TO YOUR HEART

My dear brother! My faithful friend!

Fallen in my knees before my Lord Jesus Christ I am praying now so that the prophetic message of this book not to come back empty before the God's eyes. Fallen on knees before my Savior I require in His Name that Blessing and Power by the Holy Spirit, which will surely open the hearts of people, when the God's Voice talks them. For there is something that many in the Church have lost and they don't know how to find it. There is something that must be paid a worth for it in order to be received. And this is the spiritual raising. This is the revival of the whole Christ's Body. This is the Spirit of the victory and triumph.

For all the years I have communicated with Jesus, I used to perceive many times how the faith turned into a spring-board for the personal career and raising. And those, who succeeded in jumping upward, shined for a moment very powerfully on the spiritual horizon, as if to make all who are looking up wish the same firing and career. And this became a natural motive and wish for most Christians. So they began to buy up from the stands with tremble and excitement all books, in that somebody was showing them the power of the religious cosmodromes. By all means they wanted to be parts of the rocket ministries, crossing all over the world. So it appeared the fuel of these ministries. It was the same, as the world usually uses - education, giving tittles... and countless compromises with every pure and holy thing. This fact disgusted my heart. It made me deny this human model of rising and humble my heart, so that God may reveal to me the Perfect Will of Father, concerning the spiritual raising. I was to understand very soon, that there were two scenes, on which every raising was realized. The first scene was the world. The Christian would perceive on this scene only those, who live in the world and like the world. This was more preferable scene for the churches of the last time. The ovations and claps on it were like active typhoons, seeping away every godliness and spiritual purity. It was a scene, on which the same devil was director and producer. The more successfully the raised on the scene were lying the onlookers, that they are God's messengers, the more shining and attractive became their campaign. They were thumping their chests, crying: "We are the raised people! We are the anointed ones! We are the example! We are the target!"

After that these raised people created a special show, and traversed from town to town all over, so that their bank accounts became greater and their influence - more and more greater. They were put their pawn in the things, that were appreciated highly amongst the men and they really became a hit in their time and place. And if the pagans were touched and went into ecstasies over their idols - either rock-stars, or top-models, then those last churches, chosen the scene of the world, went out of their minds by the vainglorious masquerade, that the chosen by the devil demonstrated them.

I have nothing to see on this scene. It was evident for my eyes. That's why, praying to the God, I looked for the other scene, where was the Holy Altar before the God's sanctuary. In difference to the first scene, where there were many people, on this scene it was possibly for the Christian to be noticed only by Father, the Son and the Holy Spirit, as well by that cloud of witnesses, standing on the golden streets of the Heavenly Jerusalem. On this scene the name of the Christian would not blare in radio-stations and TV-shows. There were on this scene some eyes, more beautiful than the eyes of the earth men. They looked, examined and pierced the heart of everybody, who would stand on such scene. These eyes were so Holy and pure, their look - so hard to be endured, that the spiritual man would understand that just they were the small gate and the narrowed way. These eyes were so eager in Their look, that they did not allow anybody easily on this scene. Then I understood that till I am alive and there is a breath in my mouth, I will always be striving to the Holy Altar of my Father and to the right look of His eyes. Then I understood that if you wish the raising to this Altar, you need neither the human honor or approval, nor the shining conferences, nor the lustrous diploma. For it is hidden and kept so eagerly by Father, that no one of the hypocritical and wicked people will find the way to it. By the eagerness I decided to find this Holy Altar and the target of the God's eyes, was born this book. That's why I give it to you as a present now and I believe that your eyes will spot the ajar door to the God's Sanctuary. Whether you will open it and go with your feet behind it - this is a question, whose answer depends only on the faith in your heart. For the raising of the flesh is doubtless dying for the spirit, but the raising of the spirit - a death for the flesh. One can find the scene of his life in dying either of the first, or the second.

I say "Amen" only to the scene in front of the God's Holy Altar! The Author

1. THE VISION WITH THE LORD'S SCALES

Let me tell you, my dear brother, that when the Savior came to prepare my heart for the word of this book, I felt myself stranger than whenever. And this strangeness, appeared inside me, was due to the disposition that I was expecting the Lord with. I imagined that Jesus would raise my spirit upwards - so as He had done it many times in the visions, given to me in other books. However, it did not happen this way. Jesus only came to my spirit and told me:

"Free your mind and heart from everything, you have though you know about the spiritual raising. For you can say about the Heaven of my Father that it is high, but in one moment it might be found to be deep. Much deeper, than high, Stefan!"

I was listening to the words of Jesus' mouth and I could not understand at first. That's why I asked Him:

"Jesus! How can I understand Your words? And what does it mean that the Heaven is much deeper, than high?"

Then Lord replied:

"Don't indulge in high things, because the consequence of it is a haughty spirit and arrogance. Be careful and listen to My words; be humble in order to follow Me. For, I am to reveal you now things, whatever you have never seen, but you have to see. Otherwise you would not be able to pay the worth for the spiritual raising..."

After saying that, Jesus stretched His hand and touched my head. Then the both scenes appeared in front of me. The scene of the world and the scene of God Father. So, Lord continued talking to me; He said:

"Perceive now where the scene of the world is and where - the scene of My Father!"

I look at the vision and I was surprised. For the scene of God Father was standing lower than the scene of the world. As if it was put under the same world. Then I asked again my Lord:

"Jesus! Why the scene of Father stands lower than the scene of the world?"

Jesus answered:

"I can explain it to you easily. However, whether you will understand it so easily, too? Tell Me at first - what was My serving

before My Father? And when I came down from the Heaven, whose will I came to do - the will of this world or the Will of My Father?"

"Lord, You came down to do the Will of Father..."

"Then, remember where the Will of My Father put Me, and you would understand, too, where the eyes of Father would like to observe Me..."

While Jesus told me, the words from the message, talking about the Mission of the Savior, had come to my heart:

"...Your attitude should be the same as that of Christ Jesus: Who, being in very nature God, did not consider equality with God something to be grasped, but made himself nothing, taking the very nature of a servant, being made in human likeness. And being found in appearance as a man, he humbled himself and became obedient to death - even death on a cross! Therefore God exalted him to the highest place and gave him the name that is above every name..."

(Philippians 2:5-9)

And Lord added His question to the verses:

"Tell Me, Stefan! What does it mean, that your God has humbled Himself and become obedient to the death, even death on a cross?"

"Lord, it means that You did not hold firmly to Your equality with Father, but You accepted an image of a man and You tasted death for everyone of us..."

"As you said by yourself, I tasted death. However, is not death lower than life? And did not your Lord become more despised than whoever amongst people? Do you understand now why the scene of my God and Father is lower than the scene of the world?"

"Yes, Lord! I realize just now, that everybody on the scene of the world would like to live well his life, but everyone on Your scene - to give his life for the fellowmen..."

Jesus smiled and I understood, I had given a right answer. Then He continued to talk, saying:

"Greater love has no one than this that he lay down his life for his friends. To give your life is nothing but wishing to step on the God's scene. And how could you step on it, Stefan?"

I looked at the vision and I perceived that the way to the God's scene was far from easy. It passed through a death. Then I told Jesus:

"Lord, the way to the God's scene passes through a death. It means that if I wish to go to this scene, I must lose my life..."

Then Jesus said:

"Whoever loses his life for My sake will find it on the scene of My Father. And whoever finds his life on the scene of the world, will lose it. So, look at the following I would like for you to see. For just it is the key to the spiritual raising..."

After saying His words, Lord turned the eye of my heart to the same vision, so that I perceived one immense scale. The one end of the scales was in the Heavenly places, suffused with light, but the other end of the scales was in the same world, so that it touched the scene of the world. Then Jesus asked me:

"Tell Me, do you perceive, that in the one end of the scales stands the whole world together with all people living in it, but the other end of the scales stands in the Heavenly places?"

"Yes, Lord! I observe it!"

"And do you see, that there is not a balance of power, since it is weighed down from the side of the world. What does it make the end of the scales to weigh so much?"

"Lord! The world is sinful. That's why I think the end of this scales is so heavy because of the sins and lawlessness. It is evident that the sins and lawlessness are very much weighed down before the face of the Heaven..."

Then Jesus continued to talk, saying:

"Is it very well for you to be glad, that you are at the end of other scales? Is it well for you to rejoice that the sins and the lawlessness of the world are pressed the scales, so that you are above, but they are down? For many Christians are very glad because of this fact. They are standing at the other end of the scales, look downwards and think:

"The more those ones, standing down, are more sinful than us, the more we, who stand above, are more holy than them..."

What would you do? What would you make in order to change the state of the scales?"

I looked at the same vision and the eyes of my heart were again caught by the God's scene that was standing lower than the scene of the world. Then I said to Lord:

"Jesus! I would pray Father for such a power, so that my serving before Him might press the Heavenly scale downwards and raise the scale of the world upwards, i.e. to fetch the pagans at knowing Truth. Since the confession of apostle Paul about his priestly duty before Father was suchlike that:

"...to be a minister of Christ Jesus to the Gentiles with the priestly duty of proclaiming the gospel of God, so that the Gentiles might become an offering acceptable to God, sanctified by the Holy Spirit..."

(Romans 15:16)

Listening to my words, Jesus added:

"If you want for your serving to look at itself in the words of My apostle Paul, then be ready to accept the following part of the vision with the scales. And see what will happen, when you raise the pagans in knowing the Truth..."

I looked in the vision and I noticed, that the end of the scales, which was in Heavenly places, began to descend downwards, raising the other scale that was from the side of the world. Then the things became radically different from the former state. For the pagans in the scale from the side of the world were raised in knowing of the God's Will, but that one, who was pressing the scale from the other side, had reached to the God's scene, that was lower than the world. Then, looking at all this, I told Jesus:

"Lord, what does it appear? It appears that the more you want to raise somebody in the knowing of Truth, the more lowly you must fall..."

And Jesus added:

"No, it is not enough for you to fall! You should begin to live with the conviction, that this is the only possible service before God and Father. For just this is the worth you ought to pay for the spiritual raising. No your raising, but My raising in them! No you're putting on high places, but Mine! For the delusion, that the devil put like a temptation in the churches of the last time, is just in this - the believers to raise themselves instead of Me and to put themselves

highly instead of Me! They forgot My words. They forgot how I said to the Pharisees:

“When you have lifted up the Son of Man, then you will know that I am and that I do nothing on my own but speak just what the Father has taught me...” (John 8:28)

The more much I am lifted up, the more lower you will go down, in order to be observed on the scene of My Father! Remember My apostles, Stefan! Remember those, whose target was not to raise them, but Me! What did it happen with them? Where were they on the scales?”

My brother! When Jesus came to talk to you, then the same God’s Light flows into your spirit and heart in order to enlighten you. That’s why I said to the Lord:

“Jesus! Really I could forget the words of Apostle Paul to the churches:

“Already you have all you want! Already you have become rich! You have become kings - and that without us! How I wish that you really had become kings so that we might be kings with you! For it seems to me that God has put us apostles on display at the end of the procession, like men condemned to die in the arena. We have been made a spectacle to the whole universe, to angels as well as to men. We are fools for Christ, but you are so wise in Christ! We are weak, but you are strong! You are honored, we are dishonored! To this very hour we go hungry and thirsty, we are in rags, we are brutally treated, we are homeless. We work hard with our own hands. When we are cursed, we bless; when we are persecuted, we endure it; when we are slandered, we answer kindly. Up to this moment we have become the scum of the earth, the refuse of the world...” (1 Corinthians 4:8-13)

In the following moment the Lord’s voice became very serious and I felt that He will speak to me from the depth of His heart. Here are the words that Jesus told me:

“If anybody wants to follow Me and to do perfectly the Will of My Father, such man should know, that the serving is not his own, but Mine. Such one must accept that he will doubtless be put on display at the end of the whole procession, as condemned to death. For only

then, when the scales reach to the God's scene, I will really be raised in the hearts of people. Such man must be a fool for Me, so that others might become wise in Me. Such man must be weak for Me, so that others might be strong in Me. Such one must be dishonored for Me, so that the raised ones be glorious in Me.

SUCH MAN MUST BECOME AN INTERCESSOR BEFORE MY FATHER'S FACE, DYING FOR ALL PEOPLE, SO THAT ALL THEY MIGHT LIVE!

In this respect, Stefan the devil deceived many churches. For those ones, who are standing on the scale in the Heavenly places, do nothing in order to fetch the pagans at knowing the Lord. However, they are really lost the God's benevolence and the motion of My Holy Spirit. That's why they will be possessed by the powers and authorities of the wickedness in heavenly places; from persons, raised themselves highly, they will turn into persons, put by God on high; so they will be found in the prophetic verses of the God's punishment:

"And it shall come to pass in that day, that the LORD shall punish the host of the high ones that are on high, and the kings of the earth upon the earth. And they shall be gathered together, as prisoners are gathered in the pit, and shall be shut up in the prison, and after many days shall they be visited..." (KJV - Isaiah 24:21-22)

As to those My humble servants, who long by all their hearts for raising no themselves, but Me, then Lord your God will open for such people His Heavenly treasure-house, will gift them the mantle of the humbleness and make them survive forever before the Holy Altar of My Father.

So, let Me take you now in the New Testament to see whom My Father gave the privilege first to press the scales and to fetch many people at knowing the God's ways and destinies..."

After the last words of the Lord the vision with the scales and the scenes disappeared, and I sat to write the precious words of the King. Be attentive in them and test your spirit and heart in the Heavenly Truth in order to find the true way to the Holy Altar of Father! Amen and Amen!

2. THE VISION WITH JOHN THE BAPTIST

My dear brother! My faithful friend!

I want to believe that the Holy Spirit has taken a perfect control upon your heart and mind and you have understood the message of this book. For, my deep motive for its writing is not other but my wish for you to reach the perfect knowledge of the God's Will. I know that there is not greater privilege than the privilege to raise Jesus in the hearts of the men. For this world does not need me or you badly. It needs Jesus. And our Lord should really become for our serving as that serpent of brass, that prophet Moses raised in the desert. He raised the serpent of brass, no himself own. So must we - to raise no ourselves, but Jesus.

The same vision with the scales that Lord put before my heart was so powerful and stimulating, that it helped me to realize entirely the pureness of the Christ's teaching and the bliss of Christ's example. But you will receive something more in this chapter. You will understand that the deep costs more than the high. That's why, let me reveal you now how Lord devoted me in the vision with John the Baptist. Here are the words of Jesus:

"Stefan, the thing I am to reveal to you now, is a precious diamond from the God's treasure house. It is so precious, as the mantle you could acquire by it, is. Therefore, look at a prophet John the Baptist in the vision, that I am giving to you now..."

After the words of the Lord a vision emerged before my heart. And I was seeing again both ends of the scales in the same vision. Then I noticed Prophet John the Baptist. He was shining like a Heavenly angel and standing at that end of the scales that was lifted highly in Heavenly places. Then Lord told me:

"Observe how My Father will call John in holy service for the Lord..."

I looked at the vision and perceived how a Light Hand appeared from the God's scene that was lower than the scene of the world, and gave a sign to the Baptist. It made John press the end of the scales, so that the other end went visibly upwards. So the prophet of God continued to press the end of the scales by the moment, when the same he went down on the scene of the Father, while the men, raised by his serving, were standing in Heavenly places.

Something more - John had pressed the end of the scales to such extent, that the same powers of death and hell bent down over him. And clutching him, they took his head off. Then Lord Jesus told me:

“Look attentively and see that John walked his way from the high to the deep. He, who was full with the Holy Spirit from his birthday, made straight paths for the Lord. He covered the way from the height of the mount Zion to the depth of the Herod’s dungeon. Now, I want from you to tell Me - did Israel know, that John the Baptist is the God’s anointed man, raised highly?”

“Yes, Lord! For people considered him to be a prophet. The same You, asking the chief priests whether John’s baptism was from the Heaven, made them to keep silent, because they knew perfectly that the whole Israel accepted John like a messenger from the Heaven...”

“It all right, Stefan! Now, look at the other fact. See, that while I was not appeared to the world, John was the target of Israel. It responds to the fact that the prophet was standing highly on the scales. However, when My Father called John to come down to His scene, in order to taste a death, then the same this John declared:

“A man can receive only what is given him from heaven. You yourselves can testify that I said, “I am not the Christ but am sent ahead of him...” The bride belongs to the bridegroom. The friend who attends the bridegroom waits and listens for him, and is full of joy when he hears the bridegroom's voice. That joy is mine, and it is now complete. He must become greater; I must become less...”

(John 3:27-30)

Why must I become greater, but John to become less? How do you understand this, Stefan?”

“My Lord! The Baptist had the task by Father to press the scale, so that to fetch many at knowing of You. So as the one end of the scales must go down, in order to be lifted the other, so John had to become less, in order that You be raised...”

“Do you understand now, that the prophet of My Father really knew the way to the God’s Holy Altar? Do you understand now, that he

knew really where the God's scene was for him? Tell Me now; was it easy to John to walk his way from the high to the deep?"

"Lord Jesus! Your Word reveals that in the eyes of many John the Baptist was a Heavenly sign, Heavenly messenger. For even king Herod, who beheaded him, could not believe, that it was possible to exist other Heavenly light, save John. When he was informed about You and the miracles, attending Your serving, then his reaction was:

"John the Baptist has resurrected from the dead; therefore these great powers are active by Him..." (Mark 6:14)

...as well:

**"John, the man I beheaded, has been raised from the dead!"
(Mark 6:16)**

The truth is that the Baptist raised Your Name, and the same he tasted a death in order to reach the God's scene. And his life reflected perfectly the same that happened in the life of Your apostles..."

"Remember then, that when I came into Jerusalem, the people cried "Hosanna!" and "Blessed is he who comes in the name of the Lord!" Were not they just the men, who had become a people, prepared for the Lord by the serving of John the Baptist? And if John had not become less, would Christ become glorified?"

"No, Lord! However, just therefore John became less, because he knew what the worth for the spiritual raising was..."

"See then the secret, hidden in the serving of the Baptist. For just it is the Heavenly diamond, that I offer by you as a gift to My brothers and sisters. For they will pay the worth to put on themselves the mantle of humbleness only through this diamond..."

After the words of Jesus, I was filled up with the power by the Holy Spirit, so that I felt to be enlightened all secret recesses of my heart. Then Lord said:

"Now you are ready to see what the Heavenly diamond is. That's why, tell Me, in whose spirit and power was forthcoming John the Baptist before the Face of My Father?"

"Jesus! John was forthcoming in the spirit and power of Elijah. It was preached in advance to his father Zechariah by archangel Gabriel..."

“Just right, My boy! See then who is another man, who before John the Baptist was forthcoming in the spirit and power of Elijah. Who received double portion from his Spirit and Power?”

“Lord that was Prophet Elisha!”

After my answer rays of Heavenly Light began to come out of the mouth of Jesus. He asked me again:

“And was not it in Elisha’s life one river, called Jordan, just so as it was such a river in the life of John the Baptist? For the Baptist found his service and calling just at river Jordan in order to perform in Spirit the same thing that Prophet Elisha had done before him. Therefore, remember from the biblical tale what Prophet Elisha did at river Jordan...”

My heart began to beat powerfully, because I was on the threshold of a great Heavenly revelation. Suddenly the same biblical verses emerged before my eyes and I only read them:

“The company of the prophets said to Elisha, “Look, the place where we meet with you is too small for us. Let us go to the Jordan, where each of us can get a pole; and let us build a place there for us to live...” And he said, “Go...” Then one of them said, “Won't you please come with your servants?” “I will,” Elisha replied. And he went with them. They went to the Jordan and began to cut down trees. As one of them was cutting down a tree, the iron axhead fell into the water. “Oh, my lord,” he cried out, “it was borrowed!” The man of God asked, “Where did it fall?” When he showed him the place, Elisha cut a stick and threw it there, and made the iron float. “Lift it out,” he said. Then the man reached out his hand and took it...” (2 Kings 6:1-7)

I had just read the biblical verses, when Jesus began to talk to my spirit in a very great depth. Here are the words He told me:

“Do you perceive, Stefan, that there was one sign, that prophet Elisha performed at river Jordan? For the iron axhead of one his disciple had fallen into the water and gone down to the bottom. But Elisha threw a cut stick into the water, and the iron went up and floated, and his disciples lift it out. Say me then, what was it necessary to stop the hardening of Israel to the God in the times, when My

servant appeared? Did not John the Baptist appear then, in order to do in Spirit the same thing as Elisha did, too? For Elisha cut the stick and threw it in river Jordan, and made the iron float. And John the Baptist, what did he do? Did not he dip his feet into Jordan, preaching the repentance, so that the men hardened in knowing the God's Will might be raised? Was not John the Baptist just the stick of wood, that made the iron float? For once Elisha performed the miracle, cutting one stick, but the miracle of the repentance was paid by John with the cutting of his own head... Do you understand now, Stefan, how will all you fetch the hardened world to repentance? Do you understand now, that unless there are sticks amongst you, ready to sacrifice themselves before the God's Holy Altar, then the iron will be standing on the bottom and will not come to the surface?

Here, I am speaking now, and righteous and holy words go out of My mouth:

Put on yourselves the spirit and power of Elijah, so that My Name be raised!

Put on yourselves the Spirit and Power of Elijah, so that the Holy Spirit be on your lips!

Put on yourselves the Spirit and Power of Elijah, so that you might walk the way to the perfect humility!

For only then My Father will call you before His Altar and you will be his sacrificial bulls!

For the miracle, that Elisha did was repeated by John the Baptist. But the miracle, that John the Baptist did, it must be done by you! For those ones, who are hardened in the deceit of the sin and who are like an iron before My eyes, they must certainly float and I must be raised in their hearts! But it will happen only then, when My Church bear people, who seek the Way to the bottom, in order to find the top of the Mount!

For a deep calls to deep in the roar of My waterfalls! And if anybody longs for the incredibly high Heaven of Zion, let him dip in the incredibly deep bottom of the repentance! For it doubtless come a moment, when the height will call the depth! Blessed then all those,

who have raised Me, but who have humbled themselves! Blessed then all those, who have served My Father like His sticks that fetch the iron to repentance!"

After the words of Jesus I perceived His hands to hold one very plain and rough sewn clothing. Then He told me again:

"Whoever wants this clothing let him prepare to suffer for My Name. Whoever wants this clothing let him be ready to do his deeds so, that to be noticed only by Me; let him avoid the approval by men!

For the humbleness is the double portion from the Spirit and Power of Elijah! It is the mantle, against that the devil does not possess any weapon! Only this mantle will help you to pay the worth for the spiritual raising, being with her the more lower, the more upper you want to raise My Name in the hearts of the people!

I pronounced it! I uttered it!"

3. THE WAY THROUGH THE BOTTOM TO THE TOP

My brother! My faithful and dear friend!

I know that the God's Word will not come to anything. However, the deeds of those, who always try to stand in God's way, will come to nothing. For, the time is now, when the humble and gentle people have become an object of mockery and despise. For nobody likes their clothing. For, nobody wants to go down and to be dishonored for the Name of Christ, when the fair of Babylon's vanity offers him a profitable business from the Gospel. But I know that the living rest of the God has received something new by this prophetic message. For the humble ones will surely be rejoiced and confirmed. They will already be entirely convinced, that the way to the top of Zion doubtless passes through the bottom of self-denying and humility. For if those blessed feet of John had not stepped on the bottom of Jordan, then the lips, crying "Hosanna!" would not open, too. I don't wish other destiny and other example in my life, different from the example that Jesus taught me with this book. For I know, that the moment, when my eyes will meet His eyes, is coming soon. Then I would like to know that my life has passed so, that the words of the God's servant might be found in my lips, and the Spirit of Truth to confirm and enlighten them:

"Oh, that my words were recorded, that they were written on a scroll, that they were inscribed with an iron tool on lead, or engraved in rock forever! I know that my Redeemer lives, and that in the end he will stand upon the earth. And after my skin has been destroyed, yet in my flesh I will see God; I myself will see him with my own eyes - I, and not another. How my heart yearns within me!" (Job 19:23:27)

Would you like, my brother, this word to become a destiny for your heart?

Then, look at That One, Who waits for you in the bottom!

Then, look at That One, Whose hands offer you as a gift the mantle of the humbleness! Amen and Amen!
