## **OUR LAST PRAYER TO GOD (INSTEAD OF FOREWORD)**

**“But I pray to you, O LORD, in the time of Your favour; in Your great love, O God, answer me with Your sure salvation. Rescue me from the mire, do not let me sink; deliver me from those who hate me, from the deep waters...” (Psalm 69:13-14)**

My dear brother! My faithful friend!

I sincerely hope that the last prophetic book, which you received from ministry “Moriah”, left a deep impress in your heart. For, through the visions in it Lord showed us all that the way to Heaven is very narrowed and the Heavenly Door – narrow enough to let in only the ones, who the Heaven confirmed and found worthy.

In these last days and weeks my heart grieves and cries. For, Lord let me see clouds of terrible evil, which were laid over the entire Bulgarian nation. Clouds, from which demonic chiefs descended, in order to replace the old ones, who were less evil. That is so as the greatest harm to Bulgaria is yet to take place. If you would ask: “Was the evil my nation went through not enough?”, “Must even more evil come to it?” I would tell you that the rulers of Bulgaria explicitly rejected Jesus Christ as Lord and God. From the well-fed unbelievers in the parliamentary bawlers to the very last ministerial position – all of them bowed to the spirit of robbery and common religious hypocrisy. This explicit rejection of the Lord resounded in the spiritual world as an invitation to the devil. An invitation through which the ones, set in state authority and riches, said unanimously:

“The nation is yours, devil! Do anything you want with it, but just enrich us and let us live like kings! If you want to – make us like Sodom and Gomorrah! If you want to – turn us into Babylon! Neither we will be any opposition to you, nor will anyone say anything against you!”

Thus the wickedness of the entire state policy called for the black clouds of Evil. The replacement of the evil demonic chiefs with even eviler started happening everywhere.

Some of the journalists, whose consciences were alive, sensed that a terrible and incorrigible tragedy was taking place. They raised their voices against the wickedness in the high state circles and summoned the people not to elect them again.

But how to wake sleeping people that are used to enriching and gilding their persecutors?

How to wake a society, which in its torpidity and pusillanimity is ranked at the first places in the world?

How to wake a nation, whose heathens are overfilled by enthusiasm for the vileness of television broadcasts, such as "Gold Fever" and "Big Brother", and are always ready to observe avarice and gambling, masturbation and drunkenness, vomiting and all kinds of other baseness?

How to wake a young hypnotized generation, which jostles before the cash-desks, in order to buy a ticket for the demonic concerts of the folk-idol Azis, but is not ready to give a single cent to the homeless, who die along the pavements?

How to wake a fanaticised old generation, which buys candles for the next religious feast, when it has not yet cleansed the wax on its clothes from the recent feast?

How is one to preach the Example of Jesus to religious denominations, when the vainglorious ones look towards America, the Orthodox ones – towards Russia, but nobody ever looks towards Heaven and Lord Jesus Christ?

Finally, how is one supposed to be a witness of the Heavenly King and preach His Kingdom, when the Bulgarians brought in an earthly king from Spain and dressed him in authority, so that he may oppress and trample them through his gang of corrupt ministers and deputies?

I tell you, my brother, that by the explicit command of my Lord, I climbed the Mount of Moriah spiritually and will stand there until I languish or until Jesus opens doors for me in the east or in the west, so that He may touch with His prophetic visions other generations and people. Generations, which are thirsty and hungry for His Righteousness, instead of for the goods and riches of the devil. Generations that like the Lights of Zion, instead of their bank accounts and possessions.

My climbing of Lord's Mount brought me loneliness and alienation, too painful, but I know that I must stand up here even for the one or two, who will climb before the Lord. Namely for them I will keep writing about the rest of the visions, in which Jesus revealed the rest of psalm sixty-nine. For, while I was observing the black clouds of Evil and the demonic chiefs over Bulgaria, Jesus spoke in my heart, as He said:

**"Strengthen yourself and do not let your heart fall away! For, even if many in the valley have reasons against you, your Lord has no reason against your heart. Even when many abused and hated you for making such great requirements for spiritual communication with My visions, I still tell you that you have done My Perfect Will. For, My Father has stood and observed the persecution, you went through for My Name, for many years in a row. You have cried due to the numerous lies of the hypocrites and due to the violent arrows of the insidious ones, but I tell you that not even one of your tears was shed in vain. For, through these tears and through your entire grief I confirmed in the hearts of all, who are faithful to Me, that the last time has come. The time of your last prayer to Me and My Father. The favourable time, when all of you must raise your heads to Heaven and cry out with the words of the Sacrifice:**

**"But I pray to you, O LORD, in the time of Your favour; in Your great love, O God, answer me with Your sure salvation. Rescue me from the mire, do not let me sink; deliver me from those who hate me, from the deep waters..." (Psalm 69:13-14)**

**Do you see the time of My favour, My people? Do you remember that Lord has always been closest to the grieved and smashed in their hearts? I tell all of you that the Evil in the ancient days is like a faint shadow before the contemporary increased and lawless Evil, through which the devil carries off in his dungeon. As despite all of their evils the ancient ones still found place for change in their hearts and trembled, when God's prophet opened his mouth and gave them Lord's announcement. The ancient kings put sackcloth on and stood in ashes and fast, when they had to redeem their falls before the Almighty. But, the contemporary kings are unlike the ancient ones, as they are**

**thousands times eviler and slier. For, today, the prophetic Word of My Father is trampled and despised by them, just as dogs trample what is Holy and just as pigs despise pearls. That is why, My people, having become Sacrifices for Me, open their mouths for a last prayer to God and Father! This prayer, through which prophet Elijah called the Fire for the evening offering! This prayer, through which you will be rescued and raised high above the mire and the deep waters! This prayer, which spiritually corresponds to the last words of "Our Father":**

**"And lead us not into temptation, but deliver us from the evil one!"**

**For, My Father really is powerful enough to deliver you from the evil one and from the wickedness of all of his waters! But, would all of you pray with the words of the Sacrifice? Would all of you speak the words, which the Heaven wants to hear?"**

My brother!

Let me tell you that namely through your prayer you show God how you look at the place, you are in. But do all see the mire and the deep waters of the world? Has not the mire become prosperity for some and the deep waters – happiness for others? Do not thousands of thousands pray in other words, as they ask God for a share of this world? Have not the prayers of the multitudes become a constant grunt and munching of pigs and hogs? Then should you say "Amen" to prayers, which make you sink in the mire and the deep waters, but do not deliver you from them? I pray my Lord and God that you understand each one of the visions in this book. For, if in the previous book, your heart saw the waters of Scorn, then here Lord Jesus will show you the Fire of Indignation. So that you really have the confidence and confirmation from the Holy Spirit that there is little time left for this world. So little that there is no point in having any other prayer to God, but the prayer for deliverance from the evil one and from all of his mire and deep waters. Amen and Amen!

## **1. THE VISION WITH THE FIRE AT THE TIME FOR THE EVENING SACRIFICE**

**“O LORD, God of Abraham, Isaac and Israel, let it be known today that You are God in Israel and that I am Your servant and have done all these things at Your Command. Answer me, O LORD, answer me, so these people will know that You, O LORD, are God, and that You are turning their hearts back again...” (1 Kings 18:36-37)**

My brother! My faithful friend!

Just as nobody can escape their natural image, given to them by the Creator at their birth, so in a spiritual way I cannot escape my vocation in Jesus Christ. For, no men, but God anointed me as His servant and prophet, and not men, but Christ Himself ordained me, so that I move in the Spirit and Power of Elijah.

This anointment and ordination happened neither through loud phrases and clapping, nor at some splendid church conference. It was neither recorded on a videotape, nor supported by a paper certificate carrying the corresponding signature and seal. My Lord Christ neither asked the church unions for a special permission, nor conformed to the wicked religious leaders. No! All of this happened in the heavenly places, in Zion and before God’s Sanctuary. In this way from the very moment of my selection by God, I was in debt and responsible only to Him, without depending on any human and religious power.

To Babylon’s church system, in which all the shepherds are parachutists, dropped from above, and nothing ever happens without the approval and the signature of the royal pharaohs, my service for the King was declared a heresy:

“Who is this Glavchev? Who does he think he is?”

Do not be surprised by these questions, as they were normal. After all, there was not a church standing behind me, and moreover I did not have the signature of a church pharaoh. Furthermore, my example of giving books freely and branding sale as Satan’s deed, made me a painful prickle for the church merchants, who did not want to part with their dirty business. All of this resounded in the spiritual world and very soon I was going to meet the furious

resistance of all kind of unions and church pyramids. In fact – what happened is that I was not able to escape in any way the Image, Lord Jesus Christ had given to me. This was the Image of being His servant in the Spirit and the Power of Elijah. A spirit of Jezebel, a spirit of Ahab, as well as a sufficient multitude of false prophets of Baal always stand against this Image.

Just as you can guess, I had to walk a long way and pay a price for my vocation from God. And then like prophet Elijah to turn my ministry and service into a Sacrifice, which to prepare for Father's Fire at the time for the evening offer.

While all of this was taking place in the years and God increased the fat of the Sacrifice through all kind of wondrous Heavenly visions, I had to accept in my heart His warning that where there is a Sacrifice of servants in the Spirit and the Power of Elijah, there will be waters of wickedness to traduce the Sacrifice. You have already understood what the waters of wickedness from the previous prophetic book are, but now my Lord will give you new revelations. So that you may understand that where the waters of wickedness increase, there God's Anger increases. It could not be any other way. It is not possible for all of the Bulgarian churches and shepherds to shout loudly that Stefan Glavchev is an antichrist and a wolf, which carries away sheep from their flocks and does not acknowledge their authority, without this resounding in the spiritual world and before the very Altar of God and Father. Actually – if twelve jars, filled with water, were poured over the Sacrifice of prophet Elijah, and each jar is looked at, as to an year of constant abuse and oppression, then it is true that from the beginning of my service to Jesus, which started in 1993 have already passed twelve jars. That is – the Sacrifice of ministry "Moriah" for the Heavenly God and King, has already taken in the entire possible abuse, which it had to endure. Nevertheless, it is possible to make calculations for a later period, that is – from the first fiery prophetic books against the merchants in the Temple, written in 1997. This is of no significance to me, as I have already accepted my destiny to withstand any scorn for Jesus. However, this is of fatal significance to the ones, who brought the waters of my scorn. As these waters did not come from the heathens, who do not know God, but from the offices of the church top crust in Bulgaria, which anathematized my books and stigmatized me as a false prophet and an antichrist. However, God is God

of the accurate measures, even if not all of us see and know clearly His times and fates. That is why, I know that there is an exact year, an exact month and an exact day of the month, when Fire from Heaven will fall over the offering of the Sacrifice and will attest it before the whole world as pleasant to God's Heart. Then this very same Fire will have dried up the waters of Scorn and Father Himself will have avenged on the evil and wicked ones from His Fiery Anger. That is why, let me now show you the vision at the foot of Mount Carmel, which Jesus revealed to my heart. For, He spoke to me again, as He said:

**"Your thoughts about the jars with water are really true. But, I tell you to seal this secret and not contemplate on it, for it is hidden in God's Sovereignty. But, you, follow Me, so that you may see the things, which you must deliver to My Church. As everyone, whose life has become an Offering and a Sacrifice for God, must strengthen their heart with My visions and My words. Now see this..."**

After His last words Lord touched my head with a hand, and thus the vision at the foot of Mount Carmel revealed before my eyes. I was seeing again prophet Elijah, standing in front of the Sacrifice and the trench with the waters. The thousands of Israelites, as well as the multitude of false prophets of Baal were still standing around him. But, what amazed me that time was the silence. Not a single voice was heard, and there was not any reaction to what was about to take place. The evening at the foot of Carmel was coming down with its dusk, and my ears heard only the whisper of the wind in the mountain trees. Here that at exactly this moment, prophet Elijah bent down to the Sacrifice and the trench with the waters. As he raised his fur-coat and covered his head with it, he fell on his knees and stretched his hands towards, as he cried out in a powerful voice:

**"O LORD, God of Abraham, Isaac and Israel, let it be known today that You are God in Israel and that I am Your servant and have done all these things at Your Command. Answer me, O LORD, answer me, so these people will know that You, O LORD, are God, and that You are turning their hearts back again..." (1 Kings 18:36-37)**

While Elijah was speaking his words, one of the stars on the firmament shone too powerfully. As it started approaching, it stood right above the very

top of Carmel, covered by a halo of Light. It was not hard at all to notice that this was my Lord Jesus. Having brought the Sword of the Spirit out of His mantle, He stretched it towards the Sacrifice of the prophet and the trench with the waters. Here that a fiery lightning from Lord's Sword fell on the very waters, as it started drying them up, and they started hissing loudly. The consummation of the lightning was so furious and fearful, that the waters did not even manage to turn into vapour and escape. No! They simply disappeared amidst the Fire of the lightning, until the entire trench was emptied. Only then did the Fire attack the wood, and as it reduced them to ashes at once, it finally burnt the Sacrifice. This brought the observers to such fear and tremor that the thousands started falling on their knees as one, as they shouted unanimously:

**"The LORD - He is God! The LORD - He is God..." (1 Kings 18:39)**

While the entire Israel was shouting, a sweet fragrance of Light rose from the Sacrifice, to the top of Carmel, and Elijah looked up and saw Lord in His Glory. Then, having heard His Voice in his heart, he rose and removed the fur-coat from his head, as he shouted fearfully to the Israelites:

**"Seize the prophets of Baal. Don't let anyone get away..."**

**(1 Kings 18:40)**

Having heard the voice of God's prophet, the multitude all together surrounded the false prophets of Baal, as the latter were not even able of thinking about escape. Then in the very vision Lord descended from the top of Carmel to me. As He was still holding the Sword of the Spirit, He was already telling me:

**"Did you understand My vision? Did you comprehend what was the Path of God's Fiery Anger?"**

"Jesus! I saw how You were standing at the top of Carmel and stretched Your Sword downwards. Then the fiery lightning from Your Sword consumed the waters in the trench, after that the stacked wood and finally – the very Sacrifice..."

**"So, just as you have noticed by yourself, the Fire consumed first the waters in the trench. Is that so?"**

"Yes, my Lord! It is so!"

**“Why did the Fire attack the waters first? Why did not it take the Sacrifice, and leave the waters intact from its lightning?”**

“Jesus! Have not these waters always annoyed the Image of God and Father and have stored the Anger in His Heart? How could You possibly not recall the contempt and the scorn through which Your prophet Elijah went due to Jezebel’s false prophets? How could you possibly not recall that what the Sacrifice expected from You was namely the written word:

**“Pour out Your wrath on them; let Your fierce anger overtake them...” (Psalm 69:24)**

**“Of course, I will remember, My boy. That is why, I gave you now the vision at the Mount Carmel. So that it is the testimony of My Church that at the time of God’s Indignation the Fire will first attack the waters of wickedness and only then will accept the Sacrifice. For, the Sacrifice must rise to Heaven with Spirit of joy and feast.**

**What greater joy and celebration for the Sacrifice than this – to see God’s retribution and anger against all the abusers, violators and hypocrites, who wanted to crush it with the waters of wickedness? What greater joy and feast than this – Lord in His fiery Anger to avenge on the wicked one and to pile them up for destruction? Does not the proverb say about this hour and time the words:**

**“When the righteous prosper, the city rejoices; when the wicked perish, there are shouts of joy...” (Proverbs 11:10)**

**That is why I talk to you today through the testimony of My prophet. So that you may understand and comprehend that the Fire has already fallen upon the wicked ones, and very soon the fragrance of the Sacrifice will rise. And if you ask Me now:**

**“Where is the Fire of Your Indignation over the wicked ones, Lord?”**

**To all of you I would reply:**

**Follow Me in the visions, which I will give to My prophet. For, the Fire of Indignation today does not fall in a way to make everyone see it, but falls so that only the reasonable ones see it, and not even one of the wicked ones senses it or comprehends that they have become subjects of God’s Anger.**

**For, there is a psalm in the Eternal and Holy Bible of My Father, which has shown the Fire of Indignation over the wicked ones of the last time. This is psalm sixty-nine, in which verses I dedicate My servant. Here, I tell you!**

**Blessed be all, who see how God's Anger consumes the waters of wickedness and prepares the unrighteous ones for their own destruction! Blessed be all, who endure the scorn and are not tempted, when My Father is late!**

**For, the "delay" of My Father is only for the hearts and the minds, who do not know Him perfectly. In fact, He has already accomplished the destinies of His Fiery Anger to the waters of the entire wickedness and will very soon accept before His Altar the Sacrifices of all of His servants, regardless of whether they were small or big, intercessors or prophets. And you, Stefan, follow Me into the visions, I will give to your heart. So that you may see how the Anger consumes the waters and how nothing ever serves for the good of those, who despise God and abandon Him as lewd women..."**

## **2. THE VISION WITH THE SNARE ON THE TABLE**

**“Let their table become a snare before them: and that which should have been for their welfare, let it become a trap...”**

**(Psalm 69:22)**

My brother! My faithful friend!

Do you understand the last words of Lord Jesus from the previous chapter? Do you realize that God’s Anger is too great to be like the human? Let me tell you that before the beginning of this vision, I jealously pointed to Jesus more than one or two unrighteous deeds, through which devilish tempters ruin the churches of Bulgaria. Then I asked Him:

“Why do not You punish these tempters, Lord? Why are You unwilling to punish them for the evil, they are practicing so eagerly?”

Then Lord replied, as He said:

**“I punish the ones, I love! I scourge each son, I accept in My Kingdom! Then how could you call Me and beg Me to punish people, who do not love Me, but have rejected Me from their hearts as lewd women? Do not you understand that the punishment is the greatest possible Mercy, I could show to the criminals? But when these people have not only violated God’s Law, but act in the real lawlessness of the devil, then such ones are left for the time of judgement. For, their consciences have burnt and no provisional punishment of God would lead them to repentance. My Word speaks exactly of these, when It says:**

**“It is impossible for those who have once been enlightened, who have tasted the heavenly gift, who have shared in the Holy Spirit, who have tasted the goodness of the word of God and the powers of the coming age, if they fall away, to be brought back to repentance, while to their loss they are crucifying the Son of God all over again and subjecting Him to public disgrace...” (Hebrews 6:4-6)**

**Now, do you understand that the lack of provisional punishment is the greatest Anger of God someone would ever amass against**

**themselves? Today there are many of this kind. That is why My Father is angry with them, by letting them earn the end of their lawlessness.**

**But think and tell Me:**

**Would you punish your children, if you have taken them out to a picnic in the mountain and they are playing unreasonably just next to the deep abyss? Would your heart leap, if you imagine just for a while that they slip and fall in it?"**

"Jesus! I would grow completely faint at such a sight. Then I would strictly scold and punish my children, as I love them and do not want anything bad to happen to them..."

**"This is how My Father strictly scolds and punishes the children that are dear to Him. As He loves them and does not want them to fall into the abyss of the devil. But, if some people deny their relation to Father and through the example of their deeds tell Him:**

**"We do not want Your blessings above, but prefer the devilish goods below!"**

**...then My Father will expose them once or twice and will call them not to do this cursed evil. If these people do not listen to Him in their hearts, but go on wilfully and eagerly practice their evil, they have simply ceased to be His children and Father is no longer their Heavenly Father. Then His Personal Anger will abandon them, so that they meet the fate of their fall and fall into the abyss. As the one, who tripped them was nobody else, but they themselves, as they were aware of the Truth, but preferred the lie. As not the enemy, but they deceived themselves and were swept away by their own passion and lust. Now, do you understand when God's Anger becomes too fearful?"**

"Yes, Jesus! Now I realize that the more God's Anger does not appear to be anger, the more fearful it is! The verses of one of the psalms clearly speak this to my heart:

**"Those who are far from You will perish; You destroy all who are unfaithful to You. But as for me, it is good to be near God. I have made the Sovereign LORD my refuge; I will tell of all Your deeds..."**

**(Psalm 73:27-28)**

**“Then may all God’s children be near to Me. May they turn their hearts into refuge for My words and visions. For now I will let you proclaim the first of the destinies of God’s Indignation. This destiny for the unrighteous ones, which is revealed in the words of the Sacrifice, which tells My Father:**

**“Let their table become a snare before them: and that which should have been for their welfare, let it become a trap...”**

**(Psalm 69:22)**

After His last words Lord touched my head, and thus a vision was revealed before my eyes. I was observing a richly set table with all kind of delicacies, which was placed amidst the sands of a large desert. A few people had sit around it and their faces expressed not just pleasure, but pure happiness due to the look of the abundance, which was revealed in front of them. Here that Jesus pointed them, as He told me:

**“Do you see them? Namely these are the unrighteous ones, of which the verses of the psalm speak. But now watch how the table before them will certainly become their trap. See how their truce with the devil will become a trap...”**

Listening to Jesus, I started observing carefully the people around the table. Then, after a sent signal, they stretched out their hands and started consuming the delicacies. The more the people ate, the greater their appetite grew. Thus a moment came, when the table was emptied, as everything was eaten up. Here that the fattest amidst the people, raised his hands to the Heaven. As he belched, he shouted out:

“Lord, lord! Give us more of your goods! More, and more, and more...”

The very words of the person served as a signal for the very Satan. Disguised as a bright angel, he approached the table of the people. Then he told them with a tender voice:

“Am I to understand that you enjoyed my feast? Am I to understand that you want more, and more, and more...”

“Yes, lord!” – cried out again the fat one. Then he went on, as he said to Satan:

“Give us to eat always and we will always do your will...”

The words of the fat one appealed to the devil. As he reached into his mantle, he brought out a stone in his hand and raised it before the people, as he told them:

"Man does not live on bread alone, but on every word that comes from the mouth of God. Are you ready to eat not just my bread, but preach my word?"

"Amen, amen!" – started nodding all the people in consent with his words. Here that Satan reached once again into his mantle, as he brought out more stones. Thus he placed one in front of each of the people, as he told them:

"Whoever eats this word of mine, they will never grow thirsty, but will sate themselves with my abundance. Eat, my children! Eat, eat, eat..."

I looked in horror at the way the people were hypnotized by the stones. Having stretched their hands, they took them and started eating them. As soon as anyone of them sunk their teeth into their stone, a hole appeared amidst the very stone and a snake crawled out, as it dexterously slipped into their mouth and entered their bowels... So, having eaten the stones and not having felt the snakes of satanic cunningness, the people enthusiastically licked their lips, as they told the devil:

"Lord! How wonderful and glorious your teaching is! How can we give it to our fellow people? How can we confirm our brothers into this so anointed and splendid spirit?"

To these questions, the devil answered tenderly again, as he told them:

"Go and teach everyone that the way I am in Heaven, is the way I am on earth. Whatever I have on Heaven, I have it on earth. If anyone has what is mine on earth, will have it on heaven. But, if they lack it on earth, they will also lack it on heaven. Here, I have given you my bread and have taught you to teach the faith of well-being. Have you understood me?"

"How can we not understand you, lord?" – cried out in pleasure the fat one, and then went on:

"We have not only understood you, but are already ready to preach your teaching and bring people to you so that they confess you and bow to you..."

These last words stretched the face of Satan into a big smile. As he raised his hands and pointed east and west, north and south, he told them again:

"Here, I am with you! Go and bring my teaching to the people all over the world. Collect my breads, which heaven will now pour out over you and give them to all, who are hungry..."

While the devil was talking to the people, stones from the sub-celestial places started falling beside him. So, the people hurried to store them in their saddlebags and set off to do what the wicked one had ordered. The very vision was too fearful, as I hurried to ask Jesus:

"My Lord! Did not the devil deceive these people, as he offered them stones on their table? Are not these stones of his the same stone, through which he tempted You in the desert and told You to turn them into bread?"

**"That is namely so, My boy! The stones are really the same, as well as the snakes in the stones. But take a look and understand that everyone, who sits down to such a table of the devil, puts a snare on their heart. As they are deceived into preaching the demonic teaching for prosperity on earth. Prosperity, which is granted by the devil only after a bow to him in the desert. But, you have not seen all, yet. As, whoever eats the stones of the devil makes their heart stone. Do you know what a stone heart is?"**

"Jesus! This is the heart of the stoney-hearted people, in whom there is neither mercy, nor compassion for people..."

**"Then let us intercept the servants of the devil, so that you may see what their behaviour is to two people, in whom they see poor men..."**

After these words of His Lord hugged me, and thus I and Him flew together a wide area above the sands. When we stepped again on the hot land Jesus instantly changed. His Very Heavenly mantle turned into a worn out cloth, and His face covered with wrinkles of deep suffering, which testified of constant misery and penury. In this way, changed beyond recognition, He touched me, as He told me:

**"Sit and become Lazarus, just like I did. May your clothes become rags, and all of your wounds for Me – injuries and scabs..."**

After the words of the Lord I felt strange, as my entire body wrinkled itself under the pressure of the godly words, and my hands and back were covered with bleeding wounds and open sores. Having clenched my teeth due to the

suffering, I was experiencing, I sat beside Jesus, as I looked at the distance of the sands. Very soon the preachers of well-being appeared there. Then Lord commanded me, saying:

**“Stretch a hand! Stretch it with that hope, through which the beggar desires a bread scrap. For, I will stretch it too, in order to test the hearts of the ones, who have already tasted the rocks in the desert...”**

Here that the enthusiastic group approached us. Having seen me and Jesus, the people burst in laugh, as they said:

“How correctly has lord spoken to us of the ones, who do not know him. For, now we are observing namely their kind...”

Hardly having heard a part of their comments, when Jesus cried out in a cracked and tortured Voice:

**“Have mercy, people! We beg you for a bread morsel! We have been suffering for a long time and have not eaten anything recently...”**

In response to the words of Jesus, one of the people approached us. As he turned away his head in repulsion, he told the others:

“Here is the evident proof that these have not tasted the bread of our lord. But let us do his will and give them the breads, which he gave us in the desert. Thus they would surely enrich themselves and become like us. So that they spread god’s teaching...”

So the man reached into his bag and brought out two stones, as he handed them to me and Jesus, saying:

“Eat and bless our lord! For, if it was not for us, you would have completely starved to death...”

I looked to Jesus, and He nodded to me affirmatively to take the stone in my hand, just as He took the other. But, namely then the Saviour nodded His head distrustfully, as he said to the person:

**“No, sir! Obviously, you have neither understood us, nor have heard the calling of our hearts. We wanted a piece of bread, instead of this stone...”**

The words of Jesus surprised the person to complete amazement. Looking at the stone in the hand of the Lord and in my hand, he only managed to turn to the rest of his mates and tell them:

"Something happened here, which I do not understand. I have given these filthy beggars the breads of our lord, and here that our breads have turned into stones. How is that possible? Did not we eat them only an hour ago?"

The questions of the person made the others approach me and Jesus, and then get bewildered. But, then the fattest among them pulled himself together from the surprise, and then raised his hand in a bored way, as if to sweep me and Jesus out of his presence. Then he told the first one:

"Do not believe the stinkers at all, as they will remain unblessed by our lord forever. It is not our breads that are stones, but their hearts, as they have been hardened for the teaching of our lord. This is why you have perceived their deception as true. But, I will tell such ones:

"Be gone before us, you cursed ones, who do not have a share from the god down here, as thus you testify that you have no share from the god above..."

The heavy and galling words of the fat one made my jealousy blaze up for an instant, but the sharp pupils of Jesus commanded me to keep silence. Then the fat one told his partners again:

"Let us not admit any doubts in us about the doctrine of prosperity, for this uncertainty will become our trap. Instead let us call out to our lord, who gives generously without reproaching, and he will surely guide us through his wisdom..."

So, standing a few metres away, the people started calling the devil, as they told him:

"Lord, lord! Appear before us, so that you guide us into your will. As the breads, you have given us, are perceived as stones by some pitiful beggars here..."

Having heard the voices of the people, the devil appeared before them again. As he brought out a wine-skin, he told them tenderly:

"Do not let anyone disturb you, and do not let your hearts fall away. But, water yourselves now with my wine and confirm yourselves. Thus all of your doubts will certainly disappear..."

The words of the devil seemed pleasant to the people. Having taken the skin from his hand, they raised it before their mouths, as they drank his wine. This made Satan say enthusiastically:

"I give you peace! I give you my peace! So that your hearts are neither disturbed, nor afraid, as I am with you to guide you for eternity..."

The last words of the devil aspired the people so much that, having turned to me and Jesus, they approached us. Then the fat one spoke to us, as he said:

"You will not disturb my faith, wretches, as I am in peace with my lord. The bread, you have seen as stone, is god's teaching, which will overcome all the other teachings..."

After his last words the fat one and the other people with him turned away and moved away from us. Then, as we threw the stones in the sands, Jesus asked me:

**"What did you understand from the vision, Stefan?"**

"My Lord! I have seen the complete realisation of the verses from psalm sixty-nine, which is the first of the destinies of God's Indignation:

**"Let their table become a snare before them: and that which should have been for their welfare, let it become a trap..."**

**(Psalm 69:22)**

As these were people, for whom God's Kingdom is eating and drinking. Having summoned God with their stomachs, instead of their hearts, they made it so that the very devil appeared to them. The stones of the devil have really become a trap for them, as the snakes of his cunningness have entered their hearts..."

**"What was the very cunningness of Satan?"**

"Jesus! This is the most successful lie of the devil, which he has made to seem true. This is his false teaching that God's people get equally commensurable shares on earth below, as well as in Heaven above..."

**"Is this what My teaching speaks of? How would My people have withstood, if people come to them and offer them the stones of the desert?"**

"Jesus! Not a single one of Yours should ever forget that this world lies in the wicked one and it is not our home. Not a single one of Yours is to forget Your words in the Gospel. For, there You did not say that blessed are those sated below, as they will be sated above. There You did not say that blessed are these rich below, as they will be rich above. You proclaimed something

else, Jesus! Your words were different and so was Your Example. As You pointed in anger all of the rich men and avaricious people, as You said:

**“But woe to you who are rich, for you have already received your comfort. Woe to you who are well fed now, for you will go hungry. Woe to you who laugh now, for you will mourn and weep. Woe to you when all men speak well of you, for that is how their fathers treated the false prophets...” (Luke 6:24-26)**

After the verses I cited, Lord stood up and took His divine Image once again. As, He touched me, and I restored my normal looks, He started speaking in a Voice, too strict and serious, as He said:

**“This is the first of the destinies of God’s Fiery Indignation, through which My Father punishes the unrighteous ones. In this destiny the table of Satan becomes a trap for the people. A trap about which I explicitly warned you:**

**“Be careful, or your hearts will be weighed down with dissipation, drunkenness and the anxieties of life, and that day will close on you unexpectedly like a trap. For it will come upon all those who live on the face of the whole earth...” (Luke 21:34-35)**

**When the devil completely tightens the loop, he turns the destiny of the people into a trap. As, having eaten his stones and having accepted his false teaching, the people admit snakes in their hearts. Once they have drunk from the wine of Babylon, they never again sober down, but remain in peace with the devil, when the entire Heaven and all of God’s servants and anointed men are in war with him.**

**This will be the destiny of all the hireling-pastors and preachers of the deceitful devilish prosperity. At a day and time, when they decay, they will see their souls in the serpentine trap of Satan! At a day and time when the death catches up with them, the pink paradise of drunkenness will change to the trap of fearful hell and eternal condemnation! At a day and time, when the Fire of My Father dries up the waters of Scorn, the heavy rocks of satanic temptation and cunningness, swallowed by the unrighteous ones, will carry their hearts even deeper. So that they meet eyes to eyes with their liar, and**

**heart to heart with their deceiver. At a day and time, when the doors of Heaven will open, the last memory before the hearts of the wicked pastors and preachers of prosperity will be the shiny lightning from a Sword, that cuts them and rejects them, so that they are detestable and repulsive to the Heaven forever. I tell all of My people:**

**Store treasures on Heaven and remove your hearts from the stones of the cunning one forever. As he has nothing else to offer you and to tempt you with, but a share from the world, which has been given up to him temporarily. If you admit a snake of cunningness into your hearts, it will enter and remove the only droplet of precious blood, through which you had been sealed for Salvation and Eternal Life! If you lose this droplet after having received it, there is no way to get it back! There will be no market to buy it from! It is given only once, in order to be kept and woe to the one, who loses it, as there will be no place to get it from! There will be no riches and goods on earth, through which to require it again! Therefore, standing firm against the devil, disturb his servants and tell them:**

**“We do not sell ourselves and do not give up! We do not have a share of this world and we do not want one!”**

**Only so will you overcome the most powerful satanic temptation!  
So that you withstand with Me and be Mine forever!”**

### 3. THE VISION WITH THE DARKENING OF THE EYES

**“May their eyes be darkened so they cannot see, and their backs be bent forever...” (Psalm 69:23)**

Do you wash your eyes, my brother? Do you splash water on your face, when you wake up? I know that your answer will be positive, as this is the most natural thing, which one would do, when they wake up. Then let me tell you that it is time for all of us to wake up from the illusions, which have enslaved us and from the delusions, we have accepted as truth. Then, when we wake up – to splash the Living Water of the Holy Spirit on our eyes. As the more this world goes to its end, the more people will neglect their hearts and will let the look of the wicked one lead them.

It is not my purpose to convince you in things, you have already understood and fathomed. It is not my purpose to tell you that the world before the leather seats of a luxurious “Mercedes” looks a lot more different than the world before the dustman’s garbage-can and before the cardboard box of a beggar in some underpass. But, it is namely here that I want to ask you:

Why is the world one for the rich men, and another for the poor? Why do some see it as heaven, while others as hell? Why does the fate smile to some, while it looks to others with a frowned and darkened face?

I will not stop praying with tears in my eyes for all of my poor brothers. I will never stop loving them. The more violent the hug of the poverty, which has taken hold of them, is, the more I will bless the Lord for reserving them a splendid destiny and yearned bliss. That is why I ask from you, as you splash some water on your eyes, to sit and read the vision in this chapter with the greatest humbleness of your heart and with all of your faith in God. As in His hand there are destinies of divine and fiery Anger, through which He will avenge on the tempters and the unrighteous ones. The second of the destinies of God’s Indignation is revealed in psalm sixty-nine, where it is shown in the words:

**“May their eyes be darkened so they cannot see, and their backs be bent forever...” (Psalm 69:23)**

Do you know what it means for someone’s eyes to be darkened? This means that not a single spark of God’s Light will ever enter the pupils of these

eyes, but they will always be in darkness and gloom. They will go to bed in darkness, they will dream of darkness and they will wake up in darkness.

I know that as far as the earthly picture is concerned, you would show me someone blind, clattering with their stick and running their fingers on the objects around them. But it is not of the earthly picture that this vision, I had from Jesus, will speak. As He was once again next to me and talked to me, as He said:

**“Do you remember the omen with the stones of Satan from the previous vision?”**

“Yes, Jesus! It still stands before my eyes. As from the very stones, which the devil offered as bread to the people, snakes came out and attacked their hearts...”

**“Tell Me then what makes a snake dangerous? What makes people fear it?”**

“My Lord! Knowing that most snakes are poisonous, I think that it is namely their poison that drives the people to fear. For, if they are bit and poisoned, the people will die...”

**“Then follow Me, so that you see in what lies the power of the poison of the ancient serpent, which is a devil and Satan. As I will lead you again to the desert, where we were before...”**

After His words Jesus stretched His hand and touched my head, as the devilish desert appeared again before my eyes. So I once again saw the stones of the devil, scattered over the very sands. Here that my Lord bent down and picked up one of the stones. Then He looked at it too sharply and His lips pronounced word against the stone, as they said:

**“Open yourself, bread of wickedness! Let the snake crawl out of your bowels...”**

The words of Jesus cracked the stone in the palm of His hand. Here that in the middle of the stone wriggled a snake, rolled into a ball. This made the Saviour look at it with divine contempt and repulsion. Then, as He caught it firmly with His fingers, He inclined it to the split rock, as He commanded it:

**“Spit out your venom, limb of Satan! Spit out all of your poison over the stone, in which you were hidden!”**

Then Lord squeezed the head of the snake so powerfully that its eyes turned glassy and were about to pop out of its head. When all of its poison was poured on the stone, Jesus threw it aside and it ran away to hide in the sands. Only then did Lord give me a sign to come closer, as He said:

**“Come and see what will happen with the snake’s poison. As I want you to understand and fathom all, so that you write it down and give it to My brothers and sisters...”**

I approached excitedly and knelt next to Jesus, as I observed the poison, spat out on the stone. Then I noticed in surprise that the poison started changing. It visibly crystallized and the little splash gathered into something, with the look of a round splinter, similar to a magnifying glass. When the process was over, I was already observing a glass magnifier or rather – a lens, which is usually put on the pupils of the people, who need their sight corrected, either due to near- or far-sightedness. This made me ask the Lord in astonishment:

“What are You letting me see, Jesus? What is this transformation, which just happened to the poison of the snake?”

In response the Saviour spoke in a Voice, too serious, as He said:

**“This transformation of the snake’s poison takes place in every heart, which accepts the stones of the devil as bread and his lies as truth. As now you are seeing the lens, which the prince of the world puts on each heart, which has been given up to him for complete darkening and blinding. Do you understand this? Do you understand that just as there are eyes for the look of the flesh, there is an eye for the look of the heart? And if the look of someone’s heart is covered by that lens of the wicked one, then the person will observe the world through the distorted conscience and madness of the very prince of darkness. This is the lens which Eve once placed over her heart. In this way she saw the tree for knowing Good and Evil in another, unreal way. As, having left the garden trees, the snake spat its venom before her. I commanded this omen before your eyes, so that you see that the poison of the devil always turns into a deceitful look for the human hearts. Thus you would surely understand what the second of the destinies of God’s Indignation against the unrighteous ones is. For, it is the destiny that is revealed in the verses:**

**“May their eyes be darkened so they cannot see, and their backs be bent forever...” (Psalm 69:23)**

**What do you think then? What is the very darkening from that lens of the wicked one?”**

“Jesus! I think that if anyone looks through it, they would see horrible darkness and gloom. In fact such a person would be blind...”

My words made Jesus laugh, and then tell me:

**“Does the devil really look that naïve to you? Would not anyone, seeing darkness in his lens, run away soon from it and throw it out of their heart? No, My boy! One does not see horrible darkness and gloom through this lens. If it reflects the distorted conscience and insanity of Satan, then have the faith to imagine that through this lens not My Father, but Satan is god. And Heaven is not in Heavens, but on earth. But for a testimony to My Church, I will place this lens before your heart only for a moment. So that you see the world, the way Lucifer gives it to the people, who bow to him and preach his false teaching...”**

After His words Jesus hugged me powerfully, as He laid His right hand on my heart. As I was very frightened, He told me in a consoling Voice again:

**“Have no fear! I am protecting you and I will not admit the blinding of Satan to defeat your heart. But, you must see this. As many of My brothers and sisters are dying due to the lack of knowledge and reason...”**

The words of Lord made me relax over His Bosom. Then He took the lens in His hand and placed it on my heart...

My brother! Hardly now was I fully realizing that Satan is really God's enemy that will not be defeated or destroyed by flesh and blood. As all of our human strength would melt in us and all of us would fall due to his blinding, if it was not for Lord to keep and protect us. For, the lens, which Jesus placed in front of my heart, was the very same, which the devil once placed before His Heart, when he showed Him all of the riches and glory of the world that is given up to him. I was observing a golden throne, on which Satan was sitting like a god. Illuminated by magnificence and surrounded by thousands and thousands of followers, the devil did not look like a devil at all. Captivating morale and incredible beauty gushed from his heart. Having stretched his

hands, he was ready to give happiness and well-being to anyone, who called and accepted him in their heart. At his foot smiled and laughed women and men, dressed in white coats. No visible sign could tell the hypnotized one that the things they were seeing were only ostensible. In fact – the entire view was captivating with one most intrusive fact:

Through the prism of the devil, there was no Evil.

There was no misery, diseases, unhappiness. There were no wars, catastrophes and destruction. It was all too wonderful, too splendid and beautiful, too captivating to be true. Yet, a part of me, that is, my carnal essence, was subjected to such overshadowing, that without the hug of Jesus I would hardly have withstood. So a moment came, when the very eyes of the devil met my own heart through the lens. I had to admit that his deception was not only skilful, but perfect. For, in a voice of overflowing kindness and goodwill Satan talked to me, as he said:

“I will give you all the abundance and happiness of the world, if you bow to me and confess me as lord and god!”

The omen of the lens was more than fearful. While I was trying to turn my head away from the captivating image of the devil, Lord Himself removed the lens from my heart. Then He asked me:

**“What did you see, Stefan? Was it darkness and gloom? Was it horror and suffering? Was it evil deeds and curses?”**

“Jesus! I did not see anything like that. I saw a captivating picture of well-being and happiness, in which the Evil lacked. In fact – sadly I have to admit to You that a part of me enjoyed what it was seeing. For, it was not Evil, but earthly goods and joy, which are not alien to any man...”

**“I know that, My boy. But, it is here that the snake is at its best. As, by captivating the people with the goods of its cunningness, it deprives them of their ability to see the Evil and pull themselves together. Then the complete insanity occurs in the deceived and tempted ones. For, they fully accept the distorted conscience and madness of Satan for their own looking at things and their own heart adjustment.**

**Now, do you understand why those, pleasant to the devil, cannot see the Evil, but perceive the world as a paradise? Do the ones, who belong to Me, understand that the lens of the snake on their heart is**

**the greatest Anger and God's Indignation possible, which falls upon the lecherous and depraved? For, till the end of their life, they are condemned to look at the devil, as to a god, and to the unrighteous and dirty world, as to a paradise.**

**The backs of such ones will always bend, as the devil will lead them from one self-interest to the other, and from one amazement to the other; from one joy to the other, and from one happiness to the other. So that they use up their share completely and accept all of the generosity of the wicked one, after having sold their souls and hearts.**

**Here, I tell all of God's children that just as I withstood the devilish temptation in the desert, so you must. Regardless of how great your heartache would be, when your eyes observe what they do not have and your lips sigh for what they are deprived of. As everything comes at its price! The price for any heaven is paid in hell!**

**THE PRICE FOR SATAN'S HEAVEN IS PAID IN SATAN'S HELL! THE PRICE FOR FATHER'S HEAVEN IS PAID IN THE HELL ON EARTH!**

**For, as long as you preach My Salvation and call the devil "devil", your life will become a hell of persecution and abuse. A hell that you must endure, just as the others enjoy their heaven. Hell that will bring you a lot of tears and lamentation, but as well as the tears and the lamentations – one constant washing of the eyes and the heart. So that you see the things, which differ and be seeing amidst the blind, as well as blind amidst the seeing! So that you are fulfillers of the Holy words of My Apostle, who wrote:**

**"And even if our gospel is veiled, it is veiled to those who are perishing. The god of this age has blinded the minds of unbelievers, so that they cannot see the light of the gospel of the glory of Christ, Who is the image of God. For, we do not preach ourselves, but Jesus Christ as Lord, and ourselves as your servants for Jesus' sake. For God, Who said, "Let light shine out of darkness," made His light shine in our hearts to give us the light of the knowledge of the glory of God in the face of Christ..." (2 Corinthians 4:3-6)**

## **4. THE VISION WITH THE DESERTION OF THE PLACES AND THE TENTS**

**“May their place be deserted; let there be no one to dwell in their tents. For they persecute those You wound and talk about the pain of those You hurt...” (Psalm 69:25-26)**

My brother! My faithful friend!

I want you to open your heart for all that Lord Jesus will give you through the prophetic visions in this book. As, even when I have been given a lot by Him throughout all of the years of my service, I do tell you again that every single time I stand before Jesus, just as a student stands before his Teacher. As I find in His words all the divinity and completeness, all the wisdom and reason, that the human hearts need. Just as in many other visions, given to me by the Saviour, in this one I once again experienced opening my eyes. For, Jesus showed me not only the destinies of God’s Anger, which fall upon the unrighteous ones, but also our saving elevation and stance in the Holy Spirit.

As you can see from the title we will be speaking of the desertion of someone’s places and tents. Let nobody make you think that Lord speaks of earthly houses and tents. No! God’s Word is Spirit! That is why the very places and tents, which Jesus revealed to my heart, were also spiritual. But let me now give you the words, which Lord spoke to my heart just before the very vision. Here is what He told me:

**“Do you see how the verses of the psalm speak of places and tents? What do you think then? What discerns the places from the tents?”**

“Jesus! I see that the place is something permanent and confirmed. It is a home that has a base, rooms, and a roof. On the contrary, the tents are rather necessary belongings for the ones, who travel and do not stand long in one place. As I see the very tents, pitched beside the road, we walk on...”

**“That is namely so, My boy. You have correctly noticed this difference. Tell Me then: do My people need tents or places?”**

"My Lord! I believe that they need places. As the place would most certainly be the home, which they have made with Father, You and the Holy Spirit, so that Your words come true:

**"If anyone loves Me, he will obey My teaching. My Father will love him, and We will come to him and make Our home with him..."**

**(John 14:23)**

**"That is so, My boy. The place really is the home of the Trinity in the heart of the person. But now I want you to think once again about the tents. For, Lord, who lives in the heart, loves walking and abiding high up in the mountain hills. If He calls you to follow Him in faith, then you would follow Him. Is that so?"**

"That is exactly so, Jesus! Your wonderful leadership, through which You dedicated me, many time raised me to Your Holy Mount..."

**"Then let Me remind you an event from the Gospel. So that you see it in Spirit and Truth and as such testify it to My Church. For, without showing you this event, I have no way of making God's Indignation, against the unrighteous ones, known to you..."**

After these words of His Lord hugged me and raised me with Him. Thus we both with Him flew to one high mountain, as we reached its very peak. Here that Jesus moved away from me, as He said:

**"Watch, Stefan! For, now, I will become a part of the vision, which is revealed at the high mountain. Do not miss anything from what you will see..."**

Here that Jesus detached from me, as He descended a few steps under the peak of the mountain. Thus, I noticed that three of His disciples appeared and these were James, Peter and John. Then at precisely this moment Jesus raised the hood of His mantle and covered His head with it. Then His entire stance shone with bright Heavenly rays. While I was watching delightedly the vision, above the mountain and just next to my head, descended the Cloud of God's Glory. From it, covered in Heavenly Light, appeared Moses and prophet Elijah. Having descended from the cloud and set off along the mountain path, the two prophets approached Jesus and started talking to Him. The very sight – wonderful and fearful – made the disciples of Lord bow. Then Peter opened his mouth and talked to Jesus, saying:

**"Rabbi, it is good for us to be here. Let us put up three shelters - one for You, one for Moses and one for Elijah..." (Mark 9:5)**

His words made Jesus smile, and both prophets to start laughing affectionately... At this very moment Lord detached Himself from the vision and stopped it. Then, He approached me and started talking to me, as He said:

**"I have given this vision to your heart several times. Each time you have learnt something new from My Transfiguration. Tell Me then! What were these words of Peter? What was that offer from his side? Why did he say that is good for him to be with Me in the high? Why did he want to make three shelters?"**

"Jesus! Peter hardly must have known how short the moment of Your Transfiguration be. Having seen all of Your Light and Glory, as well as the Light and Glory of Moses and Elijah, he wanted wholeheartedly to make three new shelters. One for You. One for Moses and one for Elijah..."

**"Was not Peter the first, who created a place for the Trinity? Was not he the first among all to say for Me:**

**"You are the Christ, the Son of the living God..." (Matthew 16:16)**

**Did not I reply to him then:**

**"Blessed are you, Simon son of Jonah, for this was not revealed to you by man, but by My Father in heaven..."**

**Now, do you understand that the first to make a shelter in his heart for Me, was also the first, who wanted to make a tent for Me, Moses and Elijah? But how many are those, who have realized that if the place befits all people, who have faith, then the shelter befits only the spiritually elevated, the spiritually raised and the spiritually enlightened people? That is – those, who have spiritually experienced the full Transfiguration of the Son.**

**Now do you understand which men would be ready to make shelters for Me, Moses and Elijah?"**

"Yes, Jesus! Now, I have completely understood Your words. For these would surely be the people, who You visit and raise today through God's Prophetic Spirit. Through the Spirit and the Power of Elijah and through the Spirit and Power of Moses! For, Your prophetic words are elevated words and Your prophetic visions – elevating visions! Yes, my wondrous Lord! Shelters

really do befit You, Moses and Elijah! As Moses and Elijah stand on the right and left side of Father, while You stand in the Very Heart of Father!"

**"Then go and tell My brothers and sisters that today there is one last feast of the Tent-pitching. A feast, in which the ones, visited by God's Prophetic Spirit will pitch tents for Me, Moses and Elijah! For, these will be the people, who will gather at Lord's Hill, in order to shine as Light and as the last generation of God's Prophetic Spirit to the world.**

**Now let Me get you back to God's Fiery Indignation against the unrighteous ones, which is revealed in the verses:**

**"May their place be deserted; let there be no one to dwell in their tents. For they persecute those You wound and talk about the pain of those You hurt..." (Psalm 69:25-26)**

**How do you understand these fearful verses? What is the destiny that is revealed in them?"**

"Jesus! In these verses I see the destiny of all, who have decided to take part in the increased lawlessness, which has led to retreat from Your Testament and Your teaching. As the desertion of the place means the Trinity to abandon the desecrated home, and instead of It to come the one, who causes desolation, that is the spirit of Antichrist. For, it is namely the spirit, of which it is written that it comes to desolate..."

**"Does not this spirit not only desolate, but appear as the false prophet of the last time? Now, do you understand that not only will the villages be deserted, but nobody will dwell in the tents? For, if someone admits the delusion of the false prophet in their heart, they will never again accept the messengers of God's Prophetic Spirit. But, you, take a look at the reason for God's Anger that is unleashed upon the unrighteous ones. What is it, Stefan?"**

"Jesus! The verses of the psalm show this too clearly:

**"May their place be deserted; let there be no one to dwell in their tents. For they persecute those You wound and talk about the pain of those You hurt..." (Psalm 69:25-26)**

**"Think then! Did not Lord cut you with His Sword, in order for You to become His sacrificial ox? Did not I strike your soul, in order for you**

**to completely deny yourself? Did not I give you up to hatred and scourging? Did not I subject you to wounding and disgrace?"**

"My Lord! You have had a reason to do all this, and I will not murmur. For, at the very beginning You told me that I was going to suffer a lot for You. I knew that as long as someone stands in Your gorge and Your dungeon, such one will bring to himself all the resistance and evil, as long as the ones You touch start seeing, rise and are being saved..."

**"Then why did the wicked one persecute you, but did not see at all that you are a cut ox? Why did not they humble their hearts, but were tempted, because I did not raise you the way the devil raises his golden idols?"**

**Let Me tell you why! Let them hear why! Let My whole Church hear why! For, My Very Father chose you to be His prophet and accept the Image of a servant! As one, who is enslaved for the multitudes, and sinks, while they rise! This is how you became an omen and a presage against Babylon, in which the false prophets are not servants, but kings, and do not sink down, but are high-standing in the heights!**

**This is the Image your persecutors were after!**

**This is the Image that disturbed their dreams and gave no rest to their impure consciences!**

**This is the Image that made them go insane, so that their places are deserted and no one dwells in their tents.**

**Therefore, I tell all of the unrighteous ones, who have theorized for ten years in a wicked way and did not understand at all that God ordained the feast of the Tent-pitching to start from Bulgaria!**

**I am against you, wicked ones! As you were after a servant, who I have turned into a sacrificial ox and fragrance before the Throne of My Father! That is why, your places are deserted and the Trinity no longer dwells in you!**

**I am against you, insane and cursed ones!**

**For, you have rejected a prophet in the Spirit and Power of Elijah and in the Spirit and power of Moses, who My Father made a bearer of the Heir of the Testament! As you calmed yourselves deceptively with the golden idols of Babylon, you have darkened your hearts**

**completely. That is why your tents have grown desolate and from now on to eternity the false prophet, who is the spirit of Antichrist, will inhabit them. To all of Mine, who were raised through the Word of God's Prophetic Spirit, I say:**

**Protect your places, in which I, My Father and the Holy Spirit have made homes, so that you do not just believe, but be faithful and loving! Also protect your tents, in which I have put My prophetic visions, when I raised you to the high mountain and let you know My Transfiguration. For, My servant has paid a very high price for the Word and the Light in these tents, as he became a sacrificial ox before the Throne of My Father! For, quite soon the Son of Man will come in a Cloud of Power and great Glory! The ones, who are found in their tents on Lord's Hill, will climb to Heaven!**

**Holy, just as He is Holy, and pure, just as He is pure!"**

## **5. THE VISION WITH THE BLOTTING OUT OF THE BOOK OF LIFE**

**“Charge them with crime upon crime; do not let them share in Your salvation. May they be blotted out of the Book of Life and not be listed with the righteous...” (Psalm 69:27-28)**

My brother! My faithful friend!

Everything, you have read in this book, so far, concerns the destiny of the unrighteous people. The destiny of the ones, who lack an unshakable spirit for the Lord, and just like lewd women turn back and their hearts look at the life of sin, lust and vanity. Despite the fact that Lord has talked in one way or another for years, in order to guide us, correct us and tutor us in His Justice, still many refused to listen to His Voice and follow His Spirit.

Saying that the prophetic books, given by Mount Moriah are incomprehensible, complex and confusing, will be a mistake. As I am certain that our kind and wonderful Saviour subdued us through His Simplicity and Purity. In these books you will never find the pompous, bombastic and dry style, typical for not just one or two theologians.

Saying that the author of the books has set off to violate, in order to profit and exalt himself above men, will also be a mistake. As for the last ten years of my life, my home was visited by brothers and sisters no more than ten times. Today I communicate spiritually with people, who I know through Spirit and through the selflessness of their hearts, but not in any earthly way.

Finally, if you think and say that Lord was too right, when He warned us about the increased wickedness, as well as about the invasion of all kinds of demonic heresies and fiendish teachings, here your judgment will be absolutely correct.

Yes, my brother! We really live in the vilest and most deceitful time of the devil possible. A time, in which the wicked one has harnessed all the possible achievements and technologies, in order to enter the human hearts through wicked messages and to tempt them in a way, which he did not achieve with the ancient generations. That is why, the last one of the destinies of God’s Fiery Indignation is revealed in the verses of the psalm, which say:

**“Charge them with crime upon crime; do not let them share in Your salvation. May they be blotted out of the Book of Life and not be listed with the righteous...” (Psalm 69:27-28)**

Do you know that of all God’s curses on the wicked one, these verses contain the most frightening ones? Why the most frightening? Namely, because they mention the blotting out of the Book of Life, which stands before God’s Throne. Throughout the years Jesus has let me peek into this wonderful Book several times and I testify to you that being listed in the Book of Life is the greatest and most wonderful event in the destiny of man, possible. This event gets past the borders of the human life and its dimension resounds into eternity. For, no matter how long a man lives, the death eventually comes. The door to the destiny, for which one acted while living, comes. If in their lifetime they were not written down or were blotted out of the Book of Life, then for such a person the concept of “woe” will acquire such a monstrous and terrible meaning that later such person would be willing to go through tenths of thousands years of misery and persecution on earth, just to be taken out of the place, they are in.

That is why my Lord still talks and does not fall silent. For, later others will speak a lot, but He will keep silence. Therefore let me give you His Personal words, which He told me before He introduced me to the last of His visions. This is what Jesus told me:

**“Now, you are about to see what the Fire of My Father has the power to do. For, you will see that Fire, as Father’s Love, which seals you for Salvation. Then I will let you see the very Indignation of Father, which blots out the wicked ones from the Book of Life. Now see the very vision...”**

After the last words of the Lord, a vision was revealed before my heart. Here that I was in a church, where people had come out in front of the pulpit, in order to call for Jesus, as the Lord and Saviour of their lives. Thus, guided in their prayer, they were saying:

“Lord Jesus! I open my heart for You and I pray You to enter it and reign in it! I have realized that You have paid a price for me on the Golgotha Cross and have redeemed my life from sin and death. I regret the sins, I have committed, when I did not know You as Lord and God and now I pray You to

forgive me and give me strength not to sin, but to be pure, just like You are pure, and Holy, just like You are Holy!”

Having heard the words of the people that called to Him, Lord appeared amidst them. As He held a diamond nib with a fiery point, He started writing on the plate of every heart that called Him. In this way the hand of the Lord wrote the Name “Jesus” and it started shining through Fire and Light. The people, who sensed the Fire, visibly changed. As the Very Holy Spirit touched and illuminated their consciences, so that tears of repentance flowed from their eyes.

This was a wonderful and Holy vision. A vision, which every single one of us has personally experienced in one way or another. Here that the Saviour approached me and started talking, as He said:

**“Did you notice what I did?”**

“Yes, Jesus! You were loyal to touch these brothers of Mine and save them. And I saw how with the fiery tip of the diamond nib You wrote the Name “Jesus” on the plates of each heart...”

**“That is namely so, My boy! This was Father’s Love, Father’s Fire, which seals you as newborn and enlightened children of His. But now I want you to see something else, which is not wonderful, but terrible. Therefore, follow Me...”**

After His words Jesus came out of the church and went on. I followed Him. I do not know how long our walk was, but here that before my eyes disclosed a monstrous and fearful river, amidst which there was a mill. The very waves and swift currents of the river were such that anyone, who would dare enter it, would be immediately carried away. The sight made me turn my head to Lord and ask Him:

“My Lord! Is not that the devilish river Euphrates? Is not it the teaching of the man Antichrist, which is preparing to flood the world?”

**“Yes, Stefan! This is Euphrates. But, take a look at the big mill at the middle of the river. For, it is a place too attractive for the people, who seek a church career, a church business and church power...”**

I looked again at the mill, when I noticed how the hasty waters of Euphrates set its large wheel in motion, and it transferred its rotation inwards. The other thing that impressed me was the fact that the mill was reachable

through a bridge, and a large crowd had gathered before the very bridge. Having raised wads with money in their hands, they paid their entrance fee, and then, running, rushed in it. This surprised me, as I was not yet aware of what these people were about to do in the very mill. Here that Jesus raised His hand and pointed forward, as He told me:

**“Now, let Me lead you, so that you see the most monstrous and cursed deeds, of which the people, who have retreated from God and stepped forward to the devil, are capable of...”**

After these words Lord hugged me with His hand and carried me above the great waters to just before the very building of the mill. Then He opened a door, as He said:

**“Enter and watch! For, you will understand everything...”**

My brother! My eyes were observing a mill-wheel, too big, that twirled furiously. Beside the very wheel there were furrows, in which the grinded flour was to be collected. But what was more frightening than the wheel were the people, who surrounded it. For, they were taking out sacks with wheat, which they threw over the spinning rock. Then, having touched the spinning wheel with their own hearts, they shouted with passionate voices:

“Give us career, business and power, lord! Let us find ourselves doctrinal before you! Let us profit, let us rise, let us rule!”

After these words they pressed their hearts onto the spinning mill-wheel, so that my ears started hearing ugly noise from the constant rubbing and grinding. Then Jesus raised His hand and pointed their hearts, as He told me:

**“See what is happening to My written Name on the plates of these people! See what the end of the Name Jesus is, when the stone of temptation starts grinding it...”**

I looked at the inscription and then noticed with horror that it paled a bit every time the heart touched the mill-wheel. But the people did not give up, as they were too aspired to grind their wheat. Once they had paid the entrance fee, they did not hurry to leave, until they had grinded all of their wheat. Thus, scooping up from their sacks and throwing more wheat, they touched their hearts to the furiously spinning stone, again, as they said:

“We want more, lord! More, and more, and more! This much flour will bring us a wonderful career and quick rising in the church hierarchy! Hallelujah!”

The more the people touched the stone of temptation, the more the inscription of the Name Jesus paled, until it finally disappeared. The very sight made my heart fade, while the Face of Jesus was overwhelmed by Anger. Here that He asked me in a fearful Voice:

**“Did these hirelings blot My Name out of their hearts? Did they grind My Word with the stone of temptation?”**

“Jesus! Observing this is terrible! These men have completely denied You. They seek church career, church business and church power. They have come to Euphrates river, set in motion by the spirit of Antichrist. They have done so in order to become his fawners and tempters. Here that even the flour, which they are putting back in their sacks, is no longer pure, but is mixed with the stone dust from the friction and thus it is corrupted and soiled. Also, there is no trace left of Your Name in their hearts. They have already blotted It out of their plates and thus they have no share of You...”

**“Something more, My boy! Now, I tell you that just as the baby which is born from the mother’s womb has an umbilical cord to the mother’s organism, so the ones, on whose hearts the Name Jesus is written down, have a constant spiritual bond to the Book of Life. In this way everything they do for Me on earth, is written down by the Holy Spirit on heavens. If someone confirms My Name on earth, they confirm it on heavens. But, if someone else blots My Name out on earth, they blot it out on heavens. Therefore, let Me take you above, so that you see what happens in the Book of Life, in order to testify to all of My brothers and sisters...”**

After His words Lord raised me from the terrible and cursed place to the heights of Zion. So, I stepped after Jesus in God’s Sanctuary. As He opened the Book of Life before my heart, He pointed it with a hand, as He said:

**“Come and watch, My boy! Come and see how some inscriptions are confirmed, other are paling away, while third are blotted out...”**

With huge excitement I looked at the Book of Life. Here that my eyes were observing hundreds and thousands of names, which seemed to be alive. Some were getting deeply absorbed, others were paling away, while third were being erased. Unlike the first and the second ones, which were still standing in

the Book, once blotted away the third ones never appeared again. Therefore, I asked Jesus:

“What happens with the names, which get blotted away, Lord? Why do they never again come back to the Book of Life?”

In response Lord talked to me, as He said:

**“There is no way they could get back! As to these people, who have sinned wilfully and have erased My Name, comes a destiny from the Fire of God’s Indignation. A destiny, of which My Apostle wrote in his message:**

**“If we deliberately keep on sinning after we have received the knowledge of the truth, no sacrifice for sins is left, but only a fearful expectation of judgment and of raging fire that will consume the enemies of God...” (Hebrews 10:26-27)...”**

The last words of Jesus completely crushed my heart. Having bent my head down before Him, I called upon all the faith and love possible, as I told Him:

“I beg You, Jesus! Protect the hearts of all of Your children from the temptation of Babylon! Separate the ways of the wicked from our ways and the gatherings of the wicked from our gatherings. For, hardly now has my heart realized how great and fearful God’s Indignation is. It sets in motion unchangeable and irreversible destinies. For Father is, Who admitted the spirit of Antichrist to carry away and tempt all the people, who lack an unshakeable spirit for Him...”

In response to my words Lord stood me upright on my feet. Then He started talking to me, as He said:

**“Just as I said once, so I tell you and My entire Church that today the Fire of Indignation does not fall in such a way to make it obvious for all, but falls in such a way that only the reasonable ones can see it, while not even one of the wicked ones will sense it, or realize that they have become subjects of God’s Anger. That is why at the end of this Holy prophetic book I tell you all:**

**Climb to Me on the Hill and become Sacrifices for God’s Holy Deed! As out of the many names in the Book of Life, the names of the Sacrifices are the deepest, as their whole lives have become Jesus!**

**Climb to Me on the Hill and do not fear the waters of Scorn, but abide in fear and anxiety before My Father due to the Fire of Indignation. Climb to Me on the Hill and leave the wicked ones to do their wickedness, without staring at their deeds. For, there is One, Who stares too carefully at their deeds and through the Fire of His Indignation defines their destinies.**

**Whoever fulfils My Calling and teaches the people to do so, will not fall away for eternity! If someone does not follow My Calling, and does not teach the people to do so, the name of such one in the Book of Life pales away and very soon will come to blotting away!**

**Here, I have shown you the psalm of Scorn and Indignation! In it lays the destiny of the Sacrifices and in it lay the destinies of the wicked ones! The One, Who is coming soon, has warned you once again through His prophet!**

**Blessed be all, who wait for Him!**

**I have spoken it! I have pronounced it!"**
