## TO YOUR HEART

My dear brother! My faithful friend!

I have the perfect belief by the Lord that the contents of this book will surely be like a sunbeam for you which will open your eyes for the spiritual world. As the whole mankind is dipped by the earth atmosphere, i.e. by those immense air layers, disposed upon the earth, so all we live, too, among one other atmosphere, invisible for the eyes - the environment of the spiritual world. Though invisible, this spiritual world is very real for our hearts. Though invisible, its winds are blowing upon the face of the earth. I am going to talk here just about these spiritual winds. However, let me tell you before all, that I could not decide to write the contents which you see below for a long time. Nay - the same decision to appear the knowledge of the spiritual winds before my brothers and sisters in the Lord provoked a storm upon my heart. Then I felt how insupportable and cruel is the suffering because of the storm. Since I realized, indeed, what it was like for a man to be bent and broken by the wind...

I don't know if you have ever been a witness of a storm or hurricane, but I am sure that you have heard at least of such natural disasters. Imagine an wind, which is so strong, that it raises the houses like boxes of matches and casts them kilometers away from their place. Imagine a wind which uproots big trees or overturns even trains. Then, tell me if there is a greater and mightier element than the wind...

When Lord Jesus Christ came to my heart to talk to me about the winds of Life and death, some verses from the Gospel had already emerged in my heart. They declared:

**“Therefore everyone who hears these words of mine and puts them into practice is like a wise man who built his house on the rock. The rain came down, the streams rose, and the winds blew and beat against that house; yet it did not fall, because it had its foundation on the rock. But everyone who hears these words of mine and does not put them into practice is like a foolish man who built his house on sand. The rain came down, the streams rose, and the winds blew and beat against that house, and it fell with a great crash...” (Matthew 7:24-27)**

And while I was still repeating these verses in my mind, Lord asked me:

**"Tell Me, Stefan! Do you perceive, that there is one gradation of the elements in My words? Do you perceive, that I begin with the rain, and I finish with the wind? Does not it come to reveal that just the wind is that phenomena, which is the strongest among the spiritual elements?"**

"Yes, Lord! So it is!"

**"Think then what the natural wind is like. Is not it a movement of the aerial layers? And if the natural wind is a movement of air layers, then what will the spiritual wind be like?"**

"Lord, the spiritual wind is the movement of the spiritual powers..."

**"No only movement, My boy! No only movement, but a guidance of these spiritual powers against the life of the man. For I told you in my proverb just this - that the rain came down, the streams rose, and the winds blew and beat against that house. Perceive also, that the house of the foolish man and the house of the wise man, both they were under the target of the winds. This fact comes to show, that the winds will attack the faithful people, as well as the faithless; the believers, as well as the unbelievers. Only those men, who have built their spiritual homes on the Rock, Who I am, will withstand their attacks. However, how many people can recognize the winds in the spiritual world? How many know how they move? How many realize, that if it is written about Satan that he is the ruler of the kingdom of the air, then such prince will surely direct and rule over lots of winds? Just therefore I came to you, in order to give you the inspiration, anointing and the firmness to write this book. For, the time has come, when the righteous people should withstand the attacks of the winds at all costs. So, they will overcome only then, when they know the Heavenly Wind of the Lord. That Wind, Who will raise them highly over the world, in Heavenly places, and will make them servants according to the Perfect Will of My Father. That's why, however is wise, let him follow My voice in this book. Whoever is sensible, let him open his heart; so I will come in it and confirm it. Since the winds of the devil will be getting more and more powerful from now to the Last Day and**

**many will perish among the frightful waves of the world. Only that one, who obey and follow Me, will live in the quiet and calming places of the Holy Spirit. Now, let Me give you the visions with the winds of the devil, that blow on the face of the whole earth..."**

After His last words Lord stretched His hand to me and touched my head. Then visions appeared before the eyes of my heart that I was going to talk about in the following chapters of this book.

I pray Jesus for your perfect protection and covering by the Holy Spirit, so that you might comprehend and rationalize the exceptional message of this book.

The message about the winds of Life and death.

Amen and Amen!

## 1. THE VISION WITH THE NORTHERN WIND OF THE DEVIL

My brother! My faithful friend!

I am entirely convinced that you have felt such a wind against your heart. May be you have not known that it is a wind. May be you have felt it like a violence over your heart, like a pressure of bad thoughts or like a breath of invisible power, but there is nothing else for the faithful in Christ save to win through the wind by the whole faith of their hearts.

The vision I am going to reveal you now come to show one deeper prophetic sight upon the winds of the devil. Since, as all kinds of winds blow over the earth, so there are different appearances of the satanic fury and wile in the spiritual world over us. Here is the same vision, which Jesus revealed before my eyes:

I was raised by the Power of the Holy Spirit over the planet earth. Then I perceived four winds, which were blowing on the earth. You know well the earth directions; the four cardinal points are:

East, West, North and South.

So, the four winds of the devil were blowing, too, from the four spiritual points to the earth. And while I was examining the winds, Jesus appeared next to me. He told me:

**“Just from here, Stefan, you see the winds of the devil. These are four winds. The Eastern, the Western, the Northern and the Southern. These winds have been blowing since the moment, when the devil was cast away on the earth together with those, who approved his pretensions to have an authority and majesty like the God...”**

After the words of Lord Jesus my eyes caught a sight, that stroke me. I saw millions demons, heaped up together, who were moving that way, where Lucifer would point them. The same fallen cherub was standing in the middle of the earth and swung his wings. Just the swinging of his wings determined the movement of the millions demons. All they were precisely examining and obeying the orders of their boss. Their movement was so fast that turned into wind. So, these winds overtook millions people, and tossing them, knocked them down on the earth. In the moment, when anybody fell on the earth, the demon, which succeeded first to throw him down, slipped in his heart.

However, the winds of the devil were really four. In difference to the earth regard, which would look for the earth direction, the spiritual regard saw something else. So, the Northern wind of the devil was not coming from the earth direction "north", but it was blowing from the subcelestial to the earth places. And the Southern wind of the devil was not coming from the earth direction "south", but from the places of the hell itself. All this surprised me; then Lord told me:

**"I will reveal to you how these winds blow; that's why I will point you at first the Northern wind. For this is the wind, which blows against My faithful children. Therefore, let us both see its attacks from close by..."**

After the words of Jesus the Power of the Holy Spirit approached me to the Northern wind of the devil. It was the imposing babel of demons, ordered in long kilometric columns, whose end touched heavenly places. And here, that my look perceived also the faithful Christ's people. All they were wearing fine linen, bright and clean, and were walking upwards along a light trace, suchlike a sunbeam, which Jesus revealed me to be His example on the earth. Just a moment later the attack of the Northern wind began. All these demons began to pounce on the followers of Jesus in order to lead them out of the light trace. The faithful, however, remained unshakable. While I was examining this vision, Lord told me:

**"Would you like to feel the attack of the Northern wind? Would you like to know what all My friends, who follow firmly My example, feel? Then, stand among them and go along the light trace, left by My example?"**

After His words, Lord put myself among His followers; so I became a part of them. A moment later, my eyes noticed how the Northern wind began again to attack the faithful men of Jesus. Then I felt a chill and cold. This icy breath was so might that I felt myself to be freezing. My hands as if became stiff and cold and the pain by the chill began to pierce my heart like thousands spines. Then I cried to the Lord:

"Jesus, it was getting very cold! It is a bitter cold! I can not stand it any longer! How can Your friends withstand, Lord?"

Then Jesus, Who was standing only some meters from me, told me:

**“Perceive, that despite the bitter cold, My faithful people neither have frightened, nor have turned off. Look at their hearts, Stefan!”**

I looked at the heart of the God’s people and I perceived then, that a lively fire was blazing in them. It was a fire, in whose extinguishing the icy wind had not succeeded. On the contrary - the more the attacks of the wind were rising, the more the fire was blazing, too. Then I understood that this fire was the God’s Love. I understood that the same God’s Love kept the faithful ones. For in spite of the fact, that the icy wind was charged with evil and abusing words, with curses and hate, with calumnies and despise, all this had not still made anyone of the God’s people answer to the evil with evil. They loved their enemies and were praying for them, but they did not deviate from their way and calling even for a moment. So I (in the vision) stretched my hand to the heart of one of the men. A moment later my hand burst into flames, and I approached it to my heart. Then a miracle happened inside me. For, the hatred had no effect on me yet, and my spirit was enlivened and fiery. My hands, stiffened and paled by the cold, restored their glow again. And Lord told me:

**“Write this vision on paper and say to all My brothers and sisters, that they will get over the Northern wind only with the Fire of the God’s Love. For the Northern wind is the wind of the religious malice and contempt. The Northern wind is the wind, which is charged with the sorcery, reproaches and obloquy of the fleshly Christians, who hate and despise My witnesses and messengers and don’t wish to follow My example. Then the activity of all these millions demons has the power of wind against the God’s faithful people. Many of them can not often withstand the blasts of this wind and fall down, because they answer to the obloquy with obloquy, to the calumnies with calumnies and so they open the place for the devil in their hearts. They never get up more to glorify the Lord’s Name in their hearts, suffering because of Me.**

**However, if you think that this is the only activity of the Northern wind, then you have never seen how the devil is cruel and insidious. Therefore, let Me now reveal to you the other attack of this wind, too. For, in difference to the first attack, which confirms My people and**

**makes the faithless fall away, its second attack causes to the hearts something more than death...”**

After the words of Jesus the vision was changed and my eyes were already examining the immense hall, full with thousands people. They were crying, jumping and dancing, but the leaders of these men were standing on the stage. And here, that the Northern wind rushed down and filled the whole space of the hall. This way it was like a tornado. It is a truth universally acknowledged that the tornado is a special sort of storm. When this storm hit, the wind whirls and something like a sleeve or funnel comes down from the clouds to the earth, sucking everything in itself. So the funnel of the Northern wind descended upon the hall and began to suck in itself all people, beginning with their leaders. This fact made the thousands people cry “Hallelujah” and praise their own righteousness and holiness. A moment later my eyes were already examining an amazing and spectacular picture. All thousands people were already whirling in the funnel of the tornado, which was raising them more and more upward. The more upward people were rising, the more the air was resounding with their cries. Looked at shorter range, the people in the funnel were in much more terrible state. Every one of them were seized by a demon of pride and exaltation and was whirling together with it in the devilish tornado. Then Lord told me:

**“If you have not seen what the religious giddiness is like, the moment for you to see it is now. For Satan will not stop his tornado, unless he corrupt totally all people, who he has made put on airs and get conceited...”**

So it was. Everything before my eyes explained the words of Jesus. For the Northern wind was getting up more and more and the funnel of the same tornado was whirling more and more fast. Then it occurred something unexpectedly. It appeared centrifugal forces in the tornado, which made so, that all thousands people were scattered in all directions from a great height. Having a great fall, they were breaking their heads and bodies on the earth. So, it was the first time in my life, when I understood and realized the essence of the verses, written in “The proverbs of Solomon”:

**“Pride goes before destruction, a haughty spirit before a fall...”  
(Proverbs 16:18)**

And Jesus, looking at the thoughts of my heart, added:

**“Say to all people and let them know, that the pride and the haughty spirit are attacks of the Northern wind. Only the humble and lowly people will get over these attacks. The target of every demonic attack like this, is to raise the man deceitfully high in the subcelestial places of Babylon, making him fancy that he is worthy and raised by the God. Then the fall becomes inevitable. For the aim of the devil is just this - to turn the heads of people and to raise them upwards, from where the fall is doubtless a spiritual death. Then, tell Me, Stefan! When has your head swum? Or, when have you felt dizziness?”**

“Lord, it happened to me, when I was a child, when I had gone to the fun-fair and driven on the merry-go-rounds. As soon as I get down them, I have felt just the giddiness...”

**“Do you understand now what the religious dizziness and exalting is like? If you have been whirled by roundabout in a fun-fair, then what else has whirled the God’s apostates except the Northern wind of the devil? What else could whirl today the heads and hearts of those people, who despise My voice and don’t wish to repent because of their evil deeds? Do not you understand that all they have fallen long since in the funnel of the devil’s tornado, which will cast them from the high place in a moment and hour, when they proclaim “Peace and safety”?**

**So, should My people look for occasions and manners for fast raising in the religious hierarchy? Should My people be looking for the cheap fame and giddiness, which price one usually pays with his destiny in the eternity? Should My people be striving to the claps in lustrous conferences, that are always a target of the Northern wind, when they could remain at My knees with humility?**

**Let all sensible men recollect the words of My Father, related with the Northern wind. For these are words about the God’s punishment over the retreated churches:**

**“From the north disaster will be poured out on all who live in the land. I am about to summon all the peoples of the northern kingdoms,” declares the LORD. “Their kings will come and set up their thrones in**

**the entrance of the gates of Jerusalem; they will come against all her surrounding walls and against all the towns of Judah. I will pronounce my judgments on my people because of their wickedness in forsaking me, in burning incense to other gods and in worshipping what their hands have made..." (Jeremiah 1:14-16)**

**The time is now, when the northern kingdoms of the devil, i.e. the authorities and powers of the wickedness in heavenly places, have put their thrones in the entrance of the gates of Jerusalem. And when one come into these gates, his heart will surely satisfied with pride and exalting, with northern wind, full with hatred against the faithful people of God and pride for the devil's worshipers. Therefore, there are destinies of exceptional exalting and crushing fall by my God and Father upon all who worshipped what their hands had made and gave the glory to their own inventions.**

**That's why I am turning now to all My people with the words of prophet Jeremiah:**

**"Raise the signal to go to Zion! Flee for safety without delay! For I am bringing disaster from the north, even terrible destruction..."**

**(Jeremiah 4:6)**

**Here is the evil, it has already come! Will you stay more in the middle of it? Are you still standing among those, whose gospel concerns the earth, but not the Heaven? Are you still standing amid the funnel of the Babylon's vainglory, that sucks thousands and millions people every day? Here, My Kindness is spread out to you. Take My hand and walk the Way, on which you will feel the whole hatred and despise from the men. For, only so you might be sure, that you are going to Zion. Only so you will be sure, that the Northern wind blows against you, but no inside you..."**

After the last words of Jesus the vision with the Northern wind stopped and Lord gave me a new vision. The vision with the Southern wind, called also Scorching wind.

## 2. THE VISION WITH THE SCORCHING WIND OF THE DEVIL

My brother! My faithful friend!

I have not a reason to hide from you that the way to the Salvation is really the most difficult and responsible vocation in the life of man. Years in I have been entirely in the dark about the spiritual world and the power of the wickedness, hidden in it. Years out I have thought that the faith in Jesus in the easiest thing. You have only to confess His Name, to receive Him as your Lord and... that's all. You are already saved! However, the matters do not stand in this way. The God's Word tells you, that you have to grow to Salvation; you must not think that you are saved. Jesus talks to you that you must acquire your soul, saying about that:

**"All men will hate you because of me. But not a hair of your head will perish. By standing firm you will gain life..." (Luke 21:17-19)**

Could you see, my brother, what is hidden in these Christ's words? Could you see how powerful spiritual relation there is between these Christ's words and the others, that I began this book with. For, if you gain life by standing firm, then, just the firmness is that Rock, which the wise man built his house upon. And when the rain came down, the streams rose, and the winds blew and beat against that house, yet it did not fall, because it had its foundation on the rock. So I want for you to have your foundation on the rock, too; since the rock is Christ. The winds of the devil, which He reveals to me in this book, have not been active for a short time. They were active in the time, when He pronounced His words, but their culmination is now. And if people rely on the weather forecast to prognosticate the natural weather and climate, then what would happen to those Christians, who don't recognize the spiritual prognosis of the time? Would they be able to recognize the winds of the devil? Would they have a power to get over the evil elements, if Lord was not the only power of their hearts? Do not you understand, that if Heavenly Father has allowed to the devil to have such power and authority, it is due to the fact that just Lucifer is the cleaner of the Heavenly Kingdom. His activity is the full guarantee, that nothing impure and desecrated will ascend in My Father's Home. For, where there is a rubbish, there must be somebody to gather it there, too. And just the winds of the devil are the broom, by which help the

Heavenly Father will blow off everything impure and obscene, in order to prepare it for the burning sulfur of His anger.

The reason for me to begin in such a way this second theme, concerning to the second vision, is in the fact that the Southern wind of the devil, called also Scorching, is much more cruel and insidious than the Northern. For, if the Northern wind comes from above, the Southern comes from below. If the Northern wind is cold, the Southern is hot. And if people usually escape the cold, then the hot mostly attract them. Therefore, before seeing the vision itself, let me remind you the verses of the psalm, given to me by the Lord Almighty:

**“The LORD examines the righteous, but the wicked and those who love violence his soul hates. On the wicked he will rain fiery coals and burning sulfur; a scorching wind will be their lot...” (Psalm 11:5-6)**

See again what the lot of the wicked will be. For, neither the “fiery coals” are really coals, nor the “burning sulfur” and “scorching wind” are natural sulfur and wind. The truth is that the fire, sulfur and scorching wind are the real breath of the hell, the fiery wave from the dark kingdom, the Southern wind of Satan.

One might say very much about this Southern wind, however, let me now reveal to you the conversation, which I had with my Lord before the actual vision. Since just in the course of this conversation He revealed to me the Southern wind of the devil like a Scorching wind.

Here are the words that Lord began to talk to me with. He told me:

**“Stefan, remember and convey to all My brothers and sisters what you will see in the vision with the Southern wind. For, the greatest power of this wind consists in its ability to dry up the human hearts and to parch the conscience. By this wind Satan has always wanted the hearts of the living men in everything to be like the hearts of those, whose lot has befallen in the hell. Since the hell, Stefan, is that place, where all people without God’s Image and likeness, are haunting. Since My Father said once: Let us create the man in Our Image and in Our Likeness. We no only formed the man from the dust of the ground, but we also breathed in his nostrils the breath of Life. And the breath of Life is a Breath of the Light. So as the Breath of the**

**Light in the human spirit is not anything else but the conscience, i.e. the laws, put by My Father and written upon the heart. Do you understand now, that the hell is intended just for hearts that have been devoid of the divine seal of Light, since their conscience has scorched and they are incurably corrupted and destroyed in their own spirit. Therefore, examine closely the vision I am to give you and you will understand why the Southern wind is also called Scorching..."**

After His last words, Lord gave me a vision. It was a moment before the Sunrise, in the early morning. I saw the valley, where were gathered many people. And here, the Sun was already rising on the horizon, but the men, as soon as they saw its rise, turned their faces on the other side, so that not to look at it. It became so that all their looks were turned to the ground. They stretched their hands to the dust, and their fingers were opened so as if they were expecting the suitable moment to grab anything. The more of them kneeled and began to dig up the earth, so that one was left with the impression that they were digging the dust itself with their hands. And here, they were digging more and more eagerly, while gold and silver coins shined before their eyes - coins, which they had found in the dust. Then, people were gathering the coins in their bosom with joyful cries and keep on digging more and more downwards. In this moment, Lord approached to me and told me:

**"Examine closely how the things will go with these people. Since they desisted from looking at the Sunrise and stretched their hands at the earth things, and the earth rewarded them for their zeal..."**

So, after the words of Jesus, I perceived how the Southern wind gushed out of the earth itself, suchlike the geyser. That were thousands demons, gathered together. They took aim at the people, then rushed all together and possessed them. A moment later the hearts of the men almost wrinkled by the heat of the wind, but their faces began to wither, so that became like the faces of dead men. The more the Southern wind was active in the hearts of people, the more they were getting dry, while, at last, their very beings acquired a horrible air. That was no longer men, but monsters with dry and wrinkled skin and hearts, burnt by the heat. The very vision terrified me. I sobbed out before the Lord, asking Him:

"Jesus, what do you present to me? Do not you see, that these people lose everything like human beings? They began to resemble to the monsters, as in the horror film..."

Jesus said:

**"The films, Stefan, are human invention. The things you see here are not any invention, but the reality itself. Since the Southern wind is sent by Satan in order to burn the conscience of the men. So, they dry by his heat to such extent, that he becomes to them a Scorching wind, coming to fulfill the curses by Father for all who hate and despise Him. Remember, were there words about this wind in the Scripture of My Father?"**

I did not need to think over the words of the Lord, since the anointing by the Spirit upon my heart was more than powerful. Therefore, I told Him:

"Yes, Lord. His servant Moses admonished in the "Deuteronomy" all the Israelites what the Lord's curses were, declaring:

**"The LORD will strike you with wasting disease, with fever and inflammation, with scorching heat and drought, with blight and mildew, which will plague you until you perish..."**

**(Deuteronomy 28:22)**

**See then, what My New Testament talks about it, Stefan. See what one of My servants talks about this very wind. For many people do not want to read the Old Testament; they are always quoting deceitfully the words that it has been obsolete; however, it is not the Word of My Father, but just they are aging and obsolete. Does not My apostle James talk about the Southern wind of the devil, revealing just its deadly strength?"**

While Lord was pronouncing His words, the verses from the James's message appeared before my eyes. They declared:

**"The brother in humble circumstances ought to take pride in his high position. But the one who is rich should take pride in his low position, because he will pass away like a wild flower. For the sun rises with scorching heat and withers the plant; its blossom falls and its beauty is destroyed. In the same way, the rich man will fade away even while he goes about his business..." (James 1:9-11)**

Then Jesus continued to talk again. He told me:

**“Do you perceive in the vision, that people began to dig the earth a moment after the Sunrise? Did you perceive how all they turned their backs on the Sun and stretched their hands to the earth? Are you astonished then, that while the Sun was rising, the Scorching wind was blowing, too? Does not the written in the Word become fact, namely that “the sun rises with scorching heat”? Then, what is the meaning of this very sign, which James describes in his message and which I already revealed to you in the vision itself?”**

“Lord, I understand it in such a way: You are the Sun of the Truth. When You are rising, you call us to go to You and after You. However, in the same time with You, the Scorching wind comes out of the hell’s womb to destroy by its breath those, who despise Yourself and abuse the holiness of the Gospel. So, I understand why after rising of the Sun, people turned their backs on Him and stretched their hands to the earth...”

**“Just right, My boy. Here is the deceit of the Southern wind. It is a deceit that makes many turn their eyes away from Me and look for their realization in the earth dust. Such men want to be rich with the earth treasures, instead of looking for the Heavenly ones. They have forgotten the warning of James; they have never understood it. Just therefore they have become preachers of financial prosperity, they have been possessed by the demons from the hell and the Scorching wind has burned their conscience. So the written in the Word comes true, namely the verse which says:**

**“He boasts of the cravings of his heart; he blesses the greedy and reviles the LORD...” (Psalm 10:3)**

**It is not possible for you to blesses the greedy and reviles the Lord and Stan not to perceive this fact!**

**It is not possible for you to stretch your hands to the earth and the demons from hell not to tremble with rapture that you have become a target of their Scorching wind!**

**For the Sun Christ surely rises with the Scorching wind, so that if anybody averts his eyes from Me and turns his back on Me, he will surely meet the hot wind of the devil.**

**For the financial prosperity is the teaching of Babylon. By its help the wickedness of the devil is confirmed in the churches! Why is there no one wise men, who may perceive and no one seeing, who may understand, that just in this way the destinies of My Father against the wicked appear? Since He was talking through His prophet just about those, upon who the Southern Scorching wind was blowing:**

**“See, I will defend your cause and avenge you; I will dry up her sea and make her springs dry. Babylon will be a heap of ruins, a haunt of jackals, an object of horror and scorn, a place where no one lives. Her people all roar like young lions, they growl like lion cubs. But while they are aroused, I will set out a feast for them and make them drunk, so that they shout with laughter - then sleep forever and not awake,” declares the LORD. “I will bring them down like lambs to the slaughter, like rams and goats...” (Jeremiah 51:36-40)**

**Let no one of the goats ask Me why she has gone at the tribe of the wicked! Let no one of the lovers of money ask Me why he has been thrown in the hell, even if he has hoped that he will be in the Paradise! For the time is now, when many people are aroused in their wickedness, stretching their hands to the earth. Such men know that the Sun has risen, but they don't humble themselves so that to acquire It. Contrariwise - they turn their faces from Heavenly Gospel to the abominations of the earth. So, I declare to all lovers of money and worshippers of the financial prosperity:**

**Fiery coals, burning sulfur and scorching wind will be your lot!**

**A sand and eternal desolation will be in your hearts!**

**For you despised the Sun of the Truth and the Spring of the Eternal Salvation!**

**For you did not raise your hands to the Heaven like Abraham, but stretched them to the earth like Judas...”**

After the last words of Jesus the vision with the Southern wind stopped and Lord gave me His following vision.

The vision with the wind, blowing from East.

The wind of the vanity.

### 3. THE VISION WITH THE WIND OF THE VANITY

My brother! My faithful friend!

It is not possible for you not to have been shaken by the words of the Lord. It is not possible for you to read these prophetic lines with apathy and indifference. It is not possible the enlightenment of the devil's winds not to bring to a change in your heart. For the sake of this change I am ready to pass through all the malice and fury of the devil - with the one and only wish to have the great privilege to give to the God's children from the Bread of Zion. For in this windy and trouble times many people must remember how the Christ's apostle insisted in his message:

**"Then we will no longer be infants, tossed back and forth by the waves, and blown here and there by every wind of teaching and by the cunning and craftiness of men in their deceitful scheming. Instead, speaking the truth in love, we will in all things grow up into him who is the Head, that is, Christ. From him the whole body, joined and held together by every supporting ligament, grows and builds itself up in love, as each part does its work. So I tell you this, and insist on it in the Lord, that you must no longer live as the Gentiles do, in the futility of their thinking. They are darkened in their understanding and separated from the life of God because of the ignorance that is in them due to the hardening of their hearts. Having lost all sensitivity, they have given themselves over to sensuality so as to indulge in every kind of impurity, with a continual lust for more..." (Ephesians 4:14-19)**

Do you see, brother, how Paul edifies and encourages us to stand away from the winds of the evil one? Do you perceive, how he tells us that many of us are children, **"tossed back and forth by the waves, and blown here and there by every wind of teaching?"** When the God's Word tells you, that there is an wind, let the words of the Holy One be regarded as true, but the human opinions as false. For many Christians prefer the large road of the world instead of the narrow way of Jesus. They find a pleasure in being just like the gentiles - with vain and conceited mind, darkened in their reason and odd to the God's Life. So, whoever seeks, he surely finds. Whoever wants - he receives. And whoever knocks, the door is opened to him. Since the main idea

in this chapter is to be the spiritual view upon the wind of the vanity, then, look again at the written by the apostle. For Paul tells us that it is very natural for the gentiles to live in this vanity - in the futility of their thinking. And if their thinking is futile, how much more there will be an wind of vanity? Especially, when there is a whole book in the Old Testament, devoted to this wind. This book is "Ecclesiastes". Solomon says there many times:

**"I have seen all the things that are done under the sun; all of them are meaningless, a chasing after the wind..." (Ecclesiastes 1:14)**

I would like for you to think over this, my brother! For, if the wind pursues you, it is not the same thing, as when you are chasing after the wind. When the wind pursues you, then you are under persecution. However, when you are running after the wind - then you are in a full suicidal insanity. This is the reason for the Lord not to be indifferent to my reasoning over the wind of the vanity. Here they are the words, He told me:

**"Stefan, My people must surely recognize the wind of the vanity. For this is the Eastern wind. And if the Sun always rises from East, just the East is the direction, where the attack of the devil is coming from. The aim of this attack is to hold people under the Sun, but no in the Sun Itself. Just in this way this wind keeps the whole world under its power. The more guileless looks the vanity in people's eyes, the more deadly is the devil behind it. So, let me ask you - what is your vision about the vanity?"**

"Lord, this is the trust in things without eternal value. During the past years You enlightened my heart and I understood that the vanity is just the sand, that the foolish man built his house upon. That's why it fell down later..."

**"Just right, My boy. Here is the place, where you will need the knowledge I have already given to you. However, I will add something new to this knowledge. It is something which you have never seen, but you ought to see, so that you might write and give it to My brothers and sisters. So, let me now put you in the vision with My disciples..."**

After His last words Lord touched my head with His hand and I found myself among His disciples. All they, together with the Lord, were gathered in

a boat that was ready to sail. And here, we really put out into the open sea. Then Jesus told me:

**“Be attentive in what will happen. For just therefore I have brought you here...”**

After His words Lord moved away from me and lied down under one of the masts, closing His eyes. And His disciples, who were laughing and crying, began to thrust their hands into the bags and to take sand out of them in their hollows. So, while the first one was taking the sand out, the other put his hollows under his; then the first let the stream of sand down and so the thousands grits were flowing down in the hollows of the second. A moment later the second was doing the same thing like the first, and the first put his hollow under his. All this irritated me. I saw people, who were playing with the sand like little children. They were handing the sand each other and taking a pleasure in it. Then I looked at my Lord and I noticed that He was sleeping. Nobody was looking Him for anything. Nobody wished to communicate with Him. People were indulged in communication between themselves and just their conversations were this fine sand. They were ready to talk for hours about their business with fish or to tell each others stories from their own being. So, after a while, the arch of heaven over the boat itself changed. The sky got darker and the clouds as if went down over the little boat. Then a wind began to blow. In the beginning it was not so strong. However, the more Jesus' disciples were throwing the sand in their hands, the more the waves around the boat were getting stronger. Finally a terrible gale arose. The wind became really horrible and the waves began to overflow the deck of the boat. It made the disciples throw the sand and look around. They were looking for the Lord. Finally they saw Him, sleeping under one of the masts. One of the disciples, as he began to pull His mantle, cried with very frightened voice:

**“Lord, save us! We're going to drown!” (Matthew 8:25)**

Then, Jesus, as He opened His eyes, looked at His disciples and told them in a loud voice:

**“You of little faith, why are you so afraid?” (Matthew 8:26)**

Then He stretched His hand against the storm, so that the wind and the waves sank in a moment. Seeing the sign, the men continued to toss the sand in their hands. They asked:

**“What kind of man is this? Even the winds and the waves obey him!” (Matthew 8:27)**

And Lord, as He turned at me, asked me:

**“What kind of man am I, Stefan? Why the winds and the waves obey Me?”**

Listening to the Lord, I answered:

“Jesus, You Are Lord and God!”

**“And did not all people, gathered in the boat, know, that I am Lord and God?”**

“No, Jesus! They were very busy with their earth conversations; so they could not understand that the King of Heaven is amongst them...”

**“Do you wonder then, why I was asleep? Do you wonder, why the Son of Man, Who had no place to lay His head, found a place under the masts and fell asleep? Was your Lord tired, Stefan, that He went asleep?”**

“Lord, You have the Eternal Power of Your Father, Who never gets tired. Nay - Your words are coming to my heart now:

**“My Father is always at his work to this very day, and I, too, am working...” (John 5:17)**

**“And why, despite the fact that My Father is at His work to this very day, I lied down and fell asleep under the mast?”**

“Lord, this is evident, that everything is due to the sand. Since all Your disciples, just a moment before the storm, preferred to toss and throw the sand, instead of communicating with You. They were unwise, because they did not wish to build their spiritual home in communication with You, but they preferred their earth thoughts and inventions. That’s why you, leave them, and let them go after the passion of their hearts...”

Jesus looked at me very carefully. Then He said:

**“Just this sand, Stefan, brought the storm and the waves. For all My disciples wished the wind of the vanity. It was more desirable for them to indulge in earth stories and vanity, instead of appreciating each second, when the Son of Man was amongst them. Here, such is the wind, which is turning upside down thousands boats and services these days. For, instead of preaching Christ, many people prattle idle**

**talk and give earth testimonies, lacking in the God's Power and anointing. Do you wonder then, that your Lord will surely go to sleep under someone of the masts? And when Christ is asleep, then your faith is asleep, too. Just then you stop to be sober and awake, and the waves of the world overflow the church, where you are. Therefore, I tell you and whoever is awake, let him listen to Me:**

**Throw off the vanity amongst yourselves! Throw off the sand from your hearts! Awake the Son of Man and don't leave Him rest, unless He did His Perfect deed in His Temple!**

**For, when I am amongst you, then Mercy and Kindness by Father have come to your hearts! Why, then, do you run after the wind of the vanity? Why do you prattle your idle earth talks? Why do you scratch the itches of your earth greatness?"**

"No, Jesus! It must not be fact! Since then the waves will rise and turn the boat upside down. We must worship to You! We must appear Your Name amongst us! We must confirm the Rock and throw the sand away..."

**"Then, perform the written! For My apostle said categorically to all you:**

**"So I tell you this, and insist on it in the Lord, that you must no longer live as the Gentiles do, in the futility of their thinking. They are darkened in their understanding and separated from the life of God because of the ignorance that is in them due to the hardening of their hearts. Having lost all sensitivity, they have given themselves over to sensuality so as to indulge in every kind of impurity, with a continual lust for more. You, however, did not come to know Christ that way. Surely you heard of him and were taught in him in accordance with the truth that is in Jesus. You were taught, with regard to your former way of life, to put off your old self, which is being corrupted by its deceitful desires; to be made new in the attitude of your minds; and to put on the new self, created to be like God in true righteousness and holiness. Therefore each of you must put off falsehood and speak truthfully to his neighbor, for we are all members of one body..."**

**(Ephesians 4:17-25)**

**Only so you will be kept from the waves of the world! Only so Christ will be steersman of your boats and will stretch a hand to calm all storms and waves in your life! For just the falsehood is that sand, which you must throw away! For nobody else, except Me, can rule the boat of the Eternal Salvation..."**

After the last words of Jesus, the vision with the boat and the storm stopped. Then I understood in my heart, that the vanity really rises the most horrible wind against the Christian services - the wind of the worldly spirit and human leadership! The wind that lulls the faith, so that to bring us back in the world, which Jesus has taken us from. The wind, making us look for the things under the Sun, but not in His Name and Light. Therefore, let the verses, which I am going to finish with, help you to awake Christ in your life:

**"Since you call on a Father who judges each man's work impartially, live your lives as strangers here in reverent fear. For you know that it was not with perishable things such as silver or gold that you were redeemed from the empty way of life handed down to you from your forefathers, but with the precious blood of Christ, a lamb without blemish or defect..." (1 Peter 1:17-19)**

## 4. THE VISION WITH THE WIND OF THE DOUBT

Here I begin with examining of the last from the wind of the devil. This is the Western wind, called also Wind of the Doubt. At first, I would like to remember to you the words of Apostle James, who says in his message the following:

**“If any of you lacks wisdom, he should ask God, who gives generously to all without finding fault, and it will be given to him. But when he asks, he must believe and not doubt, because he who doubts is like a wave of the sea, blown and tossed by the wind. That man should not think he will receive anything from the Lord; he is a double-minded man, unstable in all he does...” (James 1:5-8)**

Do you see how the apostle talks, that a man who doubts in his heart, is like a wave of the sea, blown and tossed by the wind. It comes to show, that the Wind of the doubt is very real. As to the fact, that this wind is western, let Me now give you the words, which Jesus spoke to my heart. He said:

**“Stefan, you understood till now what the Northern, Southern and Eastern winds were like. Now, you have to see the Western wind, which is an wind of the doubt. Tell Me then - what is your relation with Me? Which is that motive, that gives you a strength to follow Me and obey Me?”**

“Lord Jesus! I believe in You! I believe, that You Are Mighty and Powerful to protect all Your children from the Evil One! I believe, that You Are faithful to accomplish all Your words in my life, provided I follow You with undivided heart...”

**“Do you see, you said it very well? You must follow Me with undivided heart! Here, just this is the faith - to give your heart in My hand and I to rule over all your thoughts, words and deeds. What do you think, then? Will the devil look how I deprive the hearts of his power and make them inherit Salvation, without reacting? Will not he do everything according to his power, so that to take the hearts back under his power and authority? Will not he use his greatest slyness, so that to stand in the way of the faith in Me? And when he succeeds with anybody, then, do not I go down in the life of such a man?”**

"Yes, Lord! Then you go down..."

**"Know then, that always and forever, where the Sun Christ has gone down in the life of the men, the Western wind has doubtless blown over them. Since the Sun always sets to the West. Just from there the devil brings the wind, which destroys and kills the faith in Me. You must know the strength of the Western wind. For this is the power of the doubt. Just therefore My apostle warned all you not to doubt. You, however, think more over the doubt. Which are the things, making people doubt?"**

"Lord, when there is anything in our life that is beyond us, we ought to trust in You! So, we have to receive by power of the faith everything that we can't do by ourselves. I remember that place in the Gospel, where You made the fig tree wither from the roots. I also remember Your words, with that You turned to Your disciples later. You told them:

**"...I tell you the truth, if you have faith and do not doubt, not only can you do what was done to the fig tree, but also you can say to this mountain, "Go, throw yourself into the sea," and it will be done..."**

**(Matthew 21:21)**

**"Think then, that you would say to the mountain to throw itself into the sea, as well as the mountain would do the same thing for you. Then, who whom will listen to? Since there is one mount in the life of each man; there is one mountain of impossibility that stands in the way of the faith. Then many fall away, since they don't succeed in throwing the mount into the sea, but the mount throws them into the sea. Therefore, think again over My words. What does it mean for you to throw the mount into the sea? Did Lord talk about earth mountains and earth seas to His disciples?"**

"No, Lord! For Your words are Spirit and Life. And if the mount is the resistance of the devil against our faith, but the sea is the world, then Your words would sound in the following way:

**WE MUST LEAVE THE WORLD AND EVERYTHING THAT STANDS IN IT! FOR THE WORLD IS A SEA AND THE MOUNTS OF THE DEVIL ARE DOOMED TO THROW THEMSELVES INTO THE SEA AND TO REMAIN THERE!**

**“Just right, My boy! For the devil is powerful in the world and only in the world. To throw the mount into the sea, it means for you to leave the world and all worldly ways to achieve what is impossible. For there are laws of the world, as well as there are laws of the Spirit. If anybody moves according to the laws of the Spirit, then such one will overcome the laws of the world. And here this is the faith, Stefan! For, the world will tell you that this or that is impossible, but the faith will prove that in My Name everything is possible. Look at one of My apostles. He also tried to throw the mount into the sea, but he had not still left the world and everything in it...”**

After the words of Jesus a vision appeared before my eyes. I saw my Lord, Who was walking beside the Sea of Galilee. It was by night and the Sea was very rough, because the winds of the devil were buffeting the boat of the Christ’s apostles. Jesus, however, was not between them. And here, that my Lord went on the water of the lake, without sinking; the whole His body was over the water surface. And while He was walking, His disciples noticed Him in a moment. However, they did not recognize Him and thought He was a ghost. But Lord raised His hand to them and said:

**“Take courage! It is I. Don't be afraid...” (Matthew 14:27)**

Then Peter heard the Lord’s voice, recognized Him and cried:

**“Lord, if it's you, tell me to come to you on the water...”**

**(Matthew 14:28)**

Jesus, looking at Peter and the strong wind, overtaking the boat, told him:

**“Come...” (Matthew 14:29)**

Just then Peter dared to go to the Lord. And, as he went out of the boat, he began to walk on the water. And here, it seemed that his feet stepped on a firm ground, because the apostle of Jesus was already walking on the water. However, just then the wind in the lake became much stronger and it blew against him. It raised high waves and directed them against Peter, who was walking to Jesus. It made Peter raise his hands and hide his face with them, because he was afraid of the wind and waves. Then his body lose the Heavenly power and began to sink. Terrified, Peter cried out:

**“Lord, save me!” (Matthew 14:30)**

Jesus saw everything, reached out His hand at once and Peter stopped sinking. Then He approached to him and told him:

**“You of little faith, why did you doubt?” (Matthew 14:31)**

Peter could not say anything; he was only silent. So he and Lord both came into the boat and the Western wind lulled. Then Jesus made the vision stop. He was again next to me and He asked me:

**“Tell Me, Stefan!**

**Why did Peter sink, although I called him go to Me?”**

“Lord, he was afraid of the strong wind and he doubted that he could walk on the water...”

**“Was his doubt just this, Stefan? Was the true reason for Peter to begin to sink, just this?”**

“Yes, Jesus!”

Lord did not like my answer and said:

**“I gave you the vision to see what the earth people don’t usually see. And you saw just so much as everybody, who would read the verses of the Gospel. You, however, look at the written. For, My Word tells you that I went on the water in a moment, when the boat was already buffeted by the wind and waves. It comes to show that the wind of the doubt had already begun to blow against My disciples. Then, how did they react to My walking over the water? What a man did they take Me for at first?”**

“Lord, they thought You was a ghost...”

**“Do you perceive that just this was the first attack of the doubt. Since My disciples doubted that it was Me and decided that I was a ghost. Then, look at the spiritual message in this vision. For if Lord your God walks over the waves of this world, many people think it is unacceptable. They decide that this kind of walking is not for men, but for ghosts. Will such people be able to accomplish My appeal and stand over the waves of the world? Does not it happen just this that the mount throws them into the sea, when they are those who have to throw it there?**

**Now, look the other thing in this vision. For Peter was a fisherman. It is not possible for a fisherman to die into the water, since he would**

**reach the beach or a boat by swimming. Peter, however, called Me for help, since he knew that he was perishing. Therefore he shouted:**

**“Lord, save me!”**

**And what would have happened, Stefan, if I had not reached out a hand to save Peter?”**

The words of Jesus were so bright light from His lips that I said without any hesitation:

“Jesus, if You had not reached out a hand to save Peter, then no Peter, but Simon would have embarked on your boat. Since Peter means “rock”. And if it is true that the house, built on a Rock, withstood the wind, it explains the fact why You reached out Your hand to Peter. Since Your apostle prayed You to save less himself own, than his faith. He could swim, but his faith could not hold over the waters of this world. Just therefore You told him:

**“You of little faith, why did you doubt?...”**

Jesus smiled and His eyes shined joyfully. Then He told me:

**“Do you understand now, that the Will of My Father for everyone of you is to stand over the waves of the world and not to be afraid of the devil’s winds? Do you understand now, that if Christ became the Son of Man, then He made it in order to leave His deed and example on the earth for men, but no for ghosts. And when you want to live and walk with faith over the waves of the world, you must not think that it is possible for ghosts, but with a perfect hope in the Power of the Holy Spirit you have to know that you are able to do it, too. The devil will always send the wind of the doubt in order to throw down those, who don’t wish to live over the waters of this world. Then people, who doubt that it is possible for them to walk as Christ, will probably say:**

**“Look! We are not still angels! We are still on the earth...”**

**As to My people, who prefer to believe what My Word says, but no the wind of the doubt, they, one and all, will find themselves called to accomplish the words from the message of My apostle John. For he wrote for all you:**

**“Whoever claims to live in him must walk as Jesus did...”**

**(1 John 2:6)**

**And if I walked over the waves of the lake, then you also would have to walk over the waves of the world.**

**That's why, let everyone of you fall before the Face of My Father and pray for that Christ's Faith, that will help you to throw the hills and mountains of the doubt into the sea. For, if you don't throw them into the sea, they will throw you into it. Let everybody remember these My words and test by them whether he stands in the faith of the Son of Man..."**

Lord was silent. A moment later, when I went deep into the perfect Light of His words, I understood that there was one Simon, living in everyone of us, who ought to yield his place to Peter. For, it was not Simon, but Peter, who called to Jesus and He reached out His hand to save him.

For Simon was a fisherman, but Peter - fisher of men!

I believe sincerely, that the words of My Lord will raise you over the waves of the world and you will never more be frightened by the wind of the doubt! Amen and Amen!

## 5. THE LORD'S WIND OF THE BLESSING

My brother! I am convinced that Lord will do His deed in your heart through this book. For all we must be generation of victory and triumph over the devil. And if the winds of the devil are cruel and deadly for the heart of man, despite all, there is One, standing over these winds - One, Who has promised Himself by His Word. Since there are splendid verses in His Word: verses of hope and faith; verses of victory and triumph; verses, talking about His unlimited faithfulness and Love to every one of us. Now, look how beautiful are the words of the Savior:

**"At that time the sign of the Son of Man will appear in the sky, and all the nations of the earth will mourn. They will see the Son of Man coming on the clouds of the sky, with power and great glory. And he will send his angels with a loud trumpet call, and they will gather his elect from the four winds, from one end of the heavens to the other..."**

**(Matthew 24:30-31)**

As you are convinced by yourself, Jesus will gather His elect from the four winds. This will surely be people, who have overcome these four winds, revealed in this book.

Lord wants to give you here something more than confidence that you are able to get over the devil's winds. For Jesus revealed to me one excellent wind - the wind of the Blessing. The wind from Zion. The wind, which is a tempest for the devil, but a tender puff of wind for the faithful God's people. So, let me reveal to you the last vision of this book - the vision with the Wind of the Blessing.

Jesus was again next to me. He told me:

**"Stefan, finally I want to give you the vision with the Wind of the Blessing. For there would not be any Salvation without the God's Blessing and Grace. And if the winds of the devil blow the wicked away suchlike chaff, then the righteous men know that there is one wonderful and light Wind, sent by the Heaven. Therefore, see what the deed of This Wind is on the earth..."**

After the words of the Lord a vision appeared before the eyes of my heart. I saw the Lord's Wind of the Blessing. It was coming down from Zion like a

sparkling Light and was descending over the earth. A moment later people wearing white clothes were in it. And the Wind itself, filling out their clothes with air, raised them upwards, so that righteous people were like white birds, spread their wings to the Heaven. The very Wind and people in it were flying much higher than the earth. Then Jesus told me:

**“Look at this wind and know, that just It is the God’s Breath on the earth. Those men, who have found themselves in it, are redeemed and saved. I was talking in the Gospel about This Wind, although not everybody understood My words. Therefore, let Me remember to you My conversation with Nicodemus. Do you remember what were My words to this awakened Pharisee?”**

“Yes, Jesus! I remember, that You told him:

**“...I tell you the truth, no one can enter the kingdom of God unless he is born of water and the Spirit. Flesh gives birth to flesh, but the Spirit gives birth to spirit. You should not be surprised at My saying, “You must be born again...” The wind blows wherever it pleases. You hear its sound, but you cannot tell where it comes from or where it is going. So it is with everyone born of the Spirit...” (John 3:5-8)**

**“Then, how do you understand My words, Stefan? What does it mean, that the Wind blows wherever it pleases, but nobody can tell where it comes from or where it is going? And what do My words mean, that so it is with everyone born of the Spirit?”**

“Lord, I understand from Your words, that the Wind of the Blessing does entirely what Father wants and it is not human job to know whom Father hardens His heart to and whom He appears His Mercy. And if it is so with everyone, born of the Spirit, then everyone of us must be alert, in order to be in agreement with the Perfect Will of Father...”

**“And does not this Will say, that those He foreknew He also predestined to be conformed to the likeness of His Son? And if His Son is called “Last Adam”, does not it come to show, that My Father will breathe the breath of life into everybody He has foreknown to be conformed to the likeness of His Son?”**

“So it is, Lord!”

**“Then, is there a reason for you to be surprised at this Heavenly Wind? Is not the Holy Spirit that Breath of the Almighty God, by whose help He gives a Life to His children? And if the breath of your own mouth goes out like a current, then how would go out the Breath from the mouth of My Father?”**

“Lord Jesus! He would be a majestic Wind, incomparable with anything else on the earth...”

**“And you, how do you catch This Wind, Stefan? And how, all who have believed in My Name, ought to catch it?”**

“Jesus, I catch it like a Word by Father! For Father created everything by Word. And now, He is creating His sons and daughters by Word, too!”

Jesus smiled. Then He said:

**“I am the Word of Father. If anyone believes in Me, he will surely feel the Wind of the Blessing in his heart. And when you began to pronounce the words of My Holy Spirit with the faith of your heart and God’s Love to your fellows, then the Wind will surely raise the fine linen, bright and clean, which you have put on yourselves, so that you will be like Heavenly angels in the dwellings of My Father. Do you understand now, that when anybody is born by Heaven, then the Word of My Father has also become a Life of the God in his heart? You have not any other privilege, more beautiful than this - to leave the Holy Spirit to fill you with the Life of God. For then you will speak like Me, you will walk like Me, you will touch like Me and you will have great deeds like Mine. Then everything you will do will be My deed in your hearts, My Light in your eyes, My Spirit on your lips.**

**Here I am calling on you:**

**Raise yourselves at Me!**

**Come to Me!**

**Live in My Heavenly place!**

**Raise your eyes from the earth to the Heaven and think of the things above, but no of the earth things!**

**Only so the Wind of the Blessing will raise you highly over the world, and the devil’s winds will not have a power over your hearts.**

**As to the wicked, who like the earth and the earth things and are not attentive in My words and My example, then I will command upon them the destiny of the written word:**

**“But since you rejected me when I called and no one gave heed when I stretched out my hand, since you ignored all my advice and would not accept my rebuke, I in turn will laugh at your disaster; I will mock when calamity overtakes you - when calamity overtakes you like a storm, when disaster sweeps over you like a whirlwind, when distress and trouble overwhelm you. “Then they will call to me but I will not answer; they will look for me but will not find me. Since they hated knowledge and did not choose to fear the LORD, since they would not accept my advice and spurned my rebuke, they will eat the fruit of their ways and be filled with the fruit of their schemes. For the waywardness of the simple will kill them, and the complacency of fools will destroy them...” (Proverbs 1:24-32)**

The prophetic visions with the winds of Life and death will finish here. I know that the God’s words in this book will surely bring you the fresh puff from the Wind of the Blessing. That’s why I have not any other encouragement, other prayer and other wish to you, save this:

Raise your heart highly - into the Blessing Wind of the Lord!

Recognize the sound with that blows This Wind, so as the Christ’s apostles recognized Him in the day of Pentecost!

Think of the things who are above, because you have died for the world and your life is hidden with Christ in Father! Let the Holy Spirit be for you the fair Wind that will bring your heart in Zion!

Amen and Amen!
