TO YOUR HEART

My dear friend!

The whole my being bless the Lord of the Powers, because the rich God's Mercy and Kindness allotted me the privilege to make you participant into the visions, given me by the Lord Jesus Christ. Therefore I ask you, before you begin to read this book, to pray the Holy Spirit to fill your heart with reverence and homage before the God and the Father of our Lord Jesus.

The time, when you live, is such that the human hearts mostly suffer in the sake of lack of miracle, because of the lack of the really acting and excellent Power of the God. Power that can raise highly the spirit of the man and to give him to pass through the states of bliss, joy and peace. States, that can not any makeshift in the world and that can't to be revealed anywhere, save before the throne of the Father. The Word says about our Father:

"You have made known to me the path of life; you will fill me with joy in your presence, with eternal pleasures at your right hand..."

(Psalm 16:11)

Do you know that in this confession of the psalm-singer there is a perfect hope?

Do you know, that God longs just about this - to appear you the Way of Life, to approach you to Himself Own and to envelop you with His Love?

This God's longing today is so powerful and real, that everyone, who opens his heart for the God's fullness, coming through the Prophetic Holy Spirit, he surely will pass through everything, through that have passed and that have felt in their hearts the people, pleasant to the God.

I know that the more approaches the end of the days, the more Lord Jesus will reveal us the shining Light of His Salvation.

It's true, that the world is poured out with baneful heresies and fury's doctrines.

It's true, that the malice, the fury and the spirit of negation and deceit will find more and more opened doors.

However, more true than everything is the fact that the God's faithful rest in this time will shine so stronger, as greater becomes the darkness. At all, I ask you to understand, that this last pouring out of the Holy Spirit has for aim

to prepare you for the Eternity. God wishes to give us the real and true look upon this Eternity, so that we don't be among the surprised men, who very soon will remain in the outside darkness.

I believe that this book will do a destiny in your heart. I hope, that it will be for you that spiritual push that will make you to live in heavenly places in the real presence of the Lord, in His Eternal Life.

Let Father gives you help from the sanctuary and to support you from Zion! Amen and Amen!

1. THE LAST ADAM

“You have made known to me the path of life; you will fill me with joy in your presence, with eternal pleasures at your right hand...”

(Psalms 16:11)

When Lord Jesus Christ came again to my heart, I have caught just the verses of the beautiful psalm and I repeated them in my heart. Then I pray in this manner:

“My Lord! My precious Jesus! I pray to You to appear me the Way of the Life! I pray to You to lead me at the Tree of Life! I pray to You to show me the steps, that I ought to do, so that to walk This Way and to fill my heart with this life. For, I don't want more to throttle me a grief because of the things of this earth. I want Your fullness of joy! I want the gaiety, with that was full the soul of David, when he danced before You and carried the Ark of the Covenant in his town...”

Then Lord only heard to me. He only fills my heart and I again felt Him more real and close, than the same air, that I breathe. And here what words said me my Lord:

“Stefan, I put in your spirit and your heart to pray to Me in this way. For my Father has an Word, that He want to give to His faithful rest. Since everyone, who accept a prophet in the name of prophet, the award of prophet he will receive.

This book will be the award of all people, who like My exposing and who are hurry to repent and to reform their hearts before Me. I can by no means to lead you in My city, if your hearts are not opened to the Word, that comes by My Father.

For My Father is greater than Me and if anybody says, that he believe in Me, but he does not do My Father's Will, then the faith of such man is in vain.

The believe of such man is weak, earth and human and he never will change his destiny. But today is a time, when the few, who hear the voice of My Father, surely must put the true target before their hearts.

A target, with that they will come in My city and I shall give them the fruits from the Tree of the Life, so that they to eat and to live forever. That's why from this moment to the end of this book, look at Me no only like at your Lord, but like at your brother! For I am the last Adam and My Will today is I to save you and to send back many to the place, that the first Adam lost. Are you ready to follow the Last Adam, Stefan?"

I listened to the Lord and my heart melted because of the warmth of His words. I listened to the Lord and I saw how the Love of Zion shined from His Image. Therefore I said Him:

"Lord Jesus!

I confess that You are my brother, even if I feel myself unworthy to call myself Your brother. If You are the last Adam, Who today want give me as a present the Light of Eden and the Life of the Alive forever. That's why I pray to You! Led me wherever You like and do everything, as You wish. Make me to follow You by all my heart and by all my mind..."

Jesus smiled and stretched a hand, touching my head. Then the Light of the God poured me out and only after a moment the both with Him stood on a place, that was astonishment with its beauty. I did not know where I am. I knew only, that Jesus was nearly to me and this was enough for me. Then I asked Him:

"Lord! Where are we? Really here is beautifully! My eyes never have seen such abundance of beautiful trees, flowers and clear water..."

Jesus looked at me and said:

"Really I said you, that in all visions in this book I shall reveal Myself to you like the Last Adam. Now you stand on that place, that the first Adam lost. And this is the Lord's garden..."

"And why You led me here, Lord?" - asked I again. And Jesus said:

"In difference of human faith, that makes no sense, because it is born on the earth and it will remain on the earth, My faith makes sense, because it is an Way, a Truth and a Life. Really you prayed so with the words of the psalm? Really you asked Me to appear you the Way of the Life and to show you the Tree of the Life?"

"Yes, Lord! Just in this way I prayed, but I never have had the right notion about this place. I did not know, that it is so beautiful and real..."

Then Lord continued, saying:

"If the garden impressed you to such extent, then what you will do, when you saw the other that is really impressing?"

Follow Me!

Follow the Last Adam and you will see the place, from where it comes in this garden..."

After His words Lord caught my hand and we went after the majesty and the fairy kingdom of the Heavenly beauty.

2. THE FLAMING SWORD

I don't know how long we went, but here that I saw something like a giant flame that burned so, that the eyes could not endure its light. It was not a fire, whatever, no doubt, everybody has seen. For the blaze consists of many tongues of flame, that rose upward. And here the fire was concentrated in one and only tongue, as though I examined the flame of a candle, increased many times. Then Lord said me:

"Here the place, through where ought to pass everybody, who believe in Me. Some people pass through this place, without even knowing about it, but firmly and to the end trusting in Me. Others, who have had a benevolence from the Father, have seen through where they pass. One of them was My apostle Peter. Remember then what words he wrote you in his first message. Words about fire. Words, full with fire. Words, preparing a fire..."

Was it necessary I to open a bible, even if before me and my heart stood He, the Living Bible of the Father? Of course, it was not! For I already had in my heart the verses of Peter. Therefore I said:

"Lord Jesus! Your apostle Peter wrote the words:

"Dear friends, do not be surprised at the painful trial you are suffering, as though something strange were happening to you. But rejoice that you participate in the sufferings of Christ, so that you may be overjoyed when his glory is revealed..." (1 Peter 4:12-13)

"And now, looking at this giant fire, I ask myself:

Really just this the apostle had in mind?"

"Just this he had in mind, Stefan!" - answered me Jesus and continued:

"For, here is the place, where My Father, the Sovereign God, separated His Own Life from the life of the men. Here is the place, from where you can come in the Life of the God, and from where you can come out of it, too. From among everything in the whole Heaven, My Father is jealous mostly of this place. That's why here are put the most powerful guardians in the Heaven, in the sake of who nobody,

having unholy spirit or impure thoughts, can come in the light celestial spheres of the Spirit...”

After His words Lord directed my look at great numbers of cherubs, standing around the fiery flame. And after, when Jesus approached near to me, I saw the Flaming Sword inside the same fire, who turned. Suddenly the whole revelation, in that Lord led me, shined before my eyes. Therefore from my lips wrested itself a exclamation:

“My Lord! This is a vision, with that You reveal to me the verse from the book “Genesis”, where it is written about the God:

“After he drove the man out, he placed on the east side of the Garden of Eden cherubim and a Flaming Sword flashing back and forth to guard the way to the tree of life...” (Genesis 3:24)

Jesus looked at me with such love and tenderness in His regard, that I felt how my spirit dissolves in His eyes. Then He said:

“Do you understand now why I led you here? Do you understand, that everybody, who believe in Me, goes after My steps, after the steps of the Last Adam. And what other the Last Adam to do, save to walk the way, through that the first Adam walk away of the God. Since My Father drove the firsts men out and when they left Eden, they began slowly and continuously to move away of the Heaven. However, I descend from the Heaven to send you back in the Heaven. I promised to you the Eternal Life, but this Life is a fruit on the Tree of the Life. And to the Tree of Life reaches only that man, who endured the test of the Flaming Sword that turns before the look of these cherubs. When you receive the christening with the Holy Spirit, then before you is opened the Way to the Tree of Life. However, nobody reaches to the Tree of the Life, if the Flaming Sword defeated him. Just this is the fiery test - to allow to the Flaming turning Sword to pass with its edges through you and to find you approved...”

The words of Jesus were very serious, but the love, that sprang from His eyes - more than enough, so that I to keep the presence of the Spirit before the view, revealing before me. Then I asked Him:

“Really You want to say, Lord, that if anyone is Your, then he surely will endure the examination of the fiery Sword...”

“What does it mean that anyone is Mine, Stefan? For all Christians on the earth call themselves Mines. Each Christian confess, that he believe in Jesus, but all this does not impressed especially My Father. For the true faith and the true My followers are seen just here, on this place. It is not importantly if you are Christian. It is importantly if you belong to Christ. It is also importantly if you belong to the firsts or to the seconds...”

“What you have in mind, Lord?” - asked I again. And Lord said:

“The first man is from the dust, earthly, the second man is from the Heaven. Such as the earthly is, such are the earth men, and such as the heavenly is, such are the heavenly men, too. Now look at the thing, that I shall show you...”

After His words Lord went to the giant flame, going directly against the same Flaming turning Sword. In one moment, while I examined Him, I shuddered, since I forgot, that He is the Same Lord. And the Flaming Sword turned so, that everyone, who passed through the giant fire, to be struck and cut. And here, that the edge of the Sword passed through Jesus so, as if Lord was of air. It cut Jesus once, although Lord remained whole. After it cut Him second way, but on other side. The cutting continued third way, and after - fourth way. Lord remained still entire. After this He left the glowing place of the giant flame and He approached to me, saying me:

“Can you repeat the thing that I did a while ago?”

I was like torpid in the sake of Jesus' words. Then I said:

“Lord, I am a sinful man. From now on I feel that the Sword will cut me...”

Jesus added:

“Even if it cut you, this Sword will not kill you. It is not made to kill. It is made only for that reason to stop everyone to approach to the Tree of Life, if inside in him there are reasons against the Sanctity of My Father. The lesions by this Sword are an exposing, that lead to Life, but no to death. And as the same you perceive, My Father does His deed in the presence of many witnesses. That's why here is full with cherubs. Go to the Sword and test your heart...”

First time in my life Jesus put me to such test. And despite the vision, inside me it raised voices that stopped me to go. But I went, even if the same

vision was frightful. Then I perceived that from a short distance the Sword impressed the mind with other details. It was not like the usual swords, that have two cutting sides and sharp edge. No! This Sword had four cutting sides and it turned so, that to cut you each of the sides. I was already in front of the same fire and all this made me to jib. And just then I felt behind my back the hand of Jesus, Who said me:

“For that, who has gone to follow Me, there is not return or turn back...”

So, the same touch by Jesus gave me power and I came in the fire, but the Sword was before the same my eyes. I stepped again ahead and then I received the first strike. It was oddly, but the Sword has not made me any ache. The Sword only passed through me, so as it passed before through my Lord. I stepped again forward and I received a second strike. This way I again did not feel any ache. This made me audacious and I made a third step. Then I received such strike by the Sword that I literally flied off back and fell from my outside. I saw the wound by the Sword, and in it were my memories, thoughts and moods. There were my unreasonable words to the Lord, with that I appealed to Him to give His anger upon the wicked people, so as I wish it, but no according to His desires and intentions. I felt myself unworthy and for this reason I bent my head. Lord approached to me, gave me a hand to raise myself and after He touched the place, where the Sword had defeated me, saying:

“Do you understand now, that there are more many things to purify of yourself? For you endured the first two tests of the Sword, but at the third it stroke you...”

“And what are these tests, Lord Jesus?” - asked I. Then Jesus smiled and said me:

“Look again how many cherubs there are around the Flaming Sword! Do you know why My Father has put these cherubs on this place?”

And since the answer seemed me difficult, Lord said again:

“These cherubs are witnesses to the Flaming Sword and the same Sword is witness to the cherubs. Therefore, let now I devote you in the secrets of the God’s Sovereignty. The word is about those secrets that lack of My Church to become a Bride according to the heart of My Father...”

3. THE SECRETS OF THE GOD'S SOVEREIGNTY

After His last words Jesus approached me to the cherubs, whose wings at the view of the Lord spread lightly and over the same them brightened Heavenly Light. The same beings were the most majestic creations, which Lord ever had created. They were just such, as prophet Ezekiel described them, however, in their presence as though from them it radiated the God's heart. Then I asked Jesus quietly:

"Lord, what are these glorious creatures?"

Jesus replied:

"The heart of My Father is a great depth. And there is no creation, that to know Him entirely. That's why My Father, the Almighty Jehovah, has created the cherubs, so that to live in among them and by them to announce the secrets of His divine intentions and providence. And as the four directions testify to the creation, so the four faces of the cherubs testify to the God's Sovereignty..."

"Lord, really for this reason the Flaming Sword had four sharp cutting edges?"

"That's right, Stefan! Therefore look now at the cherubs! How many faces have they?"

"Lord, I see that they have four faces. The first face is of ox, the second is of lion, the third is of eagle and the fourth is human face..."

"Then, think, My boy, over the fact, that each of these faces is appearance of the Spirit of My Father, His perfectly appeared Will for the creations. And if the creations wish to be pleasant to His heart, they ought to endure the test of the Creator. Therefore let now I show you the test that My Father does towards the creations through the appearance of His Sovereignty..."

After His last words Lord come inside the giant fire and caught the Flaming Sword in His hands. And after he stood before me and said me:

"See now the test of the ox's face..."

Then Jesus made as if to strike with the Sword among the giant flame and I saw among the flame something like a vision. There were oxen that hauled heavy ploughs, driven in the earth. Lord stood next to the vision and said:

“The first test by My Father is the zeal for His Kingdom and His Will. The zeal is to give all your heart in service to Him and never to stop to do that is pleasant to Him. Most true personification of the zeal is the ox. It ploughs the field with its great power and My Father blesses abundantly its eagerness. Today the Heaven needs of zealous oxen, that to thresh. And I shall not become open in the life of anybody, who does not seek Me eagerly and who does not work zealously for the Glory of My Father.

You, Stefan, endure this test and the Flaming Sword does not find causes against your zeal. However, there is zeal for the Heaven, as well as for the earth. And that fallen on the earth cherub has directed his face of ox to suggest and to corrupt with other zeal. With that abundant zeal, with that Aaron cast the gold calf and Israel worship to the wicked. That’s why, say to My brothers and sisters to distinguish between one and other eagerness. For a zeal for the Heavenly things means you to become servant to everybody, while a zeal for the earth things means to make everybody your servant. For My pastors are zealous oxen and calves, devoted their lives to the Glory of My Father. While the pastors of the wicked are hirelings, seeking the wealth more below. Say to such people, that they don’t pass through the Flaming Sword, while they don’t deny themselves and while they don’t die to all earthly, so that to gain all heavenly...”

After these His words Lord made as if to strike with the Flaming Sword and then inside the fiery flame it appeared a new vision. I saw in it a lion, that ran in kingly trot with impressive and proud carriage. Then Lord said again:

“The second test from My Father is the courage and boldness.

Boldness and courage mean to devote yourself to the good news and to be hunter of men. Boldness and courage mean to shut the mouth of tyranny and despotism, to take care of the ones small in faith and to keep their hearts safe. Boldness and courage mean to say to the devil that he is a devil and a liar. Boldness and courage mean to say to the lie, that it is a lie and to speak only Truth. In world that lays in the wicked it is most difficulty to live and to say Truth. In world that lays in the wicked the lie is a shelter that earns the benevolence of Lucifer and

ensures a life without purchasing. I am the Lion of the tribe of Judah and if anybody says, that he has Me in his heart, then such man never bends his heart before the servants of Babylon. So as I never bent My heart to be pleasant to the Sanhedrin and its religious potentates. The fallen cherub like the devil always will seek men, who to make violators upon your hearts. The fallen cherub like the devil always will send Goliath against the people and society of My Father. However, he also will receive always his defeats by men according to the heart of My Father, by lions, descended to fight for Zion and its loftiness. Take the sling of David and the Name of the Lord in your hearts to defeat that he roars and looks for someone to devour. For lion stands against the lion. And I swear by the Holiness of My Father, that My Flaming Sword will defeat every coward, every villain, every hypocrite and sorcerer and for such men the Way to the Tree of the Life will be mirage, so as today mirages are all their testimonies about courage and boldness. In this test, Stefan, the Sword found you faithful, too. However, see now the third face..."

After His words, Lord made as if to strike again with the Flaming Sword and then among the giant fire appeared blue heaven and eagle, spread widely its wings. It was so highly in this heaven, that it was seen how white clouds swam under its wings. Then Lord said:

"The third test from My Father are humility and wisdom.

Humility and wisdom - it means to kneel then, when others fly highly. Humility and wisdom - it means to expect quietly your salvation by the God and not to raise your heart. Humility and wisdom - it means to live with the conviction and vocation, that everything that the devil does against you he does it really against the God. Humility and wisdom - it means, when all around you cry with audacity: "We are!", to bend your head and to say quietly: "He is!" Humility and wisdom - it means to survive in such respect before the Word of My Father, that to consider yourself less than all men. Humility and wisdom - it means to believe, that when all people have reached to the Salvation, you have not still reached to it. Humility and wisdom - it means to believe, that

when all people feast, since they have become like Me, you to weep, because you don't know what you will be.

In this relation, Stefan, the Sword stroke you, since you forgot, that the things, that the people do against you, they do them against Me and My Father and that We shall repay to the wicked persons in the time, when We decide, and no in the time, when you would like it. For the fallen cherub like the devil the eagle is that raising of the heart, that haughty look, those pursed lips, that cry "Hallelujah" to Lucifer. Therefore the pride and the exalting will be the part of all men, who ceased to kneel and believe themselves, that they are pearls from My crown. To such men I, Lord and God Jesus Christ, say:

Take off the light fine linen from your impure souls, for you are children of robbers and thieves! You are those, who wish reveals themselves as righteous and who like all flatteries and kind words of the men! You are those, who want to praise you and who seek the first chairs in your conferences, but My Father sees the hypocrisy of your hearts! Fall before My Father in your old rags, so that He to appear you mercy. Since your condemnation will be as much greater, as more light is the fine linen, that you have put on your so more sinful souls.

The Flaming Sword of My Spirit, that keeps the Way to the Tree of Life, surely will slay and reject in the outside darkness haughty and vainglorious people. Let nobody delude himself, that if he has put on himself the promises of My Word, he already is pure and righteous. For the Flaming Sword never takes a sight on Mine, but on your things. It will accept My fine linen, bright and clean, but whether the souls, that have put it on themselves, will endure its stroke? For if the old things have not passed away and if everything has not yet become a new, then it means that the old things have put on themselves the new, so that to sully and to corrupt it..."

So, after His last words, Lord made as if to strike with the Sword for a last time. Then in the light of the fiery flame it shined the most beautiful vision, that Jesus revealed me. I saw how one star moved on a dark vault arch, while finally it stopped and a bright ray from the star pointed downhill, where it lit up

a manger, and in it I saw Joseph and Mary, lapping the New born Child. I was amazed by the vision, but Lord, smiling, said:

“The fourth face of the cherubs is like human face. And if your Lord became the Son of Man, it occurred so that you know the Good News of Father to your heart and to the hearts of all My brothers and sisters. Here is the Good News of My Father:

EVERYONE, WHO ACCEPTED IN HIS HEART THE ZEAL OF THE OX, THE COURAGE OF THE LION AND HUMILITY OF THE EAGLE, HE SURELY WILL ACQUIRE MY IMAGE!

For today Lord is your Ox, Who eagerly seeks His Own people and blesses them. Today Lord is the Lion from the tribe of Judah, Who seeks and finds hunters of men to make them like Him Own. Today Lord is your Eagle, Who guards you with His wings and His fidelity is a shield and protection. Today I am the Son of Man, Who will come soon in His Glory together with His Holy angels!

Blissful those, who endure the test of the Flaming Sword!

Cursed those, who found and fell in love with the faces of the fallen cherub and who despised the Face of Heavenly Jehovah. For them, Stefan, they also will acquire the human face of their fallen cherub, who became for them as a god. For the man of the sin and the son of the distraction doubtless will come and he will possess them and one and all, who believed a lie, will worship to him.

I want you to give these secrets of the God’s Sovereignty to My faithful rest in this troubled and cruel time. Say to them, that I expect them here, at the Tree of Life! Say to them, that I shall give them a Power and anointing to endure the test of the Flaming Sword! Say to them My true words from the “Revelation”, because I laid My Spirit on them and through them I sprinkle you with My blood:

“Behold, I am coming soon! My reward is with me, and I will give to everyone according to what he has done. I am the Alpha and the Omega, the First and the Last, the Beginning and the End.

“Blessed are those who wash their robes, that they may have the right to the tree of life and may go through the gates into the city...”

(Revelation 22:12-14)

Whoever accepted My prophet in the name of prophet, reward of a prophet he will receive! I uttered it, I pronounced it!"
