize the sin. I have never commanded My people to abide on the bottom of doorframe. I give you the Hyssop of the Lord, so that everybody, who tastes from the God’s Mercy, might repent and humble himself. Was not this the reason for Me to come on the earth? Did not I confirm the pillars of Faith, when I showed you the Life of Truth and Love? Was not I That One, Who told the sinful men:

“You are from below; I am from above. You are of this world; I am not of this world. I told you that you would die in your sins; if you do not believe that I am, you will indeed die in your sins...” (John 8:23-24)

Therefore, Lord your God turns now to all men, who have begun to mark the bottom of their doorframes, and I tell them:

You are from below, because you live in the sin and the world!

I am from above!

Those, who live below, will surely go to the bottom of hell, ruled by the prince of darkness!

And those, who live above, will always abide in Me! I will protect them in the time of the Lord's passing and repayment over this world! Therefore, let your hearts turn back to the sin and do not think to say:

"We shall commit sin by our own will, since we marked the bottom of our doorframes. We will keep being in love with the spirit of Egypt, since we believe that the Lord's anger will bypass us..."

REMEMBER THAT MY BLOOD HAS POWER TO SAVE ONLY WHEN YOU FULFILL THE WORD OF MY FATHER AND MARK WITH IT THE TOP OF THE DOORFRAMES IN YOUR HEART!

Whoever did not obey and fulfill these words of Mine, he has no share with Me forever. And whoever repents and understands that the Hyssop of the Lord's Mercy is intended to lead him to repentance, he will also realize that he has taken a part in the Lord's Passover. Such man will deny yourself; he will rise his cross, will surely follow Me and My blood will remain alive upon the top of the doorframe in his heart.

Now, Stefan, let Me show you the last thing, which I did with My disciples, when they rose in the Feast of unleavened bread..."

After these words of Jesus, the vision with the house stopped. The Holy Spirit filled my heart, so that I might comprehend and realize that the Lord's Passover was impossible without the Hyssop of the Lord. Since, the Passover is a Feast of unleavened bread; and the only thing, by which Lord purifies every one of us, is the bunch with the Lord's Hyssop. I want to believe that you will surely purify your heart and that the blood of the Lamb – Holy, Pure and undefiled by the spirit of the world, will be visible on the top of your spiritual home. Amen and Amen!

4. THE SACRIFICE OF MARY MAGDALENE

My brother! My dear friend! Do you know that there is something, which lots of us have lost? Moreover – they have not only lost it, but they will never find it. This is the pain of the God's Heart. This is to bear in your heart the God's Grief and your eyes to weep with the God's Lament.

When I saw in the vision with the house that the blood of my Lord was sprinkled on the bottom of the doorframe, I felt a sharp pain. My heart bled in me as if it was pressed by the jaws of a vice. I did not want to believe what Lord was showing me. I did not want to accept that most people considered the blood of the Covenant to be shed in vain. I could not agree that the precious blood of Jesus that stands before the Throne of Father and that has power to redeem all generations of people, has become something, trampled by dirty feet. However, the vision by Jesus was like this. You have no need to be extremely wise, in order to understand that this vision is true. Since, the bottom of each doorframe is surely trampled by the feet of the men. That is why I asked my Lord again:

"Lord, why does my heart bleed so much? And why is Your blood trampled by dirty feet now?"

Jesus replied:

"Few people fulfill My Covenant in Spirit, and many turned It into religion. On My Passover, I did something as Holy and pure as obscene and foul the human traditions and rituals made it. It is not strange that your heart bleeds, since Father has laid in you His Spirit. When He is grieved, His servants grieve too..."

"And what did You do, Lord?" – I asked. Then, Jesus told me:

"I washed the feet of My disciples and I taught them doing the same toward their brothers and sisters in the Lord. All too soon after My example, other example came. It can not but coming. Since, most people decided that it was suitable for them to turn the Lord's Passover in an ordinary bath, in which very ordinary bath attendants were working..."

"And why, my Lord, the men turned from servants in the Spirit and Power of the God into bath attendants? Why was Your Holy example turned into a ritual, which many people delightfully called "feet-washing"?"

Jesus looked at me and smiled. Since, He was That One, Who had given me zeal during the years, so that I might separate myself from the human traditions. Then, Lord kept talking to me:

"Do you see, Stefan? Most of you have forgotten that the Passover belongs to the Lord and It is not theirs. As to the washing of feet, every one could do that in his own home and bath. But when you try to follow the Lord your God, then you will comprehend the Perfect example I rested for all of you. See, however, how Peter reacted to My example! What words did he tell Me?"

"Jesus! In the beginning, he did not agree You to wash his feet; he opposed to You, saying:

"No... you shall never wash my feet..." (John 13:8)

Then, You told him:

"You do not realize now what I am doing, but later you will understand..."

and...

"Unless I wash you, you have no part with me..." (John 13:7, 8)

"Then, what do you think? If I obliged My people to keep My example in flesh, would not I tell Peter that he knew well what I was doing? However, I did not tell him that he knew well what I was doing. Just at the contrary – I told him that later he would understand. Well, look again how Peter reacted. What words did he tell Me after that?"

"Lord! He submitted to You to such extent that he decided in one moment that the washing of feet was not enough. So, he told You:

**"Then, Lord...not just my feet but my hands and my head as well!"
(John 13:9)**

Then, what words did I tell him in reply? Did not I appear to him the heavenly truth that:

"A person who has had a bath needs only to wash his feet; his whole body is clean..."

And did not I add to My words:

“And you are clean, though not every one of you...” (John 13:10)

Did not I mean in that moment that there was one with dirty feet among the apostles and he was Judas? Then, how do some men take up washing their fleshly feet, when their spiritual feet follow the ways of the sin and deceit? How do they dare to turn My words from Spirit and Life into flesh and death?”

“Lord, I can not explain to me why they are doing that. May be, they do not understand that washing each other our feet means for us to fulfill the perfect advice of Your Apostle James. Since, he wrote in his message:

“My brothers, if one of you should wander from the truth and someone should bring him back, remember this: Whoever turns a sinner from the error of his way will save him from death and cover over a multitude of sins...” (James 5:19-20)

And when we turn the sinners from the errors of their ways to the Way of Truth, then we surely fulfill Your Covenant...”

“And those, who are fleshly and hurry to wash each other their feet, how should they fulfill It? If they would really boast in their zeal that they fulfill My words in the most right way, then, let them fulfill these words to the end. Since, I also said:

“A person who has had a bath needs only to wash his feet; his whole body is clean...” (John 13:10)

As to those, who have decided in their hearts that they are pleased to My Father, let them never more wash anything else but their feet. How long will they be able to stand in this way? Will not lice creep on their heads because of the bodily uncleanliness, since they have accepted the Word in flesh and have decided to wash only their feet? If Peter submitted to Me once and received My Covenant in his heart, do you really think that he had not washed anything else but his feet to the end of his life? Did not I tell him that later he would understand what I had done? When I said “later”, I meant the moment, when the promised Holy Spirit would be poured into the hearts of My people. Since, who else would wash the feet of hesitant men? Who else would correct the way of the unsteady ones? Then, where are My servants, who should wash the feet of the sinful men with a demonstration of

Spirit and Truth? Why do not they want, neither could they follow in the steps of the Lord their God?"

"Jesus! There is a reason for many not to fulfill Your Word..."

"So it is, My boy! There is really a reason. And this reason might be expressed in one sentence:

NOBODY, WHO REFUSES TO FULFILL THE FATHER'S WILL, IS ABLE TO FULFILL THE WILL OF THE SON!

Since, the Will of Father stands before the Will of the Son. Yet before washing the Son your feet, Father anointed His feet. Now, look at the things I am going to show you in a vision. Only in this way, you will be able to comprehend the whole fullness of My Passover..."

After His words, Lord stretched His hand to my head and a vision emerged in front of my eyes. I could see a small house, in which my Lord had a supper together with other people. All of a sudden, a woman came near Jesus; she had an alabaster jar in her hands. She bent down over Jesus and began to pour the perfume that was in the jar on his feet. Then, she anointed the feet of Jesus and began to wipe them with her hair. The house filled with sweet fragrance. Then, like a spring of deep waters, the Voice of Father came to my heart. He told me:

"Do you see what Mary Magdalene did? Do you see how, touched and incited in her heart by Me, she anointed the feet of My Son? Do you see how the Pharisaic yeast rises in Judas and his heart is blind to see My sign? Do you see how he is very quickly thinking of selling My Holy oil, which I prepared for My Son? Could such man know that My she-messenger in Lazarus' home comes in order to do for the Lord the same He would later do for His disciples?"

"No, my Father! Judas had the yeast of the devil in his heart. He could not understand the sacrifice of Mary Magdalene..."

And the Voice of Father resounded again in my heart, saying:

"Likewise the descendants of Judas can not understand up to now why I send My servants. They can not understand that only that church, who anoints the feet of My Son, will be called righteous and Holy before My Throne. Since, to anoint the feet of My Son means to make straight paths for Him and to make ready a people prepared for

Him. Since, this precious perfume, by which Mary Magdalene anointed the feet of My Son, was the Holy oil of the Prophetic Spirit. My Son will not wash your feet unless you anoint His feet. This is My Will. And this Mary Magdalene responds to the Church, who the resurrected Christ will appear to. She will inherit both the Resurrection and Life..."

The words, which Father pronounced in my heart, were more than deep. Only now could I understand in fullness that sign of Father, made in home of Lazarus. Six days before the Passover, Lord had come just there. Moreover – the biblical verses clearly show that:

"Six days before the Passover, Jesus arrived at Bethany, where Lazarus lived, whom Jesus had raised from the dead. Here a dinner was given in Jesus' honor. Martha served, while Lazarus was among those reclining at the table with him..." (John 12:1-2)

In the next moment, the vision stopped and Jesus was again next to me, saying:

"Remember the words of My Father. Since, before having My Lord's Supper with My disciples, My Father had His Lord's Supper with Me. Blessed and holy are those, who He will use like Mary Magdalene now. Blessed and holy are those, who are full with the God's perfume of the Prophetic Spirit, in order to make straight the paths for the Lord.

Here, I am coming soon! My Word can not be broken. I will appear like Resurrection and Life, in order to recognize as My Bride that woman, who anointed My feet. However, to be entirely convinced that just Mary Magdalene responds to the woman, chosen by My Father to inherit the Resurrection, remember the words of My Apostle Paul. Since, I talked to him in a vision about the Lord's Passover and I ordered him to tell My words to all churches. What did Apostle Paul wrote, Stefan?"

"My Lord! He wrote in his "First message to the Corinthians" these words:

"For I received from the Lord what I also passed on to you: The Lord Jesus, on the night he was betrayed, took bread, and when he had given thanks, he broke it and said, "This is my body, which is for you; do this in remembrance of me." In the same way, after supper he

took the cup, saying, "This cup is the new covenant in my blood; do this, whenever you drink it, in remembrance of me." For whenever you eat this bread and drink this cup, you proclaim the Lord's death until he comes..." (1 Corinthians 11:23-26)

In the next moment, Jesus pronounced words, which were like blinding ray of Light. He asked me:

"Was not Mary Magdalene the first one, who proclaimed the death of the Lord? And did not I tell the possessed Judas, who was thinking of selling the perfume:

"Leave her alone...It was intended that she should save this perfume for the day of my burial..." (John 12:7)

Was not Mary Magdalene the first one, who waited for Me until I come? Was not she weeping over My tomb until I appeared her and she bowed before Me? However, how many of you are attentive in the signs of My Father? How many of you do understand that you are worthy to take a part in My Passover only with the example of Mary Magdalene? Since, if Father had Supper with the Son, and the Son had Supper with His disciples, how more pleased to My Father you will be if you anoint My body with the holy oil of the Prophetic Spirit!

Not everybody, who is presenting on a Lord's Supper, takes a part in It! Not everybody, who calls Me: "Lord, Lord!" will enter the Kingdom of Heaven, but only that one, who performs the Will of My Father!

And this Will demands you to be unleavened breads on My Passover now! This Will demands you to live far above! This Will demands you to recognize the Lord's Body and the Lord's blood, when you receive the Lord's Sacrament. Since, Sacrament means for you to be parts of Me, and I to be your Life! Sacrament means for you to receive the Passover as a divine Power, necessary for the Life and godliness; for the Life – because the Wine and Bread are Spirit and Life; for the godliness – because your bodies are sanctified through the wine and bread.

So, I tell you and holy words come out of My mouth:

I am Lord, and I prepare My Passover! Everyone, who loves Me and looks for Spirit from My Spirit and Life from My Life, he will let Me go into his heart and I Myself will prepare the Lord's Sacrament there!

I am Lord, and I wash the feet of My people. Everybody, who loves Me and looks for Spirit from My Spirit and Life from My Life, he will let Me go into his heart and I Myself will wash the feet of the sinful and hesitant men.

My Father is Lord, Who anoints My feet! Everybody, who loves Him and looks for the Holiness of His Face, will surely receive from Him an offering of Holy Oil in order to perform His Sovereign Will, revealed to His servants, the prophets!

Whoever blaspheme or tear, burn or deny My words in this deepest prophetic book, he will not drink from the wine of the Passover, but from the wine of the God's Wrath, prepared for all wicked people!

"Here I am! I stand at the door and knock. If anyone hears my voice and opens the door, I will come in and eat with him, and he with me..." (Revelation 3:20)

I pronounced it! I spoke it!"

PURE AND HOLY IN THE PASSOVER

Dear friend! After a little while, you will close the covers of this book. I do not worry that you will close them. I am glad that you have opened your heart for the splendid breath of Heaven.

It has really remained a little while. So little that we have time only to look at our hearts in the Bible. So little that we might only know what Love Father has for us. And, caught the light rays of this Love, we should go there, where He is in wait for us. I know that most people will not believe in the truth of this book. And this fact does not surprise me. Since, how many believed in the words of Mary Magdalene? How many accepted to be true her words that she had seen the Lord resurrected? Were not all people so busy to peer around themselves that they stopped listening to the Voice of Father in their hearts? Were not they ashamed, when Jesus scolded them for their hard-heartedness?

I entreat you to look around you, my brother! I want for you to see that, while most churches hurry to take their own part in this world, there is one Church, who is looking for His lot. She knows Him perfectly, because she has been anointing His feet and has taken a part in His Supper.

I believe that, with this book, the Heavenly Father will again anoint with perfume the feet of His Son and will make straight the paths for His return. Since, Lord wants us to be pure and Holy in the Passover – as pure and Holy as He Himself is. Then, the words of the prophet will really become fate of your heart and you will be found a participant in the God's promises:

“Never again will I give your grain as food for your enemies, and never again will foreigners drink the new wine for which you have toiled; but those who harvest it will eat it and praise the LORD, and those who gather the grapes will drink it in the courts of my sanctuary.”
Pass through, pass through the gates! Prepare the way for the people. Build up, build up the highway! Remove the stones. Raise a banner for the nations. The LORD has made proclamation to the ends of the earth: “Say to the Daughter of Zion, “See, your Savior comes! See, his reward is with him, and his recompense accompanies him.” They will be called the Holy People, the Redeemed of the LORD; and you will be called Sought After, the City No Longer Deserted...” (Isaiah 62:8-12)
