My dear brother!

Let the Spirit and the Word of this book raise your heart in a perfect knowledge of the Lord's ways! Let the Spirit and Power of Elijah become your faithful companions by the moment of our migration in the Kingdom of the Eternal Justice and Love!

By this book, God Father stretches His hand to your heart! Take His palm and your heart will become a witness of that little cloud, which might be seen only from the tops of Carmel!

The Author

TO YOUR HEART

My dear brother!

Nobody of us may tell what Love is this, by which Father has beloved us. Nobody of us may discover to the end the thoughts of the Almighty God about His people. Nobody of us may understand why He hardens to ones, but He appears His Kindness and Mercy to the others. However, it is evident that we are the generation that has a privilege to be born in times, where the Truth about the God will become like a gleaming white Sun, giving Life and Love by His rays. And when this white Sun pierce the cloud curtains upon the earth His rays will turn in panics and running all unclean spirits of Satan.

I have been waiting such meeting with my God for many years. It will be a meeting, at which He will reveal to me no only His splendid wisdom and eminence. It will be a meeting, at which God will make me a participant in His majesty. Do you know what the majesty is, my brother? Do you know what it is for God to reveal Himself to you like a Great God? If you do not know, then imagine how somebody has been a little pine in the mountain during his lifetime. This little pine has listened to the high pines, rustling terribly, when the weather has been stormy. But whenever it has looked upwards, its twigs have drooped and the whisper of the low forest draught has hinted to the little tree:

“These storm and wind that are above are not for you. You have not grown up enough to take a part in all this. Look at the mushrooms, grown around you and leave the pines to resist the wind and the storm...”

Here, it comes a moment, when the roots of the little pine discover the living waters of the God and begin to drink from them. It comes a moment, when this little pine turns into a big pine and begins to grow upwards. It also comes one more wonderful moment, when the already grown pine sees something more than the high pines around itself. This pine sees the sun and the clouds, it feels the wind. It sees the lightning that the Heaven sends to the earth. It sees the high tops of the mountain.

Do you know that the Word of the Living God comes to you no only to call you on reading it? It comes to you and invites you to live It. It comes to tell you that Jesus has prepared for the faith of your heart mountain tops that you

must climb up. The power, by which He will make you grow up and look only at Him, is hidden in the deed and Word of the God's Prophetic Spirit.

By this book, I want for my Father to make me useful at least in this: to give you that spiritual look upon the life of the prophet Elijah, by which you might see the Way to the present spiritual Gilead, the Way to the present Carmel, the Way to the present stream Kishon and the God's repayment over all the enemies of your faith. Once, the Way from Gilead to the river Kishon was walked by a prophet Elijah.

Today, Jesus longs for you to walk this Way. Since the hand of the Saviour is stretched to your heart and the Holy Spirit whispers words that you will surely hear. Even Father Himself touches the depths of your spirit and tells:

“Call to Me and I will answer you and tell you great and unsearchable things you do not know...” (Jeremiah 33:3)

The time has been enough, when the little pine has timidly looked upwards. The time is today, when Father needs His big pines, those, in who He might reveal the majesty and Power of His Prophetic Spirit – those pines, whose eyes will always be looking at the top of Carmel. There is the place, where Father has laid all His Glory. There is the place, where Lord Jesus will bear His last youths in the spirit and power of Elijah. They will follow the light trace and example of that one, who is standing from the left of Father, so that to inspire the most powerful people on the earth – the men and women according to the God's heart.

Be blessed and let God give abundant growth to your faith! Let the child become a youth, but the youth – a man according to the God's heart!

Amen and Amen!

1. THE LOTS OF WAYS AND THE ONLY WAY

A short introduction in the Word and Spirit of this book

My dear brother!

If there is a Spirit of superiority and fullness, this is the Prophetic Spirit of Father. This is the Holy Spirit, Who Father pours in the hearts of the men, chosen and pointed by His hand. So the criteria of God Father and His Perfect Will for all the participants in the Salvation and Redemption by Lord Jesus Christ will be revealed to the Church. Jesus Himself warned in the Gospel to be attentive all who did not know the Will of God Father. He said:

“Not everyone who says to me “Lord, Lord!” will enter the kingdom of heaven, but only he who does the will of my Father who is in heaven...” (Matthew 7:21)

Do you see, my brother, you must do the Will of Father, but He is in heaven. However, does everybody raise in heaven, so that to be acquainted with the Will of the Creator? Does everybody rise in front of the Throne hall of the Almighty God, so that to be personally convinced what Father wants and what He does not? Not, of course. And here is the role of the God’s Prophetic Spirit. God Father, Who locks in Himself the Beginning and the End, has foreknown and chosen particular men, by who He makes His nation acquainted with His Will. We will not hold God responsible who He chooses or why He does it, because this is a matter of His Personal preferences, known to the Church like God’s Sovereignty. We should rather see the other, namely, that the God’s nation has never agreed with the Father’s preferences. It has always murmured and hardened its heart, when Father has sent His servants to expose it. It has always looked for a way to go round the Sovereign Will of Father. This is the greatest tragedy that has ever happened to Israel, but it happens to the Church now. Since, Israel was killing its prophets once, but the last generations of believers are doing the same now. This is the reason for the concern and predestination in the Prophetic words of the Saviour Christ. Since Lord also told such words:

“I tell you the truth”, he continued, “no prophet is accepted in his hometown. I assure you that there were many widows in Israel in

Elijah's time, when the sky was shut for three and a half years and there was a severe famine throughout the land. Yet Elijah was not sent to any of them, but to a widow in Zarephath in the region of Sidon. And there were many in Israel with leprosy in the time of Elisha the prophet, yet not one of them was cleansed – only Naaman the Syrian..." (Luke 4:24-27)

When the Light, That enlightens the life of every man, talks that no prophet is accepted in his hometown, let Its rays be considered like True, but the human opinions - like false. It is possible for people to go to you and to talk with rapture about some paid "prophet". Yet before counting the money for his lustrous show, such "prophet" has already increased the revs of the vainglorious spirit. So, instead of falling on their eyes and weeping, people fall on their backs and giggle. However, see the other that Jesus talks about. He tells you that there were lots of widows, but Elijah was not sent to any of them, but to a widow in Zarephath in the region of Sidon. And there were many with leprosy in the time of Elisha, but God deigned His prophet to announce His Will only to the Naaman the Syrian. What do you think? These events with the God's prophets had happened centuries ago. However, the Gospel shows you that:

"All the people in the synagogue were furious when they heard this. They got up, drove him out of the town, and took him to the brow of the hill on which the town was built, in order to throw him down the cliff. But he walked right through the crowd and went on his way..."

(Luke 4:28-30)

Why were these men furious? Was not it because of the fact that the Prophet, Who gathers in Himself all the prophets was talking to them? Was not it because of the fact that in all times the prince of the world has been the same scoundrel and evil-doer, ready to use one and the same means? Therefore, I am going further with the words of Jesus and I am telling you that:

THERE ARE MANY WIDOWS NOW, TOO, BUT GOD WILL SEND HIS PROPHETS ONLY TO THE WIDOW IN ZAREPHATH IN THE REGION OF SIDON!

THERE ARE MANY PEOPLE WITH LEPROSY NOW, TOO, BUT GOD WILL HEAL BY HIS PROPHET ONLY THOSE, WHO BECOME HUMBLE LIKE NAAMAN!

Now, let me continue further. If I am writing this entire introduction, I do it in order to confirm your heart and to prepare you for the great revelations of this book. For, it will not be talking about the ways of the many prophets who the devil killed in his fury. It will be talking about the Way of a prophet who did not see any decay, and who was not killed, nor found by the devil. Then, think about these questions:

Why, despite Satan had killed many prophets, he did not succeed in killing prophet Elijah?

Why, despite many prophets have done the Will of Father, there, in front of the gold candlestick, just Elijah the Tishbite is standing like a witness of the Eternal Jehovah? Let me give you the answer:

"It is because while other prophets were walking on the ways, outlined beforehand by Father, Elijah was walking on the Only Way!"

Then, what is the difference between the ways and the Way, if God deigns in both them? Here this was the question on my mouth, when Jesus gave me to think about the life of Prophet Elijah. Now, listen to the answer of the King of Zion:

Jesus came to me and I felt that the whole Glory of Zion had come with Him. My heart rejoiced, because when Jesus visits anybody, he does never remain the same. So, the Saviour touched my heart and told me:

"I can see the question, born in your heart. I can also see the whole oppression, coming upon your soul by the devil. This is so, because, going in the way of your faith, you reached the place, where the Way is..."

"How should I understand you, Lord?" – asked I. However, Jesus continued, saying:

"There are many thoughts in the heart of a man, but the Lord's intention, it will remain. In the same way, there are many ways in the human heart, but that one, who has given his life in My Hand, he finds the Way..."

"Lord!" – I cried. – "You Are the Way, and Truth and Life! Have I looked at other ways till now, when Your Light enlightens me every day?"

"No, Stefan! You have always looked at Me like at Way. However, here the word is not about Lord, Who is your personal Saviour, but

about Lord, Who saves the whole His Church. Here the word is not about the ways that I have given to you and that I will again be giving for you to find My Presence, but about the Way, Which is outlined beforehand and inspired by My Father. Now, look at your heart. There is a question in it, asking:

What is the difference between the ways of the other prophets and the Way of Prophet Elijah, when God deigns in both them?"

I will give its answer, at first remembering to you the words of My Apostle Paul. See how he begins his Message to the Hebrews..."

I opened my bible to the Paul's message and I read the words that Jesus pointed to me. Here they are:

"In the past God spoke to our forefathers through the prophets at many times and in various ways, but in these last days he has spoken to us by his Son, whom He appointed heir of all things, and through whom he made the universe..." (Hebrews 1:1-2)

Then I asked again Jesus:

"Lord, how should I understand the words of Paul?"

Jesus told again:

"Understand them in such a way: when My Father had particular messages to Israel, He was talking through many prophets and He deigned in them. However, when My Father wanted to accomplish His general Word, the Way of the Very Prophetic Spirit, He inspired for Himself one servant, who received a destiny, more different from the destinies of His other servants. Since, His other servants were walking on ways, made by Him for determined time, while Elijah was walking on the Way, inspired by Father for the Eternity. That is why Prophet Elijah did not see any decay. That is why he was the only prophet, whom the Lord's Angel said:

"Get up and eat, for the journey is too much for you..."

(1 Kings 19:7)

Do you understand, My boy that "too much journey" means a Journey from the Eternity to the Eternity? Nobody but Elijah was the prophet, who passed all the Way, inspired by My Father, so that to be taken in Heaven like an adornment of My Father's Throne. However,

the Way of His servant has not finished yet. Elijah will continue his service for Father in the times of the Great Sorrow. So, what do you think? One servant, who has begun his Way thousands years ago and who has not finished his Way yet, is not he worthy of imitation? Is not he example for inspiration? Is not he the only possible Way for God to prepare you to be taken in heaven? Since only that one, who has been taken in Heaven, is worthy to give the testimonies of his Way? And who other has been put in a highest place among the high ones, because of the perfect benevolence of Father? That is why, My boy, this book, by which I inspire you, will be more different than all other books you have written. If in the other books, I have given ways to Myself (and my testimony is true, since I sealed it with My Spirit and blood), then in this book, I will inspire you to talk about the Way. This is the Only Way, rested for My Living Church. For, the Word of My Father endures through all generation, but not each generation survives in the Word of My Father! Since My Father, the Almighty One had one Elijah and just through his life, He gave to all people the Way to His Heart. Blessed and holy those, who become inspired by the Word of this book. Just in it, Lord will give to His called, chosen and faithful men to see how the Beginning of the Way looks like. Then I will lead them through the Trials on the Way. When they endure the trials, I will give them the clash with the devil on the Way. And when they want to take a part into this clash, I will give them the Victory on the Way.

I will give to everybody, who wins, to live on the Top of the Way, there, where the prophet of my Father called the rains of the Spirit.

I, Lord and God Jesus Christ, I call all people, who are named with My Name, to repent and obey perfectly to My Voice! I, Lord and God Jesus Christ, I will give to My servant that Heavenly oil of Father that drops from the olive twigs near the gold candlestick of His sanctuary!

Blessed and holy all people, who fill their hearts with the Spirit and Power of Elijah! Blessed and holy all men, who leave their earth ways and open their eyes for the Way! This is spoken by Amen, the Faithful and True witness, the Beginner and Finisher of the Way of the

Prophetic Spirit and the Spirit and Power of Elijah, who My Father has sent on the earth..."

After His last words, Lord touched my head. Then the Holy and pure oil of Zion began to pour into my spirit. Under its influence, a great love to Father flamed in my heart, and my eyes began to see things, unseen before. These are the hidden things of God, Who, in His great Mercy, unseals and appears to His children today.

I pray the Lord for you to follow Him by all your heart!

I pray Jesus to confirm your godliness!

I pray the Saviour to lead you out to the Way of Prophet Elijah!

Amen and Amen!

2. THE BEGINNING OF THE WAY

Or about Prophet Elijah in Gilead

My dear brother! Led by the God's hand, I begin the spiritual journey in the life of Prophet Elijah and I ask you to be attentive in every line and word of this book. As each way, so the Way of Prophet Elijah has its beginning. The God's zeal upon the life of this man has been so great, as the secret about the God's calling to Elijah is. This secret is sealed so well that nobody but God can help you – of course, in case of His benevolence. Praise the Lord, because His benevolence is great now and my heart rejoices, because I have the privilege to reveal before you the life of one of the greatest Heavenly servants. As the same you are convinced by the reading of the title, the beginning of the Way for Prophet Elijah was in Gilead. The Bible represents it tersely:

"...Elijah the Tishbite, from Tishbe in Gilead..." (1 Kings 17:1)

May be, you will react here:

"Is it meaningful for you whose inhabitant Prophet Elijah has been? The fact that he has been from Tishbe in Gilead conveys nothing to me!"

It is naturally that it conveys nothing to you, my brother! So it has also conveyed nothing to me for ten years. However, when the Living Word of Father comes to you, That One, from Who everything is and for Who it is, then you should only bow your head, to kneel in His feet like a biblical Mary, so that Jesus Himself might give you the better part. Since, there really is a better part in this short explanation about the origin of Prophet Elijah and you will become very soon a witness of this part.

While Lord Jesus was examining my concentrating over the biblical verses, He came to my heart with questions. Here what He asked me:

"How can you explain the beginning of the Way before Prophet Elijah? And what is hidden in this scanty determination that Elijah has been from Tishbe in Gilead? If anybody is from Gilead, is not it mean that he has lived in Gilead?"

"Yes, my Lord! It means just this. Elijah lived in Gilead. If I look at this fact like a typically earth man, I will not reveal anything more. I could only look for the situation of Gilead in some biblical atlas."

“You do not need biblical atlas, Stefan! For, there is one other atlas, which I am going to spread out now before the eyes of your heart. Only it can reveal you what Gilead is like...”

After His words, Jesus stretched a hand to my head and put His hand upon my hair. So, a vision by Lord came to me. I could see a place, where there were gathered stones. The half of the place was enlightened, as if by sunlight, but the other half was dark and sinister. Then Lord approached to me and said:

“Look at My atlas now! See what My Holy Spirit is giving to you. For, this place, Stefan, is Gilead. Do you notice how categorically this cairn separates the light from the darkness? The half of the place is under the power of the Day, and the other half – under the power of the night. Can you remember where this separation happened and who realized it?”

The words of Lord convinced me again that even if I had been enlightened, I still remained only man and I was nothing without the God’s Holy Spirit. Therefore, I told Jesus:

“Lord, is it possible for me to be so blind? In fact, Gilead is the place, where Jacob and Laban made a covenant, according to which neither Jacob would go to the Laban’s dwellings, nor Laban would go to the dwellings of Jacob. It is not difficult for me to see in the very vision that this heap of stones, which Jacob called Gilead, was really a dividing line between two worlds, between two destinies, between two different generations of men...”

“Just right, My boy! Take notice of the fact that nobody else, but Father called to Jacob and told him:

“I am the God of Bethel, where you anointed a pillar and where you made a vow to me. Now leave this land at once and go back to your native land...” (Genesis 31:13)

What do you think? Why My Father called Jacob, so that he might separate from the Laban’s authority?”

“Lord, if I read attentively between the lines, it is evident that Father has been bored to see His chosen man under the power of one earth man. Therefore, the appeal is so clear:

“Leave this land and go back to your native land!”

When we submit to the voice of Father and accept His Spirit, we stop being earth men and under the power of the earth men. Then, every one of us experiences his own Gilead..."

"So it is, Stefan! Nobody of you will pass through his own Gilead, if he has not a motivation to leave a place suchlike this. And the motivation of Jacob was more than great. Since, tell Me, what a man was his uncle Laban?"

"Lord, my impression from Laban is very negative. He was one calculating, sly and very ominous man, a man, who has not an inflexible spirit. He was a man, who has very changeable and cross-grained character. While Jacob was working for him, he changed his salary ten ways. Finally, proverbial were his slyness and deceit, by which he made Jacob work fourteen years for his two daughters..."

"So, are not there lots of heirs of this Laban now, Stefan? And does not the Prophetic Spirit of My Father come in order to free the God's children from the power of such men? Are not there such men today, who ensnare the believing heart to serve them and to satisfy all their abominations? Are not there such Laban's heirs, who hide some home idol in their dark rooms and bow to it in secret? Should the descendants of Jacob stay under the authority of Laban's heirs? Will not a moment come, when the God's children will really become "inhabitants of Gilead", i.e. such ones, who are not under the power of men, but only under the God's authority? Here, this is the spiritual meaning of Gilead and the beginning of the Way in the life of Prophet Elijah. He was not under the human authority and he did not indulge the men. He had his own Gilead, i.e. that benevolence from the God, which all heirs of Laban must conform with. Whoever listens to My voice, he will surely want to go out of the power of the earth men, so that to submit to Me in Spirit and Truth. It also explains the vision I gave to you. Since, everybody, who finds Gilead, will understand that:

THE SINGLE APPEAL BY GOD IS MORE WORTHY THAN THE COMMON BOWS BEFORE MEN!

There will never be a queue in front of the doors of the God's Prophetic Spirit, because the human heart is very sick. One can really

lose more than twenty years in the craving after one Rachel, drug the idol of his father away, or in the deceit with one Leah, whose eyesight is poor. However, when Lord comes to your hearts and tells you:

I AM LORD, WHO FOUND YOU WANDERING IN THE HILLS AND SAVED YOU IN MY BLOOD!

I AM LORD, WHO GAVE TO YOU HIS COVENANT!

I AM LORD, WHO CONFIRMED YOU TO LISTEN TO HIS VOICE!

COME FROM AMONG THE DECEITFUL AND HYPOCRITICAL PEOPLE!

COME FROM AMONG THOSE PEOPLE, WHO HAVE TURNED THE CHURCH INTO PLACE OF FAMILY BUSINESS!

SINCE, THEY DECEIVED YOU, WHEN THEY FORCED YOU TO TAKE A PART IN THIS AMOBINABLE MERCHANDISE!

How many of you will hear My voice? How many will understand that when they run away from Laban, I will surely scold the persecutor and I will force him to stop before Gilead? Remember and know by your Lord that the devil can persecute and require you only to Gilead!

THE EVIL ONE CAN DEMAND YOUR HEARTS IN BABYLON ONLY BY THE MOMENT, WHEN YOU GO IN THE BEGINNING OF THE WAY! THERE, WHERE PROPHET ELIJAH RECEIVED THE VISION ABOUT HIS HOLY AND GREAT SERVICE BEFORE FATHER!

And the beginning of the Way means for you to withstand only the Life-saving Truth, uttered and written by My Apostle Paul. It is your Gilead! It is the stone pillar, which the devil can not remove. I ordered all you to be found in it! Here are the words of this pillar:

“Am I now trying to win the approval of men, or of God? Or am I trying to please men? If I were still trying to please men, I would not be a servant of Christ. I want you to know, brothers that the Gospel I preached is not something that man made up. I did not receive it from any man, nor was I taught it; rather, I received it by revelation from Jesus Christ...” (Galatians 1:10-12)

My Gospel is not a human gospel!

My flock is not from the Laban’s flocks!

**My Gospel is the Gospel of My Father through the Prophetic Spirit!
If anybody considers the Gospel like a way to multiply the flocks in his**

own benefit, instead of multiplying the God's flock for the Glory of God, such one has never known the God of Abraham, the God of Isaac and the God of Jacob! As to My people, who have already gone in Gilead, let them be attentive in the signs of My Word! For, My eyes can see many widows now! However, I will know and confirm My Covenant only in the widow from Zarephath in the region of Sidon!

Now, Stefan, see how Father will begin His great deed with Elijah in order to lead him in the Trial on the Way..."

After the last words of Lord, the vision with Gilead stopped, and the Holy Spirit filled my heart, so that I might be confirmed in the comprehension of the God's mysteries.

3. THE TRIAL ON THE WAY

Or about Prophet Elijah in Zarephath in the region of Sidon

There are many trials in the human life. But if there is a trial, related only with ascending Way upwards, this is the trial in the life of Prophet Elijah that God Father has spiritually sealed like a Sovereign program of the Holy Spirit for the last time. Do not wonder that everything stands in this way, but rather remember the verses at the end of "The book of Prophet Malachi:

"See, I will send you a Prophet Elijah before that great and dreadful day of the Lord comes. He will turn the hearts of the fathers to their children, and the hearts of the children to their fathers; or else I will come and strike the land with a curse..." (Malachi 4:5-6)

The great and terrible day of the Lord has not come yet. Those, who are under the God's benevolence, they know the great Day of the Lord, because Jesus comes in their life like a Day, like a True Light, which gives Life to every man. The Light was called "Day" yet in the first chapter of Genesis. As to the terrible Day of the Lord, the matter is different with it. Since, this book will talk just about this terrible Day of the Lord. It will talk about those ones, who will share very soon the fate of those four hundred and fifty prophets of Baal at the river Kishon. However, I should not anticipate events, because the Spirit of God will pour out the needful word on the suitable place in this book. Instead, let me give you a spiritual look upon the life of Prophet Elijah. The Word reveals us the God's servant in his first conflict with King Ahab, one conflict, about which it is written:

"Now Elijah the Tishbite, from Tishbe in Gilead, said to Ahab, "As the Lord, the God of Israel, lives, whom I serve, there will be neither dew nor rain in the next few years except at my word..."(1 Kings 17:1)

When Elijah pronounces these words, he knows very well just what he is speaking. Since, there is one earth and incredible contradiction, standing before the look of the prophet – the contradiction, named Ahab. Whatever I say about this pusillanimous and lawless king of Israel, it will be little. And I am not going to do so, because the Word of Lord talks of him that he has done

evil more than all others, who have lived before him. The question is not in that. The question is other, namely:

Where should we seek the spiritual descendents of this Ahab nowadays? And will it be difficult for us to find them? The spiritual marks of the last time are so clearly outlined, that this Ahab can not be anybody else, but an earth king, who tries to demonstrate a Heavenly mantle. That is why his kingdom is full with subjects. This present Ahab is so convinced that he is a God's anointed man that Father will surely send His prophet to him. And the ears of this king will hear the same word, which his prototype heard, too:

"There will be neither dew nor rain in your little earth kingdom, except at the word of the God's prophet..."

Such time has come, my brother, and I pray Lord Jesus to confirm you that the main reason for the prophet Elijah to be so categorical and topical in his words, is just this:

THERE IS NOT A GOD'S DEW, HEAVENLY RAIN AND SPIRITUAL REFRESHING FOR THOSE MEN, WHO DESPISE THE SERVANTS OF FATHER!

However, this earth king does not pay any attention to the words of the prophet. He has a great reason to be self-confident, because he felt himself like a happy bridegroom – one bridegroom, taken Jezebel from the tribe of Sidon to be his bride. The power of this demonic beauty is very huge. She is the firing might of the hellish powers. And if there is a reason today for the last Ahab to despise the prophets of Father, it is because he has accepted that Jezebel is the speaker of God's Will, authorized by the God Himself. Lord has spoken to Apostle John about this deceit; He has inspired him to write the words to the angel of the church in Thyatira:

"To the angel of the church in Thyatira write: These are the words of the Son of God, whose eyes are like blazing fire and whose feet are like burnished bronze. I know your deeds, your love and faith, your service and perseverance, and that you are now doing more than you did at first. Nevertheless, I have this against you: you tolerate that woman Jezebel, who calls herself a prophetess. By her teaching she misleads my servants into sexual immorality and the eating a food sacrificed to idols..." (Revelation 2:18-20)

Is it necessary, my brother, for me to convince you that if Jesus is Alpha and Omega, His words are Alpha and Omega, too? Lord has noticed the activity of the Jezebel's spirit in the churches very clearly yet in that time of the Early Christ's Church. And if Jezebel has been so active yet in the past, what will his success be now? Do you really think that God would send the Spirit and Power of Elijah unless He had the clear program to be destroyed the influence of the sorceress in the churches? That is why I tell you that this Prophet Elijah, who is standing before Ahab now, is the Prophetic Spirit, Who stands before pastors-hirelings. He warns them that while they are happily married the sorceress of Sidon, the Heaven will remain copper over them, and the earth will rest iron under their feet. As you may be guess, Lord will surely take care of His Prophet in this hardest time. There is a secret here, which I would like for you to understand, because Lord showed it to me in a vision. Here are His words, which came to my heart:

“Do you see, Stefan, that Elijah declared very responsible words before Ahab? And one earth king does not accept to be commanded or threatened. Especially, when he feels to be infallible and the deceitful pride testifies about his contempt to the God. However, see now what Father did with His servant. Since, Father ordered Elijah, yet before leading him at the widow in Zarephath in the region of Sidon:

“Leave here, turn eastward and hide in the Kerith Ravine, east of the Jordan. You will drink from the brook, and I have ordered the ravens to feed you there...” (1 Kings 17:3-4)

Now, look at the vision I am going to give you. It will explain lots of things to you...”

After His words, Lord made a vision come out before my heart. I could see Prophet Elijah, sit nearby the river Kerith. He held a sword in his hands. In the following moment, he bent down and drank some water from the stream. Then he brandished the sword in his hands and he tried with powerful swing its edge in a tree that was cut down by the sword. After that, Prophet Elijah was doing the same again and again. He was raising his swords and cut the trees down. I was wondered by this; so I asked Jesus:

“Lord, what is Elijah doing? It seemed to me that he tries his sword in cutting down the trees. Why is he doing that?”

Lord told me:

“According to the true words of Solomon to the king Hiram, it is not possible for the Sidonians and their queen to be powerful in cutting the trees, and My Father to forget making His servant powerful in brandishing the Sword of the Prophetic Spirit. Look, Stefan and comprehend that the brook Kerith is named just “Kerith”, because the spirit of the very name means “cut-throat thug”. Frightful as the word is, it is quite suitable and provoked. Since Ahab married Jezebel from the tribe of Sidon and a moment came, when she became a head of Israel instead of him. So, the whole Israel, except for the God’s rest, chosen by the God’s Sovereignty, began to fornicate and left the Covenant. That is why, My Father sent His servant to the brook Kerith. Since, “Kerith” means “cut-throat thug”. And when the head of the God’s people, i.e. its king, has become an obedient pawn in the Jezebel’s hands, then it has happened a full exchange of the God’s Authority with the devil’s one. Such head, My boy, must be cut off. Elijah, however, was so faithful and devoted to My Father, that he cut off no one, but four hundred fifty heads. Is it clearly for you now why this brook Kerith is like?”

“Yes, Lord! I understand very well now, that Elijah has had the solid and perfect leadership by Father in every step of his life...”

“Then, see the following step in the Way of Prophet Elijah, because just it is the perfect reflection of the present spiritual reality. See how My Father tells His servant:

“Go at once to Zarephath of Sidon and stay there. I have commanded a widow in that place to supply you with food...”

(1 Kings 17:9)

What do you think, Stefan? Is this widow accidental in the life and service of Prophet Elijah? If My Father has found with His testing look only one widow from Zarephath in Sidon among thousands other widows, I wonder what He has been impressed by, so that to point just her! Which things impress Lord your God nowadays? I also perceive now that there is only one widow among the thousands

widows – the widow from Zarephath in Sidon, whom I will also order to obey My servants, the Prophets...”

The questions of My Lord were more than deep. I was racking my brains and all my biblical knowledge, but I could not find the answer. Then Lord told me:

“The mystery about the widow from Zarephath in Sidon is locked in the God’s heart. Only that one, who loves the Prophetic Spirit by all his heart, he will contrive to understand the very mystery. This secret will not become evident unless I show to you the vision itself in the Zarephath in Sidon...”

So, Lord revealed a vision in front of my eyes that contrasted with whatever notion from the biblical text. However, this was the spiritual Truth of the God. I could see myself on one hot place, where there was an immense furnace, glowing to red. Then I saw lots of men and women. Every man has got his woman and every woman has got her man. They were formed in front of the fiery furnace, and the devil itself was standing at the entrance of the furnace. He had tied each pair with chain, and every chain was bound with one common huge chain. So the devil began to pull the main chain and to push the pairs into the furnace. When feeling the devil’s pulling of the chain, the pairs began to laugh and cry “Alleluia!” After that they were going into the very fiery furnace, full with fusion of iron. The lava was sticking upon the pairs, and they openly fell into ecstasy. So, it came a moment, when all pairs were in the furnace. Then my look noticed a woman with covering who neither had a man to herself, nor was tied with the common chain. At the view of the lonely woman, who did not want to come into the furnace together with them, the pairs began to cry against her:

“Boo! Wretched woman! You have not a man, because you are a widow! You have not the privilege to go into the furnace like us! Boo!”

I looked at the devil. He was fomenting the fury and contempt in the hearts of the pairs and I saw his face, crooked with pain. Satan was not glad that all the pairs were in his furnace. No! He was in pain, since he had not an authority over the widow. In that moment, Lord touched my heart and said:

“Do you see now, Stefan? Do you see that every woman has a man and every man has a woman in Zarephath in Sidon, except for one

widow? Does not the word "Zarephath" mean blast furnace? Now, imagine how brisk the fire of the devil is! It is brisk enough to fuse the iron and to make everybody go into the furnace. Here such is the generation of today – a generation of fanatics. It is a generation of hardened societies that despise the voice of My Holy Spirit. It is a generation that falls entirely under the words I told you:

"As it was in the days of Noah, so it will be at the coming of the Son of Man. For in the days before the flood, people were eating and drinking, marrying and giving in marriage, up to the day Noah entered the arc; and they knew nothing about what would happen until the flood came and took them all away. That is how it will be at the coming of the Son of Man..." (Matthew 24:37-39)

Do you see that your Lord has perceived as the marrying, so the marriages, too? Do you see that Babylon is "Zarephath in Sidon" of today, i.e. Sidonian fiery furnace that swallows thousands upon thousands by the sorcery of Jezebel? Since, Jezebel is the full personification of the spirit of Sidon and its new name among the people and society of the God. Then, what may rejoice your Lord, Stefan? Those pairs, entering the iron-smelting furnace of Lucifer, or that one, who is considered to be widow by the vainglorious churches, since the authority of her earth pastor has died in her eyes and she has preferred the Heavenly One? Do not you understand that only the widow from Zarephath in Sidon will accept the Spirit and Power of Elijah? Since, if the others went into the furnace, it happened, so that to be realized the written that the man rules over his woman and each her desire would be under his will. So churches of today, married their earth pastors, become just these girls, incited by the devil to the fiery furnace of the fanaticism and hardening to the voice of the Holy Spirit. How many of them will remember the warning of the verse from "Hebrews":

"Today, if you hear his voice, do not harden your hearts as you did in the rebellion..." (Hebrews 3:15)

When this iron gets cool, they will accept the shape of their sly inspirer. Since, he casts the image of the beast and the number of his

name just in this furnace. You, however, look again at the widow from Zarephath in Sidon. Are you impressed by the fact that there are so many girls, but only one widow?"

"Lord, You have told me that one is Your dove, Your perfect one..."

"So it is, Stefan! However, you rather remember what My Father tells Noah, a moment before the flood. Do you remember His words?"

"Yes, Lord! Father was talking to Noah, telling him:

"Go into the arc, you and your whole family, because I have found you righteous in this generation..." (Genesis 7:1)

Then, see My servant Elijah and his entering Zarephath in Sidon. What are the marks on his way?"

"Lord, it is written:

"So, he went to Zarephath. When he came to the town gate, a widow was there gathering sticks. He called to her and asked, "Would you bring me a little water in a jar so I may have a drink?" As she was going to get it, he called, "And bring me, please, a piece of bread." "As surely as the Lord your God lives," she replied, "I don't have any bread – only a handful of flour in a jar and a little oil in a jug. I am gathering a few sticks to take home and make a meal for myself and my son, that we may eat it – and die..." (1 Kings 17:10-12)

Hardly read the verses, I turned my eyes to the Lord. He was looking at me with strange and inexplicable look. There was some sorrow in it, but also inner satisfaction. This look was full both with compassion and hope. Then Jesus told me:

"See, My boy, as Father saw only Noah to be righteous before Him, so did I, seeing in this generation only this widow to be righteous before Me. She recognized the prophets, sent by My Father, since she swore no in the Lord her God, but in the Lord their God. She put the Will of God, coming by His prophets higher than her personal understanding of the God's Will! She remained poor in the worldly things. She did not bow to Mammon, so that to receive his money. She did not allow the spirit of Jezebel in her heart, so that to wave his diplomas. While the others were hurry to marry their authoritative pastors, she was hurry to destroy the human authority in the eyes of

her contemporaries and became a widow. While the girls were filling the halls for conferences, she was filling the gold bowls before My throne with tears of vindication and intercession. While the others were gathering the donations and goods of Babylon, this same widow was gathering the last sticks, so that to succeed in keeping the Lord's Fire in her heart. With a handful of flour and a little oil, she was more worthy for Me than all self-reliant generals and their wives. She was ready to die for Me, and refused to do the compromises, which others did. Therefore, I send the Word of My Prophetic Spirit to the widow from Zarephath in Sidon. Moreover, I tell her the words, by which I seal her spiritually like My faithful Church:

"These are the words of him who is holy and true, who holds the key of David. What he opens, no one can shut, and what he shuts no one can open. I know your deeds. See, I have placed before you an open door that no one can shut. I know that you have little strength (only a handful of flour and a little oil), yet you have kept my word and have not denied my name... as the other girls, who were hurry to adorn themselves with the names of their earth pastors, did it. Since you have kept my command to endure patiently the whole lawlessness of Zarephath in Sidon and all the fire of the vainglorious hatred and contempt, I will also keep you from the hour of trial that is going to come upon the whole world to test those who live on the earth. I am coming soon. Hold on to what you have, so that no one will take your crown. Since, even if you are a widow in the eyes of the vainglorious men, I recognize you to be My Bride. Therefore, these are the words of your Lord:

The jar with your flour will not empty, nor will the jug with your oil grow smaller by the day, when Lord will pour out the last rain of the taking in Heaven upon the earth. The God's Prophetic Spirit will surely recognize in you the faithful, devoted and worthy for the Lord's Name bride. Then the great deeds of the God's Prophetic Spirit, of the Spirit and Power of Elijah will appear in you..."

Here, these are the words of Lord your God to His last and Living Church upon the earth. The alert men will surely hear My voice. The

sleeping ones will surely abuse My Name. The time of the widows is today. Lots of churches are also widows, because they have killed their True husband Jesus, but the bride from Zarephath in Sidon is a widow, because she has killed every human authority and she keeps her pureness and virginity for the Lord.

You, however, go further on the Way of Elijah and bend your heart to comprehend all perfect words of the Lord your God. Since, the trial with Carmel is the Fiery test of My Father. Some people will withstand in it, but others will be defeated..."

4. THE CLASH WITH THE DEVIL ON THE WAY

Or about Prophet Elijah in Carmel

My brother! Do you know what happens, when Lord in His zeal has allowed the devil to attack the walls of the God's Temple? It happens that everything, which is not sound and built by Him, falls down. All trials, which Father has imposed upon the churches of the last time, pursue one and only aim:

TO BE CRUSHED THE HUMAN THINGS AND TO REMAIN THE GOD'S ONES!

I have been at a loss many times before. I have wondered what this terrible power of the devil is that sweeps away whole churches and denominations by false doctrines. I have been horrified many times at the view of the spiritual destruction. Then, I have fallen with prayer before my God and weeping, I have asked Him:

"Lord, is this Your Church? Look at it! Everything is breaking down! See, Lord, the holiness of the preacher is successful only by the moment, when he hears the rustle of the first banknote of five hundred dollars. However, when the banknotes become of thousands or more dollars, this holiness flies away like the birds in autumn. Why is Your Church so weak?"

One day Lord scolded me, openly crying in my heart:

"Who told you that this is My Church? Who told you to reproach the Lord your God? Who advised you to look at the breaking of the human things and to sorrow over them, as if the God's things have fallen down? Does not My Word say that the Universe has established, so that it can not be moved? If Lord your God is powerful to create an immovable Universe, is it difficult for Him to create a Kingdom that does not move? For, even Elijah, whom I made a witness before My throne, had not in one moment the wisdom to comprehend that I always keep My faithful rest. My Perfect Power testifies to this rest. It is My Church and My people in My determined time upon the earth..."

Exposing as the Father's words were, they were also very healthy for my spirit. They taught me to be looking for that position, that heart state, that motive of the faith, by which I would be able to declare with raised hands before the Throne of the Eternal God:

“Though the fig tree does not bud and there are no grapes on the vines, though the olive crop fails and the fields produce no food, though there are no sheep in the pen and no cattle in the stalls, yet I will rejoice in the Lord, I will be joyful in God my Saviour. The Sovereign Lord is my strength; he makes my feet like the feet of a deer, he enables me to go on the heights...” (Habakkuk 3:17-19)

Say “Amen!” to this word, my brother! You will also be raised by the anointing, with which Jesus fills this book, and you will be walking on the heights of the Prophetic Spirit. If there is something I have always dreamt about, it has been that Jesus might make me like Prophet Elijah in my spirit and heart. This prophet did not leave us written testimonies about his life and deed, nor revealed His perfect walking before the Lord. Evidently, he was the prophet, whose life was locked in the God’s Sovereignty, so that Father might inspire with his life only those, who are pointed by Him, but not those, who point at themselves. There is a sublime moment in this step from the Way of Prophet Elijah, which has no analogy upon the pages of the Old Testament in the respect of its majesty and influence. This is the categorical clash between the earth “anointed man” and the Heavenly anointed one. The words of Ahab and Elijah are such an illustration of their spiritual difference, as only the difference between the devil and the God might be. Imagine only one angry and shaken by fury monarch, who has been looking for Prophet Elijah in all kingdoms and nations. Seeing the prophet in front of him, he says through clenched teeth his malicious question:

“Is that you, you troubler of Israel?”

Do you know that if the Word talks about Jesus that He is **“the Same yesterday and today and forever...”** the same thing might be told in a full degree about the devil, too? Since, he is the same sly serpent as in the time of Ahab, so today. The spirit that was active in Ahab once, he would be one of the players in the spiritual war of the world today. If the great part of the Bulgarian pastors would have the dissatisfaction to meet me face to face, they would say the same thing:

“Is that you, you the troubler of the church? Is that you, the troubler of the Pentecostal union? Is that you, who disturb the believers and teach them not obeying their pastors?”

I have not any intention to hide myself and my address stands invariably on the back cover of my books. However, believe me, my brother, that if I receive such a question, I will answer without any hesitation with the words, which Elijah directed to the earth kinglet:

“I have not made trouble for Israel,” Elijah replied. “But you and your father’s family have. You have abandoned the Lord’s commands and have followed the Baals...” (1 Kings 18:18)

I do not disturb the Church, gentlemen, but you, pastors hirelings, with your worldly doctrines! For, you left and abused the holiest commands of Jesus and you passed into an open revolt and evident fornication! Since, you bowed to Mammon and got his doctrine about the prosperity into the Temple! So, you deprived lots of believers of the Father’s choice, about that apostle James wrote:

“Has not God chosen those who are poor in the eyes of the world to be rich in faith and to inherit the kingdom he promised those who love him...” (James 2:5)

Since, you bowed before Jezebel and brought her make-up into the Temple! So, you deprived lots of believers of the God’s benevolence, about that apostle Paul wrote:

“I keep asking that the God of our Lord Jesus Christ, the glorious Father, may give you the Spirit of wisdom and revelation, so that you may know him better...” (Ephesians 1:17)

Since, you bowed before Korah and brought his mad obstinacy into the Temple!

Since, you bowed before Balaam and you found hired prophets for yourselves, who would prophesy about “peace”, when there is no peace and who would caress your hearts with soft and calming words! You considered yourselves to be lights that nobody could expose; therefore, your pride has deceived you and your vainglory has defeated you! You have always rubbed in on your meetings:

“David did not raise a hand against Shaul! Since, Shaul was the God’s anointed man!”

In the same time, you forget the written word that David was anointed by Father to be a king. One, who is anointed to be a king, can not raise a hand

against other anointed man, who is reigning. However, other man, who is anointed to be a personal messenger of Father and who expresses His absolute Sovereignty, he can raise such a hand! For, if David did not raise a hand against Shaul, the Samuel raised it... He not only raised it, but Lord deprived His Kingdom of Shaul and gave it to David by the words from Samuel's mouth.

Now, see, my brother, the most important moment from the argument between Prophet Elijah and Ahab. This earth kinglet (Ahab) and the confession of his mouth speaks very well that he is instigated, well-trained and captivated by the deceits of the devil. As to Elijah, he sees all that in the heart of Ahab and pronounces with power and authority:

"Now summon the people from all over Israel to meet me on Mount Carmel. And bring the four hundred and fifty prophets of Baal and the four hundred prophets of Asherah, who eat at Jezebel's table..." (1 Kings 18:19)

Can you imagine it, my brother? What must have been the might, power and authority, by which the prophet has pronounced his words, so that Ahab might believe him, despite his corruption? These might, power and authority are not human ones!

THEY ARE THE MOUTH OF GOD FATHER!

However, it is possible that something fails, if Lord of the spirits and each creature has commanded it? That is why Ahab fulfilled very obediently the command of Prophet Elijah. From this moment on, the Way of Elijah, Who is the Way of the Prophetic God's Spirit, has its New Testament realization in the last time before the life of all churches. What is this realization like? And what is the trial on the Mount Carmel? I would not have the answer of these questions, if the God's anointment upon my spirit was not flowing like a river. Then – excellently real for my spirit – Lord Jesus told me:

"Stefan, do you believe that My Father is That One, Who commands good and evil?"

"Yes, Lord! Prophet Isaiah also gives us in his book the words of Father, Who says:

"I form the light and create darkness; I make peace, and create evil: I the Lord do all these things..." (Isaiah 45:7 – KJV)

“Then think, why My Father has allowed the appearance of Jezebel. Why has this powerful and mighty sorceress got the most successful spirit of evil in the last times upon the earth, so that all nations to be deceived by her sorcery? Is Father surprised by her activity, or the men, who do not know Him? Who was that man from the New Testament, who warned that a tribe of spiritual Sidonians would always be going round the God’s people? By what were the Sidonians well-known?”

“Lord, the Sidonians were the most skillful in cutting down the trees. They are the servants of Jezebel, by who the sorceress cuts off the relation between the believer and God!”

You told that very well, since I have already inspired you to be a witness to a lawsuit against the spirit of Jezebel. However, you did not answer to My question again: Who was that one from My New Testament, Who warned about the tribe of Sidon?”

The answer had already shined in my mind. Therefore, I smiled and told Jesus:

“My Lord! Who other may know the strategies of the spirit of Jezebel, except for that one, who went before Father in the Spirit and Power of Elijah? Of course, that John the Baptist warned about the spirit of the tribe of Sidon and sorceress Jezebel. He was that one, who declared to the Pharisees:

“The ax is already at the root of the trees, and every tree that does not produce good fruit will be cut down and thrown into the fire...”

(Matthew 3:10)

Do you understand now, that My Father is That One, Who gives powers to the devil and let him cut down all trees that do not produce good fruits? Has not My warning the same spirit and destiny?

“Likewise every good tree bears good fruit, but a bad tree bears bad fruit. A good tree can not bear bad fruit, and a bad tree can not bear good fruit. Every tree that does not bear good fruit is cut down and thrown into the fire. Thus, by their fruit you will recognize them...”

(Matthew 7:17-20)

If I gave you the vision with Zarephath in Sidon in the previous chapter, is there a reason for you to be astonished be the vision with

the devil's furnace? Has not the Word that your Lord has spoken, been realized? Have not the fruitless been cut down? Have not they been thrown in the fiery furnace of the evil one?

Then, do you understand that:

MY FATHER IS THAT ONE, WHO ALLOWS THE SIDONIANS TO CUT DOWN EVERY TREE, WHICH DOES NOT GIVE MY FRUIT, FROM ITS ROOT!

MY FATHER IS THAT ONE, WHO HAS A MERCY TO THE CHURCHES AND THEREFORE HE SENDS HIS PROPHETS TO THEM TO WARN THAT THE SPIRIT OF JEZEBEL WHO IS THE SPIRIT OF SIDON, WILL BE GETTING THE MORE POWERFUL, THE MORE FRUITLESS THE HEARTS BECOME!

Each fruitlessness increases the power of Jezebel and she has a right, allowed by My Father, to cut down and take in captive all people, who she finds an access to. When My Apostle Paul warned the Thessalonians about the retribution by My Father upon the fruitless people, he had in mind just the spirit of Jezebel:

"For this reason God sends them a powerful delusion so that they will believe the lie and so that all will be condemned who have not believed the truth but have delighted in wickedness..."

(2 Thessalonians 2:11-12)

Let nobody murmur against the absolutely just destinies of My Father. For, in all things God works for the good of those, who love him, who have been called according to his purpose, but He does not work for the good of those, who leave Him like prostitutes. Such ones surely fall under the mighty sorceries of Jezebel, so that to be defeated in spirit, soul and body.

Then, think! What else might be the Prophetic trial at the Mount Carmel, save the trial, related with the fruit of the Spirit? Does not the word "Carmel" mean "fruitfulness"? Does not Lord your God set the day for one last trial of the churches before the last Carmel? Now, look at this and comprehend it, My boy, since such are the deep mysteries of the God's Prophetic Spirit. This Spirit will test the fruitfulness of all churches and believers, so that to be sifted out what is pure from the

impure. Look at the words that Prophet Elijah tells the already gathered Israelites, as well as the lots of false-prophets. Look and see, that the spiritual situation is absolutely the same in the churches today..."

I looked at the words, by which prophet Elijah turned to Israel and the false prophets. Here they are:

"How long will you waver between two opinions? If the Lord is God, follow him; but if Baal is God, follow him." But the people said nothing..." (1 Kings 18:21)

Hardly read the words of the prophet and about the reaction of Israel, Lord was speaking again in my heart, saying:

"Do you perceive that the people of Israel did not answer anything to Prophet Elijah? Who was that one, who had tied the lips of these thousands people? Who made them look like madmen? Who made them feel guilty in their own hearts? Was not it the fear of the false prophets? And is there any fear in My Love?"

"No, Lord! There is no fear in Your Love. Apostle John wrote about this Love in his message, saying:

"There is no fear in love. But perfect love drives out fear, because fear has to do with punishment. The one who fears is not made perfect in love..." (1 John 4:18)

"And, what else might My Love be, save the Fire of My Holy Spirit? Then, do you understand that everybody, who fears, acknowledges by your will that he has not My Fire. Ask such a man where My Fire in his life is. Since, My Fire is not into the diplomas and brief-cases. My Fire is not in the commerce. My Fire is not in the prosperity, too. There is only cold and cool in all these things. Here in this way, a great number of cooled people have gathered before the Mount Carmel. These were men, who have been frightened by Jezebel and her false-prophets to such extent, that they have been only observers of the spiritual conflict, instead of people with clear and realized spiritual stand. Then, the prophet of My Father, looking how the fear has paralyzed all hearts, lays one condition before the false prophets of Baal. Just this

condition is the Fiery trial by Father before the Mount Carmel. Look at this condition, Stefan..."

I looked again at the biblical tale. It was told there that:

"Then Elijah said to them, "I am the only one of the Lord's prophets left, but Baal has four hundred and fifty prophets. Get two bulls for us. Let them choose one for themselves, and let them cut it into pieces and put it on the wood but not set fire to it. I will prepare the other bull and put it on the wood but not set fire to it..."

(1 Kings 18:22-23)

Then Jesus continued to talk to me, saying:

"Go deep in the things I give you and write them on a book very carefully. For the trial on the Mount Carmel is the spiritual test of the God's Prophetic Spirit for all churches in the last time. If My Father realizes His Word from Malachi to send Prophet Elijah before the great and dreadful day of the Lord comes, then, you should understand that if Elijah is anywhere, Carmel will be there, too. See also, that Prophet Elijah requires to be prepared two bulls: one – for the false prophets of Baal and other – for the sacrifice of the Prophetic Spirit.

So, butchered cattle stand in the foot of the Mount Carmel before the look of My Father and like a testimony before the Heaven and earth. Here, the trial is forthcoming. And you, can you remember My words in the Gospel, where I revealed in "The Proverbs" absolutely the same trial..."

Yes, Jesus! In "The Gospel of Matthew", You tells the proverb about the Heavenly Father, Who made a wedding banquet for His Son and sent His servants to call the invited to the wedding. God Father Himself declared in this proverb:

"Tell those who have been invited that I have prepared my dinner: My oxen and fattened cattle have been butchered, and everything is ready. Come to the wedding banquet..." (Matthew 22:4)

"Here that I see here, at the Mount Carmel, two butchered bulls, by which Father will perform His fiery trial. Therefore, I believe that the Fiery Trial of the Prophetic Spirit comes a moment before the wedding of the Church with You. It will determine who are worthy for the wedding and who are not..."

“However, what does it mean for you to go to the wedding banquet, Stefan? Does not it mean that the Lord’s Bride must be clothed into clear and bright fine linen? Is not the fine linen the righteous deeds of the saints? What might be this righteousness that all these onlookers of the spiritual battle between Prophet Elijah and the false prophets of Baal are talking about? Have they got any stand on this conflict? Do they feel any Love to the Prophetic Spirit of Father, Who comes to save them? Is not the truth rather in other thing, namely, that all these cooled and madmen are possessed by Jezebel to such extent that, if God does not startle them, they would remain twice greater sons of hell? And when I sent you to the churches with the Word of the Prophetic Spirit, did not the same picture repeat as you see in the happened with Prophet Elijah? Since, all people read the prophetic visions and depths that I give you, but in spite of that they have retired in their hearts and keep their “holy” doctrines. They do not dare even to open their mouth in defence of the prophetic word, because then Jezebel will surely throw them out of Zarephath in Sidon. However, either some people will accept the Prophetic Spirit, or others will blaspheme It, either some people will go on the crossroads, or others will remain in the swamps of Babylon, in both cases, this Fiery trial by My Father will be held and will determine the place of everyone. Now, look at the following words that Prophet Elijah told the false prophets, so that you might understand the very trial...”

I turned back again at the biblical tale. There, Prophet Elijah was talking to the prophets of Jezebel:

“Then you call on the name of your god, and I will call on the name of the Lord. The god who answers by fire – he is God.” Then all the people said, “What you say is good...” (1 Kings 18:24)

Then Jesus asked me again:

“How do you understand the trial with the Fire? And how can you explain the categorical assurance, by which Elijah puts the condition of the very test? Why does the prophet of My Father say with such assurance that the god, who answers by Fire, he is God?”

"Lord, the devil can imitate many things, but he has not the God's Love. He has not the Fire, because Father took the Fire from among him yet when He threw him out of Heaven on the earth. The devil can have his perverted fire, by which he provokes the passions and malice, the fury and contempt; so he can make the furnace of Zarephath in Sidon much more blazing. However, he has not the Fire, which testifies to the self-sacrifice. Since, self-sacrifice for the Heaven and Father means for us to perform Your words:

"My command is this: Love each other as I have loved you. Greater love has no one than this that he lay down his life for his friends..."

(John 15:12-13)

"Lord, if I want to perform your commands, lead by the spirit of the Fiery trial in the Mount Carmel, then I would be able to read Your words also in this way:

"This is My command, to make a fire blaze inside you, as I was doing that once... Nobody has a greater Fire than the Fire, by Which people offer bulls as sacrifice before the altar of Father..."

Jesus looked at me with great Love and caressed my head. Then He said:

"Here, this is the Fiery trial, Stefan – a trial, by which you will show before the eyes of the whole Heaven that the Fire of Father lives in your heart. The same this Fire was alive in the heart of Prophet Elijah. My Father has had lots of zealous prophets, but the most zealous for His Name and the fieriest for His deed was Prophet Elijah. This Fire that was burning in the heart of Father's servant was not only a demonstration, but an example. While the prophets of Baal were crying and calling to the devil without result, cutting themselves with the swords, Prophet Elijah showed to Israel that the same Fire, which would fall upon the bull, was already burning in his heart. Now, see what Elijah made by the Fire, because My prophets would do the same today..."

I turned back again at the biblical text and I read the written there:

"Then Elijah said to all the people, "Come here to me." They came to him, and he repaired the altar of the Lord, which was in ruins. Elijah took twelve stones, one for each of the tribes descended from Jacob,

to whom the word of the Lord had come, saying: "Your name shall be Israel." With the stones he built an altar in the Name of the Lord..."

(1 Kings 18:30-32)

Then Lord told me with very serious voice:

"Tell all people, who want to be in the Eternity with Me, that My Father commands the restoration of His Temple today. Those ones, who will rebuild it, will be the God's prophets. They are who were born by Me and raised in the knowledge of Truth, so that the written by the prophet might be reality:

"Your people will rebuild the ancient ruins and will raise up the age-old foundations; you will be called Repairer of Broken Walls, Restorer of Streets with Dwellings..." (Isaiah 58:12)

If Elijah told Israel: "Come here to me!" and Israel obeyed him, then I order all people, who hear My voice:

Come here to My prophet, because he is, whom I ordered to rebuild the fallen David's tabernacle!

Come here to My prophet and turn your eyes aside of the false prophets of Jezebel.

For, the false prophets of the sorceress will continue to deceive your hearts with their diplomas, conferences, vainglory, with their sin, pride and haughtiness. But that one, who will rebuild the ruins, he will do it by Power of My Father. This Power will confuse all servants of the devil. I know well the wile and malice of the Jezebel's servants; that is why, I will allow all the malice, fury, injustice and sorcery to pour out upon the ministry of My servant Stefan. So Prophet Elijah prepared his offering and commanded to be poured out with water – once, twice and even third time, so that the Fire of Father might not succeed in burning him. However, I tell all people, who like to call themselves "pastors" and to exploit the sheep for themselves:

**Do not stand against the Way of the Prophetic Spirit of My Father!
Do not abuse My servant! Do not speak perverted words, by which you defeat your hearts!**

Do not stop the deed of the Prophetic Spirit!

No matter how much water you will pour out of your sinful hearts upon the pure word of My prophet, the hour of the evening sacrifice and offering will come very soon. Then, the Fire of My Father no only will burn the offering, but it will swallow all the water and all the resistance that you have no only against the man, but against That One, Who has sent him.

I, Lord and God Jesus Christ, testify to everyone, who reads this prophetic book that, the Fiery trial on the Mount Carmel is a spiritual transformation of the present test, that My Father makes through the Word of the Prophetic Spirit, so that the secrets of your hearts might be revealed!

I, Lord and God Jesus Christ, testify to everyone that I will recognize him like one of My people, if I see him worthy and faithful just on the Mount Carmel. Since, Carmel means "fruitfulness"; and the head of My Bride I have seen just like fruitful:

"Your head crowns you like Mount Carmel. Your hair is like royal tapestry..." (Song of Solomon 7:5)

As to those, who believe that they are prophets, but their heads are full with theology, greed and wile, the sharp Sword of the Prophetic Spirit will surely fall upon their heads. I will command over the wicked ones the same doom, as Prophet Elijah performed with the prophets of Baal at the river Kishon.

Now, see what happened at this river. Let the drunks become sober, let the sleeping ones awake, while I have not closed the doors at the Way yet..."

After His last words, Lord directed my mind and heart to the happened with the prophets of Baal at the river Kishon. Therefore, let me direct your attention there.

5. THE VICTORY ON THE WAY

Or about Prophet Elijah in Kishon

My brother! Do you know what the greatest tragedy of the last generations of Christians is? The tragedy consists in the fact that they do not know the heart of Father. The tragedy is that there is not more important place for the earth man than the earth. All visions of the earth people begin from the earth and finish on the earth. All their dreams begin from the earth and finish with the earth. Nobody of them think that a man is only one traveller in this world. However, it is not important if you are a traveller, but rather what the way, on which you are walking, is.

For the last ten years, Lord came like a great Light in my life. He came to tell me that all we, who have believed in His Name, have not begun our life for Him yet. Everything on this earth is still one preparation, one general repetition before the coming of the Eternal Kingdom and the Eternal Life of Jesus. Here, you should think seriously. The devil has the earth, but Jesus came to give you Heaven like a gift. The devil rules and domineers over this world, but that light and splendid Zion that is much higher is a place, where he can not reign.

I can not imagine that many will deny the Eternal Life so frivolously, so that to gain one fleeting pleasure of "beautiful" earth life for several years. Since, the fateful words of Jesus will fall upon the hearts of such men:

"What good will it be for a man if he gains the whole world, yet forfeits his soul? Or what can a man give in exchange for his soul? For the Son of Man is going to come in his Father's glory with His angels, and then he will reward each person according to what he has done..."

(Matthew 16:26-27)

The devil would not be so powerful if Father did not allow him to test the whole world. So, the prince of the darkness has really mobilized all his efforts, so that to deceive and kill as many as possible men. And the most effective weapon, by which you can kill or pierce somebody, from the antiquity to nowadays, is the sword.

In this chapter, I want to reveal you the visions that Jesus gave me in order to enlighten my heart about the happened at the river Kishon.

After the categorical victory at the Mount Carmel it became so, that Israel became sober. People understood that Jezebel, who married their earth king, was not a prophetess of God Father at all, but a wicked woman-charlatan, who had become a mere tool in the hands of the devil with the power of her charm. She was a tool for murders and deceits. One wicked tool, by which were killed hundreds God's prophets, and the evil one put on their place the false prophets of Baal. Can you only imagine how the thousands people have been hurry to catch and tie the trembling liars, and then to give them up to Prophet Elijah? However, more interesting remains the fact that Elijah did not have it out with the servants of Baal at the Mount Carmel, but he led them at the river Kishon and butchered them there. This decision of the prophet is not casual, but it has its inner reason, which I want to reveal you. While I was thinking over the happened with the prophets of Baal, Lord came again at me and began to talk to my heart:

"Do you see, Stefan, My Father gave Elijah one of the most remarkable victories, that servants of Heaven had ever had over the devil. Then, think over the fact how Prophet Elijah was intrinsically motivated to butcher so many false prophets and why he did it at the river Kishon. Do you think that Elijah was moved only by the written proverb "Eye for eye, tooth for tooth"? Had not the acts of the God's servant one spiritual motive, deeper than merely retribution and revenge?"

"My Lord! The biblical text is so short that I would not understand anything more, except for the fact of the already written, if I had not the Spirit of wisdom and revelation..."

"Then, see the hidden, too, Stefan! It is very necessary for My children. See how Prophet Elijah took the false prophets in captive and what he did with them, a moment before cutting their heads..."

After the words of Jesus, a vision appeared before my heart. I could see all those four hundred and fifty Baal's prophets, who were bound with ropes. People around them were jostling and spitting them, and Prophet Elijah was looking at them with especially sharp regard. So, Prophet Elijah raised his

hand, so that to pacify the violent Israelites, who were hurry to repay to the servants of Baal. Then, the prophet of Father turned to the Baal's prophets and asked them:

"Will you repent because of your fornications and evil, which you did to Israel? Will you repent that you were standing on the Jezebel's table and doing the evil that she required from you?"

Then, one of the Baal's prophets, who was highly respected by the rests, looked at Elijah with malice and told him:

"Even after the sign with the fire, we continue to stand for Jezebel. She is a prophetess of the supreme god, so mighty, as a prophetess Deborah, who your fathers listened to, was. Prophetess Deborah gave the victory to Barak. And prophetess Jezebel will give our victory..."

The words, told by the Baal's servant were so abominable and provocative toward God and Father that in the following moment, Prophet Elijah fell on his knees, raised his hands to Heaven and cried:

"Father, let become evident before You now that these men blasphemed Your Name and profaned Your Will. They did not repent after Your signs at the evening offering! They decided that Jezebel from the tribe of Sidon had the same power, as You had given once to Your servant Deborah. I pray You, Father! You should decide the fates of these people, because they are wicked and stiff-necked..."

In answer to the Elijah's prayer, Father sent an Angel of Lord among the very multitude, who pointed with his staff at the self-styled prophet and said:

"If your mouth have told the Truth, let Jezebel give you success at the river Kishon, as God through Deborah gave success to Barak against Sisera at the same river. However, if your mouth have told lie, let be cut the heads of yours and the whole your suite, because you raised a hand against the God's Anointed Man. Let everything that Lord of the spirits will do at the river Kishon reveals whose mouth have told Truth and whose ones – have not..."

After these words the Angel of Lord disappeared, and Prophet Elijah drove on the whole suite to the river Kishon. The vision made me hold my breath. Only now did I realize that if Elijah led the Baal's servants at the river Kishon,

it was, so that God Himself might destroy the self-proclaimed prophetess. Then I asked the Lord:

“Lord Jesus! Why is this deep secret missing in the biblical text?”

Jesus smiled and replied:

“It is a glory of God to conceal a matter; to search out a matter is the glory of kings. This mystery that the vision above reveals is only concealed in the God’s Sovereignty. For, the sin of the Baal’s prophets is a sin, which casts a reproach on the Personal right of My Father to choose servants according to His Will. And if many Israelites of that time were deceived by the devil to consider Jezebel like one, who was coming in the spirit and calling of Deborah, then, do you understand now, why the destinies by Father are so perfect? Once, Deborah gave the victory to Barak at the river Kishon, telling him:

“The Lord, the God of Israel, commands you: “Go, take with you ten thousand men of Naphtali and Zebulun and lead the way to Mount Tabor. I will lure Sisera, the commander of Jabin’s army, with his chariots and his troops to the Kishon River and give him into your hands...” (Judges 4:6-7)

So the Baal’s prophets had the self-confidence that their Jezebel would surely surmount over Elijah, since the devil had lied them to consider her so powerful, as Deborah was, too. Therefore, Elijah led them at Kishon and told them:

“The living God, Whom I serve by my spirit and heart, He will repay to you now; you, however, cry to Baal, who did not hear you at the Mount Carmel. May be he will hear you at the river Kishon and will send Jezebel to save you...”

Then, the sword of the prophet, which he had waved hardly at the river Kerith, was brandished again, so that to be cut off all those heads, which were full with the devil’s deceit. Here, such are, Stefan, the mysteries of the God’s Prophetic Spirit – mysteries, which I am giving today to the few ones, who are listening to My voice; mysteries, which I am giving to those, who accepted a prophet in the name of a prophet, so that to receive a reward of prophet. However, if everything is pure for the pure man, everything is impure for the impure one. The

present servants of Jezebel, the theologians, will surely repeat the sin of the Baal's prophets; they will not repent and deny their diplomas and university educations. Therefore, they will be cut off by the Sword of the Prophetic Spirit. And there will be no four hundred and fifty, but thousands upon thousands servants of Jezebel on this last Kishon, where My Father commands His retribution over the stiff-necked and disobedient people.

So, Lord your God tells you:

If anybody did not obey Me at Gilead, let him obey Me at Zarephath in Sidon!

If anybody did not obey Me at Zarephath in Sidon, let him obey Me at Carmel!

If anybody did not obey Me at Carmel, I would repay such one at the river Kishon!

As to those, who follow the Prophetic Spirit of Father firmly and zealously, they will experience the greatest pouring out of the Holy Spirit, called by the prophets of My Father at the top of Carmel..."

6. THE TRIUMPH ON THE WAY

Or about the men, born at the top of Carmel

My brother! I wish Father would approach you by this book to His heart. I wish you would understand once forever: the lonelier the Way of Salvation is getting, the faster you have held the hand of Jesus. So, I am going to talk about the top of Carmel in this theme. However, before that, I would like for you to be ready for the greatest revelation that Jesus will give you. I told you in the beginning of this book that most Christians, who believed in Christ, were like little pines, who took the mushrooms, growing around them, as an example. However, the mushrooms are not only short, but they are poisonous very soon. In the same time, the example, by which this book has filled, aims to reveal you only one:

THE EXCELLENT POWER OF GOD THAT COMES IN THE HEART JUST THEN,
WHEN YOU GIVE UP THE HUMAN WAYS AND SEEK THE WAY OF THE
PROPHETIC SPIRIT!

I did not know if anybody realize how pernicious and disastrous for the God's people is to reject the servants of Father and to snap fingers at their books. Do not these men understand that they reject and spit on the very God's heart? Since, tell Me, who ones might be the servants according to the God's heart, except for those, who accept the Prophetic Spirit? I know, may be you will say:

"There are also other servants except for the prophets! There is five-multiple ministry! David was not prophet and despite all, he was a man according to the God's heart!"

So it is, my friend! However, Father appeared His benevolence to the same this David, as He sent Prophet Samuel in his father's home. The Prophet was who anointed him with holy oil. You see by yourself that before David being a man according to the God's heart, Father sent him His servant, who had already become a man according to His heart. Was not David listening to the prophets of Father? Did not he repent, when Prophet Nathan expose him for the evil, which he did toward Uriah, who was the wedded husband of

Bathsheba? I can tell you that everybody, who has accepted the servants of Father, has surely gained the God's benevolence.

I do not know if Lord has ever given to me more ambitious and difficult task than this – to see the life of Prophet Elijah no through my eyes, but by God's ones. However, believe me, I feel really happy, because I know well that all the treasures and beauties in the whole Universe pale before the sweet thought that Father would approach you to His heart and would put you next to Himself. And Elijah lives there, next to the Father's heart. Together with Moses, he is like a sweet fragrance for the God's heart. When you think that the Holy Spirit is filled now with the spirit and power of Elijah, tell me then:

Is there more splendid privilege for you than to become a participant and witness to the great deeds of the God's Prophetic Spirit?

Is there more splendid privilege for you than this – to follow the steps of Prophet Elijah and to walk the Way, which he covered?

May be somebody will show to you the privileges, which his diploma gives him. Other will show to you the privileges, which his unctuous hypocrisy and fawning gives him. Third one will be proud by the privileges, which the bow before Mammon, called for convenience "financial prosperity", gives him. However, there is only one privilege that Father has sealed with fiery horses and chariots from the Heaven:

THE PRIVILEGE TO CLIMB THE TOP OF CARMEL AND TO BEAR THE HEARTS IN THE PROPHETIC GOOD NEWS!

Here this was the top, which Lord Jesus revealed to me in a vision. This was the top that made me feel like the happiest pine in the God's mountain. Let me tell you what I saw, my dear brother:

I saw a mountain, so high that its top openly jutted out into the azure of the sky. Then Jesus, Who was standing next to me, raised His right hand, pointed the top and told me:

"Everybody, who accepts the Prophetic Spirit of My Father, has a destiny to climb this top. For there, the heart of My Father lives in the highest places. His perfect benevolence and Great Glory are there, too. Go with Me, Stefan, because I want to reveal you the top of Carmel and what the Prophetic Spirit in Elijah did there..."

So, Lord took my hand and we were both flying upwards. The higher we were climbing, the lighter and more elevated the place became. Finally, I saw the top itself and Prophet Elijah, standing there with his servant. Then Lord told me again:

“The top of Carmel is the place between Heaven and earth, i.e. the breach, in which the men, led by the Prophetic Spirit will go, so that to intercede for all churches and believers. The top of Carmel is the place, where My Father fulfils every prayer...”

I looked at Prophet Elijah and his servant and said to the Lord:

“Jesus! Did Your Apostle James have in mind just this? Since, he wrote to the believers:

“...The prayer of a righteous man is powerful and effective. Elijah was a man just like us. He prayed earnestly that it would not rain, and it did not rain on the land for three and a half years. Again he prayed, and the heavens gave rain, and the earth produced its crops...”

(James 5:16-18)

“James had in his mind just that. However, there was a depth in his words, greater than anybody would think. For, there is something more important than only to pray – to have an earnest prayer of a righteous man. Do you know who is a righteous man? Remember from your Lord that a righteous man is that one, who My Father has found to be righteous. He found just Elijah to be such a man; therefore, he deigned to raise him on the top of Carmel. Then, see, My boy, what Elijah does...”

I looked at the prophet in the vision and I noticed that he bent down and put his head between his knees. Then, a little cloud appeared in the distance of the heavenly azure. He was like a human palm. Jesus pointed at the cloud and told me with a serious voice:

“Do you see this cloudy hand? Do you see how its fingers are turned to the earth?”

“Yes, Lord! I see that!” – I answered. But Jesus continued:

“Everything I give you to see here is a prophetic vision about the taking of the Church and the role of the Prophetic Spirit, Who will prepare the participants in this event. Therefore, Elijah, who you see in

this vision, is not the man Elijah, but the Prophetic Spirit of Father. As to Elijah's servant, he personifies the servants of the Prophetic Spirit, such like you. Therefore, look at the very vision and the things I will do now..."

After His words, Lord went away from me and came in the very vision at the kneeled prophet, who had put his head between his knees. When Jesus stretched His hand at the praying prophet, everything around him was enveloped in a blinding light. Meanwhile, the cloud that was like a human palm, had come very close to the top of Carmel. Suddenly, a miracle happened. A hind jumped out from among the light and came with fast leap into the very cloud. The vision astonished me. I asked myself what this hind, which jumped out of the light radiance, might be and I could not explain it. Then I cried to the Lord:

"Jesus! Help me! I can not understand Your vision!"

But Lord made the vision stop and stood again next to me, saying:

"You became a witness to one of the greatest mysteries of the God's Prophetic Spirit and it is very naturally for you to be embarrassed in its comprehension. Therefore, listen to your Lord and seal the whole vision, like the greatest appearance of the God's Prophetic Spirit. Tell Me now:

What did you notice in the vision?"

"Lord, I saw how your prophet bent down and kneeled, and then he put his head between his knees. After that, You went to him and everything was enveloped in Heavenly light. While You and the prophet were in the radiance, it became so that the cloud, similar to a hand, approached the top of Carmel, and one hind jumped out of the radiance and slipped into the very cloud..."

"Here, that you have perceived everything that you have had to perceive and you have not omitted even one of the particulars. Now, think! Who one is the Church, in which I deign? Does not she have to be a wife according to My heart?"

"Of course, Lord! The Church should really be a bride according to Your heart!"

Jesus continued:

“Let all people, who love Me and are called with My Name, know, that I will never have other wife, except for the wife according to the heart of My Father! That one, who is according to the heart of My Father, she is according to My heart, too. I and the Father are one! Remember what words My Father was talking to Solomon, so that to reveal the real attitude of the man toward the woman...”

The very verses from “Proverbs” were already shining before my eyes. So, I said:

“Lord! Solomon talks in “The Proverbs”, saying:

“May your fountain be blessed, and may you rejoice in the wife of your youth. A loving doe, a graceful deer...” (Proverbs 5:18-19)

“Then, should you wonder by the doe, which went out of the light radiance and leaped into the cloud? Does not the Prophetic Spirit of My Father confirm now just the woman of My Youth? If the prophets of My Father are speakers of the Lord’s Voice, then, is not it written that:

“The voice of the Lord twists the oaks (makes the hinds calve – KJV) and strips the forests bare. And in His Temple all cry, “Glory!”...”

(Psalms 29:9, NIV)

Did not I grow fond of that My Bride, who I fell in love with, while I was among you on the earth? However, you rather see the deeper sense that the vision reveals you. Since, this My Bride is really a hind, born by the Voice of the Lord, and it is given to her to go on the high places of Carmel. Think why did the prophet kneel and bent his head, putting it between his knees?”

The question of the Lord was like the opening of a light door. Then I told Him:

“Lord, this kneeling and bending down was necessary, so that many people might be born in the prophetic good news. Once, Father was talking to His servant Job just about this hind that jumped out of the radiance:

“Do you watch when the doe bears her fawn? Do you count the months till they bear? Do you now the time they give birth? They crouch down and bring forth their young; their labor pains are ended...” (Job 39:1-3)

"I understand only now, Lord, why the prophet bent down and put his head between his knees! This is a spiritual parable about the deed of the Prophetic Spirit and about the birth of Your last doe on the earth. Those ones, who You will make go on the high places of Carmel and whose feet will be like the deer's feet, they will be born only by the deed of this doe..."

Jesus smiled and caressed my head. Then He said:

"Blissful those, who are pregnant by the Holy Spirit! Blissful those, who, like My Prophet Elijah and My Apostle Paul, are in the pains of childbirth until I am formed in the hearts of the believers! Go and give your brothers and sisters this prophetic word. Since, the late rain of the Holy Spirit is already raining. And the cloud of the taking the Church will be seen very soon like a little human palm upon the heavenly azure. My Father Himself has inspired to be written that this cloud is like a little human palm. For, My Father knows His Own people! He will speak in the hearts of all, who love His servants the prophets:

"See, I have engraved you on the palms of my hands; your walls are ever before Me. Your sons hasten back, and those who laid you waste depart from you..." (Isaiah 49:16-17)

Blissful and holy then all those, who survive on the tops of Carmel!

Blissful and holy then all, who are raised by the Holy Spirit in a Perfect Knowledge of the Lord your God!

**Since, My living Church is a hind upon the high tops of Carmel!
Since, My living Church is the poor widow, who was not frightened by the fiery furnaces of Zarephath in Sidon!**

Since, My children are the men, in which My Father appears the great deeds of the Prophetic Spirit!

The example of Elijah, the Spirit and Power of Elijah must live in every one of you, so that you might walk the Way, which he covered, too!

And when you reach to the top of Carmel, the top of all kind of fruitfulness in your hearts, then God Himself will give you to bear and confirm the children of the prophetic good news!

I am waiting for you here! I want you on the top!"
