TO YOUR HEART

My dear brother! My faithful friend!

For another time in my life of faith I was convinced how unpredictable and unexplorable our Lord Jesus Christ. For another time my heart got a confirmation that man can only propose but God always disposes. I tell you this, for the book that you hold in your hands, was neither planned in advance, nor prayed for, nor has crossed my mind. In fact, this book answers a satanic provocation. Therefore I want to tell you how it was born.

As a man, who loves Lord Jesus Christ with his entire heart, I sincerely enjoy all the God's deeds on the earth and am sincerely indignant, when I look at parades of the satanic dishonesty. The word "parade" should not disturb you if you think of it as a celebration. For, today is the celebration of the dishonest ones, the flowering season of all the satanic weeds and their transient feast before their complete destruction.

For the last ten years Jesus has been continually showing me a country that teems with fiendish forces. This place will completely deservedly be called with the Biblical name that suits it:

"Babylon the Great! The Mother of Prostitutes and of the Abominations of the Earth!"

Saying this I do not want to limit the spiritual influence of Babylon all over the world, but to emphasize that its strongest influence comes from the United States of America. Why from there? See the following arguments to support my ratiocination:

First: This is the country of the whole possible world prosperity, caused and led personally by Mammon, the treasurer of the devil! To the very end of the world the dollar will remain the world's most powerful currency!

Second: This is the land of the whole possible world necromancy, inspired and led by the spirit of Jezebel himself! Till the very end the American theology will claim to be omniscient about the Holy Scripture!

Third: This the motherland of the greatest warmongers, having great war potential of bombs, rockets, planes, tanks, submarines and aircraft-carriers! The militarists themselves, guided personally by the spirit of Korah, have long ago become Capitoline wolves, who do not even hide themselves, for many

nations and governments tremble before their power. They will go to their dirty wars all over the globe till the very end.

Fourth: For the last fifty years USA has become world policeman, censor and judge to all nations, religions, languages and cultures! To the very end it will impose the model of its democracy that more and more strengthens its position as a "demoncracy".

In these days America stretched the revolting tentacles of its militarism to the people of Bulgaria!

I will not hide it that when Condoleezza Rice visited Bulgaria I cried before God and begged Him to spoil the plans of Satan, which the Bulgarian venal government, was going to establish as an act of state. However, no matter how much I begged Jesus, the abomination took place. Oily and grinned politicians clapped at the signed contract for the placement of American military bases in Bulgaria. Then they shook hands with the United States Secretary of State so happily as if those were the pierced hands of the Lord, giving peace and blessing. In fact they were the hands of a cold calculating, ambitious and interminably sly pawn of the devil.

There are moments when Lord cannot be understood. There are moments when our prayers rebound off the divine God's intention, different from our human intention, in permitted destinies, which we want to deny in every possible way. This is the moment when we need to humble. To fall into such humbleness that we acknowledge our Saviour that His Word stays higher than our wishes, that His prophetic words will not be changed by any prayers or spiritual effort by the God's children.

The very same moment was the permissible satanic abomination that became act of state for a nation whose leading politicians are ready to sell it anywhere for anything. They just invited the intruder in our home so that he has the yard at his disposal and eventually attack and devastate the neighbours. When they start defending themselves they may recognize not the USA but our little country Bulgaria as the intruder.

Can you imagine this, my brother! A Peaceful and humble nation consisted of a few million people and used to bearing all the misfortunes will be covered at once with the black veil of the satanic oppressor. Warlike fanatics, ready for revenge, will march to its land, for American planes, loaded with bombs, will

come out of its territory and bombard the following strategic aim of the president George Bush.

There is one true proverb that says:

“The friends of my enemies are my enemies and the enemies of my enemies are my friends!”

Do you understand now this whole satanic abomination and terrifying evil that took place in Bulgaria? Our state and politic elite wanted to make friends with the world’s greatest oppressor – the United States of America. To become part of the coming military doctrines of the warlike presidents that have decided to teach the world, not with the Love of the Christ and God’s patience, but with the sound of guns and the whistling of rockets.

Why then this American nation calls itself Christian, when it conquers the nations not with the Gospel of Jesus, but with the Pentagon’s doctrines? Why instead of messengers of the good, carrying bibles, it sends in the lands of the infidels rangers with submachine guns and tanks? Why does not it want to share its prosperity with the starving and suffering tribes in Africa, but looks for the latitudes where smells of petrol? Why when terrorists strike it on the right cheek, it doesn’t turn the other to them but aims to break millions of teeth and prick out zillions of eyes? Why every American president swears allegiance to the Bible when no more than a day later he is ready to abuse all the Holy Word of God and to put great blame to the gospel? Why a Loving Father in the heavens, whose name is Jehovah, can stand us more than twenty centuries and wait for all the peoples to come to repentance and know the Salvation of Jesus, but a president from the White house in Washington cannot stand even four years without waging war? Why one God in the heavens can give sun and rain, crops and fertility to all the nations, without taking in mind their faith, their righteousness, but a negligent cowboy from Texas is ready to light-handedly sign death sentences and command wars, sat in his leather arm-chair?

I cannot remain indifferent to these so important and vital problems! Here, my brother, appeared the challenge of this book! For the first time, I saw Satan from the spiritual world as a prince of the air power, who rules today the disobedient. I saw his black wings that were rising over the whole world and

under them I saw ordered hundreds of millions of demons, ready to conquer the world by his will and his shading.

Then I thought:

"Oh, my Lord! How powerful and Holy the crystal tray of the God's Fatherly Justice must have been, so that those rays come out and burn the wings of Satan to ashes in the visions for "The chain and the judgement"? Moreover, is not that the reason why the devil is so fierce and ruinous, for he knows that he has too little time left? How do I understand the vision you give me, Lord? How do I grasp the meaning of the dreadful wings of the devil and the demonic hordes ordered beneath? How am I supposed to comprehend the terrible fact that one whole Bulgarian nation stays bewitched and in unconsciousness, while the lawlessness of the devil triumphs in our venal politicians?"

In reply to my questions, Lord Jesus spoke to me, saying:

"You obviously have not understood which the strongest attacks of the air power of the devil are? Today the time for their exposure, illumination and defeat has come. So now listen to Me and turn your TV set on, so that you see how the Medias present the contract for the American bases in Bulgaria..."

My brother! If I tell you that I do not watch television, I will prove to be a liar and the truth will not witness my lips. Of course, I do! But if I tell you that for the first time in my life I switched on the TV by the explicit order of my Lord, then this would be perfectly true. That is why I rally turned on the TV on the state informational news "Channel 1". Then - having waited till the beginning of the news, I began to watch and listen.

What bewilderment! What a horror? A friendly announcer was speaking about the signature of the contract for the American bases in a way totally unacceptable to my heart. She was pontificating so guilelessly, so enthusiastically and with such a satisfaction, as if we were not talking about political agreement with warmongers and murderers, but the fulfillment of the dreams and hopes of lots of generations of Bulgarians.

I could not stand this channel and switched on to "BTV". But there I saw the same satisfaction and even greater happiness. I went to TV "Europe" and TV "NOVA", but everywhere I saw the same comments, treatment and

satisfaction. These televisions must have copied the news from each other. As if there was not any alternative point of view or different comment or interpretation of what was happening. As the signature of the contract was happening there was a protest meeting of citizens with clear conscience. However, the meeting was interpreted in the Medias as a gathering of ragamuffins and provokers.

What was I watching? TV channels? News? Correct interpretations of the events?

No, no and no!

This was powerful radiation of spirit! This was the air power of the devil and its strongest force today – the force of the Medias!

As I thought later that every night a few millions of Bulgarians and a few billions of foreigners turn on their TV sets, I tingled. I had pins and needles, as if I had just become a founder of a new deadly virus that killed people a lot more successfully than all the viruses we know in a pile.

I beg you to think over this, my brother! I beg you to open the window of home and look above you towards the sky! What will you feel? Undoubtedly – air power, ether that is invisible to your eyes. More transparent than the air you breathe; more elusive than the particles of the dust the wind brings. However, there in this invisible area it swarms with demons, messages and Medias. Every single Media situated in its own range of a few kilocycles or megacycles, waits you to let it in your life; waits you to open your eyes and ears for it. And what, matters most – it waits to capture your heart.

Do I need to tell you that as everything bad and good in our life, it is all about choice here? For the Medias cannot turn your TV set by themselves. You will do this with your own hands, led by your own wish. Then, captured the whirlwind of the media itself, you will bear all the consequences of its messages to your heart.

I would not have understood how profound, serious and scary the topic of the devil's air power is, unless Lord had begun to speak in my heart with the Spirit of perfect dedication. This is what he told me, before he dedicated to me all the visions of this book:

“Stefan! I see your heart is grieved by the events that took lace in Bulgaria. For it is really a great evil for a peaceful people to give its

land away to a violator, who even now leads wars and murders. Now I tell you that in the Heart of My Father there is more grief than in yours. What do you think then? Do the God's children think of how strong the power of the Medias has become? Do men think at all that they are enslaved and lead by the Medias?

Besides, tell Me:

Were there Medias, when I lived on Earth?"

"No, Jesus! There were not any Medias at your time! There were no newspapers, nor television! The Gospel shows us that the people's rumour and direct communication turned thee events into "news", as it was written:

"And the news about him spread throughout the surrounding area..." (Luke 4:37)

"Exactly! In My days the measurement for information was "news", as rumour. That was so, because all the events spread from mouth to mouth and from ear to ear, until it really turns into rumour. So, what you think? Was not the devil limited due to this lack of technologies that shorten the time necessary to inspire messages in the human minds?"

"Yes, Jesus! The news and the information spreading cost too much effort then. However, then Your Holy Spirit gave the evangelists and the apostles the most perfect way of spreading the information, which is exactly the written word..."

Lord smiled at my last words and went on talking, as he said:

"Let us return again to today's reality, as it is. As you know nowadays the Medias are tenths of thousands think about it and tell Me:

Is not this the perfect solution to Satan's limitedness? Does not this solve the only problem of his personality that is his narrowness and the fact he is not omnipresent?"

"O, Lord! As I think that millions of people go to bed and wake up with devil's Medias, it turns out, in spite of the narrow-mindedness as a personality, he is able to reach everywhere through his Medias. And they are what makes him artificially omnipresent..."

"This prompts me to ask you My next question:

What is, nowadays, the greatest force of the devil's air power and who the sons of disobedience are, wrote Paul in "Ephesians"?"

Without any delay or doubt in my mind I told Jesus:

"My Lord, it is obvious that the greatest forces of the devil's air power are the Medias. They are the ether that Satan uses to control and manipulate the minds and hearts of the sons of disobedience. The disobedient men, who do not mind being seduced and poisoned with satanic messages, become conductors of the multiplied lawlessness..."

"Exactly multiplied lawlessness, My servant! Multiplied not ten or hundred times, but thousands of times! For, today you live in the time, when through the Medias Satan will debauch the walk of the world, according to his own will. The Medias are the searchlights of all of his dark messages. They are whirlwinds of the air power that reflect every puff of his wings, every word of his mouth, every movement of his hand.

That is why there was not united resistance against the American arrogance and warmongering. For, the Medias have formed the public consciousness with the necessary for the devil adjustment and the wanted fake calmness and fraud that will put to sleep the consciences of many.

For, the word "media" means "mediator". And when this is the mediator between the devil and the men, they will be too scary and sly in his activity.

So, I want to show you the Satan's air power from above. In this way you will be able to clearly see and write own in a book the strongest media whirlwinds that the devil uses to rule the world that was given to him for some time by My Father. To all those who belong to Me, I do not just say, I order:

Follow Me in the visions that I will give My prophet. For, I will use them to release you from the air power of Satan and all the ruinous whirlwinds of the demonic Medias!

I, Lord and God Jesus Christ, still speak and do not fall silent!"

1. THE PRINCE OF THE AIR POWER

My brother! My faithful friend!

I pray my Lord to cover you with the blessing presence of His Holy Spirit, so that the things that you read do not scare you, but to make you sober and observant. Why sober and observant? Exactly because Lord has warned us that when the men slept the foe came sowed weed among the wheat and then hid before being noticed.

Do you see the title of this chapter? It is so great challenge against Satan that for the visions that show him as a prince of the air power I had to stand a whole week of constant pressure and horror. In spite of the devil's pressure, Lord stretched His hand and lifted me upwards. When I found myself in His world, in the Light of the Spirit, He began talking to me, as he said:

"Tell Me, Stefan! What thoughts and associations bear in you, when you think of the prince of the air power?"

The question of Lord touched my heart in such a way that I remembered the whole week of suffering, agony and pressure till burst. Then I answered Him, saying:

"O, Jesus! Since the moment You came and told me I would write book about the prince of the air power, I felt how cruel the resistance of the devil can be. A pressure that differs from the atmospheric, for it is not due to the air. A pressure from the devil that aimed to scare me so that I refuse to think of the book you were giving me..."

"Yes, it is so! There was really a pressure and it weighed quite heavily upon your heart. But, as you see, I am with you and you are with Me! None of this devil's pressure managed to scare or to make you give up the prophetic visions of this book.

Now think again about the prince of the air power. How do you imagine him? How do you imagine the devil and how do you - his air power?"

"O, Jesus! Since you came to talk with me I imagined the devil as a dark eagle that has stretched his black wings over all the forces he commands. As a natural eagle flies in the sky and roams in the air, Satan flies in the destined for him air power and shades with his presence..."

Lord smiled at my last words and then went on talking as he said:

“Your idea is to a certain extent correct, but it is not complete. That is why I will ask you in this way:

What is the air power of the devil, as you know Satan is not flesh, but spirit? Will not a spirit fly in a spiritual way? Will not the space, he flies in, also be a spiritual reality?”

“Yes, Lord! It is so! If Your apostle Paul called the devil **“prince of the air power”**, that was so, not to claim the atmosphere is a demonic place, but to think that, if God has a presence, which he inhabits, the devil also has a presence, called **“air power”**...”

Here the Saviour spoke to me again, as he said:

“Do you remember how a few years ago I gave you the visions for “The Haunt of the Abomination”? Do you remember how I showed you that in Zion there is no air, but God’s presence? As the angels’ wings do not stretch to scoop up air, but to lift up in God’s presence.

Now understand that in the air power of the devil there is no air, but satanic presence. For, the wings of the demons do not extend to grab air, but to move in the satanic presence. Therefore, the satanic presence is called air power. It responds to his dark shading that is the dark thoughts and messages Satan is able to emit from his heart to everybody he rules and commands.

But you and the God’s children will not understand, nor comprehend all this, unless I give you the vision, connected with the bearing of the air power of the devil. So, watch now! For, I will let your heart see the moment when My Father, the Almighty One, throws Satan away from Heaven together with all those angels, who approved him and stood behind his god-fighting ambitions and claims...”

After His last words Lord touched my head with a hand. Next moment, I was watching the Hill Zion somehow from aside, in the emptiness of the dark. Then I saw God’s hand rising among the God’s Sanctuary. Suddenly, a storm of fiery sparks shot in the hand and sank in it, similar to waves of thousands of fiery waterfalls. This was one major drain of Fire from all the places in the Heaven. It took so little time that my eyes could barely memorize the view, before it ended. Then, a new sign happened. The God’s Hand rose over the

Zion Hill and Its fingers stretched over the whole Sky. In a single moment millions of thunderbolts flashed and stroke all the places of the Heaven, throwing away, as a black slag or rather milliards of dust particles, the rebelled angels together with their inspirer Lucifer.

My brother! Imagine that you bend over a dead fireplace and fill your mouth with air. Then using all the strength you have you blow into the ash... The dust particles fly aside and start falling, while roaming in the air... This is what I was seeing. However, Father did not bend down to blow the ash with His mouth, but banished it from His Kingdom with thunderbolts, coming from His hand. Every lightning struck exactly in the heart the Heavenly servant that had not kept his dignity, but had succumbed to the fraud of the devil. That is why he looked like a particle of dust ash that has lost the Fire of the God's Holiness.

As they fell from the Heaven, downwards and more downwards, they gathered on the earth as they drifted one above another. So, finally, Satan himself swung his wings above them all. He roared strongly and loudly to all those who fell with him, as he told them:

"Who is your master? Who is the prince you will serve in the coming centuries? Who is the cherub, who only found strength in his heart to stand against the detestable Heavenly teocraton?"

"You, Morningstar! You are the master! You are the prince! You are our God!"

"I will always be such!" – shrieked the cherub. Then, as he swung his wings, he made the demonic ash fly around, as he went on screaming:

"In the Heaven of Jehovah Love and Holiness are valued! Here what will lift you will be Ambition and Pride! In Jehovah's Sky you had wings of Admiration and Reverence, but before me you will need wings of Terror and Servility! In Heaven everybody knew his place due to the Order, but here all of you will fight for vocation, due to the Chaos! In Heaven you were all slaves of the Creation, but here you will be initiators of the Destruction! In Heaven you drank from the waters of Wisdom, here you will darken in the fires of Magic! In Heaven you served the Holy Spirit, here you will learn to survive in the dirt!

This is my air power and everyone should learn to fly in it! You will breathe it, you will depend on it, all your successes will be forged by it and to it you will dedicate your whole existence!

Is there anyone who questions my will? Does anyone have any claims?"

In answer to the satanic shrieks, all the ash started rustling, as it told him:

"There is no turning back! We followed you and dedicated to you! Teach us, prince! Make us similar to whirlwinds in your air power!"

In reply to the demonic ravings, Satan flew sharply above all of his fallen angels and shrieked again:

"I am the prince! I am the god! I am the master! I am the air that you breathe! I am the meaning of your whole existence! I am all for you and you are all for me!"

My Lord! Barely now did I understand what the air power of the devil is! Barely now did I comprehend that this air power would seek all the ways and possibilities to enter the hearts of the humans and to make them lewd, lecherous, rebellious and repulsive in front of God. When I saw all this, I lifted my hand to cover my eyes and told Jesus:

"O, my precious Saviour! Stop this vision at the door of Your servant's heart! It is scary and unbearable! It is all the possible horror, someone could ever experience! There is no greater evil that can happen!"

"On the contrary, Stefan!" – replied to me Jesus and went on:

"You saw the birth of the horror in the first times of the earth. But this horror, this demonic power, was due to become larger and bigger. If the first success of this power was the murder of Abel by his brother Cain, you can only imagine what it does today in the last days of the earth.

Did not I tell all of you that the last days would be days of multiplied lawlessness? If today all of you live in the time when the man-Antichrist will show, what the air power of the devil must have become? How murderous have become its hurricanes and storms? How deadly have become its satanic whirlwinds? Does not My Church need God's anointed persons to be sheltered from the winds and the storm? Should not you all hide in the Lord, Who is your Salvation Rock? If you really want to do it, prepare to see what the dark whirlwinds of the air power are, so that you are able to escape them and save your souls! I, the Saviour of the God's family, still speak and do not fall silent!"

2. THE DARK WHIRLWINDS OF THE AIR POWER

My brother! My faithful friend!

There hardly is something more ruinous than this – to stand unconcerned in time of war. For, there – on the front line clash sword with sword, shield with shield and word with word. All the Heavenly forces of Light and Love have taken part in a fearful skirmish with Satan's demons and in spite of the invisibility of the battle itself – it resounds in the material world.

One of the greatest delusions that live in the mind of man is the deceptive multiplicity of the foe. In other words – man is willing to trust the great number of foes than to judge that in war does not win the numerous, but the stronger. However, the forces of Light are not in any case lesser than the forces of darkness. Just God acts from the Heaven, where we cannot see him, while the devil has ordered all of his armies on earth and that makes him visible.

"How's that the devil is visible? Were not his demons and he invisible?" – may ask someone. Yes, they are really invisible, for, our human senses cannot detect them, but things look different with our spiritual senses. Different is the way our hearts feel. For, the human heart is opened with faith, which makes all invisible things visible.

Think then, my brother that even if a demonic fan is invisible, the air stream it creates will be felt. The wind will press our hearts and we will sense that, as God's children we are not welcome or wished somewhere. What has happened to us then? Nothing different than staying at the gun point of an enemy, who angrily shoots against us, trying to break our faith in Jesus, trying to lay us low and vanquish us?

That is why, in the beginning of this chapter, I said it would be ruinous to stay impassive in time of war. For the impassive one can only sense and feel the spiritual battle, but he cannot fight. Today the spiritual realities do not approve any passiveness and apathy, and they will be fatal to those who show them.

As you understood from the previous chapter, an awful spiritual reality exists today that is called "**air power of Satan**". Everyone, who falls under the influence of this air power, is defined as "**son of disobedience**", in whose

heart flow the thoughts, intentions, messages and wishes of the devil. As a great and wonderful alternative to this air power, God has poured on Earth the presence of His Holy Spirit. So that everyone, who believes in Lord Jesus Christ, to find himself perfectly protected and hidden by the air power of the devil. Things would really have been too good and happy for us, if dark whirlwinds had not appeared in the air power of the devil; dark whirlwinds that engulf and seduce not only the heathens, but a great part of those who were saved with faith and Jesus. This the reason apostle Paul warns us that the phenomenon of the man-Antichrist will not happen until the retreat begins, which means until the disobedience does not begin to act in the churches by sowing the abomination that leads to desolation.

You see, when we talk about the pagans we are ready to wave a hand and announce them as sons of the disobedience. For, they really do not obey the Gospel and in their life appear all the signs of the sin and rebellion against God. However, when we talk about the disobedience of the faithful ones, most grow dumb and taboo the theme.

“How are we supposed to equal believers and pagans? Even the worst believer is more than the best pagan!”

Is that what you think, my brother? Is not it more correct to say that the worst believer is worst than the worst nonbeliever? Does not the worst believer crucify Jesus again in his heart? Does not he pierce Him with false doctrines and unholy company? Who is then more evil? The one who never had Jesus, nor knew Him or the one knew Him, betrayed Him and crucified Him for a second time? This is the most frightening tragedy our time! Tragedy for those, who instead of hiding more and more in the presence of God, open their hearts for the devil and become targets in the range of his vision.

Let me now tell you how Lord showed me the dark whirlwinds of the air power. He came to me and started talking, as he said:

“Follow Me, Lord’s Servant! For, now I will take you out and put you under the air power of Satan. I will keep you safe and it will do you no harm. While I guard you, I will let you see what the devil does with those who despise the protection of the Lord...”

After these words of His, Jesus put me in a vision. I was staying with Him in a dark valley, overhung by dark and heavy clouds. These clouds were so

terrible and real that I had the feeling they will smash me to the earth at any moment. So, Lord gave me a sign to watch what was happening in the valley. That is how, I saw two men, holding bibles in their hands. Visibly pleased, they sat on the grass in the valley and one of them told the other:

"How pity can the pagans are? They are not to be envied at all! Strange to the Life of God and darkened in their hearts, they are all doomed!"

"Amen, so be it!" – answered the other and went on:

"Only if they had the God's Word to read what the end of the world and sin will be, they would all be saved. However, they are careless and do not want even to approach the entrance of the church!"

Then the first told the second again:

"Let us not think about them, now, but for ourselves! For, God has made us more than victorious!"

Listening to their conversation, Lord frowned. Then, as He lifted His hand and pointed the black clouds, he asked me, saying:

„Do you see how terrible is the air power of the devil? And do you notice that these are not just clouds, but hordes of demons, ready to do whatever their master orders?"

I looked again to the clouds and I really noticed that only from afar they looked like clouds. A careful gaze exposed them as demonic hordes. Therefore, with great agitation in my voice I told my Lord:

"O, Jesus, in the air power of the devil there are really too many demons. Now I think about the unsafe position of these believers. Instead of judging the heathens and praising themselves, they should have climbed Your Holy Hill, so that they witness your city. For city positioned on a Hill cannot be hidden. If the pagans had seen their good deeds they could have escaped the air power of the devil..."

"Yes, it is so! But these here do not care. They are representatives of the careless Christianity, of the egoistic Christianity, where everyone is happy that he is saved but does not even move to show the God's Love and Light to those who does not have them. All who stay in the valley under the very air power of the devil call it with their example?"

"Come and get us, if you can!"

Can the devil engulf these humans?"

I looked again at the clouds and then with a sinking heart told Jesus:

"My Lord, the air power of the devil is so close that these two are doomed!"

"Watch then what will happen. For, today it happens everywhere!"

I threw another glance at the darkened sky and I saw one of the clouds to start going down to the earth. It fell, as a tornado falls down from its cloud to the earth. Thousands of demons twirled round. The whirlwind formed a black sleeve that was coming closer and closer to the land. As it touched the ground of the valley, it started throwing dust and making unimaginable noise. When both believers got in the range of the storm they were sucked in the tornado and drawn in the air power of the devil. The demons scattered and tore their bibles and they themselves were engulfed by the cloud and were no more visible.

The view was dreadful to its least detail – it made me hold the hand of Jesus tighter and to ask Him:

"What happened, my Lord? Why this dark whirlwind came out of the air power of the devil to suck in and tear apart these men?"

Jesus replied to me:

"The compromise these believers made with My Word and Example and with the presence of the Holy Spirit was a vital error for them. In this way it will prove fatal to all the churches that retreat today from Lord's Legacy and do not want to climb His Holy Hill. But in fact I want you to understand what this dark whirlwind was. For, today not only people go in the darkness, but the darkness, together with its whirlwinds goes to people to engulf them and destroy them. So, let me rise you above the air power of the devil. So that, you see with your eyes and hear with your ears how the devil announces in front of all his demons the strategy to devour and destroy the whole world..."

Left with no breath from excitement, I gripped the hand of my Lord even stronger. Then he took me well and raised me above the air power of the devil. As we both stood right above Satan and his demonic hordes, Jesus pointed down and told me:

“Watch and listen! Listen and watch! As you remember everything, write it down in a book for all of God’s children. For this march of the devil began in the end of the more previous and the beginning of the already past century...”

I watched thrilled to the air power, when the devil swung his wings and as he rose above all of his demons, he shouted at them, saying:

“Thousands of years have we waited for this very moment! Thousands of years we eagerly sought doors to enter and devour the world. Now is the time of our upsurge. Today is the time, when impossible becomes possible! Today is the time when I am omnipresent and can enter every house, door and window!

Look, my angels! Look at this world that opened doors for our messages, doors we could only dream of in the past! Look at this world that prepared well laden tables for our so wanted feast!

Now, in the air, there are waves that wait to be broken in! The man created technological ether, too similar to my air power! What else are we waiting for? Let’s enter it! Let my wisdom and shade fill out the whole ether! Let all of my ruinous power pour into the waves of the human technology! Do you want this, my angels?”

“So be it, our prince! So be it!” – rustled with their winds the demonic hordes. Then with extreme satisfaction, Satan raised his hand and pointed down as he said to his demons:

“Seven God’s spirits trouble my deed all around the earth! Therefore seven dark whirlwinds of my air power will pour into the human ether and will engulf the sons of disobedience!

Therefore, I refer to my first whirlwind and tell it:

Rise, my religious spirits! Swing your wings and be the dark media whirlwind of religion, which I will use to darken the Faith of Jesus!

Therefore, I refer to my second whirlwind and tell it:

Rise, my occult spirits and you – spirits of the eastern wind! Swing your wings and be the dark media whirlwind of the abyss and hell, which I will use to wage war with the Wisdom of Jehovah!

Therefore, I refer to my third whirlwind and tell it:

Rise, my political spirits! Swing your wings and be the dark media whirlwind of politics, which I will use to wage war against the Love of Christ!

Therefore, I refer to my fourth whirlwind and tell it:

Rise, my tempting spirits! Swing your wings and be the dark media whirlwind of show-business, which I will use to wage war against the Purity and Holiness of Christ!

Therefore, I refer to my fifth whirlwind and tell it:

Rise, my spirits of vanity and madness! Swing your wings and be the dark media whirlwind of advertisement! For, with your help I will wage war against the bliss with which Christ calls you to Himself!

Therefore, I refer to my sixth whirlwind and tell it:

Rise, my spirits of demonic fraud! Swing your wings and be the dark media whirlwind of quackery! For, with your help I will defeat the Simplicity and Cleanliness of Christ!

Therefore, I refer to my last seventh whirlwind and tell it:

Rise, my spirits of demonic signs! Swing your wings and be the dark media whirlwind of UFO! For, with your help I will prepare the world for the appearance of the Antichrist!"

As the devil was summoning his hordes, seven enormous tornados showed up out of his air power. These whirlwinds shot to earth and started filling the whole possible media ether with the dark messages and slyness of Satan. Then the devil roared with great satisfaction in his air power and shouted:

"Praise me! Exalt me! Deify me! Let the whole life of the men to rotate around me! Let all the people on earth seek me, want from me and admire me! Make me a halo of a god! For, I gave you plunder that you have not had since the creation of the world! Enter, engulf, tear apart, and murder! Live the life of the humans instead of them! Posses their bodies! Dry up their souls! Set to fire their consciences! For, I will win the battle for earth at all costs!"

My brother! I could not have imagined more monstrous conspiracy and more awful strategy. But, these were the exact words of the devil, as he looked at all the television and radio waves that had filled the technological ether of man. Then, I understood that this was really the last suffocating demonic embrace, with which the devil had gripped the world. Moreover – Lord with great grief in His Voice spoke to me, saying:

“What the devil did in a year in the antiquity, today he needs only a second! That is why you get these most dangerous for the devil visions. With their help my whole Church will leave the places of the demonic whirlwinds and will elevate in Holiness and Strength of Lord’s Hill!

Therefore, I explicitly order all the God’s children to accept the visions of this book as a Heavenly shield against all the demonized Medias! Those, who listen to what I say, will find the Rock, as a shelter from the storm and protection against the demonic whirlwinds! Those, who will not listen to me will have the faith of the two madmen, I showed you in the vision, given to My servant!

I, the Lord of the seven divine God’s spirits, still speak and do not fall silent!”

3. THE MEDIA WHIRLWIND OF RELIGION

My brother! My faithful friend!

My entire heart wants you more than anything to comprehend every sentence of this book. For, it is written to save your soul from the suffocating grip of the evil. Indeed, we live in the most grievous, fearful, but most glorious time on the earth; time, when the real God's warriors will put a stick in the wheels of the satanic machine and will cause complete confusion in the devil's plans for destruction of the world.

Till now you may have not looked at electronic Medias, as potential sources of devilish messages and temptations, but I do not wish to scare your heart, nor terrify your soul. I just tell you the way the things are. I remember, when I was little, I liked to go out very often and using my father's glasses, I focused the sun rays in a single point and in this way I wrote my name on a slat.

But look carefully and you will see that Satan does something similar with the Medias. Every media becomes a magnifying glass in his hands and he focuses it over the man's heart. Then all the temptations, seductions and filthy messages from the media, become like fire that the devil uses to write his name on your heart. I know, what I write may seem a bit extreme, but my Master, Who speaks to my heart, is also extreme, for he comes from the greatest heights of Heaven to speak in the greatest depths of your heart.

Now, I will reveal you the first of the media whirlwinds that Jesus showed me in a vision. These are the words Lord revealed to my heart:

"Stefan! Do not confuse your heart, nor terrify from the whirlwind, I am going to show you. For, he is too real and everybody has noticed it, even those missing My leadership, to explain it. So, follow me! I will lead you above the air power of Satan, so that you see how the first of his demonic whirlwinds will fulfill his will..."

After these words of His, Jesus caught my hand tightly and raised me above the air power of the devil. In this way, I saw Satan again to swing his wings and scream to his demonic hordes, saying:

"Rise, my religious spirits! Swing your wings and be the dark media whirlwind of religion, which I will use to darken the Faith of Jesus!"

Having heard his words, hundreds of hordes formed a whirlwind with their wings. They went round in the storm and screamed at their master:

"What should we do, prince? How to pleasure you? How should we darken the Faith in Christ?"

Then Satan stretched his hand to the earth and said:

"Most of you, fly to my throne in Vatican, the rest go to the thrones of the Orthodoxy. As you shovel out with your hands the whole mud and slime of these places, spread it all around the world's media ether. Let the men watch and observe the mortal chief on earth, who my religion calls "pope". Everybody, who opens his mouth, to call him "Holy Father". In this way, I will humiliate, darken and corrupt all the Faith in Christ, Who called "Holy Father" only Jehovah in the heavens!

On every religious feast, make people watch idols on their TV sets. The more idols, the better! The world must not get rid of idols! Let there be powerful magnets of religious feelings that act all over the earth. Every step, deed and appearance of the "Holy Father" must become top news in all the channels around the globe. Emissaries from Rome will constantly vomit my mud and slime! Orthodox priests and patriarchs to stay in front of the cameras of every newsman! Everything important in the world should take place with the constant presence of religion!

I do not let you stop throwing slime! I want crying statues of madonnas to become super hits in the news! Miraculous icons and relics should always attract most the attention of the Medias! Make thousands of thousands gather in front of the cathedral in Rome. Make the temples running out of place due to many idolaters. Let there be photos of offerings and candles! Let there be filming of requiems and liturgies!

Cover the whole world with mud and slime! Make the people see Faith in the mud and in the slime Father, Son and Holy Spirit!

Mud and slime, slime and mud! Do not stop until they look like frogs in their worship and worms in their abomination!"

My brother! The devil was still screaming, when those hundreds of hordes spread all over the earth. As they collected all the mud and slime from the places of religion and desolation they poured it into the global Medias ether. This dirt started flooding every house and home where there were people

watching and accepting with faith. Then it got really scary. The whole world started believing it is pious and everybody, both nonbelievers and worshipers of the Orthodoxy and Roman Catholicism, began playing as if they were Christians. The temples were full at Christmas and Easter. One of them lighted candles; other sang mesas; third shed tears of madness in front of the pope, standing on his window. The religion, the feasts, days of the saints and the mud and the slime grew more and more. The more the dark media whirlwind was acting from the blue screens in every house and home, the more Satan raved and insisted on more and more mud and slime.

In spite of the total religious campaign, there was a place on the Lord's Hill that shone with the Light of Christ and irritated the dark eyes of the cherub. Then, as furious as never before, he stretched his wings and roared to his demonic whirlwind:

"Why do my eyes see place without slime and mud? Why have not you reached it? Is it true that you can not devour the world and make it subordinate to my will?"

"O, prince!" – Answered the rulers of the Roman Catholicism and Orthodoxy – "If this place belonged to your world, we would have conquered it long ago, as we conquered everything else! But there is a shelter made personally from Christ! There are words there that shine and block us completely, so that we cannot pass!"

These words poured gas in the fire of the satanic heart. Ambitioned to prove them wrong, he swung his wings and flew to the shelter at the Lord's Hill. Exactly then Heavenly rays crossed before him and tied his wings. Through these wings the shelter spoke to Satan:

"Here ends your world and no dark whirlwind can act! Here you have no power over any of the God's children and here all of your religion turns to lie! Here the real followers of Father, who live with what Christ said:

"Yet a time is coming and has now come when the true worshipers will worship the Father in spirit and truth, for they are the kind of worshipers the Father seeks. God is spirit, and his worshipers must worship in spirit and in truth..." (John 4:23-24)

Step away from the Hill, devil! Do not come here to bring slime and mud at all! Or God's Eternal Justice will burn your wings to ashes before the time has come!"

Listening to the message of the rays and having felt the Fire of God's Anger, Satan hurried to fly aside, telling his demonic whirlwind:

"Here I cannot do anything! But you keep on throwing mud and slime in the world! For these on the Hill are few and we are a lot! This makes me very happy..."

Listening to the altered voice of the devil, I turned my head away to Jesus and told Him:

"O, my Lord! Why Satan lies his own hordes? Why does he cheat them that he is happy when, namely the God's people on the Hill are a proof for his own defeat?"

Then Jesus spoke to me:

"As I have not once told you, Satan is not happy because of the engulfed. He is unhappy due to the things he has not engulfed. To all, who want to remain not engulfed, I say today:

My people! The most ruinous of the demonic whirlwinds of theology is the religious one. This whirlwind has taken complete control of the Medias. Today he makes the world more religious than ever. It turns everybody into idolater! This whirlwind makes the people – gods and refers to them in a way that befits only to My Father! It lies with mud and frauds with slime! Mud – so that man believes the world lies not in the Sly one, but in the Holy bedding in Zion! Slime – so that men man trust only what they see! To kiss icons, light candles, sacrifice to evil spirits, to believe in female deities and goddesses!

However, the Lord's Hill remains unscattered! I am the shelter in it, the Rock Christ! Come to Me and I will protect you from the wind! Be followers in Spirit and True and I will certainly be your shelter from the storm!"

My brother! Do you understand this vision? Do not tell me that you do not watch TV and have not seen the mud and the slime, that the first demonic whirlwind of Satan uses! Do not tell me, you have not seen the bearded goats

of the Christian religion that wear shiny stoles to hide all the spiritual dirt, they are devoted to! Do not tell me you have not seen the pope that all the TV cameras love! I will not be able to believe it! For, all of us have seen this first demonic whirlwind, but not all of us had the uncompromising thinking and intolerance, so that we go to the shelter of the Rock Christ! That is why, in the end of this vision, I tell you:

Free yourself of the media whirlwind of religion!

Free yourself of the mud and the slime of the religious world!

Free yourself of the frogs and the worms of the world Christianity!

Amen and Amen!

4. THE MEDIA WHIRLWIND OF THE OCCULTISM AND THE EASTERN WIND

My brother! My faithful friend!

I am sure that every one of us – willingly or not – had his first clash with the magic and the eastern wind of the devil: in their childhood, as they listened fables about witches and sorcerers; in their youth – attracted by occult books. If we can say that the fables were just fairytales, we cannot deny the deadly influence of the real occultism and eastern wind of the devil. For, the last are the devil's fire. Touching the fire always leaves scars of burning and sometimes even full incineration.

For long time, I have not been able to explain the reason for the total apathy of the Bulgarian people that had lost all its desire and reflexes for survival and self-defense. My heart suffered really long time, watching the nation in an intoxicated state. The devil swings his wings and soils our parliament, minister council, municipalities and city-halls with abominations and dirt. There is no one to stand against his profanations. People just bow down and do not dare to look the lawlessness directly. They see the foul play, the frauds, the thefts, the arrogance, the perversions and the murders. However, there is nothing in their pupils than submissive consent with the evil and one fierce lack of confidence that nothing depends on them. There is also great faint-heartedness and a paralyzing fear. As though, our whole state has become a clinic for drug addicted, in which everyone is in state of full delirium.

I know that what I will write further down will be startling and terrible, but the time is long past when I wrote what the people wanted to read, since I prefer the revolting truth, than all the sugared deceits of the lie.

Bulgaria is enchanted by the devil! For the last fifteen years it suffered by an active satanic magic that banished thousands of Bulgarians outside, so that the people that remain are less psychically and spiritually manipulation resistant. The puppeteers of the devil follow the exact instructions of more powerful important persons, who will continue to bewitch the nation till it completely melts and disappear from the map as a geopolitical term.

Do you know, my brother, what describes an enchantment? It is something that covers the consciousness and the spiritual senses with a veil of deception. This veil interprets entirely the feelings and the reactions of this man according to the written in advance plan of the devil. Then this man becomes pliable to lies, oppression, ill-treatment, coercion, violation and pressure without showing any inner opposition. When we are talking not for separate man, but a whole society, then the word is really about a total magic.

I beg you not to think that Bulgaria is number one in the plans of Satan. Far from it! It is only a ring of the chain, a bolt in the machine, a brick in the wall. In fact, the devil prepares to enchant the whole world, so that everyone can accept the man-Antichrist and bow before him, as to Lord and God.

I know that after everything written, you will ask me:

"How will you support your statements? How will you convince me that everything you write is True?"

Of course, I will support my statements. Not only, will I support them, but I will pray passionately my Lord to stretch His hand and to bring you as soon as possible out of the influence of the satanic magic and eastern wind that rocks and shakes down our whole country.

So, my brother, Lord came to me for the second time and raised me above the air power of Satan. Then He told me:

"There is fervency in your heart, My servant! Fervency – not only to talk the Truth, but to shout it as loud as you can, so that you save the bewitched and sober down the intoxicated. This fervency is the reason I raised you again above the air power of the devil. For, the second of his dark whirlwinds is really terrible. The devil uses it not only to enchant Bulgaria, but the whole world. Therefore, see how the devil will speak again to his demonic hordes. Look sharp to all of his words and write them down in a book for warning to My whole Church..."

I looked thrilled downwards, to Satan and his demonic hordes. So, the devil swung his wings, saying to the millions that gathered around him:

"Rise, my occult spirits and spirits of the eastern wind! Stretch your wings and be the dark media whirlwind of the abyss and the hell, which I will use to wage war against the Wisdom of Jehovah!

Let the hell open and spit spirits of magic that will shot as fire bolts to earth!

Rise from the abyss, Abaddon! Come out to the earth, locusts of the eastern wind! Sting the humans constantly, so that poison and enthrallment fall to your souls!

Gather as soon as possible the souls that do not watch to the stars of Zion! For, I will let them watch the constellations of the hell! With them they will go to bed, with the signs they will get up, with signs they will call themselves, they will seek signs for advice. They will read them and listen to them! Let there be no media that will refuse to bow before Astarta and seek the cloth of the Leviathan!"

As the devil screamed, the demonic hordes spread quickly in the whole media ether of the earth. As they used the fire bolts of the Zodiac, they set on fire every television and radio. However, this still did not satisfy the sly one. Then he swung his wings and screamed as loudly as he could:

"Gather the souls that do not ask the prophets of Jehovah, but look at the hell of the dead. Gather extrasens and energotherapists, clairvoyants and shamans, witch-doctors and fortune-tellers, wizards and sorcerers. Give them ether and world favour! Assign them with the most watched time in the televisions! Make all the people to turn to the dead for advice and I will certainly answer them! Let them long for magic! Black magic – for those, who want to cause evil! White magic – for those who want to exercise in wile! Let them think of auras and energies! Let them yearn to deal with numerology and horoscopes! Let them pant for taro cards and auguring ill! Let there be a generation of the hell that will consume all the living, indeed, all the living!"

This time the shouts of the devil had an instantaneous result. For, the demonic hordes still bombarded the Medias and the radios with clouds of fire bolts. The hellfire grew so much that its flames broke into the homes and the rooms of millions of insane people. They contacted clairvoyants and shamans and let the fire if the devil in their hearts. However, this did not satisfy Satan's heart at all. A moment later, he gathered new terrible strength and swung again his wings, as he screamed to his demons:

"My enemy, Christ, said in His revolting Gospel that the children should be brought to him, for the God's Kingdom belonged to the childlike! Will I accept

this? Will I agree that the children are His, when they must be mine? Think of fire nets that burn with magician's mania and throw them all over the world! Let the children fall in love with my magic! Let them dream of sorcery, instead of the words and the Christ's Kingdom!"

Having heard the shrieks of their commander, the strongest occult demons gathered around him, holding black and scary net in their hands. As they bowed to him, they said:

"Inspire us, prince, with fire of your own heart! Fire this net with all the power of your unlimited will! For you are the only one that will gather the children around himself! Only you can capture the hearts of the young people!"

These words made Satan breath in and then to blow on the black net whistling flames of fire. Then he told them:

"I want a sorcery mania! A mania that will drive crazy and set on fire all the children! There is a story about a young wizard! Find me someone that will write it! I will make it more read and bought even than the Bible!"

Having taken the enflamed net, the demons flew around the earth and they found in England the writer Joan Rowling. As they threw over her the enflamed net, they inspired her to write all the devil's messages. Therefore, Medias, radios, publishers and cinemas began to overflow the world with the adventures of Harry Potter. The enflamed net widened and became so big that it covered all the countries, peoples and languages.

The "Harry Potter mania" appeared. The more this mania travelled over the world with more and more new films about the sorcery of the satanic fawner, the greater the number of the children that were drawn into occultism and magic. Loaded with lots of wish to copy their idol Harry Potter, they searched all kind of sources, literature, broadcasts and films to satisfy the fire in their hearts.

However, even this obsession did not satisfy Satan. So he pointed his strongest demon Abaddon and screamed at him, saying:

"Is it possible that I leave you out of the race for enchantment of the world? No, I tell you that you have already surpassed all the demons that have acted before you!

Come out on earth for the last time, Abaddon! Blow with your eastern wind and let it fill out the whole ether of the earth! Multiply the followers of the

karate and the kung fu, bushido and aikido, the followers of the yogi and the transcendental meditation, the followers of Krishna and Buddha, the followers of the Yin and Yang, the followers of Vissarion and Anastasia and the followers of any devilish wisdom, I granted you with! As you look at the Christian religion on earth, keep on mixing it with eastern wisdom!"

My brother! Never have I seen so strong, powerful, terrible and horrible whirlwind, as the media whirlwind of Abaddon was. He passed similar to a hurricane and went round the earth not once. He created Medias and radios, thousands of films and hundreds of millions of followers! He went across the boundless steppes of Siberia and raised the sects of Vissarion and Anastasia! He went across all the new democracies and abundantly dirtied them with Krishna, Buddha, yogi and karate followers. He left his personal handwriting and demonic indulgence, as he raised the false teaching of Peter Deunov and the revolting cult to the fortune-teller from Petrich. The films of his idols such as Bruce Lee and Steven Seagal began to overtake thousands of televisions. The books of his servants such as Osho, Helena Blavatsky, Carlos Castenada and Paco Rabanne, were bread and water for millions of men.

In spite of the whole scary activity of the magic and the eastern wind, there was a place on the Lord's Hill that remained lighted and unscathed by the fire bolts of the demonic hordes. Personally the devil's commanders appeared to him and reported to him, saying:

"Prince, let your heart not anger but there is a place, where your power does not count! There is a place where our bolts rebound and our nets do not operate! There Heavenly rays, coming from the Rock that is Christ, stop us with the words of His Apostle Jacob:

"Who is wise and understanding among you? Let him show it by his good life, by deeds done in the humility that comes from wisdom. But if you harbor bitter envy and selfish ambition in your hearts, do not boast about it or deny the truth. Such "wisdom" does not come down from heaven but is earthly, unspiritual, of the devil. For where you have envy and selfish ambition, there you find disorder and every evil practice. But the wisdom that comes from heaven is first of all pure; then peace-loving, considerate, submissive, full of mercy and good fruit, impartial and sincere..." (James 3:13-17)

The people, gathered at His Hill, are in love with His Wisdom and He Himself guards them!”

Listening to the words of his dark superiors, Satan twisted his face from unsuppressed fury and malice. Then he could only say:

“Yes, I know this! I know this and this view is killing me! However, till it kills me, I will kill too! I will not stop and you will not stop either! This world is mine and I will enchant it for myself!”

This world is satanic, my brother! The magic and the eastern wind of the devil really act in it! Now, do you understand why Bulgaria is enchanted? Do you understand, why millions of Bulgarians, stay as if intoxicated and drugged? How could it be else, when from morning till evening the radios work, the blue screen pours constellations, extrasens and eastern wind into their hearts? How could it be else when the satanic fire burns their consciences and makes them irresolute executors of all kind of evil? How could they remain sober when they have no power to turn off the satanic channel, or to scold the occult spirits?

But see that Lord for the last time calls His children to the Hill. Now He tells them all:

“My people! Come out of the magic of the devil! Come out, as Israel came out of Egypt – faithful that I will surely be the fire tower at night and a cloud at daylight! Come out of the devil’s constellations! Do not mention them even in your mind and never think of them! For, you do believe neither in the Scorpio or the Sagittarius, nor in the Libra or the Virgo, nor in the Leo or the Capricorn, nor in the Aquarius or the Pisces, nor in the Twins or the Taurus!

No! Believe in the Lamb! In the God’s Lamb, Who smashed the levers of the death and the hell, so that He gives you eternal life!

Come out of the devil’s magic, My people and do not open your hearts for the eastern wind or wisdom! For the Heaven deigned neither in Buddha, nor Krishna, nor Bruce Lee, nor Harry Potter, but in Peter and Paul, Philip and Andrew, James and Bartholomew, Matthew and Mark, Luke and John! Who has and keeps these words of Mine will climb the Lord’s Hill and I, Me Alone will be shelter from the eastern wind and refuge from the occult whirlwind of Satan!

I, the Rock of the Lord’s Hill, still speak and do not fall silent!”

5. THE MEDIA WHIRLWIND OF POLITICS

My brother! My faithful friend!

Since Lord Jesus born me with His Spirit and put His Fire in my heart, I want only one – to fill myself with His Love and to love with this Love, the humans, as well as Father in heaven. I will not calm you down that this is something easy to do. For the Love of Jesus you must acquire the Image of Jesus. This image does not stand the world and cannot find consent with it. That is why, Apostle John wrote once in his message to us:

“Do not love the world or anything in the world. If anyone loves the world, the love of the Father is not in him. For everything in the world – the cravings of sinful man, the lust of his eyes and the boasting of what he has and does – comes not from the Father but from the world. The world and its desires pass away, but the man who does the will of God lives forever...” (1 John 2:15-17)

When you devote your life to the fulfilment of all these words, you certainly understand that to the God’s Love in your heart, the world will meet you with the icy whirlwind of hatred, mercilessness, apathy and callousness.

During the last fifteen years, my heart noticed how in Bulgaria was used the same model of relations between deceivers and deceived. The deceivers stood before the deceived ones and delivered speeches and politic platforms. They fought in their chest and scanned their slogans. They seemed, as if ready to die for the ones they cheated. The deceived ones hurried to believe them and give them the trust of their hearts. Those who conned became politicians and those who were conned – electorate.

This electorate, having witnessed thousands of frauds and abominations, committed by the deceivers, did not sober even for a single moment, nor refused to give its vote to those who have once cheated it. In this way everything repeated itself again and again, as it became more monstrous and satanic. For, today Bulgaria is frozen by a terrible ice that holds the whole benumbed electorate.

I would not have understood how total the tragedy has become, unless Lord came to me again to raise me above the air power of the devil. As He was raising my heart, Jesus spoke to me:

“I know that what you see will certainly bring your heart to grief. But I tell you to gain strength in the Fire of My Love and endure. For, the dark demonic whirlwind that I will show you know is the main blade of the devil against My Love. Therefore, watch and write everything, I reveal to you, in a book...”

After the last words of Jesus, I looked again at the air power of the devil. Satan swung his wings again above all of his demonic hordes. Then he shrieked, as he said:

“Rise, my political spirits! Stretch your wings and be the dark media whirlwind of politics that I will use to wage war with the Love of Christ!

Spirits of deception! Swing your wings and gather to me the people that want power and might at all costs!

Spirits of prudence! Swing your wings and make the leaders of the peoples ambitious, corrupted and insidious!

Spirits of coldness and callousness! Swing your wings and make the politicians heartless and merciless!

Spirits of political manipulation! Serve those I sent before you! Enter every media and make the politicians favourites of the cameras, so that they always aim to the one they rule and govern! Let there be in every media no word for God’s Love or Christ. Let everybody get used to the fact that they are ruled by politics, not God love, by state power, not brother love.

Did you hear my words? No brother or God love! These two must be tabooed! Remove them completely from the dictionary of all the governors, politicians and statesmen!

Loving God will lose its ground to political interests! Loving each other will lose its ground to self-seeking, corruption and bureaucracy! The word “party” will become much more appreciated than the word “church”! For, this is the only way I will win the battle against the Christ’s Love! Only in this way His Fire will stop burn on earth!”

Having heard the words of their dark prince, the demonic hordes swung their wings and spread, similar to dark icy whirlwinds all over the world. Wherever they went they benumbed and put everything in coldness with the help of their wings.

Then all the world Medias started showing the abominations of the world chiefs. Channels such as CNN, BBS and Euro News threw blankets of ice all over the earth. The same images of the same political grandeurs sealed in the conscience of hundreds of millions and billions. These demonic whirlwinds did not spare also Bulgaria. For, the same television channels started projecting in the community conscience the same faces of robbers, pillagers, criminals and mafia men. As they created them an image of philanthropists and champions of the good, they deceived all the Bulgarian people. From dawn to dusk everybody had to listen about parliaments, parties, government, programs, European Union, dates of joining. All of this icy breath oppressed and calloused the hearts of men.

Not a single word about Christ! Not a single word for the Heavenly Father! Not a gentle hint or intention in the politicians for showing God's Kindness and Mercy, God's Love and Forgiveness.

My brother! When the whole media ether of a state, or even the whole world is harnessed to throw shadow through the vileness and abominations of the satanic chosen ones, then woe to such a state and thrice woe to such a world. For, such a state and world are benumbed by the ice of the human and demonic deception, by the ice of the political ambition and dishonourable interests, by the ice that will kill all the people frozen by him.

For what will warm the people if every day they watch and listen to the abominations of the president Bush and the scandals in his white house? What will warm the people, if every evening they watch another meeting of high level that smells of Satanism and cool prudence? What will warm the people, when they see how politic opponents yap at each other and blame in corruption and treason, when all things considered will win the one that is more convenient to the devil? What will warm the people, if they watch demonstrations of peace-makers and anti-globalists, when the police truncheons will hit the one that think otherwise to remind them that this world is ruled not by their consciousness, but by a handful of masons, oligarchs and multibillionaires? What will warm the people, even when they understand that the benevolence of Satan keeps intact and intangible the biggest criminals and mafia men?

There is no warmth in this, my brother! There is no love in the Medias of this world! The warmth is in the Fire, and the Fire is in Christ, Who is the Rock of the Lord's Hill. For, after all their icy campaigns against all the nations and Medias, the chiefs of the demonic hordes gathered in front of the devil and told him:

"Our prince! The world is already an icy ball in your hand! We have frozen everything. All of your politicians are greedy, unscrupulous and excessively ambitioned. They will crush under their feet everyone that opposes him. The Medias are ours and do everything according to your will. However, there was a place, we were not able to defeat and we have no access to it. Heavenly rays from the Rock Christ stop us there with His words:

"You know that the rulers of the Gentiles lord it over them, and their high officials exercise authority over them. Not so with you. Instead, whoever wants to become great among you must be your servant, and whoever wants to be first must be your slave - just as the Son of Man did not come to be served, but to serve, and to give his life as a ransom for many..." (Matthew 20:25-28)

What to do now, prince? How to conquer with politics, a place, nobody has ever conquered?"

The words of the chiefs enraged the devil. As he tore with claws his cloak, he told them:

"I want more cold! More ice and more whirlwinds! More politics and more ambition! Let Christ remain with His on the Hill! Till I am the prince of this world, I will rule it and give it to whoever I want to!"

Christ is on the Hill together with all those who belong to Him! Do you belong to Him? If that is so, hurry up with the liberation of your heart from the icy whirlwind of politics. Realize the unbreakable spiritual rule, which says:

The devil does not raise people in the world, but only the demons within them!

As well as, God does not raise humans in His Spirit, but does only the Christ that lies within the humans!

Therefore, I beg you:

Deny this world and look above! Far above! For, there reign the God love and the brother love! There are no parties, but a Church! There is no

prudence, but dedication! There is no self-seeking, but elevation! There is no bureaucracy, but God Father, Who is all in everybody! The Son of This Heavenly God now speaks in my heart, saying:

“Go and tell all My brothers and sisters to turn their faces and hearts aside from all the politicians of the world. As they look to My Hill, let them climb to Me with God love and brother love. For, who loves his brothers, loves the Rock, and who loves God and Father, abides in the Rock and the Rock abides in him!

Fill with Spirit and Life all my words, so that My Fire fills you out! For only then the ice-boxes of the world will have no power over your hearts! For only then you will be mine and I will be yours!”

6. THE MEDIA WHIRLWIND OF SHOW BUSINESS

My dear brother! My faithful friend!

A great grief has pressed my heart. A constant pain burns all of my thoughts. For, I live in a doomed world with even more doomed people. What did not I do to help them? How did not I stretch my hands to all the people, so that they realize it is not God's Will to stay in the sin and in the world? Unfortunately – only few believed the visions, I got from Lord Jesus Christ. Most of them just waved a hand and still do it today.

Before I show you the most lurid vision of all that Jesus showed to my heart, I want to say a few things about the destiny of the sons of disobedience.

You see, my brother, what the word is about is that sooner or later every one of us will face the Very Pure and Holy God. He will face Him neither with his money, nor with his house, nor with any earthly acquisition! No! He will stay in front of God with his only soul; the soul that was supposed during the days on earth to prepare for the living in God's Holy presence. Then the sons of disobedience will realize that they have a great problem.

The problem of the desecrated with sins and lawlessness souls! The problem of the dirty and impure cloth that is not suitable at all for the Wedding of the Lamb!

Only then, in front of God's court of justice, will many realize that it was not "Ariel" or "Echo Savex" that they needed, but the profound and purifying repentance. Only then will the madmen realize how irreversibly they have been late, for the credit given to them by God was wasted for life in sin and dirt. Now, I beg you to start looking at your own life, as to the, most precious credit, given to you by God from Heaven. For, the Merciful Father does not hurry to destroy and ruin nobody, but Satan does. For, God wants us to bow before Him by our own wish and good will and fill out with the Holy Spirit, while today Satan enforces the will, the thoughts and the hearts of all the people he reaches.

Through the years my brothers and sisters asked me in their letters many times the very same question:

"How God granted you access to the Heavenly places and His Sanctuary? Why in your visions you go there, where we cannot? What is this goodwill and how did you earn it?"

You see, my brother, I am not a special case, nor a phenomenon, so that the people wonder at my relations with God. There is nothing wondrous in these relations. The access, He gave to me, He gives to all who want it. However, there is a certain problem, here. For, the Holy Father in heavens has some requirements to let you to Himself. In the very beginning of my faith, Jesus showed me these requirements and warned that until I answer them, I will not be ready for God's usage. I worked for years over God's requirements. I killed everything that was mine, so that everything Christ's revives in my heart. I prayed and constantly showed eagerness in the requirements of the Father. These were revealed to us by Apostle Paul in his message, where he wrote for all of us:

"Do not be yoked together with unbelievers. For what do righteousness and wickedness have in common? Or what fellowship can light have with darkness? What harmony is there between Christ and Belial? What does a believer have in common with an unbeliever? What agreement is there between the temple of God and idols? For we are the temple of the living God. As God has said: "I will live with them and walk among them, and I will be their God, and they will be my people." "Therefore come out from them and be separate, says the Lord. Touch no unclean thing, and I will receive you." "I will be a Father to you, and you will be my sons and daughters, says the Lord Almighty..." (2 Corinthians 6:14-18)

Going after the Spirit of these biblical verses, I hurried to come out from them and be separate. Who are these them? Exactly these, who had agreement with idols, demons and all kind of lawlessness. As I did it what remained to be done was the second and much more drastic step in my faith. A step about which the Almighty one orders explicitly:

"Touch no unclean thing!"

You see, my brother! You cannot stand in front of the Almighty Father with a cloth stained from the relations with uncleanness. You cannot stand in the God's Sanctuary that is burning Fire, if there are things in you that are

repulsive to God and His Word. Do you know how many unclean things the devil pursues us with? Do you know how scary and disgusting the arsenal of the satanic abomination and cravenness has become? Do you know that in the ether above our heads fly billions of abominations and impurities that are targeted to enter the people's hearts? Then why do you wonder that the men that have access to God and the Father and that have won the goodwill of the Lord are so few? To sum up are not we the one that choose what to do with our own will – to touch unclean and not only to touch it but even to soil our whole personality with dirt? Which of us could possibly confidently go through the Christ's Court of Justice without reproach? Does not Jesus say in "Revelations":

"Blessed are those who wash their robes, that they may have the right to the tree of life and may go through the gates into the city. Outside are the dogs, those who practice magic arts, the sexually immoral, the murderers, the idolaters and everyone who loves and practices falsehood..." (Revelation 22:14-15)

See then who the first outside are. Are not these the dogs? Do not the verses from "Proverbs" warn you exactly about these:

**"As a dog returns to its vomit, so a fool repeats his folly..."
(Proverbs 26:11)**

I sincerely hope that after the perusal of this book many fools will stop repeating their follies, so that they become sensible and wash their clothes with tears of repentance and water of Holiness.

Let me now let you in the vision, which Lord Jesus revealed to my heart. These are the words He told me when he raised me again above the air power of Satan:

"Stefan! Now you will go through revulsion that you have rarely gone through. But, you must see this, because of all My brothers and sisters. For now, the Heaven does not pray, but orders you to disgust from all the abomination and filth of the devil. Even more – as today they have become a dark media whirlwind, the devil uses to ruin all the peoples in the world.

So, see how the prince of the air power speaks to his demonic hordes. As you see and hear them, write everything down in a book for evidence against the ungodly and warning to all God's children..."

After the last words of the Lord I saw Satan again. Having stretched his wings above all of his black hordes, he gave a shrill cry, as he said:

"My enemy, Jesus, warned in His revolting Gospel that the arrival of the temptations is inevitable! There, the inevitable really happens! I will make it happen with such a dash that the whole earth will turn into a cesspool and all the heathens will become mobile faeces!

Rise, my tempting spirits! Swing your wings and be the dark media whirlwind of show business that I will use to wage war against the Purity and Holiness of Christ!

Swing your wings, spirits of rock-music! Let all the Medias deafen from hard rock and heavy metal rock! Enter the hearts of the rock musicians and make them irresistible for the souls of the youngsters! Get my texts and lyrics in their messages! Let the rock tie the hearts of men with chains that are undoable!

Swing your wings, spirits of hip-hop and rap music! Make the hip-hop and the rap music constant prophets of the abominations that are all over the radios and the televisions! Enter the singers and make them lodestone for all the human flesh and carnal thoughts! Every lyric from their songs will pass through their genitals! In this way my own seed will flow freely in the hearts of the young people!

Swing your wings, spirits of pop music! Access the performers and make them voluptuous and provocative! In this way the pop music will be my invisible pitfall, which I will use to seduce those who could run away from the metal sound of the rock!

Swing your wings, spirits of pop-folk music! Bare your performers! Make them impressive and seductive, with shiny clothes and silicon pads! Create erotic and tempting videos and jam the ether with them!"

So, the first demonic horde flew with great speed to fulfil the will of the devil. In this way the earth was circled multiple times in a few decades. Every rounds left on earth millions of devastated and soiled in their souls people. Satanic rock groups, such as Rolling Stones, Venom, KISS, AC/DC, Black

Sabath, Judas Priest, made appearance and sung and prophesied downright Satanism. Rappers, such as Eminem and MC Hammer made songs that became synonym of disgusting brutality and perverse thinking. Pop-idols, such as Madonna, Jennifer Lopez and Britney Spears made songs that turned millions of young people into idolaters. This first whirlwind did not forget Bulgaria, too! For, here "flourished" and made a "brilliant" display the pop-folk idol Azis. Covered by the great devil's benevolence, he turned into magnet for hundreds of thousands carnal people. His perverse, scene behaviour and repulsive texts made him uncrowned king of the heathen souls in Bulgaria. By his side a whole constellation of folk stars started competing by perversion and demonic provocations. However, the abominations did not end with Azis. A bunch of "charismatic rappers", such as Ustata, EaSTar and Upsurt, Misho Shamara showed up. In this way the rap music started vomiting satanic filth over the whole nation and also hurried to mix with the pop-folk. No one saw or felt the devil's plan for corruption and violation of a whole generation of Bulgarians. This was only the first of the demonic hordes of show business. Satan was already pointing the second, as he said:

"Only music is not enough to seduce the world! I need people that will put the most despicable human passions into harness. I want greed and avarice in the Medias! I want constant presence of sex and pornography! I also want loud and unstoppable blasphemy that will turn the audience in blasphemers!

Swing your wings, spirits of greed and avarice! Create thousands of lotteries and money games all over the world and fill out the whole media ether with them! Let the whole world dream for quick money, for luck and for enrichment!

Swing your wings, spirits of lechery and pornography! Let there be television channels that constantly broadcast copulations and seed effusion!

Swing your wings, spirits of show! Find filthy men with burnt consciences and create for them show-broadcasts that are ready to open their mouths and everyday to abuse and dirt the Name of Christ and all of His Word! I will certainly keep them and load them with money!

Swing your wings, spirit of Korah! For, I will give you a special live television show that will turn all who watch it into wolves towards their fellow men! Take this as a wonderful entertainment for your ruinous power! Do you

remember how Cain killed his brother Abel? Did not he do it under your suggestion? Go on earth, then! Your show will be a show for the last Cains! Moreover, as Cain was older than his brother Abel, call your show "Big Brother". This big brother will divide the audience and the participants, so that he rules them! He will hypnotize not hundred or two hundred men, but whole nations! He will drive the people against each other and his broadcast will be one of my top temptations!

Now, fly, fly, and fly! Scoop up the whole filth on earth! Start rowing faeces and abominations, vomiting and emission! As you fill out your whirlwind with it – soil all the Medias on earth!"

My brother! I do not want to tell what monstrous pressure of revulsion, my heart went through. This was the real prince of the air power that harnessed all his demons into soiling, ruining and profaning the souls of the men all over the world.

His second horde turned out to be more than eagerly to fulfil its aims. For, the spirits of greed and avarice overtook the Medias all over the world, as they created thousands of money games and television lotteries. Bulgaria was affected, too. Here the demons dinged broadcasts, such as "Who wants to be a millionaire?" and "Gold fever". To keep up with the Joneses the spirits of pornography and show created thousands of pornographic channels and show broadcast that did not forget our country. Here the "Slavi's Show" came up. The man that hosted this show started defaming God and lots of men, as he added dirty and tasteless anecdotes. The same one dared to insult the Heavenly King Jesus, as he compared His Name with the name of the Bulgarian gangster Zlati Zlatev Zlatistia, which means Goldy Golden the Goldy one, as he called the Lord "Jesus Jesus the Jesus one". The same man sung song to glorify Babylon and to take part in the invasion of pop-folk music. However, the last one of the devil's temptations was really a "top-temptation", according to the words of Satan himself. Having passed similar to a hurricane that gathered everything most vile this temptation overtook Bulgaria. The broadcast "Big Brother" really proved to be the top of the lewdness, wherein died and suffocated the last generations of Bulgarians.

The broadcast itself hosted by Niki Kunchev, (who also hosts "Who wants to be a millionaire?") kindled so strongly the fire of seduction that it lead to

nation-wide hysteria. Is it wondrous then that a few million viewers preferred the shadow of Satan than the Light of the Holy Spirit? Is it wondrous that if the world is facing an abyss, Bulgaria stretches hands from the bottom of the abyss and calls the other nations:

“Come on, jump! What do you care, after all?”

Will the Almighty one call a people His, if it is dying for pop-folk and pornography!

Will the Father accept men that giggle at the tempting movies and sing the refrain of the Romanian and Enchev’s song:

“Touch me here, or there, touch me everywhere! And do not ask why, for I was with another last night!”

Will the Father call His sons and daughters those who turn their television sets on and stay enchanted in front of Niki Kunchev and Slavi Trifonov?

Will the Father accept to pour His Heavenly blessings in hearts that shudder at the look of Azis’s posteriors and cannot stop looking the demonic paints on his eyes, as he sings:

“With moist lips drink me, with posteriors beat me,

I will turn around the world, as long as you are okay...”

Will the Father fondle with His hand and fill out with His Spirit men that frenzied write SMS-s to drive out one or another from the house of the “Big Brother”

My brother! With tears upon my eyes I tell you that, hundreds of satanic fawners covered Bulgaria with the faeces of their perverse thoughts! They did it because the prince of the air power rewarded them generously for their evil deeds. They did it, so that terms, such as “morale” and “honour”, “conscience” and “bashfulness”, “humbleness” and “purity” get lost among humans. They did this, as they had the technology that saves you searching the evil and the temptations, as they show themselves on your screen. However, I want to remind you the words of Lord Jesus Christ, if many have forgotten them and others did not even want to read them:

**“Woe to the world because of the thing that cause people to sin!
Such things must come, but woe to the man through whom they come!
If your hand or your foot causes you to sin cut it off and throw it away.**

It is better for you to enter the life maimed or crippled than to have two hands or two feet and be thrown into eternal fire..." (Matthew 18:7-9)

Today the time is such that everybody wants to have two hands, two feet and two eyes! Two hands, to stretch them to everything that seduces and vitiates! Two legs, to walk the paths of lawlessness! Two eyes – to turn on the television set and switch over until they come across a demonic temptation! Which of these men knows or understands that he has given away his life to demons that will live it instead of him? Which of these men understands that the temptation itself feeds the demons that have overtaken him? Mostly – which of them knows that in the Judgement Day not only the spiritual tempter will be sentenced, but also the soul executor? For this executor has given the agreement of his free will, in other words, his hands, feet and eyes to the devil.

I will call once again all the people with this book! To those, who believed in the Name and the Act of Lord Jesus Christ, I tell that the only place, where we can hide from the demonic whirlwind of seduction, is the Rock of the Lord's Hill. This Rock made my face firm, so that I do not fear the wind, the storm and the threats of Satan. This Rock speaks to you in this very hour and tells you:

"Leave all places of temptation and close your hearts for all the abominations of the devil! The world will not get cleaner, but with every single day it will become more soiled and fetid. Therefore, cut the tempted hand or foot off and take the tempted eye out.

Come to Me and I will purify you! Step on the Hill and I will illuminate you! For, rays shine from the Rock that no temptation can fight or darken!

Think about what is above and live in respect and tremor in front of My Father, the Almighty one! For, he will stab with His Sword the vile and perverted one! Then woe to those who spent for all of his abominations!"

7. THE MEDIA WHIRLWIND OF ADVERTISEMENT

My brother! My faithful friend!

Do you remember the feeling that fills you out when you are supposed to go on a long trip or a desired vacation? A fever, an agitation not to miss any of the details or forget something at the last moment, overtakes you. So you pack up your luggage, call a cab and go to the station, where the train will arrive...

I will now continue in the same way, but I will add an unexpected outcome. The train arrives in ten minutes and you realize that you forgot at home one of your cases, filled with clothes and stuff for your vacation. What to do? Should you get on the train with one case lesser or to go back at lightning speed and then return in time? As you have no time to lose, you choose the second way. You call a cab, get home and take your case. You take the case and get in the taxi as you ask the driver to hurry. However, there is a car accident that leads to traffic jam...

Maybe you will decide that I skilfully show you a bad scenario that would hardly happen to you in real life. Yes, I do! However, I did not do this to scare you or burden your thoughts. No, my brother! I did it to prepare you for a total and horrible scenario, written personally by the prince of the air power; a scenario, in which billions, having been carried away by the vanity of the dying world, will forget to take the tight road and enter the narrow gate of Salvation. They will blunder away their chances, as they never had time to look for Salvation in their souls, for they have been fooled to spend all this time in the entire devil's vanity.

You see, God is so true to His Word and so much Kindness and Mercy fill out His Heart that even if in the last moment of their life someone repents, they will be saved by Him and their soul will go the Heavenly Kingdom. Do you remember how one of the brigands that was nailed on a cross next to the crucified Lord, told Him in tears:

"Jesus, remember me when You come into Your Kingdom..."

(Luke 23:42)

Then the Saviour calmly replied:

"I tell you the truth, today you will be with Me in paradise..."

(Luke 23:43)

When Lord promises something, His promise is Real and Holy. However, this is what will trouble the people that spend in vanity all the time, given to them for repentance and turning to God. The problem is that they will never see a Lord crucified for them, nor will the thought, they need something more than life in vanity, trouble their mind. Therefore, their surprise will be terrible, sudden and unexpected. They will find out too late that they were victims of Satan, victims of the most harmless part of the human life that is the world's vanity. I will not delay the vision, Lord Jesus revealed to me, anymore. For He raised me again above the air power of the devil and started talking with me, as he said:

“Think, Stefan, and tell Me:

When a criminal considers his mission successful? Is it when he was noticed by the victims, he burglars, or when he entered secretly and did his job unseen?”

Oh, Lord! Every criminal wants to do his job secretly, so that he remains unseen. Only then is his nefarious mission successful...”

“Then where are the most malefasant demons most active? Where everyone would scream from their evil or where their deeds' effect is not notice while alive, but later?”

“It is obvious, Jesus! Of course, the more unnoticed the Satan's demons are, the more murderous and deadly their mission becomes...”

After my last words Lord fondled my head, as he said:

“Prepare to see demonic hordes, hidden so successfully that only the spiritually enlightened and elevated can notice their activity. These are the elite squads of Satan, an original peak in his wicked wisdom and slyness. Exactly with these the devil has created one of the most murderous and deadly whirlwinds on earth – the demonic whirlwind of advertisement. Now watch what I am showing you...”

After the last words of Jesus, the air power of the devil revealed itself before my eyes. So, the dark prince stretched his wings again above all of his demonic hordes, as he shrieked loudly:

“What to turn the world into, before the appearance of my son?”

“Into a desert, into a desert!” – cried out in a single voice the hordes. That made Satan grin and to ask again with a drawling, croaking voice:

"... and what is a giant desert full of?"

"It is full of sand, full of sand, our prince!" – cried out again the demons. Then the devil's face changed. As he looked with all of his possible hatred towards the people on earth, he distorted his voice into a squeal, as he shouted to his demons:

"Is there sand in the life of the people? Is there any from the sand we desire so much, the sand that my enemy Christ ordered no one of His to build his house on?"

"Yes, prince, there is more than enough! The humans do sate with neither watching, nor hearing..."

The last words of some of the dark chiefs made Satan swing his wings and start circling his demonic hordes. He flied round and screamed:

"Eyes do not sate with watching! Ears do not sate with hearing! Then, let us fill their eyes with watching until they burst from it! Let us fill their ears with listening until they blast from it!

Do you hear me, my bats? Do you hear me, scorpions? Let the bats swing their wings and enter the technological ether of the man! I want you to think of millions of adverts that you will use to stick to the human all the sand and the entire possible vanity in the world! Let this sand enter the Medias and bury the life of all people! When only the heads, they watch, listen and speak with, remain above the sand, come out, you, scorpions! As you sting the eyes and the ears deadly with hypnotic messages and slyly thought sentences, leave them and go killing at other places. For, the stung will be mine – in spirit, soul and body..."

My brother, my eyes could barely stand the view! Two demonic hordes got separated from the air power of the devil. One was from bats and the other – scorpions. The bats formed a demonic whirlwind that started totally attacking and overwhelming the whole technological ether of man. The bats entered and the ether jammed with "harmless adverts", varying from pop corn to cars advertisements. The adverts themselves started entering the life of everybody, who watched them, liked them and stuck them to their hearts, similar to sand. Not long after the whole world had turned into a desert. There, similar to black dots turned the heads of millions and billions of men. The scenery was so sad and scary that I turned my head to my Lord and told Him:

"Oh, Jesus! What do you let me watch? Here, the life of billions of men is buried with the sand of vanity, the sand of things and adverts!"

Then Lord replied to me strictly, as he said:

"Why did you stop watching exactly when the really frightening begins? Cannot you understand that someone must see and witness the most murderous demonic whirlwinds of the devil? Do not you understand that the bats are bats, because they stick to things, (in Bulgarian bat and stick have the same root) and scorpions are scorpions, because they sting. For, the sand, already, gives them a lot of work..."

I looked again in the vision, when I saw millions of scorpions swarmed over all of the world's sand dunes. These demons fixed their poison stings in the ears and eyes of men, so that their heads withered at once and became dead. This was a massed and terrible murder; a cruel and damned campaign for total eradication of mankind.

This campaign made the prince of the air power fly above the sands and make pirouettes and loops, as he enjoyed endlessly the bats and the scorpions. Then, at one moment Lord pointed one definite place in the sands and told me:

"Let me take you to this place. For, it is the nation of the Bulgarians. As I will lower you near the scorpions, I will let you hear what the poison whispers in the ears of men and how it affects their eyes..."

So, Jesus really lowered me in the sands of the Bulgarian vanity. Then I saw a scorpion that was already stinging the ears of one man, as the poison acted with its hypnotic messages:

"Mobiltel – this is your voice!"

"Globul – when you want to be heard!"

"Viva Tel – everybody is talking!"

(These are the mobile phone operators in Bulgaria)

After the messages in his ears, the scorpion stung the eyes of the man. Then this man started thinking that his voice is really Mtel, Globul – when he wants to be heard, and Viva Tel that really everybody is talking. Each of the three mobile operators in Bulgaria came with a powerful message that made

the man choose, where he wants to activate the GSM, he bought. But here, Lord touched me with hand, as he asked me:

“Why did My Father created the man? Why did He give him voice?”

“Oh, Jesus! Father created man, so that He can communicate with him; to be His child that will enjoy living in the presence of His Holy Spirit!”

“What should be the perfect man’s voice according to the Perfect Will of My Father?”

“Oh, Lord! The voice should be a reflection of a heart that is filled with the Holy Spirit. For, what fills your heart, speaks the mouth. With the same thing appealed to us Apostle Paul, who wrote in his message:

“If anyone speaks, he should do it as one speaking the very words of God...”(1 Peter 4:11)...”

“Do you understand what is the poison, the scorpion shot at the eyes and the ears of this man of vanity?”

“Yes, Jesus! This poison aims to make the man believe that talking on the GSM should be his main activity throughout the day; to talk on GSM, when he wants to be heard and when everybody talks to do it with GSM-s...”

“Has anyone ever succeeded to look for the Father, Me and the Holy Spirit by GSM? Has anyone succeeded to dial Our Personal number and send Us SMS?”

“Oh, my Saviour, these are loathsome psychological messages of the devil! With them Satan wants to bind to the soil the men in their technological life, in other words, in the sand of their entire vanity, so that nobody finds time to open his heart for You to communicate with the Saviour of their soul, not the destroyer...”

Jesus nod approval to my words and then pointed the scorpion, as he said:

“Lower yourself and find out what is the next poison of this elite Satan’s demon! For, it is a hundred per cent successful in these last days...”

I leaned over the scorpion that was preparing to attack another man. As its sting was fixed in the ears of the man, the poison started to interact strongly with him as it suggested the following words:

“Trust in yourself! Trust your instincts! Drink Coca Cola!”

"Some believe in the piercing! Other – in the leather clothes! Coca Cola! There is always something to believe in!"

After the messages have come into his ears, the scorpion stung the eyes of the man. Then, an afflux of pride filled his heart, for the stung one really believed that it is great thing to trust in yourself or your instincts. Then the thought about the piercing and the leather clothes seemed quite attractive. Why not? So many people pierce their noses, ears, thongs, navels... So many people wear rock-man clothes... Indeed, there is always something to believe in...

This time Lord touched me, as he asked:

"Do you believe in yourself, My servant, or in Me? Do you trust your instinct or the promises of My Word? Does piercing with metal trinkets attract your heart? Do you want to wear rock-man clothes, as you walk to the Lord's Cross or the Lord's Hill?"

"Oh, Jesus! This is too frightening! This is another demonic hypnosis that the devil uses to kill the human hearts! He really has a reason to be happy and make loops and pirouettes in his air power; for, these messages of his have overtaken the televisions. Men accept them without any internal opposition, so that they die spiritually, injected with satanic poison..."

"See then the next portion of poison that this scorpion will inject in third of these men of vanity in the sand..."-ordered me Jesus. This time, similarly to the previous times, I lowered to the scorpion and saw him fix his poisonous sting in the ears of the man. Then, the poison flowed into his mind, similar to messages that claimed:

"Obey the thirst! Drink Sprite!"

"If you are hungry – get snickers!"

"Drink Fanta – be Bamboocha!"

"Vodka Flirt – are you ready for tonight?"

"Monastery grape-brandy – gift from God!"

Oh, my God! How many times these sentences passed through my ears, but my Lord kept my heart safe from the satanic scorpion? How many times the demonic whirlwind of advertisement tried to penetrate my heart, but rebounded aside from the Rock Christ? I really do not wish to save anyone the painful questions of my Lord. For, they are the necessary bitter medicine that will sober many. So, Lord asked me again:

“What are you hungry and thirsty for, Stefan? What should all the God’s children be hungry and thirsty for?”

“Oh, my precious Lord! I am always hungry and thirsty for Your Justice!”

“Will the man that accepts the devilish poison with his ears be hungry and thirsty for My Justice? What does it mean to grab snickers if you are hungry? Is the verb “grab” good? Does not it turn the men into grabbers? Or what will the stupidity to drink Fanta and be Bamboocha say? Is not the fabrication “Bamboocha” too close the plant “bamboo”, which stems are hollow inside and that most often grows near swamps and morasses? Does not it aim to make the people feel hollow? Does God want you hollow or filled with the Holy Spirit? Should you prepare with vodka Flirt for the Supper of the Lamb, or with My Wine for My Wedding? Finally, when did God order among all of His Heavenly gifts a bottle of “Monastery grape-brandy”, so that they define it, as a “God’s gift”?

Is not beyond all of these adverts the true desire of Satan seen – to be a god in the lives of all the men, so that they glorify and exalt him, as he is not supposed to? Here is why all the followers of vanity have sunk in the sands – they have not got the Rock and have not climbed the Hill to find it. See what the last poison of the scorpion, I will talk about, is? For, if I have to show you all the scorpions and their deadly messages, all the years of you life would not be enough...”

For the last time I lowered to the sand of vanity and saw how the scorpion fixed its deadly sting in the ears of a man. Then the poison started working in him with the following sentences:

“To be flawless – you need Ariel!”

“Makes it cleaner with an ease! – His help does not cease! Mr Clean!”

(Or Mr. Proper)

As the man was listening with his ears the scorpion attacked his eyes. Then he saw himself in clean and white clothes, walking on a marble floor. His white clothes – washed with Ariel, and the white marble cleaned with Mr Clean. What deception could be greater and what manipulation of this man’s conscience could be more loathing! He already believed that this is what the

purity of life is. That it is all about cleaning your clothes with Ariel and your floor with Mr. Clean. My Lord started speaking to me again, as he said:

“Did David wash his clothes with Ariel, when he sinned with Bathsheba? Did John the Baptist use Mr. Clean to make the paths of Lord straight and clean?”

“No, my Lord! David washed his cloth with tears of repentance and Your prophet John made Your paths clean and straight with prophecy of repentance!”

“Will a man think of repentance, if he relies on Ariel and cleans the outer, as the inner remains dirty and desecrated? Will men that have marble lanes, make the paths, clean and straight for the Lord, as their feet walk the paths of every lawlessness? Will anyone of these stung men realise that the devil has hypnotised them and bound their hearts with vanity and madness, for many days?

My people! I told you too much through My servant and I still see that many of you remain in the sand! I appealed to you, for too long, to climb the Hill and hide in the Rock! However, most of you remained unwise! How long will you slow and how long your life will be tied from the sand of vanity? How long will you spend money on what has no real use, instead of making Holy sacrifices to Lord’s Hill? Is there anything in the book I revealed to My servant that is different from the reality, which surrounds you? Is there a single thing that you could claim for a fiction, if you think that My servant bores you with the visions, I give him?

Here, the end of everything has come too near! Let My words set firmly in your hearts, so that you have the Firmness of the Son of man. Firmness that the scorpion will not be able to penetrate; firmness that the bats will not be able to move! Firmness that I will use to make you victorious in Faith! With My Faith you will be above the sands and the whole demonic ether! I, the Rock of the Lord’s Hill, gave this vision to My prophet!”

8. THE LAST WHIRLWINDS OF QUACKERY AND UFO

My brother! My faithful friend!

If I had to choose again how to live my life, I would have certainly and undoubtedly chosen to be a servant of Lord Jesus Christ and Him to lead me to all of the great and amazing places of the Holy Spirit. However, if in this once more lived life I could make some corrections, I would definitely do it. For, before I knew my Lord, I was poisoned in my heart and my mind; poisoned by thousands of deceptions and madness, poisoned by world's education, by worldly look over life and later by religion, occultism and eastern wind. When the Holy Spirit entered my heart, He had to throw away from me thousands of delusions and purify me from all kind of damage. These are the delusions and the defeats that I would never want to live again. I would spare them to my mind, so that I enter the Gospel, catch the hand of Jesus and follow Him. Unfortunately, such a favorable and wonderful thing rarely happens in human life. It can be successful, only if from the early years of childhood a man is presented to Lord and filled with the Holy Spirit. Even then a terrible problem remains that is linked with the world's education, which a man, wishing or not, takes as a fact. As he keeps from the stickiness of the world's sciences he preserves himself for the God's Holy usage.

The last demonic whirlwinds that Jesus showed me in this vision were monstrous in their power to ruin the men's hearts and minds. As a peak and limit of the satanic evilness, these whirlwinds rule the world today. Therefore, let me start from where Lord raised me again above the devil's air power. As He touched my heart with His hand, He started speaking, as He said:

"Do you know, my servant, how many years your heart needed to start hearing clearly My Voice and to see visions in My Spirit?"

"Oh, Jesus! I know You found me in the moor, where I was a lost and misguided sheep that had implicated its wool in the sharp thorns of the whole world's Satanism. However, due to Your great Love that you granted me, you saved my soul and with great patience waited through the years of my purification and enlightenment, so that I will be Your debtor, not only in this life, but in the whole eternity. For, I would not have done anything without You..."

Lord smiled at my words and then went on talking, as He said:

“Know, then that as I found you, I find many others. Every one of them comes to Me with the damage of his old life, and relies on the Holy Spirit, through which I fill out and purify his heart.

Now I tell you that if I hurry the devil also hurries. If I save, he ruins. The last demonic whirlwinds through which he had entered the Medias, seek maximal killing effect on the human hearts.

Tell Me then: What did My Gospel capture you with? What made you fall in love with it and become My loyal and good servant?”

“Oh, Jesus, whenever I had a reason, I shared with my brothers and sisters that I am in love with the Simplicity and Purity of Your Gospel. I still love the Gospel that dissolves in my soul with everything Eternal, Real and Blessed. I love the Bread and the Salt, the Wine and the Water, the Vine and the Grape, the Olive and the Fig, the Sun and the Heaven, the Net and the Fishes, the Herdsman and the Herd, the Good Samaritan and His Kindness and Mercy.

Your Word is soft, Lord! Your Words are calm and sincere. Your burden is light and Your yoke is blessed! Everything in Your Gospel is Life. There are no pompous phrases or abstract ideas. There is no swell-headedness or contempt to men. There gushes the bound of Your Life, Your Love and Your Perfect Light...”

“Do men want My Simplicity and Purity today? Is not life today too complex and full of concepts, logics, tenets and prejudices? Did not My Lord give only ten orders in the mountain Sinai that the world despised and created hundreds of thousands of laws, rules, paragraphs and decrees? Did not Father give His Only Bread and His Only Vine, so that the people eat Bread and drink Wine? Then why did the people refused the Wine and the Bread, so that they seek all the sand, complexity and madness of the world?”

The questions of Jesus made my heart suffer. A grief flowed into my heart and filled my eyes with tears. Then I answered Him, as I said:

“Oh, my Lord! You are the Rock and everything in You unites! However, the devil is a snake in the sands that likes to tear all apart. Now in my mind

shine the verses of Your Apostle Paul, filled with all his trouble. For, he wrote to all of us in the message:

“But I am afraid that just as Eve was deceived by the serpent’s cunning, your minds may somehow be led astray from your sincere and pure devotion to Christ...” (2 Corinthians 11:3)...

“How or what the snake used to deceive Eve, so that her mind is led astray?”

“Oh, Jesus! The snake conned Eve to eat from the tree for knowing good and evil. Eve saw in it **“a tree to be desired to make one wise”**. In this way she tasted its fruit and gave Adam, so that he eats with her...”

“Do you understand then what the cruel problem is with the last generations? Do you comprehend that they still repeat Eve’s sin, for they want knowledge. They do not desire My Simplicity and Purity, neither My Holy Spirit, nor My Word. No! The men want knowledge. They wish to fill their hearts with all kinds of logics, but not the Truth of My Gospel. What do you think then? Will the snake not use the opportunity to lead astray their minds? Will it not spit its poison in the so desired logics?”

“No, Lord! The devil will not miss the chance. For the corruption and destruction of men is his only aim. He was murderer from the beginning and there is no truth in Him...”

“See then the dark demonic whirlwind that the murderer uses to wage war against My Purity and Simplicity! See, how his spirits of quackery debauch the whole world and spit poison in all the Medias...”

After the last words of Jesus I was looking again at the prince of the air power. This time, having swung his wings, he screamed as strong as he could and said:

“My angels! Mankind wants science and we gave it to it! Mankind wants to break to pieces, to excavate, to explore! What greater success for us than to make our victims dig their own graves? What greater success for us than to push in the ditch of destruction those who dug it?”

“Give us this success, prince! Let us push the men in the ditch!” – screamed in one voice millions of demons. Then the devil raised his hand to make silence and told them again:

"I will mix the truth with fiction, facts with guesses, uncertainty with achievements! Then you will surely enjoy all of my ruinous power. Here, the ether is ready to be overtaken. The waves cannot wait to be harnessed. What else will I fill them with, if not quackery? Therefore, now I order you:

Walk on earth, devils of animal lust! As you suggest the men that they are just animals make them believe there is no Jehovah in Heaven, neither Creator above the creation! Let the quackery of biology turn to a media whirlwind all over the earth! Let the men accept in their hearts that they are nothing else, but ancestors of monkeys! Make them excavate, examine, compare and classify! Do not stop before anything, until you suggest everybody that there is no God or Creator, but evolution! Yes, evolution! This is a wonderful argument to throw away God from people's life..."

So the devils really walked on earth. As they found a man called Charles Darwin, they suggested him write the books "The origin of species" and "The Descent of Man, and Selection in Relation to Sex", that he will use to refute the divine origin of life. These books made furore in the newspapers, then and decades later – as they entered in the electronic Medias. In this way the whole world burst with the false teaching of Darwin. Scientist started collecting "evidence" from skulls, bones and scientific conclusions. It became clear that the quackery of biology really had imposed itself completely. The heathens started believing they descend from monkeys and hurried to throw the Bible away from their life. The biological quackery developed itself totally during the last fifty years, as it made Satan wail from joy.

Here, the prince of air power gathered his hordes again. As he swung his wings before them, he screamed, as he said:

"The lack of faith grew, but as if faith also grew! Christ found a counterpoise against this deception of mine and that is why we must think of something even more treacherous. During the last years the ether of man is thirsty for sensations and discoveries. We will make sure we give some! However, we need the man to dig and excavate his own grave. What matters for us is to darken the Gospel. It must not save. Men should doubt it. What is easier than to excavate a few more gospels? Why only four? They will be five, six, seven!

The ether expects you, my moles! Let the quackery of archaeology turn into a media whirlwind all over the earth! Think of films, make broadcasts, and prepare the world for this media show. For, now is the moment for men to dig and search for the Coffin and the Holy Grail, even if Jehovah has long ago taken them to Heaven! Now is the time when everything occult, mystic and archaeological burst as strong as it can!"

Having listened to their prince, the moles formed a demonic whirlwind. So, soon on earth started appearing impressive movies about the adventures of the archaeologist Indiana Jones that shot with his gun and stretched his whip to all kinds of mysterious caves, searching for divine artifacts, connected with the Coffin of the Testament and the Holy Grail. This was only the beginning of the satanic fraud, something that was only used as an adjustment of the human conscience. For, the quackery of archaeology soon turned into a hit all over the Medias. Soon, the "Dead Sea Scrolls" by Qumran showed up, as they aimed to convince the world that there are Gospels that the Church has neglected. Quite soon a "Gospel of Judas" appeared. Famous and celebrated television Medias such as "Discovery" and "National Geographic" hurried to stir up the archaeological top sensation. In front of them Swiss experts, possessed exactly by the moles of the devil, started proving how real the found Gospel is. As the vision went on before my eyes, Lord suddenly asked me, as he said:

"How do you think My servant? Were your Lord and His Father so weak, that They could not gather Their Gospels, so that after two thousand years the mankind accidentally discovers them in archaeological excavations?"

"Oh, my Lord! None of these archaeological quacks has known neither You, nor the Father, so that they comprehend, God is the True and jealous keeper of His Word..."

"How do you accept the scientific arguments about the authenticity of "Gospel of Judas"? Has Judas written a Gospel for Me?"

"Oh, Jesus! This is a vile satanic quackery! How can the one You pointed and called "devil", write a Gospel? How can the one that hanged himself before Your Resurrection write a Good Word? Was not Your Resurrection the essence of the Gospel, the aim of the sacred text? Did not Your apostles pray to you, as they said:

“Lord, you know everyone's heart. Show us which of these two you have chosen to take over this apostolic ministry, which Judas left to go where he belongs...” (Acts 1:24-25)

For, with this whole profiteering around “Gospel of Judas”, the devil aims to calm the hearts of all the Judas men...”

Jesus nodded assent and gave me a sign to keep on watching the shows of the demonic whirlwind of the devil. They were not late, for a new satanic abomination of scary blasphemy was ready. Therefore, Satan ordered his moles, as he said:

“The archaeological quackery is strong, but it is not enough! I want more quackery, more fraud, and more blasphemy! I want a quackery that is connected with a man the whole world admires! Let us take, Leonardo da Vinci, for example! A great philosopher, artist and genius of the Renaissance! Let us confront Leonardo and Christ and see what the effect is! Find me a writer that will write the lies, I intend to think of!”

The moles did not wait for reminding and found quickly the writer Dan Browne. As they corrupted his heart, they made him write the blasphemy book “The Da Vinci Code”. With the personal ambition of Satan this book was filmed and passed similar to a hurricane through all the world Medias, as it tried to convince the world that Jesus is only a man, not a God’s Son. As a man he had a love relationship with Mary Magdalene that even gave birth to kids that were ancestors of the king’s dynasty of the Merovingian. Of course it was the most renowned channel “Discovery” that gave the word to Dan Browne, so that the moles that possess him speak. As Jesus, touched again my head, he asked me, as he said:

“Tell me, Lord’s servant, what was My mission on earth? Did I come to pour my Human Seed in a womb of a woman, or the Seed of the Gospel that bears the Infant in your hearts? Did I come down to marry an earth woman or to prepare My Church for My Wedding in Heavens?”

“Oh, Jesus! My Lord! The moles of the devil excavate the earth and show to the world the meanest human thoughts and scariest blasphemies! These are demonic faeces that satanic followers throw to the Heaven, so that they could somehow desecrate You! But, I know that soon the faeces will fall on their own

head! For, no one can soil Lord and God that inhabit an inaccessible Light! This is the fiercest devilish campaign against Your Gospel! The most filthy, vile, mean and damned show of the devil's moles! However, as the prince of the air power said in front of all of his demons, the men simply dig their own graves and stretch their hands to the ditch of destruction..."

"Yes, Stefan, this is so! However, see the last of the demonic whirlwinds of the devil! For, he really prepares the world for the appearance of the man-Antichrist..."

So, I was looking again how the prince gathers his demonic hordes. Visibly happy, he swung his wings, as he said:

"Let us make the fraud perfect! Let us harness the Medias for the last time! Let us form a demonic whirlwind once more! For, here I will use all of my eagle and little owls!"

Having heard his words, the demonic hordes shrieked enthusiastically and the devil pointed the chosen among them and said:

"Swing your wings, my eagle owls and little owls! Be the dark demonic whirlwind of UFO, which we will use to convince the world that it is visited by alien civilizations. Shake the world with my demonic appearances! Let flying saucers cross the sky and pictures in the corn amaze the superstitious! Make the whole world believe that UFO is real! For, there will be time when Christ will take His detestable Church in Heaven and then we must convince the world that the missing ones are taken by aliens!

Do you want to be aliens, my eagle owls and little owls! Do you want to cause sensation in all the Medias of the world!"

"We want this, our prince! We want it!" – shouted the demons. Then Satan shrieked, as he said:

"Then be aliens! Those we could not deceive with our frauds on earth, we will drive mad with quackery out of the earth!"

So, the last demonic whirlwind of little owls and great owls flew around the earth, armed with the whole deceiving and occult power of Satan.

As a beginning, the Medias prepared the world for the quackery with films about UFO, among which famous were "The Extra-Terrestrial" of Steven Spielberg and the "The X-files". Then with flying saucers, corn circles, Roswell and all kind of evidence for zombied men, the delusion was becoming greater

and greater. However, no matter how times the hurricane went around the earth, the Lord's Hill remained intact from the devil's ambitions. Having gathered the Faithful, the Chosen and the Called, the Hill shone with its rays all over the world and drove Satan mad and brought him fearful rage.

Then on this Hill Lord spoke for the last time to my heart, as he said:

"My Servant! Go and warn all of the God's children to long for the Simplicity and Purity of My Gospel! Go and tell everybody that none of the false miracles and displays of the devil can cloud the men that have lived through the Real Miracle – the Miracle of new-birth! The Wonder – to walk with Me unstained and undefiled through the whole media resistance of Satan! The Miracle – to know that you will be eternally live in the Life of the Eternally Living!"

I let you know the scariest demonic whirlwinds of the devil, which he uses today to deprave all the Medias around the globe! As you deny them – elevate your minds and hearts in the Holy Spirit, so that you are at the right place, when I come back for all of you!

There is a Lord's Hill, where Lord is your Rock!

There is a Lord's Hill, where with firmness you will acquire your souls!

Everything else is dust and ash, mist and smoke, soil and sand, and vanity of the vanities!

I, the Rock of Lord's Hill, gave these visions to My prophet!"
