TO YOUR HEART

My dear brother!

My soul glorifies the Lord for His inexpressible Mercy to the Church. When He comes to talk to the heart, the same this heart understands that it has been vulnerable and unprotected. The same this heart comprehends that it would remain in the marsh swamps of this world without the God's Voice. I do not know to what extent the pulpit is offered to Lord Jesus in the great numbers of churches; however, I can surely claim you that the Saviour has changed the church pulpits for the pulpit in the humble heart since long. Only heart, which has given up everything in this world, can stand His words and follow His Voice. As to my Lord, He will surely stand at the doors and will knock at them to the last in the hope that somebody would hear His Voice and would follow His Will. The book you hold in your hands now will show you so deep secrets and will be so radical word for your heart that the only thing you should do is to kneel before the God and to repent if His words have exposed you. For the last months, Lord began to visit me more and more often. In the same time, He began to give to me definite messages to the churches. I myself was astonished at the blessing and anointing, by which the prophetic books were being born. The excitement and impression with the visions of one new book had not left me yet, when Jesus came to me with a new message and new visions. All this made me think and confirm in myself the conviction that there must be a little while to the very end; so little that Lord hurries to shorten the days for the sake of the elect, whom He has chosen. At this God's hurry, we should really be Christians, who grow up in knowledge of Jesus not for years and months, but for days and hours. Our splendid God will increase the Grace of the Holy Spirit with such power that those, who have been visited by it, will not wonder how the Aaron's staff flourished and yielded ripe almonds only for a night. They themselves will be like almond twigs in the hand of the Saviour. These twigs will just be those Heavenly staffs, by which Jesus will surely rule over His enemies in the presence of His youths. Since, there is one last promise of the Saviour, which those, who are faithful and sincere, are waiting for with thrill and excitement. This promise and the devil's fury, which

always pursues it, were the reason for Lord to come to me again. Here are the words He told me:

“Stefan, the taking of My Church in Heaven is forthcoming. This taking of the Church will occur in a flash, in the twinkling of an eye, at the sound of the last prophetic trumpet. However, nobody has experienced this promise of Mine yet; that is why I came to enlighten your heart and to reveal to you the signs themselves, which will accompany the taking of the Church in Heaven. Since, few people in My Church think about their taking in Heaven today. The rest ones are busy with plundering.

My faithful people cry to Heaven:

“Come soon, Lord Jesus!”

And the generation, born by the spirit of each plunder and self-seeking, oily whispers in its heart:

“It is not time for taking the Church in Heaven. We should first show to this world that we are richer than it...”

So, if the faithful men are in a hurry to put on them the bright and fine linen and explore every avenue to gather treasures in Heaven, then, the generation of the last vainglorious churches hurries to put on it the most lustrous suits of the fashion houses and leaves no avenue unexplored to gather treasures on earth. If the God’s people look for every way to be blissful, the children of the evil one leave no chance to be blessed.

Then, what do you think of it?

Will not My Father react to what His eyes see?

Is He surprised with everything He sees? Since, His Prophet Jeremiah described once just what He examines today:

“Among my people are wicked men who lie in wait like men who snare birds and like those who set traps to catch men. Like cages full of birds, their houses are full of deceit; they have become rich and powerful and have grown fat and sleek. Their evil deeds have no limit; they do not plead the case of the fatherless to win it, they do not defend the rights of the poor. Should I not punish them for this?” declares the LORD. “Should I not avenge myself on such a nation as

this? "A horrible and shocking thing has happened in the land: The prophets prophesy lies, the priests rule by their own authority, and my people love it this way. But what will you do in the end?"

(Jeremiah 5:26-31)

What will they do in the end, Stefan?

What will the state of these people be if they gather money for inviting a false prophet to talk them about peace, when there is no peace?

Something astounding and terrible happens today. Many people, who call themselves pastors, domineer over the flocks through false teachings, coming from the country of the endless prosperity. And nobody wants to see, neither to hear, nor to comprehend that the time of this wickedness is coming to its end. Nobody wants to open the Holy Scripture of My Father and to see that there is a spirit, who incites the last generations of people to such madness and depravity. Since, this is the spirit of Amalek. This is the plunderer of Lucifer, whom the devil himself has set the task of being the main loop and temptation for the last churches. In the time, when the taking of the Church in Heaven is forthcoming, Father has been waiting for His children to fulfill My words, concerning those, who know what they should forcefully take. And this is the Word, intended for My righteous people:

"From the days of John the Baptist until now, the kingdom of heaven has been forcefully advancing, and forceful men lay hold of it..." (Matthew 11:12)

If anybody has laid hold of My Kingdom, then, My Kingdom will lay hold of such man, too. But when the spirit of Amalek, the plunderer from the dark spheres of evil, has entered the Temple, then, the wicked plunderers have already come in fashion: these, who coerce the orphan and the widow; these, whose hearts are only full with avaricious lust and lordly ambitions!

However, this is the reason for Me to inspire you by this Word, coming out of My mouth. According to the categorical command of My Father, I am going to reveal before you now the visions, by which those, who are called, chosen and faithful, will never lose the target of

the true faith, but will be glorifying Lord in their hearts to the very end..."

After His last words, Lord stretched His hand to my head and touched me. I felt how waves by the Holy Spirit rushed inside me. So, my heart was raised as a feather by the wind, so that I might see everything, which my Father in Heaven had commanded to be seen and understood.

Now, fallen at the feet of my Lord, I mostly pray for your heart to be open to receive the message of this book. Since, its pages will be for many the most fateful wings to Eternity and the Beauty of Heavenly Zion.

Amen and Amen!

1. THE VISION WITH THE TAKING OF THE CHURCH IN HEAVEN

My brother! My faithful friend!

I am really very surprised at the fall of many Christians. When they had to collect in their hearts all pearls, given to us according to the benevolence of God and Father, most of them preferred enjoying the simplest mixtures, forage for swine and dogs. When they had to raise their eyes to the Spirit of wisdom and revelation, most of them bowed down their eyes and were inspired with the earth imagination of the earth men. Since, if the moment of our migration in Eternity is already coming in the spiritual world, then, the great competition for plundering material gains and profits on the earth begins only now.

I do not know whether most people understand well what Lord gives to me to write. Nevertheless, He Himself ordered me to appear it before their face and to confess it before the whole spiritual world. Since, tomorrow, before the Christ's Judgment Seat, I will want to have that regard, which is worthy for the King of Kings. And only that regard is worthy for Him, which He has been looking through.

When Jesus came to appear to me the vision with the taking of the Church in Heaven, I understood again that I was blind and that each my meeting to the Saviour was at first new sight for my heart, and after that – message to the rest ones. Therefore, let me reveal to you the vision itself, as well as the words, which Lord talked to me. Here what He told me at His coming to me:

"Let your heart be very careful and your faith get stronger, so that you might receive everything I am going to tell you and show to you now. Since, I have not given My servants such a vision before. Now, your heart will be that vessel, which I am going to use, in order to appear My Father's Will about the last ones, who have rested alive. Since, the taking of the Church in Heaven will only be fact for them; it will not be real for anybody but them..."

I was listening to Jesus and I noticed how His Voice got strange, while He was talking about the last ones, who had rested alive. That is why I asked Him:

"Lord, what do You have in mind, when you talk to me about the last ones, who have remained alive?"

Jesus replied:

"I have in mind just what I say. Only those, who are alive, will rise in Heaven. If I had had in mind the life of the earth men, I would have told you that they all were alive. But I only have in mind My people, in whose hearts has rested Life from the Life of My Father. Therefore, remember how My Apostle Paul turned to the believers in Thessalonica and what words he told them..."

I do not need to think over the words of the Lord, because the written by the apostle emerged in front of my eyes. So, I told Jesus:

"Lord, Apostle Paul wrote the words:

"For the Lord himself will come down from heaven, with a loud command, with the voice of the archangel and with the trumpet call of God, and the dead in Christ will rise first. After that, we who are still alive and are left will be caught up together with them in the clouds to meet the Lord in the air. And so we will be with the Lord forever. Therefore encourage each other with these words..."

(1 Thessalonians 4:16-18)

After that, Jesus kept talking to me. He said:

Do you notice, My boy that there are very fateful truths in these verses? These are truths, unknown to most Christians. I will really come down from Heaven with a loud command. However, how many of you really know that the loud command is a holy command, which you should never break? And if anybody breaks it, such man is simply expelled from the God's promise about the taking of the Church. Tell Me then, what is My command, related to the taking of the Church in Heaven? Since, I have protected and I have still been protecting those, who have been given to Me by My Father, just through this command..."

The words of Jesus seemed to me very deep. I myself could not guess what the Christ's command, revealed in His appeal to those, who have been called, chosen and faithful, might be. Therefore, I bent down my head and told my Lord:

"Jesus! I do not know what Your command is; so, I can not find any sensible explanation of it..."

"You can not find it, because you do not want to see it, Stefan..." – Jesus replied and continued:

"Notice that My Apostle Paul gives a key for you to understand My command! After speaking of My loud command, he continues with these words:

"...with the voice of the archangel and with the trumpet call of God..."

As you yourself might see, there is a Voice of archangel at the moment of the taking of the Church in Heaven. What do you think of it? If Lord comes with a loud command, then, what the Voice of the archangel must be and what – the signal of the God's trumpet? Is it possible for Lord to call for one thing, the archangel – for something else, and the trumpet to be calling for third?"

I smiled to the questions of Jesus, because through them, He was leading me to perfect knowledge of the God's truths. Therefore, I told him:

"Lord, it is not possible for Your command to be different from the Voice of the archangel and the trumpet call of God. I think they all direct one and the same message to the churches – the message, which calls them for readiness to be taken by God in Heaven..."

Listening to my answer, Jesus added:

"Then, see what the Voice of the archangel is a moment after the devil himself and his dark angels being hurled down on the earth..."

The Lord's hand was shining over the exact verses from "The Revelation", which declared:

"Now have come the salvation and the power and the kingdom of our God, and the authority of his Christ. For the accuser of our brothers, who accuses them before our God day and night, has been hurled down. They overcame him by the blood of the Lamb and by the word of their testimony; they did not love their lives so much as to shrink from death. Therefore rejoice, you heavens and you who dwell in them! But woe to the earth and the sea, because the devil has gone

down to you! He is filled with fury, because he knows that his time is short..." (Revelation 12:10-12)

Hardly read the verses, I felt mighty Light that was coming to my heart. Therefore, still under the influence of this Light, I told Jesus:

"Lord, I have only just understood that this is namely the Voice of the archangel. This Voice comes to warn us that the time is now for us to come to live at You in Heavenly places. As to those, who love the earth and everything in it, the warning, related to the woe, concerns just them..."

Jesus smiled to my words and said:

"Do you understand better now the next words of My Apostle Paul? Do you understand now why the taking of the Church in Heaven concerns only those, who have remained alive? And, who might be alive, but that one, who has been moved by the Holy Spirit to live in Heavenly places? Who can live the Life of God but that one, who has taken along the new and living way, at the end of which is revealed the Mount Zion and the Heavenly Jerusalem? However, for the sake of being rested alive, withstanding to live in the Life of the God, instead of sinking into the death of sin, My people will surely meet Me in the air and will receive bodies, glorified as Mine.

Tell Me, Stefan, if you want to meet your friends from the city you live in, would you be waiting for them in other city? Will not you meet them just in the city, which you all inhabit? Then, how would some people like to meet the Lord if they do not live in His city? How would they like to receive a lot in the Heavenly Jerusalem if they have always preferred the earth Sodom? You understand now that My command to all of you is just this:

Come to live in My Heaven! Come in My city! Since, from the days of John the Baptist until now, the kingdom of heaven has been forcefully advancing, and forceful men lay hold of it. And the moment of taking of the Church will happen in the very middle of the Heavenly Jerusalem and only those, who have lived above, will take a part in it. As to the rests, I am going to give to you a vision now, which will explain for you everything..."

After His last words, Lord Jesus gave to me a vision. Then, the eyes of my heart saw one of the most imposing pictures I had ever seen. I saw a great number of people, who had wings like these of white doves. They were flying in Heavenly places. In the same time, my eyes could also see a greater number of people. They were on the earth, and their wings were stunted and undeveloped. All those, who were going on the earth, tried to spread their wings. Nevertheless, they could not fly, because their wings were tied by loops, which ends were deeply driven into the earth. All of a sudden, something unexpected happened. The Heaven itself got so light as if the Sun was rising. This time, however, the sunrise was not coming from any of the earth directions. Since, a door opened in the middle of the Heaven and I saw how my Lord and Saviour Jesus Christ shone there in great and inexpressible Glory. He raised His hands and stretched them forward, so that light in all colours of the rainbow came out of His fingers. Then, Heavenly way spread along before the multitude of flying people, who had wings of a dove, so that they all soared in a moment and passed through the Light Door of Heaven. A moment later, the Door closed and the whole Heaven restored its ordinary colour. After that, the look of my heart was attracted to the earth and to the people, who were there. While the taking of the Church happened in the air and the Heavenly men were passing through the Door of Christ, something else had happened in the air. I could see hundreds and thousands people, who had nets and loops, thrown over. They were so stuck in the loops and nets that they could not any chance to free themselves. In the spirit of the vision itself, I had seen the men with wings. Most of these men had stunted wings. However, these wings were either broken, or missing, or simply tied by ropes. What is more – demons like moles began to creep out of the earth. They had hands, with ominous claws on their ends. So, they drove their claws into the wings of the men and were shaking in wild demonic giggle. The vision helped me fully understand the words, written in “The Revelation”:

“But woe to the earth and the sea, because the devil has gone down to you! He is filled with fury...” (Revelation 12:12)

A moment after I had seen these terrible details, Lord was again next to me. He asked me:

“Did you notice how My brothers and sisters were standing in Heavenly places, waiting for Me with perfect hope and confidence?”

“Yes, my Lord! It was magnificent! Their wings were white; as white as the wing of That Dove, which alighted on Your shoulders at the Jordan river...”

Jesus smiled again and caressed me. Then, He continued, saying:

“No eye has seen, no ear has heard, no mind has conceived what Lord has prepared for His called, chosen and faithful men. If anybody has thought that he has lived for Me, let such man renew his mind with the splendid Truth that you have not begun your Real Life yet; That Life, before which Eternity and Glory are revealed. You, however, turn back again at the vision I gave to you. Since, while all My people passed through the Heavenly Door, something else happened on the earth. Lots of people remained down; people, who have been alive in name, but dead – in fact. What did you notice at them, Stefan?”

“Lord, they also had wings; but their wings were stunted and undeveloped. I noticed that their wings were tied with loops. And the loops were so tightened around them that they could not fly off even for a moment...”

“And who is that eager servant of the evil one, who has tied the wings of many with loops? Who is that chief, so skillful in wile, who has made the fraud of the ancient serpent look like truth, so that it might mislead the hearts?”

I was listening to the Lord’s question and my heart doubtless knew the answer. Therefore, I told Him:

“Lord, this skillful in wile chief of Lucifer is the spirit of Amalek. And I know that You showed me the vision with the taking of the Church, so that I might understand his most insidious role among the churches of the last time...”

“That is right, My boy! What is more, I showed you the consequence from the activity of Amalek, so that I might wake those, who have been pointed by My Father to be woken, and to be more lulled to sleep those, who have been pointed for condemnation since long. Since, there is one spirit among the lots of spirits from the dark kingdom, whom Lucifer has entrusted the loops. This is the spirit of

Amalek. This is the fowler, in whose skillful snares many will be caught, namely those, who consider the Name of Jesus to be everything else, but selflessness and humility. That is why I am going to reveal you this spirit since the remote past, so that you might see its activity and constancy in corrupting the nation and community of the God. Then, blessed are those men, who deny the snares of Amalek. Blessed are those, who understand that faith gives them wings, so that they might fly amidst Heavenly places, instead of using it to realize their own wishes. Since, everybody, who uses his faith only to realize his wishes, is surely a bird with stunted wings, which will reach no longer than the loops of the fowler...”

After the last words of Jesus, the vision with the taking of the Church stopped and Lord led me further to understand the next deep spiritual secrets.

2. THE VISION WITH THE FIGHT AGAINST AMALEK

My brother! My faithful friend!

I wish you had fully understood the Lord's words from the previous chapter. I wish to believe that you would not be one of those people with stunted wings. Since, among the many dimensions of the Good News, the most important is that, through faith in Jesus, man might be moved from the dark kingdom into the Kingdom of Light. However, do most people, who call themselves "Christians", think in this way? Since, most of them say:

"Come on! Come on! Do not be so spiritual! Do not forget that you are still on the earth..."

When one flesh sees other flesh, it will surely testify to it for itself. As to flesh in general, it is naturally for it to abide on the surface of the earth. It can not rise above. The God's promises do not abide in it, neither the God's benevolence. However, I do not want for you to peer at the flesh. I want for you to take off the specs of this short-sighted faith, which has been pressed on us by men, more in flesh than the heathens themselves, and to follow That One, Who the White Dove alighted on at the Jordan River. Since, even if walking on the earth, He did not live on it. His Heart was related to the Heart of Father. And That Dove, Who came down from the heights, testified to Him that He abided in the heights.

Have you seen This Dove in you, my brother? Have you understood that the Holy Spirit, Who Father poured out from Heaven for those, who had believed in Jesus, was just the Pigeon, by Whose wings you would be able to fly above? Then, should you stay among moles and bats, who love the ground and darkness? Should you stay among people, whose mouth always waters with slobbers, when somebody waves wads of banknotes? Should you stay among people, whose only praise before their only lord is the rumble of their overfilled intestines? I do not ask you these questions as an end in itself; they are the prelude to one of the most covered in spiritual relation occasions from the Old Testament. This is the fight of Israel against Amalek at the exit of the Lord's people out of Egypt.

The truth is that Israel fought against many enemies. The truth is that all earth tribes hated the nation, chosen by the God. However, it is more splendid

truth that there, behind the wall of the visible things, in the area of the spiritual world, there was one, who had stood against the God's nation and his name was devil and Satan. If the natural man (the man without the Spirit) examines what is natural and draws his natural conclusions, then, the spiritual man examines what is spiritual and draws spiritual conclusions. That is why this book will be spiritual message to all spiritual men to its very end, so that the written by the apostle might be true:

"We have not received the spirit of the world but the Spirit who is from God, that we may understand what God has freely given us. This is what we speak, not in words taught us by human wisdom but in words taught by the Spirit, expressing spiritual truths in spiritual words. The man without the Spirit does not accept the things that come from the Spirit of God, for they are foolishness to him, and he cannot understand them, because they are spiritually discerned..."

(1 Corinthians 2:12-14)

Now, let me reveal to you the way of my devotion by Jesus in the secret of the fight against Amalek. Here are the words of my Saviour, turned to me:

"If you have received in your heart that I am the Same – yesterday, now and forever, then, have the faith also to accept the other truth, namely that the devil is the same – yesterday, now and forever. The devil will remain to be devil, and God will remain to be God. If this devil has always been standing against the God's nation and has sent his chiefs against the God's men, then, tell Me, how many of My people know about the chiefs of the evil one? How many of My people understand that each fight against the God's nation first happens in the spiritual world, and only then it resounds in the earth reality. How many of My people understand that if man is short-lived and dies, the dark spirits are not short-lived and do not die. They are active on each time and place, according to the destiny, allowed by My Father over the whole mankind. Tell Me then; is there any verse in the Psalms, by which you might understand how many chiefs of Lucifer stand against the God and His people?"

"Yes, Lord! There is really such verse. The singer of the psalms talks in it about the servants of the wicked one. He says:

“O God, do not keep silent; be not quiet, O God, be not still. See how your enemies are astir, how your foes rear their heads. With cunning they conspire against your people; they plot against those you cherish. “Come,” they say, “let us destroy them as a nation, that the name of Israel be remembered no more.” With one mind they plot together; they form an alliance against you - the tents of Edom and the Ishmaelites, of Moab and the Hagrites, Gebal, Ammon and Amalek, Philistia, with the people of Tyre. Even Assyria has joined them to lend strength to the descendants of Lot...” (Psalm 83:1-8)

I had just read the verses of the psalm, when Lord began talking to me. He said:

“If some people plot together with one mind, if they form an alliance against My Father and His people, will not their alliance exist until My Father has His people and hidden children? If by now, My Father has His pearls and precious stones all over the earth, then, the alliance of those, who hate the God’s people, will keep standing against the God’s Holy men by now, too. However, do you notice who take a part in this alliance?”

“Yes, Lord! Here are Edom and the Ishmaelites. Here is Moab, too. Here is also Amalek himself, for whose cunning You open my eyes now. Here are the inhabitants of Philistia, the people of Tyre and the descendants of Lot, too...”

“Should then the blind men be much blinder, being unable to reason and comprehend that, if this alliance stood against the God’s people once, it would keep doing that again and again now? Should the deaf men be much deafer and insensible ones – much more insensible to understand that that as there are children of Abraham, so there are children of Edom, too? Do not they understand that the devil is the same? Do not they understand that if the Bible talks to them with names, then, spirits peer behind these names?”

“My Lord! It is difficult for some people to accept that You talks about the woman Jezebel and about Balaam in “The Revelation”; and what would it be if they had to open their spiritual eyes and to see what dark devil’s fish had stretched its tentacles against the God’s people? Everything is history and theology for them. Everything is past for them...”

Here the Voice of my Lord got firm and terrible. Then, He said:

“Tell them and let them know My words! Since, Heaven and earth will pass away, but what has been pronounced by the Lord through His prophets will not pass away:

ALL PEOPLE, WHO CONSIDER MY WORD TO BE A PAST, WILL REST IN THE PAST! PAST WILL JOIN THE PAST, PRESENT WILL JOIN THE PRESENT AND FUTURE WILL JOIN THE FUTURE!

As to the sensible ones, whom no man, but God Himself has opened the eyes of their hearts, such men will be blissful, because they are, who will catch the stretched hand of the Lord. I will not leave My faithful people without strength against this demonic alliance. My people will surely be firm against Edom and Amalek. Therefore, let Me reveal to you now what the first fight of Israel against Amalek was...”

After His words, Lord stretched His hand to me and a vision appeared in front of my heart. I could see the troops of Israel, formed up on one spacious field, and the troops of Amalek, coming against them like hordes of black ants and locusts. Then, Jesus told me:

“Look at the fight between Israel and Amalek! And no only it! Examine also that highly raised mount, where the God’s Prophet Moses stands, and Aaron and Hur next to him, too...”

After the words of the Lord, the battle itself began. The warriors of Israel rushed against the warriors of Amalek, so that sword met a sword and a shield met a shield. The vision itself was so impressive, even if I looked at it on a huge screen in a cinema hall. All of a sudden, I noticed the spirit of Amalek. It was a spirit with ominous countenance. Great hatred might be read in his eyes, and his lower teeth were sinking till blood into his lower lip. This spirit was holding a big lasso in his hands. He was waving it over the troops of Israel and cast it against its warriors, trying to catch the hearts of the Israelites. Every time, when he was waving the lasso, a cloud of demons followed with eyes the movements of his hand and was rushing where the loop would be thrown. And here, Amalek visibly began to overbear. His troops began to prevail in the fight and a greater number of dead Israelites fell down, staining the earth with blood. Then, Lord directed my look to the high mount, where the God’s Prophet Moses was standing. Holding a staff in his right hand, the servant of

Father raised his both hands to the Heaven and called God and Father. Then, angels of Jehovah came flying over the place, where Moses was; by their flaming swords, they drove the demons of Amalek away. Then, the battle turned, because the loop of Amalek could no longer influence over the hearts of the Israelite warriors. In the next moment, Israel was already overcoming. However, it was not so simple. The troops of Amalek were like endless black multitudes, and new warriors were taking the place of the dead ones. I looked again at Moses and I saw fatigue in the God's prophet; his hands were already growing weak and could no more hold the God's staff up. So, the God's servant let his hands down and the angels of God withdrew from the battle. Then, the spirit of Amalek gained power again and brandished the lasso in his hands, pointing the way of thousands of demons. And again, many Israelites fell down dead on the meadow. I wondered how the vision will continue, when Lord directed the look of my heart to the mount. So, I could see how Aaron and Hur laid Prophet Moses sit on a stone, and then, they raised his hands up. The first one lifted his left hand, and the second – his right hand. This act provoked immediate effect, because the angels of Father came flying over the fight again. This time, they were much more than the former ones. They brandished their flaming swords. This fact made the spirit of Amalek hide, and his demons flee in panic disorder, slipping like moles into the depths of the earth. So, the whole fight had already predetermined for the Glory of God and Father, because Aaron and Hur were already holding of Moses' hands up and the staff of the prophet was constantly pointing at the Heaven. So, Israel no only prevailed over the troops of Amalek, but he also killed all of them, so that the earth blackened with their corpses. I was still breathless with the vision itself, when Lord approached me and told me:

“Write on paper everything I am going to tell you now. Let all people comprehend it and fully understand it! Since, it was one special fight of Israel; a battle, different from the other battles; fight, which issue did not depend on the actions in the field, but depended on everything, happened on the mount.

Now, tell Me, Stefan:

Would Israel have succeeded in prevailing over the troops of Amalek unless the God's Prophet Moses had been holding the staff up and unless he had been calling the angels of My Father?"

"No, my Lord! Then, the whole fight would fully have been doomed. Without the intervention of the God's angels, the demons of Amalek, as well as the very cruel spirit of Lucifer would keep opposing to Israel to the end. Then, the hearts of all warriors would only grow weak. I believe that You showed me this battle, so that I might understand that the shields, swords and the earth efforts would have been in vain if there had been God's benevolence upon them. And this benevolence becomes evident, when the hands of the God's Prophet, tightly caught the Prophetic staff, are raised to the Throne of God Father..."

"What do you think of that? Is not there one tribe of Amalek in the way of the Church today? And, does not it oppose to all those, who leave Egypt? Is not there a fight against the demons of Amalek, too?"

"Of course, there is such a fight, Lord! And I am afraid that many have already fallen dead in this fight..."

"And do you know why have they fallen dead? Has not this happened, because they have despised the God's Prophetic Spirit and have refused obeying to the Word, coming through the God's servants, the prophets? And, did you notice that the hands of Moses grew weak and could no longer hold the staff? Did you notice that Aaron and Hur laid him sit on a stone, and after that, they were supporting his hands raised to the Heaven until Israel defeated the Amalekites? Then, how would My Church cope with one of the most cruel and successful chiefs of Lucifer if there are not at least two pastors, as Aaron and Hur, to hold raised the hands of My prophets?"

What is more, Stefan! Madness and corruption have reached to such extent that, when pastors see the God's prophet with hands, raised to Heaven, they hurry to anathemize him from their pulpits and call the sheep to pray with such magic and enchantment that the hands of the prophet might grow weaker and the staff might drop out of his hand. Have not they prayed in such way against your ministry? Is not the failure of your ministry the sweetest dream for hundreds

and thousands of hirelings, who hurry to call down curses on your name? In day and hour, when My Father was looking for pastors with the brotherly kindness and faithfulness of Aaron and Hur; in day and hour, when My Father expected them to raise the Prophetic Word upon the Rock Christ (so as Aaron and Hur laid Moses sit down on the stone); in such day and hour the servant of My Father received abuses and contempt, as though he was speaking by himself, and not by the Lord's mouth. Therefore, I tell all those, who have accepted My prophet in the name of prophet:

There is one last fight against the spirit of Amalek today! It is a fight, in which there will not be wounded men, since there will only be victors and killed in it. If anybody wants to get over the loops of the plunderer Amalek, let such man look at the Mount and see that My Father is doing there His Holy deed today. Since, on the mount, where Moses was raising his hands to My Father once, there, My Father revealed Himself to him as Jehovah-nissi. And if Jehovah-nissi means "Lord is My Banner", then, have in mind that I am waiting for you today on the Mount, as a Banner of My Father. The prophet of My Father needs your faithful hands today, in order to realize in Spirit the written word:

"Raise a banner on a bare hilltop, shout to them; beckon to them to enter the gates of the nobles. I have commanded my holy ones; I have summoned my warriors to carry out my wrath - those who rejoice in my triumph..." (Isaiah 13:2-3)

Blissful are then the men, who support the hands of My prophet! Blissful are the men, who appear their love to the God's holy ones in deed! Blissful are then the men, who consider the words, coming out of the Lord's mouth, to be worthier than the lies of the Amalek's servants! Blissful are those, who are looking at the Banner on the hilltop in this troubled and cruel time, instead of peering at the loops in the valley!

Since, this spirit of Amalek is a spirit against the God's Sovereignty! It is a spirit, who wants to lay his hands on the God's

Throne and control in the Church! It is a spirit, who has been described by the prophet of My Father with these words, written in "Exodus":

"For hands were lifted up to the throne of the LORD. The LORD will be at war against the Amalekites from generation to generation..."

(Exodus 17:16)

As to the way, in which Amalek succeeded in laying his hand on the Lord's Throne, you should better write the next word I am going to give to you now..."

After the words of my Lord, the vision with the fight against Amalek stopped, and I took up writing everything, which my heart experienced as witness of the God's fullness.

3. THE DISOBEDIENCE OF SAUL

My dear brother! My faithful friend!

The ancient people have had once such devotion to the lofty causes that most of them have considered the idea of dying in defence of their causes to be more desirable than life itself. Today, however, the time is different. Today, nobody wants to die, but everybody wants to live. For this reason, all people, who enjoy the life, are already dead. They have not understood what is the most important, namely that the Holiness and purity of such a Banner, as Jesus, deserves all persecutions, all pains and sufferings. That is why most people want to know Father as El Shaddai, and not as Jehovah-nissi. The terrible is that sly spirit as the devil would not miss calling itself with the adjectives, characteristic for the God, with the sole purpose of tempting and corrupting the God's people.

From the great number of meetings with my Saviour, I understood that the God's heart had always longed for the God's people to know it. God has always wanted to be raised in the hearts of His children. For this very reason, the devil has always wanted just the contrary – the full depersonalization and blasphemy of the God's Authority.

I know that for all those, who love the God's Word and want to be inspired by it, there is one place in the Bible, which is a mighty spring of inspiration and enlightening. This is the place, where two types of servants might be distinguished: these, who want to please Father and do His Will, and the others, who only take care of their own leadership. You have already understood from the title of this chapter that I am going to talk about Saul here. What is more, I am going to talk here about the spirit, who stumbled and overthrew Saul. Since, this is the same spirit, who overthrows the rulers over the Lord's people today. Therefore, let me share with you the whole talk, which Lord Jesus had with me. Here are the words, which Jesus told me:

“Stefan, I want for you to see the life of Saul in this way, by which you would be able to understand when he mistook and where he stumbled. Since, in every time and place, where my Father raises rulers over the Lord's flock, the same test comes, as that one, which

came to Saul. Therefore, remember what the words of My Father to the man, who He was anointing to be king over His people Israel, were..."

I was listening to the Lord. Then, I answered Him:

"Jesus! Father sent His servant Samuel to Saul to anoint him king. Then, the God's prophet appeared the Will of Father before Saul. He told him:

"I am the one the LORD sent to anoint you king over his people Israel; so listen now to the message from the LORD. This is what the LORD Almighty says: "I will punish the Amalekites for what they did to Israel when they waylaid them as they came up from Egypt. Now go, attack the Amalekites and totally destroy everything that belongs to them. Do not spare them; put to death men and women, children and infants, cattle and sheep, camels and donkeys..." (1 Samuel 15:1-3)

Jesus kept talking to me, saying:

"Do you notice that the first test, which My Father put before Saul, was the test with the spirit of Amalek? Since, this is not a man, Stefan, but spirit! Had not passed too many years from the time of Moses to the time of Saul, so that you might understand that this Amalek was not man, but spirit?"

"Yes, Lord! So it was! Father had ruled over Israel through judges for a long time; but His people wished to have a king. This desire became so strong that Father decided to give them a king according to the wish of their hearts. However, the Almighty God, Who is a Ruler of the human hearts, can see there, where the men can not see; that is why the very test to Saul was sent, so that the spirit, who have always opposed to the God's Authority and Sovereignty, might appear..."

"Look then and see whether Saul fulfilled the Will of My Father! Did he do according to the God's expectations? Or, he gave vent to other spirit in his heart?"

"Lord! He gave vent in his heart to the same this spirit, against which he went to fight. So, instead of getting over Amalek, Israel was thrown down by him. And most of the Israelites were caught in the loops of Amalek. And, after being caught, they ensnared their king Saul, too..."

"And what was the loop of Amalek like?"

"Jesus! The plunder and spoil was this snare! These were the spoils of the devil, for which Father had commanded to be totally destroyed. Since, Saul defeated the warriors of Amalek. However, he could not get over the spoils. Satisfied with the lion's share, he did not wish to raise his hand against Agag, who was king of the Amalekites and servant of the spirit of Amalek..."

"And, is not the stumble of Saul the same today? Since, the five-multiple service has no difficulties to preach the Gospel all over the world. The problem is not in that! The problem is that, except for those, who have been saved by preaching of the good news, the fat spoils of the world come into My Temple, too. Just by them, Amalek lays hands on the Lord's Throne in the churches. Therefore, turn back to what happened to Saul and notice the reaction of My Father, when He saw the crooked deeds of the king of Israel..."

"My Lord! Father was grieved for choosing Saul His anointed man. Therefore, He told Samuel:

"I am grieved that I have made Saul king, because he has turned away from me and has not carried out my instructions..."

(1 Kings 15:11)

Since, Saul not only let the wickedness prevail, but he decided to do much greater lawlessness. Since, the spirit of Amalek, who caught him in its snare, deceived his heart to believe that it was possible for him to serve Father by offering Him from the spoils of the devil. So, the humiliation of the God's heart by Saul got complete. When Prophet Samuel asked the king what was this bleating of sheep and this lowing of cattle in his ears, then Saul replied him without any fear of the Lord:

"The soldiers brought them from the Amalekites; they spared the best of the sheep and cattle to sacrifice to the LORD your God, but we totally destroyed the rest..." (1 Samuel 15:15)

After my last words, the Voice of my Lord got very firm and frightful. So, He said:

"Let everybody lay My words in his heart! Let all people bent down their heads, when Lord of the Glory talks to them! What is this lowing of cattle and bleating of sheep in My ears? What is this destructive exalting in the last churches, which have not understood what

sacrifices Heaven expects from them? What is this full invasion of the spoils into the House of the Lord, which you have turned into a den of robbers? What this sin and this madness, by which you take the things of the world and offer them as "sweet fragrance" before the altar of My Father, are? O unbelieving and perverse generation! How long shall I stay with you? How long shall I put up with your wickedness? When will those, who are drunk, become sober? When will those, who are asleep, wake up? How long will My Heart be waiting for some man, who, like My servant David, would cry from the pulpit:

**Sacrifice of the Lord is a broken spirit and contrite heart!?
Sacrifice of the God is the mercy to the widow and the orphan!
Sacrifice of the God is the sincere love for the brothers!**

As to your pride, by which you set up idols and monuments as Saul on the top of Carmel, they will not be of any use for you. Since, the plunderer Amalek can not be overcome by human righteousness and religious rituals. Here, I say and those, who are faithful, will certainly recognize that Lord has spoken:

I was grieved that I made many leaders over My sheep, since they gave up from My Way, went after the spoils of this world and led the commerce into My Temple! I was grieved that I chose men, who forgot that listening to the Voice of the Lord was more acceptable than their offerings and obedience – more desirable than the fatness of rams! I was grieved, because the disobedience of My shepherds became like the sin of sorcery! I was grieved, because their stubbornness against all My words, which I put in the mouth of My servant, became like overflowed stream of wickedness and idol-worship! They rejected the Word, which My Father and I were talking through Our prophet; that is why, we rejected them, too. So, they are no more shepherds according to the God's Heart!

Since, there is not such a pastor according to the God's Heart, who would fear the will of the many, instead of being in fear of the Will of the Only One! Since, there is not such a shepherd according to the God's Heart, who would not recognize when Lord speaks, and when the devil whispers! Since, there is not such a leader according to the

God's heart, who sees that the wolf is coming and leave all his sheep, so that the evil one scatters them!

I am the Only Shepherd over the hearts of My people! Blissful are those, who have not exchanged the Lord's hand for the impure hands of hirelings and careerists! Whoever wants let him follow Me in this book. I will surely become Light for the blind men and a trumpet call for the deaf ones! And all those, who My Father has given to me, will certainly see the loops of Amalek. As to those, who love Saul and want to go out of his authority, I tell them:

As you have been in love with Saul till now, so keep being in love with him to the end! Since, you are who created him! You are who wore him out! You are who bore him! You wanted such king and you received him! And he will surely rule over you! For everyone who asks receives! Everyone who seeks finds! And to him who knocks, the door will be opened!"

Jesus kept silence. Then, I understood how frightful and fateful His words were. For Saul is really a projection of the hearts, ill with vainglory. He is a personified image of one hardened and depraved generation, which has always wanted to have a shepherd, who would lead it according to the passions of its heart. For, those, who have been caught by the loops of Amalek, will always have the same wish, as their forefathers had. And their fathers were opposing Jesus and were always trying to seize and ensnare Him in His own words and deeds...

Look at these snares, my brothers! Look at that one, who they catch! Then, remember that insensible youth from the proverbs of Solomon, who had taken the way to the house of the prostitute, **"like a bird darting into a snare, little knowing it will cost him his life..."** See these snares and let your heart never forget the written word:

"So I turned my mind to understand, to investigate and to search out wisdom and the scheme of things and to understand the stupidity of wickedness and the madness of folly. I find more bitter than death the woman who is a snare, whose heart is a trap and whose hands are chains. The man who pleases God will escape her, but the sinner she will ensnare..." (Ecclesiastes 7:25-26)

4. THE LOOPS OF AMALEK

My brother! My dear friend!

The time is now, when we should leave aside everything that has made us hostile to the God and His Will. The time is now, when we all should comprehend that the moment of taking of the Church has almost come. And all powers of evil and wile have taken a stand against this moment. For Satan is ambitious to grab many people for him. That is why the subtitle of the very book is just "Prophetic visions about the plunderers in the Church".

I believe that you have already made a difference between the taking of the Church in Heaven and the plunders of Satan in the churches. Since, plundering of the Church happens now, and the taking of the Church in Heaven will occur in a short moment. The question is which of the two events is more precious for your heart. Is this the plundering of the Church, when, preaching a false "Gospel", you might fill your bank account, or this is the taking of the Church in Heaven, because of which you should consider everything rubbish that you may gain Christ.

I know by the Lord that many people have become like Zacchaeus. Nevertheless, not everything in them has become killed by the devil. They have climbed up the tree with the hope that they will see the Saviour. And here, Jesus Himself will look at them and will tell them go down from the sycamore-fig, so that He might enter their home and have supper with them. Then, the spirit of Amalek will surely go away. And, touched by the God's Love that looks for giving, instead of taking, they will tell Jesus:

"Look, Lord! Here and now I give half of my possessions to the poor, and if I have cheated anybody out of anything, I will pay back four times the amount..." (Luke 19:8)

Then, Lord will certainly say:

"Today salvation has come to this house, because this man, too, is a son of Abraham. For the Son of Man came to seek and to save what was lost..." (Luke 19:9-10)

Do you know, my dear friend, why Zacchaeus decided to give half of his possessions to the poor men and to pay them back four times the amount of what he has plundered from them? Let me tell you that this touched by the

God man gave half of his possession to the poor men, because he devoted the other half of it to Jesus Himself. And if you have to think over the fact why he paid back to the men four times the amount of what he had plundered from them, then, you should better have the faith to accept that just in this way, Zacchaeus purified his heart from the injuries, made on it by the plunderer Lucifer. For this sake, Zacchaeus promised to pay back four times:

Once – for the sake of his love to the Father, Who had sent the Saviour in his home.

Second time – for the sake of his love to the Son, Who noticed him and was not confused with his sinful heart.

Third time – for the sake of his love to the Holy Spirit, Who chased the darkness out of his heart and made him comprehend how blinding the Light of the God's Salvation was.

Fourth time – for the sake of the enlightened conscience, which should not have accuser against it.

I sincerely believe and I hope that many plunderers will be found just like Zacchaeus. Since, the very name of this man means "Justified in the God's presence". Now, let me share with you the words of Jesus, by which the Saviour filled my heart. Since, I know, they are the most precious in every book. Here how Lord revealed to me the loops of Amalek. He told me:

"Do you know that the Word of My Father talks about the strength of the snares on so many places? My people should relate these words in Spirit of wisdom and revelation long ago. So, they should get over the spirit of Amalek. However, this has not happened, because the human faith took the place of My faith. So, it became more natural for the believers to look at men and to trust men, because of their human faith, than looking at Me and having trust in Me, because of My faith in their hearts..."

"And, what does this mean, Lord for me to look at You and trust in You, because of Your faith in my heart?"

"This means that you should never forget My words, but be always watchful and keep them. Since, I pronounced My words for the sake of My faith. If anybody lives My words, it is due to My faith. However, if other man lives the human words, it is due to his human faith.

Therefore, remember what words I told you, when I warned you about the spirit of Amalek; although few of you were attentive enough in My words, so that they could recognize this spirit..."

The Lord's hand had already pointed at the exact verses from "Gospel by Luke". They were declaring:

"Be careful, or your hearts will be weighed down with dissipation, drunkenness and the anxieties of life, and that day will close on you unexpectedly like a trap. For, it will come upon all those who live on the face of the whole earth. Be always on the watch, and pray that you may be able to escape all that is about to happen, and that you may be able to stand before the Son of Man..." (Luke 21:34-36)

Then, Lord asked again:

"Do you know what means for that day to close on you unexpectedly like a trap? It is as if you have lived with the thought that you belong to the Lord and to His Kingdom and nothing has troubled your heart, but in spite of that you have missed the Kingdom and the King Himself. It is as if you have waited the moment of the taking of the Church, and, when this instant has come, you have been found caught in a trap, without being able to fly up and to meet the Lord in the air..."

I was listening to the Lord and I added:

"Jesus! In the first vision with the taking of the Church in Heaven, You showed me the same view, did not You? There, I saw a great number of people all over the earth, who had called themselves Christians. However, their wings were ensnared; they were bound in loops and nets. So, they could not fly up..."

"So it was, My boy! This is the tragedy, which I want to protect you from. Since, the loops will not be looking like snares to the very end. And the men will not even feel the instant of the taking in Heaven, because they will be under the power of the loops themselves. Do you understand then that the loop is the wile of Satan, by which he separates you from the God's Salvation, injecting in the same time deceitful calm in your heart and the illusion that you have no reason to worry? Then, you are running after your earth profits, with the assurance that this is the God's Will. You are doing your earth

compromises, sure that you please thus the God and Father. You are bowing before your earth idols, convinced that they are the indisputable spiritual authorities.

However, My words will never be broken. That day will come like a trap upon all those, who live all over the earth. Therefore, before showing to you the loops themselves, I want for you to think over My words. Why did I say that day would close on you unexpectedly like a trap upon all those who live on the face of the whole earth? Could then My people escape the destiny, hidden in these words of Mine?"

"Yes, Lord! I believe that they have been settled by the Holy Spirit to live in heavenly places..."

Jesus smiled; then, He said:

This explanation may satisfy you, but not the people around you. How would you explain them that you live in heavenly areas if they can see you every day on the earth? And, what is the deep sense, hidden in My words? Read them again, Stefan! Read them again and see once more that I do not talk about the earth, but about the face of the earth..."

The words of Jesus astounded me. Indeed, in His warning to the Church, Lord was talking that that day would come unexpectedly like a trap upon all those, who lived on the face of the whole earth. Then, as if to help me, Lord asked me again:

"If anybody lives on the face of the earth, does not such man like the face of the earth? And you, do you know what the face of the earth is like?"

The answer shone in the very words of Jesus. So, I told Him:

"Lord, the world is just the face of the earth. For the face means an image. When this is the image of the earth, it is the image of the mortal men, too. And those, who do not seek the face of the earth, but Your Face, Lord, they show that they have been settled at You, in order to be descendants of Jacob..."

"That is right, My boy! Those, who seek My Face, they are Jacob. As to the others, who like the face of the earth and exchange the Glory of the God for an image of a mortal man, My warning about the day,

coming unexpectedly like a trap, concerns them in full degree. Then, see the deep message, related to the loops of Amalek. Since, Amalek means plunderer. And one plunderer always uses loops. Look at My words from the Gospel by Matthew, which have always been misinterpreted and only few people have really comprehended their target..."

While Jesus was talking to me, His words, concerning the plunderer Amalek emerged in my heart:

"Or again, how can anyone enter a strong man's house and carry off his possessions unless he first ties up the strong man? Then he can rob his house..." (Matthew 12:29)

I had hardly read His words, when Lord asked me:

"Then, how do you understand this warning of Mine? Most people think that this is My Will for anybody to tie the strong man and to rob his house. Tell Me then, if you accept from these words of Mine that the strong one is the devil, who you are going to tie, what would you rob from his house? What would you take from his household belongings? In the last reckoning, should God treat His people like ones, who rob and plunder?"

"No, Lord! Your people can not plunder. They might tie the devil, but they would hardly take anything from the household goods of the devil. Your people are not plunderers. Plunderers are only Amalekites. Plunderer is the spirit of Amalek, too. He is only that one, who would tie the strong man, so that he might rob his house..."

"Then, who is the strong man, Stefan? And how might the strong man be bound? And, if any house is robbed, what does it turn into?"

"Lord, if one house is robbed, it remains empty. Since, the robbers take out of it everything, which might be taken..."

"Well, remember then My words I have talked to you. Remember how I said:

"When an evil spirit comes out of a man, it goes through arid places seeking rest and does not find it. Then it says, "I will return to the house I left." When it arrives, it finds the house unoccupied, swept clean and put in order. Then it goes and takes with it seven other

spirits more wicked than itself, and they go in and live there. And the final condition of that man is worse than the first. That is how it will be with this wicked generation...” (Matthew 12:43-45)

Do you notice that the house is empty and unoccupied here, too? Then, think, who is that strong man, who is tied, so that the household goods might be robbed?”

The answer came on my mouth itself. So, I told the Lord:

“Jesus! You Are the strong One, Who is tied. Only then, the spirit of Amalek gets free to rob the whole house...”

Lord looked at me with perfect attention. Then, He told me:

“Here this is the first loop of the spirit of Amalek – the loop, by which my presence is tied, so that the whole house might be robbed. Tell Me then:

Is it possible Lord, Who is the Strong One amongst you, to be tied?”

I was carefully listening to my Lord. So, I answered Him:

“Jesus, if it is written in Your Word that many people crucify You second time and disgrace You in their hearts, it means that beforehand, You have been tied in these hearts. When the guard of the chief priests caught You, they tied You and led You off to Pilate, did not they? And, if Pilate was the symbol of Rome, i.e. of the world, have not the Christians of today tied You in the same way in their hearts? Since, they are who led the presence of the world into the Temple...”

“You answered absolutely right!” – told me Lord and continued:

“If I gave you My Gospel to tie the devil by it, the spirit of the world gave his servants his lying “Gospel”, so that My presence in the hearts might be tied. So, you understand why the devil plunders the whole household belongings only after the Strong One having been tied. When My Gospel has turned from good news about My Kingdom of Heaven into false “gospel” about earth prosperity, earth education and earth career, then, the loop of the devil over the human hearts have become tight. You, however, look better who are the targets of the spirit of Amalek. Since, he has not power over all people, but only

over those, who have been given to him. Remember what Prophet Moses told about the authority of this spirit..."

While Jesus was talking to me, the words of the God's prophet had already appeared in my heart:

"Remember what the Amalekites did to you along the way when you came out of Egypt. When you were weary and worn out, they met you on your journey and cut off all who were lagging behind; they had no fear of God..." (Deuteronomy 25:17-18)

Then, Jesus kept talking to me. He asked me:

"Do you notice that the spirit of Amalek cuts off only those men, who are lagging behind, and those, who are weary and worn out? Tell Me now, who are these people, who are lagging behind?"

"Lord, I believe that these are the men, described in Your Gospel by Luke:

"No one who puts his hand to the plow and looks back is fit for service in the kingdom of God..." (Luke 9:62)

Moreover, Your Apostle added in his message, clearly announcing the words of God:

"But my righteous one will live by faith. And if he shrinks back, I will not be pleased with him." But we are not of those who shrink back and are destroyed, but of those who believe and are saved..."

(Hebrews 10:38-39)

Jesus sadly smiled and said:

"I wish there had been more people, who would not only confess, but live these verses. For now, My eyes see churches, overfilled with people, who shrink back and are lagging behind. Nobody wants to remember the example of My Apostle Paul. Nobody wants to see what jealousy had My servant, when he declared:

"Brothers, I do not consider myself yet to have taken hold of it. But one thing I do: Forgetting what is behind and straining toward what is ahead, I press on toward the goal to win the prize for which God has called me heavenward in Christ Jesus..." (Philippians 3:13-14)

Do you notice that Paul was trying to forget what was behind and was straining toward what was ahead? And you, how would you get over the spirit of Amalek unless you begin to live the words of Paul?

Would not then the spirit of Amalek lay snares for you, so that those of you, who have shrunk back and are lagging behind, might be caught in them? Here, for this reason I warn all of you and I command:

Stop thinking about what is behind and devote your thoughts, words and deeds to what is ahead and heavenward - your calling by Lord Jesus Christ! Those men, who think about what is below, on the earth, they allow the plunderer to tie My presence in their hearts and to rob all My words I have laid inside them.

Now, Stefan, see the other three loops, because they are clearly appeared in My warning from "The Gospel of Luke":

"Be careful, or your hearts will be weighed down with dissipation, drunkenness and the anxieties of life, and that day will close on you unexpectedly like a trap. For it will come upon all those who live on the face of the whole earth..." (Luke 21:34-35)

I had no doubt that Lord emphasized just on dissipation, drunkenness and the anxieties of life. What is more, Jesus began talking to me, saying:

"When anybody has thought about what is below, instead of what is above, tying in this way Lord in his life, then the spirit of Amalek, who is the plunderer of Lucifer, has hurried to ensure his constant control over the hearts through the rest loops, which are not less terrible than the first one. Therefore, see now how the loop of dissipation looks like..."

After the words of Jesus, a vision appeared in front of my heart. I could see fat men, who were sitting around a table, covered with all sorts of meals. Obviously, they were very pleased, because endless guzzling was in store for them. All of a sudden, they fell upon the meals and began to swallow them. This spree continued by the moment, when the contents of the plates disappeared in their stomachs. Then, Lord told me:

"Go to them and offer them from the Heavenly Word, by which I inspire you. Give them from the Heavenly Bread and see what is going to happen..."

So, in the vision itself, I approached the fat men and I left the whole Heavenly Bread, given to me by the Lord, upon the table. The view of the Bread visibly impressed the men and they broke off pieces of it. Then, they put

these pieces in their mouth and tried to chew them up. However, they had not swallowed the first mouthfuls of the Heavenly Bread yet, when their stomachs writhed in pain and they gulped up on the very table. After that, they looked at me with oily and lustful eyes, saying:

“Take your Bread back! We do not need your Bread! Ha, ha, ha! You have not even finished a biblical school, neither have you got any certificate. Nevertheless, you have taken up preaching the Bible!”

After these words, they stuck their tongues out and began to lick the vomit on the table, because this vomit was very tasteful and attractive for them...

I was disgusted with this vision, and my eyes could no longer stand the view of the men, smacking as swine. Then, Lord stopped the vision, and told me:

“Remember and let all people know that dissipation is one of the most successful loops of Amalek! Since, the human heart is not very big. When it is filled with the tasteful meals of the worldly theology, then, there is no place for the Prophetic Word of My Father in such hearts. They are already full enough to accept that there is something new for them to learn. You used to feel this in your serving many times, while you were looking at men, who were vomiting the prophetic word, unable to combine it with the theology, which they are overeaten with. And, if the Prophetic Spirit of Father is the rope, by which Lord raises His people over the power of Babylon, what else the theology might be, but the loop of Amalek? It is a loop, related to dissipation. It is a loop, which makes hearts overweigh with greed for earth education, instead of longing for heavenly formation.

Then, look at the next loop. This is the snare of drunkenness...”

A vision emerged again in front of my heart. So, I noticed many people, who were crowding around a pulpit, behind which there was a cupbearer. They were coming close to him, and he was filling their glasses with wine. Then, they were draining their glasses, and were stretching out their hands again, for the sole purpose of receiving more wine. Received more wine, they were drinking it up and were stretching again their hands to receive more wine. After having received it, they were drinking it again. Then, Lord told me:

“Look and see what the wine will cause to them. Since, it will certainly have the effect of a loop...”

Indeed, everything happened just as Jesus had told me. For the wine itself dimmed their minds and bewitched their hearts, so that they began to reel and stagger. They were moving their feet, as if they were wrapped with ropes and ties. Very soon, fallen under the influence of the wine, they fell down onto the earth. Then, Lord told me:

“When people are preached from the pulpit that they are already saved, then, these men will never be doing anything more for their salvation. Such sermons namely have the effect of the wine, which hurries to captive the heart and corrupt the mind. Then, nobody of these intoxicated men wants to realize that Salvation comes only there, where there is faith in Me. However, faith in Me is not only confession of your mouth. Faith in Me means for you to live as Me. Since, the Spirit, Who was in Me, is the Same Spirit, Who lives in you now. However, do these drunken men live as Me? Do they have My Love to the lost sheep? Have they got My jealousy against the merchants? Have they got the Holiness, by which they might stand before the Throne of My Father? Since, Holy means “separated”. And they, did they separate themselves from the world? Did they separate themselves from its models, conferences, and politics? Did they separate themselves from the avarice and love of money, which is a loop that leads to destruction and ruin?

One drunken man does not ask questions, Stefan! Since, the degree inside him is the answer of all his questions. That is why this degree will just be the loop in his feet, which will be closing on him with the coming of the Lord’s Day. Finally, look at the last one of the loops of Amalek. Since, this is the loop of the anxieties of life...”

After the words of Jesus, I was again in a vision. A house appeared in front of my eyes and I saw a lorry, which stopped in front of it. Then, I saw how Lucifer himself got down the lorry. He raised his hand and ordered his servants to unload the lorry. So, his servants began to discharge all kinds of beautiful and desirable things. There were electrical appliances and household goods in the latest fashion, beautiful cabinets and armchairs, as well as a

lustrous limousine, delivery from the west. Then, Lucifer approached the house and shouted with a tender and caressing voice:

"Are you here, my dear child? I have prepared everything you wished. Now, I want to see that your house is worthy for these splendid privileges, which I carry for you..."

In reply, a woman came out of the house. At the view of this plenty, she smiled to Lucifer and told him:

"One moment, my benefactor, since I should sweep the house beforehand..."

After her words, the woman took a broom and began to sweep. Very soon, her house got unoccupied, swept clean and ready for the privileges, given to her by Lucifer. Then, Jesus told me:

"Come with Me, so that you might see what the rubbish, which the woman carried to the dust-bins, was..."

So, I went with my Lord and we both approached the dust-bins in order to see what the woman had swept. My eyes saw a view, which shocked me and made me react. What I had seen in the dust-bin, was the Old Testament of my Lord, which pages were torn out and scattered everywhere. At this view, I jumped into the bin and I began to collect the precious pages, indignantly crying:

"What did this woman do with Your Testament, Lord?"

Lord quietly said:

"She considered it to be rubbish, Stefan! Everything Mine was considered by her as rubbish; she did that for the sole purpose to receive the privileges, which Lucifer had promised to her. Tireless generator of all her abominations was not anything else, but the anxieties of life. So, look at this home, which the bonuses and privileges of Lucifer came into, and tell Me what had happened to it..."

I looked at the house and I noticed that it had fully covered with a strong net. Then, I asked my Lord again:

"Jesus, is not this vision one more complete confirmation of Your words that the impure spirit finds the house unoccupied, swept clean and put in order? Moreover, does not the fact that the devil has come into a swept house

talk about its owner that he has considered You rubbish, for the sole purpose to receive his profits from the prince of this world?"

"That is right! However, it is rare to be found men, who consider everything rubbish for the sole purpose of gaining Me. That is why such an interpretation and reading of My words might rarely be heard, too.

Here, I say and let those, who are watchful and alert, listen to My Voice:

As the Son of Man found one Mary and one Martha once, so there will be in this last time one humble Mary and one Martha, who is anxious about so many things and takes care of them. Then, the humble Mary, staying at My feet, will surely receive the better share, and will enjoy it in abundance, while the last Martha will do the same as the woman in the vision above did. Let those, who are sensible, remember the words of My Apostle. After that, let them compare these words with the vision I gave to you. Since, My Apostle said once:

"If only for this life we have hope in Christ, we are to be pitied more than all men..." (1 Corinthians 15:19)

Here this is the loop, Stefan! Here this is the loop, by which the devil possesses the men. Since, many people decide that the Name Christ is a formula for everything and most of all – prescription for easy life on the earth. However, the example I left you was not like this. I promised you persecution and sufferings. I promised you to pass through many hardships to enter the Kingdom. Nevertheless, most people forgot My words and decided that the Kingdom might wait them for some time until they see life on the earth. Do you understand now that your house will surely be swept? Do you realize after all that the question is not in this?

The question is what you have considered to be rubbish!

For Paul considered everything rubbish for the sole purpose of gaining Me. And the present worshipers of Amalek consider Me to be rubbish, for the sole purpose of gaining the goods and profits of this world. That is why they have no share with Me; they will only share the doom of that one, who laid the loops in their feet. As to My people,

who have not been tempted by the fact that they have not the gains and privileges of the earth men, I tell them all:

Do not be afraid, because you have not brought anything in the world, neither can you bring something out! You have living and clothes by the Lord, and they will satisfy all your needs. Since, My Father knows what you need; He knows how to add it to your life, too. You, however, should first be forcefully advancing to lay hold of the Kingdom of Heaven!"

Jesus stopped speaking. Only then, I realized how great and splendid His Love was; this Love, by which my Saviour would never give rest to His eyelids unless He rescued even His last sheep from the clutch of the plunderer. I want to believe, my brother that you have fully realized what spirit this Amalek is like. I want to believe that you have noticed his traps and snares, which he always lays in the way of the Lord's people, who leave Egypt. I want to believe that you will be thinking about the taking of the Church in Heaven with thrill and humbleness, even though most people around you are thinking about their plunder and spoils with undisguised lust and greed. Therefore, I will finish the message in this book with the verse from that psalm, which is My wish for you and your life. Let it be the God's answer in your destiny till the moment of our eternal meeting with the King of Zion:

"Keep me from the snares they have laid for me, from the traps set by evildoers. Let the wicked fall into their own nets, while I pass by in safety..." (Psalms 141:9-10)

Amen and Amen!
