TO YOUR HEART

My dear friend! For the last ten years, I have had the incredible happiness to pass through many blessed meetings with my Lord and Saviour Jesus Christ. His faithfulness and love to me were so abundant that I knew that whenever He visited me, I would become a witness to deep secrets and revelations. However, for a first time, I was passing through such touching by the Lord, which had been suffered with so much pain and grief. Therefore, the revelations in this book have been paid like a worth and standing before Him since long. Since, the treachery, villainy and perfidy became unchanged shadow of the prophetic ministry, in which Jesus put me, long ago. The more Lord was giving me to climb the pathways of the Holiness and the pure knowledge, the more knives and arrows were driving into my back. The most unbearable in all this was the fact that my readiness was never justified by the reality. Since, in the beginning of my faith, when I was rubbing the chairs in the church halls, I was taught (may be, as you have also been taught, my dear reader) that we would be hated by the world. Then, I prepared myself to receive hits by the world. I was looking at the pagans and I expected that some of them would abuse me and would spit over me, and I would rejoice that I had suffered for my God... The truth is that, for ten years, I did not receive even one blow from any heathen, despite my life had offered to me an abundance of opportunities to communicate with non-believers. The truth is that, for ten years, my heart was satisfied with the blows of the evil one, and for this aim, he always and everywhere used believers. So, it happened something very strange: I received the blows from the believers, and the salve – from the heathens. What I could not receive from Christians, God compensated it by people, who did not know Him. In one moment, I even thought that I had some problem in me – I was getting on so well with pagans, despite, biblically seen, they had to be better instruments of the attacks by the wicked one.

Later, I would understand that the heathens are free from one very essential problem. They have no strongholds of religious spirit in their hearts. They have not been under the authority of the last Sanhedrin, and they have not become there twice as much sons of hell as the religious Pharisees are.

Then, the same this Bible, which I read every day, became much more interesting for me, because the Holy Spirit incited me to pay attention to the steps of my Lord Jesus Christ. So I perceived that He was never hated by the pagans. Contrariwise – the chief priests themselves, possessed by the devil, told about Him:

“The Son of Man came eating and drinking, and they say, “Here is a glutton and a drunkard, a friend of tax collectors and “sinners.”...”

(Matthew 11:19)

From this moment, I understood that few of us had been attentive in the words of Jesus. Few of us had opened their eyes for His Truth. When our Lord says that the world will hate us, He has in mind mostly the worldly church and the religious spirit, who is the spirit of the worldly devotion. From this moment, I understood that, if the sin of Pontius Pilate was the betrayal of Jesus for death, the sin of the religious Sanhedrin was His killing on the Cross of Golgotha. As to Palate, he had no wish to proceed with the Lord in this way. He himself said:

“I find no basis for a charge against this man...” (Luke 23:4)

However, he was forced and pressed by the servants of the Sanhedrin. Moreover, his own government was put in jeopardy. That is why he castigated Jesus and turned Him over to them, but the prisoner Barabbas was liberated by him.

Why do I tell you all this in the beginning of this book? Why do I want for you to be attentive in the signs of the God’s Word? First of all, we live in that time, when the sin of the worldly church will exceed many times the sins of the whole world. Since, if the men from the world kill their own souls in the sin and, for that reason, they are guilty before the God’s eyes, will not be much more guilty those, who do not kill the souls, but Christ, Who lives in them? Does not the Word say that every sin and blasphemy will be forgiven men, but the blasphemy against the Spirit will not be forgiven? What else might the blasphemy against the Spirit be like, except for that vainglory and bow before the feet of the wicked one, at which the believer pierces Lord in his heart for second time? And, if there is some hope for the worldly sinners to repent, then, what hope might be there for those, whose way is absolutely identical with the way of Judas? Since, this apostle was taking a part in the God’s

mission; nonetheless, he betrayed Jesus. This apostle had heard all graceful words of the Lord and his eyes could see all miraculous deeds and the whole fascination from the humble and splendid Life of Jesus; nevertheless, he came to terms with the chief priests and put on scales the King of the kings and the Lord of the lords.

Once, when I was thinking about the life of Judas, I shuddered and asked Jesus:

“What have You felt, Lord? What is the sensation to feel the breath of the traitor next to You? What is the feeling to know that He will betray You and, despite everything, to love him by all Your Love and even in the hour of the treachery, to call him “friend”? What is this great heart, which You have, Lord?”

Later, when I began to feel hits on my heart, I often felt how the New born Child in my heart was hurt from outside. Lots of people tried to pierce him. I was so astonished by the monstrous deeds of many people that I was about to become like them – to answer the malice with malice, the perfidy with perfidy, and the villainy with villainy. Praise the Lord, His Spirit kept me from this evil. The Holy Spirit did not let me fall to the level of the human measure and seek a revenge according to the principle “eye for eye, tooth for tooth”. However, after these spiritual tests, I began to cry to Jesus and pray Him to equip me so as He was equipped Himself. One night, I stood on prayer before my Lord. I told Him:

“Lord Jesus! I pray to You! Help me! I do not know how to get over the spirit of treachery and villainy, over the spirit of perfidy and malice. You, Lord, You had in Your Life one Judas, and You knew about him from the very beginning of Your lifetime, but the followers of Judas are so many now. They strike anticipating blows very often, yet before one could be able to understand who his enemy is. Who is like You, to know what the human heart is full with and not to hurry to entrust his heart?”

Then, Lord came and poured on me a healing anointing. His Power and Presence were so Impressive that the wounds in my heart closed and my memories became slight and pale shades, which disappeared, when the Light of the Lord filled me. Here, He told me:

“Stefan, you and all My brothers live in the last time. The most typical seal of this time is the treachery. Remember, how I warned you in the Gospel:

“Brother will betray brother to death, and a father his child; children will rebel against their parents and have them put to death. All men will hate you because of me, but he who stands firm to the end will be saved...” (Matthew 10:21-22)

Do you see that the word is about brothers, who betray each other? Do you see that even father will betray his child? Do you really think that, when I have spoken My words, I have had in mind earth relationship, instead of the real state of the last churches? Since, what else might the brothers be, except for the men, born by the One Spirit? What else might the father be for his child, except for the preacher for that one, who he bears with the Gospel of Truth? Did not Apostle Paul say that, even though the men had ten thousand guardians in Christ, they did not have many fathers? Did not he want to show in this way the perfect Will of My Father for you – to bear lots of men in the Gospel? And, no only to bear them, but to bear Me in them through the power of that apostolic example, which you were taught? If you see that even a father will betray his child to death in the last time, does not this fact show you that the time of the greatest deceit and lawlessness has already come? Since, earth sheep will stand at earth shepherds and they will consider them to be their fathers and parents; however, their earth word will not become heavenly, neither will the heavenly Word become earth. Since, the day of the increased lawlessness is now. The time is now, when the men will be absolutely disloyal, and the traitors will swarm more quickly and successfully than the true God’s children. Then, why do you wonder that I had one Judas among eleven faithful men once, but now, there is only one faithful man among eleven followers of Judas? Did not I say that you would do deeds, greater than Mine, because I went at My Father? And, if I said it, Stefan, I did it in order to warn that you would no only pass through great deeds, but through great betrayals, too. However, it is not My Father’s Will for your hearts to feel knives, driven to the hilt

and loops, tightened around the neck. Since, I will surely repay to the increased lawlessness. Let the whole My Church knows it:

ALL PEOPLE, WHO TAKE A PART IN THE INCREASED LAWLESSNESS, THEY WILL RECEIVE INCREASED CONDEMNATION, TOO!

The law stands next to the lawlessness, and the judge – to the injustice. The greater lawlessness is getting, the rigorous the law becomes. The greater injustice is getting, the more severe the judgment becomes. That is why I want to give you those visions, which will reveal to My brothers and sisters what the spirit of treachery, perfidy and villainy is like. So, you will be raised further above, where the Judas' descendants could not go! So, your love will abound more and more in knowledge and depth of insight and you will escape that evil, which the psalm talks about:

“I am in the midst of lions; I lie among ravenous beasts - men whose teeth are spears and arrows, whose tongues are sharp swords...” (Psalm 57:4)

After His last words, Lord touched my heart with His hand and, a moment later, the Light of the Spirit poured over me and filled me. So, these visions were born, as well as that spiritual experience, which God gives you now, so that you might be kept and guarded – with spirit, soul and body, untouched by Evil.

I believe that you will be encouraged, confirmed and enlightened; so, you will be able to withstand to the end!

Amen and Amen!

1. THE WAY OF JUDAS

(A vision about the traitors in the hell)

My brother! I want for you to be attentive! Let the Light of the Holy Spirit submit all your thoughts! Since, believe me, the injury, come through betrayal, is the most pernicious and lasting among all injuries upon the human heart. Sooner or later, every pain calms down. Sooner or later, the wounds heal up. However, when the knife is driven to the hilt in your heart, and the devil outside not only delights in his achievement, but incites the traitor to turn it inside you, then, be sure – the pain will be horrible and lasting. In his life in faith, the Christian may experience different blows. However, the blow by the treachery is so measured that it finds your opened heart and your trustful soul. Then, somebody, who you have considered to be closer even than a brother, drives the knife in your heart. Moreover, he does not drive it frontally in you, so that you might raise your hands and protect your chests. No! He comes behind you and drives it from the back, since you have not eyes on the back and you are not prepared for such perfidy. Then, it hurts for days and weeks, for months and years. It hurts so that the hard experience hinders you making a bridge of confidence to whatever man, since you “have already burnt your fingers”. Unfortunately, there are no earth law courts, in which the traitors of the faith might be punished. There are no earth judges with so sensible and fair heart, who might put on the perfect scales such crime and convict it. However, I have calmativ news for you. It is the fact that the Heavenly Judge will hear all cases, which have not passed through the earth law courts. Then, He will repay everybody according to his deeds.

When Jesus revealed to me the vision with the way of Judas, He caught my spirit and raised me at Himself. Then, He told me:

“Examine what I will show you, because it is very fateful...”

After His words, Lord pointed with His finger and I saw an earth way, which was going down and down. Thousands people were going down along this way. All they were laughing and enjoying themselves. At the side of the way, I saw thorns and prickles, suchlike the thorns and prickles by every country road. The men, who were going along the road, turned aside and were

picking the thorns and prickles. Then, they were putting them in their mouths and were eating them. After eating the thorns and prickles, they changed and their bodies were strangely transformed. Their fingers and toes were extremely fast covered with growing nails, which points was just like the sharp points of the thorns and prickles. So, I was astounded to see that these men were getting a full copy of what they were eating. They were eating thorns and prickles and they themselves were getting thorns and prickles. The more robust and stout of them were scratching with the nails on their own bodies. They were pricking themselves, and when their bodies were bleeding, they were laughing and driving their nails deeper down. However, Lord directed my look at the end of the very way and I saw how it was suddenly getting sheer, and those, who were walking along the way, fell into a black pit with a long and slippery furrow. In fact, the men fell into the hell. Nobody of them had a time to become aware of what happened. Nobody had a time even to cry. Then, Lord told me:

“Did you notice that, when walking on the way of Judas, all these wicked men were looking at the thorns and prickles by the road? After that, they stopped and were picking them, in order to eat them?”

“Yes, Lord! It was the most evident thing in this vision.”

“Did you notice that, while they were eating the thorns and prickles, these wicked men transformed into thorns and prickles?”

“Yes, Lord! I noticed it, too!”

Then, Jesus told me:

“Now, be wise to comprehend that these thorns and prickles by the road are the heathens of this world, but the wicked ones, walking along the way, are men, who call themselves Christians, but who have never gained My Image. These men, Stefan, look at the heathens in the world and want to preach them the good news about My Kingdom. However, neither these “preachers”, nor the men, whom the gospel has been preached, are getting more righteous. At the contrary – the thorns and prickles of the world come in the meetings, where there are Judas’ descendants. Then, it begins their indulgence ones to others. The spirit of the world falls in love with the spirit of the worldly church. And their children are called traitors. Let the whole My living Church knows it:

TRAITORS ARE THOSE MEN, WHOSE HEARTS ARE CONCEIVED BY THE FORNICATION BETWEEN THE SPIRIT OF THE WORLD AND THE SPIRIT OF THE WORLDLY CHURCH!

However, there is a difference between the two spirits. The spirit of the world is the spirit of the paganism. This is the spirit, who always preaches the power of the human potentialities. As to the spirit of the worldly church, this is the spirit of the vainglory. This is a spirit, who preaches the power of the human righteousness. Now, try to imagine what happens, when human righteousness couples with human potentialities. Since, they both pass under marriage and nobody else, but the same Lucifer couples them. Tell Me, Stefan, does Lucifer like the human righteousness and the human potentialities?"

"Yes, Lord! Since, they are both delusions. In Your exposing to Peter, You said once about the father of lie:

"Get behind me, Satan! You are a stumbling block to me; you do not have in mind the things of God, but the things of men..."

(Matthew 16:23)

"Then, think, Stefan! If two men are friends, but the former thinks about the God's things, and the latter thinks about the human ones, will not be there a moment, when the man with the human things will be disloyal to the friendship and will betray the other man, who thinks about the God's things? Are not just the compromises, which are at the root of the betrayal? And, is it possible for the churches, founded upon human righteousness and human potentialities, to escape the way of Judas, the way, on which traitors walk?"

"No, Lord! They will not escape the way of Judas, because I saw in the vision that they were laughing and this fact astonished me. Is that possible for a man to go to the hell and to laugh and snigger in the same time?"

"Well, you would rather look at the vision and you will notice that their laugh comes from their scratching with nails upon their own bodies. Unless you could understand it yet, let me share with you the deep spiritual rule and principle for all the traitors:

BEFORE BETRAYING HIS FELLOW MAN, THE TRAITOR HAS ALREADY BETRAYED HIMSELF ONCE!

You can not serve Lucifer unless you have made a treachery toward your own heart. However, when you have made this treachery, then you will do other betrayals – this way to those men, who the devil would like to trouble or sting. Look at the life of Judas and see that, before betraying Me, he was possessed by Satan, according to the written:

“Then Satan entered Judas, called Iscariot, one of the Twelve. And Judas went to the chief priests and the officers of the temple guard and discussed with them how he might betray Jesus. They were delighted and agreed to give him money...” (Luke 22:3-5)

You see by yourself that Judas first betrayed his own heart, and only then – he betrayed his Lord. It spiritually responds to the vision you see now. Since, before driving knives in the hearts of the others, the traitors first drive them into their own hearts, so that the conscience might not expose them for their evil deeds. Only when the conscience is pierced and killed, only then the golden time for all traitors comes and they begin to drive their knives into the hearts of the righteous men. You yourself, did not you have such testimonies of faith?”

“Lord, I still wonder how it is possible for a pastor to visit me, to kiss my checks and to shake my hands, to take lots of books from my home and three days later, to burn them before his pulpit, provoking the whole his flock to call down curses on me...”

“Do you really think that such man has become a traitor for three days? No, Stefan! He has come like a traitor, but he has been clothed in a garment of perfidy and hypocritical dissimulation. You have not perceived that one, who lives under the garment and you have opened your heart. So, the knife of the betrayal has been driven in it, because of which your soul bled later and your heart gave a moan. If you still wonder whether Lord has seen this evil or not, it would be better for you to keep looking at the vision, since now, I am going to lead you deeper, where the traitors and insidious men really receive their retribution...”

After His last words, Lord took a good grip on my waist and my spirit went flying with Him, along that way in the vision, on which I saw the traitors. Before long, I and Jesus, we both entered the very hell and He kept leading me downwards. The way, along which the Saviour was leading me, was like a sloping spiral; as further down we were going, the spiral were getting wider and wider. All this suggested me that there were sinners and wicked men in the deepest underground places of hell; so, the hell was in the shape of a cone, which top was turned up to the earth, and the way weaved along the cone and was going down and down. Here, Lord stopped and my look noticed the place, where the traitors received their punishment. I saw huge demons with sharp nails, which were much longer than these of the traitors. They used to stay before the souls of the traitors, who were fixed to the sharp cliffs. After that, they were driving in their nails into the wretched souls and they were tearing them, throwing the torn pieces upon them. The souls were frantically screaming, while the torn bodies were skinning over in a few minutes. Then, the torture repeated itself again and again. The horror of the view was supreme. Moreover, I testify that it is beyond the powers of one human heart to endure this view unless it is given supernatural powers according to the God's Will. While I was reasoning that I had seen everything, Lord told me:

“Look and see the greatest torment for the traitors...”

So, I looked again and I saw how one demonic chief commanded to his demon to free the tormented soul from the nails and to chain it upside-down. Then, the same demon took out of his black mantle sharp and long knife and pierced the heel of the soul, making a deep hole in it. Suddenly, something incredible happened. The demon came through the hole of the heel and entered the soul itself. He began to torment it from inside, made it writhe and moan with wild screams. Finally, the sharp nails of the demon came out through the chests, ribs and stomach of the traitor. Possessed the soul from inside, the evil creature torn it and went out through the stomach.

I could no longer look at the horror in this vision; so, I gave a cry before the Lord. I told Him:

“Jesus, why is the torture of the traitors and insidious men so terrible? Will these demons be tearing the souls of the wicked people for the whole eternity? Will they be going into these souls from inside, so that the terror becomes

unbearable? How should I understand the fact that the demon drove his knife into the heel of this wicked man? How should I comprehend all this?"

In reply, Jesus told me:

"There are degrees of sin and lawlessness. However, these men here have done the same evil toward their fellows; they have even delighted in their abomination. Therefore, their condemnation is more than fair. For with the measure they have used, it will be measured to them. What they have been looking for, that is they have found. Since, they are not killers of men. The killers of men are much higher in the circles of the hell. They are killers of Christ! They are killers of the God! They have poisoned the life of thousand men with treacheries, perfidies and intrigues; so, the real Power and Light of the God has disappeared for many, who have been disgusted with the abomination of these servants. All men, who you can see here, have been church servants; however, they have never grown up enough to be God's servants. All these people are stung in the heel by the ancient serpent, who is the devil, or Satan. That is why their most terrible punishment goes through their heels. However, you will not understand all this, unless I reveal you the roots of the treachery. Therefore, let Me lead you out of here, since I am hurry to tell you everything, related with the descendants of Judas, following his way..."

After His last words, Lord made the vision with the hell stop and other vision appeared in front of my eyes.

2. THE HEEL OF ESAU OR HOW THE TREACHERY WAS BORN

Dear brother! Do you understand that we know nothing about the God's wrath? Do you know that, for most Christians, God is so relative like a Person that they consider the world to be left in such timeless state, when all kinds of lawlessness flourish and it seems that nobody notice it? Oh, how stupid and blind the human mind is! Oh, how closed the eyes of the men are! I understood from the vision in hell that the day of the greatest God's anger was now. No matter whether some people think that God has taken His due rest. Nothing like this! I saw that it was many times more desirable for the most people to be hit by the Lord now, than the perspective to go to that terrible and heart-rending place in the hell. This seemed to me strange and horrible. Therefore, a moment before receiving the next vision, given me by Jesus, I asked Him:

"Lord, what is this blind faith in the churches, which does not understand that the silence of Father is His greatest anger, which is possible to appear? Since, all those traitors, who You showed me, would not have been on that cruel place if Lord had hit them in their lifetime. Why You, Jesus, did not hit them during their lifetime? Why do not You blow the present traitors in their lifetime, too? Why do You leave them to follow the way of Judas until they fall into the pit, from which there is no exit?"

Lord looked at me with a perfect attention. Then, He asked me:

"Would you say that there is injustice in the God?"

"No, Jesus! Not at all!"

Then, Lord began to talk to me in such depth that my heart began to overflow. Here are the words He told me:

"Once, when My Father raised His prophet Moses at His place, He told him words, full with deep and unsolved secret. My Father told me once:

"...I will have mercy on whom I will have mercy, and I will have compassion on whom I will have compassion..." (Exodus 33:19)

So, tell Me, Stefan! Whom Father will have mercy on and whom He will have compassion on? Do you know who they are?"

"No, Lord! I think that all this is hidden in the God's Sovereignty!"

"Although it is hidden in the God's Sovereignty, did not Father unlock His heart, so that all people might know Him? Did not He give His One and Only Son, so that no one might perish, but everybody might have Eternal Life? Then, why do you claim that you have not an access to the heart of Father? I am your access! I am the appearance of the God's Heart and all the treasures of the wisdom and knowledge are hidden in Me! Then, think that those, who you saw in the hell to be tormented by demons, were detestable to My Father. That is why He has assigned them that ominous place. Who does My Father hate? Who does He love? If you read the messages of Apostle Paul, we will surely be able to answer Me..."

Oh, splendid Jesus! How blind my eyes have been! While He was talking to me, I already knew perfectly well the verse, which I was incited to quote. Then, I told Him:

"Jesus! I understand now why You asked me whether there was injustice in the God and why You reminded me the Father's words to Moses. Since, You pointed to me the verse of the Apostle, talking about the God's choice:

"Not only that, but Rebekah's children had one and the same father, our father Isaac. Yet, before the twins were born or had done anything good or bad - in order that God's purpose in election might stand: not by works but by him who calls - she was told, "The older will serve the younger." Just as it is written: "Jacob I loved, but Esau I hated." What then shall we say? Is God unjust? Not at all! For he says to Moses, "I will have mercy on whom I have mercy, and I will have compassion on whom I have compassion." It does not, therefore, depend on man's desire or effort, but on God's mercy..."

(Romans 9:10-16)

Jesus smiled and caressed my head. Then, He said:

"Let Me now reveal to you the secret of this God's choice. So, you will surely understand why God loved Jacob, but hated Esau. You will also understand why all traitors in the hell were pierced in their heels..."

After His last words, Lord gave me a vision. I and He, we were both standing over one tent, and moans of woman in child-birth might be heard from there. Instantly, I guessed that it was a vision from the Rebekah's life, when she was bearing her children to Isaac. So, in the moment of the very child-birth, when the midwife was taking out the two little babies, Lord pointed with His hand at the vision and asked me:

"What can you see, Stefan? How were Esau and Jacob born? Look and notice carefully that!"

I looked at the vision and I noticed clearly that Jacob was holding the heel of his brother Esau. Suddenly, something miraculous happened in the spiritual world. Since, angel by the Lord appeared over the woman in child-birth and her babies. He touched Jacob and anointed his little head. When the angel withdrew, the devil appeared. Spitefully smiling, he touched the heel of Esau. All this extremely astonished me; Jesus, however, was not surprised. Therefore, He told me:

"Do you understand now that Father has known and predestined the life both of Jacob and Esau, yet before giving them image in their mother's womb? And, in order that God's purpose in election might stand, Father sent His angel to anoint Jacob, who He loved, and gave up from his birth Esau, who He hated. What is more, Stefan, did you notice what the devil did?"

"Yes, Lord! He touched the heel of Esau!"

"And why did he touch the Esau's heel? Did not all this happen, so that the ancient word of My Father against the serpent, might be true? Since, He cursed it yet in the Garden of Eden:

"And I will put enmity between you and the woman, and between your offspring and hers; he will crush your head, and you will strike his heel..." (Genesis 3:15)

God knows those, who He has foreknown. The devil also knows those, who have given up to him. Then, is there something strange that the same this Esau, incited by the devil, sold his birthright? Is there something wonderful that he was called Edom and became a personification of all people, who betray the God? Since, Edom was

that one, who became father of all traitors; so, all people, who betray the God and their fellowmen, are his offspring.

Now, look at something else, Stefan!

Look in the vision!

Do you notice that Jacob holds the Esau's heel?"

"Yes, Lord! This is a sign!"

"This is no only sign, but predestined fate for all generations: as for the God's generation, so for the generation of the devil. That is why remember the deep spiritual truth, which has never been revealed to the human generation by now:

SO AS JACOB HOLDS THE HEEL OF ESAU, SO THE RIGHTEOUS MEN WILL ALWAYS BE CLOSE TO THE TRAITORS!

Otherwise, the traitors would not have anybody to betray. As to My Church, there is a deep secret, which Apostle John talks to you about. Remember his words, Stefan! Since, he told about the antichrists:

"Dear children, this is the last hour; and as you have heard that the antichrist is coming, even now many antichrists have come. This is how we know it is the last hour. They went out from us, but they did not really belong to us. For if they had belonged to us, they would have remained with us; but their going showed that none of them belonged to us..." (1 John 2:18-19)

So, you understand the Heavenly Truth that:

AS JACOB AND ESAU WENT OUT OF ONE WOMB AND WERE ONE CLOSE TO OTHER, SO THE RIGHTEOUS MEN AND THE TRAITORS WENT OUT OF ONE WOMB AND ARE ONE NEAR OTHER! SINCE, BOTH THE RIGHTEOUS MEN AND TRAITORS ARE IN THE CHURCH; HOWEVER, LORD HAS LOVED THE FIRST ONES, SINCE THEY ARE JACOB, AND HE HAS HATED THE OTHERS, SINCE THEY ARE ESAU!

These last descendants of Esau have always been stung in their heel, so that Scripture might be true:

"Even my close friend, whom I trusted, he who shared my bread, has lifted up his heel against me..." (Psalm 41:9)

Do you notice that this close friend does not lift up anything else, but his heel? Then, do you wonder that the devil touched the heel of Esau? Do you wonder that now, many lift their heels up, turn them against their brothers and become traitors? Do you wonder that the mission, for the sake of which you have been pointed, anointed and confirmed, has always been a target of people with stung by the devil heels? However, such men are Judas' children, who will receive their lot in the hell in full degree. The demons will also pierce their heels there; they will possess and tear them, since, in the earth of the living men, these people have always shown hospitality to them and have willingly been in a hurry to do evil.

Then, look at the next sign from the life of Esau. Since, he sold his birthright for one dish with lentil stew. Read the words of Esau, which are very deep; then, I will show them to you in the life of Judas..."

I did not have to open my bible, since I remembered very well the words of Esau to his brother Jacob. Therefore, I told Jesus:

"Lord, once, Esau told his brother:

"Look, I am about to die," Esau said. "What good is the birthright to me?" (Genesis 25:32)

In the next moment, Lord pronounced words, which were like opening of a gleaming light door for me:

"Was not Judas about to die, when he was in a hurry to leave the Passover and betray Me to the chief priests and the Sanhedrin? Did not I tell him to do faster what he had decided to do? Finally, when people asked Me who that one, who would betray me, was I replied:

"The one who has dipped his hand into the bowl with me will betray me..." (Matthew 26:23)

If Lord your God was the Son of Man in that moment of the Passover, descendant of Jacob, then Judas, whose descendant was he? Who is looking for dishes to satisfy his stomach, and does not care for the wine and bread of My Covenant? Is not such man a descendant of Esau, who is Edom? However, the roots of the betrayal seem such like this. In that moment, Judas was really Esau and the devil was stinging him in the heel, provoking him to betray Me. Since, the ancient

serpent, who is devil and Satan, has never learnt anything new, neither has he forgotten anything old. He will always be stinging people of the God's circle, in order to turn them into descendants of Edom. Finally, look at My Father's wrath against Edom. Since, it is wrath, born by the wickedness of Judas and all his descendants of today..."

While Jesus was speaking, Heavenly Light from the Bosom of My Father appeared before my eyes and I saw in this Light the verses of Prophet Amos, which declared:

"This is what the LORD says: "For three sins of Tyre, even for four, I will not turn back. Because she sold whole communities of captives to Edom, disregarding a treaty of brotherhood..." (Amos 1:9)

Then, Jesus added:

"If you understood from the lawsuit against the spirit of Mammon that he was the prince of Tyre, then, think what must have been the lawlessness of Tyre in the moment of the Judas' treachery, and especially now, when hundreds thousands and millions betray Me..."

"Lord, this is so clear! The spirit of Mammon betrays Your people into captivity of Edom, who is Esau. This spirit does that, so that the believers might become traitors and forget about the Covenant You left them. Having in mind that Judas betrayed You just then, when You announced the New Testament, you might clearly see the spiritual picture, revealed before the prophet..."

"See, Stefan, as My Father revealed once the whole lawlessness before His Prophet Amos, so I reveal to you now the spiritual tragedy and the total wickedness of the present traitors.

SINCE, THE SPIRIT OF THE WORLDLY WEALTH AND PROSPERITY SURELY TURNS INTO TRAITORS ALL MEN, WHO HAVE BEEN OVERWHELMED BY HIM!

Such men will never remember the Lord's Covenant, because the Phoenician symbols in their wallets are more worth for them than all the blessed words, come out of your Lord's mouth. Therefore, I no longer entreat, but I order to all people, who hear My voice: Fall down

and repent, because of the treacheries and perfidies, which you have done toward My servant Stefan and toward all the rest of My servants!

Put on your feet readiness for preaching the Gospel of peace, because the ancient serpent, who is devil and Satan, will surely come to everybody, who is barefooted in order to make him descendant of Esau!

Look only for the Heavenly things and deny everything earth, so that your Lord might recognize you as Jacob's offspring. Since, only those, who seek the Face of the Lord, are Jacob! All the rests, who seek earth goods and treasures, might call themselves with all the names of the Holy God's men; in this way, however, they will only add fire to the anger of My Father, and brimstone – to the fire!

As to My humble men, who delight in My Father's benevolence, let My last word in this book be devoted to them..."

3. THE FAITHFULNESS, LIKE A FIERY BAPTISM OF THE FRIENDSHIP

My brother! Now, when you finish reading this book, I wish I had reasons to tell you:

“My friend!”

Since, Lord reveals to me that we live in a time of many brothers and few friends. I myself already rely on friendship, since it has a greater spiritual strength. You saw in the previous chapter that Jacob and Esau were brothers. Nevertheless, this kinship ties never made them friends. They were different. The former was from the earth, the latter – from the Heaven. The first was looking for the earth treasure, the second one longed for the Heavenly wealth. The one was beloved by Father, the other was detestable for Him. By this book, I wish that Lord heal all the scars, come in your life by treachery and insidiousness. In the same time, I hope that the Word of Jesus, the whole His wisdom will inspire you, so that you might take the right way and withstand to the very end. Do not forget that, when you take the way of the Lord, many will leave you. Instead, remember Apostle Paul. Do you know what grief and sorrow he has had in his heart, when he has written?

“...for Demas, because he loved this world, has deserted me...”

(2 Timothy 4:10)

Here in this way, many will desert you, too; since, they will love this present world. However, I do not love the world of today; that is why Lord gives me for you the most splendid words from the heart of Father. Here are the words, which Jesus gave me to tell you; these are words, pronounced by the mouth of His Father:

“My Son! The end of the time comes soon! It comes that moment, when I will repay from My fierce anger over the prostitute Babylon and over those, who live in it. You live in a world that is visible, but I inhabit the invisible world. If you want to survive in Me, you should deny the ties of the visible world and to take the ties of the invisible areas. Since, the visible is transient, but the invisible lasts forever. Now, many people blasphemed My Son, since they do not know Him,

and I have never called them to go to Him. I draw to Me everybody, who wants to come to My Son; however, I do not attract anybody, whose heart longs for the earth things and who has decided that the Name Jesus is the way to gain this world. However, what good will it be for a man if he gains the whole world, yet forfeits his soul and heart? What will his destiny be? My Son left you His Covenant. There is nothing from this world in it. My Son left you His Love and told you that nobody had greater love than giving his life for his friends. You suffer now, because you do not give your life for your friends, but for traitors, who tear at your hearts. Therefore, Lord your God calls you never more give your life for the traitors, but to test the faithfulness of your fellows in Fire.

Here, I pour Fire in your hearts! It will make you ardent! Then, there will not rest traitors around you, because the descendants of Edom can not endure My Fire. And, when you will be given up to contempt and abusing, to hatred and sorcery, to the fire of this world, then, it will be better for you to hide yourselves in My Fire and see who will follow you in the suffering and persecution!

LOOK AT THESE MEN! THEY ARE SENT BY ME! THEY ARE MY WITNESSES!

Whoever has not My Fire, he is not My witness and he can not endure fiery suffering for Me. Such man will not enter the fiery furnaces of the last Nebuchadnezzar. I swear in My Name:

SUCH MAN WILL NOT TAKE A PART IN THE SALVATION AND REDEMPTION BY MY SON!

Since, My Son will be evident in this last time only for those, who suffer according to My Will, who voluntarily give themselves up as a Holy Offering and who are ready to endure all the abuses, the whole hatred and persecution, the whole treachery and evil!

I have not other test for you in this last time, except for the fiery baptism of the friendship! I have not other test for you, save the test of the faithfulness! Since, it is faith to confess Jesus for your Lord; however, faithfulness demands from you to prove it! Let your hearts receive My words and begin to live with My appeal:

SINCE FAITH, TESTED BY THE FIRE OF LOVE, TURNS INTO FAITHFULNESS!

SO, FAITH, FRIGHTENED BY THE FIRE OF SUFFERING, TURNS INTO TREACHERY!

I pronounced it! I spoke it!"
