THE SHADOW NEAR ABRAHAM

(Instead of introduction)

Dear brother! I pray my Lord Jesus Christ envelope your heart and soul with that fullness of the Holy Spirit, by which all truths in this book will be for you a life-giving seed. Since, the God's Grace will cultivate it to the perfect germ and you will be known in the whole Heaven like a plant of righteousness. I know that if you have found any power to open the pages of this book, then the Spirit, Whom I serve, is surely the Same, Whom you serve. I do not know if you have once passed through a loss, or felt the bitter taste of the hatred and contempt. However, it is truth that whoever follows the Saviour with right heart, he will surely drink the bitter cup of such rejection and persecution that with every passing day, he will feel himself to be more and more foreign body for the world and more and more real in the areas of the God's Glory and presence.

When I began the attacking of the Babylon's strongholds some years ago, I could not suppose that it would bring to me such pain and disappointment. I believed that all churches would recognize a God's messenger in me. I have been deceived. Just the contrary happened. Such a row was kicked up, such muddiness, such supreme religious hysteria and I thought for a moment that the wave was so high that it would even surprise my Lord Jesus. However, my Saviour was not surprised. At the contrary – He told me words, which confused me. He touched me with His Perfect Love and told me:

“Stefan, everything you saw, was only a prelude to the beginning. Therefore, let the first nervous reflections of Babylon do not trouble you. You have not cut her yet with the sharpest blade of the knife, so that My Word might pierce her to dividing. When the piercing and dividing begins, even then you will understand what the experience to be chased, persecuted and hated is like...”

I remembered these words of my Lord forever and with every new written book, I expected the outlined beforehand by Him to happen. Here, when the two prophetic visions against the spirit of Jezebel and the spirit of Korah rose on the spiritual horizon, I began to feel clearly the reflexes of the religious

spirit. As to Satan, he was no longer taking aim at my persecutors, but in those, who had already accepted the previous books of the Christian ministry "Moriah". So, my phone began to ring and lots of people, received dozens books from "Moriah" began to call me up one by one. Most of them were telling me one and the same:

"We despise you! We do not want more your books, because they do not respond to our doctrines! Do not send us more your books, with that we like Christians have nothing in common. We torn and burnt your former books, because you understood what you were like..."

The shock upon my heart was more than great. I was ready for all kinds of attacks from the evil one, but I had not thought about such ones. I could not imagine and my faith could not give a sensible explanation of what was happening. It was contrary to the spiritual principle of sowing and reaping. I was expecting that when the prophetic word was sown in the hearts, the morning star would surely rise in them. However, the morning star was not rising. At the contrary – everything, which had been accepted by faith by this moment, was vomited and the hearts of many were throwing up the Word, sent by Jesus to save them and draw them out of Babylon. My heart was troubled to such extent that I felt in one moment that after a step, I would fall in the abyss of despair and depression.

"If an enemy were insulting me, I could endure it; if a foe were raising himself against me, I could hide from him. But it is you, a man like myself, my companion, my close friend, with whom I once enjoyed sweet fellowship as we walked with the throng at the house of God..."

(Psalms 55:12-14)

Jesus saw my suffering and one day, He rushed into my heart with a new anointing. The power of the Holy Spirit that Lord poured out on my heart was so mighty that without any efforts, I began to notice things, which I had never seen and which appeared like answer of all my fears and embarrassments. Then Jesus began to talk clearly to my heart. He said:

"Everything you are passing through now has been experienced by all My followers. All the more, My Father has pointed you to be His Prophet and servant. Those, who worship My Father in Spirit and Truth, go in the steps of Abraham. They are immaterial and pure. They

are true worshipers, real fragrance for His heart. However, others, who are earth and material, are always creeping around them. Since, the Lot's shade always sneaks by and looks for sticking to the Abraham's Light. There is nothing wonderful in the fact that worshipers of Lot hurry to become like his wife. Being redeemed by Me from the Sodom's captivity and wickedness, they turn back and become pillars of salt. You should see all this by other look, because I will give you now a spiritual journey in the Book of all Genesis. Then you will reveal the true sense of everything, which you will see and pass through, so that the Prophetic Word might keep the hearts of all My brothers and sisters..."

After His last words, Jesus began to prepare my heart for the spiritual journey in "The book of Genesis". There, I had to see by His look the shadow that Lot cast upon his life and heart. This shadow was the reason for many to become again foes and persecutors of a prophetic ministry, despite they have once been enlightened and tasted from the great deeds of the God's Prophetic Spirit.

Confirm your heart, my brother, because the things, which you will see and pass through, when you accept this book by faith, will really be your perfect liberation from all relations of this world and its prince.

Amen and Amen.

1. THE SPIRITUAL JOURNEY IN "GENESIS"

Here how my spiritual journey with the Saviour Christ began. In a moment, when I indulged in meditation and wanted to free my soul entirely from the scars and wounds of all hits that I passed through, Jesus came to my spirit and heart and told me:

"Confirm yourself and rejoice, because the benevolence, by which My Father has beloved you, is great. He will not stop until performing perfectly His deed on His Holy Mount. Now, come with Me, because I am going to lead you in the Beginning, in that Beginning, when My Father looked at the earth and found on it a man according to His heart after the righteous Noah..."

After His words, Lord raised my spirit and a moment later, I was in a vision. I and Lord, we were standing over a dark place, which was especially repulsive. Some stagnation was emanating from it. It was a place among cliffs and hills, and there were tents in the lowland below them. The general feeling at the view of this place was such as one would feel if he entered a house, in which no man had ever set foot for years. Then the look would surely perceive spider webs and dust, stuck everywhere. Here in this way I was looking at the place, where Lord had led me and could see how one huge spider web was stretched over Him. Then I asked my Lord:

"Jesus, why is this place so sinister and deserted?"

He answered:

"This place is Haran. This is how the world looks; the world, which I want to separate you from, so that you might be My witnesses and priests. You, however, see what My Father is going to do..."

In that moment, I saw how some radiance came from Heaven and shone one little tent. Then I saw how one man went out of the tent and came into the radiance itself. After that, I heard the voice of Father, Who was telling His chosen man:

"Leave your country, your people and your father's household and go to the land I will show you. "I will make you into a great nation and I will bless you; I will make your name great, and you will be a

blessing. I will bless those who bless you, and whoever curses you I will curse; and all peoples on earth will be blessed through you..."

(Genesis 12:1-3)

A moment after the words of Father, Jesus began to talk to me. He said:

"Did you see what the God's appeal to Abram was? My Father pointed him and called him to leave his country, to leave the world, whom he had served and worshiped, so that to serve and worship only Him. What is more important, Abraham had a destiny. His destiny was all peoples on earth to be blessed through him. What do you think? By what would My Father bless the earth peoples through Abraham? Would He bless the earthly, so that it might become more earth? Would He give them what they had in abundance?"

I answered:

"Lord, if Father blesses the earthly, He does it in order to make it Heavenly! Since, Father is a Spirit and He wants worshippers in Spirit and Truth. That is why, His blessings would be such that turn the earthly into Heavenly and the materially into spiritually..."

"Just right, My boy! This was the reason for Abraham to be called "Father of Faith". Since, the Heavenly, in difference to the earth, might be received by faith. Do you really understand now that when My Father visited Abraham in Haran, He blessed him with the Power of His Own Faith? Since, Father is One and He is on heavens. However, Abraham was called "father of faith" and "father of many nations", because his life would be Heavenly inspiration for all who love the Lord and His Word. You know, My apostle tell you just that:

"Then, understand that those who believe are children of Abraham. The Scripture foresaw that God would justify the Gentiles by faith, and announced the gospel in advance to Abraham: "All nations will be blessed through you." So those who have faith are blessed along with Abraham, the man of faith..." (Galatians 3:7-9)

You, however, look again at the vision, because you are to see its most essential part..."

After the words of Jesus, I was again in the vision. I perceived that the light radiance enveloped Abraham and rested in his spirit, so that Abraham

began to shine. I already knew that this light responded to the Faith of Father, which was laid in him. Then I noticed that Abraham called around himself the whole his household and all his relatives. The Light from his heart touched them and they also began to shine. Everything in this vision was so beautiful, because I was looking at it from above. It was as when you examine a little firebug in the dark night, which touches dark points and they also begin to shine, although not with the same power, by which it shines. Then the Holy Spirit inside me directed the regard of my heart so that I perceived how one little black point was not illuminated by the Light of Abraham, in difference to the others. When Abraham began to go out of Haran and his household went after him, this little dark spot also followed him. I was astonished and I could not understand how the dark spot succeeded in following the light radiance. Then I turned at Jesus and asked Him:

“Lord, if I see what You also see, it is evident that a man, who did not believe in the vision, given to Abraham by the God Almighty, went after him, too.”

Jesus replied:

“This little spot accepted the Abraham’s vision to be true. However, it did not accept it in spirit, but in flesh. That is why from now to the end of the whole vision, this dark spotlet will leave a shade upon his life, because he never accepted the Light of Abraham to lead him and sanctify...”

I had no doubt and therefore, I told the Lord:

“Jesus, this is Lot, who is Abraham’s nephew. He followed Abraham, because he believed that he would find great earth blessings along with him...”

Lord answer to me:

“There is something more, Stefan! This is the born by flesh, whom My Father tested like nobody else. So his life and destiny rest like clear marks for all who do not follow the Lord by all their hearts and with all their thoughts. Therefore, look at the following step from the vision that will perfectly enlighten your mind...”

I was again in the vision that Jesus was giving to me, but it was very different now. I could see Abraham and the Light, which was in him. It was not getting smaller at all, but it was rather getting greater. The other, by which I

was deeply impressed, was the fact that the earth blessings of Abraham were very much. He had hundreds of servants, well trained warriors and lots of livestock. His tents and possessions were extended kilometers away. By the other hand, Lot was also grown rich. His tents and livestock were also extended kilometers away. Despite I knew well the biblical tale, the things in this vision astonished me for first time. Then I asked my Lord:

"Jesus, how should I understand what happens in the life of Abraham? Did not You Yourself tell me that all nations would be blessed by him, so that the earth peoples might become heavenly ones? However, I examine here immense earth abundance in his life. Is not this a conflict? On one hand, Abraham is a spiritual blessing for the men, but on the other hand, he possesses incredible earth abundance..."

Jesus smiled. Then He told me:

"You can really see details, which other man could not perceive. It is due to the Holy Spirit, Who incites you to see all this. However, think over something, by which I am going to provoke you:

How would you understand how your faith in God weighs, unless you put on the other scale that load, which may oppose it? When you go to the market, does not the pedlar put a load on his scales, so that he might understand just how the commodity weighs?"

"Yes, Lord! Of course that he puts it! Otherwise, nobody would know just how the commodity weighs!"

Jesus added:

"Then, how would My Father understand whether the faith of Abraham weighs more than the earth blessings? Should not He put enough earth abundance in the life of Abraham, so that to see whether his heart will withstand? You, however, look again at the heart of Abraham and you will see that the Most High God never mistake in His plans and judgements. Since, the immense earth abundance in the life of Abraham responded to the test before him - whether he would keep the Perfection of the Faith, by which My Father bore him and called him in vocation. You, however, see now what the heart of Lot is. Has it got the light of Abraham, too?"

I looked at Lot in the vision and I saw that he was no only that black spotlet from the beginning of the God's appeal, but the point had become big and cast a shadow around itself. Therefore, I said:

"Lord, the problem of Lot is radically different. In fact, he has not got the Spirit of Abraham..."

Jesus added:

"Always, when the things above and the things below gather in one place, appears a conflict. Lot had not the faith of Abraham to comprehend that if there was abundance in his life, it was not because of the benevolence on him, but it was due to the God's choice upon Abraham. What is more, read the commentary of "Genesis", concerning the conflict between the Abram's herdsmen and the herdsmen of Lot..."

I opened my Bible and read the very clear words, which declared:

"But the land could not support them while they stayed together, for their possessions were so great that they were not able to stay together. And quarreling arose between Abram's herdsmen and the herdsmen of Lot..." (Genesis 13:6-7)

I thought over the written word; then the spiritual reality, related with this fact, became extremely clear. I continued to talk to my Lord. I told Him:

"Lord, one of Your prophets, Amos, said in Your Word that two men could not walk together unless they agreed. And they can not agree if they have not one spirit. Everything is so eloquent. I believe that the spiritual commentary of "Genesis" comes to show that:

WHILE THE ABRAHAM'S POSSESSION WAS LORD ALMIGHTY, THEN THE POSSESSIONS OF LOT WERE ALL EARTH BENEFITS!

"All right, My boy! Now, see how Abraham answered Lot. Did not he tell him that if he went to the left, Abraham would go to the right, and if he went to the right, Abraham would go to the left? Why was Abraham ready to go as to left, so to the right without any fear? Was not his answer a trap for the earth Lot, who could not see further from his flesh? In the last reckoning, Stefan, where did Abraham go to after his argument with Lot: to the left or to the right?"

Listening to the questions of my Lord, in the first moment I was ready to open the bible and to read about the direction, but the Holy Spirit stopped me... Praise to the living God that He did it! Then I answered Jesus:

"Lord, he went upwards!"

Jesus smiled and added:

"Just right, My boy! He went upwards... He began that journey to the things, which were more above, because God led him to the Mount Moriah, where he would see My Day. Yes, he saw it and he rejoiced. Blessed all those, who understand, who begin to see and realize that the ministry "Moriah" is a spiritual appearance of the mount Moriah. If many people despise this ministry, it is because they have not any power to climb up this mount. It is not the faith of Abraham that lives in them, but the self-seeking of Lot. That is why they turn very soon into Lot's wives, who do not want to forget about the adulterous and sinful world, but turn back and leave Me like prostitutes. Such people will find the well-earned retribution for their wickedness. However, let Me continue to lead you, because you should see the following step of the Heavenly vision..."

So, I was again in the Lord's vision. Now, it left the Abraham's life aside and there were well-founded reasons for it. The target of my God was the life of Lot and I had to see spiritually the things, which Lord showed to me. These things amazed entirely my heart. Let me tell you now what I saw. I saw, my brother, such magnificent splendour of colours and tones, which were decorated the earth that in the first moment, I lost my breath. Then I asked my Lord:

"What is this place?"

Jesus replied:

"You should take a closer view of it in order to see it well..."

After His words, he caught my spirit and took me down over the very earth surface. Then I saw the greatest possible earth abundance: beautiful green fields, lush meadows and pastures, impressive cedars, fruit orchards, limpid streams and resonant songs of birds. It seemed that the whole nature breathed with such unique delight that I knew that there was no man, who would give up the bliss to live in such a place. Then Jesus told me:

“Here how the land that fell to be Lot’s share, was looking like. It was a beautiful and attractive land, able to hold like a magnet all people, who were from the earth. You, however, notice carefully what is going to happen, when Lot step there...”

I turned back in the vision and I saw how Lot entered this land together with the whole his suite of maid-servants, livestock and tents. Then the shade, which he was casting around, fell on the land itself and it began to change. Everything beautiful and splendid in it disappeared and I perceived in the following moment how snakes and lizards swarmed everywhere, the trees faded away and the ground began to turn into sand. Nothing from the beautiful vision rested in it. At the contrary – I was looking at one dried land, covered with sand and Lot’s herdsmen, as well as the same Lot on it. I was extremely surprised. I was shocked. At first look, it seemed to be impossible. That is why I fell in Jesus’ feet and asked Him:

“What does it happen, Lord? Where did the beauty of the vision disappear? Why did the whole fertility and splendour suddenly took place to this wilderness and the snakes and lizards in it?”

Lord answered me:

“It is because My Word is a Spirit and you should read It by the leadership of the Holy Spirit, but no by the measure of the theology and the human wisdom. Since, look what the book “Genesis” talks about the choice of Lot...”

I opened my Bible and read the concrete quotation that declared:

“Lot looked up and saw that the whole plain of the Jordan was well watered, like the garden of the LORD, like the land of Egypt, toward Zoar. (This was before the LORD destroyed Sodom and Gomorrah)...” (Genesis 13:10)

Hardly read the quotation, Lord asked me:

“What does it mean for you to compare anything with the Lord’s garden? Would not it be Eden, where the first men lived? However, notice, Stefan that, being made once, the comparison that the land is “like the Garden of the Lord” is followed by the other comparison – “like the land of Egypt”... Is it possible for the Lord’s Garden to be like the desert in Egypt?”

“No, Lord! They are absolutely opposing...”

“Then, why has Moses, when writing “Genesis”, added such a determination about the choice of Lot? Are not today My prophets those, who prophet Joel wrote about:

“Before them the land is like the garden of Eden, behind them, a desert waste...” (Joel 2:3)

“Why did Lot choose a share, which was like the Lord’s Garden of Eden, and when he acquired this lot, it turned into waste Egypt desert?”

The questions of my Lord were very deep, but I knew their answers, because the Holy Spirit overfilled my heart. Then I told Him:

“Lord, if anybody chooses anything, in which You do not deign and makes it, incited by avarice and self-seeking, the greatest blessing would turn into a curse. Since, no doubt, Lot made a good choice in the earthly, but a fatal choice in Heavenly. That is why the quotation from “Genesis” showed first the earth choice of Lot, and secondly – the heavenly choice, which he chose by himself. Since, he separated himself not only from Abraham, but from his faith and Light. Therefore, Your prophets, who Joel talks about, expose the wickedness in the churches. They do it, so that it becomes evident that however much one church looks like the Lord’s garden, it turns into a desert waste if You do not deign in it...”

“There is something more, My boy! It becomes a place, where the abomination settles and causes desolation. Since, if all churches are quick to the plunder and swift to the spoil, it means that the time has come for such ones to become my enemies. The time has come for them to become churches of Lot, full with human deceit. However, that is not all yet. Since, in this vision, you are on the threshold of one of the greatest secrets in My Word. This is the secret, related with the spiritual recognition of the retreated church; the secret, concerning the city of the man-Antichrist, which is one skillful counterfeit of the Heavenly Jerusalem...”

The power, by which Jesus pronounced His words, was so great that it would not be far-fetched, if I told you that I not only felt anointment, but a river, which flowed into my heart. Then I asked my Lord:

“What is the secret, Lord, which You want to reveal to me?”

Jesus said:

“See again that the choice of Lot made so that he acquired in materially the Jordan’s plain, which was well-watered; however, he spiritually chose Egypt, i.e. the faith no in the God of Zion, but in Pharaoh, who is the prince of this world. Now, see what other choice Lot made...”

It was not necessary any spiritual effort for me to see the other choice, only because the God’s hand was shining upon the verses from “Genesis”. And they declared:

“...Lot lived among the cities of the plain and pitched his tents near Sodom...” (Genesis 13:12)

Hardly read about the choice of Lot, Jesus told me again:

“What does it turn out, Stefan? It seems that Lot chose first Egypt, and then he chose Sodom. Now, look at the Revelation, which I gave to My apostle John and tell Me how the city, in which the beast, who is the man-Antichrist, will settle down, is called.”

I opened my bible to “The Revelation” and I read there the words from the chapter eleven, where it was told about the corpses of Moses and Elijah:

“Their bodies will lie in the street of the great city, which is figuratively called Sodom and Egypt, where also their Lord was crucified...” (Revelation 11:8)

Here, Jesus continued again talking to my heart:

“Now, Stefan, do you understand where they crucified Me? Do you understand now who those, who crucified Me were? The earth teachers, following their earth wisdom, will tell many My brothers and sisters that I was crucified in Jerusalem. However, everybody, who lives in My Gospel and who has the eyes of My Spirit, will understand that Jerusalem can never crucify its King. Since, it was not the spiritual Jerusalem, My Holy Church, who crucified Me, but those, whose hearts have always been in Sodom and Egypt, they really crucified Me. Those, who are under the shade of Lot and who are looking for the earth things, but despise the Heavenly ones they crucified My Body for second time. Lot chose to live spiritually under the power and shade of Sodom and Egypt; that is why the marks of his life should become

evident, so that My brothers and sisters might be restored in the faith of Abraham. Let everybody, who has wise and enlightened heart, accept My message in this book. Let him understand that when My apostle Peter was once talking with pain about Lot, he did not advertise his life, but he rather pointed the exit way for all people who would like to go out of the power of Sodom and Gomorrah. They must leave those societies, which have become an appendage of the mighty power of Pharaoh, which builds pyramids and looks for the hearts of corrupted servants to overshadow them.

Further, this book will continue with visions, in which I will reveal to you those marks in the life of Lot, which should not exist in the life of no one Christian, who thinks about Eternity and works out his Salvation with thrill and fear of God..."

2. THE VISION WITH THE DOOR OF LOT

My dear brother, as you already understand from the things you read, this book is unusual. The unusual in it is the fact that the reader not only earns knowledge from the book of "Genesis", but that look of Jesus, which would allow Him to peer into the areas of the Spirit, to estimate the real state in the Lot's life. Moreover, we need this spiritual look in order to know with assurance what happens with those, who do not want to follow Abraham and to inspire from his life, but instead, decide to get their inspiration from other men, who have been near Abraham, but who have never been an object of the Perfect God's Benevolence. You saw by yourself that Lot chose Sodom and Egypt. He separated himself from Abraham, but his real tragedy was hidden in the fact that, led by self-seeking, he lost the possibility to pass his life in the God's way. Since, everybody, who does not live in the God's way, sooner or later, he will begin to live in the satanic way.

When Jesus gave me the inspiration and anointing to reason over the following steps from the life of Lot, He asked me:

"What do you think, Stefan? Is not the faith that door, through which Lord your God enters your hearts to get you out of the power of this world?"

"Yes, Jesus! So it is!"

"You Yourself told us that You stood at the door of the heart and You knocked on it. If anybody would hear Your voice and open the door, You would come in and eat with him, and he with You..."

Then Jesus added:

"Now, look at the vision, which I am going to give you. Since, you will not see any other door, but the door of Lot, the heart of Lot. Know that despite the unworthy terms of Lot with His anointed man Abraham, My Father continue to love Lot. He did not love him because of the powerful testimonies of his faith, but rather – because of His choice upon Abraham and for the sake of the love that Abraham was still feeling to Lot. Since, tell Me, did not Abraham continue to love Lot?"

"Lord, he not only loved him, but when he understood that Lot had been taken captive, he himself went together with his warriors and liberated him, as well as all the inhabitants of Sodom..."

"Here is the place for you to comprehend that as Abraham freed Lot from the captivity, so I redeem you from the power and captivity of this world. Unfortunately, even after the freedom I give to you, many people do not want to follow Me, but instead, they turn back under the power of Sodom. So did Lot. He did not turn back at Abraham after his liberation from the captivity of the Kedorlaomer and its kings, but he preferred again to live on that risky place, where all kinds of evil spirits were on the prowl. Just such a warning, in the spirit of what happened with Lot, My Apostle Peter left. He said for all those, who lived under the shade of Lot, the following words:

"...for a man is a slave to whatever has mastered him. If they have escaped the corruption of the world by knowing our Lord and Savior Jesus Christ and are again entangled in it and overcome, they are worse off at the end than they were at the beginning. It would have been better for them not to have known the way of righteousness, than to have known it and then to turn their backs on the sacred command that was passed on to them. Of them the proverbs are true: "A dog returns to its vomit, and, "A sow that is washed goes back to her wallowing in the mud..." (2 Peter 2:19:22)

So, Stefan, after the liberation of Lot from his captivity, a greater prison came for him. Then, here what happened with the Abraham's nephew..."

After His last words, Lord gave me a vision. I was in the vision over the very city Sodom and mostly – over the house of Lot. There was a light in the house itself, because messengers of God Jehovah had come. However, there were hundreds dogs and sows, gathered outside, in front of the very house. The dogs were howling and barking, and the swine were squealing and grunting, pressing the door of the Lot's house. Amongst all these howls and barks, in the middle of the whole clamour and chaos of animal sounds, I heard clearly their message. It was:

“Where are the men who came to you tonight? Bring them out to us so that we can have sex with them...” (Genesis 19:5)

Then I saw clearly how Lot turned his back on the two messengers of God and opened the door of his house, going out – among the dogs and swine. Then the bark and squeal, the howl and grunt became hard for listening. In this moment, Jesus approached me and told me:

“You should not miss even a detail from this vision. Therefore, let us go down, at the very house of Lot, so that you might examine Lot and mostly – the door of his home...”

So, Lot took my spirit and a moment later, I was next to the Lot himself. He had gone out in front of the door of his house and tried to appease the dogs and swine, who had pressed him tightly, and some of them even tried to sink their teeth into his feet. Then it happened something terrible, which the eyes of my heart could hardly see. The feet of Lot turned into dog’s feet, and his head got like a sow head. This sow began to grunt pitifully and I recognized in the very grunt the just words from the biblical tale. He told:

“No, my friends. Don't do this wicked thing. Look, I have two daughters who have never slept with a man. Let me bring them out to you, and you can do what you like with them. But don't do anything to these men, for they have come under the protection of my roof...”

(Genesis 19:7-8)

In this moment, Lot was looking much more pitiful than the very pigs and dogs. He had shut the door of his home from outside, so that the Light, which the God’s messengers were radiating, could not help him. Then Jesus, Who was next to me, asked me:

“What do you think? Is not the Lot’s behaviour very strange? Has he got the faith to comprehend that these men, come under his roof, had not come to hide themselves from the wickedness of Sodom, but rather – to hide him and the whole his household from this wickedness? However, instead of hiding himself under the Perfect God’s Power, Lot opened the door and went out among pigs and dogs, so that he himself became like dog and sow and made them an offering, which best illustrated the fall of his own heart. Since, what does it mean, Stefan, for somebody to offer his virgin children for

desecration and profanation, with the only aim to protect the God's angels? Do the angels need such a protection? Is not it just the contrary, namely that Lot needs protection, but not messengers, full with the might and Power of Jehovah? At all, which was the reason that incited Lot to fall in such mental derangement and darkness of the heart?"

I looked again at the vision itself, because it was explaining everything. Then, I told the Lord:

"Lord, he made a fatal mistake. He opened the door of his home for the inhabitants of Sodom. He not only opened it, but he also shut it behind himself, going outside among them..."

Then Jesus told me quietly:

"Here, this is falling away from faith. Since, this door was the Lot's heart and it better illustrates his spiritual state. Then, think! If I bear a man by My Spirit, and then I bear by My Spirit another one, will not they both become brothers, born by the One Spirit? Are not you called brothers and sisters just because you are new-born and God is your Parent and Father?"

"Yes, Lord Jesus! So it is!"

The following words of Lord struck me powerfully, because I had not thought in such depth over the reaction of Lot. He asked me:

"Then, who has born Lot if he tells the Sodom's inhabitants:

"No, my friends (KJV – my brethren). Don't do this wicked thing..."

(Genesis 19:7)

If the inhabitants of Sodom are his brethren, will not he be born by the same spirit, who has formed both them and him? Do you understand now why the Lot's feet became like dog's feet and his head – like a head of sow? Do all My brothers and sisters understand that if some of them open the door of their hearts for the world and everything in it, they will die spiritually and will be born again for the world, because the wicked one will make a full resurrection of the former man? Then their feet will surely turn into dog's feet, and their heads – heads of sow, because they will testify in full degree to the

slime and mud. Since, My boy, the pitiful strains of Lot were nothing but mud and slime. Therefore, tell all My brothers and sisters:

NOBODY, WHO STANDS IN THE WORLD, CAN OVERCOME THE WORLD, BUT THE WORLD OVERCOMES HIM!

TO STAND IN THE WORLD AND TO LOOK FOR POSITIONS AGAINST SWINE AND DOGS – IT MEANS FOR YOU TO BECOME LIKE DOG AND SOW, TOO!

No doubt, the messenger of My Father had got incredibly great might and power, because they entirely defeated Sodom with fire and brimstone. However, they gave to Lot the message by My Father without repeating his sin and without coming down to his level. Here what they did:

“But the men inside reached out and pulled Lot back into the house and shut the door...” (Genesis 19:10)

Who will hear the Voice of My Father now? Who of the men, living in the present Sodom and Egypt, will have a power to remember the written word:

**“All day long I have held out my hands to an obstinate people...”
(Isaiah 65:2)**

If My Father, doubtless, holds out His hand to the obstinate men, captivated by the worldly spirit, then, what is the answer of such people to His servants, the prophets? See, Stefan, what all inhabitants of Sodom wanted...”

I told the Lord: “My God! They said to Lot:

“Bring them out to us so that we can have sex with them...”

“As you can see by yourself, dogs and swine, called their vomit doctrine and their slime benevolence, want to recognize the God’s prophets like ones of them. They want to find them doctrinal like them, agreed with their worldly spirit, with their vainglory, lust and avarice. They want them to be merchants like them, traducers like them; to jump and cry like them; to fornicate like them; to grunt with laugh like them; to live in the same abomination of desolation like them. May it be fact, Stefan? May the God’s messengers allow the inhabitants of Sodom to recognize them like ones of them? May the God’s

messengers fall into the same abyss of wickedness with the only aim to please their animal passions? Will not they do anything else? Will not they defeat by blindness those, who claim they can see?"

"Yes, Lord Jesus! It is written about the God's messengers that:

"Then they struck the men who were at the door of the house, young and old, with blindness..." (Genesis 19:11)

"Did not I do the same, when dogs and swine were telling Me:

"What? Are we blind, too?" (John 9:40)

What was then My answer?"

"Lord, You told the Pharisees and teachers of the law:

"If you were blind, you would not be guilty of sin; but now that you claim you can see, your guilt remains..." (John 9:41)

Listening to my answer, Jesus added:

"If the inhabitants of Sodom had been blind, they would not have told Lot to bring out the God's messengers to them so that they can have sex with them. However, they claimed they could see; that is why they were struck with blindness. Do you understand now why the books of the prophetic ministry "Moriah" blinded many people, so that they can not see? It happened because they decided that their doctrines were enough for them to be seeing. You, however, look again at the door of Lot. Since, many people received you like God's messenger, so as Lot received the angels. Then, however, when the religious hysteria of Babylon against the mount Moriah began, they were hurry to open the doors of their hearts and to go out among the dogs and swine of the worldly spirit. Let such people repent for their pusillanimity and allow Me to pull them back with powerful hand behind the door. Since, the wickedness of this world is so great that fire and brimstone are kept for each act of lawlessness. As to something more about the door of the Lot's heart, think that I really bear in every heart two daughters, who the seed of a human spirit has never touched. These two daughters, Stefan, are My Truth and My Love. Now, turn back and see what happened, when Lot went outside the door and said:

“Look, I have two daughters who have never slept with a man. Let me bring them out to you, and you can do what you like with them...”

(Genesis 19:8)

Then, what is going to happen with My Truth and My Love?”

The words of Jesus were some of the deepest ones, which my heart had ever received. Then I told Him:

“Lord, Your teaching is not a human doctrine. Apostle Paul said that the gospel he preached was not human one, since he had not received it by man, but like revelation personally by You. That is why I think that when the worldly spirit dishonours Your Love and Your Truth, then these violated daughters will become prostitutes, as the Lot’s daughters did, since he sacrificed them not only to the inhabitants of Sodom, but to the devil himself...”

“Just right, My boy! Here, in this hidden and deep biblical revelation, taken from the layers of My Word, you can understand which the most crushing weapons against the prince and the spirit of this world are. However, you will receive all this in the next vision. This is the vision with the daughters of Lot, who respond spiritually to the dishonoured Truth and violated Love...”

My brother, hold your breath, because you are still in the beginning of this book. If the word in it has exposed you, I will know with assurance that God has pointed you like one of His people, able to receive the punishment of Father to all His sons. God bless you!

3. THE VISION WITH THE DAUGHTERS OF LOT

Dear brother, the book has not finished yet with the spiritual look over Sodom. However, My Lord makes here a step forward, so that you might understand some deep spiritual truths, which the devil has never wanted to be obvious for the God's people. I will not convince you that Lot had impurity in his heart. If the former reasoning and visions have not created this notion and conviction in you, then, turn back and read everything again. The Word is Spirit and if anybody wants to see the inventions and schemes of the flesh in it, let such man know that he does not walk, but he rather races on the Lot's way. As you already perceived, Lot spiritually opened the door of his heart for the wickedness of the Sodom's inhabitants. What is more, he himself lived in Sodom, even if he tried to protect himself from the wickedness of the others. That would be quite a different matter if he had rested like helper and fellow of Abraham; however, Lot had his own look and intention for his life. Even when Lord burnt Sodom and Gomorrah, he did not remain to live in the town Zoar, in which he escaped together with his daughters, but he settled in the mountains and dwelt in a cave. Just about this cave and everything, happened in it, Lord gave me a vision. The things I saw there were tragic in the full sense of the word. Here is the vision itself:

Lord gave me to see the very cave, as well as Lot and his daughters. They were tender and beautiful. The one was elder and the other – younger. However, there was something different in the vision that impressed me. It was the fact that both daughters of Lot had not any God's presence. Then I asked Jesus:

"Lord, You told me that You bore in our hearts Your two daughters. I know that the elder one is Truth, because the Old and the New Testaments either testify about her, and the younger one is Love, because she perfectly appeared herself, when You came down on the earth. Then, what does it mean for anybody to have Truth and Love, who have not confirmed by You?"

Lord answered me:

"It means that Truth is no more Truth and Love is no more Love. However, see, Stefan that the first attack of the evil one in the Lot's life was not against Love, because the devil could not imitate Love. In

fact, the devil attacked Lot by the abused Truth. Remember the words of My apostle Peter, because he had also thought many times upon the Lot's life..."

I opened the second message of Apostle Peter, where I read:

"But there were also false prophets among the people, just as there will be false teachers among you. They will secretly introduce destructive heresies, even denying the sovereign Lord who bought them - bringing swift destruction on themselves. Many will follow their shameful ways and will bring the way of truth into disrepute. In their greed these teachers will exploit you with stories they have made up. Their condemnation has long been hanging over them, and their destruction has not been sleeping..." (2 Peter 2:1-3)

Then Jesus told me:

"Do you understand now that the teachers of the abused truth will do the devil's will entirely, so as the elder daughter did it, telling her sister:

"Our father is old, and there is no man around here to lie with us, as is the custom all over the earth..." (Genesis 19:31)

Why, Stefan, there was no man around there? Why was not there any man around for these two desecrated girl and they had to lie with their father?"

"Lord, spiritually looked, if these two daughters are Truth and Love, their purpose in the human hearts is to make them live in Heavenly places, not on the earth. That is why, there is no man on the earth to lie with Truth and Love, because they are not earth, but Heavenly. The matter is different, when the devil defiled Truth and Love. Then these two daughters surely make fornication with that man, in whose heart they are..."

"Just right, My boy! It is very important for you to understand here that the role of the abused Truth comes first, and then – the role of the profaned Love. Since, the abused Truth responds to theology that is the interpretation of the worldly spirit upon the Holy Scripture. Then, see how the theology told the chilled Love:

"Let's get our father to drink wine and then lie with him and preserve our family line through our father..." (Genesis 19:32)

Here, My boy, the spiritual problem of the theologians and their human teachings become clear.

THEY DO NOT WANT TO RAISE OFFSPRING OF THE GOD, BUT INSTEAD, THEY PREFER RAISING OFFSPRING FOR THEMSELVES!

Since, everybody, who would like to raise an offspring of the God, he would leave God Himself to raise His offspring by the Seed of the God's Word. However, when Truth became desecrated, then the teachers according to the human wishes come; they get My Church drunk on the wine of the religion, on the wine of Babylon, so that they might keep their own offspring. Then My Love that has become cold, hurries to repeat the wickedness of the abused Truth; so perverted and vainglorious societies are born that love the world, but no the Heaven.

Do you understand, My boy?

THE CHILL LOVE IS THE LOVE THAT HAS CHANGED ITS TARGET AND THAT HURRIES TO RAISE IN THE CHURCH OFFSPRING OF MEN INSTEAD OF OFFSPRING OF THE GOD.

That is why the churches of Lot look in this way. These are churches of the human deceit, in which everything is made in the name of the man, instead of in the Name of the God. The motive power of all this are the two defiled and corrupted daughters:

THE THEOLOGY, LIKE AN ABUSED TRUTH AND THE LONGING FOR EVERYTHING IN THE WORLD, LIKE A DESECRATED LOVE!

You, however, look again what will happen, when the two daughters spend the night with their father..."

I opened my bible in "Genesis" and I read there the verses, which declared:

"So, both of Lot's daughters became pregnant by their father. The older daughter had a son, and she named him Moab; he is the father of the Moabites of today. The younger daughter also had a son, and she named him Ben-Ammi; he is the father of the Ammonites of today..."

(19:36-38)

Hardly had I read the quotation, when Jesus told me:

“If by now, Abraham is still father of many people, who are blessed by his faith, are not Moab and Ammon fathers of their spiritual generations of today, according to the verse from Your Word? However, some people have not eyes to weep, much less – to read the depths of My Word. See, Stefan, by which words My Father swore in His Anger, before I lead you into the deeper places...”

The Lord’s hand had already pointed the categorical verses from the book of the prophet, which declared the following:

“Therefore, as surely as I live,” declares the LORD Almighty, the God of Israel, “surely Moab will become like Sodom, the Ammonites like Gomorrah – a place of weeds (KJV – “nettles”) and salt pits, a wasteland forever...” (Zephaniah 2:9)

After that, Jesus was talking again in my spirit:

“If My Father swore by His Eternal Life that Moab was surely Sodom and Ammon was surely Gomorrah, it came to show, Stefan, that in His eyes, the one-time acts of the Lot’s daughters had their spiritual essence. That is why these Ammon and Moab are spiritual representatives of all who abuse Truth and Love by their carnal sins and fleshly wishes. What is more, see again how My apostle Peter warned that My Father no only defeated Sodom and Gomorrah, but he did it with definite purpose that it was written about:

“...if he condemned the cities of Sodom and Gomorrah by burning them to ashes, and made them an example of what is going to happen to the ungodly...” (2 Peter 2:6)

How many of My brothers and sisters, who are in My Churches today, are able to see this example?

How many of My brothers and sisters have a power to go out of those societies, which are Sodom and Gomorrah?

How many of My servants would repent that they have raised human offspring, when they should leave God Himself to raise His Own people?

However, just therefore the prophet accents that Moab and Ammon are not only Sodom and Gomorrah, but “...a place of weeds and salt pits, a wasteland forever...” As to the “salt pits”, the following

vision, which I am going to give you now, will entirely explain to you why the Lot's wife turned into a pillar of salt. However, look carefully now at the nettles. What is the nettle like, Stefan?"

"Lord, this is an earth plant, which stings a lot..."

"Did you say it was an earth plant?"

"Yes, Lord!"

"Then, see how I turned to all you, telling about the spirit of the Pharisees:

"He replied, "Every plant that my heavenly Father has not planted will be pulled up by the roots. Leave them; they are blind guides. If a blind man leads a blind man, both will fall into a pit..."

(Matthew 15:13-14)

Do you perceive that, after talking about the plants, I emphasize strait away on the fact that these plants are blind guides, too?"

"Yes, Lord! That is evident!"

"It is no only evident! That is not enough!

If you open the book "Genesis" and see how My Father defeats Sodom and Gomorrah, you will be impressed by the fact that the beginning of the God's anger was the striking of the crowds around the house of Lot with blindness; however, the end of the wrath looks in this way:

"Thus he overthrew those cities and the entire plain, including all those living in the cities - and also the vegetation in the land..."

(Genesis 19:25)

Do you perceive here the earth vegetation again, as you already saw it in My words to the Pharisees in the prophecy of Zephaniah?

Does God talk here about plants, or about those, who He struck with fire and brimstone?"

"Lord Jesus! Your words are exceptionally just, because Your Word is Spirit. If anybody wants to follow Your Spirit, he will surely understand that the earth plants are people with roots in the ground, with cravings in the flesh. Every such plant has not Your Gospel as a ground, but rather – the dust of his untransformed mind and the ground of his carnal lust. It is difficult to communicate with such men, because they surely sting..."

Jesus smiled. Then he told me:

“Either they sting or do not sting, either they are ferriferous and hardened to the voice of My Spirit, or they are not, either they are plants or blind men, they could not escape from My Word. It will pursue them until the destiny of the Lot’s wife overtakes them, so that the written by the prophet that such ones will be salt pits and wasteland forever, might become fact. Therefore, let your heart be careful, since I am going now into the deepest theme in this book; I am going to talk to you about the pillars of salt, which all who live under the Lot’s shade and who are spiritual offspring of Moab and Ammon, will turn into...”

4. THE VISION WITH THE LOT'S WIFE

My brother, I want for you to know that the Evil never stops attacking those people, who fall under its power. The devil will be working against the life of the man by the time, when the ungodly reasons and strongholds in the human heart be destroyed. Everybody, who thinks that the devil will strike here or there, and then he will stop for a rest, is under a great delusion. Nothing like that! Every demon of Lucifer aims to turn the human flesh into an appearance of his own existence. Being embarrassed by the human spirit, this demon will only destroy it by deceits, so that he might live undisturbed in it. Have in mind that the demons feel comfortably only in the human body and soul. They have no rest outside, as Lord tells you in His Word:

“When an evil spirit comes out of a man, it goes through arid places seeking rest and does not find it. Then it says, “I will return to the house I left.” When it arrives, it finds the house unoccupied, swept clean and put in order. Then it goes and takes with it seven other spirits more wicked than itself, and they go in and live there. And the final condition of that man is worse than the first. That is how it will be with this wicked generation...” (Matthew 12:43-45)

“To which wicked generation?” – may be You would ask. I have talked about this wicked generation for some chapters now. These are those, who, like Lot, open the door of their house, go out among the swine and dogs and the worldly spirit goes in their hearts. Since, when going out of the man, the wicked spirit comes back again and goes in. He would not be able to go in if the door is not opened. However, it is not only opened, but it is gaped widely and even invites him. Then this demon takes with him greater and more evil demons and turns back. Do you understand now that Lord does not want to see nobody of us among this wicked generation? Since, this is the generation of Lot. These are the churches of Lot – the salt pillars of the human delusion! This is the generation of those, who have had the faith of Abraham and who have walked with Abraham, but in one moment, being captivated by the treasures of this wicked and impure world, have given up going after the Abraham’s faith and have separated themselves from it in order to go to live in Sodom and Egypt. And Sodom and Egypt will surely send seven demons, more

evil than that one, who has dwelt in the heart, when it has been without faith. Now, look how these demons find the house, which the first demon has gone out from. According to the Word, they find it "**unoccupied, swept clean and put in order**". Somebody has lived in this house and has put it in order. However, who else might put in order and purify your heart, save the Holy Spirit? Who else would sweep, clean and put everything in order? Who else would make your heart to be a Holy dwelling for the Trinity? However, some people have a problem. After being acquainted with the Lord and Saviour, they have not followed His example and have become entangled in the life of corruption and sin. Then their final condition has become worse than the first. This last vision is the culmination of the revelations that Lord pours out through this book. Since, if my heart was wounded by the Lot's descendents, I wonder what wound there will be in the heart of Lord? What does He feel, He Who has saved hearts and souls, ready to crucify Him again and sell Him for the treasures of this world? Let me tell you now why the deepest in this book will be revealed in this vision.

Before all, I would like for you to know that God loves all Christians, regardless of all kinds of denominations, related with religions, traditions and different human factors. Therefore, in this last time, He sends His servants, the prophets, to break the lying teaching of that spirit of Antichrist, who has called false prophet in "Revelation". Here, it looks in one moment that everything is all right. So it was with Lot and his household. While the inhabitants of Sodom were rejoicing to their wickedness and were making adultery in their beds and pubs, the whole household of Lot went out of Sodom. Then a categorical command by the God's messengers came. They told Lot and his family:

"Flee for your lives! Don't look back, and don't stop anywhere in the plain! Flee to the mountains or you will be swept away!"

(Genesis 19:17)

Do you see, brother, when the prophetic word visit you, the most dangerous thing for your heart is to turn back, when God has told you: "**Flee!**" Many people, who first accepted the prophetic books of "Moriah", turned back just in this way, without being able to understand that the God's Word could not come to nothing. Since, the spiritual laws, which are set in motion, bring

that destiny, which they have once brought to other man before them. That is why Apostle Paul, talking about the Word, told Timothy:

“All Scripture is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness, so that the man of God may be thoroughly equipped for every good work...” (2 Timothy 3:16-17)

Unfortunately, the first three purposes of the Word are merely deleted in many churches; only the **“training in righteousness”** has remained. There is no teaching, no rebuking and no correcting. However, there are so many hidden things in the life of Lot. Well, I ask you:

“Where will the God’s people go unless it knows these depths? Where will the Lot’s descendants go unless they know at all that they have become such ones? Where will the Lot’s wife go and what will she resemble to unless she knows that she will be transformed into a pillar of salt as soon as she turns his head backwards?”

I know that you can answer these questions by yourself. However, I ask them because I want for you to be careful for the signs of the God’s Word. Since, the lesson from the occasion with the Lot’s wife will surely bear rebuking for your heart; and after the rebuking, the correcting will come. Then, confirmed by the Holy Spirit, you will be able to train many people in righteousness and prepare them for the Day of Jesus. Now, after this long introduction, let me share with you the very spiritual experience, which Jesus gave me with His vision.

I could see the fleeing Lot together with his daughters and his wife. I was given a vision by Jesus in such a way that I could not look backwards. The look of my heart was moving fast after the people, running in front of me. I had a feeling that I was a reporter, sent in any troubled country and driving his jeep, who was taking photos to the men, running in front of him.

There was any odd tension, hanged from the arch of heaven. The sky had darkened with clouds and lightning sometimes flashed in it. It was calm before the storm. There was dead silence upon the whole earth, so that my ears could only hear the heavily breathing of Lot and his family, running some meters in front of me. In this moment, I felt the Lord’s hand. He touched me. Then He told me:

“Be careful, because the wickedness over Sodom is going to be defeated now...”

A moment after His words, I heard a rumble, which even though was falling from above; then the route was flooded with a strong light. It will not be far-fetched, brother, if I tell you that the feeling and experience would be such like this if anywhere would fall an atom bomb. There is a moment of roar, then blinding light and detonation that sweep away everything on its road. May be, you will ask then, how Lot and his daughters was not swept, while they were running. I wonder too, but I know with assurance that the God’s hand was bringing them out of Sodom and while they were obedient to the command not to turn back, God was keeping them. Here, the Holy Spirit rushed powerfully into my heart, because the sublime moment of the whole vision was already coming. I saw how the Lot’s wife turned back and looked at Sodom. Just in this moment, the blush disappeared from her face and it became pale for some parts of the second. Before I knew where I was, I was already looking at one statue of salt; there was such a terror, set in the countenance of the face, which was looking at me blankly. In this moment, Jesus stopped me over the very Lot’s wife, but Lot and his family were still running until they turned into little silhouettes, suffused with the incredible flash of the explosion, fallen upon Sodom...

I want to tell you, my dear brother that my heart has experienced till now many and different visions. I have been on such places, which my God has pointed to me, places, which only a few would endure to look at with their eyes. However, the countenance of the Lot’s wife was more than terrible.

IT WAS THE CONTENTANCE OF THE IRREVOCABILITY!

You know, one might seem in different ways. I have watched on TV a face of a boxer, beaten black and blue. Nevertheless, there is a hope for this face that it will recover. I have seen a face of mother, lost his son, on which the stamp of the grief has been smashing. However, this grief may also go away one day and she might become reconciled with her fate. The face of the Lot’s wife seemed differently. Its countenance suggested that this face would remain in such unalterable state forever – a face, terrified by the loss; one face, which has considered that God is joking, when He has really been most serious in His intentions. It is a face, which has thought that now, as well as before God will

appear His Mercy; however, just in that moment the Mercy has been so far, as the Heaven stands from the earth and the God's thoughts – from the human ones. Here, Lord told me:

“Examine carefully the Lot's wife, because it is not accident that she turned into a pillar of salt. In fact, this Lot's wife responds to the whole worldly church, which turned her back to the Lord and looked backwards. However, can you tell Me why you look backward?”

I did not even answer Jesus. Since, this word **“backwards”** had become for me a synonym of wickedness and lawlessness. However, Jesus was asking me in this way with definite purpose. Therefore, I answered him:

“Lord, if I leave any place, cherished for my heart, I will turn back in order to see it once more...”

Jesus smiled. Then He told me:

“Even if you leave this place, cherished for you, will not your heart rest in it if you are so fond of it? Will not you be homesick for this place? Finally, will not you turn back in it if you have a suitable case?”

The words of My Lord even if knocked me down. However, then the Holy Spirit gave me such Blessing and such tenderness that I said:

“Lord, You gave birth to me in Zion. So, I want to turn back in Zion. There is the place, where my heart wants to live. Wherever I go, my thoughts are always there...”

Then Jesus said:

“Here in this way, Stefan, even if the Lot's wife left Sodom, her heart remained in Sodom. Well, God is faithful to give everybody those things, which he longs for and wants to have. Since, I tell you just this: “Ask and it will be given to you; seek and you will find!” That is why tell all people, who despise you, My words to them, since I will surely give them the things they want.

IN THE LIFE OF MY FATHER I SWEAR THAT IF THE HEART OF ANYBODY LIVES IN SODOM, HE WILL RECEIVE SODOM, SO AS THE LOT'S WIFE RECEIVED IT. SINCE, NOBODY CAN LIE THE LORD THAT HE LOVES HIM, WHEN HIS HEART LOOKS BACKWARDS TO THIS WORLD!

So the Lot's wife turned back, because all her treasures remained in Sodom: all her gold and silver, all her possessions, all her friends. Therefore, tell all My brothers and sisters that:

NOBODY CAN ESCAPE FROM HIS HEART! NOBODY CAN HIDE FROM HIS HEART! IF ANYBODY HAS GATHERED TREASURES IN THIS WORLD, WHICH IS SODOM AND GOMORRAH, HIS HEART WILL REMAIN AT HIS TREASURE, HOWEVER MUCH HE TRIES TO ESCAPE!

Now, My boy let Me share with you the deepest secret in the sign with the Lot's wife. Take into consideration that she did not turn into a pillar of gold or a pillar of silver, neither into a pillar of iron. She became a pillar of salt. Why did the Lot's wife turn into a pillar of salt? Since, somebody would decide that the salt is useful to me. He would even quote My Own words in the Gospel, where I told:

"You are the salt of the earth. But if the salt loses its saltiness, how can it be made salty again? It is no longer good for anything, except to be thrown out and trampled by men..." (Matthew 5:13)

If you compare by flesh these verses, it will turn out that My faithful followers and servants should build churches of Lot, because there will be in them no only a touch of salt, but whole pillars of salt. Well, what is My salt? And what is the salt of the devil? You, Stefan, do you remember your saltiest day, when I visited you by My Spirit?'

"No, Lord! I can not remember such day!" – I answered. Then Jesus touched my head with His hand and the memories emerged from my heart. I saw myself in one little church, where, shaken by my own tears, I was giving my life in the Lord's hand, opening the door of my heart for Him. Indeed, it was the saltiest day in my life. Since, the salt of my tears was choking my throat. In that moment, I was unworthy before Jesus, because I understood that I had a long way to go, while acquiring His mind. Therefore, I told Him:

"Lord, I realize now that Your salt is in the tears of the pure and shaking repentance. Since, You called us to do so – to preach repentance and to turn people to Your Perfect Light. Since, I believe that nothing else keeps the hearts in You so, as the tears of repentance do it..."

Jesus looked at me so tenderly, with such warmth and care that I knew in this moment that I had everything, which one heart would like to have. I had

my Lord in my heart. I had His pierced hand over my head. I had His blood that was also salty and was giving to me a perfect thirst for His presence. Then He told me:

“Remember that the salt will always provoke a thirst in the man. When this is the salt of repentance and the salt of My blood, then the thirst of such man will be for the treasures, more above than this world. Then, such church will fill with the God’s Glory and it will turn into a God’s pillar of salt, a pillar and foundation of the Truth. However, see now how the salt of this world looks like, the salt, which this pillar of the Lot’s wife was made of...”

After His words, Lord gave me a new vision. I was standing by the coast of an immense sea that was roaring and running high. I saw thousands people, standing in the middle of its waves; they did not pay any attention to the storm. They were cupping their hands and dipping up water; then they were drinking it with pleasure. Others had blocked the way of the water in the shallows of the sea and I saw how they were extracting large quantities of salt there. I was extremely surprised. Then Jesus told me:

“Here is the other salt. Here is the sea, which is this world. Here are the wicked men, who bathe in it and drink its waters. They take pleasure in the waters, because there is salt in them. There is some yeast by Lucifer himself, he is artful to give out awards in this life to all people, who bow before him. Do you understand now, My boy that if there is not only salt, but a pillar of salt in some church, then the compromises with the spirit of this world have become so much that the whole My Gospel has been corrupted and adapted to serve only those, who subsist by the salt of this sea and by the yeast of this world? Now, see the whole prophetic picture of Babylon by the eyes of My apostle John, because he saw the same that you can see now...”

I went to “The Revelation of John” and I read there the prophetic words against Babylon, the religious kingdom of the devil. Here are the verses, on which God stopped my heart. These were the cries of the same those, who I saw in the vision with the sea. They were mourning for their city Babylon, telling:

“Woe! Woe, O great city, dressed in fine linen, purple and scarlet, and glittering with gold, precious stones and pearls! In one hour such great wealth has been brought to ruin!” “Every sea captain, and all who travel by ship, the sailors, and all who earn their living from the sea, will stand far off. When they see the smoke of her burning, they will exclaim, “Was there ever a city like this great city?”

(Revelation 18:16-18)

Hardly read the verses, Lord told me:

“Tell such men and let them know:

SODOM WAS LIKE YOUR CITY, BECAUSE ITS WICKEDNESS WAS THE SAME! SINCE, ALL PEOPLE WHO EARN THEIR LIVING FROM THIS WORLD ARE IN BABYLON AND SODOM! AS THE PEOPLE IN THE OLD DAYS WERE LOOKING AT THE SMOKE FROM THE BURNING OF SODOM, SO THE PRESENT VAINGLORIOUS CHURCH, RETREATED FROM MY NAME AND BECAME LOT’S WIFE, WILL SURVIVE TO SEE THE SMOKE FROM THE BURNING OF BABYLON!

Let all My brothers and sisters repent, because the Heaven will no longer endure the salt pillars of the human deceit! The prince of this world has nothing in Me! In fact, the abundance of all things that the devil has is the yeast, born the generation of rebellious people, disobedient to My Voice. This is the yeast, which made many churches become Lot’s wives and turn to what is below, instead of looking at what is above.

Let all those, who despised and abused the Prophetic Spirit, led My servant, fall down and ask My Father’s forgiveness.

Let those, who flee from the worldly wickedness, never more turn their heads back; let them rather give out their possessions to the poor men, so that they might escape whatever relations with Sodom, Egypt and Babylon!

Since, where your treasure is, your heart will be there, too!

I pronounced it! I spoke it!”
