TO YOUR HEART

My dear brother! Left your hands to the Heaven and let your heart ferret from its depths all fine and beautiful words, with that you to give Glory, honor and gratitude to the Standing on the Throne. For, reading this book, you really will pass through His full benevolence and Mercy. Today they are so great, that if your heart longs for the drop, God is ready to pour it out His waterfalls. If the heart wants a touching, today God gives it embracing and filling with a Perfect knowledge. For ten years I passed just through the embracing and leading of Lord Jesus. His hands, full with the perfect God's longing, caught my spirit and raised it upwards, so that to reveal it, that God is not only alive, but He is the same Life. God is not only affectionate, but He is the same Love. God is not only clear, He is the same Light. Something more - I understood, that today more than always is the Time of the God. It does not mean that the previous millennia have not been His Time or that the coming will not be again His Time, but it means that today God makes the Way to Zion appreciable and sure for all hearts that love Jesus and want to live His Life. Everybody, who wants to live His Life, comes in His Time. And despite the God revealed me lots of the laws of His Life, in one of His secrets I remained bookless and dark. In spite of the fact that my heart had learned to know the voice of the Savior and to respond to each His touching, then it became again so that always I responded to the God's enterprise, but no God - to my initiative. Really - just such was the God's Mercy upon my heart, i.e. the appearance of His divine Choice, that did not depend on any my efforts and merits.

So, after a consecution of wonderful experiences I understood that there is something that separates God and the men. There is something, that always stands like a barrier in front of the man and he can not reach to that optimal state, so that always when he wanted, to go to God and to talk with Him. What was this thing? What was this barrier? I would not understand it, if the Holy Spirit had not provoked my heart with reasoning upon the testimonies from the life of one of the God's prophets.

Let now I say to you how the things happened so that to be inspired and written this book. I had opened the book "Genesis" and with pleasure I read the biblical verses, when for a first time my heart openly was hit by the verses:

“Altogether, Enoch lived 365 years. Enoch walked with God; then he was no more, because God took him away...” (Genesis 5:23-24)

I stood confused before these verses and for a first time I perceived that they are not only unusual, but they are a door, through that it may come in. It is written clearly, that Enoch **“was no more”**, because God took him away. It becomes clear, too the reason of the taking of Enoch, namely, that he **“walked with God”**. However, very more clear (and hidden in this verse) was the fact, that the life of this God’s servant is divided in two parts. The first part - he lived 365 years. The second part - he walks with the God and God took him away. In difference of all other verses, in that the time of the men had a beginning and end, here there was a beginning, but there was not an end. The other verses began with bearing and dying, but here there was birth without death. Here there was an Eternity, beautifully alluded with the short explanation that God simply has taken away His servant. Just then I perceived the first deep truth in the biblical verses about Enoch. The truth that Enoch went from his time, but when he must die, he was no more, because God took him away...

And you, my brother, how do you understand the fact, that anybody was no more? For it is Truth, that the Bible is a Book of the Time and in it there are describing the beginning and the end of many people and the God’s deeds in their life. However, when one servant has only the beginning, but has not an end, then such man **“is no more”** in the time of his contemporaries, because he is overstepping in one other Time, namely - in the Eternity of the God. This apprehension was sufficient for me, so that I to drop on my knees and to pray Lord Jesus for Spirit of wisdom and revelation. Then He came to me and answered me. Here the words, that Lord said me:

“I am That, Who made you to stop and to reason upon the life of Enoch. For just then you will understand what the barrier between the God and the men is. The barrier is that the men live in their own human time, while Lord your God lives in His Own divine Time. When anybody lives in his own time, he is out of the God’s Time. However, when he came to live in the God’s Time, then he is out of the human time. And the secret of all this is very deep and fateful. For to live somebody in the God’s Time, it means that he is coming in the perfect destinies of Father. For, the God’s Time is a sign, that you move in the

God's Will on the God's place according to the God's Providence. Just in this manner moved Enoch and he was no more in the human time, because God take him in His Time. However, the God's Time and the human time never have been agree between themselves. They pass each other in their target, as well as in their destiny. What do you think then? Is it necessary the men to know the God's Time?"

"My Lord! If we don't know Your Time, we take a risk to lose Your Eternity. For the same You said once to Israel, that it did not discern the time, when it was visited..."

"Something more, Stefan! I declared some of My most fateful words, for that few people have paid the worth to comprehend and understand them. For I said to the Pharisees and the Sadducees:

"When evening comes, you say, "It will be fair weather, for the sky is red," and in the morning, "Today it will be stormy, for the sky is red and overcast..." You know how to interpret the appearance of the sky, but you cannot interpret the signs of the times..." (Matthew 16:2-3)

In the same way many are today the religious predictors, and a few - the true prophets. Because of this reason the great part of the God's people discerns neither the God's Time, nor the signs, that accompany it. However, I will be with you at the writing of this book. For in this way your God will give to the called, chosen and faithful followers the just compass of the God's Time. Blessed are those, who look out for the marks of this Time and for the sign of the times. For only coming in the God's Time you will find the Salvation and the Eternal Life.

Now, let I prepare your heart to endure to the most deep secrets, that today Father unseals for His people..."

After His last words Lord stretched His hand and put it upon my head. So the whole my heart inflamed by the blessing touching of the King, but the Holy Spirit raised me upwards - to the light celestial spheres of the Father.

I pray now to my Lord to give to your heart the same testimony of Spirit and Power, so that to be able you to understand the depths and the heights of this word. For the hands of the God's clock yet time the last minutes to the end. So that to come the moment of our eternal migration among the gold streets of the Heavenly Jerusalem. Amen and Amen!

THE VISION WITH THE RIVER OF THE TIME

Let now, my dear brother, I share with you the astonishing spiritual journey that I had with my Lord. For Him, catching my spirit raised me upwards, to the light areas of Zion. Then the eyes of my heart at first way saw things from the same Creation.

However, let I don't anticipate the story of this vision and to begin with the first, that Lord made me to see and comprehend.

In the moment, when He caught my spirit and raised me upwards, I saw how Light Hand gets me out of one deep river. The vision was so real, that I perceived how from me flew down rills of water and dropped downward. Then I turned to the Lord and with wonder I asked Him:

"Lord, what was this? What is this river, out of that got me Holy Spirit?"

Jesus smiled and said:

"This is the time. Your time of your life on the earth. There is not other Heavenly symbol and personification of the Time, save the river..."

"And now, my Lord, am I out of the time?"

"No, Stefan! Now you are in the Breach from the human to the God's Time..."

The words of Lord made me to understand, that the most difficult thing in the life of the man is just this - to come out of his own time and to come in the God's Time. Then I asked again Jesus:

"Lord! Am not I in a constant rebellion before You, if You take me from my time, so that to lead me in Your Time? Really the God's Will for us is all we to find ourselves in the God's Time?"

Then Jesus said me:

"Enoch walked all 365 years, so that to come in the God's Time. Today the Mercy and the Kindness of Father compensates to a great extent the lack of the God's Time in the life of the men. For when you sin, then you are no only in your human time, but in the time of the devil. Did not I say, that I shall be your Breach, so that you to come in and go out and find pasture? Of course, that the Perfect Will of Father is all you to leave the human time and to come in the Time of the God."

But this is not any caprice or whim! It means to take up your cross, to deny yourself and to come after Me. Today the times are hard. For the fury and the power of the wickedness are multiplied. That's why a few My servants walk in the God's Time. That's why you no only come in, but go out, too... However, let now I to show you things, that you must see. For I shall turn you back in the moment, when My Father chase the first men out of Eden's garden..."

After His words Lord made so that before my eyes revealed a vision. I saw the first men, who left the Eden's garden, and behind them stood the cherubs and the turning Flaming Sword. Then from among the garden's trees, like from a gushed giant geyser spilled over the waves of a light river, that left the garden and its waters very quickly reached to the first men, so that Adam and Eve already were dipped by the river even to the neck. In the following moment Lord said me:

"Examine what will go on with the river. For just therefore I called you here..."

I looked at the river and I perceived, that very soon it lost its light and it became turbid and dark river. And very soon next to Adam and Eve appeared many people - all they were in the same river. Then from the Heaven stretched a Light Hand that put its forefinger, so that it made something like diversion of the river. Then the river bifurcated. And the forefinger only took up that part of the river, that it had bifurcated and made it to be enlightened perfectly and to continue to flow, but in heavenly places. So I saw yet before my eyes two rivers. The first - dark and turbid, flowing on the earth, in that there were thousands and thousands men, that more and more multiplied. The second - light and pure like crystal, that flew in heavenly places. Then Lord said me:

"The thing, that you see, is the River of the Time. Once it was one and its stream watered the garden's trees and the Tree of the Life among the God's Paradise. But after the fall of the men, the River of the Time left the Eden's garden and was divided by My Father in two rivers. The River of the human time and the River of the God's Time. The human time would be on the earth, so that to fulfill the fateful words of the Father, said to Adam:

“By the sweat of your brow you will eat your food until you return to the ground, since from it you were taken; for dust you are and to dust you will return...” (Genesis 3:19)

Just therefore, Stefan, the river of the human time became turbid and dark. Since the men would come from the dust and to return in the dust. As to the River of the God’s Time, then My Father thought over in His Eternal Will to meddle in the human time and to choose men, who to come and to live in His Time. However, the vision does not finish with this explanation. Therefore, continue to look, so that you to see what will happen with the human time...”

I looked in the vision and I saw how the dark and turbid river became greater and greater. Then I perceived how on the surface of the river emerged bubbles that burst so as the river is boiling up because of any fire under it. Something more - the earth began to shake of tremors, that openly cleaved it and made deep and long crevices, from that went out a black smoke. Then a part of the river came in these crevices and began flow in them, but the other part continued to flow in its previous runway. That’s why the things, that I saw, hinted that there was a new division of the river of the human time. This way the one part continued to flow on the earth, but the other part came in the deep crevices, formed by the earthquakes and began to flow there, as if it sought the depths of the earth. The vision left me without breath. It was apocalyptic and ominous. For, except the same river, I saw the heads of thousands people, put by it. In this moment Jesus again touched me, saying:

“Don’t frighten from that you see! For here I show you the following division of the river of the human time. Say Me then, why is turbid this human river of the time?”

“Lord, the Same You said me that the reason of this is the fateful words of Father, when He said to Adam, that he is a dust and that he will return in the dust. That’s why the river is turbid with dust...”

“Just right, My boy! It is turbid with the dust. But whose destiny Father associated with dust?”

In the words of Jesus shined the same answer. Then I said Him:

“Lord! Father declared to the ancient serpent, that is devil and Satan, the following:

“Because you have done this, “Cursed are you above all the livestock and all the wild animals! You will crawl on your belly and you will eat dust all the days of your life...” (Genesis 3:14)

And if Father gave to the devil to eat dust, then I don't wonder at all, that the river of the human time boiled up and it appeared bubbles. For this explains the open desire of the devil to take part in the human time, that is a dust and so to create the river of the devil's time...”

“You said it right! - answered Jesus and continued:

“For, if you read attentively “Genesis”, you will perceive very soon how God repents, that He created the man, since the earth filled with violence. And if in the beginning the River of the Time was one, that gave to the creations an Eternal Life, then a moment before the Flood it was yet divided in three rivers:

The River of the God's Time.

The river of the human time.

The river of the devil's time.

The first River flows in the heavenly places.

The second river flows in earth places.

The third river flows in the underground places.

Each of the rivers of the Time brings a destiny in itself. However, if the human and the devil's rivers resemble each other, because lead to the hell and to the condemnation, then the God's River flows more and more upper, where Lord your God appeals you to be...”

“Jesus! How can I explain the present time? And how can I understand the rivers of the Time today? For, as to Your River, all in it is beautiful and perfect. However, I ask You to say me which of the two rivers on the earth today is more powerful - the river of the human time or the river of the devil's time?”

Jesus smiled, and after He said:

“Do you see in the vision, that I gave you, that there were earthquakes, that opened immense and deep crevices, so that the river of the human time bifurcated and so it was formed the river of the devil's time? Remember then from your Lord, that the most important plan of Satan, that he realizes today, is just this:

THE RIVER OF THE DEVIL'S TIME TO DEVOUR AT ALL THE RIVER OF THE HUMAN TIME!

Since it comes no other time, but the time of the beast, who is the man-Antichrist. And if once there were quakes, that opened deep crevices to lead the river of the human time to the hell, then don't I warn about the last time, that:

"Nation will rise against nation, and kingdom against kingdom. There will be famines and earthquakes in various places. All these are the beginning of birth pains. "Then you will be handed over to be persecuted and put to death, and you will be hated by all nations because of me. At that time many will turn away from the faith and will betray and hate each other, and many false prophets will appear and deceive many people. Because of the increase of wickedness, the love of most will grow cold, but he who stands firm to the end will be saved..." (Matthew 24:7-13)

Do you understand now, Stefan, what will be the quakes of the devil?

Will not be they such, that to devour in full degree the river of the human time and so on the earth to rule entirely the time of the devil?

Do all people understand now, that the withstanding is just this:

YOU TO LIVE IN THE RIVER OF THE GOD'S TIME AND NOT TO ALLOW DEVOURING YOU THE RIVER OF THE DEVIL'S TIME!

However, between the God's and the devil's time always stands the human time. That's why most vulnerable from now to the end will be those, who prefer their own human time. For if the devil can not devour the God's Time, then what will happen with the human time? What will happen with those, who are hurry to waste the one and only time, given them by the Lord, in bows before men, in fear of men, in service to men, in servility before men? Will not be such men devoured without any opposition no only by the human, but by the devil's time? Just therefore I shall reveal to all you the marks of the Time and the signs of the times. For whoever knows the marks of the Time and the signs of the times, just he will surmount over the devil's time.

Come and say to My people, that I am the Breach and I wait them to enter through Me and to go in the God's Time! Come and forewarn all who are prudent, that it is remaining a very few from the God's Time, because very soon will come the moment of the Eternity. And this Eternity is only for men, created according to the God's Image, who are hurrying to come in the God's Time. Therefore, let all they pay attention to the marks of the Time, that now I shall reveal you in a vision..."

After the last His words Lord made the vision with the rivers of the Time to cease, but I decided to write in a book everything, that I saw and all words, that I heard from the mouth of my Lord.

THE MARKS OF THE TIME

My brother! I believe that there is not a man on the earth, who does not excite from the thought of the time, in that he live and that is given to him by the God. In the last reckoning all we live and while we are alive, we are in the time that is allotted us. In spite of that, whether we want or no, the hands of the clock are hurry to turn the seconds in minutes, the minutes in hours, the hours in days, the days in weeks, the weeks in months and the months in years. I shall not hide of you that the thought for the time and its marks always has been like a dreamed territory for my spirit and heart. For the faith in the God is reared with the God's promises, with the end of each of us. That's why the time is one especial capital, that must be invested, a seed, that must be sowed in the right soil. Since, Lord has commanded us to follow Him and to fill ourselves with His Spirit, but also He has given us a time, in that we to do everything, that His Word call us to do. In the course of the years I perceived, that the Prophetic Spirit of Father is charged no only with the God's wisdom and Light, but with one more deep penetration in the God's heart. A penetration, with that to become clearly what is the God's foreseeing, i.e. the perfect Power of Father to see the Beginning and the End. Then at first I perceived, that the earth men are doomed to pass through one tragedy. The tragedy that no they rule over the time, in that they live, but the time rules over them. Despite they want or no, they have born in a determined reality of the time and this reality has become their own prison. They have born in that human time, of what Lord gave me a vision in the first part of this book. Imagine then this fast river, that brings millions and milliards destinies, but nobody in it can turn upstream. Imagine you how, separated from the God, the sinners swim in their sinful being, without can to change it... May be the things would be very tragic, if in the river of the human time had not come the Son of man. And His coming meant that Father stretched His hand and made the God's River of the Time to descend and to flow together with the human river of the time. With one categorical difference. The difference that while the human river of the time continued to flow downwards, the God's River went upwards. Then those, who were touched and saved by Jesus, began to swim in His river and left the

human time, devoting their life to the God. They fell on their knees before the Creator and said Him:

“Lord, take our life and make it to become a part of Your Time. We confess before You, that we devote the all time of our life in service to You and Your Kingdom!”

These people conquered the human time. They conquered the inertia and the fatefulness of the human time, because they became representatives and participants of one other time - the God’s Time. Their life and tireless work for the Lord found a place in the Holy Scripture of Father, Son and the Holy Spirit. So God confirmed and sealed them like such ones, who have come in His Time.

What is the situation now? And which are the marks of the Time, about that Lord Jesus warned in His Word? We can not come in the Time of the Lord, if we have not the marks, with that He promised Himself to the all generation. For if we have not the marks of His Time, then the human time will lie us, that it is like the God’s and we shall not take a part in the forthcoming Glory and Eternal Life. We shall live our human time with our human strivings and we shall not reach more far, than that rich man, who deceitfully calmed its soul with the words:

“You have plenty of good things laid up for many years. Take life easy; eat, drink and be merry...” (Luke 12:19)

Did this rich man know the marks of the God’s Time? Categorically no! For no men, but the same God declared him:

“You fool! This very night your life will be demanded from you. Then who will get what you have prepared for yourself?” (Luke 12:20)

So today many people have become like this rich man. They live in the human time and they don’t wish to accept, that it is not like the God’s one. For the human time always seeks a perspective for the delights of the sin and the vanity. Those, who live in this time, prefer to be said them: “Many happy returns of the day!”, instead of to reason, that the sense of the faith in the God is we to be ready for the moment of the taking by the God. Say me then, my brother, if you are ready to live so many days and years on the earth, will be you ready for the one and only moment that will raise the devoted people in the Heaven? I want to say you then, that everybody, who has laid his faith upon the basis “Many happy returns of the day!” is doomed to omit the

moment. This is not only my opinion. This is the thought that Lord put in my heart, giving me the vision with the marks of the Time. Therefore, let I reveal you what was the leading of the Same Lord Jesus Christ upon my spirit and heart and how He revealed me the deep secrets of the God's Time.

Lord was again at me, saying me:

"I want you to write everything, that you will see and that I shall say you. For My Church does not know the marks of My Time and she is not yet confirmed in readiness for My coming. She raises yet the religious appeal "Many happy returns of the day!", since she has decided, that Lord for many days will endure the wickedness and that He will delay the judgment over the wicked men. The Truth is more different and you will understand it beautifully, when I give you the vision, that will explain you everything. Now, see this..."

After His last words Lord stretched His hand to my head and then before me it appears a vision. Here what I saw, my dear brother:

I saw those three rivers of the Time from the first vision. The God's, the human and the devil's rivers. The God's river in the same way flew highly in the heavenly places, the human - on the earth places, but the devil's river - in the underground places. Then it became a sign. For it stretched from the Heaven a Light Hand that enveloped with His fingers the God's River of the Time. And after this Hand brought it to the earth and made it to flow in a direction, opposite to the two other rivers. While I examined all this, Lord approached me in the same vision, so that I already saw very nearly the God's River of the Time. It was immense and majesty. In the middle of the River I saw my Lord and His disciples. The River swashed its light waves and around it everything was light, like in a beautiful sunny day. Very soon, impressed by the Light, that radiated the River, men from the two other rivers began to go out of them and immersed themselves in the River of the God's Time. Then the whole mud and dirt upon them disappeared and they were lit up by the Glory of the God's Son, and their faces shined. Then Lord approached to me and, raising His hand and pointing at the God's River, asked me:

"What does you impress, Stefan? How can you describe this River?"

"Lord, it is really beautiful and light. You Are in the middle of it, and with You are Your disciples. I saw how, impressed by the Light of the River, the men

began to go out of the human and the devil's rivers of the time, so that to come in the God's River. Then their own faces began to shine by the Heavenly Light..."

"Just right, My boy! Just this vision shows you, that Lord your God descended on the earth like a Day. For I am the True Light, that enlightens the life of each man. And one Day is a great appearance of the God's Time. For, He comes like a Light in the world to gift all people with the Heavenly truth and Life. Now, continue to look at My vision, so that to see what will happen with this greatest River of the Time..."

I looked again at the vision and then Lord made me to see how the Light Hand of the God's Time directed its waters to the rivers of the human and the devil's time, so that from the collision it raised high waves. Then it happens again a sign. The human and the devil's rivers joined together, surmounted over the Light River of the God's Time and covered it with their black waves, scattering everywhere slime and mud. From this moment the Light River of the God's Time as if began to flow under the waters of the human and the devil's time. It dived deep, to the same abysses of the earth and, surmounting over the darkness and the fire of the underground places, it erupted like a fountain from the earth and again returned in the heavenly places. The vision made me to hold my breath. It talked so much. It was a perfect reflection of the collision between the God's Time and the human and devil's time. Then I cried to the Lord:

"Lord, does not Your vision come to show how finished Your mission on the earth? For in Your Gospel have written the words, with that You showed, that to the human and to the devil's time it is given for a moment to surmount and prevail over Your Time. For You, Lord Jesus, declared to the chief-priests:

"Am I leading a rebellion, that you have come with swords and clubs? Every day I was with you in the temple courts, and you did not lay a hand on me. But this is your hour - when darkness reigns..."

(Luke 22:52-53)

So I understand why it was allowed to the human and the devil's time to surmount over Tour Time. Later, when You descended at the spirits in the dungeon, You robbed the power of the Evil, took the keys of the death and the hell and You resurrected. So I understand the fact that the God's River of the Time erupted upward like a fountain and came back in the Heavenly places..."

“That’s right, Stefan! I no only resurrected, but I again turn back the God’s River of the Time among My people. For in the Day of Pentecost Father poured out from the Heaven the living waters of the Spirit, so that to come in the God’s Time all people, who keep My teaching and who love My Name. But you, return again to see the vision. For you will see the signs, that clearly will show you what will happen with this God’s River of the Time...”

After the words of Jesus I was again in the vision. I saw the pouring out of the Light River in Pentecost and the full confusion and horrifying of the two other rivers. For on the earth already it passed the God’s Time and Its waters were noisy with the promise of the God’s Son:

“...And surely I am with you always, to the very end of the age. (Amen)...” (Matthew 28:20)

So I continued to look at the Light River that was like a Day, because their waters were loaded with the Heavenly Light of Zion. In these waters it appeared soon little barges, full with people, and after it - great ships, full with more people. The Salvation of the mankind through faith in Lord Jesus had begun and the filling of the River with servants and missions was something very natural. The men left the rivers of the devil’s and the human time and came in the Light River of God and His Time. But here, that Lord touched me again, as if to take me out of the trance of the beautiful vision, saying me:

“You saw enough here. Let I carry you forward. Forward in the years and the centuries, so that you to see the following mark of My Time. For in the beginning you saw the God’s Time like a Day, and now it is impending for you to see it in other way...”

After His words Lord made the vision to be changed. Then I saw really one of the most impressing view in the sphere of the Spirit. One view that in a full degree could be explained with one and only word: Tragedy. For, there was no trace of that majestic and great River of the God’s Time. Since here my eyes examined no River, but stream. It was so little, that everyone could jump over it without any effort. Backward, along the stream, I perceived many ships and barges, taken ground in the grasses and the stones. They could not yet move, because they needed of river, but here the God’s River had turned into a stream. Something more - Lord made me to see how the rivers of the devil’s

and the human time had become greater and terrible. Their waves touched the ships and the barges that had taken ground, and very soon carried them away together with the waters, so that these ministries called to take a part in the God's Time, already sailed in the human and the devil's time. In spite of the sorry sight with the ministries, gone out of the God's Time, I saw how the Stream was very light and its waters - like a crystal. Something more - I saw young and beautiful people, who wore white linen clothing, but their heads were covered with dew. They kneeled before the Stream and scooped with hollows from it. After they came with their feet inside in the waters of the Stream and, raising their heads to the Heaven, sang hymns and went onward. Then Jesus with unusually tenderness and love in His look said me:

"Keep deep in your heart this vision. For all the ships and barges, that you see, taken ground on the grasses and stones, they long ago have lost the God's Time. They have not been attentive in the marks, that I declared in the Gospel. Therefore their state has become so hard. Since, going out of the God's Will, they have lost the God's Time. And this Time becomes little, because Lord is faithful to do His promise to the devoted people, given two thousand years earlier. And today are two thousand years later. That's why the God's River of the Time has turned into God's Stream of the Time. And here, in the waters of this God's Stream, will come all people, who are called, chosen and faithful. And between them are you, too. You also drink from the waters of this Stream and your head bathes by the Heavenly dew. For this Stream is the second mark of the God's Time. And can you say Me, looking at these My youths, worn in a Holy clothing, why they drink water from the Stream, but their heads are covered by Heavenly dew?"

While Lord talked me, in my heart already had emerged the words of the beautiful psalm that declared:

"The LORD says to my Lord: "Sit at my right hand until I make your enemies a footstool for your feet..." The LORD will extend your mighty scepter from Zion; you will rule in the midst of your enemies. Your troops will be willing on your day of battle. Arrayed in holy majesty, from the womb of the dawn you will receive the dew of your youth. The LORD has sworn and will not change his mind: "You are a

priest forever, in the order of Melchizedek..." The Lord is at your right hand; he will crush kings on the day of his wrath. He will judge the nations, heaping up the dead and crushing the rulers of the whole earth. He will drink from a brook beside the way; therefore he will lift up his head..." (Psalm 110:1-7)

Then I said to Jesus:

"Lord, this is the prophetic accomplishment of the psalm of David. For just the God's Time is the Stream by the side of the way..."

Jesus smiled and added:

"Of course, that's right! Everybody, who would see this vision, would not go astray to know in it the prophetic words of David. But I want you to see something more in these prophetic words. I want you to see how David talks, that Lord "will crush the head of the enemies in the wide world". Now, look at My Stream, and the rivers of the human and the devil's time. Does it impress you, that the Stream is very narrow, but the two rivers - very wide?"

"Of course, Lord! Just these rivers of the time make so powerful the authority of the wide world. While Your Stream is narrow..."

"It can not don't be narrow, Stefan! For as the God's Stream of the time, so the God's Way and the same Door of the Salvation are narrow. For once I said to all you:

"Enter through the narrow gate. For wide is the gate and broad is the road that leads to destruction, and many enter through it. But small is the gate and narrow the road that leads to life, and only a few find it..." (Matthew 7:13-14)

Do you understand now, that if the Way is narrow, then narrow will become the God's Time, too? For I came on the earth like the Day of the Lord, but today we don't talk yet about a Day, but about something less than a Day. Today we don't talk yet about the God's River, but about the God's Stream. What is this thing, less than a Day, Stefan? What is this second mark of the God's Time?"

I began to think over the words of the Lord. Then in my heart shined the words of Jesus, with that He warned:

“Therefore keep watch, because you do not know on what day your Lord will come. But understand this: If the owner of the house had known at what time of night the thief was coming, he would have kept watch and would not have let his house be broken into. So you also must be ready, because the Son of Man will come at an hour when you do not expect him. “Who then is the faithful and wise servant, whom the master has put in charge of the servants in his household to give them their food at the proper time? It will be good for that servant whose master finds him doing so when he returns. I tell you the truth, he will put him in charge of all his possessions. But suppose that servant is wicked and says to himself, “My master is staying away a long time,” and he then begins to beat his fellow servants and to eat and drink with drunkards. The master of that servant will come on a day when he does not expect him and at an hour he is not aware of. He will cut him to pieces and assign him a place with the hypocrites, where there will be weeping and gnashing of teeth...” (Matthew 24:42-51)

Then I said to the Lord: “Jesus! Here Your words. You promised to come in hour, when only a few think about You...”

“Something more, Stefan! I no only will come in this hour (to that spiritually responds the God’s Stream), but I will come too to defeat one other day, that has extended its power over the entire world. For once I was the Day, but today I am the Hour. While the powers of the Evil once were the hour of the darkness, but today they are the day. For once they killed the body of Christ, but today they are ready to kill His Church.

Do you understand, My boy, that the things only have changed their places. And this is so, because the God’s Time finishes, but the devil’s time is forthcoming with the appearance of the Antichrist. When anything finishes, from big it becomes little. Do you understand now why many people don’t know in which day will come their Lord? Do you understand now why...

“...The master of that servant will come on a day when he does not expect him and at an hour he is not aware of. He will cut him to pieces and assign him a place with the hypocrites...”

And don't I come to repay to the Evil just in the most powerful appearance of the devil's time, namely - in the day of Antichrist? And can anybody expect the Lord, when he has come in the time of the devil? But here, I say, and the righteous words come out of My mouth:

The mark of My Time today is the Hour.

That Hour, in that My prophets cry:

"Here's the Bridegroom! Come out to meet Him!"

That Hour in that the wise virgins stood up and lighted their lamps. So they came to the God's Stream in a holy and pure clothing, while the others are enraptured by the great rivers of the human and the devil's time.

See then, Stefan, that while on the earth finishes the Hour Christ, some people don't use This Hour to come in the God's Time, but they fall under the power of those kings, about who is written:

"The ten horns you saw are ten kings who have not yet received a kingdom, but who for one hour will receive authority as kings along with the beast. They have one purpose and will give their power and authority to the beast. They will make war against the Lamb, but the Lamb will overcome them because he is Lord of lords and King of kings - and with him will be his called, chosen and faithful followers..."

(Revelation 17:12-14)

Do you understand now the secret of this verse? Do you understand now, that when the God's Time has become Hour, and the River - Stream, then have become greater too the rivers of the human and the devil's time. So those who don't wish to come in the God's Time, in This one Hour, Who is their Lord, for one hour they have received a full power like kings together with Antichrist. All that shows, that the devil's time really has devoured yet the human time and all who find themselves in it. And if the verse from the psalm of David says you, that Lord your God will drink water from the Stream by the side of the way and will crush the heads of the enemies, then does it become clearly for you, that after This God's Hour surely there will be a retribution over the heads of all, who have yielded from the God's Time, from that Hour, in that I commanded them to watch and to

prepare themselves. Look then at My promise to the Church, that I found to be worthy and without stain or wrinkle..."

The finger of Lord Jesus had yet pointed to me the verses in "The Revelation", that declared the following about the church of Philadelphia:

"Since you have kept my command to endure patiently, I will also keep you from the hour of trial that is going to come upon the whole world to test those who live on the earth. I am coming soon. Hold on to what you have, so that no one will take your crown..."(Revelation 3:10)

Just read the biblical verses, Lord said again:

"When I say, that I shall save somebody from the time of the trial, then this is My categorical confirmation, that I shall hide such man in My time. However, how many of you hold My words firmly? How many want to come in the Stream and in My Hour, when the seductions of the earth and the world offer them all deceits of the devil's time? How many of you want to come in the Hour and to think about the Moment, when the devil misled many people, that they have goods, "laid up for many years"? Do My people understand now, that the one and only manner to surmount over the devil's time is to deny their life for the earth and the body. For there is not such life and for such life from My Time there is not yet remained. Therefore I say and he who has ears, let him hear:

THE HOUR OF THE GOD'S TIME IS SO LONG, THAT, IF YOU HAVE COME IN HIM, YOU WILL DELIGHT TO THE GOD'S POWER! THE HOUR OF THE GOD'S TIME IS SO SHORT, THAT IF YOU ARE OUT OF HIM, TO GO TO HIM FROM THE MOMENT, WHEN YOU READ THESE WORDS, IF ONLY YOU WOULD FIND HIM AND I WOULD SHOW YOU MERCY!

For after the Hour surely comes the Moment. And if in the Hour you have had a Time for repentance and retrieval, in the Moment there is not such Time..."

The last words of Lord Jesus were no only serious, but terrible. Therefore I fell in His knees and asked Him:

"My Lord! How I must understand the Moment of the Time? For if the Day and the Hour of the Time was You and again You was that Light River and that narrow Stream, then how can I understand the Moment, Who Are You?"

Lord looked at me with perfect attention. After He said:

“If the Day and the Hour were My priority to the Church and I expect her to come in My Time, then the Moment is a Personal priority to the Father. For it will be earth day and earth hour, and earth moment from the hour, when will happen the taking of the Church. Just about this I said:

“No one knows about that day or hour, not even the angels in heaven, nor the Son, but only the Father...” (Matthew 24:36)

Therefore, see how will continue the vision, and you will understand the secret of the Moment. For, as to the earth time, with their modern instrument, the people will break the second in thousands pieces. But when you come in the God’s Time, then you will understand, that there is not any instrument that can help you to catch the Moment. For in the Moment Christ will enter only those, who find themselves in the following signs of the vision, that I give to you...”

After His last words Lord put His hand on My head. So before my eyes it appeared the most powerful of all visions that Lord had given to me. I was seeing one immense and light rock, raised on a high mount. Really - it formed the top of the mount. Then my eyes perceived a crack in the rock. And inside of the same crack there was a little streamlet of droplets, trickling down. All they went out of the rock’s crack and rolled down. After they fell in the same foundation of the rock. Suddenly from the Heaven upon the same rock it appeared immense eyes. They as if filled the whole dome of heaven. Then from the same apples of the eyes went out a ray of Light that touched the rock’s crack and after a moment along the whole streamlet passed a thunder, that openly drank in it the whole streamlet and all falling in the rock’s foundation drops. The vision left me without breath. I did not know what to say, because I had lost my voice because of the excitement that flooded me. Then before the rock appeared Lord Jesus. And raising the both His hands to the Heavenly eyes, out of that went the light ray, He fell on His knees and cried:

“Thank You, Father, the Creator of the heavenly and the earth quarters! For it was pleasant to You to look with Your eyes at My brothers and sisters. For it was pleasant to You to put them in the crack of the Rock, so as You had put there Your servant Moses.

For it was pleasant to You to know in these light drops the tears of Your Own eyes and to take them in Your Home. For it was pleasant to You, Father, to deign in those, who wept then, when others laughed. For it was pleasant to You, Father, to take those, who in their humility fell in the foundation of the Rock Christ, so that to keep My teaching and to glorify My Name..."

In answer to the thanking, come out of the mouth of my Lord, it came from the Heaven the voice of Father, Who said:

"From all who I gave You, You kept all people and no one died. For everyone of these, who I gave you, wanted to live in the God's Day, so that to find the God's Hour. And he lived in the God's Hour, so that to find the God's Moment..."

After the words of the Father Jesus approached to me, saying:

"Do you understand now what the God's Moment is? Do you understand what had in mind Paul, declaring in his message:

"Listen, I tell you a mystery: We will not all sleep, but we will all be changed - in a flash, in the twinkling of an eye, at the last trumpet. For the trumpet will sound, the dead will be raised imperishable, and we will be changed..." (1 Corinthians 15:51-52)

Do you understand now, that it is not the Moment of your eye, but the Moment of the God's eye? For My Father tests from the Heaven all people, but He will find for righteous only those, in whose eyes He saw His tears and the fruits of the true repentance and humility. Something more - I want you to understand, that just this is the Moment. That's why, remember what declared the words of My Apostle Peter, concerning to the humility..."

It was not necessary I to open a bible, because before me stood the Living Bible of the Father. Therefore I said to the Lord:

"Jesus! Apostle Peter said:

"All of you, clothe yourselves with humility toward one another, because, "God opposes the proud but gives grace to the humble..." Humble yourselves, therefore, under God's mighty hand, that he may lift you up in due time..." (1 Peter 5:5-6)

Then Lord continued with His questions, saying me:

“What means this “in due time”, Stefan? Does not it mean “in His Own Time”? And will not you understand in such way the great secret of the Moment? And will not everybody, who humbles, seek no his own time, but the Time of Father? Just this means “in due time”. Just this shows you why the little droplets from the streamlet in the Rock’s crack went downward, to the foundation. For just they respond to My last generation humbled and repented people, who in full degree called upon themselves the zeal of Father, so that He find them in His Own Time. And His Own Time responds to the Moment...”

“And why, my Lord, this streamlet and its little droplets flew just out of the Rock’s crack?”

Jesus smiled and His eyes shined joyfully. Then He said:

“As always, so now you don’t omit the details from the visions that I give you. Therefore, know, that to come in the crack of the Rock, this means you to crucify yourselves together with the Lord your God and already no you, but He to live in you. Then surely you will understand that all who take a part in the Moment Christ, have become light tears from the eyes of Father. And the eyes of Father are faithful to take in the Kingdom everyone, who weep with the God’s weeping and who grieve with the God’s Grief.

Just so I revealed before your eyes the great marks of the God’s Time. The marks of the Day, the Hour and the Moment. However, with this My revelations to your heart don’t finish. For I want by all means to show you the signs of the times, too. Since by these signs My Father makes bridges of Mercy and Love to the men of each time and place...”

After the last words of the Lord the vision was broken. And I felt, that my spirit and heart for a long time are not the same. They had yet in themselves the marks of the Christ’s Time. And I hope, my dear brother, you to lay like a Holy oil from Zion all truths of this Prophetic word. So that you to be really confirmed and ready for the Moment of the Eternity. Amen and Amen!

THE SIGNS OF THE TIMES

My brother! I don't know what books have you read till now and what truths you have tasted from the Heaven. However, if there is something, in that my heart is really convicted, this is the fact that the Lord's people more than always need to be led by Lord Jesus. For, between the many enemies of the Church, who are clearly determined, there is one yet enemy, about who you already understood. And this enemy is our own deceit toward the God's Time. All we live our life. Each of us divides his time in some way. Some people diddle their time. Others save it. Thirds neglect it. And if only one would be visited by the God's Spirit, so that to understand the true state of the time, in that he lives, then I think, all people ought to fall on their faces and to weep before the Lord. All people ought to cry with the whole power of their hearts:

"Lord, forgive us! Lord, save us! Lord, don't consider as sin the lost time, that you ought to give to You and Your Kingdom, while we gave it to the world of vanity and the sin..."

Do you understand such one prayer, brother? Do you understand, that two hours prayer and reading of the Bible have greater worth, than the most beautiful and effective film, that you would seen. For example, imagine now, that you wait at the station the train of the Salvation. And when you already see, that it comes, and Jesus and the Heavenly saints sing to the Father the solemn hymns, it occurs so, that you, like foolish man, direct at the restaurant of the station, where the joyful and vainglory multitude eats and drinks. You have decided to drink only one glass sparkling syrup, and after to go out and to go up in the train. However, when you came in the restaurant, it happens so, that you can't go out of there. So dear to your heart people eat and drink on the tables. So dear to your heart waiters run and carry trays. And the train already has drawn up and the passengers have yet gone up. Something more - the doors at every moment will be closed... Must I continue in the same way? And if you missed the train (don't let it be!), really you will justify yourself later, that the time has not been enough for you? Will not be more true other fact, just that:

YOU HAVE NOT REACHED TO THE TIME!

For, the time would be enough for you, if you had the right approach to God and His Word. But when you prefer your time before His Own, then be ready to be surprised just by lack of the time.

When Lord gave me spiritual look over the Time, I was horrified. For the feeling, that I am doomed, inflamed in my heart. I saw the doomed people. People, who never will reach to the God's Time, because their time like them more. People, who scheme accounts and make plans for years out, without seeing how the predator devil has yet prepared them an ambush of misfortune in the same day. Then I understood that without the beneficial interference of Jesus I never will understand what the God's deliverance for these people is. Seeing the pain of my heart, Jesus said me:

"Stefan, the God's Time always has had a mercy to the human time. Something more - My Father is kind to the ingratitude and evil men. Can you forget the words of My Apostle Paul? He talks even about such Kindness by the Father, that he said to the ancient Greeks, who wanted to announce him for a god:

"Men, why are you doing this? We too are only men, human like you. We are bringing you good news, telling you to turn from these worthless things to the living God, who made heaven and earth and sea and everything in them. In the past, he let all nations go their own way. Yet he has not left himself without testimony: He has shown kindness by giving you rain from heaven and crops in their seasons; he provides you with plenty of food and fills your hearts with joy..."

(Acts 14:15-17)

Do you see how Paul talks about "rain from heaven and crops in their seasons"? Is not just such the great Kindness and Mercy of Father? However, today there are rain from heaven and crops in their seasons, too. And these times and seasons make signs on the earth. That's why I shall give you to see them in the vision, that now I shall reveal before you..."

After the words of the Lord before my eyes it appeared again a vision. I saw again how the light God's River of the Time, that was flowing in the heavenly places. Then Lord Jesus, standing next to me, left His hand and pointed with His forefinger at the River, saying:

"Look now what will do My Father..."

After the words of the Lord I perceived, that from the River of the God's Time deviated a little stream of water, that descended on the earth and its waters began to flow into the river of the human time. After this little stream appeared too other streams, that descended too on the earth and its waters flew too into the river of the human time. Then Lord said me again:

"Everything, that you see now, is the Will and the Personal desire of My Father to interfere in the human time and to rise from it people in His Own Time. My Father can do it in every time, without conforming with whoever. These streams, that come from His Time and flow into the human time, are appearance of His Sovereignty. Therefore, see them with attention, but I shall count up them to you..."

So I looked at the stream, that poured out of the God's Time and then Lord Jesus began to point me them, saying:

"Here is the first stream. His name is "Little Time". Here is the second stream: His name is "Long Time". The third stream is "The Time of the fruits". Let now I explain you the same stream, so that you understand them and to give them to My Church. Since by the coming in these streams many will be raised and saved through the Mercy of the Lord..."

So Lord caught my hand and the both with Him we approached to the stream that was called "Little Time". Stepping with His feet in this stream, Jesus said me:

"Come in after Me to see what does the Little Time on the earth..."

It was wonderfully and inexplicably for me how I shall come in there, but only after a moment I was yet with the Lord. And when the both with Him we were in the Stream of the Little Time, it becomes so, that before the eyes of my heart emerged many visions and images. I saw Prophet John the Baptist, who had come to the waist in the river Jordan and called for repentance. It wandered me sincerely and then I asked Jesus:

"Lord, is prophet John representative to the Little Time?"

But Jesus, smiling, said:

"No only he, Stefan. The Little Time is for all who serve to the God's Prophetic Spirit, including you, too. The prophets come in the

Beginning and in the End of the Salvation through the faith. And they come always for a Little Time. Remember then what I said about John the Baptist. Were not my words about him, that:

“John was a lamp that burned and gave light, and you chose for a time to enjoy his light...” (John 5:35)

“And why, Lord, the time of the God’s Prophetic Spirit is determined like a “Little Time”?”

Here Jesus answered:

“Just because of the fact, that for a Little Time they do lots of work. The servants of Father don’t need of many time, because they come with a great power for a Little Time. At all, when My Father sent a Word for exposing and edification, then really the this Word works for a Little Time...”

I thought over the words of Jesus and in my heart rushed too many verses, talking about the Little Time. Then I said to the Lord:

“Jesus, here that even Paul, when he exposes the ancient Christians in Corinth, declares in his letter:

“Even if I caused you sorrow by my letter, I do not regret it. Though I did regret it - I see that my letter hurt you, but only for a little while - yet now I am happy, not because you were made sorry, but because your sorrow led you to repentance. For you became sorrowful as God intended and so were not harmed in any way by us. Godly sorrow brings repentance that leads to salvation and leaves no regret, but worldly sorrow brings death...” (2 Corinthians 7:8-10)

“Just right, My boy! No only in this message Paul talks about the Little Time, with that comes the exposing of the God’s Prophetic Spirit. For in other place he will say:

“Endure hardship as discipline; God is treating you as sons. For what son is not disciplined by his father? If you are not disciplined (and everyone undergoes discipline), then you are illegitimate children and not true sons. Moreover, we have all had human fathers who disciplined us and we respected them for it. How much more should we submit to the Father of our spirits and live! Our fathers disciplined us for a little while as they thought best; but God disciplines us for our

good, that we may share in his holiness. No discipline seems pleasant at the time, but painful. Later on, however, it produces a harvest of righteousness and peace for those who have been trained by it. Therefore, strengthen your feeble arms and weak knees. "Make level paths for your feet," so that the lame may not be disabled, but rather healed..." (Hebrews 12:7-13)

If My Father disciplines for a Little While, He surely sends the Prophetic Spirit so that to be made right the pathways for the feet of the believers. As to something more, then think where occurs the conflict between the God's Time and the time of the devil. Does not it happen at the Great Sorrow, when My Father sends His two witnesses for a little while on the earth?

"Yes, Lord! It is right! For Your Word describes the reason for the fury of the devil in such way:

"Therefore rejoice, you heavens and you who dwell in them! But woe to the earth and the sea, because the devil has gone down to you! He is filled with fury, because he knows that his time is short..."

(Revelation 12:12)

"Look then at yourself too in the verses of prophet Isaiah. For about the prophets of Father, coming a moment before the taking of the Church and her Wedding, he wrote:

"He lifts up a banner for the distant nations, he whistles for those at the ends of the earth. Here they come, swiftly and speedily! Not one of them grows tired or stumbles, not one slumbers or sleeps; not a belt is loosened at the waist, not a sandal thong is broken. Their arrows are sharp, all their bows are strung; their horses' hoofs seem like flint, their chariot wheels like a whirlwind. Their roar is like that of the lion, they roar like young lions; they growl as they seize their prey and carry it off with no one to rescue. In that day they will roar over it like the roaring of the sea. And if one looks at the land, he will see darkness and distress; even the light will be darkened by the clouds..."

(Isaiah 5:26-30)

Therefore, here, I say to all who hear My voice:

Do you want fast coming in the God's Time - subdue to the Little Time. For, there is not faster coming in the God's Time than the submission before the Stream, who has come to you for a Little Time. Now, let I lead you at the following Stream..."

So Lord caught again my hand and the both with Him we went at the other Stream, called "Long Time". Lord came again in the Stream and I did it too. Then my eyes saw a overwhelming picture. The whole Heaven was covered with heavy clouds, but at the foot of the clouds stood orderly armies from angels of the misfortune. They held in their hands bows with arrows, ready each moment to fly to the earth. All that no only frightened me, but even horrified me. Then I asked Jesus:

"Lord, will not these angels of the misfortune draw the bow-string and every moment to shoot at those, who live on the earth among the human time?"

And Jesus said me:

"Look attentively and see, that there is One, Who stands in their way and restrains their deeds..."

And really, before the same angels of the misfortune stood like a hoop the Stream of the Long Time. It did not allow to the same angels to take a sight, so that they only stood respectfully and waited their time. Then Jesus said me:

"The thing, that restrains the angels of the misfortune to bring in the life of the men the repay, that they deserve, is just the God's Mercy. Just it is connected with the Stream of the Long Time. For more conviction in this vision, remember what spoke apostle Peter to the believers..."

Again and again the verses from the Bible were on my mouth. All that was due to the Holy Spirit, Who was filled my heart. Then I said:

"Lord, this is really so. For Peter says in his message the words:

"The Lord is not slow in keeping his promise, as some understand slowness. He is patient with you, not wanting anyone to perish, but everyone to come to repentance..." (2 Peter 3:9)

However, say me, Jesus, what will happen, if the people continue to despise the Mercy of the Father and harden their hearts, without wanting to repent..."

Jesus looked at me and I saw, that His eyes are full with great sorrow. As if His Heart gathered everything from this Stream. Then He said silently:

“If anybody despised the Stream of the Long Time, then upon the destiny of such man comes the exceptionally Short Time. Then the anger of Father brings in the life of the men the Suddenness...”

“And what, my Lord, is the Suddenness?”

“See it yourself, Stefan!” - said me Lord and I looked at the vision with the orderly armies from angels of the misfortune. Then I saw how the Stream of the Long Time only rose and did not yet stand in their ways. Then all angels drew the bow-strings and their arrows flied to the earth, so that to stick in the destinies of the men, who swam in the devils and the human rivers of the time. Some of the arrows were charged with irremediable diseases like cancer and AIDS, infarct and paralysis. Other of the arrows provoked death circumstances, leading to catastrophes and disasters, depredations and terror. Then I understood that these armies from angels of misfortune only accomplished the God’s Word in its most serious toward the sin part, namely - the Suddenness. So the biblical verses, connected with it, appeared before my heart:

“Away from me, all you who do evil, for the LORD has heard my weeping. The LORD has heard my cry for mercy; the LORD accepts my prayer. All my enemies will be ashamed and dismayed; they will turn back in sudden disgrace...” (Psalm 6:8-10)

...and also:

“...who plots evil with deceit in his heart - he always stirs up dissension. Therefore disaster will overtake him in an instant; he will suddenly be destroyed - without remedy...” (Proverbs 6:14-15)

...and also:

“A man who remains stiff-necked after many rebukes will suddenly be destroyed - without remedy...” (Proverbs 29:1)

Seeing how I repeat the biblical verses in my mind, Lord added:

“Say to those, who want remedy, that now is the moment to repent. Tomorrow may to be late. That’s why, let they thank to Father for a Long Time, during that He waits them and let they fall and weep, so that to be raised in the God’s Time. For whoever continued to be

stiff-hearted, he surely will be devoured by Babylon. And to the same this Babylon, its destroying will be too suddenly, according to the written:

“Babylon was a gold cup in the Lord’s hand; she made the whole earth drunk. The nations drank her wine; therefore they have now gone mad. Babylon will suddenly fall and be broken. Wail over her! Get balm for her pain; perhaps she can be healed. “We would have healed Babylon, but she cannot be healed; let us leave her and each go to his own land, for her judgment reaches to the skies, it rises as high as the clouds...” (Jeremiah 51:7-9)

Now, My boy, let we go at the last Stream. For it will keep all who wish it and it will protect them perfectly for the time, when Lord their God will appear Himself as a Moment...”

After the words of Jesus we directed to the last stream, that was less than the two others. In spite of this the Light from This Stream was very powerful. In difference of the Light of the other streams, this here as if had its inner store of exceptional softness and warmth. Then Lord said me:

“This is the Stream of the Time for the Fruits...”

“And what is this Stream about, Lord? How it acts on the earth?”

But Lord said:

“All streams, that My Father commands to descend from the River of the God’s Time, are beautiful. But This is the Stream, in That is the greatest benevolence of My Father. And it is not possible anyone of you to bear a fruit for the Heavenly Kingdom, if he is not come with his heart just in this appearance of the God’s Time. Therefore, let we come in here and you will tell to My brothers and sisters what you have seen and endured...”

After His words, Lord smiled and catching my hand, went ahead. I went after Him, too and so I came in the most beautiful of all God’s streams. Inside in it there was abundant warmth and Light. One abundance, that it is not possible to be described, whatever words you to have in your heart? Here met the Love and the Peace, the Gentleness and the Patience, the Kindness and the Charity, the Faithfulness and the Self-control. Here a man could not to feel unhappy, because looking at his heart, he saw he succeeds to bear everything,

that in other time and in other place he could not bear. Here disappeared every pain and malice, every indignation and fair, every grief and disdain. And the rays of the Holy Spirit lighted and shined more than always. Even if it was the spring of the Lord, rather that summer, when the sun does not heat you, but caresses and embraces you. Here was the Time of the Fruits. I felt myself so, as if I stood in the inside of the same river. Then Lord said me:

“Say Me, do you find more beautiful place in the God’s Time than the Time of the fruits?”

“No, Lord! Scarcely will I find ever more beautiful place then this...”

But Lord added:

“The power of My servants becomes open then, when, led by Me, they touched to all streams of the God’s Time. For only in this way they will know perfectly the signs of the times. For only then they will understand what has had in his mind the dulcet singer, praising the Lord, when he has written:

“Blessed is the man who does not walk in the counsel of the wicked or stand in the way of sinners or sit in the seat of mockers. But his delight is in the law of the LORD, and on his law he meditates day and night. He is like a tree planted by streams of water, which yields its fruit in season and whose leaf does not wither. Whatever he does prospers...” (Psalm 1:1-3)

Many never will live in this verse. For, they will stand and wait to come the Time for the Fruit.

However, it never will come, while they expect it.

Therefore, let all who love Me, to remember My words:

TO YIELD YOUR FRUIT IN SEASON - IT MEANS YOU TO GO IN THE TIME OF THE FRUITS.

However, no all will go in the Time of the Fruits. For many will look at themselves in the proverb, that once I said you:

“There was a landowner who planted a vineyard. He put a wall around it, dug a winepress in it and built a watchtower. Then he rented the vineyard to some farmers and went away on a journey. When the harvest time approached, he sent his servants to the tenants to collect his fruit...”

"The tenants seized his servants; they beat one, killed another, and stoned a third. Then he sent other servants to them, more than the first time, and the tenants treated them the same way. Last of all, he sent his son to them. "They will respect my son," he said. "But when the tenants saw the son, they said to each other, "This is the heir. Come, let's kill him and take his inheritance..." So they took him and threw him out of the vineyard and killed him. "Therefore, when the owner of the vineyard comes, what will he do to those tenants?"

(Matthew 21:33-40)

I understood, that the last words of the parable Lord directed to me. Then I said Him:

"Lord, the Owner severely will punish these farmers, but He will give His vineyard to such people, who yield His fruits..."

"And will not such men say to the Owner:

"Lord, it was not a time for fruits! It was a time for business, conferences, theology, diplomas, seminars, politics, excursions, commerce. It was a time to arrange our own things, but no Yours; to built our own homes and carriers, but no Your Home and Holiness..."

And will not become so, Stefan, that in the last reckoning such men will learn at all the lesson from the fig tree, that I commanded to be learned? For Lord your God commanded:

"Now learn this lesson from the fig tree: As soon as its twigs get tender and its leaves come out, you know that summer is near. Even so, when you see all these things you know that it is near, right at the door..." (Matthew 24:32-33)

And here, that many don't learn at all the lesson from the fig-tree. They don't perceive, that it was coming the God's summer. They even did not look upward to see how Father sends to all churches the God's Stream of the Time of the Fruits. Therefore, such churches, that despised the most beautiful and live-giving stream of the God's Time, they surely will be befallen by the fateful power of My words. For these My words will save some people, and they will condemn others. Do you know which are these My words, Stefan?"

"My Lord! Your wonderful Kindness and leading revealed before the eyes of my heart in many books and in different visions, that there was a case in Your Life, when You saw one fig-tree in leaves and You ran up to it to find something to eat. However, you did not find anything. Only some leaves. Then You cursed this fig-tree, nobody to eat its fruit forever..."

"Something more! For the Evangelist, incited by the Holy Spirit, has written too one reason, that may to be read in flesh, as well as in Spirit. This reason declares:

"...for it was not a time for figs..."

Then, what was the time for this fig-tree? And what is the same this time for all fruitless churches, standing today before My eyes?"

"Lord, in full degree all churches, that has the unenviable destiny to be fruitless fig-trees, have fallen in the rivers of the human and the devil's time. And when anybody survives in these two rivers, he never will find the Stream of the Time for the Fruits..."

"See then what is the curse from Father for all who reject the Time for the Fruits and don't wish to come in it..."

After His last words Lord gave me a vision. And I saw how the light Stream of the Time for the Fruits tried to touch the branches of dozens fig-trees. But they did not wish to accept the Perfect Blessing by Father. Then it became something terrible. For the Light Hand from the Heaven took up the stream of the Time for the Fruits. But the human and the devil's rivers, seeing that the light stream does not yet threaten, rose and turning into a common great and black river, overtook with their powerful waters all fruitless fig-trees, uprooting them. They made to fall their leaves so that the same trees turned into dry trunks. The view horrified me. There was too much pain and terrible sorrow in it. Then I asked Lord:

"What happened, Jesus? What happened with these fig-trees?"

And Jesus answered:

"When anybody rejects the Time for the Fruits, such man surely falls in the dark River of the Last Time. For the Last Time is the God's anger over all wicked. This is the destiny, for that may to be live-saving only the deep and sincere repentance. Look then what My Word talks

about the Last Time, because for all churches, deviated from My Name and My teaching has come really the performance of the Last Time..."

I looked at the God's Word and it was not necessary to convict myself in the truth of the Lord. For the Christ's Apostle John declared clearly:

"Dear children, this is the last hour; and as you have heard that the antichrist is coming, even now many antichrists have come. This is how we know it is the last hour. They went out from us, but they did not really belong to us. For if they had belonged to us, they would have remained with us; but their going showed that none of them belonged to us..." (1 John 2:18-19)

And Apostle Paul in his message to Timothy showed again with inspiration by the Holy Spirit, that the rivers of the human and the devil's time surely will unite so, that to devour the God's apostates:

"The Spirit clearly says that in later times some will abandon the faith and follow deceiving spirits and things taught by demons. Such teachings come through hypocritical liars, whose consciences have been seared as with a hot iron..." (1 Timothy 4:1-2)

Then Lord added to my reasoning:

"When any man abandon the faith and follows deceiving spirits and things, taught by demons, then no doubt, it happens a mighty union between the devil's and the human time. And if anybody does not still know why, let he now understands Me:

THE UNION BETWEEN THE DEVIL'S AND THE HUMAN TIME COMES THEN, WHEN PEOPLE WORK FOR THE TIME OF THE DEVIL, BUT THE DEVIL WORKS FOR THE TIME OF THE MEN!

The firsts work to put his deceitful teaching and doctrines in the Temple, but he thanks them, making them very strong for their time, giving them authority, money and respect. So, after such union, the two rivers really give rise to the Last Time. And if anyone still want wisdom from Me to understand why the union between such rivers is a Last Time, let he know, that such is the allowed by My Father last rising and exalting of that dark trinity, known like the dragon, the beast and the lying-prophet.

Those, who hear today My voice and understand, that they have been victims of the Last Time, let them deny their own time and the time of the devil, let them repent and then My Father surely will raise and confirm them. For such people, accepting the Word of Father through His servants, the prophets, will fall in the Little Time that will return them at the God. So it will come true My Word, saying that many lasts will be firsts. As to the pride of the vainglorious, that covers their hearts and does not allow them to accept My words through My servant as faithful and true, then upon such men My Father will do the written judge so, that to come true My Word, that the firsts will become lasts.

He who has an ear, let him hear!

The word, given by Me to My prophet, is for repentance and for denial the sin of all churches all over the world.

The zeal of My Father will do all this. For Lord your God will test the foundations of all churches and each church surely will look at itself in its time.

I am Alpha and Omega!

I am the Beginning of the Time and the Fin of the Time, the First in the Time and the Last in the Time!

Come at Me and know the Hour, with That I visit you and the Moment, with That I seal you! For My Father needs of His tears to ransom through them the dying people!

I uttered it! I pronounced it!"

INSTEAD OF AFTERWORD

Dear brother! I know that Lord from now on will work with the Word of this book in your heart. For this is not a book, written to be read. This is a book that Lord gives me for your heart. For today the darkness is great and the dark rivers of the human and the devil's time sweep away with a great power.

I want you don't doubt, but to stretch hand to your Savior. To fall on your knees and to say Him:

"Jesus! I want to come in Your time! I pray You, Lord! Raise me to Yourself! Made me walk in the God's River of the Time! Made me to know You as the Hour and the Moment! Made me understand, that the shining Light of the Salvation and Redemption comes through the sent to the men servants of Father, who are His prophets.

Lord, I accept Your prophet and the Word, that You have given him to write in this book! For if You gave us the Salvation, then the prophets of Father warned for it. And Your Apostle Peter wrote:

"Concerning this salvation, the prophets, who spoke of the grace that was to come to you, searched intently and with the greatest care, trying to find out the time and circumstances to which the Spirit of Christ in them was pointing when he predicted the sufferings of Christ and the glories that would follow. It was revealed to them that they were not serving themselves but you, when they spoke of the things that have now been told you by those who have preached the gospel to you by the Holy Spirit sent from heaven. Even angels long to look into these things..." (1 Peter 1:10-12)

I confess, Lord Jesus, that your messenger brings Your Spirit and through the Power of the Prophetic Word that I accept through faith You will confirm me to know You as Hour and Moment of the God's Time! I deny the rivers of the human and the devil's time and I ask You to make open in my life the marks of Your Time and the signs of Your times. In the Name of the Father, the Son and the Holy Spirit! Amen and Amen!"
