## TO YOUR HEART

My dear brother! Are you ready to pass through the wonder, that Lord want to give you? Are you ready with all your heart to worship before your Savior Jesus? Are you ready to follow His words with faith? I pray to the God to add to your heart just such readiness, because in this last time all people will be visited by the Heavenly Light and tested in that what they want to meet the eternity. These, who expect the Lord of the miracles, will understand that His Word does perfect destinies and rises in excellent knowledge of Jesus. But those, who have got used to the lies of the fallen prince, they will continue to be enraptured by their own notions of highness and dignity.

Very long time I could not understand why many begin well, but finish bad. Very long time I was at a loss because of the definiteness, with that many people reject the hand of Jesus. Then, more and more often, I began to ask myself the questions:

What holds me in the Lord?

What makes me to withstand?

What is this power that in spite of the falling and coming back, makes you to stand up again and to go forward?

What is this power that in moments of sorrow and great trouble gives courage to your heart and makes you to go on?

In last years I thought that it is due to my faith in Jesus.

"I believe and that's why I go on forward!" It sounds well, but it is not enough to give me a perfect confidence. For around me I saw and heard about many people, who also made confessions with faith, despite That Jesus from the Gospel had become absolutely needless in their life. Just then my heart perceived that there is something that lacks in the life of the last generations Christians. My heart perceived deficit that in a full degree will be fatal for many people. What was this deficit? What was this lacking thing, to that testifies the whole Bible? The Truth, my brother, is that to the present Christians is lacking the persecution and the hate by the world. To them is lacking the thorns' crown of the Savior. To them is lacking the spittle and the malicious regards by the servants of the devil. To them is lacking that joy of the apostles, who, enduring violation and beating because of the Name of Jesus, continued

joyfully in their way. So I understood that the world already does not hate those, who called themselves "Christians", because they became its own people. So I understood, that the deficit of the persecution in the full degree responds to a lack of Holiness. For there is a persecution only there, where there is a Holiness. However, if the God's Holiness has been changed with a bow before the feet of the wicked, then the persecution, too, has turned into encouragement by the prince of this world. Encouragement, that you will see everywhere in the churches. Then deeply in my heart rose a cry to the Lord. I stood before Him, I wept and I prayed, saying:

"Lord! Return us back! Lord, stretch Your hand from the Heaven! Call us at Yourself! For You are the Same, yesterday, today and forever. And if You Are the Same, then the devil is the same, too. Why, my Lord, this devil, who once imprisoned Your apostles in a dungeon and who evoked against them fury and hysterics, today is so smiled and contented? What happened, that the great number of people lost this persecution, in that Your Church was robust and confirmed, strong and fervent? For it is a Truth, that the firmness forms mostly in the persecution and the most powerful Your children are those, who endure the greatest violation because of Your Name. What is then this calm and peace? What is this seeming safety, to that are happy to enjoy thousands churches and their leaders?"

Then Lord answered to my call. For He came to me and said me:

**"How I can return you back, Stefan? How can I return you, if everyone looks out for his own interests, not those of Jesus Christ? How can I return you at Me, if everyone has considered his own prosperity as a God's benevolence? Do these believers, deprived of persecution, know, that the devil cease to persecute only those men, who give up following and seeking the Holiness of My Father? Do these, deprived of suffering for the Lord's Name, know, that I came out from the Father's Heart to make My people pleasant to My Father? For the life of the people, pleasant to the God, always has had for a seal one greatest calling, to that has testified, too, the whole persecution against them. This seal is the godliness. The godliness, about that My apostle Paul wrote, saying:**

**“In fact, everyone who wants to live a godly life in Christ Jesus will be persecuted...” (2 Timothy 3:12)**

**Do you see, that Paul talks about the godly life in Myself? And if anyone lives godly and piously in Myself, then will not the testimonies of My Life become a testimony of his own life, too? Remind then how My Father sealed My birth, as well as My death! Did not stand in the beginning, as well as in the end, just the godliness? Was there in the beginning one Joseph, son of Jacob, pious and righteous before Father, who, seeing his wife Mary expecting a child, decided to leave her in a secret, but Lord’s Angel declared him, that the Spirit of My Father has done the mystery with Mary’s womb? And did not Joseph listen to the voice of his Father, not to separate from his wife? And was there finally one righteous and pious Joseph from Arimathea, who demanded the Holy body of the Lord his God, so that to keep it from profanation and disgrace and to lay it into new tomb, cut out in the rock? And if the whole My serving as Son of Man on the earth began with Joseph and finished with Joseph, will not this reveal to you one more perfect Will of My Father for everyone, who has believed in the God’s Son? Really you must not keep Me, too, as a fruit in your wombs with the godliness of Joseph, son of Jacob? Really you must not today, when the people again pierce and kill the Lord your God, keep His Body, cutting out a place in the firmness of your own hearts, for God surely will resurrect and ascend Him?**

**However, Stefan, I say you and righteous words come out of My mouth:**

**My Father becomes open only for those, who love Him by all their hearts! The fates of My Father are great depths and only that man, who humbled his heart and confirmed his godliness, he surely will understand the depths of the God’s wisdom and the mind of the Almighty God. For, in the Word of My Father there are secrets, unsealed and undeclared to the human generations. And if My Gospel begins with Joseph, son of Jacob and finishes with Joseph from Arimathea, it is because of the fact, that these two men are spiritually**

sealed with that benevolence of Father that He showed upon the Old Testament's Joseph son of Jacob.

Just this, My boy, lacks today to My brothers and sisters! The godliness is lacking! It is lacking that zealous faith, with that My Father loves everybody, who He has tested and found to be faithful.

For everybody, who is Jacob, he surely will bear Joseph!

**EVERYBODY, WHO SEEKS THE FACE OF MY FATHER, HE SURELY WILL SURVIVE IN THE GODLINESS!**

For the one Joseph kept Me in the womb, but the other save Me in the rock!

However, the both they were inspired by that son of Israel, who walked the perfect way, designed beforehand by My Father and who endured all His tests! If My Word says, that:

"The LORD is in his holy temple; the LORD is on his heavenly throne. He observes the sons of men; his eyes examine them. The LORD examines the righteous..." (Psalms 11:4-5)

...then how to be examined the righteous, save with the test of the godliness? Will take this test those men, who have not the faith of Joseph and the crystal pureness of his heart? Will pass through it those, who don't want suffer because of My Name? Will endure those, who have decided in their hearts, that the godliness is means for profit, but no way to the Holiness of Father? That's why I shall inspire you with that anointed look upon the life of Joseph, so that you to give to My brothers and sisters the word, that surely will make them children of the godliness. For every one of you has destiny, written by My Father, destiny to suffer for the Lord his God, to be realized the written by the apostle?

"Dear friends, do not be surprised at the painful trial you are suffering, as though something strange were happening to you. But rejoice that you participate in the sufferings of Christ, so that you may be overjoyed when his glory is revealed..." (1 Peter 4:12-13)

The men, who are really suffering according to the Will of My Father, they surely must live in the power of the written, that:

**“In fact, everyone who wants to live a godly life in Christ Jesus will be persecuted, while evil men and impostors will go from bad to worse, deceiving and being deceived...” (2 Timothy 3:12-13)**

**If anyone is not persecuted, he really has not lived godly life in piety. For the written can not to be erased, not to be broken. That’s why, go now with Me and I shall lead you in that knowledge of the God’s heart, that will make you to come in it and you never will desire to go out...”**

After His last words Lord Jesus touched my head and to my heart infused the blinding light. Then I felt that sweet breath of God’s Glory and majesty, which has been upon my heart, when I have delighted in the great destinies by the God over His servants and anointed men.

I pray to Jesus you to drink the word from this book, like a sip of living water!

I pray to Jesus your heart to be joined with the God’s heart, so that you feel every tremor and thrill, with that our Splendid Father has worked in the life of His beloved men!

I pray to Jesus to put on you that bright fine linen, that is becoming wonderfully as to the boy in the pit, so to the man, with whose wisdom God kept the world in the days of famine and death. Amen and Amen!

## 1. LET GOD ADD!

Do you see the title of this first theme? Let God add! Do you know whom becomes such confession? For I shall say you, that if today is the most deceitful time of the devil, it is because of the fact that nobody wishes God to add. And when nobody wishes Lord to add, then Lord does not wish to add, too. I have still too much to learn about Him. I still don't know Him and my heart yet suffers, because as much Lord adds us, we ought to cry at Him and to want more and more. Unfortunately, this confession with the Lord's adding happens more and more rarely. The reason is hidden in the fact, that many began to live with the self-confidence, that they are full pottery. They became just like that Pharisee, who thanked to the God, that He has not made him like the sinful tax-gatherer. Many churches became like a place for demonstration of full bottles. Bottles, that with oily smiles and fat self-satisfaction declares:

"We are so fat, that we don't need of anything to be added us!"

I want just this you to lay in this mind. For you would not understand why was great the destiny of Joseph, if you did not go deep in the spirit of his name. Since the Jacob's beloved Rachel many years expected her child by the Lord, but it did not yet come. While servant-maids and other women bore sons and daughters to Israel, Rachel remained without child. Just in this way I understand, my brother, the birth of the true faith. Do you understand that every faith bears? However, in difference to the true faith, each other faith bears quickly, since its fruit has not been suffered and demanded from the Heaven. Only when came the bearing of the True Faith, only then it will bear the True Fruit. Today there are biblical schools, from whose advertisements breathes such demonstration of a fast bearing, that every man surely ought to ask himself no whether the faith bears, but what it really bears. I don't wish to say, that God will not make the faith in Him to bear its fruit, but I wish to remind you again and again, that the One, Who stands on the circle of the Heaven, is called God to Abraham, God to Isaac and God to Jacob. Think then how many years Abraham expected the birth of his son according to the God's promise! Did not pass the whole his life with this expecting? Did not become childless the Sarah's womb, when God came to Abraham and said him, that he will gain a son one year later? Then, how can you believe to the present

vainglorious incubators and hatcheries, decided that the diploma from any biblical institute already is a baptismal certificate of the little child, new born in the heart? I ask you to remove from your heart this deceit and to cleanse yourself from every leaven of the mislaid, that the divine embryo in the heart can to be born easily, than the natural embryo of the mothers. For this is not true. For the same Lord came to me and said me:

**“Stefan, do you know how great is the abomination, that brings to the desolation? Do you know what evil stands before the eyes of My Father, when childless preachers talk about birth? Do you know what obscenity is this - childless preacher to mislaid people, confessed My Name? And such man, pointing and glorifying his fruitless, called it fruit. And such man, without passing in holiness through the desert and without enduring to the oppression of the tempter, he refuses to pray and to ask from the God, since he has seen himself fruitful in his own eyes. How then the believers can understand, that if Jacob loved Joseph more than all his other children, it was so to be true the written:**

**“Now Israel loved Joseph more than any of his other sons, because he had been born to him in his old age...” (Genesis 37:3)**

**Say Me then: What it means anybody to be born in your old age?”**

“My Lord! It means that I have suffered his birth with the whole my life; that I have expected him during the whole my life. And when Father has looked at my expecting and suffering and when He has tested me with the whole zeal of His heart, finally to add him to me...”

**“Do you see how the same you said it? To add him to you! Just to add him to you! Why to add him to you, Stefan? Why the same you must not take him for yourself?”**

“Lord, the same I could take only that is given to me. However, I consider, that will not be enough even the whole human life, so that I gain the Holiness of Father. It is very highly! It is kept very zealously in the heart of the God and I can't think that it is privilege for everybody. Rather I would fall on my feet and I would weep before Father. And in my weeping I would said Him:

“Father, I am not worthy to stand even before the gates of Your home, less to dispose of Your Holiness. I pray to You, help to my rebellious soul! I pray to You, be merciful to my sinful mind! I pray to You, add me that is

lacking to me. For if You did not add it, I shall not take it. If You did not bear it, I can not bear it. If You did not deign in it, I can not argue with You..."

Jesus answered with kind look to my words and replied:

**"If Lord your Father did not build His Home, the brick-layers work in vain. If Lord did not bear the godliness and the holiness of Joseph in your hearts, all childless conferences are in vain. However, He will not do anything of that He would do, if the hearts are again intoxicated by the vainglory of Babylon. Since while the childless preach that they bear, the blind men - that they see, the lame - that they walk, but the deaf - that they hear My voice, then the tragedy will be full, too. Remember it and warn all people, who want to be saved:**

**Lord will not add to you the godliness of Joseph, while you did not repent and see, that you are full with emptiness!**

**Lord will deign only in those, in who He saw the old age of Jacob and Abraham, so, that to give them the fruit of their hearts!**

**For old age in the Lord's view means you to confess in your heart, that one life is not enough you to receive His own things! Only then you will receive that piety and that precious fruit of your wombs, that you will come to love more than everything, that you have born in flesh! For once to all you I commanded how to be pleasant to My Father's Will:**

**"But seek first his kingdom and his righteousness, and all these things will be given to you as well..." (Matthew 6:33)**

**So, if My Father is powerful to add to you the necessary for the life and the body, then how more excellently powerful is He to add the necessary for the godliness? Why you don't want from Him to fill your hearts with those things that the world can not give you? Why many seek the Lord because of the abundance of His wealth, but they don't love Him because of the Holiness of His heart? What you ought to ask from My Father? The things, that the world can give you, too, or the things, that are lacking in the world, nor may to be found there? For, the world is full with money and lust, with temptations and sin, but the heart of My Father is full with Holiness. Say Me then, Stefan, what did Jacob and Rachel do, when came to the world their child, with that Lord rewarded them?"**

"Lord, the Word says about it, that:

**"Then God remembered Rachel; he listened to her and opened her womb. She became pregnant and gave birth to a son and said, "God has taken away my disgrace..." She named him Joseph, and said, "May the LORD add to me another son..." After Rachel gave birth to Joseph, Jacob said to Laban, "Send me on my way so I can go back to my own homeland..." (Genesis 30:22-25)**

**"Do you perceive how after the Joseph's birth, Jacob wanted to go back to his own place, to his homeland? How you understand it, if you know yet, that Joseph responds spiritually to the godliness?"**

"Lord, if You bore in my heart Your godliness, then I surely shall want to live with You in the heavenly places. Then I should left every place of religious and human control, so that to keep the fruit of the godliness. Just so I understand the words of Jacob to Laban..."

**"You answered right! - said me Lord and replied: - Now, how you understand the confession of Rachel, that God has taken away her disgrace? Are these words only the words of woman? Is not hidden here the great secret of the godliness?"**

"Lord, once Your apostle Paul, writing to Timothy, said very clearly:

**"Beyond all question, the mystery of godliness is great..."**

**(1 Timothy 3:16)**

"So if Paul says, that this mystery is great, then I believe, that the way, in that you lead me, is just this - I to know that in the Joseph's birth is hidden the mystery of the godliness. Then in the spirit of the same revelation, that You give me, I understand that:

**THE GODLINESS IS THE FRUIT IN OUR HEARTS, WITH THAT GOD TAKES AWAY OUR DISGRACE!"**

**"Here in this way, Stefan, My Father took away the disgrace of Rachel. You would make a mistake, if you think that the long fruitlessness has disgraced Rachel. No fruitlessness, but the sin that she did before the Face of the God, when she became attached deeply to the idol of her father and then she even stole it using a deceit. Since just in this way Rachel was disgracing herself, before the birth of Joseph. However, the Merciful Lord took his disgrace away, giving her**

**the child of her life. Think then who are those, who today hide in the most inside of the hearts the idols of their fathers? Think who are those, who I have liberated from the power of the world, but despite all they have hidden in their hearts some worldly idol, to that they bow in secret? Think, who are those, who want to take away the godliness of the believers in My Church? Will not they want in a full degree to bring back the disgrace, so that to disappear the power of the godliness?"**

"Lord, Your apostle Peter has seen them well, for he wrote about them in his message the following:

**"Their idea of pleasure is to carouse in broad daylight. They are blots and blemishes, reveling in their pleasures while they feast with you. With eyes full of adultery, they never stop sinning; they seduce the unstable; they are experts in greed - an accursed brood!"**

**(2 Peter 2:13-14)**

**"Do you understand now, that the only way to overcome the blots and the blemish, is to stand before the God so, that He add to you the things, lacking to you , namely - the godliness? Since only through godliness your heart will be restored. My Father has not other so bright and perfect example of godliness and piety in His Word, as the example of the Joseph's life. Therefore I say to all who accept My prophet and hear My voice:**

**Pray so that I put on you the mantle of the godliness!**

**Humble your heart and never say, that you are full with My things! For to that man, who declares that he is full, it will not be added to him! However, another, who repents and weeps that he is empty, he surely will be filled!**

**As to this how to put on yourselves the mantle of the godliness, then continue to bend your heart to Me. For I shall give you wisdom and eyes to see all this in the life of Joseph..."**

After His last words Jesus smiled and at first way I perceived in His look something more than smile. This was one wonderful state of joy. Lord rejoiced and so I understood that from a long time He has wanted to give me this word, but my heart has been due to pay worth for the full comprehension and humility. Now, let I continue forward.

## 2. THE ROBE OF MANY COLORS

My brother! I want you to know, that in my heart rushed many thoughts from the blessing meeting with my Savior. In the light of these thoughts I again understood, that the mind of Jesus is not like the human minds. I had again the splendid feeling that I have touched to the height, the depth, the width and the length of the Christ's secret wisdom. Some verses from the Word stood like a clear ray before my mind to enlighten it and to make it pleasant to the God. Here these verses:

**"The LORD foils the plans of the nations; he thwarts the purposes of the peoples. But the plans of the LORD stand firm forever, the purposes of his heart through all generations..." (Psalms 33:10-11)**

Do you see that Lord no only balks the plans of any man, but to the whole nations? Do you see that He makes useless the thoughts no only to any Pentecostal Pharaoh, who hates the God's prophets, but the thoughts of all tribes, who don't live in Zion? And if This so Almighty and Great Father have intentions, standing firm for ever and thoughts, surviving through all generations, then what other can you do, save to dip in His Word? Since, there are the pleasant to His heart. There are the spiritual examples, whose ray pierces the whole eternity. And between the lots of examples, now I begin to talk about the example that Joseph left. For me the blessing and the anointing, with that Jesus filled my heart, were so great, that it will not be wonderfully at all, if I say you, that I felt myself no only reader of Old Testament's text, but a personal friend of Joseph. As if the whole my life I have been near to him and he has been near to me. As if the abyss of thousands years, standing between my and his time, had disappeared and I saw clearly the things, about that the people were blind.

Do you know what I felt in my spirit more powerfully than everything? Just the splendid spiritual experience, that everything helps to those who love the God. I did not yet know why this experience so powerfully filled my spirit, but very soon I should understand. For Jesus again was next to me and spoke me, saying:

**"Look now, Stefan, what was the benevolence of Jacob over his son Joseph. Since Jacob really distinguished him from the another his**

**sons and he gave him a special mark for his paternal love and benevolence. What was this sign?"**

"Lord, the biblical text says about this benevolence, that:

**"Now Israel loved Joseph more than any of his other sons, because he had been born to him in his old age; and he made a richly ornamented robe for him. When his brothers saw that their father loved him more than any of them, they hated him and could not speak a kind word to him..." (Genesis 37:3-4)**

**"And what was this richly ornamented robe, Stefan? And why this colored robe so much irritated the brothers of Joseph?"**

The question of Jesus was more than deep. Inside in me I already had forbidden to myself to answer according to a pattern, because I knew, that it is not of use for me. That's why I bent down my head and said to the Lord:

"Lord, if You did not add the spiritual knowledge upon this theme, I can not answer to You".

Lord smiled to my words and said:

**"I see that My words from the previous our conversation have come deeply in your heart. Let them more powerfully take a place there, so that you confess, that you are blind. For to do destinies I came in the world, to make the blind seeing, but the seeing - blind..."**

After His words Lord only approached to me and touched with hand my head. So before my eyes appeared a vision. I saw Joseph in all his beauty. He was high and slender, with fair curls, falling wavy upon his shoulders. Then Lord said me:

**"Look at the colored robe of Joseph! What can you say about it?"**

I looked at the robe of Joseph and I saw that this was a skillfully ornamented robe, made of sheepskin that responded perfectly to the Joseph's body. Then I said to Jesus:

"Lord, I see that the colored robe of Joseph is skillfully made. Made with very much love and eagerness. It is openly, that Jacob has loved his son too much..."

But Lord added:

**“Really only this can you say Me? Really only this you perceived? Then think about over other thing. Who did Jacob love more - his son or the Lord his God?”**

“Of course, that Lord!” - answered I. Then Jesus continued with questions, that were as a holy oil for my blind eyes:

**“Do you have then the faith to accept and realize that this colored robe that Jacob made of Joseph was no only the paternal love to the boy, but just the love to That One, Who gave him? For Jacob showed to My Father, that Joseph is the full personification of the believe of his youth! Think then what were the testimonies of the God’s benevolence to Jacob. See this colored robe, made of sheepskin and remind what flocks shepherded Jacob!”**

I had seen again. The holy oil of the Lord openly burned in my heart. Then I said:

“Jesus! I thank you! For I became aware Your deep Truth. Since Jacob, having the leading and the wisdom of the God, separated from the flock of Laban all streaked and speckled sheep for himself, but after God increased the flocks of Jacob and decreased Laban’s flocks, so that Jacob received a blessing by the Father. Wishing to show to his Father, that even for a moment he has not forgotten His benevolence, Jacob put on his son just richly colored robe. For in this way Jacob even if said to the Father:

“Father, You, Who increased my streaked flocks and unceasingly deigned in my life, look at the colored robe of Joseph! Let Your benevolence on it on him to be such, that You to increase him so, as You increased my sheep. Since who other may to be Shepherd of my Joseph, save You! Let be You his Shepherd! Let You pasture him and lead him in Your pathways!”

Jesus smiled again and said:

**“Remember these words that came out of your mouth. For My Holy Spirit filled your mouth and you word for word repeated the prayer, with that Israel gave his son in the hands of the Lord his God. Since he gave the most precious thing of his heart in the Lord’s hand, then in the sake of that Lord raised his son and made him the man with the greatest destiny in the antiquity. Do you understand now, that just the colored robe of Joseph was the mantle of the godliness that forever**

**remained upon Joseph? Do you understand now why in your heart burned the thought that everything helps for a good to those people, who loves the God? Since, if you love the God, you will give Him the most precious thing of your heart. See then the other in this deep mystery, in that I devote you. Does not the Word say, that the brothers of Joseph hated him and they could not speak a kind word to him?"**

"Yes, Lord! So the biblical text says..."

**"If you look from the Heaven at this truth, will not you see, that the devil stood against the life of Joseph, since his father Jacob just with the colored robe devoted him to the Holy One of Israel? Was not this the reason for the hatred and envy? Today, when I put on you the same this colored robe, so that to lead you personally and you to listen only to My voice, did not you feel, too, the hatred and the despise, the envy and the malice?"**

"Yes, Lord! I felt them, but I never have had the wealth of Your eyes to see the secrets of Your Word..."

**"Then, prepare your heart to see the dreams of Joseph, and after it - the pit, too. For I shall not stop, while I did not appear the Perfect Will of My Father for all people, who want to live godly life..."**

After the last words of Jesus the vision ceased. Then I felt a great change in myself. Change, that I would like you to feel, too. Change, with that the same Lord Jesus comes in your life to give you everything that people have not and can not give to you - the great mystery of the godliness.

### 3. THE DREAMS OF JOSEPH

Do you know when the devil and the men become furious against anybody? It occurs, when this anybody wanted to have a personal communication with the God. Since the personal communication will bring to the sanctification and devotion. Then in a full degree shines the whole darkness of the devil and the whole stupidity and vulgarity of the people. It is superfluously I to talk you, that the Heaven is higher than the earth. It is superfluously I to say to you that these two things stand in opposition. However, when these, who are on the earth, don't wish to accept the testimonies of That, Who survives in the Heaven, then it has come the time of the devil. It has come the time in the hearts of the earth men to erupt like volcano the whole fury, the whole envy and malice, all dark and evil thoughts, that devil would bear in the human heart. And believe me, such one dark stream of devil's lava surely burns low each conscience, that stood in its way. Then people, who have been till this moment passive or neutral in their position, set up such yell and hysteria, so it is not wonderfully you to find the same testimonies in the life of Joseph.

I weep for the destiny of those, who spitted and despised the God. I weep for the destiny of the men, who hated the lessons by the Word and who began to despise in thought and deed the Mercy and the Kindness of the God. I weep for those, for who does not yet remain a victim for their sins, since if they have crucified the Lord in their hearts, they would do it again and again. Again and again they would do their abomination and obscenity. However, such is the time of the prostitute Babylon. Time, when the earthly is considered for Heavenly, but the Heavenly - persecuted and hated with that fury, with that the Pharisees killed the deacon Stefan.

Despite all, Lord will continue to send His servants to all churches. And the Word of the Prophetic Spirit surely will be a stone for stepping or stumbling of all people. For there is one verse, that will explain you a great part of the God's judge over the wicked persons. There is a verse, that will help you to understand fully why save a hell and abyss there is a fiery lake, too. This verse Jesus proclaimed, saying:

**"This is the verdict: Light has come into the world, but men loved darkness instead of light because their deeds were evil. Everyone who**

**does evil hates the light, and will not come into the light for fear that his deeds will be exposed. But whoever lives by the truth comes into the light, so that it may be seen plainly that what he has done has been done through God...” (John 3:19-21)**

Do you see, brother, that when the Light came, you must with all your efforts run to it, so that to be saved. For while you run at the Light, the devil who has been near to you, will be paralyzed and troubled. Since he neither can run to the Light, nor to understand it. That’s why he can do other thing, about what I shall talk here. For according to the Father’s Will to your heart will come that deep and all embracing prophetic look you to see, that if the biblical Joseph from the antiquity from a long time is not among the living people, then the Spirit Who lived in him, today again wants to live in the human hearts. However, this Spirit does not wish to live the human life. No!

HE WANTS TO LIVE HIS OWN LIFE, THE LIFE THAT HE ALWAYS HAS LIVED! HE WANTS TO LIVE HIS OWN WORD AND TO DO HIS OWN DESTINIES!

The test of your faith is just this:

Whether you will allow to God to live His Own Life in yourself or you will close Him with narrow-minded lessons, having the stinking stench of the wicked!

As a beginning I want you to remind the biblical story about this part of Joseph’s life. Remind how, with a full sincerity and confidence, he said to his brothers:

**“He said to them, “Listen to this dream I had: We were binding sheaves of grain out in the field when suddenly my sheaf rose and stood upright, while your sheaves gathered around mine and bowed down to it...” (Genesis 37:6-7)**

One of the things, with that you can register the presence of the devil in the heart of any man, is just the test with the pride. The pride just therefore is a pride; for it does not wish kneel before anybody. It always sees itself over the others. And here, that this pride ought to hear and accept a testimony, in that it is not allotted to it the most high place. Just such was the test with the Joseph’s brothers. They, who were great and righteous in their own eyes, ought to hear about a dream, in that the deed of their hands bows before the deed of Joseph’s hands. The pride of his brothers was no only hurt. No! They felt themselves humiliated and therefore maliciously cut short:

**“Do you intend to reign over us? Will you actually rule us?”**

**(Genesis 37:8)**

If you look at this biblical occurrence only like a reader, but not like one, who with an opened heart seeks the Spirit of the Lord, you will remain with the same facts, without at all suspecting the deep that reveals here. Since, if till now you understood, that Joseph is a spiritual personification of the godliness, then what other may be his dream, save such that proves categorically one incontestable truth. What is this truth? I ask myself, too, but the answer came by my Lord Jesus. For He stood next to me and asked me:

**“Say Me, Stefan, which is My Perfect command, concerning to the Gospel?”**

“Lord, Your words at the end of “Gospel of Matthew” reveal Your Perfect Will. For there You say to all us:

**“Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age...” (Matthew 28:19-20)**

**“Did not I say also, that the harvest is plentiful, but the workers are few? Did not I call all you to pray, so that the Lord of the harvest to send workers on His harvest?”**

“Yes, Lord! Just these were Your words!”

**“Think then! If the Lord of the harvest has such benevolence in the life of His anointed man Joseph, revealing with this the spiritual power of the godliness and the Holiness, then will not be most pleasant in my Father’s eyes those My preachers of the Gospel, who by the example of their godliness and holiness really to bring before My Throne the most precious sheaves of the grain? Since which of you has known My Father’s Will and has understood My words in Spirit and Truth? And if I say that I am with you during all the days till the end of the time, really did not I say it you to know always and wherever, that no you, but I am the Harvester? Was not this the reason Joseph to reveal the dream to his brothers - to testify them the prophetic message by My Father? For, there are today many, who reap for themselves, but not for the Lord and by the Lord. However, it comes a day, when My Father will do the**

fateful test with the sheaves of grain. Then from His hand will be cut down absolutely all sheaves, to that harvesters are the people, but no Lord. And each knee will bow before My Name! Another's sheaves of grain also will bow because of the fear from the bitter Lord's anger. Now, think again over the reaction of the Joseph's brothers:

**"Do you intend to reign over us? Will you actually rule us?"**

**Am not I the King of the kings and Lord of the lords? And was not this the reason I to reveal Myself before you with these My words, so that I to remind you always the madness of Joseph's brothers? And today, when I visit you with the Prophetic Spirit of Father, why do many repeat the madness and the folly of Joseph's brothers?**

**Why do you thunder against My servant, as if he talks from himself? Why do not you humble your hearts and do not look with how many masks the wicked has possessed your souls? And My servant, who humble himself to be servant to all you and to give you freely, with a king will you compare him? With a lord will you compare him? Does not the servant remember, that always and wherever he is servant, who is due to serve to all you?**

**When did he want your thrones? When did he want the authority of your pulpits? When did he long for the claps in your conferences? When did he want your praises and bows? Or when did he wish reward for his deed? And here, I say and in the zeal of My Father I swore:**

**As in the antiquity My Father filled the dream of Joseph and to his sheaf of grain bowed all rest sheaves, so today in His zeal Father will make all enemies and persecutors to bow before the Word of the Prophetic Spirit, but no before that man, by who Father has sent it. And as in the antiquity My Father was jealous and deigned in the Joseph's godliness, so today the last living sheaves for Zion will be reaped only by men with the spirit and longing of Joseph. As to the rests, they in the full degree will be compared with the brothers of Joseph and they will do the abominations, to that for a long time they have been pointed by My Father. Such people will hate more and more My servant because of My benevolence over him and because of the Spirit of wisdom and revelation, that I put on him.**

**As to all pure, who with opened hearts and souls accept the Bread of the powerful, then I shall give them to understand the more deep mystery with the second dream of Joseph. Say Me, Stefan, what do you read about the second dream of the God's beloved man?"**

"Lord, Joseph said to his brothers:

**"Listen, I had another dream, and this time the sun and moon and eleven stars were bowing down to me..." (Genesis 37:9)**

**"How do you understand this dream, Stefan? Will you accept as a comprehensive the reaction of Jacob, who in the sun and the moon saw himself and his wife, but in the stars - the brothers of Joseph?"**

"No, Lord! There is here a deep mystery and I don't know it. For the Word says, that even if Jacob rebuked Joseph, he remembered the words of his son. And I am sure, that he remembered them, because Father had sealed them in his heart..."

**"It is right, Stefan! Just right! For the second dream of Joseph with the depth of its prophetic target is one of the greatest prophetic verses in the Holy Scripture. Therefore, let I ask you again: do you see the brothers of Joseph like stars? Since their number is eleven and responds entirely to the dream of Joseph..."**

"Lord, it is very difficult for me to imagine, that they are stars. Since the stars are luminaries in the expanse of the sky, that radiate a light. As to the malice and the envy in the hearts of the Joseph's brothers I can not at all connect it with the light, rather with the darkness. That's why I wonder that they are stars..."

Here Jesus smiled to my answer and said:

**"Despite all, accept, that the Joseph's brothers are stars, since in His Covenant with Abraham, Father promised him that He will make his offspring like the stars. However, this is not My question! For I really want lead you in the depths of My Father's heart you to see, that the same sign stands there, too. Now, look at the things, that I shall show you and give them to My Church..."**

After His words Lord raised my spirit and the both with Him, we flied above, to the mount Zion and the Heavenly Jerusalem. There we came in a palace, shining like the sun. When the door of the palace opened fully and I

looked before myself, then the view strokes my heart. For Jesus gave me to see the dream of Joseph in one unlikely and all embracing panorama. I looked at the Sun, the Moon and eleven stars that were in the ends of the Father's mantle burning in fire. Then Jesus said me:

**"Remember this vision forever. For with him My Father reveals to you the most deep of His heart. Even if now you don't understand anything, after a few time I shall give you the comprehension on it. However, open the whole your heart and Father will fill it with the greatest Power of His Spirit, with the Power of the godliness..."**

I felt a perfect elating and unlikely easiness. Everything in me strove for the Throne of the Father. Everything in me sang "Halleluiah". Everything in me burned with His Fire. And I knew forever, that I am related with Father and that Father is related with me. For deeply in my heart I felt, that I am a sparkle from the Fire of Father and that while This Fire is alive and pulsating, then I shall live and burn for Him, too.

After this Jesus ceased the vision and said me:

**"Remember, that the second dream of Joseph is a dream, in that the Same God's Holiness appears Itself and the godliness testifies to It. Therefore Stefan, I, Who am your Lord and God, I am the Sun in this vision, but the Moon is My Bride, the Church. As to the same vision, this is the realization of the verse that Paul wrote to you:**

**"Then the end will come, when he hands over the kingdom to God the Father after he has destroyed all dominion, authority and power. For he must reign until he has put all his enemies under his feet. The last enemy to be destroyed is death. For he "has put everything under his feet..." Now when it says that "everything" has been put under him, it is clear that this does not include God himself, who put everything under Christ. When he has done this, then the Son himself will be made subject to him who put everything under him, so that God may be all in all..." (1 Corinthians 15:24-28)**

**Do you understand now, Stefan that in the dream of Joseph really the same God's Holiness reveals the end?"**

"Yes, Lord! However, who are the eleven stars? Since, I can relate them neither with the apostles, nor with the tribes of Israel. Only for a moment I

thought, that Your apostles remained eleven, because of the betrayal of Judas, but after I guessed, that another took his place of leadership. Then, how can I understand the number of the eleven stars, if the apostles and the tribes are twelve?"

Jesus caressed my head. After He kept silent for a moment. Finally He said:

**"The secret of the eleven stars is hidden in the God's Sovereignty. Since, if you read with attention about the choice of My Father upon Joseph, you will perceive that My Father gave him two portions in the earthly, according to the written by Ezekiel:**

**"This is what the Sovereign LORD says: "These are the boundaries by which you are to divide the land for an inheritance among the twelve tribes of Israel, with two portions for Joseph..." (47:13)**

**And if My Father is faithful toward Joseph in the earthly, then He will be faithful in the heavenly, too. For in the time of the Great Sorrow, when it seals those hundred forty four thousands chosen people from the tribes of Israel, Joseph again has two portions, the one for his son Manasseh. And despite the fact, that the tribe of Manasseh has a single partition, it is not still a single star, because the star is Joseph. That's why before the Throne of My Father worship eleven stars and one of them - this to Joseph, has double partition. In this depth of wisdom and revelation you will understand the role of Dan, whose tribe hardened Israel, Dan, in whose spirit stood against Me the Pharisees, too. To them, Stefan, I promised the same, that My Father did, giving double partition to Joseph. Listen to My words:**

**"Jesus said to them, "Have you never read in the Scriptures: "The stone the builders rejected has become the capstone; the Lord has done this, and it is marvelous in our eyes? "Therefore I tell you that the kingdom of God will be taken away from you and given to a people who will produce its fruit..." (Matthew 21:42-43)**

**And if Dan means "Judge", but Manasseh means "forgiveness", who God will cut off and who He will raise? Will not God cut off the judge and will not He raise that, who forgives? Since, just because of the merciful heart, forgiving the sins of his brothers, Father gave to Joseph his son Manasseh? He no only gave him, but He even determined him double**

**partition, so that to be realized entirely the dream, in that the God's Holiness talks by Joseph's heart. Did you understand it?"**

"Yes, Lord! I did! I understood that among the many virtues of the Spirit, the godliness is most next to the Love and to the Fire of Father. To this testifies Your Apostle Peter, who writes in his second message:

**"Grace and peace be yours in abundance through the knowledge of God and of Jesus our Lord. His divine power has given us everything we need for life and godliness through our knowledge of him who called us by his own glory and goodness. Through these he has given us his very great and precious promises, so that through them you may participate in the divine nature and escape the corruption in the world caused by evil desires. For this very reason, make every effort to add to your faith goodness; and to goodness, knowledge; and to knowledge, self-control; and to self-control, perseverance; and to perseverance, godliness; and to godliness, brotherly kindness; and to brotherly kindness, love. For if you possess these qualities in increasing measure, they will keep you from being ineffective and unproductive in your knowledge of our Lord Jesus Christ..." (2 Peter 1:2-8)**

Then Jesus continued, saying:

**"Do you see by the words of My apostle, that I give you Power not only for the Life, but for the godliness, too? Do you know what the difference between the life and the godliness is?**

**Remember it by your Lord:**

**THE LIFE - THIS IS YOUR STANDING IN THE GOD, BUT THE GODLINESS - THE GOD'S STANDING IN YOU!**

**No only you ought to stand in Me, but I also ought to stand in you. For, separated from Me, you can not withstand to the wind and the storm, but joined and united with Me - you will survive. Therefore, see the following step in the life of Joseph. See the test of every godliness for the God and by the God..."**

## 4. THE PIT OF THE ENVY

My brother! My dear reader!

I ask you to imagine how one day you have put on yourself the cleanest cloths and after you have gone in a place, where many people have gone down in mud and all kind of squalor. So, these men perceive how you walk among them with clean cloths. They look at your cloths, and after - at their own cloths. After they look again at yours, and again - at theirs own... In one moment they only perceive (since it is evidently), that while they are dirty, you are clean. And since these dirty people don't work anything to leave the mud and to put on themselves clean cloths, then because of this reason two or three of them point with finger at you, saying:

"Really this man wishes look as the most righteous? Really he wishes to be different of us? Till when he will irritate us with his clean cloths? Let we throw him in the mud, let he become like us!"

After they catch you with his rough hands and with the whole their malice they throw you in the mud, so that to be dirty like them. And when the whole their mud appears on you, too, then they already grin, saying:

"Look! Look! You are so dirty, as we are, too! So, don't think, that you are different of us! Don't think that you are righteous! It is not according our doctrines you to be different and to delimit of us..."

What pitiful end of the whole story! And in the same time - so natural, as the dirt of the worldly spirit is. For the national consciousness of one people as the Bulgarian people, the envy has become a feature, taken deep roots. So deep, as wide is the anecdote, in that one man went to see the pains of the Bulgarians in the hell. There he perceived in the boiling tar neither souls, nor a guard of the devils. When he asked the devil on duty why in the boiling tar there is neither anybody, nor a guard, then the devil on duty smiled and said:

"The Bulgarians guard by themselves in the boiling tar. For when anybody peeped with his head out, others suddenly pull him downward..."

I specially used this anecdote, because for ten years serving to my Lord, I saw and I knew that the envy really has become a national feature - something like a demonic gene of the relationship between the people. As to the godliness, about that I shall talk you, the things there are more different

than in the example with the new suit, about that I already told you. For, the suit is the thing that you put on yourself outside, since the godliness is a thing that Father put on yourself inside. So that the example with the suit will not be of use for you. However, there is one other, perfect and inspired by Father Example that was appeared by His beloved Joseph. Since, this sincere and trustful man really suffered because of the pureness of his heart. The Word marks:

**“His brothers were jealous of him...” (Genesis 37:11)**

I want to say you, my brother, that if there is a testimony for fiery trial of the faith, then in the most difficult appearance it is just this:

TO STAND LIKE A TARGET OF SOMEONE’S ENVY!

For the candlestick of the envy is the spirit of Korah, who is one of the most powerful and authoritative demons in the dark kingdom of the wicked. Just he took a cause in the hearts of Joseph’s brothers, making them agree to kill Joseph. However, this spirit can not do anything without the permission and the foreknowing of God Father; that’s why Joseph was not killed. It occurred, however, other - he was thrown in the pit. Just from this moment the happened in the life of Joseph has its spiritual reading, through that we can take the lessons for the attacks of the devil against the godliness. I should not understand the deep that reveals with this pit in the Joseph’s life, if my Lord Jesus was not next to me and if He did not reveal me the divine reading of the Joseph’s life. Here are the words that Jesus directed to me:

**“How do you think, Stefan? Was the pit trial for Joseph?”**

“Yes, Lord! For with assurance his state has been terrible. The verse from the Bible says that the pit, in that they threw him, was empty and there was not water, too. Only when I imagine, that evil and fierce men, breathing death and violence, would caught me and thrown me in a pit without water, then my heart would fallen away, if Lord did not stretch His hand to save me. That’s why everything, that God’s beloved man has seen, has been at least stress and horror for his soul...”

**“Just right, My boy! It is not possible violators to seek your soul to destroy it and all this not to bring to the stress. However, My thought was not just such. I asked you: Did Joseph lose his godliness, when his brothers threw him in the pit?”**

"No, Lord! The godliness remained in him.

**"Yes, Stefan! Joseph really kept his godliness in the pit. Let your comprehension of this fact be such, that you to compare the godliness with one beautiful diamond, that somebody with the whole malice of his heart wishes to break. However, since the diamond is very hard, indeed it does not break, but only those things, that try to run into it and to break it. Then that man, who has seen, that he can not break the diamond, decides to dirty it with too much mud and earth. Then, what do you think? Will anybody bypass a precious diamond, only for it is soiled with very much mud and earth?"**

"Jesus! Much as to be soiled with mud and earth, the diamond remains diamond. It will not lose its worth, in whatever dirty to be thrown. For that man, whose eyes perceive the precious, he will take the diamond and will wash it, so that to be decoration in his home..."

Jesus continued:

**"Joseph was just such diamond that shined with the God's Light. And since the hearts, captured by craftiness and envy, could not endure him, because of this reason they threw him in the pit. However, even in the pit Joseph remained Joseph. And I want all you to understand the spirit of the happened. For when anybody acquired from the mind of the Lord and My Father bestowed him with godliness, then with him it occurs in spirit the same, that happened with Joseph, too. Now see the words of My apostle Peter, that will show to you the pit of Joseph, this way in the spirit of the revelation, that I give you..."**

The God's finger already shined upon the verses that I ought to read:

**"Therefore, since Christ suffered in his body, arm yourselves also with the same attitude, because he who has suffered in his body is done with sin. As a result, he does not live the rest of his earthly life for evil human desires, but rather for the will of God. For you have spent enough time in the past doing what pagans choose to do - living in debauchery, lust, drunkenness, orgies, carousing and detestable idolatry. They think it strange that you do not plunge with them into the same flood of dissipation, and they heap abuse on you..."**

**(1 Peter 4:1-4)**

Only read the verses, Jesus asked me:

**“What you think? Are not the debauchery, lust, drunkenness so more down than the Heaven, as the godliness is upper than the earth?”**

“Lord, really they are entirely contrary. They are extremes of the two spiritual poles...”

**“Is not this the reason Peter to say you, that any people wonder and heap abuse on the godly men, since they don’t wish to plunge with them into the same flood of dissipation? And what does it mean “flood of dissipation”? If the Holiness of the Father is the greatest peak, more and more upper, then is not the dissipation the greatest abomination that leads more and more down? And what does it mean “more and more down”?”**

“Lord, it means, the word is about the earth...”

**“No, My boy! The word is not about the earth, because the earth is Lord’s possession, as well as everything on it. The word is about the holes in the earth, about the ditches and the pits, to that spiritually lead the flood of dissipation. For Joseph was not thrown on the earth, but more down than the earth - in the pit, excavated in the earth. Just such is today the tragedy of the fleshly Christians. They are no only earthly. No! They dig downward, becoming like moles in their lawlessness. And when anybody wants to live in godliness among such people, then where does he is really?”**

“Lord! Only now I understand You. For if anyone is godly man, but he lives among people, plunged into the flood of dissipation, then his state responds to the example with Joseph in the pit. For in whichever direction he to turn: to the left or to the right, and in whichever direction he to go, then everywhere in the pit he will meet the resistance of the earth...”

**“Then, where is the exit? If you can go neither to the left, nor to the right and around you everything is earth, then what ought you to do? What usually does one man, fallen in the pit?”**

The same words of the Lord gave me the answer. Therefore I said:

"Lord, everyone who becomes aware that he is in a pit, raises a look upward, to the Heaven. For the support for the man, fallen in the pit, is only from above..."

Then Jesus said:

**"I am the support from above! I am That, Who knows how to rescue the godly men from a plague. I am, Who will stretch a hand and Who will save the men, fallen in the pit. However, I shall do it only then, when I saw, that even fallen in a pit, the godly man keeps his heart and his tongue. For some people fall in the ditches and pits on the earth, only in order to make them more deep. To them the condemnation is just. For in spite of the fact, that the brothers of Joseph had fallen into the spiritual pit of the devil, they did not stop in their malice and abomination to here. No! The one evil leded after itself other evil. For, they sold their brother Joseph to the Midianite merchants, who leded him away as slave in Egypt and who took off his colored robe. Do you know what it responds to? Do you know what it means anybody to profane with your godliness?"**

"Lord, I think it means anybody to slander and desecrate the life of Your godly men with all kind of lying words, so that they to endure the violation and rejection by the people..."

**"See then, what did the brothers of Joseph with the colored robe..."**

I answered to the Lord:

"Jesus, the biblical tale says about this, that they:

**"Then they got Joseph's robe, slaughtered a goat and dipped the robe in the blood. They took the ornamented robe back to their father and said, "We found this. Examine it to see whether it is your son's robe..." (Genesis 37:31-32)**

**"What, however, responds to this blood of the goat, with that the brothers of Joseph did the profanation upon the same Joseph? If Lord your God became the slaughtered Lamb, Who bears the sins of the world and by His blood you find Eternal Life, then who is the goat, with whose blood it makes profanation of the godliness and desecration of the God's Holiness?"**

"Jesus! The devil is this goat! For in Your parable You clearly say, that it comes the time, when the King will put the sheep from His right side, but the goats - from His left side. Then He will say to the goats:

**"Depart from me, you who are cursed, into the eternal fire prepared for the devil and his angels. For I was hungry and you gave me nothing to eat, I was thirsty and you gave me nothing to drink, I was a stranger and you did not invite me in, I needed clothes and you did not clothe me, I was sick and in prison and you did not look after me..." (Matthew 25:41-43)**

In the following moment Jesus already cried in my heart:

**"How many of the present goats will repent for their evil? How many of them will understand, that they have been instruments of the most powerful malice and fury of the devil? How many of them will understand, that it is deceitful the feeling, that the evil persecutes the sinful, but the good - righteous? However, the wisdom again will justify its children. For the pit of Joseph will be part of all godly men. In this pit they will be violated so as it happened with Joseph. Since for the wicked there is nothing more important than this - to do attempts to slender the godly man. And when the same blood, i.e. the same spirit of the wicked sticks on the hands of the envious men, who have given him as offering their hearts, then the godliness surely will be profaned. Therefore I say to all who love Me and keep My teaching in their hearts:**

**Don't you frighten to fall in the pit of Joseph! Don't you frighten to live one glorious life for the Lord your God! For on their part the Spirit of the glory is evil spoken of, but on your part He is glorified! Since, if they did this with Joseph, if they took off his robe and humiliated him, then did not they do the same with Me, too? Look at this part from the life of the Lord your God, Stefan!"**

I looked at my heart and there clearly shined the words of the Word, that declared:

**"Then the governor's soldiers took Jesus into the Praetorium and gathered the whole company of soldiers around him. They stripped him and put a scarlet robe on him, and then twisted together a crown**

**of thorns and set it on his head. They put a staff in his right hand and knelt in front of him and mocked him. "Hail, king of the Jews!" they said. They spit on him, and took the staff and struck him on the head again and again. After they had mocked him, they took off the robe and put his own clothes on him. Then they led him away to crucify him..." (Matthew 27:27-31)**

Then Lord said me again:

**"Now see, that after the taking off My robe, the robe of My godliness, they were hurry to mocked Me. Do you know why the mantle of My mocking was red?"**

"Yes, Lord! I know why. For with You it happened the same, that happened with Joseph, too. The difference is only in the color of the robe. The brothers of Joseph made red the colored robe of Joseph, but in the occasion with You the devil had prepared to them a red mantle, that was just for mockery. And after this they took again on You Your Own cloths..."

**"Know then, My boy, that when you went in the way of Your Lord, then blood will stand against blood. The blood of the Lamb, that gives you Eternal Life against the blood of the goat that wants mocking with each godliness for the God. The question is in which blood you will stand. For, many can not withstand, when the godliness is reproached and so they take a part in the ominous spectacle of the devil. For even Jacob, even if he had a strong faith in the Holy of Israel, he was still deceived at the sight of the bloody robe of Joseph and therefore his heart groaned out and wept with the words:**

**"It is my son's robe! Some ferocious animal has devoured him. Joseph has surely been torn to pieces..." (Genesis 37:33)**

**Could Jacob know about the deceit of his sons? Could he know that the devil is strong to mock with the godliness, but he can not kill it? Could he know that the ferocious animal had devoured no Joseph, but his other sons? Could he know that no the heart of the God's beloved, but the hearts of his brothers were torn in pieces by envy and malice? Here, I say you again, such is the destiny of My godly people. Let nobody repeat the Jacob's error to think, that God will not save the**

**godly men from scourge. For I surely will save all godly men, if I saw in them that precious humility and trust in the God...”**

After His last words my Lord became silent. Then I tried to understand all His perfect words. So I saw the suffering. I saw the crown of thorns. I saw the profanation. I saw the malice of the devil. I saw that pit, through that we ought to pass, if we really love the God. For everybody, who believes in Jesus, he walks with Jesus. And every strike by the envy and malice, every spiting and disgrace upon our hearts, are nothing more than one new step to the superiority of the God and to the majesty of His witnesses. As to the most serious test of the godliness, that came in the life of Joseph, then, prepare your heart, because in the following theme I shall talk just about him.

## 5. THE WOMAN OF POTIPHAR

My brother! I hope the word of this book to create a destiny in your heart. For, many don't know at all where they come from and where they go to. Many can not understand why this faith in Lord Jesus is. They have forgotten how the Savior said:

**"I am the way, the truth and the life. Nobody comes to Father, save through Me..."**

Think over these words of Jesus and then understand, that when Father has looked at the earth and when He has seen how all people have plunged into the slime of the sin and the vanity, He has sent His one and only Son to bring us an Way to the Heaven, Way to the Throne, Way to the Holiness of the Almighty.

This world has not the God's Holiness. This world has not the God's Truth. This world has doomed to die. Then, how ought to live in it those, who have confessed a faith in the Gospel news of the Salvation and Redemption? What example are we due to give to the men, who don't know the Lord? Does not apostle Paul advise we to be blameless and pure children of God without fault in the crooked and depraved generation, in which we shine like stars in the universe? I want you to know that just the godliness is that holy clothing that makes possible the heavenly people to live in safety on the earth. In difference to each costly coat, that you can soil and make dirty, the godliness in a robe from inside, that can not to be soiled, if the same you don't open his heart for the evil. For, even if they mocked at Joseph, his soul remained so pure, that he was pleasant to the Father in every moment of his life. Even if they mocked at Lord Jesus, again there - on the Golgotha's cross - from His wounds streamed a Light and Blessing.

In this theme I want to give you revelations by the God that perfectly will confirm your godliness. In no case I consider tell you again and again the life of Joseph, for it is enough for you to open your Bible in the book "Genesis" and to inspire by the example of the God's beloved man. However, when the testimonies of the Joseph's life are actual today, too, but the test of the Word stands before the heart of each Christian, then we surely ought to reason over

the divine reading of the Joseph's life. The reading, that Jesus made till now in this book, so that to reveal you the great secrets of the godliness.

It is not necessary I to say you, that God tested Joseph. It is not necessary I to say you, that if the Almighty had stretched His hand, He would defeated all enemies of Joseph. Where then would been the Glory for the God? Where would been the delight, with that Father has seen at His precious chosen instrument? Do you understand now, that if in our life come trials, then the power of these trials responds fully to the fiery love, with that Father has beloved us. For there is not father, who does not wish to put his child high. And if Father has wanted to put Joseph high, He has led him across those trials, through that He has confirmed him as His anointed man in His Glory. The Word says about Father, that He is the One, Who likes to lead many sons in Glory. (see Hebrews 2:10) The deep Truth is, that the Glory and the Holiness go together. The Glory never can come before the Holiness.

Now, think over this, what happened with Joseph. For, the Word says you that he was sold for twenty silver coins to the traveling Midianite merchants and so he was led as a slave in Egypt. However, there the God's benevolence upon Joseph was so great, that he won the benevolence and respect of his master Potiphar, who made him guardian and steward of the whole his home and all his possession. Just here, in this direction of reasoning I want you to understand the heart of the Father. For, He also wishes to give us His Home and to make us its eternal guardians and masters. Apostle Paul says about this, that:

**“No eye has seen, no ear has heard, no mind has conceived what God has prepared for those who love him...” (1 Corinthians 2:9)**

Do you know what the secret meaning of this promise is? It is that:

THOSE MEN WHO LOVE THE GOD, ARE READY TO DENY EVERYTHING THAT THE EYES SEE, THE EARS HEAR AND THE MIND CONCEIVE!

For today our eyes see this world, the ears hear him and he comes in many human minds. However, nothing of this world Father has not promised to those, who love Him. When the world saw, that you love Father more than him, then the same this world will appear before you like the seducing woman of Potiphar. She will go to you and she will say to you with open desire:

“Lie down with me!”

Everything in the life of Joseph happened just in this way. He loved the Lord and all his thoughts were busy with the faithfulness to the Father. But, here that the eyes of the Potiphar's woman liked him. And she wished him. After she began to follow him and to demand his fornication. I would not understand the deep in this test, if Lord had not come at me to talk me. Here what words said me Jesus:

**"Stefan, you ought to comprehend the spiritually in the whole test, that My Father laid before Joseph. For the test with the woman of Potiphar today is a test for godliness before the heart of each Christian. Many can not see this woman, but this is not an obstacle every night to lie in her bed. Many even have not heard her question. Some people have reached to there, that they appear their own initiative and go at the woman of Potiphar, saying her: "I want to lie with you!" Here to such degree are corrupted and dirty the last generations of people. They can not see the reclining prostitute, only because of the fact, that they are earth and fleshly. You, however, think just over the words, with that the woman of Potiphar tried to seduce Joseph. These words were:**

**"Lie with me!"**

**What you think? If one prostitute shouts such words from her heart, is not then the declining her most natural posture? Don't the prostitutes like mostly to lie?"**

**"Yes, Lord! Just this is a feature of the prostitutes..."**

**"Think then, whose example do the prostitutes follow and why do they lie? Why do they wish just to lie? Who has them taught to decline in this way? Is not this the same world, in that they live?"**

**"Lord, Your apostle John said in his message very exact words about the declining:**

**"We know that anyone born of God does not continue to sin; the one who was born of God keeps him safe, and the evil one cannot harm him. We know that we are children of God and that the whole world is under the control of the evil one..." (1 John 5:18-19, NIV)**

**I shall repeat these verses according to the translation of the King James Version, because there they respond more to the spirit of this reasoning:**

**“We know that whosoever is born of God sinneth not; but he that is begotten of God keepeth himself, and that wicked one toucheth him not. And we know that we are of God, and the whole world lieth in wickedness...” (1 John 5:18-19, KJV)**

**“Perceive then, that John very exactly has showed to you the world in this pose that the woman of Potiphar demanded from Joseph. Is not it visible in her desire anything more deep?”**

“Of course, Lord! For John says to keep ourselves and then the evil one will not touch us. However, he will try this again and again. Just in this way he used the woman of Potiphar, because he was irritated just by the godliness, with that Joseph won the favor of all people...”

**“Now, was not like Joseph My Early Church, too? Does not say My Word about My first sincere followers, that:**

**“All the believers were together and had everything in common. Selling their possessions and goods, they gave to anyone as he had need. Every day they continued to meet together in the temple courts. They broke bread in their homes and ate together with glad and sincere hearts, praising God and enjoying the favor of all the people...”**

**(Acts 2:44-47)**

**Think then, that if you can earn the hearts with godliness, then with fornication you will lose them. That’s why the devil sends the seductive worldly spirit, to make many churches to go down in the bed of the evil one, so as the same world does it. Then, as the woman of Potiphar clung to the robe of Joseph, so the worldly spirit has clung to the godliness of the last generations Christians. So, they joyfully accept his seductions and they are hurry to go down in his bed. After they go up, wash them, and decide that the Joseph’s robe will suit them so well, as before the fornication. Can you see their state in the Paul’s view? For he warned about the attack against the godliness, but how many people had eyes and hearts to understand his words? For Paul wrote to Timothy:**

**“But mark this: There will be terrible times in the last days. People will be lovers of themselves, lovers of money, boastful, proud, abusive, disobedient to their parents, ungrateful, unholy, without love, unforgiving, slanderous, without self-control, brutal, not lovers of the good, treacherous, rash, conceited, lovers of pleasure rather than lovers of God - having a form of godliness but denying its power...”**

**(2 Timothy 3:1-5)**

**Look at this seductive woman through the words of My apostle! Look at the seductive worldly spirit, who robbed the godliness from the churches:**

**First: The worldly spirit made people lovers of themselves. But the self-love is the most open form of the egoism and the flesh. The self-lover does not think about anyone, save himself own. Such man has not My godliness.**

**Second: The worldly spirit made people lovers of money. But the love to money is the devil’s fire that burns out each fine linen, bright and clean. The lover of money has not My godliness.**

**Third: The worldly spirit made people boastful, proud and abusive.**

**Fourth: The worldly spirit made people disobedient, ungrateful and unholy.**

**Fifth: The worldly spirit made people unforgiving, slanderous and without self-control, so that in full degree such people to be possessed by the spirit of the Potiphar’s woman. Since she neither was reconciled with the godliness of Joseph, nor she refrained from her passions, but she slandered him with lies before his husband.**

**Sixth: The worldly spirit made people brutal, not lovers of the good, treacherous, rash and conceited.**

**Seventh: The worldly spirit made people lovers of pleasure rather than lovers of God - having a form of godliness but denying its power.**

**Do you understand now, My boy, that when the woman of Potiphar clung to your robe, you only ought to run away, so as did it Joseph? For, she would not give back the robe to Joseph, while he had not lain and fornicated with her.**

**Just therefore I forewarn all people through the word of this book:**

**Today, more than always, the worldly spirit of the evil one has clung to the fine linen, bright and clear of the virgins. That's why in My Temple came the merchants. That's why the seed of the wicked bore the whole evil that it was possible to be born. The greatest deceit, that today kills the hearts, comes by those, who did not refrain, but fornicated with the world. After they again and again began to demonstrate their righteousness, so that to be recognized as God's people. They really were at pains to have a form of godliness, but from a long time denying its power and their sins will testify against them. Since no I, but My Word will condemn them. My Word will say for such people:**

**"If anyone teaches false doctrines and does not agree to the sound instruction of our Lord Jesus Christ and to godly teaching, he is conceited and understands nothing. He has an unhealthy interest in controversies and quarrels about words that result in envy, strife, malicious talk, evil suspicions and constant friction between men of corrupt mind, who have been robbed of the truth and who think that godliness is a means to financial gain..." (1 Timothy 6:3-5)**

**As to My faithful people, who refuse to fornicate with the woman of Potiphar, they will endure mocking because of My Name. They will be thrown in the dungeons of every despise and sorcery, of every religious malice and fury. Let them accept this with joy, for the godliness with contentment is a great gain. Then My Father will command His ancient signs, with that He raised His servant Joseph. For while the faithful in the Lord stand in the dungeons, the Same He will increase His deed and will do the intentions of His jealousy..."**

Do you understand, my brother, what is today the woman of Potiphar for the last Christians? Do you understand that she is the worldly spirit, who comes to make you to fall into love at the things down, but not at the things above? The same you estimate the consequences of your choice. For if you staked on the fornication with the world, then you will allow him inside in your heart. Then the bright and clear robe of the godliness will not be of use to you. However, if you staked on the godliness and if you don't wish to do the compromises, that many do today, then be ready to suffer.

The life of Joseph is the categorical testimony that God deigns when anybody suffers because of His Name. Something more - the destiny of the God's beloved man reveals that surely there are day and hour, when the God's justice will triumph. I pray to Jesus to give you that faith, with that you will follow Him no for the sake of the earthly, but for the love of the Heavenly Glory, that comes to reveal to us. This Heavenly Glory has today its invisible action in the hearts of the God's chosen men. It prepares them for the time, when Jesus will return in His great coming. If you wish to be really rejoiced and confirmed with all Heavenly blessings, look at the last word in this book. For now I shall talk about the God's promises to everybody, who has in his heart the Spirit and the longing of Joseph.

## 6. THE PROPHETIC BLESSING OF ISRAEL

My brother! Do you have in your heart the Spirit and the longing of Joseph? Do you burn with that love to Father that makes you to follow Him with all your heart? Do you burn with that flame, by whose help you can endure all pains and suffering, attending the godliness? Then surely God will make you participant in the prophetic blessing that Jacob gave to Joseph, a moment before his death. Look now at this prophetic blessing and know, that the words of Israel stand today in the Father's heart. Today God seeks with His eyes people, who to become His pleasant men, since He wishes to give them in Spirit and Life all beautiful words of this blessing.

Here is the first blessing:

**"Joseph is a fruitful vine, a fruitful vine near a spring..."**

**(Genesis 49:22)**

Let be you, too, such fruitful vine, that draws its power from the springs of the Holy Spirit. For Father, Who has called you, glorifies then, when you accomplish the written:

**"This is to my Father's glory, that you bear much fruit..."**

**(John 15:8)**

Here is the second blessing:

**"...whose branches climb over a wall..." (Genesis 49:22)**

Believe that when the godliness became the perfect appearance of the God in your heart, then your own example surely will bear powerful and inspired followers of Jesus. Today, in this time, when Father seeks people, who to raise the last Holy Temple of the Lord, just the powerful and inspired by you followers of Jesus will climb over the wall of the Temple and they will keep it perfectly, without allowing the worldly spirit to rule over the God's meetings. So the Church will be such Bride without stain or wrinkle, or any other blemish, who Jesus will take at Himself.

Here is the third blessing:

**"With bitterness archers attacked him; they shot at him with hostility. But his bow remained steady, his strong arms stayed limber, because of the hand of the Mighty One of Jacob, because of the Shepherd, the Rock of Israel..." (Genesis 49:23-24)**

Put on yourself the mantle of the godliness, you never will have the lazy life of the dishonored people. For you will be attack with arrows of sorcery and reproaches, of obloquy and calumnies. However, believe - That One, Who is inside you, always will be stronger than those, who are in the world. God will keep the strength of your bow and the pureness of your prayers. God will confirm your thews. Only He will be your Shepherd and in Him you will recognize the Rock, Who present builders reject, but Who surely will survive like a head of the corner. Here is the fourth blessing:

**"...because of your Father's God, who helps you, because of the Almighty, who blesses you with blessings of the heavens above, blessings of the deep that lies below, blessings of the breast and womb..." (Genesis 49:25)**

Lord always will be stronghold of the blameless man and help to the righteous man! For with His Faithfulness and Kindness you will survive, like one, who receives Heavenly blessings from above, and blessings from the depths of the heart. Then your lips will be breast, that gives to the little children the pure milk of the Salvation, but your heart will be womb, that bears the Heavenly Image of the Savior.

Here is the fifth blessing:

**"Your Father's blessings are greater than the blessings of the ancient mountains, than the bounty of the age-old hills. Let all these rest on the head of Joseph, on the brow of the prince among his brothers..." (Genesis 49:26)**

If once Lord blessed His servant Joseph and he glorified His Name, then let become destiny for your heart the words of Israel. Since the same Israel said to Joseph, that the blessings, that he has received by Father, are greater than the blessings of his forefathers, **"the age-old hills"**. So you, my dear brother, have too the faith to accept, that the present blessings for the last faithful and godly people of God will be greater, than the blessings of the ancient men. Taking the Perfect God's Benevolence, you surely will rise to the high tops of the mount Zion, where on its northern sides is the City of the Great King.

Let these blessings lay on your head!

For, you have accepted to be servant of Father in the way and calling of Joseph - the excellent servant of God in the ancient days.

Look again at your heart! Look and see, that Lord Jesus already has put on you the mantle of the godliness!

Let it did perfectly its deed!

Let you raise to the throne of the Holiness!

Amen and Amen!
