TO YOUR HEART

My dear brother! I pray my Lord Jesus Christ to free you from every earth occupation, from every inclination of the mind, from each care, so that you might open a room in your heart for the revelations, written here. For, there is a place, more beautiful than all the rest places in the world. For there is a state, that is superior in its joy and triumph than all other states. For there is a time, when Lord Visits His people in order to reveal Him to it in a perfect fullness and this time is now.

Let me say to you, that all we are living in the time of total extremes. This is a time, when everything begins to become total, i.e. to acquire the full dimensions of the power, that rules over it. That's why the sin is total today. It is not only a departure from the divine norms for Holiness. It already becomes like a spectacular manifestation of the flesh. It becomes a manner of life. It becomes an ostentation that horrifies with its monstrous forms. The sin no only leaps to the eye. It pierces the hearts, coming inside them, without feeling whatever inside opposition and resistance. Just such is the total extreme of the sin. An extreme that is surely the most evident face of the darkness.

Now imagine that only a step is necessary for you to leave this extreme. Only one instant of trust and submission, so that this dark world might remain only like a pale shade of an insignificant memory.

Do you believe, that it is possible?

Do you believe, that you can break the chains of the sin and move in one other kingdom, one other world?

I would not ask you these questions, if Lord Jesus had not given to me His answer, namely - the splendid alternative of the sin and darkness - the life in His Kingdom.

I have many things to tell you about this Kingdom. I have to reveal you lots of immediate impressions and excellent feelings, come from the touch with my Lord Jesus Christ. That's why I entreat you to leave everything else except reading of this book. For it is written no only like an end in itself, but with the only purpose to be the rope, that will pull you upwards. To be the Word, that will come in and enlighten all recesses of the heart, and then to invite for a great Lord and Sovereign the Only King - Jesus Christ from Zion.

I believe that the Word, written here, will lead to a change in your life. I don't have in mind only this book. I talk about Change in your heart by the Same Spirit, Who came down in my heart like a sunny ray to raise and put me to the Sun of the Truth and Justice.

Be blessed!

Be enlightened!

Be sanctified!

Amen and Amen!

1. THE SUN OF TRUTH

Let me tell you, my dear friend, that the life in itself is a reflection of the state of our spirit. For the spirit is, who gives a life. And if the spirit lives anywhere, the place where he is, reflects surely in all our life. If one feels he is unhappy and hurt, depressed and worried, sad and alone, then the same place, where his spirit lives, will have the signs of unhappiness and plunder, pressure and tension, grief and desolation. However, it comes a moment in the life, when anything inside has changed. Somebody comes to live in us. Somebody revives and day after day, week after week, month after month He becomes more and more real, till finally being more real than we are. Is it so with you? Is He more real, or you are? For if you are more real, then your spirit has not covered the full way for his liberation and enlightenment. I can not hide from you that for all years of communication with God, Jesus became more and more real for me. So, it came a moment, when I was talking to Him so naturally, as I could not talk to people around me. During all these conversations, Lord came down to me, and sometimes He caught my spirit and raised me to Himself. So many books, full with Heavenly revelations, were born.

Faithful in His love to me, Lord caught my spirit again and raised me upwards. A moment later I was standing before Him. This way His appearance strokes me more than always. Jesus was shining. He shined so, as nothing else could be shining. His light was not like an illumination of a searchlight at cross-examination of a prisoner, nor like the light of the physical sun, does that painfully blind your eyes. No! It was a light, full with life. It was a light that dived deep in my spirit, passed through him and went out of him, in order to come back in Jesus. It was a flowing light, suchlike a river. It enveloped you like a tender wave or a puff of wind, swinging and filling you up, so that you might feel yourself dissolved to the bottom of your heart in the fluids of the divine flowing. So I understood at first by this spiritual experience, that the Light of Jesus was not only a light, making anybody lighter than others. No! It was a light, wishing to make everybody so light, as it was. Think over that, my dear brother. For no doubt, you often go out of your home and have a chance to feel the caress of the physical sunlight. But even if it caress you, it does not

go deeper than the same your body or the clothes you have put on yourself. So I was standing before Jesus without knowing what to say. Then He approached to me and said:

“Stefan, I raised you here, on this place, because I want for you to speak to My Church. I want for you to tell her, that My heart is very excited, because after a little while she will be at Me and I will be at her. I want for you to relate about everything, you will see here, because My people must at all cost be settled spiritually here before the End of the times come. For when the very End came, it will find and close everyone according to his place. If anybody come at Me, he will do it, because he has always been with Me and his spirit has been settled at Mine. His life has been hidden in Me and he has always thought about the heavenly things, instead of the earth ones.

However, if anybody don't come at Me, it is, because he has never been with Me. And his spirit and heart has been captivated by the power of the darkness in the moment of the End. You must know Me so perfectly, as I know you. If you know Me, but I don't know you, then your knowledge is vain; for even if you have heard about Me, you have not come to live in My place. But if you know Me and so do I, then you have added to your knowledge the experience from the spiritual communication and surviving in Me. Tell Me then, how do you see Me now?”

I listened to the words of Jesus and I could not open my mouth. For, while he was talking, my spirit and heart were floating in the river of Light, what His words were. Then I said:

“Lord! I have never seen You in such great light. I have never imagine, that my spirit so much delights and enjoys in looking at You and Your charm. For I have repeated the verse from Ecclesiastes more than once:

“Light is sweet, and it pleases the eyes to see the sun...” (11:7)

But here You Are my Sun now. And I can not take my eyes off You. What Sun is You, Lord, like? What is this Sun, whose Light does not wish to blind you, but to enlighten you perfectly?”

Then Jesus said:

“I am the Sun of the Truth. Blessed and holy that one, who is looking at Me and wishing to perform deeds, pure as Mine were. Such one will surely be enlightened by My Light and it will become an embryo of a new sun in him. However, if anybody wish to look at Me, he should walk there, where I walk, too. If you want to see the Sun of the Truth, you must go in the way of the Truth. Therefore, let us both go in one place, where I am going to reveal you things, which you have never seen...”

After the last His words Lord caught my spirit and only a moment later we both found ourselves over the earth.

2. THE WAY OF THE RIGHTEOUS MEN

Let me tell you, my dear brother, that the same vision which Lord put me in, was strange. The whether was dark, maybe some minutes or hour before sunrise? I and Lord, we were both standing over some forest and Jesus had left His hand, pointing at one narrow way. One moment later I saw how people appeared on it and went forward. Then Lord told me:

“I want for you to examine attentively this vision. For all people should know Me like the Sun of the Truth...”

After His words Jesus approached me much more to the people, who we were examining. So, I perceived that their clothes were dirty and ragged. However, they were going in spite of their appearance. And here that dawn began breaking. The sky on east glowed and became more and more fiery red. So, after a little while I saw the little arc of the solar disk, also scarlet, to appear on the horizon. This little arc stretched instantly its rays and they touched the walking people. Then a miracle happens. The ragged clothes of the walking men fell down and after a moment the light of the beams put on them white clothes. Then Lord asked me:

“How does the rising sun seem to you, Stefan?”

I answered:

“Lord! It was red like a fire. It crimsoned the whole horizon on east in red...”

“And you, how did you know Me in your life, Stefan? Did not I come to you like a fiery red sun? Was not you touched by the scarlet rays, so that the old rags of your soul fall down and you put on yourself the new man, created according to the God’s Image? What does this red sun at dawning respond to? Why is not it so white and bright, as when it shines with all its might?”

I knew the answer in my heart, so I said:

“Lord, if You reveal Himself to the men at dawning in all Your Light and Power, they would not be able to endure You. That’s why I believe, that the morning is a time of the God’s Mercy. It is a time of the blood, shed at the Covenant. And this red sun is the God’s Grace, come through Your blood. Only so I could explain the fact that when the rays of the sunrise touched the

clothes of the men, then the clothes fell down at once and the Light put its clothing on them..."

Jesus said:

"Just right, Stefan! So you have already understood the full realization of the verse, declaring:

"The path of the righteous is like the first gleam of dawn, shining ever brighter till the full light of day..." (Proverbs 4:18)

You can not wish the perfect day, unless you have not seen Myself like the first gleam of dawn and if My blood has not taken away the sins of your former soul. However, let me reveal you the continuation of this verse from "Proverbs", because the greatest secret is hidden there. Remember, does not "Ecclesiastes" says, that:

"The sun rises and the sun sets, and hurries back to where it rises..." (1:5)

If you look at this verse like an earth man, will you be able to understand it? Does the sun set once for the whole earth? Does not the planet turn so, that the sun always illuminates one side of it? Why then the Word talks about setting of the sun and its hurrying back to where it rises? Really the Creator does not know that His Sun never set, but the sunsets and sunrises are the fruit of the human examination from the earth?"

"Yes, Lord Jesus! This is really strange, that it is written about the sunset, despite the fact that it never sets..."

"Yes, Stefan! It does not set, but only for those, who live with Me in Heavenly places. As to the earth men and those enlighten by Me people, who don't wish to raise upwards, then the examination of the wise man concerns them in full degree. For, think, that there are many, going after Me, who don't withstand to the very end and fall away. Then the Sun begins to set slowly in their life till it sink below the horizon of their sight. Does not the Word talk about the anger of My Father upon Babylon, who is the religious kingdom of the devil:

"The light of a lamp will never shine in you again. The voice of bridegroom and bride will never be heard in you again. Your merchants were the world's great men..." (Revelation 18:23)

Do you see the written? Do you see, that the light of the lamp and the voice of the bridegroom have not been anywhere, but... in the middle of Babylon - "the light of a lamp will never shine in you again...". Do you know how great the Mercy of My Father is? Do you know how long he has endured and endures those, who have turned aside from His perfect plans and have bowed to the world and the devil. Then think. What does it happen, when the sun goes down? How does the setting sun look? How do I look, when setting from the life of some My servants?"

The memory from the vision with the rising sun emerged before my eyes and the revelation stroke my heart with great power. Therefore I told My Lord:

"Lord, the sun is red both at sunrise and sunset. It comes to show that the Father's Mercy to the unsaved in the morning is so great as to those, failing in the evening..."

Jesus smiled and caressed me. Then he said:

"Do you understand now the verse from "Ecclesiastes"? Do you understand why the sun rises and the sun sets and hurries back to where it rises? Will not those failing from Me, who repent, feel again the God's Power and restoration? Look at My apostle Peter! I appear Myself in his life like a Sun, that shined on him till a perfect day come. However, after that this Sun began to set to the very sunset, since Peter denied Me thrice. In spite of the fact, that I set, I was in a hurry to rise again in his life, because Peter caught the red rays of the sunset. How did all this become, Stefan? Where is all this written?"

I answered:

"Lord, in the Gospel by Luke is written:

"The Lord turned and looked straight at Peter. Then Peter remembered the word the Lord had spoken to him: "Before the rooster crows today, you will disown me three times..." And he went outside and wept bitterly..." (22:61-62)

Then Jesus added with silent voice:

"Can the Church perceive Me like a Sun? Can she understand how much I love her? Can she comprehend, that today, a moment before the End, Christ sets for the earth and His rays are red again, since God

does not wish to perish some people, but everybody comes to repentance? Will not I then surely be in a hurry to rise, in order to bring under the perfect destinies of My Father all My children? But how might be obedient to Me those, who neither know, nor suspect the perfect destinies of My Father? How might they know the Sun of the Truth, when they don't know yet the Morning Star of the faith?"

The last question of Jesus seemed to me strange and I asked Him:

"What do You have in mind, Lord, with this Morning Star?"

Jesus smiled to my question and said:

"After a little while you will understand all this..."

So the vision by the Lord finished and I felt the rush of immense power by the Holy Spirit to my heart. It was a Power, by which help Lord was preparing myself to understand His much deeper revelation - the revelation about the Morning Star.

3. THE MORNING STAR OR ABOUT THE FIRST-BORN BETWEEN MANY BROTHERS

My brother! Confirm your heart, for according to the Will of the Perfect and Holy Father a word is coming to your heart today. It is a Word that can not rest you faint-hearted. It is a Word that will shake you. It is a Word that will change you. For, there are holy truths, untouched by a human spirit. For there are secrets, locked till the determined time, that the Almighty God reveals us today, because we are His rest - the generation, that will glorify His Name and put a staff in the wheels of the fallen cherub.

Let me now tell you how Jesus prepares me for this vision. He only made me go out on the balcony of my home and look at the sky. So I went there and really looked upwards. I saw hundreds stars, that were sparkling silently upon the dark arch of heaven. Then Lord began to speak in my heart, saying:

“Perceive which is the brightest of all stars. Is not it the Morning Star?”

“Yes, Lord! It is the morning star, as well as the evening star. And I know that this is the planet Venus, too...”

“Leave the fact which planet is the morning star; you had better to think over other thing. Think over the fact, that just the darkness makes it so noticeable. If the dark arch of heaven was lacking, would the morning star seem so bright and brilliant?”

“No, Lord! It would not be outstanding in this way...”

“Therefore, as the same you may guess, the morning star is powerful just amongst the darkness. And people have called it “Morning Star” no only because of its light, but because it is a forerunner of the Sunrise and coming of the Day. Now, think upon the My words:

“...I am the Root and the Offspring of David, and the bright Morning Star...” (Revelation 22:16)

How can I to be both the Sun of the Truth and the bright Morning Star? Do you have the faith to comprehend and realize this? Really has your Lord divided Himself in two persons?”

"No, Lord! You have not divided Yourself in two persons! You are the Same yesterday, today and forever. There is something much deeper in Your confession. For despite You are the Sun of the Truth, standing much upper than whatever authority and power, might and sovereignty, You promised Yourself to all us, saying:

"...And surely I am with you always, to the very end of the age..."

(Matthew 28:20)

When you talked about the end of the age, You had in mind just this old and godless world, coming to its end. Since Your Kingdom is eternal and does not finish. And if You promised to be with us always, to the very end of the age, then You promised to be our Light in this world, that would finish soon. For, there is not any sun in the world of the darkness. In the darkness you can rely only on a morning star..."

Jesus looked at me with such a smile, that I understood my answer was right. Then He said:

"Just right, Stefan! I am the Sun of the Truth in the Heaven, but I am the Morning Star on the earth and in the world. For if I am everywhere in the Heaven, so as the sunlight shines everywhere, then on the earth I am only in the hearts of the called, chosen and faithful God's people. Since if the heaven is great, then the heart is small. And if the Sun belongs to the Heaven, the Morning Star belongs to the heart. Think then over the words I told you in the Gospel. For I said, that:

"...Then the righteous will shine like the sun in the kingdom of their Father..." (Matthew 13:43)

Do you perceive that the righteous will shine like the Sun nowhere else, but in the Kingdom of their Father? And if they begin to shine like the Sun, does not it mean that they have already had the Morning Star in themselves? Say to the whole My Church, that:

IF ANYBODY DOES NOT KNOW ME LIKE THE MORNING STAR, NOR YET HE WILL KNOW ME LIKE THE SUN! FOR NOBODY WOULD ENDURE THE LIGHT OF THE SUN, IF HE CAN NOT ENDURE THE LIGHT OF THE MORNING STAR!

That's why, a moment before the Sunrise, a moment before My Second Coming, the servants of My Father have come again on the

earth to prepare those people, who will shine like the Sun in the Kingdom of My Father. And you, could you tell Me now, which of My apostles gave the order for acquiring of the Morning Star?"

"Lord, this was Your servant Peter. Since he wrote in his second message:

"And we have the word of the prophets made more certain, and you will do well to pay attention to it, as to a light shining in a dark place, until the day dawns and the morning star rises in your hearts..."

(1:19)

Here Jesus continued, saying:

"Do you comprehend now more and more clearly, that as the morning star is a presage of the Sunrise, so the prophets of My Father are the lights, by whose word He will prepare the morning star in the hearts of His faithful rest.

SINCE NOTHING BUT THE WORD BY MY FATHER, COMING THROUGH HIS SERVANTS THE PROPHETS MAY BRING THE DAYBREAK IN THE HEARTS AND ACQUIRING OF THE MORNING STAR!

Then, look at the following, Stefan! For if the righteous men flash like the Sun, then My Father will surely see Myself in everyone of them. What did My apostle John tell you about Me and My Father? Did not he say in the Gospel, that:

"For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life. For God did not send his Son into the world to condemn the world, but to save the world through him. Whoever believes in him is not condemned, but whoever does not believe stands condemned already because he has not believed in the name of God's one and only Son..."

(John 3:16-18)

What do you think of My being One and Only Son, Stefan?"

"Lord Jesus! I understand that there is nobody but You to be born. Since the One and Only means "the only born". You are the Only Son of Father and He gave You for the Salvation of the world. You Are God Son, the Only born by Father, His Only Son from the eternity and for the eternity..."

"What do you understand then My promise, that the righteous people will shine like the Sun? How do you interpret then the words of

My apostle Paul? For just to him I gave to write the perfect Will of My Father, lying upon His chosen people:

“And we know that in all things God works for the good of those who love him, who have been called according to his purpose. For those God foreknew he also predestined to be conformed to the likeness of his Son, that he might be the firstborn among many brothers. And those he predestined, he also called; those he called, he also justified; those he justified, he also glorified...”(Romans 8:28-30)

Do you see now how your Lord from “the Only born by Father” has become “the firstborn among many brothers”? And if “the Only born” means “the Only One”, then does not “the firstborn” mean “the First among the rests”? Here this is the Good News about Christ, Stefan! This is a news, making you participants in the divine nature! It is a news, making everybody who loves Me, be in a hurry to subdue to My Father and accept in fullness the prophetic word. For then the morning star will surely shine in a dark place till the day come of your eternal moving in My place of Light and Blessing. However, a few people acquire the morning star, because the test of My Father has always been standing over the hearts of all people. And if the love of many has become cool today, then what has happened with the Light of the sun? Do the rays of the Sun of Truth reach to your hearts?”

After asking His last question, Lord stopped His vision again, so that I might realize and write everything, pronounced by the Blessed lips of the King in my heart.

4. WE INSTEAD OF HIM, OR HE INSTEAD OF US?

My friend! We are living in the last time. Last to such extent, that the divine notion about "an instant" will very soon become equal to the human one. I don't wish to lose the eternity with Lord Jesus. I long to look at the Lord's beauty and to glorify Him in His Holy Temple. I dream to embrace David, whom I will see one day with my eyes and ask him:

"When Lord inspired in you such great love to Him?"

I want the live-giving power of the God's Word to flow unceasingly into me, so that I might reach to stand before the throne of Jesus. Do you see the question which this chapter begins with? He is a prelude to one of the greatest visions that I have ever received by Jesus. I have seen many things for my thirty five years live, but I have not surely seen everything. But I dare say that one of the earth events in my life left such a mark upon my heart, that I was sure Jesus would remind it to me very soon. Which was this event? It was the total solar eclipse in the summer of 1999. One feeling pierced me in the course of those few minutes, while I was examining the spectacular scene on the sky. It was the feeling of unreality. Unreal seemed the shade of my body. Unreal looked the color of the sky. Unreal were all things around me. Just in that moment I was possessed by fear because of the Lord's majesty and His great destinies. Just in that moment I felt how great He is and how worthless I am. And here that an year later, when Jesus was giving me the enlightenment and visions for with this book, the memory about the solar eclipse emerged in my mind with a new power. I knew it was not occasionally. Few people know Jesus like a Sun and blissful are those who know Him in this way. Here He was again next to me and was talking to me:

"Did you see how categorically the memory about the solar eclipse emerged in your mind?"

"Yes, Lord! So many things go by and away. But as to this eclipse, I will remember it forever..."

Then Jesus said:

So do I, Stefan. I also look at so many things. And I also see how they go by and away. But the eclipse, that I am going to reveal you now, I will remember forever..."

After His words Lord made a vision appear before my heart. I was on the earth and I was looking at a solar eclipse, such as that one from my earth experience. Lord gave me examining just that moment of the eclipse, when the moon was hiding the last little partition of the sun. And here, the moon hid finally the sun completely. Then it happened something terrible. For thousands demons swarmed in the dusk, the earth opened its mouth and a beast, resembling too much to my Lord, went out of it. This beast raised and ascended upwards, standing at the same moon. Then all people on the earth fell on their faces and were worshipping him. In that moment Lord took my spirit and raised me upwards, as if in the same universe, to examine this sign from there. Then He told me:

“Do you remember My words in the Gospel? Do you remember how I warned that there would be signs in the sun and moon?”

“Yes, Lord!” - answered I and continued:

It is written in “The Gospel by Luke” just that:

“There will be signs in the sun, moon and stars. On the earth, nations will be in anguish and perplexity at the roaring and tossing of the sea...” (Luke 21:25)

Then Jesus told me:

“Looking at everything in this vision, could you already tell me what the signs in the sun and moon are?”

“Yes, Lord! I see that the Moon has stood on the Sun’s place and that made the earth darken. Something more - I saw how thousands demons swarmed, and a beast went out of the depth, who stood next to the same Moon...”

Then Jesus said with very serious voice:

“The time is now, when all My faithful children must demarcate themselves from everything that the retreated church is doing. For just she is the moon, that stood on the Sun’s way and decided that she could do the things instead of Him. The time has already come for you to ask yourselves:

MUST WE DO THE THINGS INSTEAD OF JESUS OR JESUS SHOULD DOES THE THINGS INSTEAD OF US?

If the Sun does the things instead of the Moon, then the whole earth will be illuminated by His Glory. But if the Moon decided to do the things instead of the Sun, then the retreated church will find instead of Me the bridegroom, who she has always been looking for. Say to My faithful people to remember, that:

THE APPEARANCE OF ANTICHRIST IS NOT AGAINST ME, BUT INSTEAD OF ME! AND THIS APPEARANCE HAS COMMANDED BY THE GOD'S ANGER, SO THAT TO POSSESS AND DESTROY ALL THOSE, WHO DECIDED TO PREACH THE GOSPEL INSTEAD OF ME!

When you do the things instead of Me, but I don't perform them instead of you, then with all your life you stand on My way and stop the power of My Light in order to demonstrate your righteousness. Here these are the signs in the sun and moon. For the roaring of the sea and its waves came because of the activity of this moon, retreated from My teaching. For she believe, that she is a full moon, she demonstrates that she is full. And as the level of the ocean is going up at full moon, so the world is going up at the procession of the vainglorious spirit, so that to devour those people, who live upon the face of the earth, but believe that they are in heavenly places. But all this is commanded to happen. It is a consequence of the multiplied lawlessness.

FOR THERE IS NOT GREATER LAWLESSNESS FOR THE BELIEVER THAN THAT TO DO THE THINGS INSTEAD OF THE GOD, WHEN GOD SHOULD DO THEM INSTEAD OF HIM!

Just this activity, Stefan, is a reason for you to live in the time of the greatest cool. For, tell Me now, will the warmth of the Sun heat you, when the whole world passes through the solar eclipse? Do not rebound then the sunbeams with their light and warmth in the icy craters of a moon, believing that she might shine like Me? That's why all you must deny yourselves at all costs; you must never have the self-importance of this moon, led the solar eclipse. For My True Moon, My True Bride will always shine with My Light and she will never decide to do the things instead of Me..."

Lord was silent and I felt a great depth in His words. Then I understood, my dear brother, that while we don't lift our hearts and go to live at His place, all our efforts will be in vain. For the Christ's Word says also this:

"Therefore rejoice, you heavens and you who dwell in them! But woe to the earth and the sea, because the devil has gone down to you! He is filled with fury, because he knows that his time is short..."

(Revelation 12:12)

Now, dear friend, look at the testimonies, that will convince you that you are not belong to this wicked and perverted generation, led the greatest cool on the earth.

5. A DARK MAJORITY OR A LIGHT MINORITY?

Do you know, what is the difference between the God's mind and the human one? The difference is that the human mind might be impressed by the great things, when the God's one is usually impressed by the little things. Year in I had to be standing before the God's eyes, trying to comprehend Him. Year out He had to expose and cut myself, as well as to change my idea that His thoughts are like mine. Do you know when the change came inside me? Just then, when I refuse to look at the great things. Then I noticed with astonishment how great, how real and excellently powerful my Lord was in the little things. I began to perceive His mighty hand everywhere in the small things. He became alive for me. He became alive for my mind and heart and many verses from the Bible became splendid stones for me to step on them and to renew my mind. Let me allude you to one of them, since the time is now, when the Most High will turn it into the eternal reality.

“Do not be afraid, little flock, for your Father has been pleased to give you the kingdom...” (Luke 12:32)

There are such immense flocks today, that in the eyes of many these Jesus' words are almost groundless and lack of truth. In fact - groundless will remain those people, who exchanged the ground of the Gospel for the fine linen of the rich man from the story about the poor Lazarus. I wanted to understand entirely the Christ's words about the little flock and about that light minority, which is His last alive rest. Then Jesus gave me His look and light to comprehend some His words, unsealing the whole tragedy of the present picture. Here are the Lord's words from the Gospel:

“As the weeds are pulled up and burned in the fire, so it will be at the end of the age. The Son of Man will send out his angels, and they will weed out of his kingdom everything that causes sin and all who do evil. They will throw them into the fiery furnace, where there will be weeping and gnashing of teeth. Then the righteous will shine like the sun in the kingdom of their Father. He who has ears, let him hear...”

(Matthew 13:40-43)

And you, do you have ears, my brother? Then hear and let the light of this word go deep in your heart, possess it and make it obedient to the God.

In the moment, when I was reasoning upon these words, Jesus touched me and asked:

“Do you perceive where are those, who cause sin and do evil? Do you notice where the angels of the Son of Man will weed them out of?”

“Lord! It is written, that the angels will weed out of Your Kingdom everything that causes sin and all who do evil...”

“As you see by yourself, those, who do evil, are still in the Kingdom till this very moment. Just this is the reason for them to be gathered and thrown into the fiery furnace. Now, think. Do not merchants, careerists, theologians, abuser, sorcerers, hirelings and flatterers do evil today, choking My little flock? Are not all these evil-doers and tempters called themselves “Christians” with the only intention to sneak like wolfs-robbers among My poor brothers? Say then, what might one heart be tempted from? From the little things or from the great things?”

“Of course, that from the great things, Lord! For the poor man, who hardly earns his daily bread, can not accept that anybody becomes rich through his tenths and drives an expansive car to the value of thousands dollars...”

“Think then what happens with the men, overcome by the temptations and evil? Do not they lose the Sun in their life? Do not they become tenacious and disobedient generation, whose spirit is not firm for the God, but runs after the seductions of the worldly spirit? Does the plant of the righteousness have to be tempted, looking at the weed next to him, who has grown highly up because of his bow before the devil? Does the plant of the truth have to forget, that he, as well as the weed, are both left for the time of harvest, when everybody will reap his own plants? At last, look in what way apostle Paul saw yourselves. Since this My humble servant always let the Sun shine instead of him...”

The Lord’s finger was already illuminating the biblical verses. They declared:

“Do everything without complaining or arguing, so that you may become blameless and pure, children of God without fault in a crooked and depraved generation, in which you shine like stars in the universe

as you hold out the word of life - in order that I may boast on the day of Christ that I did not run or labor for nothing..."(Philippians 2:14-16)

Only read the verses, Lord continued to talk me, saying:

"Think, Stefan, what does it mean for you to shine like a star in a crooked and depraved generation? Where is the crookedness? And if Paul told you to "clothe yourselves with the Lord Jesus Christ, and do not think about how to gratify the desires of the sinful nature" (Romans 13:14), then will not everybody who wish to show himself crooked, make just the contrariwise, i.e.:

TO REVEAL THE DESIRES OF HIS SINFUL NATURE, DESPISING AND ABUSING THE SUNLIGHT, IN WHICH MY SPIRIT HAS CLOTHED HIM!

When you are clothed with Me, then I am your Light, I am the luminary of your life, I am the Morning Star of your heart. But the crooked and depraved generation of the vainglorious spirit decided to show his own righteousness, his own views and his own revolt and sin. That's why they have no share with Me. The crooked and perverted men will go to the crooked and perverted cherubim. For they know Me as a God, but they neither glorify Myself as a God, nor give Me their thankfulness. They became perverted in their thoughts and their hearts darkened. They lost the Light of the Sun and found in abundance from the lies of that one, who makes himself like an light angel. There is not a daybreak for such men. There is not a Salvation for such people. There is only one terrible expectation of judge for them and the fiery indignation by my Father comes just upon them. Therefore I command to all who want to know Me like the Sun of the Truth:

BE MY LIGHT MINORITY! BE LIGHTS IN THE CROOKED AND DEPRAVED GENERATION OF THE VAINGLORIOUS SPIRIT!

BE MY MORNING STARS ON THE EARTH!

Here, I am coming soon! Blissful all who love Me!

Blissful all in whose eyes the Light of Zion is more precious than the treasures and wealth of this world!

Blissful those, who know Me like the Sun of the Truth!

I pronounced it, I uttered it!"
